# **Viewpoint Lake is Alive!**

Even though it's still summertime hot, the tranquil and soothing sounds of running water are back at Lakeview with the restart of the waterfall. Now is the perfect time to enjoy a picnic lunch or a leisurely stroll up the hill. RCSC has also acquired two new paddle boats. RCSC General Manager Jan Ek and Assistant General Manager Jim Wellman recently took "Lakeview Serenity" for a test drive (center) on a brisk afternoon and found windy conditions back to the dock required extra effort. These boats are free

Back in May, RCSC added 50,000 goldfish to Viewpoint Lake to help control midge fly larve. The fish also provide fodder for predator fish in the lake. RCSC is considering stocking other fish this fall.

for Cardholder use.

Leo Dicino, RCSC Utility Worker, (above right) assists with the goldfish release to control midge fly. Sun City resident Jerry Ida (left) caught this grass eating carp on a fly rod recently. The fish weighed 12 pounds and was released unharmed back into the lake. Nice catch, Jerry!

# RCSC goes solar - at no expense to current owners

As more and more Sun City residents have chosen to lease photovoltaic ("PV") solar systems for their private residences, they have become better informed about the process of doing so and how it works. However, RCSC would like to explain what it means for RCSC to go solar and how it works.

One way to help fund commercial PV [electric] solar projects is with Federal and State tax credits. As a non-profit organization, RCSC is not eligible for these credits. Therefore, an organization that was eligible purchased the PV systems and must maintain ownership for over 5 years in order to retain the credits. RCSC has entered into a 15-year lease with the owner of the solar systems located on RCSC facilities.

The installation was also facilitated in part by the APS Renewable Energy Incentive Program. This Program offers financial incentives to customers who add Renewable Energy systems to their homes or businesses. The Program is funded by APS customers and approved by the Arizona Corporate Commission. The annual incentive on the 14 PV solar projects on RCSC property is estimated at \$185K per year for the next 20 years, or \$3.7M total. It should be noted that whether RCSC installed solar panels or not, tax credits and utility incentives for alternative energy would still exist and be paid for by utility customers and taxpayers.

The projected savings of electricity costs over the term of the lease averages \$480K per year, while the lease expenses average \$609K per year. With the APS incentive, this creates an average positive variance of \$56K per year. So when RCSC Members asks, "What is the solar costing us?" RCSC answers "Nothing!" The financial benefit provided from the systems is greater than the cost of the lease. And yes, all the parking structures are included with no additional costs. What's not included are costs for repairs and maintenance, which are expected to be minimal, and insurance on the solar panels, approximately \$13K a year, which are also easily covered by the \$56K per year overall savings.

This is not the only opportunity for savings. The lease offers some options and opportunities for additional savings including the buyout of the lease at 66 months for \$4.4M. The Board will update the long-range plan in the near future. The RCSC Board of Directors has unanimously agreed to use Preservation & Improvement Funds ("PIF") and take advantage of these opportunities for additional savings of over \$3M. Again, it must be emphasized that this is at no additional cost to current Sun City residents since PIF funds collected from future home sales/transfers of ownership will be used for this expense, not funds from annual property assessments.

Currently RCSC has a lease for solar systems which are projected to provide with energy savings, incentives, lease payments, insurance and estimated repairs and maintenance expense a net benefit of approximately \$40K per year to RCSC. At 66 months into the lease, RCSC will buyout the lease with PIF funds, creating an annual operating expense benefit of approximately \$650K per year for the next 14½ years, at which time the incentive will end and RCSC will be left with a projected net \$450K per year savings.

RCSC believes that this investment in solar is not only good for the Sun City community, it is good for the greater Phoenix area as solar power helps abate pollution and additional infrastructure costs such as new natural gas plants used for providing electricity. Cardholder Services Lakeview Center Monday - Friday 8:30 am to 4:00 pm 1st Saturday of the Month 9:00 am - Noon

#### Updates Presented on June 27 at the

**RCSC Board of Directors Meeting** 

#### **Financial Report:**

Overall we have operated through May 31, 2013 well within our operating and capital budgets year-to-date. However, three divisions have a negative variance from budget at the end of May and were short of meeting their net operating budgets year-to-date as follows: Food Service Division was \$549 short, Bowling Division was \$1,629 short, and Golf Division was \$150,265 short. These negative variances are not all due to income shortages or uncontrollable expenses; unfortunately in all three divisions it appears that May was not budgeted for three pay periods which would have kept both Food Service & Bowling Divisions from being over budget. In addition, Senior Management has been asked to ensure proper controls are in place for financially managing staff.

