## Bell Center Tennis Takes Top Honors

Sun City AZ has gone national once again! The 10 new post-tension concrete tennis courts at Bell Center, which were completed in April 2015, brought a number of challenges during construction. But the finished project is nothing short of spectacular and another outstanding amenity for RCSC Cardholders to enjoy for years to come.

While meeting in Scottsdale in early December 2015, the American Sports Builders Association granted RCSC's Bell Tennis Project with their "Outstanding Outdoor Tennis Facility of the Year" award.

"With so many quality construction projects being completed in Sun City over the last ten years it's wonderful to see the new Bell Tennis Facility receive this prestigious national award," exclaimed RCSC Assistant General Manager Jim Wellman upon being asked about this recognition. Way to go!

## Golf Report

### Pro Shops

Complimentary golf clinics at Lakes West began on October 31, with approximately 100 students participating the first session followed by 110 students on November 7 and 14. The final free clinic will be held on November 21, with a 9:30am. start. Clinics are open to all skill levels and do not require registration. This is a great opportunity to introduce a family member, friend or neighbor to the wonderful game of golf. Free clinics will be offered again in March 2016.

Continuing through January 31, the first tee time will be 8:00am. This change does not apply to Wednesday Men's Day, the time on Wednesdays will remain 7:30am. This change was made several years ago to reduce the number of tee times lost to frost delays and to open more times for those wishing to play.

Plenty of new merchandise is on display and for sale at Riverview Golf Course. If you are in the market for a bargain, Willowcreek has plenty of items on sale. If you are in the market for a new pair of shoes or a golf bag, we invite you to shop with us.

### Golf Courses

Riverview opened on November 14, on schedule and without cart path restrictions. The response to the course renovation was mostly positive, though several golfers expressed dismay with the firmness and speed of the greens. We remind everyone that the greens were not overseeded this year to protect the putting surfaces long term. The dormant greens will putt well; however, since the putting surface is dormant and not growing, our ability to control the speed is limited.

All courses have opened for play following overseeding. The courses that recently reopened are expected to have cart path restrictions in place until Thanksgiving. The seed variety chosen for fairways and tees has performed as expected and is growing well, the more normal October temperatures also helped. Mowing heights are coming down and will continue to do so on a course specific basis. The two greens at North that have been closed due to Pythium blight are expected to reopen on November 21.

The new well on Lakes West golf course is nearing completion. The well and required infrastructure is in place and we are on the list with APS for installation of a transformer and meter. Once these items are in place the well will be energized.

### Snack Shops

Total revenue has exceeded budget by \$27,207 through September. We thank everyone for their continued support. Beginning November 1st, closing time for the Snack Shops has moved to 5:00pm.

### Lawn Bowling and Grounds

Lawn Bowl greens have entered dormancy and speeds can be expected to increase. Lakeview Lawn Bowlers will benefit from the dormancy. Greens have been kept longer than normal to provide protection in the winter months. The grounds crew will be kept busy this winter around Lakeview mowing and trimming trees and bushes.

## Teal Ribbon Golf Tournament - February 11

The West Valley Ovarian Cancer Alliance hopes you will gather your friends and "Teal It Up" for the 8th Annual Teal Ribbon Golf Tournament to be held on Thursday, February 11, 2016 at the Lakes East/West Golf Course.

Registration will begin at 8:00am with a 9:00am shotgun start. Entry fee is \$30 with green fees paid on the day of play. Check should be made payable to WVOCA. The deadline for entries is February 2.

There will be an after golf program and lunch immediately following at the Sundial Recreation Center.

Entry forms are available at all RCSC Sun City AZ golf courses or online at [www.westvalleyoca.org](http://www.westvalleyoca.org).

All proceeds from this tournament will benefit the University of Arizona Cancer Center directed to Ovarian Cancer Research.

A Moment with President Schroeder -

Saying Goodbye is Never Easy

Saying good-bye is never easy. Saying good-bye every year to three people who have served on the RCSC Board of Directors is a fact of life, just like birds and the bees, and taxes.

But one thing is certain – that everyone who has served on the Board was committed to making Sun City AZ a better place. Those newly elected to the Board arrive sometimes with ideas of what they would like to see happen, but quickly realize that the process involves much more than just what they want. The pros, cons and requirements are discussed, deliberated and debated.

And every decision comes down to one thing - what is best for the community and the residents of Sun City AZ.

Jim Brasher, originally appointed to the Board and then elected to a 3-year term, served as Board President for two of those years. Reflecting on his time on the Board, Brasher stated, “I have been proud to wear my name tag as an RCSC Director for the past four years. We live in the finest active senior citizen community in the USA, and I feel I have been able to contribute to its future. The outlook is brighter than ever for our great community. I can only thank the Board, General Manager and her management staff for the great support I have received.”

Many who retire to Sun City AZ discover new passions and hobbies. For outgoing Board Director Dave Wieland, his passion has always been insurance. Yes...insurance. In his own words, “It has been an honor and a privilege to serve on the RCSC Board of Directors the past three years and work with Jan and her management team. My agenda for my tenure was to do good for the members of Sun City and I believe I have accomplished that by voting for the North Course renovation and patio extension, Oakmont pool renovation, Holiday decorations at the rec centers, electronic signage, Riverview renovation and patio extension, Marinette renovation, Duffeeland Park renovation, shade for Best Friends at Fairway and assisted in securing Lockton Companies as our insurance broker.”

Ron Jesse’s time on the Board of Directors was much like his career - dedicated to public service and the welfare of others. When running for the Board, Ron pledged to work hand-in-hand with other Board Members; to be open-minded, honest and truthful. He did that and much more over the past three years. He worked to keep the legacy of Sun City AZ alive and well.

To those leaving the RCSC Board of Directors, I sincerely thank you for your dedication, service – and friendship.

