Del Webb Days

The first days for Del Webb were much like the first Del Webb Days. Back in 1960, Del Webb's vision for a different type of retirement community was about to become a reality. And while many scoffed at his idea, the Del Webb Development Company (DEVCO) had five model homes, a recreation center, 9-hole golf course and a shopping center ready for the January 1st opening. As they anxiously awaited opening day, they wondered "would anyone show up?" Over 100,000 people toured Sun City that weekend and DEVCO sold 237 houses. And as they say, the rest is history.

Fast forward to 2013, and as preparations were finalized for the first Del Webb Days, many expressed similar concerns. If there was an all-day event offering free top-notch entertainment, gourmet food trucks and the opportunity to meet and mingle with like-minded individuals – "would anybody show up?"

On Saturday, March 2nd at Sundial, not only did Sun Citians and their guests show up, they arrived with enthusiasm and pride in celebrating the first Del Webb Days. And once again, as they say, history has repeated itself.

Though lines quickly formed and wait times increased, everyone rejoiced in the beautiful afternoon sunshine that has lured many to call our community home. Gourmet food vendors set up shop and immediately began selling their wares. Burgers Amore offered a variety of sandwiches including customized burgers, chicken and sausages together with fries – or sweet potato fries. The aroma filled the open-air plaza luring more and more folks to endure the wait. On the adjacent side, vendor DGP Gourmet Fry Bread churned out platefuls of piping hot deliciousness served up by Chef J. Gabriel Pompa himself. For a sweet and refreshing desert treat, LuLu's Italian Ice dished out heavenly scoops of coolness made from fresh seasonal fruits such as strawberry, lemon and passion fruit blended with 100% juices. Everyone remembers the pure joy of creamsicles. Yum!

Seating in the Sundial Auditorium quickly filled with many enjoying their lunches and liquid refreshments when promptly at 2 o'clock, the lights dimmed and the first of three live entertainment acts took to the stage. The talented Guy Pennacchio and his band's tribute to Frank Sinatra had the audience snapping, tapping and dancing. Guy has previously performed at the Sun Bowl, and his following was evident by those in the crowd singing along to each and every song.

During the short intermission, some of the audience headed home – but then more people came – just as they did that memorable New Year's Weekend back in 1960.

Next up on the program came hall of fame speaker LaDonna Gatlin, who shared with the audience her humble church beginnings and love of gospel music. She reminisced about the big career that could have been singing with her siblings, The Gatlin Brothers. But as she has been quoted as saying, "My brothers went on to produce hit records...I went on to produce two kids! My brothers

got famous...I got stretch marks! But very simply put...I had a different song to sing!" LaDonna connected with those attending by being one of us – she too lives in a Del Webb community in Texas and understands the joys of active senior retirement.

As the sun began setting, turning the sky from awesome shades of orange and blue and finally to dark, the ever-popular Real Tones took to the stage, performing to a packed house eager to rock Sun City with the great hits from the 50s and 60s. Space on the dance floor was shared with old and young alike (including groups of line dancers and those doing the stroll) as the Real Tones played the great music of yesteryear including many requests from the audience.

For many, this was the end of another gorgeous day in Sun City! Some even said this was the best event they'd ever attended. And just like folks have been doing since 1960, people will continue to move here for the way of life. But the best news of all if you missed out on all of the fun, next year's celebration of our residents should be even bigger and better. You won't want to miss it!

Financial Report:

While we have started out 2013 well within our operating budget, total revenue for the corporation was \$20,161 less than budget and \$28,979 less than last year. Golf revenue, and likewise, food and beverage revenue took a significant hit in January 2013, primarily due to our cold temps. Nonetheless, expense reduction in general operating expenses, wages, taxes and benefits resulted in an overall positive variance from budget for January 2013.

Bowling Centers:

The bowling division has begun a more aggressive approach to recruiting and retaining bowlers; Di Tormanen, League Coordinator, and Randy Johnson, Director of Bowling Operations, have been visiting leagues and handing out surveys to evaluate what the leagues strengths and weaknesses are. The survey also asks each bowler if they are returning next season.

Beginning in late March 2013, the bowling division will begin the process of replacing the lower automatic scoring monitors (which are currently 13”) with 15” flat panel monitors. The current monitors are fourteen years old and have become cost prohibitive to maintain due to replacement availability and repair costs.

Cardholder Services:

Payments made by property owners in outside collections totaled \$2,840 in January with payments from 13 property owners. This reduction in payments is related to the transition to a new outside collections firm.

The payments on past due assessments in January bounced back from the previous 3 month lows and were 10% above the monthly average for the past year. December billings went past due at a 7.5% rate and the rate for November balances going over 60 days past due was down at 4.4%. As a result of the greater payment rates in January, past due balances decreased for the first time in 3 months.

At the end of January, outstanding balances related to property transfers increased just over 6% and represent 54% of receivables due and 52% of past due balances. This increase related to property transfers offset the increased payments and resulted in a net increase in receivables of 2.4% this month.

A Moment with President Brasher

Many years ago when I was youngster living in the "country" in rural Alabama my brother and I generally walked to school along a rural road. We were taught to always walk on the side of the road facing traffic, and avoid wearing dark clothes.

