

From the President: RCSC Election

Vance Coleman
RCSC Board President

We may only be heading into the summer months, but it is never too early to think about serving your community as a member of the RCSC Board of Directors. Board members serve a vital role in the RCSC organization, setting policy, approving the annual budget and prioritizing expenditures whether for replacement, refurbishing or ordinary maintenance for RCSC's facilities and equipment. These are important issues that have an impact on the

entire Sun City community and, thus, require the expertise, experience and knowledge that is prevalent throughout Sun City. If you meet the qualifications, I wholeheartedly encourage you to consider running for a term on the Board of Directors this fall, as the more competitive the race is, the higher voter interest and turnout we end up having.

Qualifications are as follows:

- a. must be at least fifty-five (55) years of age;
 - b. must be a Deeded Real Estate Owner of
- see PRESIDENT on backpage*

Wi-Fi hotspots now available

Wi-Fi hotspot services are now active at several RCSC locations as approved by the Board of Directors at its March meeting. RCSC cardholders can now access the Internet wirelessly at the following locations: Lakeview Center, Lakeview Lanes, South Snack Shop and Willow Snack Shop and Fairway Center. Construction by Cox Communications to provide Internet service at the Riverview Snack Shop are in progress and it will be up to 90 days for that

location's WiFi hotspot to come online.

The Wi-Fi hotspot services will allow cardholders and guests to

Cool off at Dive-In Movie

With the mercury rising, drop by Bell Center on June 24 and dive into the pool to cool down and enjoy the first Dive-In Movie of 2011 when we watch "Top Gun" starring Tom Cruise and Val Kilmer. This free movie will get started at 8pm. Snacks and beverages will be available for purchase from Benny's Burgers. So put on your swimsuit and dive in for a fun time!

Changes coming to SunViews

In response to the continued requests by cardholders for more communication, the RCSC Board of Directors has decided to make some changes to the monthly SunViews. The Board will designate RCSC's newsletter, the SunViews, as the key component for communicating important information about RCSC from the Board, including news about Board decisions, committee discussions and recommendations, corporate financials and trends, and upcoming events and activities.

As part of this change, the number of chartered club articles published in SunViews will be reduced effective July 1. Club articles will be published on a rota-

tion basis during the months of October through March, with no club articles being published during the other six months of the year, April through September.

In addition, special events that are occasionally promoted by chartered clubs will be published in a new Events section. The Board understands some clubs may be disappointed with the decision to restrict club articles, however, the Board feels that it is vitally important that they make SunViews their primary communication tool for providing RCSC and Board information. Although a club may not have an article in the SunViews, they will still have their meeting times, loca-

SUNVIEWS: Changes coming to newsletter

continued from Page 1

tion and activity hours published on the activities pages.

As their fiduciary duty prescribes, the RCSC Board decided not to increase expenses by expanding the SunViews to accommodate both the need for more communication from RCSC and as many club articles. Reducing the club articles was the only logical solution to responding to the constant call for improved communication without adding any cost to RCSC as many cardholders do not have access to email or RCSC's website.

The Board knows that change is not easy however they believe that taking this new focus with SunViews will provide an improved benefit to all cardholders who want to know the latest news and information about RCSC.

WI-FI: Hotspots now available

continued from Page 1

access the Internet at these locations on wireless compatible devices, including laptops, cell phones, and iPads to name a few. The WiFi hotspots will be accessible during the business hours for each location. Users will be required to enter a code and accept the terms of service to gain access to the Wi-Fi service. The access code will be available at the facilities attendant station at each center and at the checkout register at Lakeview Lanes and snack shops/pro shops.

RCSC will be implementing security features similar to other public Wi-Fi hotspots to provide a basic level of protection to connected users. Users of the Wi-Fi Service must understand the risks associated with public access to the Internet and take the appropriate security measures and practices to protect themselves while using the service.

RCSC makes changes to kids' swim times

Effective June 1, RCSC children's swim hours are changing. Oakmont Recreation Center will no longer offer children's swim hours, becoming RCSC's third adults-only (18-plus) pool. The reason for this change is two-fold. First, Oakmont has more extensive Aqua Fitness classes than any other center, which, when coupled with three hours of children's swim in the middle of the afternoon, leaves little available time for cardholders who wish to swim without children present. Second, Oakmont's is the smallest swimming pool and deck area, which are not very conducive to lots of children.

In conjunction with this change, children's hours at Mountain View and Marinette Centers will shift slightly with Mountain View's kids' swim hours starting an hour earlier at 10am and running until 1pm, and Marinette's hours shifting forward an hour to start at 1pm and run until 4pm. Lakeview's children's swim hours will not change.

