

RCSC forecasts \$1.8M savings with solar

Recreation Centers of Sun City, Inc. forecasts \$1.8 million savings over the next 15 years which includes all costs associated with the installation of solar. The new 2.2 megawatt photovoltaic (electric) solar systems will generate approximately 4 million kWh annually and be installed at all seven recreation centers, Bell Lanes, Lakeview Lanes and some of the golf maintenance facilities. Of these structures, some will be roof mounted

and some will become covered parking structures. Thermal solar systems will be used at the Bell and Oakmont Recreation Centers to assist in heating swimming pools. The new solar energy systems will include an estimated 14,000 solar panels and produce the same amount of energy it takes to power 347 homes.

The RCSC Board of Directors was unable to make this public until early February because RCSC was required to

make bids for the APS incentive blind auction and since that is a very competitive process, it was vital that it be kept quiet that Sun City was even considering a large amount of solar. We submitted every project that qualified for the solar incentive auction as incentives may not be available in the future, or if available, may be significantly reduced.

Because RCSC is a non-profit organization it is not eligible for the federal tax

RCSC Did You Know...?

How do Federal, State, and Local Laws affect RCSC?

Federal, state and local laws supersede any of RCSC corporate documents. To that end, RCSC is regulated by Arizona Revised Statutes Title 10 as a private, non-profit corporation. RCSC is not now, nor has been in violation of any federal, state or local laws.

Why isn't RCSC regulated by Title 33 for planned community associations?

RCSC does not qualify under Title 33 as a planned community association, because not every property owner in Sun City is required or can qualify to be a member of the Recreation Centers of Sun City. A planned community association is a common interest organization to which all the owners of lots in a planned community must belong. The four defining characteristics of a planned community association are: 1) all owners are automatically members; 2) governing documents create mutual obligations; 3) mandatory fees or assessments are generally levied against owners and used for the operation of the association; and 4) owners share a property interest in the community.

SOLAR: RCSC forecasts \$1.8M savings with solar

continued from the front page

credits offered as an incentive for photovoltaic ("PV") solar systems. Therefore, RCSC had to find an organization that was willing to purchase and own the PV electric solar systems and lease them back to RCSC. There are no costs to RCSC associated with the PV system installation, including the covered parking structures. RCSC will pay the lease payments only and these payments were calculated into the savings projections.

RCSC will purchase the thermal solar

outright for a total cost of \$326,630 and will receive rebates totaling \$84,368. These thermal solar systems slated for Oakmont pool, Bell lap pool, Bell walking pool, and a micro turbine (producing electrical power and heat) for the Oakmont center are projected to save RCSC a total of \$57,087.35 per year, which means these thermal systems will have paid for themselves in less than 5 years.

The calculations used for energy savings are very conservative and project

a lesser amount than actually achieved by other users of similar systems. The fact that the entire \$12 per property/per year increase in assessments for 2012 is required to cover the projected increase in utility costs, should be testament to why it is so important for RCSC to find ways to cushion the ever increasing costs of utilities.

When RCSC states that there are projections to save \$1.8M in 15 years because of the solar projects planned for 2012, all

costs are included except maintenance and insurance. There is a 25 year warranty on the solar modules and a 10 year warranty on the invertors, with a 2 year "bumper to bumper" warranty on everything. RCSC will obtain property and casualty insurance for the solar systems, as they will be a part of our buildings and infrastructure. All costs for these solar projects will be accommodated for within our current 2012 budget.

Bowling News & Notes

New Lane Conditioning Machines: RCSC recently purchased two Kustodian Walker Sport lane conditioning machines for the bowling centers. The new machines, manufactured by Kegel Corporation, were put into service February 1. While the conditioning technology remains the same, the new machines offer several new features such as:

- battery powered operation - no cord;
- dry-cell batteries - more than 50 lanes per charge;
- 30 patterns in memory;
- color touch screen interface;
- the ability to move from lane to lane without operator intervention;
- and most importantly, the ability to keep the first one foot of the lane dry for customer safety because once the machines were placed in service, the first foot of the lane will no longer need conditioner.

