From the President: Share thoughts on Sun City's future

By Vance Coleman | RCSC Board President

While I cannot predict the future, my guess is many of us living in Sun City today will not be around in 20 or 25 years. But Sun City will be. And it is our charge to see that the community we love today is not only still around in another two decades, but that it remains a thriving community that meets the needs and desires of those who will follow us.

The Long Range Planning, Member Communication, and

Marketing Committees are looking at the past, present, and future to help shape the direction of RCSC and Sun City for the coming years. This important work will continue even as the high season winds down and Sun City's winter residents and snowbirds return to their summer homes.

Since we, the RCSC Board of Directors, do not have all the answers, we need the help of the whole community – year-round

residents as well as snowbirds. Whether you are two miles or 2,000 miles away, you may be asking, "How can I help?"

I implore you not to let distance deter you from sharing your thoughts, views, and ideas about the future of RCSC and Sun City. Login to the World Wide Web and send us an email or write us an old-fashioned letter and send it in to the Board of Directors at 10626 W. Thunderbird Blvd. Sun City, AZ 85351.

You can also give the Board Office a call at 623-561-4620. Whatever means is available to you, I encourage you to share your views for Sun City's future with us.

Sun City has existed and thrived for more than 50 years. Let us honor those individuals who came before us by doing our part to ensure this amazing community remains as vibrant for the next 50 years and beyond.

Running for the Board: Why not?

Thirty seven thousand four hundred ninety said, "No way!" Nine said, "Why not?" They earn our gratitude. They serve us as our Board of Directors for the RCSC.

Three of the nine directors have their terms end every December, and candidates are sought. Announcements are made, invitations extended. The Elections Committee worries there will not be enough candidates. For the most recent election, that concern became reality. Why?

Think about why you have not stepped forward. Your answer may be among common responses: "I'm retired. Who needs another full-time job?" "It's thankless. All you get is grief!" "I don't have enough background or experience."

Bill Pearson, Jim Brasher and Linda Lindquist are our newest board members. They have served just a few months. Is it what they expected? Do they regret saying, "Why not?" It would be instructive to get their take as we consider our response this year to the question: "Will you step forward as a candidate?"

Bowling News & Notes

Bowling Leagues: As the Bowling season draws to a close, the RCSC Bowling department is beginning to sign league contracts for the Fall 2012 season. The standard bowling season length in the Bowling Industry is 35 to 36 weeks while RCSC season lengths have customarily been 32 weeks. In recent years, RCSC leagues had begun to reduce their season length to 30 and 31 weeks, resulting in less revenue. In 2011, a new pricing structure was introduced to all of the RCSC Bowling Leagues. Leagues that bowl 31 weeks or less will see a price increase of twenty five cents per bowler per week for the entire season. Leagues that bowl 32 weeks will pay the posted rate. Leagues that bowl 33 weeks or more will pay the normal posted rate for the first 32 weeks; beginning week 33 the league will only be charged for two games instead of three. The same policy will apply to summer leagues using 12 weeks as a standard season.

Bowling prices have not increased since 2008. The pricing structure was designed to prevent price increases across the board and only increase prices for leagues that choose to bowl less than 32 weeks, rewarding leagues bowling 33 weeks or more. This structure was also designed to increase lineage in order to increase income rather than increase price to increase income.

RCSC Did You Know...?

What's the history with the RCSC membership quorum?

The previous membership quorum of 100 was less than one-half of a percent (.3%) of the total membership and left RCSC and its Members at risk of being controlled by a small minority. Someone with 100 proxies could have made changes with numerous unintended consequences that could have done a great deal of harm to RCSC and Sun City homeowners. Following the advice of RCSC's legal counsel, the Board eliminated this provision thereby causing the RCSC to be subject to the default provisions of ARS §10-3722 which sets a nonprofit corporation's quorum at, "one-tenth of the votes entitled to be cast" until such time as RCSC could form an Ad-Hoc Committee with the membership at large to come up with a more reasonable number. This Ad-Hoc Committee met on several occasions and in the end made a recommendation to the Board who adopted a reasonable and attainable 1,250 membership quorum, which includes proxies. This number was shown to be attainable when it was easily reached by Members present (with no proxies) at the meetings regarding utility rate cases and the charter school.

How can Members make recommendations to the Board or let the Board know their concerns?

