Annual Membership Meeting January 26, 2013

In the fall of 2012, the RCSC Board of Directors voted to modify the format of membership meetings to the more conventional annual meeting. The sentiment conveyed in comments made by the Board of Directors at the November Board meeting surmounted to "We want to have a membership meeting that is an annual event where the community gathers for the day to get informed, voice concerns, or simply to learn about the happenings, as well as to have some fun." The overall assertion from those involved in the decision process is that having one annual meeting will actually increase the amount of time the all volunteer Board has to find more creative and effective ways of interacting with the membership.

The membership meeting is only one part of the events planned. In the morning we will hear from the Board of Directors and the management team regarding highlights from the year as well as the annual budget presentation. Following that we will hear from Chet McDoniel, who was born without arms and with shortened legs. Chet knows exactly what it means to face challenges. His message, inspiring and challenging, encourages and helps others to learn to overcome their obstacles and disabilities (whether physical, emotional, financial

or otherwise). With both humor and candid talk, Chet will walk us through his own challenges and share his secret to living successfully!

We will break for Lunch and the RCSC Management team will be serving free lunch. "We are hoping to see as many members as possible during the day and serving them lunch is a great way to personally welcome, and thank, our membership" stated Jan Ek General Manager at a planning meeting for the event.

In the afternoon, we will get right back to business including the 2013 Goals and Objectives and the Annual Membership Meeting. To wrap things up with a little humor and fun, Craig Davis Comedy, Magic & Juggling Show will deliver an amazing, fun-filled and highly entertaining show packed with audience involvement. Fast-moving, energetic, and full of comedy, Craig Davis' performance will keep us on the edge of our seats!

January 26, 2013 is slated to be a day of community focus, please mark your calendars from 8am to 4pm and plan to spend the day (or at least a part of it) at the RCSC Annual Membership Meeting/Event.

Board Policy 12 Finalized

The RCSC Board of Directors has completed their process with the new Board Policy 12 for Chartered Clubs and will vote (at the time of press) on the finalized policy at their monthly Board meeting on December 20, 2012. Many, if not all, of the concerns raised in the "town hall" meeting on November 12, 2012 and through the other numerous communications received by the Board have been resolved.

By far the most publicized concern was that of the performing musical groups; i.e. Concert Band, Rhythm Ramblers, Chamber Orchestra, Sun City Pops Band, Handbell Ringers, Choraliens and Women's Chorus. The RCSC Board values these performing musical groups and appreciates the opportunity provided Sun City residents through these groups which have been primarily known as the "Special Clubs." These performing musical groups will be given the opportunity to make a choice. They can remain as RCSC Chartered Clubs which would require that they adhere to Board Policy 12, which includes a guest fee for all participating guests. Or they can become a Sun City performing arts group and request to be de-chartered as an RCSC club. These Sun City performing arts groups can continue to use the music room to rehearse once a week and in lieu of rental fees for the use of such, each Sun City performing arts group would be required to provide four musical performances annually free of charge (without request for donations) for Sun City residents and their guests.

This solves three things: One, it is an equitable solution and feasible for all involved. Two, a Sun City performing arts group would not function under Board Policy 12 for Chartered Clubs. Three, guest fees would no longer be an issue as the music room is actually being rented from RCSC weekly by the Sun City performing arts group and in lieu of financial payment for such rent, four musical performances are required for free annually.

The following are all the other concerns that were heard and resolved in the final version of BP12:

Updates

We have ended October 2012 well with-in our operating and capital budget year-to-date. The only division that has not met budget in regards to income was the golf division, which fell short by \$29,176 in gross income year-to-date. We have a positive variance of \$329,443 in repairs and maintenance expenses year-to-date that will be either be used up by year end or in 2013. Payments made by property owners in outside collections were down in October and totaled \$3,054 with payments from 14 property owners. During the month our internal collector processed payments from past due property owners totaling \$27,407 and property related transfer fees totaling \$63,669. Both of these were lower in October and impacted by staff absences.

Payments on past due balances in October were down approximately 20% from the monthly averages over the past year. This was consistent with a similar decrease last October. As a result, past due balances increased by 1.0% in the last month. September billings went past due at a 6.8% rate, which is again just under the monthly average. The rate for August balances going over 60 days past due was at 5.5%. This rate is above average with a much higher percentage of 30 day balances going to 60 days. This trend occurred last August as well and is now expected to be the norm. At the end of October, outstanding balances related to property transfers increased by 6% and represent 55% of receivables due and 53% of past due balances. The net accounts receivable increase in October is most notably impacted by these property transfer fees going past due.

Property trustee sale notices on Sun City properties continue to go up slightly to 103 at the end of October and the number of bank owned properties was relatively unchanged at 82 properties owned by lenders.

The Preservation and Improvement Fees collected in August were \$527,200, which, as usual, is over the conservative budget. Year to date PIF fees are \$2,402,075 over budget. RCSC has been seeking an opportunity to change the medical and dental benefits renewal date to January 1st each year, a date consistent with the fiscal and the deductible year, and will accomplish this on January 1, 2013.