But with each good-bye comes another round of hellos and congratulations as we welcome three new Directors to the board.

Gary Cotten brings to the board many years of real estate brokerage and residential construction experience. His insights into trends and the expectations of future generations should be both interesting and beneficial. Gary helped to found the Water Volley Club where he has served as president, and has been an active member on several RCSC committees in addition to the Sundial Men’s Club.

Jerome Walczak is an avid golfer and has been involved with both the Sun City Condo Owners Association and the Friends of the Sun City Libraries. His involvement as president of the Quail Run Green Committee, participation on the Golf Advisory Board and membership in the Sun City Men’s Golf Association ensure that the golfing population’s concerns will be adequately addressed.

Ronald Smith is a long-time resident who served 15 years with the Sun City Posse (nine years on their Board of Governors and one year as Commander). He has been a member of RCSC Outreach and Communications Committee and has been involved with the Sun Cities Historical Museum. A real pet lover, Ron belongs to both the Best Friends Dog Club and Duffeeland Dog Park Club in addition to volunteering at the Sun Valley Animal Shelter.

So hello and good-bye – and thanks to you all – for your willingness to serve and your commitment to keeping Sun City AZ the best active adult retirement community in the nation. Here’s to the future!

Management Updates

Financial Report:

We have completed October 2015 well within our operating and capital budget year-to-date. As a matter of fact, every division has a net operating positive variance from budget.

Bowling:

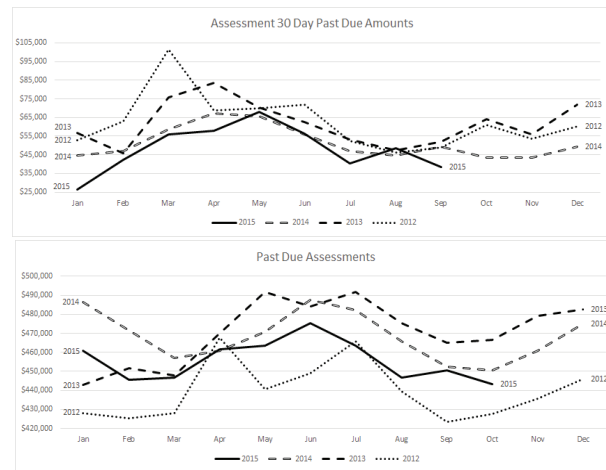

Bell Lanes and Lakeview Lanes recently hosted the Metro Phoenix USBC Valley of the Sun Senior Tournament. There were 28 team entries. The tournament produced approximately \$2,200 of unbudgeted income. Shirley Braverman of Phoenix, who is also a member of our Columbia 300 scratch league, bowled the only 300 game of the tournament at Lakeview Lanes. This was the second 300 game that Shirley has bowled at Lakeview Lanes.

The remodel of the bowling centers is almost complete. The railings have been installed and we are currently in the process of securing the tables to the floor. Once the tables are secured, additional railings and garbage cans will be added to the space between tables.

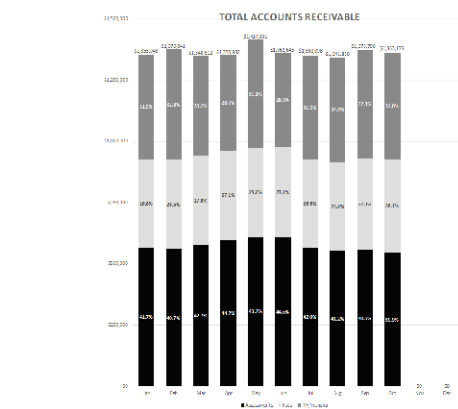

Cardholder Services:

Payments on past due assessments dipped slightly in October and were under the monthly average for the prior 12 months by 5%. Overall past due assessments decreased in October by just under 2% with the Over 30 Days past due balances changing the most. The 30 Day past due rate assessments decreased in October and is the lowest rate for September for the last four years. Year to date payments from our third party collections firm are \$79,849.

The charts below show the 30 Day Past Due Amounts and the Total Past Due Assessments for the past four years on a monthly basis for comparison.

The chart below shows the total accounts receivable balance for each month this year. The total is categorized by Assessments, Fees (Late/Interest/Lien) and PIF/Transfer with the relative percentage for each category each month.

In October property transfer related balances remained relatively unchanged and lender owned related balances decreased by over 21%. The balance flow for these two categories continues to be dynamic over time as does the number of properties. Outstanding balances related to property transfers continues to represent 52% of all receivables due and past due balances.

Payments made by Cardholders through the online RCSC Web Portal in October totaled \$51,688. Year to date payments through the web portal are \$592,023 and continue to represent 3.6% of total accounts receivable payments.

Trustee sale notices on Sun City properties increased to 49 properties at the end of October. The number of properties owned by lending institutions was unchanged again in October at 39 properties.

Preservation and Improvement Fees (PIF) collected in October were \$496,733, which is \$220,733 over the amount budgeted. Year to date PIF fees are \$5,631,253 which is \$2,301,253, or 69%, over budget for the year. Again a reminder that we intentionally budget PIF income very conservatively to assure that we have the cash on hand for any planned project as we remain debt free.

The Cardholder Services and Member Services offices have moved back into their updated offices on the first floor at Lakeview Center. While both areas continue to get settled in and get everything in place, we anticipate that the space will be more comfortable for Cardholders and allow us to better serve you.

Human Resources:

In early November, open enrollment meetings were held to explain the Benefits Plan provided by RCSC and made available to full time employees. The meetings were facilitated by representatives of BlueCross/BlueShield of AZ and Mutual of Omaha.

Plans available include medical, dental, life, short and long term disability, employee assistance program and an unreimbursed medical plan. The Unreimbursed medical plan is available through Section 125 of the Internal Revenue Code and RCSC's Director of Human Resources presented that information at the benefits meetings.