The feeling was we could thus have fair warning and avoid approaching danger.

Even now in the generally wide streets of Sun City such practices help us stay safe and by being able to see oncoming traffic we can as a matter of courtesy to drivers move farther to the side of the street of sidewalk.

How about the residents who enjoy the great opportunities to walk on our golf courses outside the hours of play? The key here is to know only golfers are allowed on the courses during play. Golfers should not have to be concerned with non-golfers during their games, and a flying golf ball can do serious or even deadly harm to a person if they are hit by an errant shot. Golf cars should also only be driven on courses when the

driver is playing (not just going to the clubhouse), or after hours.

Safety and courtesy should be practiced together also when riding a bicycle in Sun City. Bicycle riding on sidewalks is illegal under Arizona state law and is potentially dangerous to pedestrians as well as vehicle drivers. Of particular concern is the cyclist who charges off the sidewalk into an intersection with or without a Stop Sign.

Such action can result in a collision with a moving vehicle whose driver was not prepared for the illegal cyclist. Such accidents can ruin the day for both the cyclist and the driver of the 4-wheel vehicle. Our state law requires bicycle riders to obey the same laws as do the drivers of all motorized vehicles, including riding in the street in the direction of traffic flow. The safest way for a bicyclist to cross an intersection with a traffic light is to walk the cycle across in the pedestrian crossing lane.

During periods of reduced visibility such as near dawn and nightfall, the use of

headlights are a necessity. So many times early in the morning we see vehicles being driven with no headlights. The driver may be able to see due to streetlights, but other drivers should not be taken by surprise by an approaching vehicle. It is no big cost to turn on our lights when driving.

The use of vehicle turn signals is as much a courtesy to others as it is a safety practice. The driver must not assume other drivers know he is slowing down to turn.

Give advance warning with the turn signal! Most of us were taught "defensive driving", and those practices usually produce safe trips.

Be safe; be courteous. And remember, there are no Stop Signs in Sun City intersections that are placed there only for Snowbirds!

Dog Park at Sun Bowl Plans Unveiled

Two meetings were held recently to discuss the development plans for a second Sun City dog park at the Sun Bowl Amphitheatre property. Those attending included neighboring property owners, interested parties, dog owners/park users and members of the RCSC Board of Directors.

Assistant General Manager Jim Wellman presented plans that addressed the area of the existing water retention area just north of the ball fields, adjacent to properties along Peoria and 108th Avenues, Deanne Circle and Clair Drive. Improvements would include additional fencing, surface refurbishing, tree planting, water lines and seating with tables.

While many of those attending currently use the Duffeeland Dog Park, all were in agreement that another dog park would be a great asset, especially one with separated areas for small and large pets, which Duffeeland does not offer. (Separate meetings were held regarding Duffeeland; see page 18 for related story.)

"With some work done to the slope," said Wellman, "we will be able to retain a buffer of approximately six feet from the neighboring properties." The finished dimensions of the park area would be 140 feet wide by 200 feet long, divided by fencing leaving about 70 feet on each side. Based upon the existing conditions, the final configuration will be nearly nine feet from the park level to the top of surrounding property block walls.

The initial cost estimates for the project are \$112,000; however the actual cost may be less and will be paid for using monies from the Preservation & Improvement (PIF) Fund.

Discussions also included how to address aggressive animals, toys and treats being brought on site, waste removal and park maintenance. Users of the current Duffeeland park assured everyone that users of both parks would be self-governing and responsible pet owners as has been the norm. Minimal RCSC staff will be necessary for maintenance other than routine trash removal keeping long-term costs to a minimum. In addition, RCSC intends to post general rules and will have comment cards available at the park for members to express additional ideas or concerns. One neighboring resident has already volunteered to help with monitoring the park and the Posse will be requested to check on any prohibited activities after hours.

The proposed hours for the dog park are 6:30 a.m. until sunset and improvements are scheduled towards the end of summer.

Farmers Market Makes Sun City Debut

Shop for some of the freshest food stuff that Arizona has to offer at Sun City's very own Farmers Market now located at the Bell Center on Thursdays from 8 a.m. until noon in the east parking lot adjacent to 99th Avenue.

Local farmers and vendors will be selling fruits and vegetables along with a wide variety of culinary treats including cage-free eggs, grass-fed meats, specialty cheeses, locally produced honey, fresh baked goods and dips such as hummus, salsas, jams and jellies.

RCSC clubs have also been invited to participate by having tables available to sell crafts and/or to publicize their clubs and recruit new members.

Memo's Bistro will be open at 7 a.m. offering coffee and cinnamon roll or muffin special for those wishing to arrive early in addition to their standard breakfast menu.

Everyone is welcome to make this part of their weekly shopping routine. Call the Clubs Office at 623-561-4660 for more information.

Project Updates

General Centers Projects / Information

Installation of the Photo Voltaic (PV-Electricity producing) systems is now underway. The carport structures have been completed at Marinette and Oakmont Centers but connection to the electrical equipment has yet to occur. In addition, carports and panel racks are going up at Lakes E/W (by Talisman hall), Fairway Recreation Center and at the Willow Brook/Creek golf maintenance facility. Commencing March 4, 2013 the Lakeview Center will begin receiving its carport structures in the West parking lot. Contractor- Wilson Electric.