Since the machines were put into service, lane conditioning will begin at 4pm daily. Due to the automation of the machine, bowling will not be allowed between 4pm and 5pm daily while lanes are being conditioned. A schedule of lane availability can be viewed on the RCSC website at www.sunaz.com by clicking on the bowling tab and selecting a center. For more information on the Kustodian Walker Sport machine go to www.kegel.net and click on "Lane Machines."

Congratulations to the following Bowlers: Kurtis Paul bowled games of 246, 246, 246 for a 738 series! Kurtis bowled one of the highest triplicates ever bowled at an RCSC bowling center. We also had a couple of ladies with some outstanding scores at the bowling centers: Marcie Skalicky bowled a 266 and a 690 series and Sharon Farrell bowled a 726 Series. For the men, Dave Vergara bowled an outstanding 814 Series at Bell Lanes on January 26 and Kurwin Forest bowled an 800 Series on January 13. Congratulations to all of these bowlers.

Lend a hand with SC Foundation donation

The best kept secret in Sun City is the existence of the Sun City Foundation. The next best secret is what that corporation does and how. Our vision is to ensure all Sun City residents retain access to facilities and resources available within our community. We do that by assisting in paying the annual assessment for those unable to pay. Our funds come from other residents like you – thus, neighbors helping neighbors.

Your generosity in the past has helped 20 to 30 residents each year. We are proud of that record and want to continue our efforts but that requires contributions from you. We have brochures in 22 loca-

tions in Sun City that explain how to contribute, or you can call 623-561-4600 for more information. A speaker from the Foundation can also be arranged to speak at any event or club meeting.

Nearly 100% of the contributed funds are used to promote our vision. How is this possible? The Foundation has no paid managers or employees and office costs are funded by RCSC. Directors are all volunteers.

Also, your contributions stay in Sun City assisting neighbors and promoting the lifestyle we all enjoy. Lastly, your contributions are tax deductible. Help us help your neighbors!

Financial News & Notes

End of Year: As expected, we have ended 2011 well within our operating and capital budget. The fact is that we had more repair and maintenance projects, approximately \$500,000, than we could complete with the Fairway project in process as well this year. These projects will be carried forward to 2012 and be completed from the funds budgeted in 2011.

Golf: The golf division has missed their net operating budget by \$85,000, which considering the dynamics of failing wells and irrigation systems is acceptable and is made up by other savings within the operating budget. This is a \$136,000 improvement over last year in the golf division, and with the additional savings obtained by a reduction of personnel in other divisions as a result of the golf maintenance contract, these savings are benefiting RCSC.

Collections: Payments made by property owners in outside collections totaled \$9,615 in December with payments from 28 property owners. During December our internal collector processed payments from past due property owners totaling \$43,705 and property related transfer fees totaling \$126,444. The past due amount collected was on par for the 2011 monthly average while the transfer related fees were 25% below the monthly average for 2011. The total payments on past due balances was also off the 2011 high in November but was slightly higher than the monthly average collected.

PIF: The Preservation and Improvement Fees collected in December were \$527,900, or 91%, over budget. For the end of the year the total Preservation and Improvement Fees collected were \$5,672,780, or 44%, over budget.

GolfNow Tee Times: Over the past several years, RCSC has used GolfNow.com for its public play golf program, selling unused, off-peak tee times to generate additional revenue for the golf division, which has helped keep down costs for RCSC cardholders. To pay for this service, RCSC gives GolfNow one tee time per day for each course that is listed on the GolfNow.com website that GolfNow can sell at any price. Revenue from the sale of these tee times goes to GolfNow and not RCSC. All other tee times sold on GolfNow generate revenue for RCSC.

Some cardholders have said that tee times on GolfNow are sometimes lower than the present cardholder rate. Although this may occur with the one trade tee time that RCSC provides GolfNow to pay for the service, it is not the norm. GolfNow's current rate is \$36 plus tax, in addition to a booking fee of \$2. The total cost comes to around \$40, whereas an RCSC cardholder pays \$26 including tax without a golf cart. Plus, GolfNow can only book three days ahead, whereas RCSC cardholders can book five days in advance, so those who may book on GolfNow are not getting a better deal than RCSC cardholders. Also, times currently listed on GolfNow after 1pm are listed at our normal twilight public rates and are not discounted. We are merely utilizing the GolfNow website to advertise available times.