The RCSC Benefits Plan is designed to acknowledge that our workforce is diverse and recognizes its diversity as it encourages each employee to design his/her own benefits plan based on individual needs. The individual plans are paid for in a diverse manner: some are 100% RCSC paid; some are cost shared; others are 100% employee paid.

The Benefits Plan runs on a January 1 through December 31 Plan Year. Annually, employees are given the opportunity to make changes in their coverages to accommodate their individual and family needs for the coming year. Open enrollment establishes the time period for allowing changes.

Member Services:

There are still many great seats available for individual show tickets for the 2016 Winter-Spring Sundial Concert Series. Tickets can be purchased at the Lakeview Clubs Office.

General:

Monthly management reports are available on our website at [www.sunaz.com](http://www.sunaz.com) under the Corporate tab. Also, please sign up on the RCSC email list where you can designate topics of interest and stay in the loop with RCSC news alert emails!

## Project Updates

### Lakeview Center / Lakeview Lanes / Viewpoint Lake

- Two Viewpoint Lake wall repairs will be made once the necessary repair products arrive. One is small and will only take about an hour to complete but the other is very large and is being reviewed by a structural engineer before repairs are made. (Estimated Cost for these repairs – \$4,000)
- The Cardholder Services and Clubs offices renovation project is now complete. Both offices have moved back into their new space and are serving cardholders. I would like to thank RCSC cardholders for their patience and the Lakeview staff for all their hard work during this project. Contractors were Ken McIntyre Construction, Accel Electric, CCBG Architectural, D.H. Pace and Resource Flooring. (Cost – \$209,196)
- Remodel work at Lakeview Lanes is nearing completion with the new bowlers' area flooring installed, carpet trim-outs completed and new ball racks and counters set up. The new handrails are now installed on the stairs and the divider railings between the counters are being fabricated. Contractors include DFG Builders, Resource Flooring and the RCSC Skilled Trades Team. (Cost – \$55,248)
- The re-carpeting of the Lakeview mini golf course is now completed. Contractor is Floors at the Arizona Design Center. (Cost – \$20,781)
- Construction and deployment of pipe palaces fish habitat into Viewpoint Lake occurred the week of October 26, 2015. Construction and deployment of fingerling fortress fish habitat and hanging fish habitat occurred the week of November 2, 2015. Construction and deployment of catfish condos habitat occurred the week of November 19, 2015. This completes the total fish habitat project for Viewpoint Lake. Additionally, approximately 500-600 lbs. of 10"-13" rainbow trout will be stocked in Viewpoint Lake once the lake temperature decreases. This will most likely happen in December 2015.

### Sundial Center

- The small pole lights around Sundial Center have now been replaced with new LED fixtures. Many positive comments have been received about these fixtures and the improved lighting. Contractor was Accel Electric. (Cost – \$14,109)
- The broken florescent light fixtures in the clubs display cases at Sundial will be replaced soon with new LED lighting. Contractor is Accel Electric. (Cost – \$11,312)
- A \$10,502 APS rebate was received by the RCSC for the Sundial pool/spa LED lighting project. The rebate brought the total cost for this project from \$55,425 to \$44,923 since there were no contingency costs associated with this project.

### Bell Center / Bell Lanes

- Remodel work at Bell Lanes is nearing completion with the new bowlers' area flooring installed, carpet trim-outs completed and new ball racks and counters set up. The new handrails are now installed on the stairs and the divider railings between the counters are being fabricated. Contractors include DFG Builders, Resource Flooring and the RCSC Skilled Trades Team. (Cost – \$47,812)

### Fairway Center

- The Best Friends Dog Club shade canopy and artificial turf project is now completed. Contractors included Arizona Bag and Shade, Sun Burst Landscaping, and CCBG Architectural. (Cost – \$80,909)

### Mt. View Center / Sun Bowl

- A new T-Mobile Monopalm Cell Tower is currently being installed at the Sun Bowl property just west of the existing cell tower. The new site will not cause the RCSC to lose any parking spaces as these are desperately needed for RCSC Sun Bowl shows.

### Skilled Trades Department

- The RCSC Skilled Trades department completed 127 work orders during the first three weeks of November 2015.

### Centers Operations

- Marinette successfully hosted a Pickleball tournament from Tuesday, November 3, 2015 through Friday, November 6, 2015. The Marinette staff did a stellar job meeting the needs of the 330 participants during this event.
- Bell Metal and Wood Shops held a Halloween party which included watching movies and playing mini golf at the Bell mini golf course. The Bell staff really enjoyed serving this wonderful group of cardholders.
- Although the days are getting shorter don't forget you can still play mini golf under the lights at any one of our four courses. The locations are Mountain View, Lakeview, Sundial and Bell.

## Regarding the Lawsuit Filed Against the Recreation Centers of Sun City, Inc.

With respect to the lawsuit recently filed by current and past Sun City homeowners, RCSC has filed an answer to the complaint denying liability. RCSC will provide a further update once it obtains documents and information from the plaintiffs regarding the basis for their claims. For a copy of the complaint and answer, please email [rcsc@sunaz.com](mailto:rcsc@sunaz.com).

## i-MiEV on Loan to RCSC; Saves \$\$\$

Impressed by the commitment to solar power and renewable energies throughout the community, Mitsubishi Motors recently selected Sun City AZ to receive an i-MiEV (short hand for Mitsubishi innovative Electric Vehicle) and charging station. RCSC and Mitsubishi believe this arrangement will provide practical transportation for staff and afford us the opportunity to investigate the value of EVs for the corporation along with substantial cost savings.

