

## RCSC Board Election December 13

Three Members are running for a seat on the RCSC Board of Directors.: Linda Lindquist, Carole Martinez and Bill Pearson. There are four vacancies on the Board. Even though there are only three candidates, RCSC Members are highly encouraged to cast a ballot because, according to the RCSC Corporate Bylaws (Article IV, Section 5) each candidate must receive a minimum of 100 votes to be eligible to fill a vacancy. So long as candidates receive at least 100 votes each, they will each serve a three-year term. The fourth vacancy, a one-year term, will be filled by appointment. *See Page 2 for more election info!*

## 3rd Annual Sun City Holiday Celebration

Celebrate the season and lend a hand to a vital community organization at the 3rd annual Sun City Holiday Celebration, taking place from 3:30 to 6:30pm Friday, December 9 at Lakeview Recreation Center. The event will feature the Amazing Duck Race, as well as a pie walk, a mini-golf hole-in-one contest, a Holiday Bizarre Bazaar, food, entertainment, the annual synchronized swimming show by the Aqua Suns and, of course, the traditional Lighted Boat Parade on Viewpoint Lake (sponsored by lake homeowners).

Proceeds from the Sun City Holiday Celebration will be donated to SCHOA's Financial Assistance Program, which was chosen as beneficiary of RCSC employees' annual holiday fund-raising activities this year. The Financial Assistance Program helps financially challenged Sun City residents who have limited resources to maintain their properties. The program operates completely off donations and relies on volunteers to help trim landscaping

and businesses that donate their services to the needy homeowners. Two years ago, RCSC employees began a tradition of choosing a Sun City organization to benefit through employee donations in lieu of a co-worker gift exchange.

The Amazing Duck Race features rubber ducks that will "race" down the Lakeview waterfall and around the lagoon to be the first to reach Viewpoint Lake. Like last year, there will be two separate races. The top three finishers of each race will split 50% of the proceeds, with the other half going to the Financial Assistance Program. Of the percentage going to winners, first-place will win

half, second-place 30% and third-place 20%. Tickets for the Amazing Duck Race are on sale at all recreation centers' facilities attendant (monitor) stations and golf course pro shops. Ducks will also be sold the day of the celebration for the second race. Ducks are \$1 each.

The Aqua Suns will kick things off at 3:30pm. Ticket booths will also open up at that time next to Lakeview Center's mini-golf sta-

## Buildings & Infrastructure News & Notes

**Lakeview Painting:** Exterior painting of all Lakeview Center buildings is nearing completion. The work included painting all exterior areas of Lakeview Center, Lakeview Lanes and the Lakeview mini-golf building. Replacement of the shade canopy fabric, around the pool, is now completed. Shade canopies on the south and east side of the Lakeview Lanes building is still in progress. Contractors are Quality Painting and Arizona Bag and Shade. **(Cost - \$48,937)**

**Lakeview Lanes Carpet:** The re-carpeting project for Lakeview Lanes was completed last month. New carpet was laid in the bowling, pool room, offices, team room and restaurant. Contractor will be Baker Bros Carpeting and Dave Clayton Billiards. **(Cost - \$44,742)**

**Fairway Usage:** Cardholder and guest check-in for the activity areas at Fairway, over the last seven days are as follows: Pool-630, Waking Pool-412, Fitness-1,675, Spa-485, Walking Track-706, and Look-e-Loos-155. Total activity area use for seven

days is 4,063. In comparison, the OLD Fairway pool and spa (No fitness or walking track before) during the same seven-day period in 2007 saw a total cardholder check-in of 505 uses.

**Recreation Centers Hours:** Because we have many cardholders who want to use the RCSC fitness rooms, spas, pools and indoor walking track during the early morning hours, RCSC is temporarily opening Bell Center and Fairway Center pools, spas, fitness and walking track at 5am (instead of 6am) Monday through Saturday. Bell Center and Fairway Center hours for Sundays will remain the same at 8am–8pm. (These new hours apply only to the Bell and Fairway activity areas listed above.) All other centers hours will remain the same. In addition, facility attendants at all centers are being instructed not to open the doors to activity areas or lobbies until the scheduled opening time, as they have very limited time to prepare themselves, their equipment and work stations for receiving and serving cardholders.

