What's not to love about Sun City?

During Sun City's 50th anniversary celebration, special bumper stickers asked a simple question: "Do You Love Sun City?"

I have a simple response: "What's not to love?" Sun City is a community unlike any other in the world.

Let's start with volunteerism. Sun City is, after all, the City of Volunteers. Without the thousands of hours that Sun City residents volunteer throughout the community, Sun City just wouldn't be Sun City. From answering phones to serving on standing committees, volunteers are the lifeblood to Sun City's many organizations. Heck, several of the community's organizations were started by volunteers who saw a community need and

decided to help fill it. Volunteerism is the lifeblood of Sun City. It keeps the cost of living down and it keeps residents engaged in their retirement years.

Sun City's people also step up with helping their neighbors. The Sun City Foundation helps Sun City residents pay their annual property assessment if they have fallen on hard times. The Foundation is completely funded by donations, most of which are made by other Sun City residents.

What else makes Sun City great? The passion of its residents. When they are passionate about something, they let the world know. Take, for example, the recent decoupling issue before the Arizona Corpora-

tion Commission: more than 1,000 residents filled Sundial Auditorium on October 7 to share just what they thought of the decoupling proposals from APS and Southwest Gas. In similar fashion, the community told the ACC "No!" to a consolidation setup proposed by Arizona American Water last year. The RCSC Board of Directors has also heard loud and clear many times the voice of the community. Earlier this year, the board debated tearing down the Sundial Monument at Sundial Center. Then we heard the passion of the people and changed course.

Let's not forget about our many amenities and facilities. We have seven recreation centers that include pools, spas, fitness centers,

2011 Board Election

Three Members are running for a seat on the RCSC Board of Directors.: Linda Lindquist, Carole Martinez and Bill Pearson. There are four vacancies on the Board. Even though there are only three candidates, RCSC Members are highly encouraged to cast a ballot because, according to the RCSC Corporate Bylaws (Article IV, Section 5) each candidate must receive a minimum of 100 votes to be eligible to fill a vacancy. So long as candidates receive at least 100 votes each, they will each serve a three-year term. The fourth vacancy, a one-year term, will be filled by appointment. **See Page 2 for more election info!**

Look who's quack

Linda Lindquist

Experience: Associate Manager and As-
sistant Systems Analyst for national insur-
ance company

Sun City Involvement:

- Served 3 years on SCHOA Board
- SCHOA President
- Developed SCHOA website

Goals: I have always felt that Sun City is
one of the preeminent retirement commu-
nities in the country. We have wonder-
ful facilities at a very reasonable cost. The
quality of life cannot be matched for the
money.

Over the last 50+ years this did not hap-
pen by accident. It happened because
concerned residents volunteered their
time and talents to ensure our quality of
life would remain so in the future.

My goal is to be part of this process and
to listen to the wishes and needs of our
residents and to act on their behalf.

Carole Martinez

Experience: Telecommunications includ-
ing analyzing, course development and
customer service; paralegal

Sun City Involvement: Currently serving
one-year term on RCSC Board. Serves on
Bowling, Marketing, Member-Commu-
nication and Entertainment Committees
and serves as RCSC Library Liaison.

Goals: 1. Marketing – New and better
ways to attract new residents to Sun City.

2. Leadership – Effective leadership is the
backbone of a strong board.

3. Amenities – Keep the amenities of Sun
City to a reliable and desirable level for
the residents.

4. Costs – Make fiscal decisions based
upon the best value for the dollar.

5. Listening to the residents – Take a hard
look at what can be done to accommo-
date residents' needs.

Bill Pearson

Experience: Union representative -
served as Secretary/Treasurer & President

Sun City Involvement:

- Former SCHOA Board Member
- 50th Anniversary Committee
- President Del Webb Sun Cities Museum
- Sun City Visitor's Center

Goals: Sun City is the most unique of
all age restricted communities. For it to
continue to be that, we must enhance the
role the RCSC plays in the community. To
do that, I suggest:

1. More effective communication with
residents;
2. Strong marketing program targeting
boomers coming of retirement age;
3. Restoring a voice to the residents with
quarterly meetings; and
4. Setting a defined goal of building a
greater sense of community

Ducks on sale; Holiday Celebration coming

It's time to purchase those "Duck Bucks" and a chance to win some cold, hard cash! Duck Bucks are on sale for the Amazing Duck Race, which will take place at the 3rd annual Sun City Holiday Celebration on Friday, December 9 at Lakeview Recreation Center from 3:30 to 7:30pm. The top three finishers will split 50% of the proceeds, with the other half going to SCHOA's Financial Assistance Program. Of the percentage going to winners, first-place will win half, second-place 30% and third-place 20%. So buy up those Duck Bucks! Each Duck Buck is \$1 and are available at all RCSC facilities.