## Friends of the Library

Another year and another year older! Seems like the older you get, the quicker the years go by – or is it just me? Since it is January, the Book Store must be having another huge sale! Would you believe? Everything in the Store will be on sale. The Friend's Book Store has been having very good sales all year at both Fairway and Bell Libraries. Does not seem to matter how many sales we have, you guys just keep buying. At 50 cents and a dollar, you can purchase quite a few items. Good thing we have patrons that continually donate books, CDs, etc.

January finds a really good sale, so save your money. Everything in the store will be half price on January 8 and 9. Of course those dates are Friday and Saturday. In case anyone is looking for Classical music, one of our friends donated a considerable collection. Even I bought a CD, so they must be good.

The Libraries will be starting up with their main programs in January.

January 4 from 2 to 3pm: Memory Training - An interactive one hour class for people who want to enhance and keep their memory strong. Registration is required! It will be held in the Bell Recreation Center Social Hall. Please try to remember.

January 8, 15, 22 and 29: Six-Week Diabetes Program - "Everyone with Diabetes Counts" kicking off from 10am until noon. This program is extremely important for anyone with Diabetes. The program encourages small lifestyle changes while learning about your diabetes and the way it affects your health. Registration is required! Call 1-844-472-4284. To participate you must: HAVE pre-diabetes or diabetes; Be a Medicare or dual-eligible beneficiary and/or provide care to someone with diabetes.

January 13 from 10 to 11am: Tax ID Fraud Program - 2.4 million taxpayers fell victim to Tax ID Theft in 2013. The IRS paid out \$5.8 billion in fraudulent refunds. Once a fraudulent return is filed, your legitimate return will be DENIED! Come and learn how best to protect yourself from this type of fraud.

January 19 & 26 from 9:30 to 11:30am: Turning Memories into Memoirs - This writing workshop is a two hour, six session workshop for people who want to get started writing their memoirs. Each session will feature a different aspect of writing, point of view, sensory details and description, accuracy and family history. Learn how to organize and how and where to publish. Again, space is limited so registration is required. Participants should register for all six sessions.

January 20 from 2 to 3pm: Author Visit – Linda Vitale. "Scam me once.....Can't Scam me again". Identity theft is addressed. This program is loaded with examples of the most common scams and advice and red flags to watch for. Copies of the book will be available for sale and signing by the author.

Also, please call the Fairway Library at 602-652-3000 with questions concerning upcoming programs, dates and times.

## Water Conservation

### Water Quotes & Considerations

Let's take a couple of famous quotes about water and talk a little about the impact it really has in our lives.

*Water, water, every where, Nor any drop to drink.*

This part of the "The Rime of the Ancient Mariner" is truer than one might think. Recalling that 70% of our home planet is water, one must also recall that nearly 97% of that is saltwater; and 90% of that remaining fresh water is locked up in the ice caps and glaciers. This leaves a minuscule 1% for consumption. Keeping as much water as possible out of our treatment plants means conserving by way of military showers, washing only full loads of laundry, rinsing dishes or cleaning vegetable and fruits in a bowl or sink full of water, turning off the tap while brushing teeth, et cetera. Think about all the things we've learned and implement as many of them as you can as often as you can.

*There's a hole in the bucket, Dear Liza... Well fix it Dear Henry...*

One faucet dripping one drip per second wastes 27,000 gallons of water annually according to one IBM infographic series. If focusing on your budget helps, the average cost of water in the West Valley is \$51.30 per 9,000 gallons. So one faucet dripping one drip per second, per one year could cost you approximately \$154 (or more) for nothing, let alone the wasted resources.

*How in the heck can I wash my neck if it ain't gonna rain no more?*

I bet you're wondering how this is going to tie in; so here it is: Another way to conserve water is to keep a bucket handy and when warming up that shower, catch the cold water. This can be used to water your animals, plants (interior and exterior) or to flush your toilet. I suppose you could even use it to wash your neck if you so wish. Learning to bathe at the sink with cold, or at least cooler, water (instead of waiting for the hot water to reach the basin) is another great way to conserve.

Sheriff's Posse of Sun City  
Vigilant Volunteers!

Except for the badge, it is difficult to distinguish between compensated deputy sheriffs, reserve deputies, and posse volunteers. So, what is this group of average citizens known as the Sun City Posse?

Although the Sun City Posse is not a law enforcement agency, Posse members are an additional layer to the Maricopa County Sheriff's Office who are specially trained, and must maintain very high standards. Their watchful eyes provide additional protection and security in the community by addressing suspicious activity. The Posse regularly patrols Sun City streets and neighborhoods and provides a multitude of services including the popular vacation watch. An Emergency Information Program is also available where current personal resident information is added to a secure database in case of a welfare, medical, or fire emergency.

The presence of the Sun City Posse has resulted in a safer community compared to adjacent cities. Receive a complete list of their provided services online at [www.suncityposse.org](http://www.suncityposse.org), by calling 623-972-2555, or pay a visit to Posse Headquarters at 10861 W. Sunland Dr.

There is no maximum age limit to become a Sun City Posse volunteer. Consider joining their team as they dedicate their service on a daily basis to benefit Sun City AZ!

Attention Sun City Dancers!

The spotlight at Sundial could be on you!  
No experience necessary!

Dancing with the Sun City Stars will be back in 2016 and we will select six lucky Sun City residents (three men, three women) to take the stage & compete for the coveted mirror ball trophy!

Sign up for the random drawing at the Lakeview Clubs Office (temporarily located in Social Hall 2).

The deadline for entries is Friday, January 29 at 4pm. Contestants will be drawn & announced on Monday, February 1.

Sun City Gives Back -

Birthdays and Ball Players Give Reason to Celebrate

"Sun City Gives Back," not only to local organizations, but to each other when the occasion arises.