#### **Bowling Centers:**

Summer maintenance is being performed on all pinsetters at both bowling centers. Maintenance includes lubrication and rebuilding of all major components to ensure proper operation and minimal downtime during the busy fall season.

Recently the United States Bowling Congress (USBC) performed inspections on all RCSC bowling lanes, approaches, foul lights and pinspotting. There were a few minor issues at each center which will be resolved before the beginning of the fall season.

#### **Cardholder Services:**

Payments made by property owners in outside collections totaled just \$3,543 in May with payments from 12 property owners. Payments for referred accounts continue to be lower than expected so some additional work with the outside agency will be done.

The payments on past due assessments increased in May due to the higher invoiced months of March and April, and were 28% over monthly averages for the past year. April billings went past due at a higher rate of 7.6%, up from last month. March balances went over 60 days past due at the average rate of 4.2%. Outstanding balances related to property transfers increased in May by 5% and continue to represent half of all receivables due.

Trustee sale notices on Sun City properties ticked up to 66 for the end of May. The number of properties owned by lending institutions held steady at 89 this month.

The Preservation and Improvement Fees collected in May were \$704,502. Year to

# **Candidate Packets Still Available**

Candidate packets are still available for this fall's RCSC election to fill three vacancies and several candidates are already busy collecting signatures.

This year's elections will be conducted electronically. Online voting will be accessible for one month beginning on November 11. Safeguards that restrict each qualified member to only one vote will be in place and confidentiality will be maintained throughout the process. For any members without access to a computer, in-person voting will be held at Lakeview on Election Day (December 10) from 8am to 4pm.

Anyone interested in obtaining a candidate packet must make this request in person at the Corporate/Board Office at Lakeview Center and present their RCSC Member card. The deadline for submission is October 1, 2013 by noon.

Requirements to become a candidate are:

- Must be at least fifty-five (55) years of age;
- Must be a Deeded Real Estate Owner of property in Sun City, Maricopa County, Arizona;
- Must be a Member in good standing;
- Must reside in Sun City, Arizona and be available at least ten (10) months of the year;

- Must meet the requirements to hold an Arizona liquor license;
- Must not be related by blood or marriage to anyone else on the Board of Directors or member of RCSC Management staff; and
  - Must be eligible and available to serve a three (3) year term.

Candidates will be required to submit a fully completed RCSC petition, signed by 100 or more Members in good standing, and the other forms provided in the RCSC Candidate Packet.

A successful candidate will have a strong desire to serve Sun City; be fair and courteous; use good common sense; have good communication skills; be willing to work as part of a team; ability to prioritize policy and projects which will have the greatest benefit for the most members; and be willing and able to dedicate the necessary hours to be an effective Director.

Candidates will be introduced at both the October 31 and November 21 Board meetings and a candidate forum will be held in the fall. Date and location will be announced at a later time.

For additional information, contact the Board Office, Executive Coordinator Deanna Szentmiklosi, at 623-561-4620 or email at boardoffice@sunaz.com.

# A Moment with President Brasher - Sun City Economics

Our Sun City community continues to be one of the premier active senior adult communities in our country. In its 53rd year since opening in 1960, it is recognized nationally and internationally as the epitome of senior communities.

With over 27,000 homes and nearly 40,000 residents, Sun City is perhaps the largest community of its kind and to our knowledge, there are none that can compare with our amenities. This includes seven recreation centers, eight golf courses, and such a club-friendly atmosphere that there's something for everyone to enjoy who wishes to participate. The Board of Directors and the RCSC Management Team have never rested on their laurels and have always looked to the future to not only maintain but to continually upgrade our facilities.

With the above in mind, let us also recall for our residents that for years RCSC annual property assessments have been consistently ranked as the lowest of all the retirement communities surveyed (and none of the other similar communities can approach the number and quality of our amenities). It isn't only the savings we enjoy in reasonable annual property assessments, but many of the other fees we pay are bargains when compared to other communities.