A Moment with President Coleman:

I have enjoyed the pleasure of serving on the Board of Directors for Recreation Centers of Sun City for three years, two as President. During my term I met and conversed with beautiful people. Equal credit is given to those who were not so nice. That is ok because we are all different and those differences make this a strong community.

During the past three years I have seen individuals with many years of Board experience continue to perform at a high level of competence. Likewise, I have seen those with limited or no Board experience develop into high performers on the Board. Those with experience, Board members and staff, play a major role in helping new board members become equal participants and partners on the Board.

Unfortunately, some individ-

uals come to the Board with preconceived notions about the Board and the staff and a determination to change things to fit their vision of what the Board should be and how it should operate. Unfortunately, this attitude does nothing to improve the organization. Instead, it becomes a vehicle to divide the members and destroy the team effort.

We are generally aware that some members are elected to the Board to represent special interests. This is not what works. Members of the Board must show equal concern, and exercise like action for all programs, clubs, activities and the total operation of RCSC. In most instances, when an individual becomes a member of the Board they realize the divisiveness that would be created and they gradually become a part of the team, looking beyond

their special interests to find broader solutions.

Members of the Board spend many hours working on policy issues. A critical portion of that time is sharing knowledge, ideas, and experiences to understand the issues, and arrive at solutions that can be supported by all Board members and which are in the best interest of RCSC.

For the past two years, the Board, Management, and the Club Organization Committee have been working to improve the existing policies making them appropriate for these times, and to make them compliant with existing Corporate Documents. The most controversial of these policies is Board Policy 12. The Board found itself in a position of making some really tough decisions. Does compliance with the corporate docu-

ments cause some clubs to disband; and if it does, do you still force compliance? Do you make exceptions; if so does this open the door for other exceptions? We did not compromise the Corporate Documents, nor did we put anyone out of business. We have made it clear that this is a working document that can be changed if the process does not work.

As a member of this community, this Jewel of the desert, I urge you to consider becoming a part of this group of volunteers who have the responsibility for continuing to improve this community. There are many challenges ahead; a transportation system, avoidance of political control, care and service for those who have outlived their retirement income. Think of becoming a volunteer in the city of volunteers.

Community Historian: Shirley Hochstein

The following is an account of the history of the All Sun City Art Show was written by one of the early volunteers, Shirley Hochstein, (Sun City resident since 1975) who has served in various capacities including chairing the Sun City Art Show, for over thirty years.

We thank her for her service.

Sun City Art Show History:

"My first activity with the art show was around 1979 or 1980, after Bell Center had been built and I had joined its art club. At that time there were four art clubs Fairway, Lakeview, Sundial and Bell.

The art shows were hosted in turn by one of those clubs, and the show was held at that club's center. After a few years, when one of the clubs felt it couldn't host the show, a committee was formed with representatives from each of the clubs, and then the show was held at either Sundial or Bell. After a

few years, it was always held at Bell. Unfortunately, my poor memory can't come up with names of the other organizers. (Long-time Art Show committee members were Jack Bonesteel, Dave Forsbert, Jerry McGinness, Donna Roth and, Shirley Hochstein. In more recent years Barbara Allen, Marge Hillmann, and Helen Tomich)

The early display racks were made of chicken wire on a wooden frame. They were rather rickety and unsightly when paintings were hung on both sides of them. In 1993 Bill Shipley, the husband of a Bell Center member, volunteered to design and make our present peg-board racks if we paid for the material. Some Bell members helped with painting, etc. About five years or so ago, Sundial maintenance repaired and repainted them.

In the early years, the Clay Clubs participated and ex-

hibited their works. Sculpture was also admitted. After a few years, when the fee of \$3.00 per entry was charged; the clay clubs decided that was too much to pay for the low selling price of their items and stopped participating. By then there were many more entries of paintings, so there was no longer enough room for 3-dimensional and other more crafty works.

The original show committee changed over the years as members dropped out. As one of the ones who lasted the longest, I took over the job of coordinating the jobs various members did.

Also, over the years, Fairway lost its club room and the Fairway members joined in mostly with Lakeview, but a few joined in with Bell Art Club. In 1997 the Bell Art Room was assigned to the hand weavers, and its members joined with the Sundial Club. It was a joint decision

to rename the club the Palo Verde Artists.

The purpose of the Sun City Art Show is to improve the artist's work and display it, and to encourage more Sun Citizens to join our Art Clubs.

In 2012, The Annual Sun City Art Show held the 38th annual art show.

Project Updates

General Projects / Information

The Photo Voltaic (PV-Electricity producing) projects are in the last stages of approval (permitting process) with Maricopa County Planning and Development Department. The two Bell thermal solar projects are about 80% completed with only the pumps and associated piping to be installed prior to testing. The Oakmont thermal project is also underway with the fencing being fabricated, equipment purchased and preparations for the ground mount panels underway. Solar contractors include Wilson Electric for the photovoltaic solar and Priceless Plumbing for thermal solar.