Recently, three RCSC Card Clubs - Monday Night Card Sharks, Saguaro Bridge and One Partner Bridge - joined together and honored Mark Frankl by hosting a joint birthday party. Frankl, who proudly turned 100 years young in November and doesn't look to be a day over 85, was granted honorary lifetime memberships in all three clubs.

Mark has been described by many as a true gentleman. He served in France during WWII. After his first career as a mail carrier, Mark later created a business with his wife selling goods which became a global enterprise.

A Sun City resident since the early 1980s, Mark was very thankful for the party and hopes to do it again next year!

The Sun City Softball Club reached out several years ago wishing to support the Sun City Home Owners Association outreach programs; their assistance has been invaluable working during the winter months by cleaning Community properties. The group of 12 to 14 team members assist with cleaning Sun City properties three to four times each winter.

In 2015 there were over 50 properties cleaned through SCHOA's Community Intervention and Residents Assistance and Maintenance programs which is supported by volunteers. The players generously use their own tools and equipment that is needed for the cleanups contributing over 100 hours during the winter assisting residents who may have extenuating circumstances.

Gene Turiano, Assistant Compliance Manager, spearheaded SCHOA's outreach programs and stated "SCHOA couldn't continue to provide their programs to Sun City residents without this invested group of "young" ball players." Thanks for your help!

Fairway Woodworking Club

Fairway Woodworking Club celebrated its fiftieth anniversary this past March. Its members are skilled at helping others. Those interested in learning, creating beautiful woodworking projects as well as assisting others concerning the best way to do something are welcome.

The reason the Fairway Woodworking Club has been sustainable for over fifty years is its friendly approach to all members but especially new members. In fact, several new members stated that they have not done woodworking since junior high shop class. It makes no difference. We have assigned daily volunteers called monitors. The monitor's sole responsibility is to help anyone who needs it and ensure the safety of each member and guest(s) who come to visit.

The annual fee is \$15, which is good from January through December. You must be a valid RCSC Cardholder to join. The club is open six days a week – Monday through Friday from 8am to 4pm and 8am to noon on Saturday (with abbreviated summer hours May through September). We give daily tours of the shop!

The shop is a non-profit club. The proceeds from all club sales purchase future equipment/supplies giving us the best-supplied shop in Sun City.

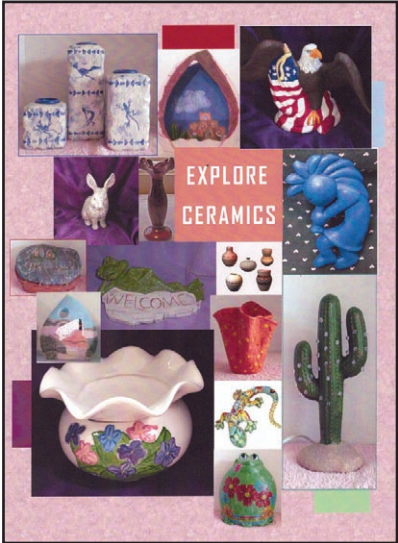

Oakmont Ceramics

Oakmont Ceramics, located at Oakmont Recreation Center, is open Monday-Thursday 8am-3pm, Tuesday evenings 5:30pm to 9pm, Saturdays 9am-noon and closed on Fridays. During the summer, June thru September, we are open Monday, Tuesday and Thursday 8am to noon, Wednesdays 8am-3pm, Tuesday evenings 5:30pm to 9pm, Saturdays 9am-noon and closed on Fridays.

On Tuesdays we have open Workshops with our very talented member, Cheryl Kurth. On Thursdays we have various instructors teaching many techniques including Brushstrokes, Dry Brushing, Clay Carving, Clay Lifting, Embellishing, Glass Painting, Sgraffito, Sponging, Stamping and Zentangle. If you have a technique you think others would enjoy, become a member and teach others.

Our Boutique is open to all for purchase of unique handcrafted gifts made by our members. Annual dues are \$5 and membership is open to all current RCSC Cardholders.

We are located in the Oakmont Recreation Center, 10725 W. Oakmont Drive, Sun City, phone (623) 363-3908.

Leathercraft Club

Diania Myers and Larry Kraft, shown here in this photo (left), look over the beautiful leather coat and matching bag they created for the 2015 Sun City Arts and Crafts Festival leather club raffle. If you join the club now you might be able to take part in making the raffle item for next year.

The Sun City Leather Club is open to all RCSC Cardholders and our annual dues are only \$10. Beginner classes are held on Tuesday and Thursday at 8:00 am, where you'll learn everything from carving and stamping to garment and construction. Lessons, patterns and tools all furnished.

We are located at Marinette Recreation Center at 99th Avenue and Union Hills Drive. Winter hours: 8am-2:30pm; summers hours: 8am-noon, Monday through Friday.

Learn to make all kinds of leather goods, from belts to purses, holsters and even mini saddles. It's a great group of people and a wonderful craft.

For more information, please call 623-594-6591 or 623-933-8831.

Sundial Silverstones

Do you want to use your talents, improve on your talents or develop some new talents? Then Sundial Silverstones is the place for you. We offer a number of classes (for a nominal fee), including basic lapidary, glass fusion, gem faceting, wire wrapping and much more...all in one club. Our club is open to all RCSC Cardholders.

Our hours are Monday through Friday 8am to 3pm and Saturday 8am to noon. Our Jewelry store is open Monday through Friday 9am to 3pm and Saturday 9am to noon. The jewelry store is filled with items crafted by our members. Stop in and see our handiwork and receive 10% off your entire purchase by using this coupon.

Friday Afternoon Bridge

If you play contract Bridge and would like to have a good time doing it, you will want to come to Fairway Center Arizona Room #2 on Friday afternoons. We ask that you arrive by 12:15pm so we can start play at 12:30pm.

All RCSC Cardholders in good standing are welcome to join for a low membership fee of \$3 per year plus 50 cents each play day (from which slams and high scores are paid).