Daily Fitness: Muscle loss due to aging

Sam Russo, 88, is using the machines at Bell Fitness Center to improve muscle mass and strength. One of his goals is to get back on the dance floor. "Building muscle is a must for anyone over 50 years of age," states Jane Fortier, personal trainer for Daily Fitness. "Women in their 40s and men in their 60s lose muscle strength at a rate of 12% per decade. With only three months of proper resistance training, a senior can increase their strength by 40%, and overcome up to three decades of muscle deterioration."

Muscle loss, due to aging, is known as Sarcopenia (pronounced sar-co-PEEN-yuh). Research shows that 80% to 90% of adults suffer from Sarcopenia, if they don't incorporate strength training and physical exercise into their daily regimen. Strength training increases self-confidence, improves sleep and helps with depression. Improving muscle strength is essential for balance, mobility and overall quality of life.

"At Daily Fitness, we work with

seniors to develop a customized program of strength training based on needs, goals and medical concerns," Jane says. "Our clients are well on their way to defying statistics. We want them to be able to carry their groceries, lift their grandchildren and face the physical challenges of everyday living with confidence." To schedule a free Personal Training Consultation, call Daily Fitness at 623-256-7901. Information gathered at the consultation will help in determining if personal training is appropriate for you.

Summer equipment demos by Daily Fitness

Daily Fitness will host special summer group equipment demonstrations at Bell and Sundial Fitness Centers. Exercise professionals will provide a half-hour tour of the facility demonstrating basic usage of the strength training machines.

These demonstrations are appropriate for individuals new to the community or new to using the fitness centers.

Monitor Upgrades

The installation of the 42-inch flat panel monitors at both bowling centers is complete. The displays will function the same as before but they are larger and the text and graphics will be much sharper and brighter. Stop by and take a look.

Bowling Seasons

The standard bowling season length in the bowling industry is 35 to 36 weeks. RCSC season lengths have customarily been 32 weeks. In recent years, RCSC leagues have begun to reduce their season length to 30 and 31 weeks.

Reduced season length results in reduced revenue. Recently, a new pricing structure was introduced to all of the RCSC Bowling Leagues. Leagues that bowl 31 weeks or less will see a price increase of 25 cents per bowler per week for the entire season. Leagues that bowl 32 weeks will pay the posted rate. Leagues that bowl 33 weeks or more will pay the normal posted rate for the first 32 weeks; beginning week 33 the league will only be charged for two games instead of three. The same policy will apply to summer leagues using 12 weeks as a standard season.

The pricing structure was designed to prevent price increases across the board and only increase prices for leagues that choose to bowl less than 32 weeks and reward leagues bowling 33 weeks or more. This structure was also designed to increase lineage in order to increase income rather than increase price to increase income.

To book a show, please call Marge Black at 623-974-6007 or email mblack141@cox.net. Although many clubs may go into reduced activity mode over the summer, Readers Ensemble continues its regular Friday meetings and off-site performances year-round. For general information please call Pat Cook at 623-974-3384 or check out our website Suncityplayerscommunitytheater.org and click on the Readers Ensemble link.

Oakmont Lapidary

Sylvia Kobetitch has been a fun and exciting member of the OL&SC since 1994. She has held every office and has been monitor on Thursday afternoons during the winter months for years and years. Unfortunately, you will have to wait to meet her until October when she returns from the summer in Canada. However, you can see her lovely silver earrings in the OL&SC jewelry showroom. It has taken her a long time to decide that earrings and bracelets are the jewelry she likes best and silvercraft is her favorite! Sylvia loves the club and has developed many lasting friendships with club members. She is one of those people that you meet and remember because you felt so encour-

aged and uplifted.

Oakmont Lapidary & Silvercraft Club is located at Oakmont Recreation Center. Summer club hours are Wednesday, Thursday and Friday 8am to 12 noon. The club phone number is 623-738-7945. OL&SC is open to all RCSC cardholders.

Rhythm Ramblers quiet down for summer

The Rhythm Ramblers 18-piece big band concluded their 2010-2011 Season with a Tribute to Glenn Miller. More than 100 people danced and listened to the best known Miller tunes including "In the Mood," "Moonlight Serenade," "Pennsylvania 65000," and more. Between these hits Marge Nelson and Kent Parry sang a selection of their big-band favorites and, for variety, the dancers also enjoyed the ever popular cha-cha, rumba, and polka rhythms that are loved by all ballroom enthusiasts.

The band will start up the Fall Season on Tuesday, October 4 from 2:30-4:30pm at Sundial Auditorium. Casual attire is fine and you can bring your own refreshments and snacks. The band provides glasses and ice. Admission is \$4 for RCSC cardholders and \$5 general. Everyone is welcome for an afternoon of ballroom dancing!

Bunco Broncos slate last game 'til fall

The last bunco game until September is scheduled for Monday, June 27. Join us for an afternoon of fun. We meet at Oakmont at 12:30pm; doors open at noon. For more info call 328-5327 or 972-1035.

