RCSC Dinner Show

Joe Bourne, the Great Gentleman of Swing, Blues & Pop!

Have a swingin' good time with music, food and dancing at RCSC's latest dinner show featuring The Great Gentleman of Swing, Blues and Pop Joe Bourne, with his band and female singer Stevie Woods!

Two performances are scheduled at Union Hills Country Club, 9680 Lindgren Ave.:
Saturday, March 31 – Happy Hour 5pm | Dinner 6pm | Show 7:15pm and Sunday, April 1 – Happy Hour 12pm | Dinner 1pm | Show 2:15pm.

Joe began his singing career in a church choir and with various street corner singing groups. Greatly inspired by such greats as Nat King Cole and Lou Rawls, Joe's own singing style is rapidly becoming known to audiences around the globe.

Apart from his solo performance and his engagements with multi-voice choirs that number from 25 to 100 voices, Joe teams up with his female colleagues for some heart-warming duet performances complemented by various orchestra backings from combo to Big Band or symphony type orchestra.

In Bulgaria, he was awarded the Silver Orpheus and in Ireland the Jimmy Kennedy Award, both for his excitement.

Perhaps this is the year you take up that new hobby you've been putting off forever by joining one of the more than 120 RCSC clubs. Maybe 2012 is finally the time you take that trip you always dreamed about.

For others, undoubtedly, a new year brings additional challenges instead of opportunities. Many in the Sun City community continue to struggle in these trying eco-

Financial News & Notes

Budget Report: As has become customary, we have operated well within our total capital and operating budget through the end of November 2011. We currently have approximately \$650,000 in repairs and maintenance projects which have not been completed year-to-date. These projects will be completed, even if not until 2012, and the money budgeted for them will continue to be allocated to them until their completion. All divisions have operated within their operating budget excluding the golf division, which missed gross income projections by \$68,000 and utility projections \$65,000. This includes purchasing over \$20,000 in water due to Willowcreek's well failure. The golf division has managed this additional loss by reducing total wages in the division by \$45,000 year-to-date.

Collections: Payments made by property owners in outside collections totaled \$9,255 in November with payments from 35 property owners. During November our internal collector processed payments from past due property owners totaling

\$54,624 and property-related transfer fees totaling \$297,992. The amount processed by our internal collector for past due property owners was the highest since February this year. The trend in payments is also reflected in total payments on past due balances, which were also the highest for the year and were over 12% of the outstanding balances.

Trustee Sales: Property trustee sale notices on Sun City properties increased slightly again in November and now stands at 110. In November we saw the number of properties owned by lending institutions decrease for the fifth month in a row with the total down to 110 at the end of the month. The number of properties owned by lending institutions is at the lowest level this year and is down by 25% from the peak in June.

PIF: The Preservation and Improvement Fees collected in November were \$92,000, or 28%, over budget and \$1,484,880, or 41%, over budget year-to-date.

Daily Fitness: Pumping iron pays off

Trudi Fontenot of Sun City works out regularly at either Bell or Fairway Fitness Center. She has experienced the benefits of a good strength training program. She is committed to her weekly workouts that began with personal trainer Jane Fortier. Using the expertise of a personal trainer made Trudi's workouts more productive and effective.

Key research indicates significant health benefits for strength exercise. Those benefits include: an increase in muscle mass and metabolic rate; a reduction in body fat and resting blood pressure; an improvement in glucose metabolism and blood lipid levels; an increase in bone mineral density and gastrointestinal transit; and a reduction in joint pain, low back pain, and depression. As Trudi Fontenot has discovered, strength exercise helps an active adult look better, feel better

and function better.

The keys to a good strength training program are: knowing what to do and how to do it. Daily Fitness personal trainers are experts with this. They educate, motivate and provide positive encouragement, every step of the way. To find out more about personal training services, call 623-256-7901 or visit DailyFitnessLLC.com.

conomic times. Even in a new year, costs for utilities, food, gas, and medication continue to rise, forcing some to make the gut-wrenching and impossible choice between one and the other.