Mt. View Center

The Mt. View pool lighting project continues in the planning stage. The contractor is preparing project plans and obtaining photometric data so he can submit for the construction permit. The project includes induction type lighting around the swimming pool and two pole lights in the mini golf area. Contractor is Accel Electric. **(Cost - \$40,000)**

Plans are underway to install induction type pole lights at the Mt View pickleball courts. Contractor is ATS Electrical. **(Cost - \$23,422)**

South Maintenance

The building drawings for the new South Golf Maintenance building are completed and submitted for permit with Maricopa County Planning and Development. The drawings will also be sent out for contractor bids prior to review and approval by the RCSC bid commis-

sion. Contractors to date include Bunger Steel, Inc and CCBG Architectural.

Lakeview Center

The Lakeview lawn bowl greens will receive replacement metal halide light fixtures on top of the existing light poles as soon as the pole mounting hardware is received. The two electrical panel swap-outs and new electrical cabling work is now completed. The new light fixtures will supply additional light while keeping energy costs down. Contractor is Wilson Electric. **(Cost - \$55,880)**

Bell Center

Architectural drawings for the Bell Wood and Metal shop expansion project are completed. Issuance of the building permit for this project is expected soon. The building plans have been sent out to (5) construction companies for competitive bids. After all bids are received, the project will be forwarded to the RCSC bid commission for final approval.

The RCSC recently experienced some crumbling conditions on the West parking lot at Bell Center. It was determined that the problem occurred from a brief rain storm which occurred during the installation of the rubberized overlay material in 2010. The contractor was contacted about the problem and on November 16th & 17th the problem area of the parking lot was seal coated and re-stripped at no charge to RCSC. Contractor was Regional Paving.

Exterior surface preparations, of all buildings at Bell Center, commenced November 20, 2012. Once the preparation and

cleaning work is completed all exterior building surfaces will be re-painted at Bell Center. Contractor is Quality Painting. **(Cost - \$86,971)**

Sundial Center / Riverview Pro

The two replacement signs for the Riverview golf course are nearing installation. One will be placed on the pro shop building and the other by the #10 tee box. Contractor is Apollo Signs. **(Cost - \$13,898)**

The mall (breezeway) roof at Sundial is being repaired and recoated. Contractor is Starkweather Roofing Company. **(Cost - \$37,507)**

Marinette Center

Plans are underway to install induction type pole lights on the four southernmost pickleball courts. Contractor is ATS Electrical. **(Cost - \$23,422)**

WiFi Availability

After a successful pilot program at several snack shop and center locations, RCSC made the decision to install WiFi Internet access at its remaining locations. Installation was completed in December 2012; making it available at all snack shops, centers, and bowling locations throughout RCSC.

As with the previously installed WiFi locations, RCSC has deployed security precautions similar to other public Internet WiFi services. An access password is needed to connect to the RCSC WiFi service; this will prevent casual drive by access in surrounding areas. The access password is available at each pro shop, snack shop and center location.

RCSC is not implementing encryption on the wireless signal itself, as is common with public Internet WiFi services. Users are required to click through a Terms and Conditions page containing information about the service and are required to acknowledge the risks associated with public access to the Internet.

We appreciate cardholders' patience while the necessary infrastructure was installed at each RCSC location in order to provide these additional services to cardholders and guests.

Sun City Art Show ... continued from page 3

Updates ... continued from page 2

We sought bids from other providers and negotiated a benefits package that decreases the current medical plan rates and offers additional plan options for employees to choose from.

We offered the package to employees at Open Enrollment meetings on November 27th and 28th. Our Broker and Plan Providers were available to provide detailed information regarding the new benefit plans and to offer employees and their families the opportunity to enroll.

Currently RCSC has 284 employees on staff which includes several seasonal positions assisting the golf shops, snack shops and centers during the busy season. Since the October Board meeting, we have hired four regular employees to fill vacant positions. **Sun City residents make up 73% of RCSC's staff.**

Pro Shops

Total revenue for October increased by 2% compared to previous year. All categories exceeded previous year, with the exception of merchandise sales. Total daily green fee/cart fee revenue increased by \$5,564, driving range revenue increased by \$608 and merchandise sales decreased by \$2,108.

Year-to-date daily green fee/cart fee revenues have increased \$80,012 from 2011, despite a \$39,566 decrease in outside play. The bulk of this increase has come from the daily play of cardholders not holding one of the RCSC annual passes. Daily surcharge, guest play and cart rental revenue are also up considerably from 2011.

We have 78 players signed up to play in the inaugural "Beat the Pro's" event. As a reminder this event supports the Sun City Prides. Our fund raising goal through the entry fee, raffle prizes and other contests is \$2000. Every non-professional will have a chance to win a Pebble Beach vacation for a hole-in-one on hole #11. Hole-in-one prizes will also be available on other par 3's. Lunch will be served at the Fairway Center following play.

Beginning December 1st and continuing through January 31st the first tee time will be 8:00 a.m.. This change does not apply to Wednesday Men's Day or Ladies Team Play days, the time for these exceptions will remain 7:30 a.m. This change was made last year to reduce the number of tee times lost to frost delays and to open more times for those wishing to play mid day.