But that's not all! In addition to the Amazing Duck Race, RCSC cardholders may purchase individual rubber ducks at any RCSC facility except pro shops. Each duck is \$1 and half of the proceeds go to the Financial Assistance Program, and the other half will go to covering the cost of the ducks. There are a wide assortment at each site so make sure to visit multiple places to check them out!

In addition to the Amazing Duck Race, the Sun City Holiday Celebration will feature: a pie walk, a mini-golf hole-in-one contest, a Holiday Bazaar, food, entertainment and the traditional Lighted Boat Parade on Viewpoint Lake (sponsored by lake homeowners). Financial News & Notes

August 2011: We have ended August 2011 well within our operating budget both for the month and year-to-date. Every division has operated within their operating budget year-to-date. Please be reminded that the Management Team customarily holds many repair and maintenance projects until the last quarter of the year to be assured that the annual budget can be obtained before releasing the funds for such expenses. Although we are releasing the funds for these projects now, the August 2011 financial statements has over \$600,000 budgeted repairs and maintenance that has not yet been spent.

Collections: Payments made by property owners in outside collections were down in August with \$8,132 being paid by 35 property owners. During August our internal collector processed payments from past due property owners totaling \$45,151 and property related transfer fees totaling \$168,389. These represent increases of approximately 7% over year-to-date monthly averages for both categories.

Past Due Balances: While August resulted in the lowest payment total on past due balances for the year, we also saw the overall past due balances decrease by the largest amount year to date. While these two figures don't seem consistent it means that less of our current balances went over 30 days past due. Our focus on these property owners is evident this month. Currently fees related to properties pending transfer account for 55% of past due balances and 32% of all pending receivables.

Trustee Sales: Property trustee sale notices on Sun City properties decreased for the third straight month in August with the total now down to 93. The activity of lender foreclosures was the highest year-to-date in August with the net total of properties that are owned by lending institutions decreasing by 2 properties to a total of 142 at the end of the month.

Golf News & Notes

Golf Rangers Need You: Rangers volunteered a total of 76.5 hours in June. Course totals: Quail Run: 0 | Riverview: 2 | South: 16.5 | North: 8.5 | Lakes: 35.5 | Willow: 0. More Rangers are needed. If you have a few hours a week and want to have fun while providing a great service to Sun City golf, consider volunteering as a Ranger. Training is provided, hours are flexible, and Rangers receive \$1 per hour for the use of their own golf cart plus one large bucket of balls for every 10 hours volunteered. For more information contact Carey Shore (623-972-1675) or Don Barber (623-876-8082) or attend a meeting: 3pm the last Thursday of each month at Talisman Hall.

Water Use: Excessive heat in August and lack of rainfall have increased water usage over past years. Through August we recorded 2 inches of rainfall compared to 11.4 inches in 2010. Through August we used 169 million gallons of water more than 2010. Increased water usage has put a strain on pump stations and groundwater wells. At Lakes West the groundwater pump received repairs for preventative maintenance. The Lakes East/Lakes West groundwater well had a blown motor and was repaired. The Willowbrook and Willowcreek wells had a failed pump and was repaired. Our irrigation pump stations have also received numerous repairs over the summer.

Free Golf Clinics: For Sun City residents and guests. No registration required. At 9:30am every Saturday in November at

Personal Trainer is a good investment

Emily Entriakin finds out about personal training services at the Fairway Fitness Center from Jane Fortier, exercise professional for Daily Fitness. Emily is anxious to get off to a good start at the new Fairway facility. "Investing in a personal trainer might seem a little frivolous in today's economy, but it's an investment that pays off," states Jane. "Using exercise equipment without appropriate instruction is foolish. Proper settings, form, technique and breathing all play a role in exercise effectiveness. A personal trainer provides educational expertise and positive encouragement every step of the way. Studies confirm that exercise is not an option after age 60, it's a necessity. The physiological changes of an aging body require an exercise program that builds muscle, increases flexibility and improves cardiovascular strength. There's no "one-size fits-all" workout. An exercise program must be safe, effective and designed to meet individual needs and medical issues."

Daily Fitness trainers are certified by

recognized national fitness associations, and have additional certification as senior fitness specialists. They are experts at designing comprehensive exercise programs for active aging adults. To get details on services available at any of the Sun City Fitness Centers, contact Daily Fitness at 623-256-7901. A fitness professional will be happy to provide a free Consultation. Gift Certificates are available for the upcoming holiday season.