Daily Fitness: Derail diabetes with exercise

John and Jane Sadler finish up their workout at Bell Fitness on the Precor Stretch Machine. With the help of personal trainer Jane Fortier, John and Jane have learned to take charge of their Type 2 Diabetes through exercise. They are amazed at the effect exercise has on blood sugar levels.

"One of the contributing factors to diabetes is a decline in muscle mass that starts around age 40," explains Fortier. "Muscle is the receptor site for most of the body's blood sugar (glucose). Muscle burns or stores glucose. The loss of muscle due to aging raises the risk for diabetes. A person's best line of defense is building new muscle. Strength training is a form of exercise that increases muscle tissue, therefore increasing the body's glucose storage capacity and metabolic rate. Aerobic exercise is an important component for managing blood sugar levels, as well. It uses stored glucose, thus making room for more glucose to be stored.

"As we age, we not only lose muscle but

gain fat, especially the deep visceral fat that is linked to diabetes," notes Fortier. "Recovery from exercise is fueled primarily by fat, so the more strength training and aerobic exercise a person does, the more fat is burned 24 hours a day."

Daily Fitness personal trainers create programs for their clients that meet individual needs and goals. To find out more about Daily Fitness services, call 623-256-7901 or visit DailyFitnessLLC.com. A free consultation is available for anyone interested in working with a personal trainer.

DID YOU KNOW: RCSC Facts

continued from the front page

There are three qualifications required to be an RCSC Member:

- 1) Must be a Deeded Real Estate Owner of property located in Sun City, Arizona;
- 2) Must be 55 years of age or older (unless qualified under spousal exemption); and
- 3) Must occupy the Sun City property as his/her primary Arizona residence unless his/her other Arizona residence is farther than seventy-five (75) miles from Sun City.

What are the Articles of Incorporation and what powers do Members have?

The RCSC Restated Articles of Incorporation ("Articles") define the general nature of business in which the corporation is engaged and certain powers of the corporation and its Board of Directors and Members. In order for RCSC to govern effectively, the Members elect a Board of Directors to act on their behalf. The corporate documents delegate most of RCSC's decision-making powers to the Board.

This leaves the Members with very few direct powers. The Members have the voting power to:

- Elect and remove Directors
- Amend the Restated Articles of Incorporation
- Convey assets exceeding \$50,000 in assessed value
- Approve indebtedness or liability in excess of \$750,000

RCSC is not now, nor has it been in debt in excess of \$750,000. The Fairway project was paid for by cash as it was completed.

How are the RCSC Articles of Incorporation changed?

An amendment to the Restated Articles of Incorporation may be proposed by resolution of the Board of Directors or by petition signed by at least ten percent (10%) of the total membership of the Corporation as of the first day of the preceding July. The proposed amendment shall be submitted to a vote of the Members at a regular or special meeting called pursuant to the provision of the Bylaws. Contrary to the RCSC Articles, however, the proposed amendment cannot be adopted or rejected by a majority vote of the Members, present or represented by proxy, because Arizona Revised Statutes Title 10 requires a two-thirds vote of the Members.

March 2012		All meetings will be held in the upper-level Board Room at Lakeview Center unless otherwise noted. Times/ Dates subject to change. For the most up-to-date schedule, visit www.sunaz.com .

Friends of the Library News & Events

When March arrives, I feel like winter is all over and spring has arrived. Of course, spring only lasts a few days before summer hits us in all its bright, shiny and hot glory. But, we must count our blessings we didn't have to shovel any snow.

First Thing

I must apologize for the egregious error in last month's column. You all support the bookstore so faithfully and I'm sure you are happy that we show a profit. However, \$25,000 in one month (December) is more than we could possibly hope for. But, we were really thrilled with the \$29,292 for 2011. It was way more than we projected and we thank you all for your great support; not only buying books, but with your generous donations.