The RCSC Board of Directors takes their role and duties very seriously. The Board wants input from the Members and wants to keep Members informed. As a Member of RCSC you have a responsibility to participate in the governance of RCSC. The Board invites Members to attend the Board/Member Exchange meetings generally held on the first and third Monday of each month at the Lakeview Recreation Center in Social Hall #3 at 9am. This is a time when the Board and Members can exchange ideas, suggestions, information and concerns. Members can have a dialogue with the Board as it is informal and interactive. Members should bring to this meeting anything they want the Board to consider or change. No decisions are made at this meeting, it is simply an exchange. The Board also encourages Members to send comments, concerns or input via email to boardoffice@sunaz.com or via letter to 10626 W Thunderbird Blvd, Sun City AZ 85351. The Board also asks Members to sign up on the RCSC email list at www.sunaz.com so that Members can be kept informed regularly.

Financial News & Notes

Collections: Payments made by property owners in outside collections rose to \$14,687 in February with payments from 34 property owners. During February our internal collector processed payments from past due property owners totaling \$72,569 and property related transfer fees totaling \$154,833. The good start to the year in January extended into February as payments in all areas increased in February.

Past Due: For the past four months the total payments received on past due balances is the highest running four-month total in the past three years. Continuing this trend as we go into the months of March and April is crucial as these two months represent our highest billing months of the year and can have a greater impact on

receivables if not paid. At the end of February, outstanding balances related to property transfers represented 57% of receivables due and 54% of past due balances.

Trustee Sales: Property trustee sale notices on Sun City properties dropped by another 10% in February and now stands at 81. There is some press that indicates that this could rise again in the coming months. The number of properties owned by lending institutions at the end of February declined slightly to 99.

PIF: The Preservation and Improvement Fees collected in February were \$531,000, or 53%, over budget. Year to date PIF fees are \$316,800, or 53%, over budget.

Golf News & Notes

Golf Rangers Need You: Rangers volunteered a total of 220.5 hours in January. Course totals: Quail Run: 36 | Riverview: 11 | South: 100.5 | North: 25 | Lakes: 37 | Willow: 31.75. More Rangers are needed. If you have a few hours a week and want to have fun and provide a great service to Sun City golf, consider volunteering as a Ranger. Contact : Don Rogers at 623-815-7077 or attend a meeting: 3pm last Thursday of each month at Talisman Hall.

Golf Revenue: Revenue for February was \$696,272, which exceeded budget by \$92,867 or 15.4%. Green fee & cart fee revenue were 23% ahead of last year and 20% ahead of budget. Merchandise was 17% ahead of last year and 6% ahead of budget. Driving range revenue was 38% ahead of last year and 22% ahead of budget. Play from Sun City residents, members and their guests were \$74,912 ahead of budget or 20.8%, we thank everyone for their support.

Large Group Meeting: We recently held our large group meeting. The meeting was well attended, with 37 groups sending representation. Information gathered will be used in the event changes are made to our current system of taking reservations. Many good ideas were given and recorded during the exchange. Those present were split about 50/50, in their opinion of keeping the current system or changing. As previously noted in golf advisory the use of cell phones at the course is a frequent complaint.

Rainfall: While a boon for revenue, the lack of rainfall is the biggest issue facing our courses in 2012. Through the month of February RSCC courses have used 3.3 million gallons over our January/February budget and 51.7 million gallons more than 2011.

The lack of rainfall creates several

issues for our courses. First, the lack of rain results in increased electrical usage to pump the required water. Second, we are allotted a maximum amount of water to use for irrigation by the State, through February we are 3.3 million gallons over that budget. Lastly, the reduced rainfall results in increased salt levels in the root zone of our turf and trees. High salt levels breakdown the soil, reducing the amount of air in the soil. As the soil breaks down more water is required to keep the turf healthy. Prior to our recent rain many dry and hard areas were beginning to appear. The lack of rain is also a major contributor to the tee boxes becoming hard.

Mowing Heights: We have begun lowering mowing heights in preparation of transition to bermuda. Lower mowing heights allow for more sunlight to reach the bermuda. More sunlight increases the bermuda's chance of survival during transition.