SUN CITY: What's not to love?

continued from Page 1

meeting rooms, clubs, sports and other activities, in addition to eight golf courses, five snack shops and two leased café-restaurants, and two bowling centers. And don't forget the softball field, Viewpoint Lake, or the Sun Bowl.

The day-to-day operations of all these amenities are well-run by RCSC's Management Team. General Manager Jan Ek and her crew run a tight, efficient ship, ensuring all amenities are secure, clean, and well-maintained to a consistently high standard. For instance, Assistant General Manager Jim Wellman was recognized this year for his continued efforts to help RCSC conserve energy, which helps lower costs for Sun City residents. Also, look at comments from the United States Golf Association on the condition of RCSC's golf courses in a recent Turf Advisory Report. The report's author wrote the RCSC's contracted golf staff manages our golf courses "in an economically efficient manner, while continuing to provide a quality product for golfers to enjoy." We are blessed with such an outstanding Management Team.

We have access to all these amenities for less than \$500 a year. Sure, there are other Del Webb communities that boast great amenities and activities, but their annual assessments are through the roof. Some pay upwards of \$3,000 annually to live in their communities. This is not the case in Sun City. Many of those other Del Webb communities may have a newer coat of paint, but the original still stands as the best.

Whenever I see one of those bumper stickers asking, "Do You Love Sun City?" I just smile and respond, "What's not to love?"

Bookstore Events

The annual Christmas tree will go up Thanksgiving week. As usual, it will be full of great hand-made items. These adorable little "toys" are good for tree ornaments or for decorations on packages. Some can even be set out around the house just for decoration. They are all really reasonably priced, so come in and take a look at what is available.

Starting November 28 there will be a half price sale on selected items. This will include all hardcover books and some softcover and paperbacks. Some videos will also be on sale. These are really bargain prices and make terrific Christmas gifts for all ages.

Other Events

The last of the "How to Write a Novel" series will take place on Wednesday, November 9 in the Program Room at the Bell branch from 10am to noon. Toby Heathcotte will lead the group. She is a published author with multiple books and awards to her credit. Bring paper, pencil and your imagination and be ready to start your own novel. If you missed one or both of the previous classes, it doesn't

matter; you can still benefit a lot from this one. You can register at the Customer Service desk at the Bell branch.

Membership

Friends of the Sun City Libraries is an organization specifically oriented to be of benefit and assistance to the two Sun City library branches of the Maricopa County Library System. This includes purchasing materials such as financial publications and some special equipment items that might not otherwise be available to our patrons.

Membership is open to anyone who is a library patron or one who has its interests at heart. Some members are volunteers who work in the bookstore or service homebound residents through the Book Buddies program. Other programs will be oncoming in the future as needed. Everyone has a talent, an idea or a plan that can benefit the group. So join us and help the libraries continue to be a benefit and a pleasure for our patrons.

Meeting

The next meeting of the Friends will be Thursday, November 10 at 9:30am in the Program Room at the Bell Library branch. Come and bring your friends, your ideas and your complaints (not to many of the latter, please).

Happy Thanksgiving!

Sun City Square Dance

Here in Arizona the snowbirds are arriving to get away from the cold of the northern states. Square dancing here suffers in the summer because many dancers go north to escape the heat. Our students from last year are just rounding into shape with a year's instruction under their belts. They are becoming a real part of our clubs. We truly enjoy visitors to our square dance club, so come on down!

Sun City Squares will not have beginner lessons this year, but we hope you will participate with Sun City West Westerners Club. Our two clubs now have reciprocity, so it helps our club to stay a chartered club. They will have an ice cream social on November 6 at 2pm to introduce everyone to square dancing. On November 7 at 7pm in R.H. Johnson Hall they will have their first lesson with Dick Grisham, caller/instructor. If you know of someone that is interested in lessons this year, please tell

them about Sun City West's lessons. Dick did such a great job for us last year; we hope you will BRING everyone you know to lessons.

Our annual "Light Dance" will be November 1. Wear all your lights and we will have a tip or two in the dark. We will also have cake to kick off our winter dancing. Dances are open to RCSC cardholders and guests. For information: 623-875-2642, 623-930-7513, 623-341-3726 or SunCitySquares@q.com.

As Glen Campbell's musical director for 17 years, Jeff Dayton also toured with Lee Greenwood as well as Kenny Chesney and is now a full-time songwriter and studio musician in Nashville. Mike & T, feature award-winning steel guitarist Mike Smith, who also recorded 17 albums so far with The Gatlin Brothers, toured with them for 10-years full-time as well as The Judds, J. Reed, H. Williams Jr., Charlie Pride and others.