Library Events

Jack Hawn will be in to discuss and sign his book "Blind Journey: A Journalist's Memories" on March 14 at 10am. From copy boy at a Hollywood newspaper he progressed to writing show reviews, sports and entertainment stories. He covered the 1984 Olympics and most of the biggest stars of the time until he retired in 1991.

Kevin Roth will present an adult folk music concert featuring songs of Peter, Paul and Mary, as well as Joni Mitchell and others on March 30 from 10am to noon in the multi-purpose room at Bell Center.

Have you heard of it, seen it? THE Q CLUB! Are you interested in improving your quality of life? The Q Club or Quality of Life Club, is for individuals who are interested in learning what an active, independent lifestyle is and how to live it. The program will be March 13

from 1 to 3pm in the North Wing at the Sun City Bell branch library.

The library will be CLOSED on March 23 for staff training.

Book Clubs

As usual, book clubs will meet in the North Wing on their respective days at 1:30pm.

Crime & Carnage Club - March 1 - "Carved in Bone" by Jefferson Bass

Mystery Club - March 7 - "On the Line" by S. J. Rozen

Sales

I hope you all made it to the paperback book sale the first week in February. After all, two books for 2 cents is quite a bargain. Especially when you know they sell for \$6 to \$7 new and even in the used bookstores they can be as much as \$3 or \$4 each. That makes our regular prices of 25, 50 cents to \$1.50 book pretty good.

Next up will be a one-day sale on March 31 during the Bell Fun Fair. All books in the store will be half price, except the collectibles. So be sure to attend the Fun Fair - lots of great exhibits - and include a stop at the bookstore.

Coming Up

Volunteers can look forward to the Appreciation Dinner on April 20. More information on that next month.

So, we say bye-bye to February and welcome to unpredictable March. Which will it be - the lion or the lamb? Hope you get your wish.

Fun exercise with Aqua Fitness

If you haven't joined Aqua Fitness, you are missing out on the most beneficial, fun and easy exercises offered in Sun City.

No swimming is required; participants stand in waist- to chest-deep water. Qualified instructors lead classes through a series of aerobic exercises designed to trim, tone and strengthen all parts of our bodies.

We feature three levels of class: Free Standing, Poolside and Aqua Stretches.

Free Standing consists of more vigorous routines involving jogging, jogging in place, jumping and twisting.

Poolside allows holding on to the side of the pool for balance and provides many leg exercises.

Aqua Stretches is devoted more toward stretching and toning.

We are a fun group and many friend-

ships have formed in class. Each year we host an appreciation party. This year's party is March 7 and we invite all members to join us.

Classes are Monday and Thursday or Tuesday and Friday in the morning and evening. We are a coed group and all RCSC cardholders are eligible to join. The annual club fee is only \$5 and each eight-week session is \$15. Registration for the remaining year will be April 7, August 25 and November 3. We have a "Try it before you Buy it" class the Monday/Thursday and Tuesday/Friday prior to each registration day. Meetings and registration are in Sundial Auditorium. For further information on when the classes meet, where they are held and how to join, call Alice Davey at 623-876-8627 or Grace Davini at 623-972-9133.

Enjoy the ancient game of bocce

Bocce is an ancient game, its birth lost in the shadows of antiquity. Some claim it originated in Egypt; others say the game started in Greece. But most agree that bocce is flourishing at the Bocce Club of Sun City.

The courts are carpeted, well shaded and handicap accessible. All equipment is furnished, lessons are free and attire is your choice. All RCSC cardholders in good standing are eligible to join. Annual dues are \$4. Besides various outings, the club sponsors a February Valentine party, an April picnic with games, a November pizza party and a Christmas party. All parties and meetings are on the second Monday of each month in Sundial East Hall. Play is Monday through Friday

and Sunday. Open play is Thursday, Friday night and Sunday. Game times vary throughout the year. Check the bulletin board at the clubhouse. The club participates in the Senior Olympics, Tri-Cities Tournament (Sun City, Sun City West and Sun City Grand), West Valley Senior Olympics, as well as hosts a two-day event for the Special Olympics.

If you're not sure, but want to give it a try, call Mike at 623-242-9899 or Edith at 623-594-4173 or stop by the clubhouse for more information.

