Tennis Anyone? Renovated Bell Courts Now Open

Sun City AZ tennis players recently braved the warming temperatures for the opening of the renovated Bell Center Courts. The Tennis Complex now has 10 new courts along with a shaded gathering area, courtside canopies, electricity to each court, a practice hitting wall, tables and benches for spectators and planters in the common areas. Contractor Sunland Sports is submitting this project into competition for an award from the American Sports Builders Association. We're certain that you'll "love" this new facility!

RCSC Cardholder Login Updates Announced

The future is now for many Sun City AZ residents as they continue to enroll to receive RCSC News Email Alerts and/or use the RCSC Cardholder Login (Web Portal) to pay their assessment in real time online or book golf tee times.

To date, there are over 7,300 RCSC Cardholders signed up to receive News Alert Emails. This is a great way to get communications from RCSC including general news (such as management reports and press releases), notices regarding centers and information about upcoming events and entertainment.

RCSC has also updated the RCSC Cardholder Login with a simplified payment process that allows any property owner to make payment for the balance due on the property. This recent update also includes other features requested from Cardholders such as the ability to change contact information (such as a change of email address), improved details display, reporting for center visits and golf rounds, and transaction detail visibility/reporting for account balances. Cardholder feedback has been important to this update process and we look forward to these enhancements providing better service to you.

Using the RCSC Cardholder Login allows Cardholders to:

- View your property/cardholder assessment balances
- Make payments towards outstanding assessment balances with VISA, MasterCard, or Discover
- Run reports for assessment and payment history
- Book golf tee times and view current round bookings
- View golf play history
- View pro shop purchases, including items purchased in golf course pro shops and Cardholder Services
- View and report on facility check-ins at RCSC Centers
- View on account balances and related transaction details
- Manage participation in e-mail communications from RCSC
- Vote in annual Board of Director elections.

Stay in the loop and keep in the know by getting connected today. Visit www.suncityaz.org and click on Recreation Centers of Sun City to access the RCSC Cardholder Login and get your future started now.

Board Candidate Packets Available June 3

While the RCSC Board of Director elections may be months away, now is the time to make a commitment to give back to the community by becoming a candidate for upcoming Board vacancies. There will be three vacancies to fill in this year's December election, with each vacancy being a 3-year term.

Candidate packets will be available for pick-up on Wednesday, June 3, 2015. Those interested in obtaining a packet must make this request in person at the Corporate/Board Office at Lakeview Center (lower level) and present their RCSC Member card. The deadline for packet submissions is no later than noon on Friday, October 2, 2015.

Requirements to become a RCSC Board candidate are:

- Must be at least fifty-five (55) years of age;
- Must not be related by marriage or birth to any other member of the Board, Senior Management Staff, or Board Candidate;
- Must be a Deeded Real Estate Owner of property in Sun City, Maricopa County, Arizona;
- Must be a Member in good standing;
- Must reside in Sun City, Arizona and be available at least ten (10) months of the year;
- Must meet the requirements to hold an Arizona liquor license (RCSC holds liquor

licenses which require Board officers to be included on the licensing);

- Must be eligible and available to serve a three (3) year term; and
- Must be available to attend Board Candidate Orientation(s).

Candidates must also submit a fully completed RCSC petition, signed by 100 or more Members in good standing, along with all other forms provided in the RCSC Candidate Packet.

A successful candidate will:

- Have a strong desire to serve Sun City;
- Be fair and courteous;
- Use good common sense;

- Have good communication skills;
- Be willing to work as part of a team;
- Ability to prioritize - policy and projects; which will have the greatest benefit for the most members; and
- Be willing and able to dedicate the necessary hours to be an effective Director.

Candidates will be introduced at both the October and November Board meetings and at two candidate forums that will be held in the fall. Forum locations and dates will be announced at a later time.

For more information, please contact the Board Office at 623-561-4620 or email boardoffice@sunaz.com.

Golf Report

Pro Shops

Total rounds played were down 2,389 rounds to prior year, mostly as a result of an additional rain day compared to prior year. Rounds at the executive courses remain brisk, posting their second highest number of rounds played in March since 2006. Despite weather challenges rounds are remaining steady with recent performance, we have had 117,511 rounds recorded this year, which is the 3rd highest total of the previous six years.