For example, per line fees to bowl in nearby communities can be up to twice as much or more than in Sun City. Our Director of Golf strives to maintain fees at or below those of other courses, while still encouraging non-resident play to help meet our golf course expenses. Rather than investing in more expensive Sun City-wide wireless networks, RCSC has installed Wi-Fi accessibility in all of our recreation centers and golf course snack shops where all residents can find a place to use the internet on their laptops and mobile devices.

Sun City also has plenty of entertainment for our residents and their invited guests at the Sun Bowl Amphitheater during both the Spring and Fall Concert Series all of which are free and at least three high-quality and entertaining shows at Sundial Auditorium during the summer months (one of which is an Ice Cream Social). It is significant that in its over 50-year history, Sun City has never had to resort to a special assessment to fund the improvements we can see everywhere in our community in our golf courses and recreation centers. Our major capital improvement projects such as the Bell and Fairway Recreation Centers (and forthcoming improvements at Marinette Recreation Center) are paid for out of the Preservation and Improvement Fund (PIF) funded from new sales/transfer of ownership of Sun City homes.

One can appreciate the fiscal responsibility of the RCSC Management and Board when one looks at the constant improvements in such things as the fitness machines in our centers, the planned elevator replacement in Sundial, parking lot and signage improvements at various locales, new exterior painting, roof replacement, and many other things that are paid for out of our annual operating budget.

# Got Company? Host Punch Cards are the Ticket!

Host Punch Cards are your guests' ticket to fun in the sun!

When friends and family come to town, RCSC Cardholders can bring guests to join them at the pool or fitness centers, play miniature golf and the like by purchasing a Host Punch Card.

Host Punch Cards cost \$20 and have 10 punches; good for 10 visits. Host Punch Cards are available for purchase at any monitor's station (cash or check only), in addition to the bowling centers, golf pro shops and the Cardholder Services Office at Lakeview Center (credit, debit cards accepted).

Upon arrival, RCSC Cardholders and their guests must always sign in with RCSC personnel. Once a Host Punch Card has been presented, visitors can also be issued Guest Day Passes (for up to seven (7) consecutive days) if they intend to use multiple centers in the same day or will be using facilities on a daily basis.

For added convenience, Guest Day Passes may also be obtained by RCSC Cardholders for their visitors in advance of their arrival. Adult guests will then be allowed to use RCSC facilities without the Cardholder being present, but they will be required to show both a valid Guest Day Pass and government-issued photo identification.

Either a Host Punch Card or Guest Day Pass is required for guest entry to all RCSC facilities except for golf and bowling.

If an RCSC Cardholder is unable to sign in their guests at a facility because of physical or mental incapacity, a Waiver Letter may be obtained from the Corporate Office at Lakeview Center. In order to obtain a Waiver Letter, guests must present their government-issued photo identification along with the RCSC Cardholder's Member or Privilege Card.

Guests will then be required to present government-issued photo identification, Host Punch Card and the Waiver Letter at the monitor station in order to gain access to any RCSC facility. Guests may also choose to have a Guest Day Pass issued upon their initial visit; however, they will always be required to also show additional identification such as their driver's license each visit.

All guests under 19 years of age must be accompanied by an authorized adult at all times.

No RCSC Board of Directors or Committee Meetings are scheduled for August. Meetings will resume in September.

# **Project Updates**

General Centers Projects / Information •Installation of the Photo Voltaic (PV-Electricity producing) systems is nearing completion. Currently Marinette, Oakmont, Quail Run Maintenance, Lakes Pro and WB/WC Maintenance are online and producing electrical power. Bell, Sundial and Fairway Center's will be online in the next couple of weeks. Lakeview Center will be the last to come online due to APS transformer and entrance equipment (SES) replacements and relocations.