Quail Run Ladies 9 Hole golf League: We invite you to come join our league. If you are a golf novice or long time golfer, we would love having you as a member. We enjoy several events throughout the year that afford us the opportunity to become better acquainted while making lasting golfing friendships. The Quail Run 9 Hole Invitational was played on March 26 and 29. Congratulations go to Joan Collins of Lakes West Course as champion, with a gross two-day score of 75. A great tournament and good time for all participants. The Sun Cities Ladies Octogenarian Golf Tournament is scheduled for April 23 and 27 with a full field of ladies participating. Do check out our league and become a valued member, you will be glad you did. For information call Ginny 623-972-3862.

Buildings & Infrastructure News & Notes

Solar Project: The RCSC continues to work with our contractors to complete the structural and electrical engineering studies for our solar installations. Some of the thermal equipment will be delivered soon so work can commence once permits are obtained. Roof conditions are also being evaluated in locations where roof-top solar installations occur. Contractors are Wilson Electric for the photovoltaic solar and Global Renewable Energy and Priceless Plumbing for the thermal solar.

Mtn. View Pool Deck: Spot repairs to the pool decking surface at Mt. View were recently completed. Contractor was Desert Rose. **(Cost - \$4,160)**

Bell Wood & Metal Shops: Preliminary floor plan drawings are completed for the recently approved Bell Wood and Bell Metal shop expansion. The preliminary drawings will now be used by both clubs to determine their final shop and equipment layouts. Once this information is received our architect will be able to finalize shop drawings so the RCSC can obtain contractor bids, seek RCSC bid commission approval and make permit submittals to Maricopa Planning and

Development.

Marinette Cell Tower: Cell tower replacement work is now completed by Crown Castle (tower owner). Cardholders visiting Marinette Center will now see a mono-pine (pine tree) cell tower instead of the former mono-pole cell tower. Crown Castle is paying all costs associated with this project.

Lakeview Spas: Both Lakeview Spas are closed and being repaired and upgraded to meet current Maricopa County Environmental Services requirements. The work includes the replacement of the interior finish with pebble sheen, installing new water line and step edge tile, replacement of drains, repair of the electrical systems, replacement of the filtration system, installation of an ADA pool lift on the West spa and replacement of the decking surface with an epoxy deck surface. Since my last report it was determined that the underground plumbing systems around both spas has been leaking in several places and must be replaced. This additional work increased the cost of the project. Contractor is Aquatic Builders. (Updated Cost - \$164,000)

Sew 'N' Sew Club receives White House recognition

"Spotlight on..." is a new SunViews feature that aims to shine a spotlight on the clubs and people that make Sun City special. Each month, you will find a new story sharing a little slice of what Sun City is all about. If you know an individual who you think should be featured or think your club deserves the spotlight, contact Tim Gallen, RCSC Communications Coordinator, at 623-561-4616 or tgallen@sunaz.com.

It's not every day your efforts are recognized by the White House, but the ladies of the Sew 'N' Sew Club were in stitches when they received a letter from First Lady Michelle Obama on official White House stationery earlier this year.

In a letter dated March 9, 2012, the First Lady commended the Sew 'N' Sew ladies for their work supporting members of the U.S. Armed Forces and their families through their donations to Airmen's Attic at Luke Air Force Base.

"Our service members, veterans, and their families are some of the strongest and most talented individuals in our country, and each day I am inspired by stories like yours," she wrote in the letter.

Airmen's Attic is a store affiliated with Luke that assists families of entry and lower rank airmen by providing needed items at no cost. Sew 'N' Sew members have supported Airmen's Attic since 1999 by sewing children's clothing for the store.

The First Lady's letter was in response to a letter the club sent her describing their efforts and support.

"It was quite impressive to receive a letter from the First Lady," said Regina Park, a Sew 'N' Sew publicity chair. "She and Dr.

Biden are trying to keep the face of our military families current in a time when they need and deserve our respect and help."

Supporting Airmen's Attic is a no-brainer for the club, Park said.

"Airmen's Attic is a cause that the majority of our members can relate to on either

a personal level or just the proximity to the base," she said. "We do what we can to make their family lives a little easier by providing clothing for their little ones."

The club hosts an annual two-day "sew-in" event and last year's theme was "Blankets and Clothes for Infants," where Sew 'N' Sew members were joined by ladies from the Creative Quilters in sewing clothing and blankets for infants. At the sew-in, the ladies made 675 items, but ended the year 2011 having made more than 1,300 items. This year's Sew-In, which had a focus of newborn babies, yielded 317 completed items including

swaddling blankets, receiving blankets, burp pads, bottle holder bibs and standard bibs.