The two Bell thermal solar projects and Oakmont thermal project are now completed and are currently going through the final inspection process with Maricopa County Environmental Services Division. (Health Department) Contractor-Priceless Plumbing.

Mt. View Center/Sun Bowl Ballpark

Installation of the Mt. View pool lighting system will begin as soon as the building permit obtained. The project includes induction type lighting around the pool and two pole lights in the mini golf area. Contractor-Accel Electric. (Cost – \$40,000)

Also, induction type pole lights will be installed at the Mt View pickleball courts. Contractor-ATS Electrical. (Cost – \$23,422)

A contractor has been selected for the Sun Bowl Ballfield project which will include a new irrigation system, grading and level-

ing, new infield and warning track materials, some new fencing and new Mid Iron Bermuda grass. While the ballfield is being renovated, the retention/park area south of the field will receive new irrigation system, re-leveling and new Mid Iron Bermuda grass. Work expected to begin the week of April 8, 2013. Contractor-Wadsworth Golf Construction Company. (Cost – \$159,385)

Bid requests have been sent to contractors for irrigation, lighting and grass work to be performed on the Sun Bowl amphitheatre facility. More information will be shared about this project in future B&I reports.

South Maintenance

The building drawings for the new South Golf Maintenance building are complete. To date, RCSC is responding to another set of comments from Maricopa County Planning and Development Department as we secure a building permit. Project plans and other construction information have been distributed to contractors but at this time, only one contractor has submitted a bid. As soon as three bids are received, the project will be sent to the RCSC bid commission for final approval. Contractors to date-Bunger Steel, Inc and CCBG Architectural.

Lakeview Center/Duffeland Dog Park

The mini golf restrooms at Lakeview are currently being remodeled. The project is about 90% complete. Contractors for this project-Marlin Mechanical, Interior Logic and the

RCSC Skilled Trades Team. (Estimated Cost – \$16,000)

The West men’s and women’s restrooms at Lakeview Lanes are being remodeled. The remodel will include the addition of ADA accessible toilets for the bowling lanes building. Project is about 80% complete. Contractor-Ken McIntyre Construction. (Cost – \$28,000)

The 25HP waterfall pump and motor have been removed and are currently being evaluated to see if they can be rebuilt or if must be replaced. Contractor-Phoenix Pump. (Cost – TBD)

The RCSC grounds team is currently doing tree pruning, irrigation and clean-up work at Duffeland Dog Park.

The removal of 5 dead trees at the Lakeview hillside park is currently scheduled. At the same time, planning is underway to plant new trees at that location. Contractor-Harris & Sons Tree Specialists. (Cost – \$4,200)

Bell Center

The Bell Wood & Metal shop expansion continues with footings and the slab floor completed. Installation of CMU block for the new exterior walls will commence soon. Contractor-K.L.McIntyre Construction. (Cost – \$435,561)

Exterior painting of Bell Center is progressing with about 90% completed. A few areas of peeling have been discovered and RCSC is

following up on this issue with the contractor. Contractor-Quality Painting. (Cost – \$86,971)

Commencing sometime in March or April, both lawn bowl greens at Bell Center will be completely renovated. Work will include new backboards and plinths, new drainage systems, some concrete walkway work, new Bermuda grass and a new irrigation system including a booster pump. The project has been sent out to contractors for proposals and all backboard and plinth board materials have arrived. Once the proposals are received the project will be sent to RCSC bid commission for final approval.

Sundial Center / Riverview Pro

Two replacement signs for Riverview golf course are scheduled to be installed. One sign has been installed on the pro shop and the other will be installed by the #10 tee box in March. This project has been delayed due to health problems with the contractor. Contractor is Apollo Signs. (Cost – \$13,898)

The elevator at Sundial is currently being evaluated for upgrades to the electrical control panel, hydraulic pump and fire system. Other items must be upgraded to meet new elevator codes such as a sump pump in the bottom of the shaft and dedicated mechanical equipment to maintain the control room temperature.

Two new exterior florescent light fixtures were installed on the walkway behind the West Hall. Contractor-Supearcharge Electric. (Cost – \$910)

Marinette Center / Willow Golf

Two Marinette building expansion project meetings were held at the Marinette auditorium in February. The meetings provided RCSC the opportunity to present a proposed Marinette expansion plan and at the same time obtain cardholder concerns and suggestions about the new project. Both meetings were well attended and great discussion took place.

Additional rear parking lot lighting was installed at the Pro / Snack shop at Willowcreek/Willowbrook. Contractor-Supercharged Electric. (Cost – \$3,218)

The septic system leach field at one of the course restrooms is being rebuilt. Contractor-A-American. (Cost – \$6,000)

Skilled Trades Department

The RCSC skilled Trades department completed 128 work orders during January and February 2013. Among many other non-work order tasks, the RCSC the Skilled Trades team is doing some of the Lakeview Mini Golf restroom remodel work.

Updates ... continued from page 2

January is historically a very active month for privilege card activity in the Cardholder Services Office. This January was consistent with historical trends with significant privilege card sales. Annual privilege card sales were up 14% over last January while short term privilege cards increased just 4%. Compared to last year we have seen a shift from 180 day cards in favor of the shorter 30 day cards. Counting all changes, the net privilege card revenue was up 8% from last year.