Pickleball Club: Play, play, play

Scheduled play time for Pickleball Club members during June takes place both outdoors and indoors. Courts at Marinette have outdoors play on evening hours, weather permitting. Mountain View play is indoors during afternoons in the auditorium where limited space permits only club members to participate.

During hot summer weather, the club's free beginner lessons are postponed until fall. Cooler outdoor evening hours are used for scheduled play.

Shown below are the days and times for club members playing at each location. During club play times, a club monitor must be present. Persons interested in the pickleball game can watch at either indoor or outdoor locations to see how the game is played.

Pickleball is a combination of tennis and ping pong, played on a badminton-sized court with a low net, usually with four players, using paddles and a baseball-sized wiffle ball. Previous

racquetball or tennis sport experience is helpful, but not required. Teams can be coed, men, or women. Tennis shoes are required.

When free lessons resume in the fall for RCSC cardholders, the club provides practice paddles and wiffle balls for three half-hour beginner lessons. Persons with pickleball experience can join the club by filling out our dues sheet and paying the annual dues. A valid RCSC card is required. More information: suncitypickleballclub.org.

Sun City Clay Club

The Clay Club greeted a lot of guests at the April "Get Acquainted Day" April 2 at Lakeview Center. Quite a few of the members took part in the daylong event, whether selling raffle tickets or demonstrating one of the techniques taught at the club when you sign up for classes. The hostesses were very helpful when it came to buying one of the many pieces that were made by club members and there was no standing in line at the check out table as it was well staffed by volunteering club members. The club even

offered clay ornaments for free to all the guests that toured the Club that day. There will be free workshops offered throughout the summer.

If you stay in Sun City for the summer, come check out the club if you didn't get a chance to in April. The workshops are offered to all current RCSC cardholders that join the club, along with orientation sessions that will get you started so you can stay busy until the classes resume.

We are at Lakeview Center. If you have any questions, call 623-933-0899.

Sing along with Karaoke Club

The Karaoke Club of Sun City meets the first and last Monday of each month at Marinette Recreation Center.

You may bring snacks. Entrance is \$1 for members and \$3 for guests. If you like to sing or just listen then join the fun. For more information call Roy Quid at 623-583-3503.

So Grand Exercise

Each exercise program includes sessions of various arm, body and leg exercises that help maintain body fitness. Each session has three different formats: standing static stretching, walking pattern and floor stretching on a mat. All instruction is on movie screen. Classes are open to all RCSC cardholders. Club meets at Fairway Arizona Room 1 and 2 Monday, Wednesday and Friday at 7:45am. Annual dues are \$3. For more information, call 623-933-1365 or 623-972-8542.

Bell Aerobics

Feel like adding a spring to your step and a sense of well-being? Come join a club that offers you a chance to shape up your body and have fun doing so.

Our club joins in an exercise routine three times a week with a volunteer teacher. Aerobic Exercise Club meets at Bell Recreation Center social hall indoors Monday, Wednesday and Friday at 8am, 9am, and 10am all year. Open to all RCSC cardholders. Yearly dues are \$2. Come and discover a fun way to exercise.

Sundial Dance

The Sundial Dance Club will, as usual, be closed June and July. Keep exercising and be ready for the new season opener on Saturday, August 6. The music will be by a great entertainer, Mike Carollo. Have a wonderful vacation.

Calligraphy Society

The Calligraphy Society of Sun City's general meeting will be Thursday, June 2 at 9am in Sundial West Hall. There are still no special programs scheduled until the fall season starts in September. The Sundial meeting rooms will be open from 9 to 11am on Fridays only for making love cards or working on your own projects. If you wish to participate in any of these events, club membership is open to all RCSC cardholders. For further information call Trudy Bryson at 623-594-6591.

Palo Verde Artists

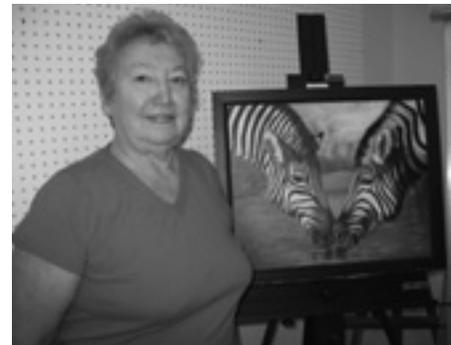

Just because our winter classes have ended, don't think it's not a good time to join the Palo Verde Art Club! As a member you'll have many opportunities to paint, draw and explore your artistic talents throughout the summer months. Members are encouraged to use the Art Room daily. If you're interested in drawing from life, for example, join us for Live Model Drawing from 1 to 3pm on Thursdays - it's just \$3 per session. Also as a member, summer is a perfect time to enrich your art knowledge with use of our extensive Honor Library filled with videos and books on every art topic.

Our Showcase (above the Sundial pool) will feature art by two very talented members in June: Marion Wishniewski and Barbara Allen.