Backgammon Club forming

Remember that game that used to be on the back of checker boards? Such an easy game to learn, yet a lifetime to master! Since early Egypt and China, this has been a game of both luck and skill; so challenging, that even Napoleon required his generals to play it! Yet, any child can learn the basics of play in a day. And, some of us big kids really enjoy it, too! So, now it's back in vogue and we're forming a Backgammon Club in Sun City.

ALL LEVELS of play are very welcome! We'll be having classes to help you learn, before every meeting - from basic play, to using the doubling cube, to more

advanced strategies, if you're interested. We will help you improve your level of play regardless of how little or much you already know. Join us for FUN! This will primarily be a social club, but we'll get into mini tournaments, if members want it.

MEETINGS: 7pm on the first and third Thursdays of each month at Lakeview Social Hall#3

CLASSES: 6pm before every meeting - planning an afternoon session, as well. We always have time for beginners!

For more information, call John Stetenfeld at 623-229-9887.

Bell Shuffleboard Club

New members are always welcome to join and play the great game of shuffleboard, which can be played by people of all ages. The cost is only \$2.50 a year and our inside courts have been graded as probably the best courts in Arizona. We had 64 participants for the East-West Goodwill Games that came from Florida, Carolinas and other eastern states and Canada and from western Northern America. Three-hundred-fifty-two games were played during that week in September and our western states and Canadians won the tournament; winning nearly twice as many games as the east. The games were well organized and our Bell Center received many accolades.

Come and play with us at 1pm Monday, Tuesday and Friday. We form teams and play this 1,000-year-old game for an entertaining two hours. If you can't make it, just come the next time. New member free lessons are available, call Dick Price 623-895-9525 or Peter Hrynew 623-974-1456. In addition, members are eligible to play in our state/team league play, district, state and national tournaments. Arizona State Singles finals were in Tucson this year. Rain delay caused the boards and wax to stick and it was difficult to play. District 5 winners: Championship: Men-David Frasier 5th; Women- Edna Hrynew 4th. Consolation: Men - Peter Hrynew 3rd and Women - Ann Hoover 5th.

Oakmont Ceramics Club

Oakmont Ceramics Club is Sun City's original ceramics club! We are right next door to the Del Webb Sun Cities Museum.

We're still young at heart and the friendliest group in town. Various classes throughout the season--from beginners to advanced ceramists. We welcome both men and women. We have lots of interesting molds and greenware. Surprise

and please your family and friends with gifts made by you! Please stop in and say HELLO and make a new friend. Winter Hours: 8am-3pm Monday-Thursday | Summer Hours (June, July, September): 8am-3pm Monday-Thursday. Closed in August. Come in, join us; we are a friendly group!

Piano Club of Sun City

Are you a piano player? Do you like to listen to good piano music? The Piano Club of Sun City may be for you! We are a successful club of over 100 friends who meet monthly to listen to or play piano music of ALL styles. We meet at 9:30am on the third Friday of every month, from October through April, at Sundial Auditorium.

Guests and new members are always welcome. Membership includes opportunities to listen and perform. We also offer piano classes, from beginning to advanced, including courses in improvisation, all taught by well-qualified teach-

ers in small-group settings.

Our special guest artist for the March 16 program will be internationally acclaimed concert pianist and soprano Rosemary Schroeder. Some of our talented members will also perform. Other special events during the year include "An Evening to Remember," our annual evening concert in October; "Sounds of Christmas" in December; and "Unique Musik" in February.

Yearly membership dues are \$5 for RCSC cardholders. For more information, call 623-792-7266 or 623-875-7061, or email 4pcofsc@cox.net.