Though there was no “Moonlight” to be found, our first night event of the year certainly was filled with “Madness,” 58 players braved chilly temperatures and strong winds, on Saturday, April 25. Prior to play, participants enjoyed pulled pork sandwiches prepared by the Lakes snack shop, followed by dessert. Participants competed in four flights, utilizing a two person scramble format; in addition skill prizes for long drive, closest to the pin and longest putt were also available. Winners were Steven Sorini and Sue Carnahan (First Flight), Martin and Mary Rey (Second Flight), Mike and Carol Lunz (Third Flight) and David and Beverly Pedersen (Fourth Flight). Full results are available on the RCSC website.

The first tee time for courses using a straight sheet will be adjusted as daylight permits, though they will be no earlier than 6:00 a.m. The earlier starts also allow early risers the opportunity for finish their round sooner in the day.

Snack Shops

Despite the additional rain days, snack shops managed to come within \$700 of budget. We continue to thank everyone for their support. Snack shop closing times will be adjusted, based on demand; 3:00 p.m. is the traditional closing time in May. Pro shops will have beverages and some snacks available when snack shops are closed.

Golf Courses

Despite our efforts to prepare golfers on the expected conditions of North (following the renovation), we continue to receive questions and concerns regarding the current condition. In an effort to help get the proper information out, we would like to cover a few key points.

- The greens were not over-seeded for this past season to protect them long term.
- Since they were not over-seeded, a pigment was applied to give them color otherwise they would have been brown.
- The greens are less than a year old and have no organic matter built up. As they mature they will develop a thatch layer allowing them to soften and grow into the surfaces we expect them to.

Beat the Heat - Go Bowling!

Once the temperature hits the triple digits, it's time to head for the bowling center to beat the heat!

Bowling is a great sport that offers many health benefits to those who play regularly which can contribute to a healthier lifestyle overall. It's a very good form of relaxation; it helps you to socialize and reduce stress and acts as a stimulus for your competitive nature.

Stretching and warming up before you start bowling is highly recommended. Even if you only bowl once a week, you'll be lifting your ball, twisting, walking and swinging with every frame. Bowling also helps you burn fat. A game of bowling can burn anywhere between 170 to 300 calories pending upon your weight and how much effort you use.

For many, bowling is less sport and more social. While improving your game might be your ultimate goal, spending some time at the bowling center with family or friends is a great way to stay out of the heat and have fun at the same time. Some psychologists recommend that making new friends (which you're bound to do when bowling) can actually improve heart muscles and increase your longevity.

RCSC bowling staff is always on-hand to help you get started. If improving your game is your ultimate goal, lessons are available as well (for a nominal fee).

Yes, we know it's hot outside. But being at the bowling centers is very, very cool!

Sun City Open Tournament

The 27th Annual Sun City Open Bowling Tournament was completed on the weekend of May 2nd. This year, the tournament had 63 team entries and 256 singles entries. The tournament produced over \$5,000 in income for the RCSC Bowling Division.

Bowlers from all over the state participated in this tournament and Sun City resident John Kaus bowled an outstanding 809 series in the singles event. Way to go, John!

Tournament participation has improved over the past few years:

Riverview Renovation Update

Above: Golf course architect Gary Brawley and Shaper Daniel Rojas discuss shaping and construction of new bunker at hole 5 of the Riverview Golf Course.

by Gary Brawley
ASCGA Associate

We are getting closer! With the Bermuda grass growing season ahead of us now the only thing left to do is finish prep all of the disturbed areas and plant with new Bermuda grass.

The new west irrigation pump station is now completely operable giving the golf course much more water than they had previously with the old system. Although we have the ability to water the entire golf course from either side of the property on a temporary basis, right now the golf holes on the west side of Del Webb Blvd. is independent from the golf holes on the east side, allowing better management of irrigation flows and grow-in.

Front-nine bunkers are complete and the three man bunker crew is working their way through the back-nine holes. Once we get the sand in the bunkers most of the heavy construction traffic onto the golf course will be complete and the golf course maintenance staff can really start to push the grow-in.