Marion, who retired from a career in education, paints in oil, pastel and

watercolor, specializing in animal and pet portraits (shown below). Barbara, also retired from a career in education, creates original floral, landscape, nature and other abstract works in acrylic and watercolor. Be sure to stop by and see their work.

Don't let the summer heat stifle your creativity. You could be a Palo Verde artist too!

Sun City Carvers: Where's the beef?

A new carver joined the club recently, who had been a dairy and cattleman. It was logical that one of his very first carving projects was a handsome and sturdy bovine. Every carver has his own preferences and a lot of interesting and fascinating carvings result from these interests. Not sure what a computer guru or a mail carrier would choose to carve, but they would think of something.

The Carving Club has mostly beginners but it also has many experienced and accomplished Blue Ribbon Winners who are always available and very willing to answer questions and assist with your projects.

Classes are provided in all types of carving as well as goard decorating, wood burning, tools use and sharpening, carving safety, etc. are also held

regularly.

Annual dues for members are \$5 per year. You can visit the club when it meets on Thursday and Saturday mornings at Lakeview Center, Social Hall #3 from 8am to noon.

Oh yes, we also have excellent coffee, good cookies, male and female members AND a VERY GOOD TIME.

Fairway Knitters

We're still here. Although the snowbirds have flown the coop, we at the Fairway Knitters Club are still here and going strong. We have a great way to beat the heat. We stay inside where it's nice and cool and knit or crochet something useful for one of our many charities. We make lap robes, slippers, and helmet liners for our veterans and soldiers overseas. We also make baby items for hospitals, sweaters for Guidepost Magazine, and hats for cancer patients. We use donated yarn and donated time and skill from our members.

Would you be interested in joining us? Come check us out at Fairway Center in Arizona Room #4 any Friday from 8:30am to 2:30pm. For more information, call Pauline at 623-972-3498.

Hatha Yoga

Just because the temperature is rising, don't think that's a reason to quit stretching and improving your body, mind, and spirit! The Hatha Yoga Club schedule doesn't change just because the snowbirds have flown home. Classes designed for seniors and led by certified instructors are held daily, Monday through Friday. See Activities Calendar for locations and times. For more information, see our brochure on the window of the Sundial Aerobics room above the pool. And if you've never tried yoga and always wanted to, summer is the perfect time. Classes are smaller and the instructors can give you more personal attention to help you learn.

To join us you'll need to bring your RCSC card, a yoga mat, a small blanket or beach towel, \$3 for the class and \$5 to join the club. Be sure to wear loose, comfortable clothing and come on an empty stomach. Please arrive at least 15 minutes before class to register. We hope you'll join us soon!

Line Dance

June is such a happy time with tiny buds bursting out and baby birds chirping. Don't let the approaching, dull days of summer bore you, come join us and have fun dancing, exercising and socializing. A reminder to all dancers - line dancing continues through June and July.

To reminisce a bit, the Easter party on March 12 was a great success with approximately 25 exotic "Easter hats" from a decorated lamp shade to a gorgeous bonnet. Don't miss the excitement at the next party!

All RCSC cardholders are encouraged to join the Sun City Line Dance Club. Annual membership dues are \$5. Dances are at Sundial Auditorium, except on the fourth Thursday, which is at Mountain View Center.

For more information: President Walter, 623-972-5127; Vice President Edward, 623-972-2161; Secretary Elaine, 623-229-2477 or Treasurer Linda, 623-815-8871.

Sew-N-Sew & Creative Quilters

Airman's Attic is a store on Luke Air Force Base that assists families of entry and lower rank airmen. The Air Force provides the building and electricity only. All the rest is done completely by volunteers on the base. Young military families shop at Airman's Attic for needed items at no cost.

Airman's Attic has been a service project of the Sew 'N' Sew Club since 1999. During last November's delivery, the club was told the base has 94 pregnant women and they would need infant clothing.

So, items for babies have been the focus of this year's sewing. Sew 'N' Sew shares the clubroom with the Creative Quilters Club and they also participated in the Airman's Attic project. Sewing machines were humming and members say March's Sew-In was the most fun.

Members made 839 items including bibs, blankets, t-shirts, diaper bags and quilts.

With great pride, both clubs presented the items to Master Sgt. Mills of Luke Air Force Base who represented Airman's Attic.

The clubs meet at Lakeview Center. Membership is open to RCSC cardholders. For information about Sew 'N' Sew call 623-974-2951, or visit www.sewnsew.info. Boutique sales and summer hours are Tuesday and Thursday 9am to 3:30pm. For Creative Quilters information call 623-815-3763. Summer hours are Monday and Friday 8am to 4pm.

Club representatives present a photo album of the March 2-Day Sew-In to Master Sgt. Mills of Luke AFB.