Trustee sale notices on Sun City properties remained relatively unchanged at 96 for the end of January. The number of properties owned by lending institutions decreased slightly to 79 during this month.

The Preservation and Improvement Fees collected in January were \$495,000 with the resale activity being much higher this January than in previous years.

Human Resources:

RCSC was randomly selected again this year by the U.S. Department of Labor, Bureau of Labor Statistics, to complete a survey of 2012 Occupational Injuries and Illnesses for all RCSC work locations. The voluntary response is required by law to be submitted within 30 days of receipt. The report has been completed and submitted.

In February 2005, RCSC was informed of eligibility to participate in a settlement agreement established by a former brokerage firm that provided insurance services to us as a client of employee insurance benefits. Eligible clients were entitled to

receive a portion of the Fund without having to prove fault, harm or wrongdoing. The firm had been charged with “bid rigging,” improperly steering insurance placements to insurers who paid them contingent commissions.

Those who chose not to participate in the Settlement Agreement left the door open to a class action law suit in the event one ever materialized, which it did not. RCSC chose to participate in the settlement agreement by completing and submitting necessary paperwork. Late last week we received a check that represents our pro rata portion of the Insurance Brokerage Settlement Fund in the amount of \$44,681.04. While not all clients participated in the settlement agreement, their share of funds were included in the distribution to those who chose the settlement agreement.

We are in the process of reviewing RCSC’s employee 401(k) plan to assure we are providing the best investment vehicles possible for employees. We have asked two investments firms to provide an analysis of the plan. Reviewing the plan periodically is now a requirement showing due diligence on behalf of the Corporation.

Golf Report

Pro Shops

Revenue for January was \$93,164 behind last year. Green Fee and Cart Fee revenue accounted for \$88,677 of this deficit, driving range revenue accounted for \$4,664 and merchandise revenue accounted for \$300. Total revenue was \$101,554 behind budget.

The average high temperature for January was 63.3 degrees versus an average high temperature of 67.2 degrees. The average high temperature through the first 15 days of the month was 57.9 degrees. There were 19 days in the month with a low temperature below 40 degrees. In addition to the cold weather January 2013 was the 8th wettest in recorded history.

Wilson hosted a demo day on February 4th at Riverview G.C. generating over \$2000 in sales. Wilson will return to Riverview on March 20th and will have representatives on hand to answer questions and assist with product selection. They will be on site from 9:00 a.m. to 2:00 p.m..

Cleveland Golf has also scheduled a demo day for March 4th from 9:00 a.m. to 2:00 p.m. Cleveland has proven a popular draw for demo days in the past and will have their latest products on hand for demonstration.

Free golf clinics will be offered March 2, 9, 16 & 23 at Lakes Golf Course, classes begin at 9:30 a.m. There is no need to preregister and the clinics are open to golfers of all skill levels. The clinics are a great introduction to the game of golf or great way to brush up on your game.

Our first night tournament of the year has been scheduled for March 29th at Lakes East G.C., the entry fee is \$25.00 per person, with green fees paid on the day of play. Fee includes first “night” ball, dinner and night golf accessories. Check-in is 5:30 p.m., dinner served at 6:00 p.m. and the event scheduled to start at 7:00 p.m. Entries will be limited to the first 56 players to sign up.

Golf Courses

The courses have completed the barricade operation. Barricade is a pre-emergent herbicide designed to kill unwanted growth in areas of established turf. We are primarily using barricade to control Poa Annua.

We currently have a well pump at South down to equipment malfunction. The pump has been pulled and the motor will be rewind.

In addition to the North renovation, the bunkers at Willowbrook will also be renovated this summer. Work on the Willowbrook bunkers will begin in early May and will continue throughout the summer.

Snack Shops

With reduced play on the courses, snack shop revenue for the month was \$10,213 behind budget.

Pace of Play Tips

Play at Good Pace and Keep Up

Players should play at a good pace. The tournament committee may establish pace of play guidelines that all players should follow. It is a group's responsibility to keep up with the group in front. If it loses a clear hole and it is delaying the group behind, it should invite the group behind to play through, irrespective of the number of players in that group.

Be Ready to Play

Players should be ready to play as soon as it is their turn to play. When playing on or near the putting green, they should leave their bags or carts in such a position as will enable quick movement off the green and towards the next tee. When the play of a hole has been completed, players should immediately leave the putting green.

Lost Ball

If a player believes his ball may be lost outside a water hazard or is out of bounds, to save time, he should play a provisional ball. Players searching for a ball should signal the players in the group behind them to play through as soon as it becomes apparent that the ball will not easily be found. They should not search for five minutes before doing so. Having allowed the group behind to play through, they should not continue play until that group has passed and is out of range.

We are registering participants in our April and May sessions of the “Get Golf Ready” program. Just \$99.00 includes 4 group lessons, and the 5th lesson being a round of golf. Lessons will be held at Willowcreek Golf Course. There is a variety of days and times. Sessions are limited to 8 students for each group, so be sure to sign up early. Pick the class that best fits your schedule and sign up now!