Visitors to the club with current RCSC cards are welcome to try us out for \$1 a day with a limit of two times before being required to join. Escorted guests of RCSC Cardholders may attend any time for \$3 a day. Please note, however, that preference will be given to current club members, if we have excess players.

We enjoy four rounds of play with six hand each round switching partners after each round. Men and women are welcome. No partner is needed. We pair up all players.

We look forward to adding your name to our membership list. For more information, please contact Mary Ann at 623-933-9671.

Chamber Orchestra

Join the Sun City Chamber Orchestra, which is made up of retired musicians. We meet on Wednesday morning at Fairway Recreation Center in the music room from 9:00 to 11:00am (at 107th and Peoria Ave). No auditions are necessary. Enjoy making music with your string instrument and share your gifts entertaining others.

We play both classical and popular music because we like all music. We have had performances at Sundial, the American Lutheran Church, and Willowbrook United Methodist Church among others. Our concerts are about once a month. Join us in making music together.

Sun City Piano Club

"The Piano Club saved my life," says Kathrene Allen. As she tells it, when she and her husband, Jimmy, settled in Sun City, he had a serious heart problem. Within days after surgery, he passed away leaving her in a new town with virtually no close friends. Jimmy had been her closest friend, and now he was no longer here.

Kathrene was devastated, and became extremely depressed. Her whole world had been turned upside down. As she continued to mourn the loss of her beloved husband, she knew that she needed to get involved in some worthwhile activity. A talented pianist, she spotted an article in SunViews mentioning the Piano Club. That was 10 years ago.

And as Kathrene will tell you, the Piano Club, with its caring and compassionate members, gave her the courage to carry on. Today, she is a volunteer on the Club's Board of Directors and a valuable Student Coordinator, assisting other seniors looking to begin piano lessons.

One of the longest active Clubs, we've dedicated ourselves this year to three core principles:

- 1. Encourage and enlarge our piano performers so our monthly performances are of the finest quality. We seek to have players who bring every style and experience level to our programs and our audiences are comprised of lovers of piano music who enjoy listening to a variety of music.
- 2. Emphasize educational offerings. Our three highly trained teachers give a variety of classes designed especially for seniors who want to learn or improve their skills. To get full details call Kathrene Allen at 623-792-7266
- 3. Our Volunteers will entertain Sun City Clubs and non-profit organizations at no charge. Some of our talented members offer to play for retirement facilities and nursing homes.

We meet on stage at the Sundial auditorium on the third Friday of each month from 9:30 to 11:30 am October through May. Membership for RCSC Cardholder is \$10 annually, with family membership of \$15. Invited guests may attend free.

## New England Club

The New England Club meets the second Saturday of the month at Lakeview Social Hall #1. Social time is at 5:00 p.m. with snacks and at 5:30 is the business meeting followed by dinner at 6:00p.m. Dues are \$5.00 per year.

Our club is a social Club with many activities, such as a cruise on Lake Pleasant (above), mini golf at Lakeview, bowling and darts and Casino trips. We also get together to go to breakfast or lunch at area restaurants once in a while.

Our meetings are lots of fun and after dinner we play games. In November we have a white elephant sale with one of our members as the auctioneer, he does a great job and gets everyone involved in the fun.

It is also very interesting listening to the different accents from all over New England -such a small area and so many accents!

We also get together in the summer for those who stay here. For more information please call Barbara at 623-815-6722, or Bob at 623-583-3912.

## Rhythm Ramblers

The Rhythm Ramblers Dance Band is 52 years old and was the first dance band in Sun City.

Del Webb commissioned the Rhythm Ramblers to welcome and entertain visitors coming into the area. The "Big Band Music" was played at various functions and in particular for a weekly "Chuck Wagon Dinner" at the Lakes Club which, at that time, was an apartment-renting facility. The original band consisted of nine players.

Over the years the band has grown to its present "big band" size of 18 which includes five saxophones, four trombones, five trumpets, piano, bass, drums and our leader, vocalist and clarinetist, Barry Dale. The Rhythm Ramblers are all professionals having played with famous name bands such as Al Hirt, Woody Herman, Nelson Riddle and well-known celebrity vocalists. Barry Dale had his own big band in Canada appearing on Canadian TV and Radio. A number of the musicians played for our troops during the Vietnam War. Many of them performed with bands backing such stars as Martha Raye, Bob Hope and more.

The Rhythm Ramblers perform on the first Tuesday afternoon every month beginning in October through April from 2:30 to 4:30pm at the Sun City Sundial Auditorium. All RCSC Cardholders are invited to the dances. Admission is \$4 for RCSC Cardholders and \$6 for guests/visitor. Dress is casual. Bring your own snacks and drinks. We furnish cups, ice and napkins. For more information, please contact Tom at 623-876-8464.

## Bell Aerobics Club

We are men and women of Sun City who wish to keep our bodies in shape, increase our flexibility and stamina, and make friends.

Bell Aerobics Club is open to all RCSC members regardless of fitness level. Each person completes the exercises according to his/her own abilities improving at his/her own rate. Our exercise routine involves stretching, mat work, and finally the use of a pole. Exercise, smile, and have fun!

We meet Monday, Wednesday, and Friday in the Bell Social Hall at 8am, 9am, or 10am. You may wish to visit all of the classes as each one is a little bit different from the others. Dues are \$3 per year.

Please contact Brenda at 623-455-1818 or Judy at 623-933-4362 if you have questions or would like more information.

## Tip Top Dance

The Sun City Tap Dance Club is located at the Marinette Studio. Many of you may remember your younger days in tap classes. Come and rekindle those fun times with us.