During the grow-in of the golf course it will be wet and it will not be uncommon to have standing water in some areas. The optimal growing condition for Bermuda grass, is hot and humid and especially during these early months of the growing season we have to "create" our own humidity. As the Bermuda grass establishes itself we will be able to back off on the water.

We want to remind everyone at this time to please help everyone involved with this project and stay off the golf course. Damage to a newly planted area can be costly to

repair as it typically involves turf removal, re-grading, and sodding later in the season.

I look forward to working with the crews to bring the Riverview Golf Course to completion.

How Rare is a Hole-in-One?

A hole-in-one (commonly referred to as an ace) is a rare feat that the average amateur golfer rarely achieves. It is estimated one out of every 12,750 shots on a par-3 goes directly into the hole. According to Golf Digest, on a course that has four par-3s, the likelihood of a player making two aces in a round is one out of 162,562,500 times.

Congratulations to the following golfers who have hit hole-in-ones over the past several months on RCSC Sun City Golf Courses (as reported to Pro Shop personnel). In spite the odds - Way to go!

- 1/10/15 Mike Lunz, Quail Run Hole #7, 106 yards
- 3/13/15 Arnie Hanson, Lakes West Hole #2, 140 yards (Friday the 13th!)
- 3/15/15 Helen Scoville, Lakes East Hole #14, 95 yards
- 3/30/15 John Cliff, Willowbrook Hole #16, 152 yards
- 3/31/15 Barbara Stram, Quail Run Hole #7, 86 yards
- 4/1/15 Matthew Fischette, Willowcreek Hole #11, 120 yards
- 4/2/15 Joy Blaser, Lakes East Hole #16, 140 yards

- 4/7/15 John G. Cliff, Lakes West Hole #2, 132 yards
- 4/10/15 Wayne Dahl, Willowcreek Hole #8, 180 yards
- 5/3/15 Stan Kockanski, Lakes East Hole #6, 132 yards
- 5/4/15 Robert Shelton II, Lakes East Hole #2, 86 yards
- 5/9/15 Phil Brueshaber, South Hole #12, 185 yards

Golf Report

(continued from page 4)

- The heat during over-seeding worked against us. We stuck to our time table in order to not interfere with planned events. Over-seeding schedule for all courses has been moved to October for this year, with Riverview scheduled in the second wave of courses.
- Summer heat will allow us to move into our normal agronomic practices, allowing us to aerify, top-dress, verticut and fertilize all areas of the course. This will begin the process of "softening" up the golf course.
- The North greens will be over-seeded this year, though they will still be firm.
- We have always stated that conditions would take eighteen months to two years to normalize and provide the playing surfaces expected.
- The conditions at Riverview will be similar to North.

We understand the frustration many are experiencing, we only ask for your patience, as we move through the expected processes and conditions, following the renovations. The North renovation is in infancy, we expect her to grow into a beautiful adult.

All courses are currently preparing for summer and the transition from winter rye to bermuda. Fairway cuts have been lowered, to allow better infiltration of sunlight to the bermuda base. Watering has been increased, with temperature fluctuations; wet spots will not be uncommon. The courses with recent irrigation renovations will have better control over wet spots. Wall to wall slow release fertilizer has been applied to all courses. Fairway aerification will begin May 18 at South.

A Moment with President Schroeder:

Consider Becoming a Candidate

Most of us move to Sun City AZ for the great retirement value and lifestyle we enjoy along with the number of activities available to keep us healthy, active and involved. Whatever your pleasure, there is always something to do and someone to do it with.

State-of-the-art fitness facilities, first-class golf courses, two bowling centers, outstanding pickleball and tennis courts and clubs for every interest allow Cardholders abundant opportunities to participate and partake in a wide variety of activities. Add to that our many events and concert offerings, and the list of things to do seems virtually endless.

But behind all of this fun in the sun and personal enrichment are members of our community that keep things running smoothly. Sun City AZ did not get the nickname "City of Volunteers" by accident. Early comers to the community saw unfulfilled needs and joined forces to establish many of the organizations that still are in existence today offering support and guidance to those in need.