Golf Courses

Overseeding has been completed on all courses and cart path only restrictions have been lifted on all golf courses. Mowing heights have been gradually lowered throughout this process and are now mowed to normal playing heights. Green speed may noticeably slower until the winter grass has reached maturity.

As was decided last year, the beginning date for overseeding was later than previous years. This change was made to offset the extended summer temperatures we experienced in previous years. We have had great cooperation from the weather this year, resulting in very good overseeding conditions.

The cooler temperatures also change our fertilizer program, utilizing liquid fertilizers instead of granular fertilizers. Golfers can expect to see NGM staff members spraying on a regular basis.

Snack Shops

Snack shop revenue for October exceeded prior year by \$545 and exceeded budget by \$1,447. We continue to thank everyone for the ongoing support for the snack shops. Snack shops have begun their winter hours and are now open until 5:00 p.m., closing times may vary based on weather and observed holidays.

Teal Ribbon Golf Tournament

Sponsored by Texas Roadhouse

January 31, 2013 at 9:30 am
at Lakes West and Lakes East

Lunch will be catered by Texas Roadhouse at Sundial Rec Center. Many silent auction items will be available including a week at an ocean front Maui, Hawaii condo. Inspiring survivor, golfer, and author will speak of her journey with ovarian cancer. Registration forms available at all RCSC Golf Shops. Entry Fee of \$30, includes lunch and program. Net proceeds are donated to the University of Arizona Cancer Center, directed to ovarian cancer research.

Beat the Pros was a great success. Golf raised \$2,400 for this years charity event benefactor The Sun City PRIDES. Bowling Updates

Bowling scores have been lower the past few months; mainly due to changes in weather. Humidity and temperatures can have an enormous effect on lane conditions. Recently, RCSC's bowling management team contacted the Kegel Corporation who manufactures our lane conditioner. Kegel Corporation offered some suggestions and scores have increased since implementing them.

On January 5th and 6th of 2013, Lakeview Lanes and Bell Lanes will host the Metro Phoenix USBC Senior Open Tournament. The tournament is open to all USBC Certified Seniors 50 years of age and older.

Bowling Lessons

Bowling can be a really fun way to exercise, challenge your strength, and improve your balance. Plus, it's a great way to share fun and exciting games with the new friends you'll meet while being a part of the team.

If you are a beginner, you'll have the advantage of getting "pins" added automatically to you score, making your total score (or pins) competitive with the other more skilled bowlers on your team. Age is not a handicap and bowling may even improve your overall fitness, balance, and add fun to your Mondays.

Lessons start on Monday, February 25, 2013. The instructions begin at 9:00 am and run until 11:00 am, each and every Monday through March 25, 2013. RCSC cardholders pay only \$23.00 for all 5 lessons in the lesson series. Rental shoes are available at no charge dur-

ing lessons, and bowling balls (8 to 16 pounds) are available for use at no cost at the bowling centers. Each student will receive a punch card which provides 2 free bowling games each week for the 5 weeks of lessons; an added savings of \$22.50. We do suggest that you purchase your own bowling shoes, which generally costs less than \$50.00, for an additional savings of \$2.00 each time you bowl. Remember, it is the action of the bowling ball on the lanes and not the weight that makes the difference on your score. Speaking of scoring, no math is required; all scores are calculated automatically by the Brunswick software.

Sign up now and join the many other Sun City bowlers for a fun, exciting, and rewarding experience. Call Lakeview Lanes at 623-876-3055 to sign up for lessons or to join a league.

Section 2 – Club Membership: Although neither Member nor Privilege cards will have the expiration dates on them, in the very near future there will be a way for clubs to check if a cardholder is in good standing via a web page. Coming shortly, clubs may obtain user information to access a web page, which will only be available through RCSC's WiFi for security reasons (now available at all RCSC facilities), whereby the RCSC Cardholder's number can be validated.

Section 4 – Executive Board: No limit to size of Executive Board or number of club members-at-large.

Section 6 – Club Officers: Term of office is not specified by specific dates; only that the general term of office is one year. Election of club officers no longer required by club membership; election of Executive Board required by club membership; club officers can be elected as defined in club's rules and regulations.

Section 7 – Club Guest Attendance: Club guests (non-RCSC Cardholders) are not defined as those who wish to tour club facilities, accompany a club member but not participate, provide care or assistance for a handicapped club member or provide instruction to club members.

Section 9 – Club Monitors: When RCSC facilities are assigned to a club, it is the responsibility of the club to monitor the use of those facilities and follow all rules and regulations regarding such.

Section 10 – Club Membership Meetings: Quorum has been clarified: A quorum for chartered clubs with membership up to 100 members shall be 20%, of 101-400 members shall be 21 or 10%, whichever is greater and above 400 members shall be 41 or 5%, whichever is greater.

Section 11 – Open Club Events: An open club event is any event to be attended by the general public and not just RCSC cardholders and their guests. Remember that guest fees are not applicable at open club events.

Club rental and setup fees shall be equal to Cardholder rental and set up fees, except that the rental fees shall be for each day of the event rather than for a 4 hour period. Current rental and set up fees are available by clicking here or visiting http://sunaz.com/rental/cardholder_facilities_rental_fees.pdf or at the club office.