•All 2013 budgeted fitness equipment has been received and installed except (2) Hammer Strength back extension machines, an arm curl machine and some fans. This remaining equipment is expected to arrive soon and be installed sometime in July 2013. (Cost – \$64,974)

# Mt. View Center/Sun Bowl Ballpark & Amphitheater

•The permit for the Mt. View pool lighting system and mini golf pole light has been approved by Maricopa County Planning and Development Department. The installation of the pool lighting is expected to commence the 1st week of July 2014. Contractor is Accel Electric. (Cost – \$40,000)

•The Mt. View Center pickleball court expansion project has been approved. The RCSC will be replacing the existing (4) courts and adding another (3) courts in 2013. All seven court surfaces will be constructed using post tension concrete. Architectural drawings are currently being completed for submittal to Maricopa County Planning and Development for permit approval and contractor bids. Once all bids have been received, the project will be sent to the RCSC Bid Commission for final project approval. •The Sun Bowl Ballfield project is in its final stages with final leveling being completed in preparation for Bermuda

grass sprigging. In addition, the 20' high outfield fence is nearing completion. Contractors are Wadsworth Golf Construction Company and Western Fence. (Cost – \$200,848)

•The Sun Bowl Amphitheatre project has been approved by the RCSC bid commission. Now that the fall shows are over, the contractor is installing the new irrigation system and will be smoothing out the terraced seating areas before over-seeding the grass with Bermuda seed. In addition, it has been decided to add some walkway bollard post lights along the two outer walkways, new handrails along the same walkways, replace the gravel drain in the bottom of the bowl with concrete and grating and create a new driveway behind the Amphitheater building for food trucks. Contractor is Wadsworth Golf Construction, Accel Electric and Ironwood Gates and Welding. (Cost - \$245,883)

#### South Golf Maintenance

•The replacement 6,000 s.f. South Golf Maintenance building is well underway with the foundation and slab completed and the steel posts, trusses and purlins erected. At this time the exterior metal sheeting is being applied and the perimeter block wall completed. The new metal building will be more fire retardant, offer improved mechanic and maintenance areas and increase security for overnight storage of valuable golf equipment. Contractors to date include Bunger Steel, Inc, Jokake Construction and CCBG Architectural. (Budgeted Cost – \$600,000) (After insurance)

#### **Fairway Center**

•Two new directional florescent light fixtures were installed on the Fairway dog arena, Contractor was Supercharged Electric. (Cost – \$1,689)

#### Lakeview Center

•The Lakeview waterfall pump and motor have been received by the pump contractor and once prepared will be scheduled for installation. Provided all goes well with the installation, the pump should be up and operating again by the 1st week of July. In the meantime, a portable pump is being used to fill and circulate water in the lagoons. Contractor is Phoenix Pumps, Inc. (Est. Cost – \$24,700)

A replacement water fountain has been installed at the 103rd Ave location on Viewpoint Lake. Contractor was Waterworks by George. (Cost – \$10,159)
The Lakeview mini golf restroom remodel is now completed and remodeling of the Lakeview lawnbowl restrooms is well underway. Contractors include the RCSC Skilled Trades Department and Interior Logic Flooring. (Cost \$33,774)

#### Bell Center

•The Bell Wood & Metal shop expansion project is now completed and final inspections are underway. We are hopeful to have the certificate of occupancy by the 1st week of July. General Contractor was K.L.McIntyre Construction. (Cost – \$540,288)

•Completion of the exterior painting at Bell Center is now completed. Contractor was Quality Painting. (Cost - \$86,971) •The complete renovation of the two Lawn Bowl Greens at Bell Center is now in full swing. The footings, backboards and the majority of the sidewalks have been installed. Currently the drainage system, growing medium and irrigation system are being installed inside the greens, with hopes to sprig the Bermuda grass by mid July. Contractors include: Ken McIntyre Construction, National Turf and Wood Bay Turf Technologies. (Cost – \$484,308) •The last (4) clay tile mansard roofs at Bell center will be replaced with new standing seam metal roofs. The contractor for this work is Starkweather Roofing. (Cost – \$28,185)

#### Sundial Center / Riverview Pro

•The sign at hole #10 at Riverview Golf Course has been designed by the new sign company and is currently being painted. Contractor is Bootz and Duke Sign Company. (Cost - \$7,495) •The elevator at Sundial Center is currently scheduled to be upgraded. Some of the scheduled upgrades include: electrical control panel changes, new hydraulic pump, fire system upgrades, installation of sump pump and ladder in the bottom of the shaft, and dedicated mechanical equipment to maintain the elevator equipment room temperature. This project will commence during the summer of 2013 and last for approximately (4) weeks. Contractors are Otis Elevator and Custom Cooling. (Cost - \$95,781)