The operation of the Recreation Centers of Sun City is really no different. You and your input are needed to keep the wheels of Sun City AZ on track. The RCSC Board of Directors represents each and every Cardholder throughout the decision-making process. This unique system of self-governance works now and will continue to work, but only with your help.

Each year Board elections are held in December for three upcoming vacancies and each Director on the Board serves a three-year term. Directors bring a variety of life experiences to the table and help to prioritize which projects and policies would have the greatest benefit for the most members – and in the process, the future of Sun City AZ – all the while representing each and every one of us.

Thanks to the dedication of the elections committee, RCSC has succeeded in having an abundance of qualified candidates over the last two election cycles to ensure there were more than three candidates on the ballot.

Among the requirements to run for the Board include being a deeded owner of property in Sun City and a member in good

standing; a candidate must be at least 55 years old and available 10 months of the year.

Most importantly, becoming a candidate means letting others know that you truly believe in the values that have helped to make Sun City AZ the greatest place to retire in the country. Current and past Board members are always willing to talk to anyone interested in running for the Board and Candidate Orientations are held to prepare members for the election process.

In the fall, Candidate Forums are held which give members the opportunity to question the candidates, to find out about their talents, education and life experiences. Candidates must also explain their reasons for running and what vision of Sun City's future they would bring to the Board.

Forums are very important because they not only provide voters with valuable information; the candidates are required to really think about what they represent and to articulate their position on many issues.

Once elected, there are no easy decisions. The most important question to consider becomes, "What's in the best interests of the Recreation Centers of Sun City?" regardless of which clubs you may belong to or what activities you might enjoy. This process requires individuals who can honor and appreciate Sun City AZ's past while helping to identify the future needs of RCSC.

Commitment comes from within. If you have the desire to give back as others before you have given, if you believe you can contribute to the continued improvement of the RCSC and Sun City AZ as a community, please consider becoming a candidate. Candidate packets are available for pick-up as of Wednesday, June 3 at the Corporate/Board Office at Lakeview Center and must be returned no later than noon on Friday, October 2, 2015.

Updates

Financial Report:

We have ended the first quarter of 2015 within our operating and capital budget. All divisions, excluding golf, have met their operating and expense goals. The golf division has suffered a double whammy, as the golf revenues are \$50k short of budget, and an issue that occurred with one of RCSC’s wells has created a \$96k negative variance from budget in repairs and maintenance in the golf division. There is potential that some of this additional expense may be covered by insurance, however, since some of the damage may be the fault of another company it may take some time to settle this claim. Despite these two big hits to the golf division of almost \$150k negative variance from budget, overall the division was able to recover a great deal with only a \$79k negative variance in net operating excess.

Cardholder Services:

Payments on past due assessments increased in March compared with February. Overall past due assessments still increased slightly in March. February billings went past due at an increased rate of 4.8% and January balances went 60 days past due at a rate of 2.0%. Both of these rates continue to be well below the annual averages for these balances. Year to date payments from our third party collections firm are \$30,883.

Total accounts receivable decreased in March by just under 2%. In March property transfer related balances decreased by 7% and lender owned related balances decreased by 24%. Outstanding balances related to property transfers now represent 52% of all receivables due and past due balances.

Payments made by Cardholders through the online RCSC Cardholder Login (Web Portal) continued strong in March and totaled \$75,927. This is the third month in a row that the total of online payments has increased to a new high. The online payment process is fully integrated with payments made through the web portal being posted to Cardholder accounts immediately.

We are anticipating an update to the RCSC Web Portal platform in May that will simplify the payment process and allow any property owner to make the payment for the balance due on the property. This update will also include other features requested from cardholders and includes, to name a few: the ability to change contact information, improved details display, reporting for center visits and golf rounds, and transaction detail visibility/reporting for account balances. Cardholder feedback has been important to the update process and we are looking forward to the enhancements to this service.

Trustee sale notices on Sun City properties remained steady at 46 properties at the end of March. The number of properties owned by lending institutions decreased in March and is now at 36 properties.

Preservation and Improvement Fees collected in March were \$699,100, which is \$291,100 over

the amount budgeted. Year-to-date PIF fees are \$1,646,100 which is \$638,100 over budget for the year. Again a reminder that we intentionally budget PIF income very conservatively to assure that we have the cash on hand for any planned project as we remain debt free.