We have classes Monday to Friday including beginners through advanced and of course our Moving to the Beat class Tuesday and Thursday. Pictured here is our witch's hat competition at our annual Halloween Party

We have had many changes this year so our class schedules have also changed and there are three new teachers - Dallas, Susan, and Denise plus our regular teachers Joey, Jackie and Diana.

For our new members, our membership fee remains unchanged at \$10 per year. Classes are \$12 per month, per class. Kim, the teacher for Moving to the Beat, charges only \$3 per class.

If you have not kept your tap shoes or your feet have out grown them, we have a supply, so come on in and try them on. We occasionally perform for groups and our teachers will make you smile while dancing – what a great exercise!

Tip Top Class Schedule:

Monday: Advanced Variety, 9am; Beginners, 10:15am  
 Tuesday: Intermediate, 9am; Advance Tap, 10:15; Moving to the Beat, 1pm  
 Wednesday: Technical Tap 9am. Thursday: Moving to the Beat 1pm

Bocce Club

As the beginning of the New Year is now here, perhaps you're looking for something new to do. Consider Bocce Ball. It is challenging and rewarding. Our Club welcomes new members to our Bocce family.

Club tournaments are played on Mondays, Tuesdays, Wednesdays and Fridays from late September through May. Periodically a special team tournament is played on Thursdays. Non-tournament play is Sundays, Thursdays (September through May) and Fridays. There's a day for everyone. All equipment is furnished for 11 shaded, carpeted courts. Annual membership dues remain at \$5 per person. All RCSC Cardholders in good standing are eligible to join and you may play three times before joining. Free lessons are available and new member tournaments are already scheduled for early February. Check the Club bulletin board for summer play.

An open house will be held on Saturday, January 23 from noon to 3pm at the Sundial Center courts where you'll see "The Fun Club" banner. Come for trial play and refreshments. Hope to see you.

In addition to member meetings, we have parties and pizza fund-raisers throughout the year. We're hosting the Arizona Senior Olympics again this year and also participate in a Tri-Cities tournament with Sun City West and Sun City Grand. What a wonderful opportunity to get involved in community activities. For more information, please call Edith at 623-271-0092.

Dance for Fitness

Are you looking for a fun way to keep your body in motion? Do your feet always want to move in time with the music? Would you enjoy starting your day with a group of energetic people and "well-loved" music? Join the Dance For Fitness group on Tuesdays, Wednesdays, and Fridays. Come once, twice, or three times a week, whatever fits into your schedule.

Dance for Fitness is a low-impact aerobic dance class featuring choreographed routines to contemporary music from the 50's thru today. An instructor teaches a new routine or reviews a past routine for a short time at each class. Dance leaders guide us through each routine. It is not important how well you remember or perform the routines, only that you are moving and having fun. You can individualize each routine to meet your personal exercise requirements.

Dance for Fitness meets from 9 to 10am on Tuesdays at Bell Recreations Center; Wednesdays at Sundial; and Fridays at Mountain View. The class is open to all RCSC Cardholders and includes both men and women. Annual dues are \$5 with no other fees. For more information call Penny at 623 933-7021.

# Thanks to you! 2015 Sun City Holiday Celebration Tops All Records!

RCSC's Management Team in early 2015 selected Sun City Fire & Medical to be the beneficiary of our fundraising efforts. But despite the time volunteered by staff, it takes our community to come together and show support.

Starting off with the traditional Ring That Bell ceremony in July, we requested donations for "free" hot dog lunches and Sun City AZ residents gave generously. We collected over \$1,100.

Fun and games dominated the afternoon at the Country Fair in October where carnival games with prizes and the infamous llamas brought out both the young and the young at heart. Your donations at that event blessed us with more than \$1,300.

The Winter Celebration Golf Tournament in December showcased the renovated Riverview Golf Course and included a Trick Shot demonstration by Golf Magazine's "2013 Golf Entertainer of the Year" Brad Denton. Nearly \$2,500 was raised.

Proceeds from the RCSC "Fire" Sale exceeded expectations and brought in \$842.50.

But the grand finale of these efforts every year continues to be the Sun City Holiday Celebration at Lakeview - our chance to gather to wish all a "Merry Christmas."

The lines formed early on for Duck Bucks right up to the time of the race. You walked for pies and attempts were made for a hole-in-one. You took a chance on the Money Tree and purchased calendars, coffee and cocoa.

And by the time the Lighted Boat Parade made its journey past the spectators on the shores of Viewpoint Lake, an amazing \$13,576.77 was collected for the Sun City Fire Department. An all-time record!

Thank you, Sun City AZ, for your support and generosity!

Far left: The booths were busy early at the Holiday Celebration

Left: Hats were the costume of choice for many.

Bottom left: The Money Tree has proven to be a hit. The winner took home not only the tree but \$551.

Bottom center: The hole-in-one contest scored \$174 for one lucky winner.

Top: The young and the young at heart enjoyed the day, talking to the firefighters, walking for pies and eating free cake, too.

Near left: Spectators lined the walk in anticipation of the Duck Race, which proved this year to be held at bay by Mother Nature and the wind.

Right center: RCSC staff managed to blow and prod the little duckies towards their mama and the finish line. The two sets of winners from each race won the following: 1st Place, \$595; 2nd Place, \$350; 3rd Place \$240.

Bottom right: Awaiting the winning ducks!

Below left: Sun City Firefighters attended several events this year, including the Sun City Celebration.

Below: Lighted Boat Parade ended the evening.

An incredible \$13,576.77 was raised for Sun City Fire and Medical Department!

Thank you!

Tips for Seniors from Daily Fitness -

Preparing the Body for Pickleball

Above: Shirley Bostwick uses a strength workout designed by trainer Dick Fortier, to prepare her body for the game of pickleball.

Pickleball is one of the fastest growing sports in America and can be played by about anyone. Sun City is the home of one of the most prestigious pickleball complexes in the West Valley.