•LED lighting will be installed in early July under the Sundial Bocce canopies on courts 1-8. Contractor is Accel Electric. (Cost – \$7,601)

•A new metal standing seam roof has been installed on the Riverview Pro/ Snack shop building. In addition, new metal fascia material was installed on the building, as some of the old fascia boards and roof underlayment plywood was rotted out and had to be replaced. The cart barn building is scheduled to be replaced in 2014. Contractor for this project is Starkweather Roofing. (Cost – \$37,882)

•The Riverview parking lot received an asphalt overlay and new striping. Contractor was Swain Asphalt Corporation. (Cost – \$57,249)

•Exterior painting of the Riverview Pro Shop and Golf Cart buildings is underway. The contractor for the project is Silverado Painting. (Cost – \$5,345)

#### **Marinette Center**

•The Marinette building expansion project has received final approved by the Board of Directors. Drawings of future improvements and changes are on display at various centers, including Marinette, Bell, Sundial, Lakeview and Fairway.

#### **Skilled Trades Department**

•The RCSC skilled Trades department completed 85 work orders during May and the first two weeks of June 2013. This total does not include other routing work completed outside of the work order system.

# **Updates** ... continued from page 2

date PIF fees are \$3,108,940, which is \$1.2M over the conservative budget for the year.

#### **Human Resources:**

We have revised RCSC's Application for Employment form adding the corporate logo in addition to clarifying some areas. The form can now be completed and submitted online simplifying the application process.

We are also revising other internal HR forms that are found on the corporate intranet to meet changing needs and for conversion to fill-able online forms.

Recently we revised several job descriptions to update and meet new standards and requirements of OSHA and other employment laws. We plan to review and revise all jobdescriptions where necessary. Our most recent change was to revise weight limits that employees are allowed to lift while performing job responsibilities.

#### Events & Entertainment:

We will end off the summer with an Ice Cream Social on Sunday, August 25, at the Sundial Center at 7:00pm featuring the wonderful musical talent of Mark Baker. Mark's musical focus includes classics by Neil Diamond, Sinatra, John Denver, George Strait, Jimmy Buffet and Marty Robbins.

#### General:

For those who may not be aware, the monthly management reports are available on our website www.sunaz.com under the corporate tab. Also, if you have not done so already, please sign up on the RCSC email list where you can designate topics of interest and stay in the loop with RCSC news alert emails! We have forms available at the table in the back so you can sign up before you leave today.

Note: Some items were deleted from this report regarding events that occured in July. The full report is online at www.sunaz.com

# **Golf Report**

#### **Pro Shops**

For the third consecutive month revenue exceeded prior year actual and budget. Green Fee/ Cart Fee revenue exceeded budget by \$2158, despite a decline in rounds played over prior year. Merchandise revenue was \$499 under budget and Driving Range revenue exceeded budget by \$1557. Year to date revenue numbers continue to suffer due to weather related issues in January and February. Revenue performance over the last three months is a good indication that our revenue planning for 2013 was sound.

We have recently reestablished our relationship with Golf Hub, an online reseller of tee times. Recent changes to their marketing strategies and software, renewed our confidence in their ability to helps us achieve our revenue goals.

#### **Snack Shops**

Snack Shop revenue was \$2,550 behind budget and \$168 behind last year. Food and Beverage sales per round increased slightly to \$1.94/round from \$1.92/round. The decline in golf rounds was a contributing factor in Snack Shop revenue performance.

#### Courses

Aerification of fairways and tees using a 3/4 inch tines is complete and the annual rye grass used for overseeding has checked out. During this period of transition, we remind everyone that playing conditions will not be ideal. Conditions will vary depending on the efficiency of the golf course's irrigation system. Watering a "hot spot" to recover turf coverage, often leads to overwatering otherwise healthy areas. The overwatering will lead to saturated wet spots. We appreciate everyone's patience as we move through transition.

In conjunction with watering practices tees and fairways have been fertilized with ammonium sulfate to promote bermuda growth. A slow release fertilizer has been applied to the greens, followed by verticutting and topdressing.

The final green aerification will begin at the courses July 11 at Lakes West. Please refer to the calendar on the sunaz.com website for the full schedule.