Fairway Ceramics & Porcelain

Summer is here but we at Fairway Ceramics/Porcelain never take the summer off. We are open all year. Our summer hours are June through September 8am to noon, Monday, Tuesday and Thursday, and 8am to 3pm on Wednesday. Closed on Fridays. It may be hot outside but it is cool in our club. To join our club, bring your current RCSC card and \$5 for our annual dues. Our monthly members' meeting is the first Monday of the month at 9:30am. There will be no members meeting July and August. See you again in September.

We offer workshops using various products which are available for purchase in our club. Our beginner's class is free. Come try it and see how you will enjoy making items to give as gifts or to sell at the Fun Fairs held throughout the year.

The coffee pot is always on and our friendly group of men and women are waiting to welcome you to our club!!! For information, call 623-972-5818.

Aqua Fitness preps for summer session

Summertime and the living's easy. And it's easy to join Aqua Fitness Club for the Summer 2 Session. The week of June 13-17 is "Try It Before You Buy It" offering the opportunity to attend a class without charge to see if you like our program. Then, on Saturday, June 18 you may register for the eight-week session by attending our meeting and registration at Sundial Auditorium. Doors will open at 7:30am and the meeting starts at 8:30am with a lottery for classes immediately following the conclusion of the very short meeting.

We offer three types of classes: standing in waist- to chest-deep water, no

swimming is required; free standing classes include jumping and jogging in place; and poolside offers the benefit of exercises while holding on to the pool edge. Aqua Stretches are performed in the exercise pool and are less strenuous.

All RCSC cardholders are eligible to join our co-ed club. Annual dues are \$5 and each eight-week session is \$15. The Summer 2 Session includes classes at Sundial, Mountain View, Oakmont and Marinette.

For further information, call Alice Davey at 623-876-8927 or Diane Abbott at 623-561-2125.

Mini-Golf Club trophy winners

One of the highlights of our April meeting was the presentation of the Lillie Schwertzer, trophies by none other than Lillie herself. Top honors for lowest score in the women's division went to Joy Trudeau. In the men's division it went to George Becker. Congratulations to you both.

As the season for mini golf closes down for the summer we are already thinking ahead and planning the club activities that begin again in September.

At this time the club would like to thank the guys and gals that go that extra mile for the club. It may seem to you that you go unnoticed, but we want you to know you are very much appreciated and we thank you. What a great bunch of members we have in

our club.

We can always use new members. All that is required is a current RCSC card and the yearly fee of \$3 per person and a yen to play some mini golf courses. Or for more information please call Betty Peace at 857-2544 or Olivia Downs at 933-4375.

Have a safe and happy summer and we will see you in September.

Newcomer Hospitality Club

Sun City Newcomer Hospitality Club invites both new and long-time Sun City residents to join our social club consisting of over 160 members. All activities are held at Marinette Recreation Center. We have monthly pizza/games at 5pm on the second Friday and potluck/games at 5pm on the last Friday both featuring Bunco. Our Euchre group will be in session all summer. Partners Bridge will meet in May and then resume in September. Come have fun and meet some new friends. A newsletter with monthly calendar can be emailed to you. For more information just call Alice Hewitt at 933-5158.

Singles Social Club

All single cardholders are invited to join the Singles Social Club. You will meet many new people and enjoy many different activities. For more information call Whitey at 623-583-8826. We have potluck at Oakmont Center the first Friday of each month at 6pm. Please bring your own utensils and a salad or hot dish to share. Coffee and iced tea are provided. The third Friday is game night. Again, coffee and iced tea are provided and any snacks you bring are appreciated.

Every Saturday we meet at the Royal Cafe at 9am for breakfast. Just come and meet other singles in Sun City. Golf is played on Mondays at 8pm. Call Steve for further information at 602-956-6611. At Lakeview, we bowl on Tuesdays at 4:30pm, play billiards at 1pm and mini golf on June 2 at Bell Center at 7pm. Shuffleboard is at Bell Center the second and fourth Saturdays at 5:30pm. We are an active group and would enjoy having you join us. The yearly membership fee is \$5.

Fairway Woodworking

Fairway Woodworking is winding down from a very busy winter schedule. We have the Spring Fun Fair behind us and are looking forward to the Fall Arts & Crafts Festival. Many of our members are leaving for cooler areas for the summer, and we wish them a safe and happy trip and we look forward to seeing them back in the fall. The many of us who will be staying here will have a cool wood shop to pass the hot summer days. We will be going on our summer schedule which is May through September 8am to noon Monday to Friday. If you are staying in Sun City this summer, come join the club and have some fun. We will have monitors on duty that will help you if needed.

Boys and girls of summer: Senior Softball

About 200 Senior Softball players, both men and women, are playing in the first summer session on Tuesdays and Thursdays from 7:30 to 11am. As the days heat up, games are played early at the Sun Bowl field.