"Sew 'N' Sew is more than a club," Park said. "It is a sisterhood of women with like ideas and values. We sew because we love it – we give because we are blessed."

SC Foundation: Working to help our neighbors

The Sun City Foundation has been in existence since 1989 and has assisted countless numbers of residents get through tough financial times by helping them pay part or all of their annual recreation fee assessment. It is an amazing organization given it is funded solely by donations from residents, clubs and organizations throughout Sun City. Last month, board members gathered to look at setting firm criteria for qualifying for assistance and how better to serve the community through both education and outreach. Pictured above is (from left going clockwise) Greg Eisert, Bud Hantke, Nancy Swintek, Bill Pearson, Linda Lindquist, Phyllis Roach, Art Williams, and Warren Clucker as they began the process of looking for more aggressive ways of funding, marketing and growing resources to help their neighbors in need. We will be looking for an additional four to five new board members by year end. The board screens applicants who have applied, so beyond the monthly board meeting those serving on the board will be asked to do one or two interviews per month. Anyone interested in serving on the board for the Sun City Foundation should contact Deanna Szentmiklosi at the board office and she will pass the information on to board President Bill Pearson. Deanna can be reached at: 623-561-4620 or at her email address at dszentmiklosi@sunaz.com. It is a difficult role to fill but one that is extremely rewarding and vitally important to the community. We look forward to hearing from you!

The Sun City Foundation

The best kept secret in Sun City is the existence of the Sun City Foundation. The next best secret is what that corporation does and how. Our vision is to ensure all Sun City residents retain access to facilities and resources available within our community. We do that by assisting in paying the annual assessment for those

unable to pay. Our funds come from other residents like you – thus, neighbors helping neighbors.

Your generosity in the past has helped 20 to 30 residents each year. We are proud of that record and want to continue our efforts but that requires contributions from you. We have brochures in 22 locations in Sun City that explain how to contribute, or you can call 623-561-4600 for more information. A speaker from the Foundation can also be arranged to speak at any event or club meeting.

Nearly 100% of the contributed funds are used to promote our vision. How is this possible? The Foundation has no paid managers or employees and office costs are funded by RCSC. Directors are all volunteers.

Also, your contributions stay in Sun City assisting neighbors and promoting the lifestyle we all enjoy. Lastly, your contributions are tax deductible. Help us help your neighbors!

Daily Fitness: Exercise improves golf game

Linda Palmer, seasonal resident from British Columbia, loves the game of golf. She plays 3-4 times a week and puts extra work into her drives and short game. Linda knows stamina and strength is necessary to consistently execute proper golf mechanics.

With the help of personal trainer Jane Fortier, Linda began a comprehensive workout program at the Fairway Fitness Center. The Torso Rotation is one of the many exercises Linda uses to work on trunk musculature. She has discovered that exercise not only improved her golf game (Linda took top honors in two winter tournaments), but her quality of life.

"Your body dictates your golfing ability," states Fortier, a fitness specialist with Daily Fitness. "To improve your swing speed, power and accuracy, you need to improve the body that executes the swing. This can be done through an exercise program that focuses on three important areas: Aerobic Capacity, Muscle Strength, and Body Flexibility. Aerobic exercise will improve stamina and endurance, vital to completing 18 holes of golf; weight training will strengthen and build muscle tissue, key to gaining club head speed; and stretching exercises will improve range of motion and flex-

ibility, essential for a powerful and fluid swing. The focus and discipline required to perform exercises correctly in the gym is needed on the golf course to execute game mechanics well."

WHY NOT: Running for the Board

continued from Page 1

Bill Pearson

I've been asked many times why I ran for the RCSC Board of Directors; seems almost as if there is a stigma associated with wanting to give up one's free time. The fact of the matter is, in retirement we often have more time on our hands than we need or know what to do with. Don't get me wrong, I value doing what I want when I want, but even as a board member, there is still more than ample opportunity to enjoy all that Sun City has to offer.

Therein lies the answer as to why I (and I suspect most others) have volunteered their time, effort and experience. Sun City is a very special place and our ability to insure it stays that way is directly related to how much we are willing to give back to keep it that way. History shows us Sun City was built and shaped by those who put up their hands and said I'll do that. Simple proposition and one that has worked well.