PLEASE NOTE: Clubs pay no rental or setup fees for a club event that is not open to the public.

Clubs may ask RCSC to sanction an open club event, such as; Special Olympics or Senior Olympics. Clubs who have received approval for an RCSC sanctioned event will pay no rental or setup fees.

Section 15 – Club Visitors & Guests: Guest fees are required for each club guest unless the club has a reciprocity agreement (new 2013 agreements will be required) or there is an agreement with the RCSC Board of Directors for the club to retain the guest fee in order for the club to survive financially. Full financial disclosure of the club will be required for such an agreement to be considered.

Section 27 – Club Contributions & Sales: Contributions made by clubs to outside organizations have been defined as monetary.

Section 30 – Special Clubs: This section has been removed completely as there will no longer be any special clubs. The performing arts clubs will have the opportunity to become a Sun City performing group or remain a club.

Effective Date: This Board Policy 12, which will replace the former Board Policy 12 & 12A, will be voted on at the December 20, 2012 and although it will officially become effective that day, it is expected that clubs will adhere to the new policy as of January 1, 2013. Clubs can continue to operate as per majority rule until such time they are able to revise their rules and regulations, which should be completed by no later than December 31, 2013.

We hope you will see how we have strived to find a suitable solution for all concerns, while providing an equitable and fair policy for all concerned. We invite you to continue to communicate with us so that we may provide further resolutions to any issues that may arise. We believe that we have successfully reached our goals of reducing the length of the policy, simplifying the process for clubs, making the policy more user friendly, allowing clubs to make their own decision wherever possible, making the policy practical for all clubs regardless of size and clarifying club guest policy. Thank you for your input and assistance in this process.

Friends of the Library

Friends of the Sun City Libraries are very busy supporting the libraries and the community. Our friendly, wonderful volunteers staff the bookstore, assist with shelving in the library, repair books, serve as directors and deliver books to the homebound.

Oh the weather outside is frightful, but the bookstore is so delightful... I can't necessarily predict the weather, so the first part may not be true, but the second part of the lyric is absolutely true. The Friends bookstore is located in the Bell library down the hallway next to the puzzles. It is a wonderful treasure that you should definitely check out. At the end of the year, our inventory expands and the variety of books is incredible. All books, except collectibles, range in price from \$6.00 for the newer books to twenty-five cents for paper backs. Puzzles, DVD's, Cd's and VHS tapes are also available. You've really got to see it to believe it. Drop by - you will be glad you did!!

Do you know any voracious readers who just can't drive any longer? The Book Buddies are just what is needed to solve the problem. They deliver books and DVD's to homebound library patrons at no charge every few weeks. Please let your friends know about this program.

Our Book Buddies deliver books, friendly conversation and always a smile.

We still need a few directors to serve on our library board. This is an important job and is very crucial to the continued operation of the Friends. Consider serving in this capacity. Sun City libraries are very fortunate to have this support.

Have you checked out our new "Gathering Room" at the Bell branch. Its purpose is for small groups up to 6-8 people to gather for friendly conversation and relaxation in a lovely, comfortable atmosphere. The room is located right behind the DVD wall. Remember the old saying - "Come on in, sit a spell, take your shoes off." Better leave the shoes on, but come in and relax and enjoy the beautifully furnished room.

As we look forward to the new year, we would like to thank our many volunteer Friends for their talents, dedication and service. As a result of their efforts, our libraries benefit from excellent programming, materials and resources. For information about these opportunities to serve our community, please call 602-651-2014 and leave a message for Mary Anne McDonald, our president who also runs that great bookstore.

RCSC Redesigning Card Layouts

RCSC has changed the card layout of its cards for members and privilege cardholders. The layout no longer has the expiration date printed on the card. Prior to this change, cardholders were required to come into the Cardholder Services Office to receive an annual sticker, or one was mailed at a growing expense.

This change was made possible by system changes earlier this year. Cardholder Services Office, Golf Course Pro Shops and Facilities Attendants at RCSC Centers are now all using the same system. RCSC has created a more efficient process that rids the necessity for nightly updates of cardholder information between three different systems. Further, this single view of cardhold-

ers opens the doors for more streamlined operations and cost savings.

For chartered clubs, there is a new process forthcoming as well. In the near future, clubs will be able to ensure their club members are cardholders in good standing.

The cards printed in the Cardholder Services Office now contain a laminate coating to extend the life of the photo and card. Also available is a card layout with three smaller key fob cards similar to loyalty cards from grocery stores. These key fobs are available to cardholders at no charge and will aid in extending the life of the larger card, and offering the convenience of an additional card that is easier to take to the fitness center or pool.

Tips for Seniors from Daily Fitness...