Singles Social Club

All single cardholders are invited to join the Singles Social Club. You will meet many new people and enjoy many different activities. For more information call Whitey at 623-583-8826. We have potlucks at Oakmont Center the first Friday of each month at 6pm. Please bring a salad or hot dish to share (enough to serve 10 to 12 people). Plates, utensils, napkins and cups will be provided. Bring your own beverage. The third Friday is game night. Bring your own beverage and snacks to share. Every Saturday, we meet at the Royal Cafe at 9am for breakfast. Just come and meet other singles in Sun City. Golf is on Mondays. Call Steve for further information at 602-956-6611. At Lakeview, we bowl Tuesdays at 4:30pm and play billiards Wednesdays at 1pm. At Bell, we play table tennis on the first and third Wednesdays at 4pm and shuffleboard on the second and fourth Saturdays at 5:30pm. We play mini-golf on the second and fourth Thursdays at 1pm. Video Travel Club

The Video Travel Club will feature the surprise mystery play "The Well" as part of the program at 7pm on March 16 at Fairway Arizona Rooms 1 and 2 followed by a travel video on King Ludwig's fantastic castles. "The Well," performed by the Readers' Ensemble, is about a gentleman who has made a will leaving his entire estate to his sister and nephew with one contingency: neither of them can collect a cent until one of them dies.

We travel the world and never leave Sun City! No waiting in line, no lumpy beds

or bad food – just an enjoyable evening meeting new friends and learning about our world. We also have seasonal parties for socializing and special entertainment, music, skits, and recently a dancer performed a classical Thailand dance after our Thai video. Visit us every Friday at 7pm October through April at Fairway Arizona Rooms 1 and 2. No reservations required. Bring yourself and a friend. Consult the Clubs Listing for weekly program information. Call 623-815-1035 for club info.

Table Tennis

Table Tennis, the fun game most of us knew 40-plus years ago as Ping Pong, is still a very fun sport and a place to meet new friends while having a great time.

Whatever your talent level may be, you will find men and women to play with while you are getting some great exercise. As one doctor told us, one hour of table tennis is equivalent to a 2 ½ mile fast-paced walk.

Also, if your desire is to be competitive, our club has captured the most medals in the Arizona Senior Olympics each year for

the past several years.

Most importantly our club is intended to create an enjoyable place to laugh, to have fun, and to establish new and great friends, while thriving to extend a fit lifestyle. The yearly membership fee is an unbelievable \$3.

For information on club activities, lessons or assistance for establishing your level of play please contact Caroline 623-302-3261; Fred 623-933-7406; or Jim 623-815-8133. A great time is here for you so come join us at Bell Recreation Center.

Fairway Woodworking

If you're looking for some practical household device, a beautiful handmade wooden gift, or perhaps something quirky with a touch of humor, stop in at the Fairway Wood Shop, open Monday to Friday from 8am to 4pm and 8am to noon on Saturday. Free nickel tours any time.

Perhaps you're someone who has always loved the feel and artistry of wood but could never afford the necessary tools. Or maybe you're a craftsman with decades of experience on the job willing to share your expertise. Either way you are invited to join the friendly camarade-

rie at the shop where specific classes are offered working with the lathe, scroll saw and milling machine and the rawest rookies can find someone to help with their creative ideas.

The Fairway Wood Shop, with its new spacious work area complete with bowling alley work benches and ever improving power tools, is a place to find women and men who love a cup of coffee, a good yarn, and working with wood. Ten dollars a year will buy you \$100,000 of equipment and the opportunity to learn and build and contribute that is priceless.

Tip Top Dance

Pictured are new and seasoned members of the Tip Top Dance group, reviewing the interesting history of the club, which began in 1987. Most started in the Tip Top beginning classes and enjoyed the fun and challenges of steps they learned along the way. The tap dancers have performed in Las Vegas and throughout the Valley for many different events.

Learn to move with the beats of great show tunes to jazz. Increase your energy,

refine your sense of balance and have fun making new friends as you dance your way to good health. You can perform or just dance for the fun of it. We offer tap dancing I – II – III, theatre dance, ballet and jazz aerobics, with professional teachers who help you do your best. Class sessions vary and meet Monday through Friday at the Marinette Dance Studio. The annual fee to join Tip Top Dancers is \$10, and the various classes are very affordable.

The club's next scheduled performance will be a half-hour dance show for the Sundial Dance Club on March 17 at Sundial Center. The performers will tap dance at intermission. All RCSC cardholders are invited.

For information about Tip Top Dancers classes, or for the club's availability to perform for your special event, call Linda Thompson at 623-977-9706.