There is a time commitment but it is in no way all consuming. The RCSC staff assists in ways to help us minimize the efforts and the days devoted to being a board member. While the number of days we need be involved vary from month to month, the number of hours is never an entire day, with most meetings topping out around two hours or less. It is a small price to pay to help keep Sun City one of the best places to live in the entire country. After these months on the board I have zero regrets in sticking my hand in the air and saying "yes I want to be involved."

Linda Lindquist

When I told people that I was planning to run for the RCSC Board, the reactions were all the same. Comments like "Are you crazy?" "Have you lost your mind" and "You must be nuts" were commonplace; so much so that I almost reconsidered my decision.

Now after serving these few months, I am happy I did not back out. This has been one of the best experiences of my 13 years in Sun City. And, the time it occupies is not at all what some people think.

In fact, I have enough time to also serve of the Board of SCHOA and be on three of their committees; and still maintain the lifestyle my husband and I enjoy.

The time frame of RCSC Board members is helped greatly by the outstanding support and assistance from the staff. They are always ready to pitch in and do what it takes to aid Board members. I daresay any of us on the Board would be lost without their help.

Now I ask you, the residents of Sun City, to consider running for one of the Board positions in this year's election. Sun City started out as a "City of Volunteers" – being a volunteer is not only gratifying, it is necessary in keeping Sun City as it is – unique. I think you will also find it a very rewarding experience. If you would like to discuss this and ask some questions, please email or call me and we will get together. And yes, the coffee will be on me!

Jim Brasher

Prior to my appointment as a director I had the impression that the position could well be the thankless, time-consuming and overwhelming job that is the common perception of many in Sun City. However, the reality is that being one of the nine directors offers a very rewarding experience to the individual who is willing to put in a reasonable amount of time while learning about the community.

A director's job is mentally and socially challenging as well as a satisfying experience. A common sense approach to problem-solving, while working with other directors, management, and valuable volunteer members serving on RCSC committees, results in decisions important in maintaining our unique Sun City lifestyle.

A pleasant surprise has been to find that a director retains the time to participate in as many activities in the community (such as golf, other sports, clubs, etc.) while fulfilling his responsibilities to the Board. I strongly recommend that any conscientious resident consider being a candidate for the RCSC Board of Directors.

May 2012		All meetings will be held in the upper-level Board Room at Lakeview Center unless otherwise noted. Times/ Dates subject to change. For the most up-to-date schedule, visit www.sunaz.com .

Sheriff candidate visits Democratic Club

Thursday May 3 | Fairway | 5pm Happy Hour - 5:30pm dinner | \$10 members & \$12 non-members | RSVP: Shirley McAllister 623-876-9198 - sunmacaz@cox.net - 9520 W. Greenway Road Sun City, AZ 85351

Paul Penzone, candidate for Maricopa County Sheriff, will discuss why he is running, his qualifications, and his campaign at a special dinner meeting of the Sun City Democratic Club on Thursday, May 3.

Penzone is a career Phoenix police officer who earned national and international recognition for his leadership in the capture of dangerous fugitives and take down of drug trafficking organizations. As sheriff, Penzone will work to make Maricopa County the safest community in America. He'll be accountable, demand accountability at every level, practice results-based policing, and eliminate wasteful spending so we can put more deputies on the streets.

Throughout his career, Penzone was recognized as a tough-as-nails cop with the unique ability to manage and defuse the worst of situations, and get results that kept families safe. His work in drug enforcement as a Task Force Agent with the U.S. Drug Enforcement Administration earned him national acclaim. His management of the Silent Witness Program was recognized internationally when Crime Stoppers International, the governing body for more than 4,000 Crime Stoppers programs worldwide, named him Program Coordinator of the Year. He also was recognized as Task Force Agent of the Year for the Federal Law Enforcement Officers Association for his work to dismantle a large meth distribution syndicate.

Penzone's belief that cohesive, trust-based community relationships with law enforcement prevent crime led him to develop programs to strengthen police operations through collaborative partnerships with multiple public safety agencies, media, local businesses and community leaders.

Friends of the Library News & Events

Summer is here! Beautiful May flowers – ACHOO! Wonderful smelling fruit trees – ACHOO, ACHOO! Well, there us a price to be paid for everything. Most of us will accept the price of sneezes and sniffles to get the benefit of living here. Then, again....