The bunker renovation at Willowbrook is well underway. The renovation to the back 9 bunkers has been completed and areas of disturbance have been sodded or sprigged. Work has been begun on the front 9. We ask that anyone wishing to view the progress of the renovation do so from the cart path and during non-work hours. The reopening of the course will be announced, when turf has fully grown-in and/or recovered.

# **Bowler Gets 300 Game Birthday Gift**

One week before her birthday, Jacque Smith was rewarded with her first ever 300 game at Bell Lanes.

Jacque started bowling when she was 10 years old and she remembers the conditions and equipment were so different back then. As Jacque got older, she began to average in the 180 to 185 range and bowled twice per week. Jacque began bowling tournaments and usually placed in the top five.

After working with Jim Pratt from Revolutions Pro Shop in Phoenix, Jacque's average began to improve. Jacque recorded her highest series of 776 at Lakeview Lanes in 2011 and her highest average ever was at Bell Lanes last season in the Friday Nite Owls league. On June 21, 2013, Jacque bowled her first 300 game one week before her birthday. Congratulations and Happy Birthday, Jacque!

# **Bowling Fees to Increase September 1st**

The RCSC Board of Directors recently approved an incremental increase in bowling fees effective September 1, 2013. Bowling fees at both Lakeview and Bell Lanes will increase 15 cents per game to \$2.40 for RCSC Cardholders and \$2.65 for guests. Locker fees will increase to \$16 per year. There will be no increase in the cost of shoe rental.

RCSC Bowling Centers have not had a fee increase since 2008 and remain the lowest bowling fees in the West Valley. Open play at most bowling centers in the surrounding area is \$4.95 per game while bowling fees in Sun City West are \$2.45 for their cardholders and \$2.90 for guests.

"For most bowlers, this increase is pretty minimal. It will end up costing them less that a buck more," said Randy Johnson, RCSC Bowling Director. Most bowlers typically bowl three games each time they visit a bowling center and during league play. In the last few years, the bowling centers have had a great deal of remodeling, upgrades and advancements, all in the best interest of Sun City bowlers. There have been monitor upgrades, new paint, new flooring, required software upgrades, plus a host of other items that needed to be done to keep the RCSC bowling centers "state of the art."

"The RCSC and the Board of Directors desire quality bowling facilities for our Cardholders and guests," said Carole Martinez, RCSC Board Director and chair of the Bowling Committee. "When an increase was suggested, the board members did all they could to minimize the impact of any additional cost."

Inspections were also recently completed by the United States Bowling Congress (USBC) on all RCSC bowling lanes, approaches, foul lights and pinspotting at both Bowling Centers. A few minor issues were identified and will be resolved before the fall bowling season begins.

# Fall 2013 Sun Bowl Shows Announced

All Sun Bowl concerts are free to RCSC Cardholders and their invited guests. Bring your lawn chair or blanket and relax under the stars while listening to some great music that's coming your way. Gourmet vendor food trucks will be available 1-1/2 hours prior to the shows so get there early to enjoy some great eats before the show starts.

#### **Nashville Country Roadshow**

Sunday, September 29, 2013 - 7:00pm Stomp your boots and sing along as the Nashville Country Roadshow features every facet of country music including everyone's favorite kings and queens of country to musical outlaws, urban cowboys and honky-tonk heroes. This amazing band includes some of the most talented musicians and vocalists touring today. Bring back all those great country memories - whether you're a fan of The Man in Black or want to hear about the guy with Friends in Low Places - you won't want to miss this show!

#### **That Kool Band**

Sunday, October 6, 2013 - 6:30pm

After years of performing with various celebrities, this dynamic group of musicians formed a tribute band in honor of the great artists from the 50s, 60s and 70s. Recreating the vocals and music in such detail, audiences feel taken back to an era of music warmly remembered by all. Come and relive the golden era of rock 'n roll at its finest!

#### Lynn Anderson & Rollie Stevens Sunday, October 13, 2013 - 6:30pm

One of the top ranked female vocalists in any musical genre, Lynn Anderson is often referred to as a "singer's singer." Her sophisticated image and "countrypolitan" sound helped her to become one of the first female country artists to achieve mass crossover appeal, and her strong vocals have garnered her more awards and accolades than many country artists combined. Rollie Stevens began his musical career while working at the Phoenix Fire Department, and in 2008 he was introduced to the "Marty Robbins Tribute Show" at the National Festival of the West in Scottsdale. The show was a tremendous success and as a result, Rollie was invited to tour with superstar Lynn Anderson. They recorded the duet "Mexican Angel" in 2009. Giddy-up and come on down, partner!