Commit to Exercise in 2013

Dennis Civiello concentrates on form, as he executes a Plie’ Squat at the Bell Fitness Center. Dennis has put exercise at the top of his priority list for the New Year. He knows that exercise is a must, for weight management, overall physical health, and quality of life. Dennis has set several goals: lose weight, trim the waistline, improve muscle strength and increase overall mobility. He meets on a regular basis with fitness professional, Dick Fortier, who guides him through each workout. Exercising with a personal trainer helps Dennis achieve his goals faster and safer than working alone. Dennis has learned that a good exercise program involves more than just Cardiovascular Conditioning, such as walking, jogging, swimming, bicycling, and the elliptical machine. Strength Training is critical to endurance, weight management, joint health, bone density, and the ability to meet the demands of daily life. Flexibility is essential for full range of motion and stability. Dennis’s exercise program includes all three of these important elements. Getting started and staying motivated were probably Dennis’s biggest obstacles. That’s where his personal trainer helped out. Dick custom designed an exercise program that meets Dennis’s needs and goals; a program that’s efficient, yet effective, and prevents injuries. Working with a trainer has given Dennis the confidence and knowledge necessary to reach his health and fitness objectives. Get 2013 off to a good start by making a commitment to exercise. Learn more about personal training services at the Sun City Fitness Centers by calling Daily Fitness at 623-256-7901 or visiting their website DailyFitnessLLC.com

Oakmont Lapidary & Silvercraft

Oakmont Lapidary and Silvercraft Club was Sun City's very first club. Club members raised the money and built the building that is now the lapidary and silvercraft club home. OL&SC is a meeting place where members can come and enjoy each other's company, share ideas, solve problems and have a great time. We are also the first club to have two father-daughter members. The club sales room has been updated to include a "Feature of the Week" where items are selected to showcase in the salesroom windows. Come explore our sales room, membership not required. The club is open November 1st through

April 30th Monday through Friday 8am to 3pm and New Saturday hours from 8am to 12pm noon. Members design and craft custom jewelry using stones and beads, sterling silver, German silver, copper, brass and other metals to create whatever is in their imagination and price them for sale. Classes are offered in Silvercraft, Lapidary, Faceting, Glass Fusion, Scrimshaw, Wire wrapping, and Beading. All training courses offered by the club for various crafts include a start-up kit, a minimum of 3 classroom instruction and a certificate upon completion. Club membership is open to all RCSC cardholders.

Canasta

Friday's at Oakmont Canasta Club is THE place to be! Men and women have fun playing that ole' time card game of Canasta, visiting, and celebrating birthdays on the first Friday of each month with cake and coffee. In late spring we have a pizza party and in December we have our annual "Christmas Dinner" at

one of the Sun City Country Clubs with scrumptious food and door prizes. All this for an annual membership fee of \$5.00 and \$1.00 for each week of play. Social hour is at 9:30am, with Canasta starting at 10:30am. For a fun Friday, call 623-972-0107 to sign up and reserve a seat!

Artistic Stained Glass

The artistic stained glass club is open for your visit every day of the week except Saturday. The club is also open Monday, Wednesday and Thursday evenings. Classes for beginners are started on a regular basis. For those who wish to return to stained glass, the club offers a refresher course. Come in and look around, meet some people and receive the information needed to join. Once you have finished the beginning class, veterans are here to help you with advanced classes in sandblasting, kiln techniques for fusing glass, making a 'came' project as well as completing stepping stones to beautify the

yard. Carol Davis is pictured working on her project. Also pictured are items for sale such as: lamps; night lights; sun catchers and framed projects. For more information call (623-974-4765).

Sun City Line Dance Club

Line dancing has become a very popular form of exercise. Dancing to the music and following the calls of the various dances is both good, physical exercise and great social fun. Come join the largest line dance club in the country whose caller is Joe Varrelli, "The Best in the West." Dance steps, such as waltz, two-step, rumba and cha-cha, learned in line dancing enhance ballroom dancing. The dance steps are extremely easy to learn. Mr. Varrelli describes the steps then demonstrates them. As you listen to the calls, you can immediately participate in the dance. Help is available for new members. A partner is not needed; however, couples can surely enjoy the dance routines. The Sun City Line Dance Club is active all year except the month of August. We dance in the auditorium at Sundial on Tuesdays and Thursdays; except the last Thursday

of the month when the dances are held at the Mountain View. Beginning and intermediate dances are held from 10 am until Noon; intermediate and advanced dances are held from Noon until 1 pm. Annual Membership is \$5 additional costs apply for each dance session; members pay \$2 and guests pay \$3. For more information please contact the club President, Walter, at (623) 972-5127.

We moved to Sun City from Oregon. We spent ten years as snowbirds going from Oregon to Southern California, to a mobile home park. We spent six months of our lives there for about ten-years. We finally decided

that was not something we wanted to continue to do. Sun City had never even crossed our radar. After selling our place in southern California we began researching where we wanted to buy a second home. We wanted to be geographically between where our children live, in the Sun Belt, and close to medical facilities; Phoenix was the ideal spot, but we were not too excited about that; we had never heard anything good about Phoenix. We did other research and visited many locations in Texas, Tucson, and Yuma, but none of it seem right for us. We had some experience with Surprise and with the state of the economy people were getting really good deals on homes there. So we decided to see if we could find something we could afford for a second home.