Sales

The Friends have had some good events lately. Our book sale on March 31 was a huge success. It benefited, of course, from being a part of the Bell Center Fun Fair, and the crowds were happy and enthusiastic. Stacks of books went our the door all day and the end result was profitable and pleasing. We made new friends for the book store who will surely come back again now that they have found us. The follow up sale, of just paperbacks and soft covers also fared well. Folks leaving for home need a supply to keep them entertained on their trip and to occupy their time for the summer away from Sun City. And where "back there" will they find such bargains? Those who stay here need books to occupy the long hot days when no one wants to be outside unless it is absolutely necessary – except golfers, of course.

Big Event

On April 20 the annual Volunteer Appreciation Dinner was held in Bell Center Social Hall. It started with a great Italian dinner and ended with awards given out for hours of service. The evening was arranged and presented by board member Janis Stiewing and a hard-working committee. The main award of "Volunteer of the Year" went to May Cullen and it was richly deserved (more later). A little music rounded out the evening. All library and book store volunteers were invited as well as the staff of both the Bell and Fairway libraries.

Fairway

Summer is truly here – beginning May 24 you can sign up for this year's Summer Reading Programs. They are available for children, teens, adults and families. Read for fun and track your reading online and/or submit reviews to earn prizes. Fairway Branch Library, 10600 W. Peoria Ave. 602-652-3000 or mcladaz.org.

Book Clubs

Book clubs will continue through the summer with fewer, but still enthusiastic, readers. Selections include "Consigned to Death" by Jane Cleland at the Mystery Book Club on May 2, 1:30pm at Bell. Cleland will be discussing her book in person on Friday, May 4 at 1:30pm at the same location. If you wish to attend you

may sign up at the Customer Service counter in the library or on line at mcladaz.org.

Crime and Carnage this month will discuss "Crooked Letter, Crooked Letter" by Tom Franklin (love that title) in the Bell library program room, Thursday, May 3 at 1:30pm.

This month the Fiction Club is going with a really old classic, "The Bridge of San Luis Rey" by Thornton Wilder. They meet in the program room at Bell on Thursday, May 24 at 1:30pm.

Volunteer of the Year

For those of you who could not attend the recent dinner, let me introduce you to May Cullen, our Volunteer of the Year. Since the beginning of the Books Around the Corner book store, May has been a rock that we all lean on. She helped to organize the books and has been a steady, reliable mainstay ever since. Most of you never see her, as she is a "back room" worker. She is mostly responsible for cataloging books by age and condition, then alphabetizing, pricing and shelving them. She sees to it that the store shelves are filled and in proper order. I won't say she doesn't get a little help on occasion, but the responsibility is hers. She does all this and maintains a calm and cheerful manner. Come into the store on any Monday morning (and lots of other times too) and she will be there, hiding (and working) in the back room. She was an ideal pick for Volunteer of the Year.

Reminder

Book Buddies will continue their services to homebounds throughout the summer. Don't forget to sign up with them if you have a problem getting to the library, even if it is only a temporary one. These are a great bunch of ladies and will be happy to assist you. If you know of someone who needs help just call the book store and leave a name and number. Someone will be in contact. If you would like to volunteer with this group, just call or drop in. It's a "feel good" job.

The End

Things are winding down now for the year. Snow birds are beginning to head for their other homes, travelers are going to wonderful places all over the world. We wish you all safe and happy journeys and look forward to hearing about your great adventures when you return in the fall. The book store volunteers and other "Friends" members will be here to welcome you home. In the meantime, all you "stay at homes" keep reading and this column will try to keep you up to date on what's happening in the world of books.

An Egg-ceptional Day

A pair of grandkids pose in front of the big blow-up bunny for family pictures.

The Easter Bunny (RCSC staffer Sharon Barone) hopped all over the Sun Bowl to take pictures with eager grandchildren.

With 110 pre-registered children and many more showing up the day of to collect eggs and get their faces painted, the annual Easter Egg Hunt was a cracking success!

The annual event, held on Good Friday, is a fun time to bring your grandchildren and families to celebrate the Easter holiday! Thanks to all who came to the Sun Bowl April 6, you helped make it another wonderful community event!

Sun City residents and their families swarmed the Sun Bowl April 6 for the egg hunt.