Bowling:

On April 20, 2015 Lane Analytics began the task of mapping the lanes at both RCSC bowling centers. Lane mapping is a procedure in which the bowling lanes are measured for depressions, crowns and levelness for the entire length and width of the bowling lane. Seven hundred forty-four measurements are taken on each lane (this is almost seventy times the number of measurements taken during the annual inspection performed by the United States Bowling Congress). It has been proven that the flatter the playing surface, the more consistent lanes will play from lane to lane and day to day. Once the lanes have been mapped, Lane Analytics will begin the

process of leveling the lanes ensuring that they are flat and secure. We expect this procedure will not only prolong the life of the lane, we expect it will produce higher scores from all bowlers. The cost of the procedure is \$27,600 (\$690 per lane).

An article has been posted on the RCSC web site under Bowling News which details the procedure.

Human Resources:

As fiduciary of the RCSC’s Employees 401(k) Plan, we have a responsibility to provide due diligence which includes reviewing the Plan and investment performance periodically to assure that investors in the Plan receive the best possible return on their investments. In 2014 we began a plan review and after several months of research of other plans, other providers and obtaining bids were able to enhance our plan. In March 2015, we announced to the employees changes to the Plan that offer increased flexibility and greater con-

venience in managing their retirement plan accounts including a better return on investments. We are in the process of transitioning the plan investments, trustee, and recordkeeping services to Fidelity Investments.

In an effort to address concerns expressed by RCSC Cardholders about the increasing attendance by non-residents at free RCSC events, the Board of Directors has requested that we begin implementing changes to further enforce the RCSC Cardholders and their escorted guests only policy. Therefore, it is imperative to start carrying your photo RCSC Member or Privilege Card, as we reserve the right to ask to see your card at any free RCSC event. If your card cannot be produced in order to prove you are a RCSC Cardholder, you may be asked to move or leave the event. We will not allow non-residents

Project Updates

Viewpoint Lake / Duffeeland

- Eric Swanson, RCSC Viewpoint Lake consultant and all the wonderful RCSC volunteers completed the installation of pea gravel beds in the shallow water around the perimeter of Viewpoint Lake. Eric Swanson had this to say about this particular habitat project, "With the help of RCSC volunteers we accomplished an amazing feat of moving 50 tons (1 million pounds!) of pea gravel into Viewpoint Lake over 9 days of work in March and early April. We exceeded our goal of 250 gravel beds, and ended up with 282. Altogether, we had 30 different volunteers assist with the gravel project accounting for approximately 950 hours of hard work! This completes this important project and meets all 5 year goals for spawning gravel enhancements. Special acknowledgement goes to Larry Klein for working 8 of 9 days and volunteering the full use of his pontoon boat each day. Also special kudos to the following volunteers who helped 3 or more days: Wally Brambilla, Ken Kehoe, Bob Howicz, Dick Holt, Jay McMichael and Terry Keliher."
- On April 10, 2015 Viewpoint Lake was stocked with 1,500 Large Mouth Bass (4-6 in.), 1,400 Bluegill (4-5 in.), 1,600 Redear Sunfish (4-5 in.), 120 White Amur (12-14 in.) and 1,000 lbs of Channel Catfish 1-2 lbs each. Habitat projects commencing in May 2015 include 20 Bass Bungalows and 35 fish condos. The Viewpoint Lake habitat project continues to look for volunteers who want to make a lasting difference in Sun City by constructing the much needed fish habitat. If you are one of these people, please call the RCSC corporate office at 623-561-4600 and add your name and phone number to our volunteer list.
- Sub-contractor bids for the Duffeeland Dog Park renovation are expected to be received soon for RCSC review. After review they will be sent to the RCSC bid commission for final approval. The current target date for commencement of this project is May 2015.