Our realtor showed us many properties and we began making offers to no avail. We thought we wanted a single family home on a small lot in a diverse community; what we bought was an apartment in a fifty-five plus community. The bottom line was the price point; we just couldn't beat the value. We knew we could afford it and still maintain our residence in Oregon. We had narrowed down our options to Sun City, but the funny thing is we didn't really even get Sun City at the time. None of the realtors even showed us what we were looking at in the community. We did not have a Sun City map;

no one directed us to the visitor's center, we didn't even go to any of the recreation centers. The things that appealed to us were the clean streets and that there were lots of good sidewalks, because we enjoy walking. Everything looked in good repair we just fell in love with the quaintness of the community.

Our first reaction to the idea of living in an apartment was that we were past the stage in our lives where apartment living seems like good idea, but the courtyards were just so beautiful and gave us such a feeling of security. We were a bit apprehensive about paying the fees until we realized what they included. Then we were like oh yea we will pay that. The annual fees we pay in Sun City are less than we paid per year for just our water and sewer in Organ. We love our RCSC cards, these little cards are just the greatest. We use the recreation centers often; Kathy joined the Lakeview Ceramics Club and the Ukulele Club, and Gary has joined the Bocce Club. One great piece of advice they have received as new residents is that there is so much to do here in Sun City that one can easily become overwhelmed and burn out; so pace yourself. Try things out, and take at least a year of taking it all in before jumping into too many commitments. Gary has never been a golfer, but with eight golf courses within the seven miles he did purchase a used set of clubs at a garage sale.

Kathy and Gary Jobes bought their three-bedroom two-bath fifteen-hundred square foot Garden Apartment in February of 2012. After spending two months cleaning, painting, and replacing the floor tile, they loved it so much they decided to make it their only home, and sold their Oregon house. They became full time Sun City residents in August of 2012. They both love Sun City and now are inviting friends to visit that are making similar choices. Already two of their close friends have brought homes in Sun City and are working toward making it their full time home as well. Their only regret is they did not find it sooner "We fully believe Sun City is the world's best kept secret, and look forward to meeting many more of the people who make it such a great community."

What's Your Story?

As you may have noticed, SunViews has been undergoing some changes. One focus has been to highlight the great sense of community here in Sun City. Beginning this year, we want to tell your story the residents of Sun City - why you moved here, why you stay, and why many of you dedicate yourselves to ensuring Sun City continues to be a highly desired retreat for active adults. Each month we include two or three stories - one from a new resident, one from a vested resident and/or one from a community leader. If you would like to share your story here there are a couple of ways to contribute: (1) Call (623) 561-4616 to set up a time to be interviewed and have a photo taken/submit your own photo. (2) Send an email sunviews@sunaz.com with "My Story" as the subject line. Please include your contact information and the best time to reach you.

Allen Edwards
at Sundial on
December 5, 2012

We chose Sun City because of its West Valley location, convenience to other attractions in the valley, and being close our family members. Another huge factor was the affordability index of the community. Nowhere else can a person live in an adult community, where the yearly assessments are this reasonable, and have so many amenities offered. There really is no place else where there is this much value in a residential environment. Most of the people that I meet have such interesting histories and great ideas for the benefit of the community, the committees or the clubs.

I believe one trait of a good leader is to be a great listener. It has always been my goal to be in tune with the needs and desires of those that I am representing. Empathy is more than a word, it is a feeling that is reflected in ones attitude in how to treat and respect others, relying on one's wisdom and words for clarity. I am always happy to meet with others of the community, and to truly hear what their story is. The task of representing the cardholders of Sun City is not always an easy one, as there are so many facets to consider when making decisions. Although there may be small factions that feel that their wants are the most important, it is the duty of the board to represent the needs of all of the members. I love being on the committees that I serve on. They are the Entertainment committee, Bowling committee, and the Marketing committee.

...Carole Martinez, Sun City Resident

The Entertainment committee has made such strides in presenting quality, professional talent at the Sunbowl and Sundial summer concerts. We have had numerous concerts for those that appreciate dancing, the old standards, as well as some newer offerings for the newer generations of our area. The entertainment committee is, well, the most entertaining.

I believe that Sun City is truly the "best kept secret" out there. I also believe that we must adapt in order to remain the best community out there for the 55+ generations. We celebrated 50 years of history in this community two years ago, now we are on to our next 50. In order for the community to flourish, the next generation of residents needs to feel as if they are welcome just as much as those that preceded us welcomed us. We are in need of volunteers to continue our cherished way of life. If the newcomers don't feel welcomed, we lose them and a piece of our lifestyle as well. Not only do I believe in the future of Sun City, I trust that everyone on the Board, RCSC staff, as well as all of the hardworking volunteers that make Sun City such a spectacular place to live will continue to be its heart and soul. Not only for today, but for a long time to come.

Beat The Pro's
Charity Golf Tournament
December 7, 2012

I was born in Winona Minnesota at the tender age of nothing. I left there as soon as I turned 17, enlisted in the Air Force serving four years. I was stationed in Texas, Illinois, Hawaii and California. I married twice and have two grandkids. I have been single for the last 35 years. I had a career in the trans-portion industry & took early retirement at the age of 57.