#### AZ Diamond with Eddie Diamond Sunday, October 20, 2013 - 6:30pm In this tribute to Neil Diamond and his

timeless music, Eddie and his ensemble of musicians recreate the vocals and orchestrations in such detail that few can leave the show without feeling as though they've been taken back in time. Relax to some of the most memorable songs in pop music history – Cherry Cherry, Sweet Caroline, Kentucky Woman, Cracklin' Rosie and many more...

#### '56 | The Rock & Roll Revue

Sunday, October 27, 2013 - 6:30pm '56 - a year that featured Coup de Villes and drive-in movies, Ed Sullivan and Milton Berle in your living room, Mickey Mantle leading the Yankees to the pennant and Grace Kelly leaving Hollywood to become a Princess. Featuring four amazing musicians individually accomplished in other genres, it makes one wonder: What if all those legends from Sun Records and the Louisiana Hayride never went to Hollywood, never made TV shows and movies but, were still just playin'? What if Chuck Berry, Jerry Lee Lewis, Johnny Cash, Roy Orbison, Gene Vincent, Eddie Cochran, Carl Perkins and even Elvis were going to be playin' right here in Sun City at the Sun Bowl? Come on down and find the answer!

#### Strait Country – A Tribute to Country Music's Living Legend

Sunday, November 3, 2013 - 6:00pm Kevin Sterner and Strait Country, performing the critically acclaimed "Tribute to the Music of George Strait," have been thrilling audiences and selling out concert venues throughout Arizona for the past three years. This all-star band showcases George's incredible 30 year career- featuring hit after hit including 50 number ones and 83 top-tens! You'll hear old favorites like "Amarillo By Morning" and "All My Ex's Live in Texas" and more recent numbers such as "Give It Away" and "I'm Here for a Good Time." Along with stories and antidotes about the "King of Country Music," this evening promises to be a fan favorite!

#### Tribute to our Veterans

Sunday, November 10, 2013 - 2:00pm RCSC would like to end the Sun Bowl season with a Tribute to our Veterans. There will be a small concert performed by Centennial High School Choir; Sandra Day O'Connor Color Guard will present the Colors. After opening prayer and Benediction, Brigadier General Woellner will make opening comments; Secretary of State Ken Bennett will be the key note speaker; Bud Hesterman and the Uniformed Quartet will perform. Bud will also present the Grand Ole Flag; John Huerta will perform "Memories" and "The Star Spangled Banner." This is a fully decorated event to honor our Past, Present and Future Veterans and we welcome you to join us as salute these brave men and women.

# **Friends of the Library**

August is upon us and that means September will be following and THAT means cooler weather! I do enjoy the summers in Phoenix but fall is always welcome.

#### Friends of The Sun City Libraries Book Buddy Program

This program ensures that individuals unable to go to the library can still read, watch DVDs and do puzzles!

Barbara Baker (left) and Judy Steinboch (right) along with the Director of the Book Buddy Program Judy Wannamaker, leave the library with items for their book buddies. Volunteers check out library materials and deliver them to residents. If you would like this type of assistance or to become a volunteer for the program, please call the Friends Book Store located at the Maricopa County Bell Road Library at 602-651-2014.

We have quite a large selection of books (they wrap all around the walls) at the Friends Book Store. Inventory consists of hard bound books (from 50¢ to \$6) and many, many paperbacks, DVDs, CDs, puzzles and yes, we still have VHS tapes. All items are donated to the Book Store.

Come check out the Book Store, Monday through Saturday from 10am until 4pm. We always have specials and sales. As a matter of fact, we do not carry any items at retail or even wholesale prices! Everything is always on super sale!

All proceeds earned in the Book Store go to helping the library in many ways. All workers are volunteers and no one is paid, including Mary Anne, the Store Manager.

Sun Cities Historical Museum President Ed Cirillo (center), accepts a check presented to the Museum on May 13, 2013 by Sue Painter, Friends Treasurer and Board Member Jerry Walczak.