ADWR Grants RCSC Water Allocation Relief

At a meeting with the Viewpoint Lake Management Board on February 19, RCSC General Manager Jan Ek was pleased to announce that Arizona Department of Water Resource officials granted relief from state water-allotment requirements, ending more than two years of management research and analysis to address annual seepage from the RCSC-owned lake caused by liner damage which has occurred naturally due to environmental conditions over time.

The reaction from meeting attendees was overwhelmingly positive. "We are all relieved to have a solution that does not create an excessive financial burden to our community nor cause extreme disruption to Sun City and its residents," Ek stated.

By not staying within the required allotment, RCSC could have faced fines of \$150,000 or more. Throughout this process, RCSC avoided these fines by using less water on golf courses and purchasing additional water allotments, which cost up to \$90,000 per year. Due to this ruling, RCSC is no longer required to meet these mandated allotments.

In the process of reviewing every option available, a water management plan was

created including RCSC's historical data, and submitted to ADWR explaining that the seepage of Viewpoint Lake would cause RCSC to continually exceed the total maximum annual water allotment and the cost of replacing the lake's liner was cost prohibitive and disproportionate for the community.

The stipulation in granting the relief from meeting the total water allocation during ADWR's Phoenix Active Management Area (PhxAMA) Third Management Plan period is the replacement of the golf course irrigation systems at North, Willowcreek, Riverview, Willowbrook and Lakes East in the next five years. The other stipulation is that RCSC disseminate water education materials to residents by providing water education classes on an annual basis.

While PhxAMA's third management plan period will come to an end in the next couple years once the fourth management plan is completed by ADWR, RCSC will be able to apply again for administrative review and based on this recent approval, RCSC can expect to receive similar, if not identical, stipulations and approval. The fourth management plan will be for a period of ten years.

At left, RCSC General Manager Jan Ek shares a big smile and the spotlight with Jerry Klaus, Viewpoint Lake Management Board Member, after the announcement that ADWR granted relief from state water allotment requirements.

Volunteer Auditors Needed

Finance, Budget & Audit Committee

If you have a background as an auditor and would be interested in serving as a volunteer on the Finance, Budget & Audit Committee, please contact the Board Office at 623-561-4620 or email boardoffice@sunaz.com for more information. The volunteers conduct audits of the books and records of the RCSC Clubs, when requested by the club itself, by the Club's office and/or the Board of Directors. The audits are conducted at the RCSC Corporate Office and are scheduled to fit the auditors' availability. Please provide your resume and references, along with a letter stating why you would be interested in serving in this capacity, to the Board Office at 10626 W. Thunderbird Blvd., Sun City, AZ 85351, or email the information to the board office as noted above.

Friends of the Library

WHAT'S NEW? How about four new board members for "Friends"?

Camilla Kuberka has served on her Condo Board as Chairperson for 12 years, Shuffleboard president for six years, mini-golf president for five years and the Bocce Treasurer for four years. She served for 10 years on the RCSC Board of Directors Election Committee and was a volunteer at the Sun City Library for nine years and as a library assistant.

Judy Wannamaker recently retired. Originally from Minnesota, she has lived in Sun City for the past 16 years. She was a real estate agent the past 11 years. Judy has been a volunteer for the "Book Buddy" program. She belongs to the Computer Club and served as Co-Chair for her Condo Association for the past two years.

Jerry Walczak has been a resident of Phoenix since 1994 and moved to Sun City three years ago upon retirement but keeps busy as the Monitor at Quail Run Golf Course, the chairman for the annual club championship and the annual octogenarian tournament. He is the chairman and Yard Director of his HOA, a board member of Sun City Men's Green Committee and the Golf Advisory Board.

Suzanne Isenberg is a former elementary school teacher in New Jersey and New York. She was the program director and event coordinator in Tucson and Phoenix for retirement communities for the past 22 years. Suzanne has volunteered as a tutor several times per week for the El Mirage School System. She also belongs to the fiction and mystery book clubs at the library. Busy People!

WHAT'S COMING?

Bell Library - The Master Gardeners will be at Bell on April 1 to provide information on desert vegetation from 10 a.m. until noon.

Books Around The Corner - "The Friends Bookstore" is having a half-price sale on all Science Fiction Books.

Book Clubs will meet as usual. Mystery Book Club - April 3; Murder & Mayhem (who came up with this name?) Book Club - April 4; Fiction Book Club - April 25. The Socrates Café will meet on April 6.

Visiting Authors - Sharon Catlett on April 5 to discuss her book, "Farmlands, Forts and Country Life: the Story of Southwest Denver." Jan Cleere on April 10 to discuss her book, "Levis & Lace: Arizona Women who made History."

John Tenuta on April 19 to discuss "Autobiography of a Barber."

Fairway Library: Learn how to navigate, download books and use e-Readers. Instructions available April 3, 4, 5, 10, 12, 15, 17, 19 and 24. Check with the library for times and your needs.

Both Libraries will have Roxanne Butler from Prime Care Hospice checking blood pressure. She will be at Bell on April 9 from 10 to 11 a.m. and at Fairview on April 11 from 10 to 11 a.m. and again on April 29 from 2:30 to 4 p.m.