In 1987 I saw an ad in a golf magazine advertising Sun City West. For \$140.00 a week, they supplied a cabana on a golf course and gave me four rounds of golf and some meals, hoping I would buy a house. I didn't buy, but I did fall in love with the area and looked forward to retiring in Arizona. One day, while playing golf in Sacramento, the course put a single in with us; he had just moved from Sun City West. He told me that if I liked golf, I should go to Sun City and if he ever moved back he would take his own advice because Sun City has more golf courses and unlike in SCW, winter tee times are easier to get. A couple of years later I drove through Sun City, and found myself agreeing with him.

On Easter Sunday of 1999 I rented a truck and moved here. I like to stay active and served as president of the Sun City Newcomer Hospitality Club for two years. I also served on the South Golf Course Greens committee for 6 or 7 years; on the Golf Advisory Board for 6 years. I have been Vice-President and President of the Sun City Men's Golf Association. I am now, along with Herb Swanson, putting on the golf tournaments for the S.C.M.G.A..

... Tom Laak, Sun City Resident

I love Sun City and most of the people here. I have no patience for the ones who complain about the price of Golf here. I went to a city course in Sacramento and asked the starter "How much for a round of golf?" She told me "\$48" I asked "how much with a riding cart?" She told me "\$48" I asked "how much without a cart?" Guess what? "\$48" She then told me it was \$48 to play the course and she didn't care if I walked, rode, crawled or swam, it was \$48 to play the course. So if I played everyday for a month it would cost me \$1,488. In Sun City, for a year of unlimited golf on any of the 8 Golf Courses the cost is \$1,475. So I think we have the most reasonably priced golf in the world. I also like the medical facilities in the area. I had the wheels come off of my health in the last sixteen months and have had seven serious operations. If it wasn't for the doctors and medical knowledge that I received here, I would have lost my leg among other things. I am very happy to still have the other things. Happy New Year Everyone

RCSC BOD Election

... continued from page 1

"One of my Board goals, an interest of mine for several decades, is green technology/solar power. Fossil fuels being finite resources may not be relevant for many years; however planning for greener solutions is a smart move for the future; the sun gives off approximately three (3) trillion watts of electrical energy every day. The current RCSC Board has taken positive steps in the utilization of solar power, but I believe more can be done. RCSC is one of the largest consumers of electrical energy and rate increases will be a continuing concern. It makes sense to get in on the ground floor building the necessary infrastructure and take advantage of the improvements as they are made available." – **Dave Wieland received 297 votes electing him to a 3-year term**

"For the past year as an appointee I have been proud to be a part of our RCSC Board of Directors. During my coming tenure as an elected Director I look forward to continuing our work to further improve our community and keep it affordable for our residents. Since its inception in 1960, Sun City has been a great place in which its residents can live and enjoy the ever-increasing amenities their annual fees support. It is perhaps an under-statement to say we have the best facilities and environment of any senior community in our country -- at the most reasonable cost. The long-range plan our Board adopted after hard work by members of that committee offers an exciting prospect for the future. The enhanced budget our Board provided for the RCSC Marketing and Communication Committees assures we can look forward to dynamic events for Sun Citizens. I look forward to being involved in these projects." – **Jim Brasher received 307 votes electing him to a 3-year term**

"As a resident of Arizona for the past 30 years, I have seen a great deal of growth in Phoenix and the surrounding Cities. I use to do odd jobs here for the member's before I retired. I have been a member of Sun City for the past 8 years, and have seen growth here as well. In the next three years, I will work with my fellow Board members, to improve Sun City. I am excited about seeing and working on long range plans for our facilities. A few more golf courses have to be updated, as well as the recreation centers. I plan to visit a lot of our member clubs, and meet the many talented people that live here in Sun City. I would also like to get involved in the Posse and SCHOA. I feel that I am joining a great team of board members, and I hope I can be as successful as they have been." – **Ron Jesse received 314 votes electing him to a 3-year term**

Sun City Concert Band

The Sun City Concert Band was organized in 1979 by Clancy Wolf, who also was director of his own Polka Band. When he formed the Concert Band, there were twenty members of the Polka Band who became the nucleus of the new organization. Clancy Wolf directed the original group for a few months, followed by five different directors, most prominent of which was Jack Lowman and Lua Syckes. In September 1988, Jack Lowman determined that he would like to be more active as a playing musician than as Conductor. Jack introduced Walter Moeck, who had recently moved to the Sun City area, and soon after Walter Moeck became Conductor of the Sun City Concert Band. Following the tenure of Mr. Moeck, Charles Musgrave, music educator and professional

musician with experience in Illinois, St. Louis and Indiana, took over the baton in 1998 as conductor of the Sun City Concert Band. Then in 2004, George Zoske, Music Educator and professional musician with experience in Wisconsin and Florida, took the baton and is the current conductor of the Sun City Concert Band. To contact the Sun City Concert Band for more information, join the band or contribute to the band, please contact our Club President Ed White edpawh2@cox.net or (623) 972-4767 or suncityconcertband.com