Sundial Center

- In mid-March 2015, evidence was discovered which led the RCSC to believe water from the women's showers had been leaking into the walls and rusting away at the metal framing structure. After preliminary inspections, this project was sent out for contractor bids based upon what the RCSC believed was the extent of the damage at that time. Bid commission approvals were completed on April 20, 2015 and demolition commenced on Wednesday, April 22, 2015. Contractor selected is Robert Porter Construction. (Cost – \$86,885)

Bell Center

- The new Bell tennis facility is completed however, final inspections for the electrical work is requiring additional stamped engineered drawings. As soon as this information is accepted and approved by Maricopa County Building and Planning Department, occupancy will be granted and the courts will be opened for cardholder use. In the meantime, tennis benches, landscaping, court signage and other small details are being completed. Contractors include Lloyd Sports Engineering as architect and project manager and Sunland Sports as building contractor. (PIF Cost – \$1,778,074)
- The new dart machines area at Bell Lanes opened to cardholder use on Tuesday April 8, 2015. Chairs for this area have been placed and appropriately sized Bistro tables will be ordered once the chair groupings are established. Contractors include: Jocran Glass, Accel Electric, Ken McIntyre Construction and the RCSC Skilled Trades Department. (Cost – \$35,000)

- An old 7-1/2 Ton heating and air conditioning unit (HVAC) was replaced on April 17, 2015 when it failed to operate due to compressor and motor problems. Contractor was Custom Cooling. (Cost – \$10,258)

Marinette Center

- Marinette Center re-opened on Monday, March 23, 2015 but did not include the opening of the track, half court basketball or horseshoes areas due to application of the rubberized track coating. On Wednesday April 15, 2015 the remaining areas opened for cardholder use. Contractors for this project include: CCBG Architectural, Robert Porter Construction, Regional Paving and Aquatic Builders. (PIF Cost – \$4,709,422)
- An old 5 Ton heating and air conditioning unit (HVAC) was replaced due to the high cost to replace the internal compressor. Contractor was Custom Cooling. (Cost – \$5,947)

Riverview Pro Shop Building

- The Riverview Patio construction project is progressing a little slower than anticipated since during demolition, several former construction issues emerged, requiring additional changes to the approved construction drawings. These construction changes had to be submitted to Maricopa County Planning and Development for re-approval before work could commence. In addition, while Epcor did approve the fire line and connection to their water system, Maricopa County safety has had our submittal tied up for several weeks preventing fire system work from commencing. To keep this project moving along, the focus has now turned to the planned interior renovations while we wait on steel fabrication and plan approvals. As soon as these issues are resolved, the project will begin to progress at a good pace once again. Project improvements include new covered patios off the East and South sides of the existing building, a fire sprinkler system, parapet wall and roofing work, ceiling replacements, new lighting, new flooring and other interior renovations. Contractors include Ken McIntyre Construction, Accel Electric and CCBG Architectural. (Cost – \$524,236)

Skilled Trades Department

- The RCSC Skilled Trades department completed 122 work orders during the last two weeks of March 2015 and the first two weeks of April 2015. Because the Skilled Trades Department devoted time to building cabinets for Marinette Clay Club and preparing Marinette for re-opening, they are now focused on catching up the backlog of work orders.

to displace RCSC Cardholders. Beginning this summer, RCSC Cardholders will be required to present either a Member or a Privilege Card (with photo) prior to entry at any non-ticketed (free) event at the Sundial Center, and all guests must be with the Cardholder at the time of entry. Since free RCSC events are actually paid for by RCSC Cardholders, it is important to ensure that our residents are able to enjoy the entertainment Sun City AZ is proud to offer.

For details about upcoming events and entertainment please refer to our newsletter the SunViews, our electronic signs, online at www.suncityaz.org under the Recreation Centers and in our weekly email blast titled "Your Sun City AZ Week." If you are not receiving the SunViews inside a free edition of the Daily News-Sun in your driveway on the last Thursday each month, please contact the newspaper for delivery, or if you prefer, you can always pick one up at any one of our centers. Also, if you have not done so already, please sign up on the RCSC email list where you can designate topics of interest and stay in the loop with RCSC news alert emails!

Friends of the Library

By now, most of our Snowbird Friends have left town for their summer homes up north. We are sorry to see them leave every year, but how about the traffic and almost empty stores?