## Financial News & Notes

**Balance Sheet:** Because of the new integrated software programs, the pre-billing of accounts receivable assessments, which has been a common place practice for RCSC, is now shown in our Accounts Receivable-Assessments total making our comparison to last year appear that our accounts receivable has increased by \$1 million. But, if you refer to Current Liabilities, you will find the account "Pre Billed Assessments" which will indicate the true amount of variance in accounts receivable this year compared to last.

**General & Administrative:** In the past five years, G&A total wages, taxes and benefits have been reduced by 21%, over \$280,000 annual savings even with increased costs to workers' compensation and medical insurance. Total overall overhead at RCSC reduced by 16%, with more than \$330,000 saved annually.

**Bowling:** Net operating excess over the past 12 months is twice what it was five years ago (\$133,080 vs. \$69,422).

**Food Service:** Has a net operating excess over the past 12 months of \$63,169 versus a \$231,649 net operating deficit 10 years ago, a roughly \$295,000 annual improve-

ment.

**Golf Maintenance:** Contracting golf maintenance will create more than an estimated \$250,000 annual savings in the golf division, despite numerous excessive well repairs and additional water purchase required due to breakdowns of several wells this year.

**2012 Repairs & Maintenance:** The Proposed 2012 budget slates to spend \$1.4 million more (not total) in repairs and maintenance than was spent five years ago. This shows the ground we are making up for in the deferred maintenance from the past, which is vital to our long-term success. When General Manager Jan Ek came to RCSC in 2007, one of the first things that concerned her was that very little was being spent on repairs and maintenance, and it was vital that RCSC increase its repairs and maintenance. An organization such as RCSC must maintain its assets properly or it is a certain death sentence or an unbearable financial burden for Sun City homeowners in the future. The money being saved in other areas has gone to correct this imbalance.

## A Gift for Good Health – Fitness Training

Need a holiday gift idea? How about personal training services! Daily Fitness trainers teach, coach and motivate individuals to new levels of fitness. Personal Trainer Dick Fortier stresses the importance of proper form with Wayne Wisniewski, during a workout at the Bell Fitness Center. Wayne decided to give HIMSELF a gift, and use the help of a trainer to improve his overall fitness. As a former firefighter, Wayne knew how important exercise was to his well-being. After retiring, he dropped those regular workouts and began experiencing muscle loss. Dick has designed a 12-session program for Wayne that includes strength training, cardiovascular work and flexibility exercises. Dick monitors all of Wayne's exercises, continually teaching and coaching throughout the workout. Dick's positive encouragement and

educational expertise result in a fitness program that is both safe and effective. To find out more about Daily Fitness personal training services, call 623-256-7901 or visit [www.DailyFitnessLLC.com](http://www.DailyFitnessLLC.com). GIFT CERTIFICATES are available for holiday giving.

## Some golf courses may see brown spots

Each year RCSC golf courses, as well as other courses that share a similar climate, plant rye grass. This is done to provide golfers a better playing surface than dormant bermuda. The window for successfully overseeding is finite and generally runs from the end of September through the second or third week in October. It must be conducted when the air temperature is warm enough for the rye grass to germinate. According to a study by the Superintendents Association of America the ideal time to overseed occurs when the average daily air temperature is 77 degrees for three straight days. In the Phoenix area this generally occurs between October 5 and October 9. Our current overseed schedule is based on these historical dates as well as the fact that we have 8 courses to overseed. We overseed four courses at a time, allowing four courses to remain open for resident play. Due to this fact we only have the equipment on hand to overseed four courses at a time. Our overseeding dates are planned months in advance; this allows our men's and ladies groups to plan their events and allows us

to plan other maintenance practices.

This year the Phoenix area did not have the ideal average daily temperature of 77 degrees until October 26. The warmer temperatures we experienced prior to this date allowed our bermuda grass to continue growing while the rye grass was germinating. As a result many of our courses will have brown patches in the fairways where the bermuda grass has begun growing again and hampered the growth of the rye grass. The four courses that were overseeded first (Riverview, North, Willowbrook and Lakes East), will be the most affected. The effects will vary from course to course depending on their respective irrigation systems.

