Monthly President Verification Worksheet

As President you have a crucial responsibility to your league to verify the league funds. As listed in the USBC Playing Rules book, one of your duties is to personally verify the league's bank balance monthly.

"Verify" means the president must not only determine the amount on deposit, but also do the arithmetic necessary to determine how much should be on deposit.

This worksheet is to assist you in making this responsibility easier. We suggest you make several copies for each of your monthly verifications.

Please note some variables:

- ✓ The bowling center may only charge lineage by bowler first few weeks.
- ✓ Discrepancies may occur due to absentees and bowlers who pay bi-weekly, monthly or even for whole season but by verifying the pay envelopes this can be accounted for.

It is the President's responsibility to go to the bank for the monthly statement if not received or to go to the center for a copy of the in-center league activity.