One of the greatest assets of Sun City is the community's ability to help a neighbor in times of need without having to rely on the government or others outside the community. And while many Sun City residents have many exciting and worthy resolutions and goals for 2012, I encourage all Sun City residents to add "Lend a hand to my community" to their list of resolutions.

Friends of the Library News & Events

I was going to comment on the cold weather, but then it turned wonderfully warm. So, I thought I would brag about our great Arizona warm winters, but then it got sort of cold again. Guess the best thing for now is just don't talk about the weather.

February

Short month: Valentine's Day AND the 100th anniversary of Arizona statehood. Wow! Only a 100 years and already part of the state wants to secede. Seems like some part of the good ol' USA is always looking to get out. Even with all our problems how could anyone possible find any place better? As someone much smarter than me once said, "the United States has the worst political system in the world, except for all the others." Let's celebrate all month with Arizona.

What's Happened?

Bell branch had a big month in January. Several great authors came in to review and sign copies of their books. Music was a feature, too.

Big event: the opening segment of the new Downton Abbey series was previewed at Bell with a very sizeable audience. Hope this means many more of this type of thing will be coming. Lessons on ebooks were held at both branches. Hope all who got an ereader for Christmas had a chance to learn how to work them.

The "Books Around the Corner" bookstore had its biggest month ever in December, making \$25,000, which was over the projection amount. This means the Friends can do more for the Bell and Fairway branches and for the Book Buddies program as well as future projects. 2011 was our best year by quite a bit.

More and more people are discovering what a good deal they can get on all kinds of books, puzzles, DVDs and VCR tapes.

The Friends of the Sun City Libraries held their annual meeting on January 31. Reports of the past year's activities were given as well as information on upcoming projects. A new board member came on in October, Janis Stiewing. She is chair of the Membership and Personnel committee and a member of the Finance Committee. Sue Painter is chair of the Finance Committee; members include: Janis, Tom Everett and Mary Ann McDonald.

Mary Ann, along with Tom, Sue and Jill Campbell manages the bookstore and does a great job of it. There will be a training session for all bookstore volunteers in the near future. Changes in cash register operation and customer relations will be covered along with several other areas.

What's Coming?

There will be a big paperback book sale February 6-11. All paperbacks will be two for 25 cents, except for bundles which will still be five books for \$1. Also, all soft-cover books will be half price. Stock up for the rest of the winter.

Book Clubs will meet as usual. Mystery Book Club: February 1 - "The Shape of Snakes" by Minette Walters | Crime & Carnage Club: February 2 - "Redbreast" by Jo Nesbo | Fiction Club: February 23 - TBA.

Watch for ads in the Independent newspaper to be advised as to what kinds of sales we will be having in the future. Let us know if you think we are doing a good, bad or indifferent job of keeping you informed. Is there any other information you would like to see in this column? We can't improve if you don't tell us what you want to know.

Nine performances are scheduled around the area. Mark your calendars for the following free and public performances: 3pm March 29 at United Church of Sun City, 11250 N. 107th Ave. and 3pm April 15 at American Lutheran Church, 17200 N. Contact Choraliers President Julie Loegering at 623-815-8403 or attend a rehearsal. Rehearsals are held at Fairway Center every Monday from 8:30 to 11am.

Best Friends Dog Club

Best Friends Dog Club started 2012 with the winter training session that includes six weeks of training in agility, drill team, obedience, puppy, rally and trick classes. Instructors Betty Marotti and Sharon Howarth are keeping classes fun by adding new levels of challenge. In January members and their dogs took the CGC certification test with Sharon.

Registration for the spring training sessions is March 20 in Fairway Arizona Room starting at 8:30am. Current RCSC card is required as is dog license and rabies vaccine proof. Membership is \$5 and training is \$30 for six one-hour classes. Contact Marianna for information at 623-972-3123.