I grew up thinking that as long as your blood stayed inside your body and moved around that you were OK. Remember when we did not have seat belts? Or you and all your buddies shared a soda or a lick on a lollipop? And nobody got sick!

NEEDS? The Friends of the Library is always looking for volunteers and or donations! We're a non-profit organization which consists of many individuals volunteering their time to promote, enhance and expand the Library. In addition to promoting the Library, we have a program called "The Book Buddies." This program brings books and more to your door at no cost (if you are incapacitated). Judy Wannamaker is very passionate about this one and needs volunteers to help her expand so that she can reach more homebound patrons. These are individuals who cannot leave their homes but still want to utilize the Library. To volunteer or learn more about this program, please call the Friend's Bookstore at 602-651-2014.

Tips for Seniors from Daily Fitness...
Have a Ball Building Core

Balancing on a Fitness Ball is a great way to engage core muscles. Darlene Henderson uses a “walkout” technique to position herself for abdominal crunches. Ball training is only one of the many exercise formats Darlene learned from fitness professional, Jane Fortier. Core strength is critical to functional fitness – that is, fitness essential to both daily living and regular activities. Strong core muscles help maintain appropriate posture and reduce strain on the spine. The “core” actually consists of many different muscles that stabilize the spine and pelvis and run the entire length of the torso. The goal of core stability is to maintain a solid foundation, and transfer energy from the center of the body out to the limbs.

“Exercises performed on a fitness ball challenge core musculature”, Fortier states. “Core muscles have two different roles – one to move the body (Mobilizers) and one to resist or control movement (Stabilizers). In the core, mobilizing muscles move the body in several different directions – bending forwards, backwards, sideways and twisting. Stabilizing muscles keep the individual bones of the spine correctly aligned when the mobilizers are at work. Exercises on the fitness ball use both mobilizers and stabilizers, thus improving core strength & stability. These exercises lead to stronger trunk musculature and better functional fitness.”

Working with the fitness ball is only one of the many forms of exercise used by Daily Fitness trainers. Machines, free weights and alternative exercises are introduced to meet client needs. To learn more about working with a personal trainer at any of the Sun City fitness centers, call 623-256-7901 or visit www.DailyFitnessLLC.com.

April Day Tours

Algodones

Tuesday, April 2 (Depart 7:00 am - Return 7:00 pm)
\$65 pp

We will stop at a fast food restaurant in Gila Bend in the morning; you can get breakfast or just a coffee. (Coach will also stop in Gila Bend on the return). We should arrive at the border about 11:30 a.m. The motor coach parks on the U.S. side and you walk about 100 yards to cross the border into Mexico. In Algodones you will have 4 hours to spend bargaining, shopping or just enjoying the different culture. We have plenty of room in our coach's luggage bays to bring home your purchases. There are several nice restaurants in Algodones for lunch. Valid passport required! *All Aboard America Bus Tours.*

Rustler's Rooste - Arizona's Mountaintop Eatery

Thursday, April 4 (Depart 4:45 pm - Return 9:00 pm)
\$70 pp

Established in 1971, the legend goes that the original site, atop a butte in the foothills of the South Mountains was a hideout for cattle rustlers. Today, it is Arizona's legendary Cowboy Steakhouse. It is the home to Homey, an Arizona Longhorn steer with horns that span four feet from tip to tip. They boast of an indoor waterfall and their famous "Tin Slide." (Years ago the Rooste was a cabin, the slide was part of a clever escape plan from bounty hunters). Enjoy a Country Western dinner of garden greens & vegetables with house dressing, Arizona style ranch cowboy beans, Western vegetable medley, tender corn on the cob, fresh baked biscuits and Indian fry bread with butter and honey, coffee, tea and dessert. You won't want to miss this panoramic view of the city! *All Aboard America Tours*

Dolly Steamboat Cruise on Canyon Lake

Thursday, April 11 (Depart 9:45 am - Return 6:00 pm)
\$99 pp

On the way to Canyon Lake, we visit the Mining Camp Restaurant & Trading Post in Apache Junction where they serve "All you can eat" from heaping platters. After our meal, we will cruise the secluded inner waterway of "The Junior Grand Canyon." You'll learn history of the Apache Trail and Canyon Lake, flora and fauna of the lower Sonoran Desert along with the legend and lore of the Superstition Mountains. This is a beautiful 90 minute nature cruise you don't want to miss. Cruise departs at 2:00 pm. You may even see some big horn sheep that reside in the canyon.

Marty Stuart & His Fabulous Superlatives

Del Webb Center for the Performing Arts, Wickenburg
Saturday, April 20 (Depart 6:00 pm - Return 10:30 pm)
\$61 pp

Singer-songwriter Marty Stuart and his band return with their unique blend of rockabilly, honky-tonk, and traditional country music. *All Aboard America Tours*

Commentary:

Let's Talk BP-12 by Bill Pearson, Board Director

I've sat on my hands and bit my tongue long enough. As the one no vote on the RCSC board of directors regarding BP12, perhaps I'm the most logical person to speak out on these issues. I did not like the process we used as we arrived at BP12's final outcome, but I was and still am in agreement with the entirety of its conceptual design.