2015 Summer Reading program (SRP)! Maricopa County is promoting its Summer Reading Program for Kids, Teens & Adults. The program runs June 1 to August 1 and the theme for kids is "Every Hero has a Story," for teens, it's Unmask; and for adults it's Escape the Ordinary. This is an online reading game whereby a person earns points and digital badges. If you read for 20 minutes, you earn 20 online points which equals 1 space on the board game. Read 20 minutes every day for a chance to win a weekly prize. You can also earn points by attending any or all of the Summer Reading Program events and community experiences. Each event has a secret code that will only be revealed at the event. Enter the code online to receive the points and digital event badges. Prizes: 250 points will earn a Chipotle Free Meal Coupon/Raising Cane's Combo Card. 500 points will earn a free book (vouchers expire August 15). How to play: Register online at www.maricopacountyreads.org. Click "Play Now." Log your reading minutes. You earn points and badges by reading (1 minute=1 point). Read On!

The Friend's Book Store has a large supply of Language Books. They display words in French, German, etc. and its English equivalent. Very helpful if you speak another language and require some help in pronunciation or spelling. We also have many books on England. Check out our Quilting Books! Also don't forget our Father's Day Sale, June 15 through June 20. All male authors will be half-price.

Ever hear about "Arizona Rick," The Balloon Making Cowboy? He does old-fashion story telling with a twist. Using audience members as actors and his amazing balloon creations as props, Rick tells stories old and new. He will be at the Fairway Library on June 3 at 10am.

How about drawing 'Super' cartoons with Bryan Kilgore? June 17 (1pm) at Fairway. Witness Bryan's revolutionary way of approaching art using his dynamic slogan, "lines make shapes, shapes make objects and objects make pictures."

June 9 at 10am at Fairway finds "You're never too old for young adult fiction" – A book chat and workshop with Author Ann I. Goldfarb who will introduce readers of all ages to the elements of suspense and believable characters in her mystery-adventure novels.

June 25 at 10am – Dr. Sky: Super Heroes of Astronomy, Space, Aviation and more. This program will be held at the Mountain View Recreation Center Auditorium at 9749 N. 107th Ave.

Special programs at the Fairway and Bell Libraries for June will include the Summer Reading Program. Please call the Library at 602-652-3000 for dates and times.

June 1 (10am and 11am) "Real Life Superpowers: How to be a Superhero" East Valley Krav Maga Chief Instructor, Derrek Hofrichter will demonstrate.

June 4 (1-2:30pm) Mark Carter Science. Science can be fun and exciting! This program will be held at the Marinette Recreation Center, 9860 W Union Hills.

June 11 (10-11am) Buffalo Soldiers. J.J. Jones portrays George Jordan, a Buffalo Soldier Medal of Honor recipient. This program will be held in Social Hall 1 at the Bell Recreation Center.

June 16 (10-11:30am) Plotting a page turning novel. Come and learn the six things every author needs to know about their story before they hit the keyboard. Janette Ralison, author of young adult/adult books will cover the do's and don'ts of plotting.

June 18 (1-2pm) "Worm Drive the Musical" by Farmer Ron, who digs up dirt on the mighty earthworm in this hilarious, fun and educational performance.

June 23 (10-11am) Memory Training Class. This is an interactive one hour class for people who want to enhance and keep their memory strong. Many tips and tricks as well as a handout to take away for practice at home.

Please call 602-652-3000 for all dates and times for June Programs.

Water Conservation

Landscaping Tips Help to Conserve

With the menace of mid-summer heat just around the corner, now is not the time to revitalize your landscaping; however, it may help you handle the high temperatures if you visualize getting back outside for our beautiful fall weather. SRP at <http://www.srpnet.com/water/desertwise/> has some great information for not only conserving water, but on what plants, trees and flowers thrive in the desert.

Trees:

Live Oak - This clean evergreen handles both extreme cold and heat, and holds up well in strong winds. It grows well in gravel and/or grass, making it a great shade tree and is also used for a privacy screen when planted in rows. SRP also recommends willow acacia, blue palo verde, desert willow, and Indian rosewood (Sissoo tree) trees for landscaping.

The best way to water any tree is via a deep watering spike that can be easily attached to a hose or an irrigation system. Spikes not only range in price but also in how they operate, so make sure to choose one to fit your needs.