We will be considering a later start to the overseed process next year, as longer summers seemingly are becoming the norm. The date we choose will take into account that we have eight courses to be overseeded and must still be done four at a time.

## Friends of the Library News & Events

### Christmas

Of course you have all seen the Christmas decorations, trees, toys on display and dressy clothes that tell you that time of year is here again. Of course you have; it's all been on display since Halloween – or before. But the Friends are a little more conservative bunch – we waited until Thanksgiving.

But now the tree is up in the bookstore with all the great hand-made ornaments (all made by volunteers). Be sure to drop in to see the tree, even if you don't need a book. Ornaments for the tree and sale are still needed.

However, speaking of books, there is a really terrific sale going to start the 28th of November and run until December 3. Hardcover books will be half price and paperback books will be 10 cents each. All kinds of special items to help you stock up with Christmas presents for friends, relatives and even yourself. There are a lot of lovely Christmas books to select from for children and adults both

### Book Clubs

The mystery book club will meet on Wednesday, December 7 at 1:30pm in the Program Room. The featured book is Bone By Bone by Carol O'Connell.

The Crime and Carnage book club will meet December 8 at 1:30pm in the same room. Fiction book club will meet on December 22 in the same location at 1:30pm.

You are welcome to any of them with-

out a reservation. Just come! These are all really friendly, interesting groups. The fiction club also includes some non-fiction books in their selections.

### Friends

From now on the Friends of the Sun City Libraries will be "fee free." The organization will no longer have \$2 annual membership fee. The motion was passed unanimously at the last meeting. Members will also receive a 10% discount in the "Books Around the Corner" store on any purchase of \$1 or more. You must have a membership card to receive the discount.

Many people are frequent and dedicated library patrons, but are not associated with the Friends of the Sun City Libraries. Hopefully they will soon discover the good things that the Friends do – Book Buddies; funds for children's events in the library; periodicals for information and research that would not be available otherwise; sponsoring authors visits. So come to a meeting – second Thursday of each month at 9:30am at the Bell Branch library. You can see and hear what is already being done and perhaps come up with suggestions for other projects.

'TIL NEXT YEAR!  
MERRY CHRISTMAS!  
HAPPY NEW YEAR!  
SEE YOU IN JANUARY!

Travelogs are by local photographers of their world travels to unusual places, in digital or slides with brilliant images on our big screen, about 45 minutes long, and educational narration.

You can attend three times as a guest. Club memberships are only \$3 per year! We have free coffee and goodies before the first program each month. So, come, bring friends and enjoy!

Only two programs for December are December 7, "The United States of America, The First 200 Years" and December 14,

"A Special Christmas Program." Then we close for the holidays.

Then, January 4, "Canyons, Spires and Arches" begins our new schedule through April. Our travel program schedules are listed in SunViews, the Independent and News-Sun newspapers, and flyers are at centers and our club meetings.

## Sun City Concert Band

Sun City Concert Band performs a free Christmas concert on December 11 at 3pm at Sundial Auditorium. They will feature a seldom heard musical instrument called a euphonium, which is Greek for sweet or beautiful music; and to play it is the renowned soloist Jason Gallium. Jason has toured Europe and been a soloist with many great concert bands around the country. It's a real experience to hear him play its deep rich warm tones. Jason will be playing Ave Maria – Gypsy Airs – and a wonderful arrangement of Auld Lang Sine. The Sun City Concert Band is fortunate to present this one-of-a-kind rich mellow sound to the audience.

George Zoske, band director has selected an outstanding Christmas program, including: Fantasia on Silent Night; selections from the Nutcracker Suite;

Hanukah Fantasy; a Festive Christmas, Candlelight Carol; Gloria; Celtic Carol; Green sleeves, Winter Wonderland; and We Wish You a Merry Christmas. →

Winter visitors and residents alike ensure that they come to these free concerts and receive the concert dates just by requesting a free calendar at futureconcerts@cox.net. Please visit our website at [suncityconcertband.com](http://suncityconcertband.com).

The Canadians lead the series 17 victories against 12 victories for the American side. We invite all Sun Citizens to come out, root for their favorite side, and watch some great bowling. The date is January 24 at the great new Fairway green and at Oakmont.