Giving clubs more freedom and flexibility just plain makes sense. Ownership has been, currently is and hopefully always will be one of the primary attractions for those living here to get involved. Accepting that responsibility for a clubs success is ultimately one of the keys members must grasp or frankly, they will die off and be gone.

The board's decision to rewrite BP 12 was not taken lightly or without considerable argument for and against any number of items. In some ways we acted out against the best wishes of the COC's. Many of them felt those tight controls were essential. The board saw it the other way...loosening the rules gave club officers more opportunity to shape their own destiny.

Now some 3 months later, we are finding most clubs love their new freedom. Others are still working their way through the impact. As in all things, there's always a learning curve. Unfortunately, for a handful of clubs, there's still lingering resentments.

Clearly the board's actions have left a bad taste in the mouths of the "special clubs." They've been treated in ways that allowed them to do as they saw fit. Right or wrong, it's the way it was. As we (the board) looked at the entirety of the problems we faced, we still had to return to the basic premise of Sun City...It was built for Sun City residents!

When we buy into the community, we all pay a price to own a property in the community. There are more than ample cases where buyers/owners don't even get to use the amenities. It's the terms and conditions they buy under and in time, most will come to be able to utilize the incredible amenity package we all share.

To the point: Why in the world would people who don't live in Sun City feel they have some God-given right to use the facilities for free? Let's be blunt, we didn't say they couldn't play in the bands; we said they would have to pay like everyone else does.

Unreasonable? Hardly. Sun City residents have always enjoyed a magnificent way of life. It comes at a price. As a board of directors, we work hard to deliver great value, reasonable costs and to preserve the values built into the community. We cannot do that by simply ignoring those who elect to live somewhere else and then say they have unrestricted access to what those who live here pay for.

While our goal was to give more freedom to clubs, there are just some things we felt we must demand of all clubs. Asking those who use our amenities and choose not to live here, to pay a small price was hardly unfair. It was about insuring we preserve an unmatched lifestyle at a remarkable price.

Did You Know...? RCSC Committees

How can I become involved and/or learn more about RCSC?

Volunteer to serve on a committee. There are thirteen standing committees that you can choose from: Bowling, Club Organization (COC), Elections, Entertainment, Finance, Budget & Audit, Golf Advisory (see Green Committee below), Government Affairs, Insurance, Lawn Bowling Advisory, Long Range Planning, Marketing, Member Communication and Properties.

In general, what do committees do?

A committee is a small group of Members, generally subordinate to the Board of Directors, which is organized to assist the Board in specific areas as assigned. Members may present specific concerns and issues to the appropriate committee for review and recommendation to the Board. There are two types of committees: standing and ad-hoc.

What is the difference between a standing committee and an ad-hoc committee?

Standing committees are committees with a continued existence, formed to do their assigned duties on an ongoing basis. An ad-hoc committee is a committee that exists for a temporary or limited amount of time to perform a specific assigned duty.

How are committees formed?

The RCSC Board of Directors is empowered by the Corporate Bylaws to create or eliminate committees as they may deem necessary to properly and effectively carry on the affairs of the Corporation. All committees report directly to the Board of Directors, excluding the Green Committees at each golf course, which are sub-committees of the Golf Advisory Committee.

Who can serve on committees?

Any RCSC Member Cardholder in good standing who has knowledge and/or experience in the committee's purpose and is not related to any other member of the committee by marriage or birth and agrees to adhere to the RCSC Articles of Incorporation, Corporate Bylaws, Board Policies, Cardholders and Guest Code of Conduct and any Rules & Regulations of the Corporation.

What are RCSC Standing Committees?

RCSC Standing Committees are a group of committees created and empowered by the RCSC Board of Directors to make recommendations to the Board of Directors related to various areas or issues of RCSC concern. Standing Committees are made up of RCSC Cardholders who volunteer their time.

What does the Bowling Committee do?

It is the purpose of the Bowling Committee to assist in the promotion of bowling, help maintain interest in Sun City in the game of bowling, encourage fellowship among the bowling community, gather input and provide a voice to the Board and Management, review and recommend bowling policies, capital improvements and operational changes, and conduct inspections of the bowling facilities.

What does the Club Organization Committee ("COC") do?

It is the purpose of the COC to support RCSC Chartered Clubs as needed, make recommendations for Chartered Club policy changes, promote and encourage participation in clubs, assist with club member disciplinary issues, and review and recommend capital improvements for Chartered Clubs.

What does the Elections Committee do?

It is the purpose of the Elections Committee to recruit a sufficient number of Board candidates, verify petitions and applications of Board candidates, conduct elections of the Board and announce results, and supervise whenever a ballot vote is required.

What does the Entertainment Committee do?

The purpose of the Entertainment Committee is to select and book all acts that appear at the Sun Bowl or its alternate venues.

What does the Finance, Budget & Audit Committee do?

It is the purpose of the Finance & Budget Committee to review, at least quarterly, the financial performance year-to-date of the operation in comparison to budget and the previous year, advise the Board of Directors of any concerns it has regarding the financial operations, and review and make recommendations regarding the annual operating and capital budget. It is the purpose of the Audit Committee to financially audit the Chartered Clubs when requested.