The second session will begin June 14 and the final one August 9. New players can join the club any time and must attend at least two Green Team practices on Mondays before being placed on a league team (uniforms provided). A valid RCSC card is required. Interested parties contact McSoftball@prodigy.net, or come to the field and talk with someone.

Oakmont Lawn Bowl Club

Lawn bowling is for fun. There is socialization that goes along with club games where a good time is more important than the score. There is also the camaraderie of sharing a common interest with other interesting and fun people. Then, there is that occasional weak-in-the-knees satisfaction of playing the perfect shot. Of course there are also the parties. Be it a tournament banquet, a club potluck, or just informal refreshments after a game. It's all fun. Many lawn bowlers come out for a game to enjoy the exercise, fresh air, camaraderie and socializing. However,

Square Dance Club

Modern square dancing was introduced in barn dances. Everyone learned a few movements and spent the evening dancing and had great times. Its growth began in the 1950s with the mainstream level. It continued to mature in the 1970s when different levels were introduced. Square Dance clubs were then separated by levels and placed in complete positions for dancers. Many mainstream level clubs lost large portions of their members to the plus level clubs while the new member-recruiting rate declined.

It might also be argued that if we do not keep the square dancers' time occupied, they will feel left out and become bored and leave. Others argue that the decline is from external factors such as television and computers, which is valid but not the true culprit.

Has it been 20, 30 or 40 years since you last played? The Green Team is a great place to get back into shape slowly, sharpen your skills and also learn simple scorekeeping and basic umpiring.

The "Hot Flashes" women's softball team held on to first place in the Northwest Valley women's senior softball league. They also won the sixth annual Bosom Buddies Invitational tournament, raising money for the breast cancer support group. Interested in playing? Both the "Flames" and "Sparks" need players for the 2011/2012 season.

one must suspect that any game will be a bit more enjoyable if one isn't looking at a string of zeros under their team's score. That implies some individual practice. But, practice doesn't have to be a sweat-soaked session of pain and agony, it can be fun, and more importantly, it can be productive. Read the Bell LBC article for a tip or two how to make practice sessions more fun as well as productive. Summer, when fewer people use the greens, is a great time to practice, or learn the game as a new bowler. Call Grant Summers (623-933-5066) for lessons.

Modern square dancing is a wonderful activity, but it has a virus that is hurting it badly. If we bond with new dancers with a logical and easily learned dance program, they will come and bring friends, and they will feel wanted and welcome, and stay a lifetime. Let's hope we fix the program.

Dances are open to RCSC cardholders and guests. For information: 623-875-2642 - 623-930-7513 - 623-341-3726 - suncitysquares@q.com.

Oakmont Ceramics

Oakmont Ceramics has begun its summer hours. The club room will be open 8am to noon Monday through Thursday. We will be closed the month of August. Thursday morning open workshops will continue. Classes will be arranged according to the interest of the members. This is a great time to get acquainted and learn some of the helpful techniques of other members. It only costs \$5 per year and a current RCSC card to acquire a new talent and make lots of nice friends.

Canasta

Those of you who remain here in sunny Sun City during the hot summer, here's a break in routine. Try our Canasta Club every Friday, 10am at Oakmont Recreation Center. We will have snacks, maybe ice cream, sometimes refreshments and many surprise goodies. If you have forgotten the game or just need to refresh your memory, it can be done. We all will help you. Come and join the fun. For more info call 623-972-2609.

Thoughts on the Art of Practice

1. Use practice sessions to train your brain to bowl better.
2. Limit practice sessions to 30-60 minutes.
3. Start with a focused attitude. (Training your mind, remember?)
4. Practice something specific. Just randomly rolling your bowls at a jack from one end to the other and back again will probably yield some benefit in the long run, but it will be much more productive and fun to practice something specific (such as perfecting a smooth, steady, consistent delivery motion).
5. If you are bowling sloppily, being

Mah Jongg Club

Do you like playing cards and other games? If so, you will probably enjoy playing Mah Jongg. It is a fun and entertaining game using tiles, instead of cards. The purpose, somewhat like gin rummy, is to create a hand with a specific arrangement of suits and numbers. If you would like to learn to play, the Mah Jongg club offers free lessons several times a year. You are also welcome to stop in during club play time and watch. If you already know how to play, come join us. The club plays National League and Asian and meets at Sundial in the West Hall on Tuesdays, noon to 4pm, and Marinette Center Thursdays, 6 to 9pm, and Sundays, noon to 4pm. The Mah Jongg club is open to all RCSC cardholders. For more information, contact Tina at 623-208-1027 or Janis at 623-875-3969.

Chess Club

Many scientific studies have shown that keeping your mind active is the best way to avoid old-age mental problems such as Alzheimer's and dementia. Let us help you to keep your mind healthy with chess! Solve the chess problem. Black to move and mate in THREE moves.