The check was the first grant from the Friends of the Library to another non-profit organization located in Sun City. The Museum will use the money to purchase much needed video equipment.

Not much happening at the two Sun City Libraries in August. The usual Book Club meetings but no special appearances or meetings due to the late summer heat. Please call 602-652-3000 for more information

In case you are not aware, the Sun City Libraries have a Facebook site at www. facebook.com/mcldsc. The site contains information about the various clubs, visiting authors and the goings-on during the month at the two libraries. Check it out!

Tips for Seniors from Daily Fitness... Beat the Heat; Exercise Indoors

Gail Christianer enjoys her summer workouts inside the Bell Fitness Center

Are those triple digit temperatures getting you down? Have you given up golf, bicycling, hiking, tennis and all outdoor favorites because of the heat?

Well you're in luck – just venture over to one of the RCSC Fitness Centers and enjoy climate-controlled exercising INDOORS. Improve upper and lower body muscle strength with the weight training circuit provided at each Center. A complete workout for all major muscle groups can be accomplished with the circuit. A variety of aerobic equipment is available for a great cardiovascular workout. The Elliptical Trainer, Rowing Machine and Recumbant Bike are effective options for getting that heart rate up.

A smart way to get acquainted with any RCSC Fitness Center is to use the services of a Daily Fitness personal trainer. Gail Christianer did, and appreciates the education she got from fitness professional, Jane Fortier.

Daily Fitness trainers teach clients how to exercise safely and effectively, in a custom designed program based on individual needs, goals and medical issues. All trainers are certified by national fitness associations, and have additional certification as senior fitness specialists. They are experts at creating exercise programs for active aging adults. Daily Fitness offers Basic and Complete Strength Training Packages, Comprehensive Exercise Programs and Target Sessions that focus on a particular area of concern.

For further details, or to schedule a personal training consultation, call 623-256-7901 or visit DailyFitnessLLC.com.

Fourgy gr Tops A Motown Tribute by Fairplay

# **Sundial Auditorium**

Wednesday, August 21, 2013 7pm; Doors Open at 6pm \$13 per person

It's hard to beat the magic of Motown. Let Fourever Tops transport you to a simpler time; to the 60s and 70s courtesy of their incredible tribute to the Four Tops and The Temptations.

The Motown Sound has left an indelible stamp on the heart, soul and mind of several generations of fans worldwide. Although it's been decades since you first heard these great songs on your transistor or AM car radio, the music lives on through movies, radio, television commercials, old albums and more. Here's your chance to see and hear it LIVE AT SUNDIAL!

Fourever Tops is about more than simply re-creating the songs. It's also about the memories associated with them that have forever imprinted the Motown Sound in the minds of music fans. Without even consciously realizing it, we all know every lyric, melody and instrumental phrase associated with the songs.

You're invited to once again enjoy the magic of Motown as Fourever Tops helps you re-visit another era and what a ride it'll be! Young and old can't help dancing to the Motown hits!

Purchase your tickets today at the Lakeview Clubs Office or by phone at 623-561-4660 (Visa, MasterCard only)

#### **Conserving Water in the Bathroom**

- Stop using the toilet as a wastebasket. Every time you flush you waste five to seven gallons of water.
- Take shorter showers. Long showers can waste five to ten gallons every unneeded minute.
- Try taking a "Navy" Shower get wet then turn off the water while you soap up and scrub. Then turn it on again to rinse.
- Don't let the water run when brushing your teeth. Fill a glass with water to rinse.
- When shaving, fill the sink with a few inches of warm water. This will rinse the blade just as well as running water.
- Install water-saving shower heads or flow restrictors. They're relatively inexpensive and easy to install.

## **Conserving Water in the Kitchen & Laundry**

- Instead of letting the water run in the sink when you want a cool drink, keep a bottle of drinking water in the refrigerator.
- When washing dishes by hand, do not let the water run. Fill one sink with wash water and the other with rinse water.
- Fill your dishwasher full because it will use the same amount of water for a normal cycle whether it contains a full load or just a few items.
- Select the appropriate water level for the size of your load of laundry or better yet only wash full loads.
- Choose water-saving models when purchasing new appliances.

• Limit use of reverse osmosis (RO) water purification systems. To get one gallon of RO water, most units waste 2-9 gallons of drinking water.