“Preparing the body for the game of pickleball is just as important as preparing the body for any athletic endeavor”, states Dick Fortier, personal trainer for Daily Fitness. “A myriad of muscle groups are involved in pickleball. Keeping those muscle groups in top-notch condition reduces the risk of injury. The shelf life of our body parts becomes a factor, as we age. Normal wear and tear happens. When recreational sports are involved, this degenerative process occurs faster”.

“Knees take a lot of abuse in pickleball,” states Fortier. Knees are just two bones balanced on top of each other, with muscles (quads/hamstrings/ITband) to protect them. Knees are dependent upon the strength and flexibility of Quads and Hamstrings. Strength Exercise can improve the performance of these two muscle groups, and Flexibility Exercises can cut down on injury to these muscles. The Iliotibial Band needs to be strong and pliable to protect knees with the lateral movement involved in pickleball.”

“Because the sport requires lots of bending, trunk rotation, side-to-side shifts and arm swings, the muscles involved in those movements need to be in good condition, as well”, continues Fortier. “Preparing appropriate muscles for the game should involve a balanced strength workout, as well as static and dynamic stretches for flexibility.”

Daily Fitness trainers are professionals at designing workouts that target needs. They teach proper breathing, form, technique, and cadence for strength exercise, as well as stretching techniques that are sport specific. If pickleball is your passion, prepare your body in the best way possible, for the sport. LaTouch Wellness Massage Therapy Shares...

Therapeutic Wellness Services Overview

LaTouch Wellness offers many different types of healing modalities to assist you with enhancing your health and wellness. We are pleased to take this opportunity to offer a bit of information about the core services that we provide at LaTouch Wellness.

The foundation of what we offer is therapeutic massage; it has been proven that therapeutic massage is great for reducing stress and relaxing tight and tense muscles and promoting a general feeling of well-being. There are many different types of massage therapy that are available.

1. Swedish Massage. This is the most common and best-known type of massage in the West. The primary benefit is for relaxation and releasing minor tension within the muscular structure, this also helps improve circulation and reduce mental and emotional stress.
2. If you are experiencing a constant ache or pain in a specific area of the body, then, Deep Tissue Massage may be the massage for you. This type of massage focuses on releasing chronic pain that has caused discomfort for some time, it is more therapeutic work nature, which may include releasing trigger points and rebalancing the muscle. Both of these types of massages are performed on the massage table where the client is covered under a sheet, undressed to the clients comfort level and only the area of the body that is being worked on is exposed at any given time.
3. Sports Massage - This compliments and enhances the effects of your workout. For Sports Massage you remain fully clothed on the massage table as we incorporate gentle stretching and apply pressure to relax tight muscles.
4. To detoxify your body and enhance your immune system, Lymphatic Massage is recommended. This type of massage utilizes a very light touch that stimulates the lymph fluid, which encourages tissue regeneration. This same technique applied systematically in the Lymphatic Facial Massage is beneficial in reducing fluid retention, toning and reducing the appearance of wrinkles.

In addition to all these wonderfully beneficial therapeutic massage modalities we also understand that Energetic Healing is vitally important to our health and well-being. Energetic Healing is when we focus on healing the whole person, body, mind and spirit, this encompasses our energetic field. The medical world is now realizing the negative effects of stress on our health. The levels of stress we experience are determined by our thought processes. Our thoughts control the energy flow within and around our body, energy imbalances and blocks may result in discomfort and disease.

Reiki Energy Healing helps to regulate and balance the energy field of the body. Reflexology focuses on balancing the energetic points within the hands and feet. Incorporating Guided Imagery addresses and enhances our subconscious thought processes. Aromatherapy is the use of essential oils which can assist us in shifting our energetic and emotional state to one of greater health and well-being.

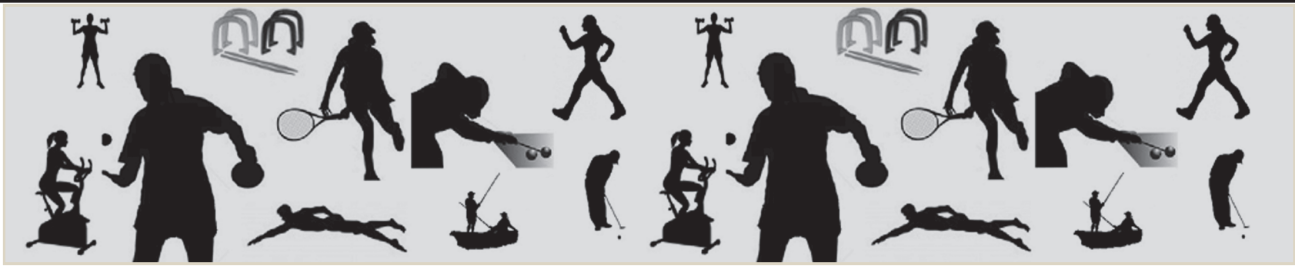

If one of these types of Therapeutic Massages or Energetic Healing Sessions resonates with you, take the next steps to a healthier you. LaTouch Wellness is located inside the Fairway Recreation Center. Please contact Laura at (623) 201-0378 to schedule your appointment today! Visit our website at [www.LaTouchWellness.com](http://www.LaTouchWellness.com) for additional information.

# Becoming Dr. Ruth

By Mark St. Germain

You thought you knew everything there was to know about Dr. Ruth Westheimer from her career as a pioneering radio and television sex therapist! But did you know about her incredible journey fleeing the Nazis in the Kindertransport and joining the Haganah in Jerusalem as a sniper, to her struggle as a single mother newly-arrived in America. This remarkable story is filled with the humor, honesty, and life-affirming spirit of Karola Ruth Siegel, the girl who became "Dr. Ruth," America's most famous sex therapist.