Open to all RCSC cardholders. Free chess lessons to all. For your own well-being join us 1 to 4pm, Wednesday and Thursday in Lakeview Center Social Hall #3.

lazy, or not into it, give it up for the day; all you will accomplish is telling your mind it's OK to grass (deliver) lazy or sloppy bowls.

6. Consciously consider every element you are practicing as you do it. Evaluate your delivery immediately after releasing each bowl (what did you do that was different?). After you grass a bowl, watch and analyze its track until it stops. Try to predict where it will stop.

If you deliver a careless or sloppy bowl, run down, retrieve your bowl, run back and re-deliver it, telling yourself all the while, "That was an unacceptable delivery."

Fairway/Mountain View Lawn Bowl

Snowbirds are gone. Temperatures are up. Lawn bowling greens are less crowded. Also, for the comfort of year-round lawn bowlers, club games will be played on a summer schedule. This generally means chips in 7:15 or 7:30am and 7 or 7:30pm. Game times can change to accommodate specific situations or conflicting schedules. Therefore it is advisable to check the individual club bulletin boards for any late-breaking changes to game start times. Example: the Mountain View green is temporarily closed for maintenance as of this writing.

There may be no evening bowling at

Mountain View and no summer bowling at all at Oakmont. The new Fairway bowling green should be completed sometime this summer, possibly bowling could start sometime in July on the new artificial surface.

This is a great time to become a lawn bowler. Highly qualified coaches are more available to show you the ropes, and you will have plenty of open time to practice and get in games. If you would like an orientation to lawn bowling or just want to discuss the possibilities, call Grant Summers at 623-933-5066. He is available almost all summer long.

Lakeview Lawn Bowl Club

Novice Practice Exercise: Place mat 6.6 feet from ditch and mark position of forward edge with chalk. Place a small chalk aiming point on grass 10 to 15 feet in front of mat, about a foot to right of center line. Deliver all four bowls, concentrating on delivery form AND rolling the bowl directly over the aiming point. Give special attention to correcting any delivery form deficiencies you are aware of. Watch each bowl until it stops; try to predict where it will stop. Take mat to opposite end of rink and place it on center line approximately even with your delivered bowls, and repeat the process, except

chalk your aiming point to left (back-hand) of the center line. The object is to deliver all bowls to the same stopping point. Do not use a jack. Where the bowls go is not important, but that they all go to the same place.

Additional exercise: Practice bowling (not rolling or throwing) three to four jacks all approximately the same distance over the rink. Coming back, practice bowling the jacks to a different distance. Objective: It is crucially important for a Lead to deliver a jack within five feet of where the Skip wants it.

We have a unique low impact program to get you on the right track. We do "dancerercise" routines to great music. instruction time following. Membership fee is ONLY \$4 yearly, and NO individual class fees. You said it, the "best bargain in town." You will need the proper shoes for exercising, comfortable clothes, and, of course, your RCSC card. You may visit a total of three times without joining and you can participate in the class. However, after your third visit, RCSC requires that you join. Remember, both men and women are welcome. For additional info, please call Peggy at 623-974-6946.

Stretch & Slim

Our group presented our founder, Milada Gregor, a certificate of thanks for everything she has done for Stretch & Slim exercise club. When she started the club, the exercises were done outside by the pool, all year long - hot or cold! Milada is a great leader for our exercise group. She inspires us all to keep exercising. One of her sayings is the definition of difficult and impossible. Difficult can be done; impossible takes a little longer. "THINK ABLE AND YOU WILL BE ABLE."

See, exercise is good for you. Come and have fun with us. We are available

six days a week. Come join us while we move limbs and muscles around to make us more limber and have fun at the same time!

The moves will relax you and give you more energy. We gather Monday through Friday from 8 to 9am and on Saturdays from 9 to 10am at Sundial Center aerobics room. Try us out for free three times. The cost to join is \$5 a year. We welcome exercisers at all levels, but get your doctor's OK. For more information, call Jo-An at 623-933-8670 or Faith at 623-875-7141.

Clay Corner settles into summer

We have settled in for the summer and have some fun things happening. From May 16 through October 17 (the 3rd Monday of each month) we will have Joe's Video Clay Nights at 5:30pm. This is an interesting hour of gaining many new ideas in working with clay, from the wheel to hand forming with many helpful hints. Be sure to mark your calendar for those third Mondays. We will all share the cost of a pizza order and bring your

own drink.

Clay Corner will also continue with our beginner's classes for any new memberships that sign up. Remember to stop by our gift display area with handmade sales items from our club members.

Wheel classes begin this fall. Hours: Monday through Wednesday 8am to 9pm, and Thursday through Saturday 8am to 4pm. Info, call: 623-977-3167.

Handi-Capables offer classes

Handi-Capables offer water exercise classes in Sundial's exercise pool. A sit-down and a stand-up class are offered each Tuesday and Thursday at noon, and also a stand-up class is offered at 1pm. Assistance is offered entering and exiting the pool for anyone who needs it. Anyone with physical challenges, minor aches and pains, arthritis, or post-surgery is welcome to join our classes. If your doctor tells you to walk or do some light exercise, we are just what he ordered. We devote half the class to exercise and the other half to water walking.