Mah Jongg Club invites new players

Do you like playing cards and other games? If so, you will enjoy playing Mah Jongg. It is a fun and entertaining game using tiles, instead of cards. The purpose, somewhat like gin rummy, is to create a hand with a specific arrangement of suits and numbers.

If you would like to learn to play, the Mah Jongg Club offers free lessons several times a year. You are also welcome to stop in during club play time and watch. If you already know how to play, come join us. The club plays National League and Asian and meets at Sundial on Tues-

day noon to 4pm, and Marinette Center Thursday 6 to 9pm, and Sunday noon to 4pm. The club is open to all RCSC cardholders. For more information, contact Tina at 623-208-1027 or Janis at 623-875-3969.

Palo Verde Artists

Make 2012 the year you take your interest in art to that next level! Whether you've never lifted a brush or have decades of experience, you'll find a place in the Palo Verde Art Club. As a member, you can take advantage of classes in oil, acrylic, and watercolor as well as instruction in drawing, colored pencil and pastel for all levels (beginner to advanced). There's also a portrait drawing group that meets Thursdays with live models and open-painting sessions with no instructor all year. Yearly membership is just \$10.

Want to learn more? Join us at our meetings at noon on the first Monday of each month (October to May) in Sundial East Hall. This fun, informative social event features a demonstration by a professional artist to inspire and help you

hone your skills. Information on classes as well as the three art exhibits we have every year can be picked up there or in our Art Room at Sundial. Each month we also spotlight the work one of our own members in the showcase at Sundial.

Palo Verde 2012 officers left to right: Kay McDermott, president; Barbara Allen, vice president; Tommie Barnes, secretary; and Jeanene Peterson, treasurer.

Mini-Golf Club of Sun City

The picture is of Sun City West and Sun City teams at tournament time. This is one of the many fun things our club has going for it. We have two special tournaments in which we honor members and winners receive a trophy. You can see some of our trophies in our case in Lakeview Social Hall #1. Our monthly meetings

are there on the second Tuesday at 10am. Regular tournament play is the second and fourth Wednesdays. We play all mini-golf courses and have brochures available at each. We enjoy a Christmas party with fantastic food and games. Also, we have a spring luncheon that finishes tournament play until the fall.

Yearly dues are \$3 and we welcome all RCSC cardholders. Fresh air and a little exercise are perks of playing the game, as well as camaraderie of our club members. For more information: Betty Peace (623-875-2544) or Olivia Downs (623-933-4375).

Apple Macintosh Club

Our club room is just inside the door next to the Sundial office. We cater to people who have an interest in Apple products and software. The experience of our members varies from beginners to people who have been lifetime users of Apple devices while acquiring a great deal of knowledge and expertise. We offer free classes or sessions from October through July on topics such as email, basics, iTunes, iPhoto, Ancestry, Reunion, iPad, iCal, Address Book, Skype, label-making, card-making, word processing and other topics of interest. We also have PC to Mac, round tables, walk-in help, socials, and maintenance sessions.

We are open from 8:30 to 10:30am and 12:30 to 2:30pm Monday through Thursday and sometimes on Friday with an abbreviated schedule during the summer. We have a membership meeting

with a program of interest on a Saturday each month from October through May. Our membership dues are \$20 per year or \$30 for two people from the same household. Any RCSC cardholder can drop by for a class schedule or view it at www.sunmacs.org and take in up to three sessions while determining if joining our club would be a good choice. Call 623-933-5300 for more information.

Sundial Dance Club

"Dance and stay Young" has long been the motto of the Saturday Night Sundial Dance Club. Come and enjoy the big band favorites along with rock and roll numbers.

The 2012 schedule includes four Midwest bands and one from Alberta, Canada. There are five local bands and four individual keyboard players that produce music that sounds like big bands. It is always live music from the big band era. The dress code guarantees a dress up event.

There are numerous special events throughout the year when the ballroom will be decorated for the occasion.