What does the Golf Advisory Committee do? It is the purpose of the Golf Advisory Committee to assist in the promotion of golf at the RCSC golf courses, help maintain interest in the game of golf, encourage fellowship among the golfing community, gather input from the golfing community, review and recommend golfing policies, fees, capital improvement, and operational changes, and conduct inspections of golf courses. The Golf Advisory Committee is made up of two members of each golf course's Green Committee, one male and one female, and the presidents of the golf associations in Sun City.

What is the Green Committee at each golf course and how can I attend?

The Green Committees are subsidiary committees under the Golf Advisory Committee, composed of up to three (3) male and three (3) female members who are generally elected by the golfers at each course. The Green Committees meet monthly and the schedule is available on the RCSC website at <http://suncitygolfing.com/golf-calendar>.

What does the Government Affairs Committee do?

It is the purpose of the Government Affairs committee to monitor the legislation and actions of the Arizona State House of Representatives, the Arizona State Senate, the Arizona Corporation Commission, the Maricopa County Board of Supervisors and any and all other governmental agencies.

What does the Insurance Committee do?

It is the purpose of the Insurance committee to review and recommend adequate insurance requirements and coverage, insurance brokers/agents, and insurance policies and carriers based upon service and bid proposals.

What does the Lawn Bowling Advisory Committee do?

It is the purpose of the Lawn Bowling Advisory Committee to gather input from the lawn bowling community, review and recommend lawn bowling policies, fees, capital improvements, and green maintenance changes, and conduct inspections of lawn bowling greens.

What does the Long Range Planning Committee do?

It is the purpose of the Long Range Planning Committee to recommend a long range corporate plan to include changes to and/or additions of facilities and usage of RCSC property.

What does the Marketing Committee do?

It is the purpose of the Marketing Committee to make recommendations to the RCSC Board regarding marketing Sun City as a premier active retirement community for 55+ adults who wish to continue an active lifestyle as a way of life by utilizing the golf courses and the recreation centers with their numerous amenities and clubs.

Duffeeland Dog Park Meetings Well Attended

RCSC Management recently met with adjacent property owners, park users and interested residents regarding Duffeeland Dog Park to discuss concerns and issues with this property.

More than 75 people attended the two meetings and many left feeling that the group will be able to reconcile many of their differences now that the issues were brought to the attention of others.

Many expressed concerns about barking dogs and park hours. As with the proposed Sun Bowl Dog Park, RCSC will be posting rules and regulations including that the park opens daily at 6:30 a.m. and is for RCSC cardholders and their invited guests only. Meanwhile, users of the park maintain that they will continue to be diligent and self-governing to help address the problems that neighboring properties are finding troublesome directly with the pet owners as they occur.

Duffeeland Dog Park also has physical challenges that were discussed. Large earthen mounds on the property and fencing less than six feet high create a situation where park users can literally see onto the adjacent properties. Those in attendance discussed possible changes to the level the grounds and to explore options for additional fencing, most area residents wanted to retain the scenic and aesthetic views they currently enjoy.

Improvements have already been made at the site and others are planned including more convenient water availability, partial removal of plastic sheeting under the gravel which should allow for better drainage and more waste cans.

Duffeeland Dog Park is located at the southwest corner of Del Webb Boulevard and Thunderbird Road North behind the Washington Federal Bank building.

Getting Comfortable with Board Policy 12 Session Held

In an effort to assist RCSC Club Officers, an afternoon session was recently held at Fairway to address “Getting Comfortable with Board Policy 12” and the changes that were made in order to create a more user-friendly policy, simplifying processes for both clubs and management and to allow clubs to make decisions whenever possible.

After an introduction of RCSC’s Board of Directors and Clubs Office staff by RCSC General Manager Jan Ek, the nearly three hour session was aimed at helping those in attendance understand and get comfortable with BP12.

“It is critical to this community that our clubs are successful,” said Board Director Bill Pearson in a brief introduction. “Clubs are the essence of Sun City and Board Policy 12 makes it practical for all clubs to thrive regardless of size and to fairly apply the rules and regulations for all members,” he said.

Attendees were encouraged throughout the session to ask questions as each topic was discussed. Highlights included changes in the number of members for clubs depending upon whether or not a club has dedicated space, how to validate membership now that new member and privilege cards do not show expiration

dates, and clarification of club guest policy. Guests (non-RCSC cardholders) require a \$2 daily fee. Clubs are able to use either Host Punch Cards or Daily Guest Passes (obtained at monitor stations) for the payment of guest fees.

All new Clubs Forms (dated March 2013) are available online at www.sunaz.com under the clubs tab or can be requested from the Clubs Office by calling 623-561-4660 or by visiting the office at the Lakeview Center.

Solar Project Update

ATTENTION:
Power Shut Downs
at all RCSC Centers

Between now and May, all RCSC recreational centers will need to have power shut downs as we connect the new solar power systems to existing electrical equipment which will save an estimated \$900,000+ over the next 15 years – enough energy to power 347 homes. During this process, various clubs and social meetings may need to be relocated or cancelled and we apologize in advance for this inconvenience.

The length of time will vary depending upon the location but we remain committed to keeping you informed as soon as possible. Sign up for RCSC News Alert Emails at www.sunaz.com for the latest updates.