If you want to know more about our program come to the pool on Tuesday or Thursday and watch or even try a class. All caregivers are welcome to enter the pool with the member attending the class. A social/business meeting is held every first Monday in Fairway's Arizona room. The meetings include business, entertainment, refreshments and a time to socialize with others.

Membership is open to all RCSC cardholders. Annual dues are \$10. For additional information, contact Bill Natz at 623-974-4502 or 2dollarbill@cox.net.

News from the Friends of the Sun City Library

Ah, June!

Life in the Sun Cities slows down for the summer. The heat begins to keep us all indoors. Except for the golf course and the swimming pool we shun the sun. But the grass is greener and the flowers are brighter, so those of us who stay here see some of the best there is. Then the monsoon season arrives. 'Nuff said.

However, there are a few things to look forward to. There will be summer reading programs again this year for children, teens and adults. Check with the library for schedules. Both children and adults can receive prizes for the books they read. The program runs through July 30.

The Master Gardener program will still be on the first Monday in June. However, that will be the last appearance until October, so come and get all your summer gardening questions answered.

Special Offer

The Books Around the Corner bookstore has a series of boxed sets of Arizona Highways that is a real gem. Issues from the '60s, '70s, '80s and '90s come two years to a box and sell for only \$3 a box. These are real collector's items and contain a wonderful pictorial history of Arizona during those years. Sorry, no single issue sales. Surely, they will go fast, so don't put off going to see them.

More Specials

There will be special sales each month this summer. June will feature all biographies at half price. In July will have a surprise sale. We will tell you more about it next month. August will feature a half-price special on all self help books. On top of the monthly specials, all jigsaw puzzles and video tapes will be "buy one-get one free" for the entire summer. These items

should be enough to keep you occupied indoors and out of the sun for many hours.

Book Clubs

Don't forget that we have three book clubs meeting at the library and they will continue through the summer.

On the first Wednesday of each month at 1:30pm the "Mystery Book Club" meets. The selection for June is "Witch Hunt" by Ian Rankin. On the first Thursday of each month at 1:30pm you can join the "Crime and Carnage" book club. Mystery stories with a somewhat sharper edge.

The third choice is the "Fiction Book Club" which meets the fourth Thursday at 1:30pm. Everyone is welcome whether you have read the book or not. Just drop in and listen to the discussion to see if you would enjoy becoming a part of one of these groups. The discussion can get quite intense at times, with widely diverse

opinions being expressed. All of the groups meet at Bell Library in the Program Room.

Book Buddies

Book Buddies do not take the summer off. They are still making deliveries and still looking for those stay-at-home folks who want library access. Call the bookstore at 602-651-2014 to get signed up or sign up a friend.

Meetings

The Friends of the Sun City Libraries will not be meeting through the summer.

Our next meeting will be Thursday, September 8. We will be starting at 9:30am in the Program Room of the Bell Library. Be sure to put it on your calendar and attend. Suggestions for the coming year will be welcome. Hope to see you there.

PRESIDENT: RCSC Election Info

property in Sun City, Arizona as well as a resident of Sun City for a minimum of two (2) years prior to December 1;

c. must be a Member in good standing;

d. must reside in Sun City, Arizona and be available at least ten (10) months of the year;

e. must meet the requirements to hold an Arizona liquor license; and

f. must be eligible and available to serve a three (3) year term.

We have three three-year terms and one one-year term to be filled this year. If you have a desire to have a hand in helping RCSC and Sun City transition into the 21st Century, pick up a candidate packet, which will be available in the Board Office at Lakeview Recreation Center beginning July 5. To pick up a packet, candidates must pick up packets in person and present their RCSC Member cards.

If you are considering a run for the Board, keep in mind there will be four candidate forums during the election season to share your views to the Members. Members are encouraged to keep the forums in mind, too, as they will

have an opportunity to ask questions of the candidates.

This year's election will be December 13 and three polling stations will be open for Members to cast their vote: Bell Multi-Purpose Building, Lakeview Center and Fairway Center. Polling places will be open from 10am to 7pm on Election Day, which means we have a need for volunteers to help out. If you are interested in lending a hand on Election Day, please contact the Board Office at 623-561-4620 or boardoffice@sunaz.com for more information.

As in years past, Members who cannot make it to the polling place on Election Day may request absentee ballots by contacting the RCSC Corporate Office. More information on absentee ballots will be provided this fall.

I sincerely do hope you seriously consider running for the Board of Directors this fall. Serving one's community is not always easy, but it is always rewarding. Now is the time to get involved with your fellow Sun Citizens and help to maintain the quality of life that we all enjoy.