Frequently there is special entertainment performed at intermission. The largest mirror in the West Valley adds to the ballroom atmosphere. The large floor has a sub-flooring of cork. This allows a little flexing and reduces leg stress.

If you would like to learn ballroom dancing, arrive early and a qualified dancer will provide basic instruction.

You are encouraged and invited to dance and socialize from 7 to 10pm Saturday evenings at Sundial Center.

Memberships (\$4) are sold prior to the dances, to all RCSC cardholders. Admission: \$4 members, \$6 guests, more for special dances.

Garden Club of Sun City

Do you have a love for gardening? Here's a sample of the activities sponsored by our club in 2011: Presentations by the Maricopa Master Gardeners (spring container gardening and fall planting tips), tours of local gardens as well as a tour of the Bucket Garden facility sponsored by Ted Hallet, The Garden Master. We visited our local Linden Tree Nursery, sponsored a Desert Botanical Garden docent who joined us in April and just last month we heard from a local expert on the science and practicality of Bee Keeping.

We also gave back to our community. Members joined in the planning and operation of the Benevilla Home Grown Farmer's Market in Surprise and supported Ronald McDonald House through our aluminum can drive. Our 2011 Cit-

rus Drive collected 708,000 pounds of oranges, lemons and grapefruit to benefit St. Mary's/Westside Valley Food Bank Alliance.

And as we turn our attention to 2012, planning is underway for the 2012 Citrus Drive, which begins February 6 and runs through mid-March. Club volunteers monitor each of the drop-off sites at Marinette, Bell, Sundial and Sun Bowl to assist residents with their donations. We always need volunteers to supplement our membership. To volunteer or for further information contact the office at 623-875-5921.

We meet at 8:30am the first Tuesday of each month in the East Hall at Sundial Center.

Readers Ensemble has it all

Actors, readers, writers, singers, here's what we have: two beautiful rooms overlooking a lake; very pleasant facilities. If you're interested in theater, we have a library of monologues, skits, scenes and plays to choose from. If you want, you may perform every week to nice applause. We have our own booking, graphic, sound, costume, and marketing departments. We do from 25 to 35 productions a year for small audiences at retirement homes to large audiences at RCSC clubs. No memorization required! We offer fun, laughter and camaraderie in a small group. Just come and enjoy. For someone with a "little itch" for theater,

it's a dream come true. We are open year-round. Guests welcome.

What does all this cost? One might think \$500 to \$600 a year. No. How about 12 cents a week or \$6 a year. You get (1) 50 weeks at Readers Ensemble, (2) a year membership in Sun City Players Community Theater, and (3) A free yearly pass to nine of their monthly entertainment shows. Six dollars a year! Hard to beat that.

We are the Readers Ensemble: "Theater on the Move." Every Friday at 1pm in Lakeview Social Hall #3. For info, Baron le Vison, president, 623-266-3870. For booking a play, Marge Black at 623-974 6007.

Get wet with the Swim Club

Learn a life-saving skill! Swimming is the best workout with less stress on your joints. Swim lessons are 8:30 to 10am each Wednesday at the Sundial pool from November until April, and then they move to the Lakeview pool. There are classes for beginners, intermediate swimmers and advanced. Lessons and membership is open to all RCSC cardholders for a \$3 annual fee.

The Aqua Suns synchronized swimmers meet at Lakeview Center Mondays, Wednesday and Fridays 8:30 to 10am. The Aqua Suns group is looking for additional members. They will teach you their routines if you know how to swim. Their December Holiday show at Lakeview is their highlight performance.

The Sun City Starrs Master swim workout group swims each weekday at Bell

Center from 7 to 9am. Members volunteer coach or call the workouts for each day. We host a sanctioned Senior Olympics Relay March 10 at Bell Center, which can include anybody 55 or older. Relay teams are arranged by age group in five-year blocks. Contact Sharon at 623-875-9259 and every effort will be made to place you on a team.