Shrubs, Ground Cover and Vines:

There are many plants suited to desert life that are quite colorful and popular. Shrubbery includes such items as red bird of paradise, Baja red fairy duster, Texas sage, Baja ruellia and Arizona yellow bell.

Baja red fairy duster

Vibrant and hardy ground cover plants you may recognize include bougainvillea, bush morning glory, trailing lantana, Lady Banks roses and trailing rosemary.

Of course there are always the obvious: agaves, purple prickly pear, red yucca and other native cactus.

Red yucca

Another tip on desert gardening and water conservation is to prune plants only when it's necessary to control over-growth. Pruning can accelerate growth, which will lead to more frequent watering.

Baja ruellia

Using low maintenance, low water-using plants can mean brilliant colors and flowers even here in the desert. And don't forget you can water these beautiful outdoor plants with water collected while waiting for the shower to warm up, gray water from washing machines, or the runoff from your evaporative cooler or pool backwash. Do your part to help conserve water - because every drop counts!

Above: The purple prickly pear, colorful without its blossoms, is more even more vibrant when flowering.

Sun City Gives Back -

Sun City PRIDES Add More "Beauty" Thanks to RCSC Clubs

As part of the Sun City PRIDES ambitious Beautification Project (now in its second year), several RCSC Clubs have stepped up to help by donating their time, talents and treasures for all to enjoy. The project has included removal of citrus trees along Del Webb Blvd. and putting in xeriscaping which uses drought-resistant, desert plants. Other major roadways throughout Sun City AZ are slated for similar work.

Special thanks to Bell Metal, Sun City Clay Club and Marinette Clay Corner for the artworks they have contributed to make Sun City AZ a more "beautiful" place!

Top: Metal art created and donated by Bell Metal; Left: Sun City Clay Club President Mary Jane Olson shows off the rabbit made by club member Cathy Crowle; Above: Clay Corner past president Linda Jacobs with additional totem pieces yet to be assembled and installed along Del Webb Blvd. (as shown above).

Sun Cities Bridge Clubs Support "The Longest Day" on June 21

On June 21, the four Bridge Clubs of the Sun Cities are uniting for the second annual "The Longest Day" sanctioned ACBL Bridge Session to raise money for the Alzheimer's Association for research and care. This year, the event will be held in Sun City at the Lakeview Recreation Center, at the corner of Thunderbird and Deb Webb Blvds., announced Ellie Workman, Event Chair.

Bridge players are invited to reserve their seats through your Sun Cities Bridge Club or contact Ellie Workman, 623-975-4069 to RSVP or for more information. All session fees will be donated to the Alzheimer's Association. The game fee will be \$5 per person. Registration will be from 1:00 to 1:20p.m. The game will run from 1:30 to 5:00p.m. Refreshments will be provided.

The four bridge clubs are conducting fundraising activities at every bridge session until the Longest Day on June 21. The four Bridge Clubs of the Sun Cities include the Sun City Duplicate Bridge, Kiva West Duplicate Bridge of Sun City West, Sun City Grand Bridge Club, and the Corte Bella Bridge Club. Donations can be made through the website: <http://act.alz.org/goto/SunCitiesBridge>.

Seated from left to right: Deanna Greenawalt, Sun City Grand; Martha Lee, Corte Bella; Mary Boyd, Sun City West; Standing, from left to right: Jacquie Rose, Sun City, Ellie Workman, Chair, Sun City Grand; Elaine Jones, Sun City West; Jo Harris, Sun City. Not shown: Beverly Barker, Sun City; Mette Lavery, Anneke Rutgers, Marigail Abinanti, Sun City Grand

There will be three door prizes at the bridge session: each is a private dinner for 12 at The Madison donated by The Madison of Sun City West. All bridge players participating on June 21 will be automatically entered.

In addition to the funds raised at the games, the American Contract Bridge League is donating all of the table fees to the Alzheimer's Association. The ACBL has joined with the Alzheimer's Association in this annual fund raising event. Bridge clubs all across North America hold special games in support of this worthy endeavor on June 21.

Research has shown that mental activity, such as bridge, can play a role in reducing the effects of Alzheimer's.

Sun City Gives Back is a new feature section in SunViews that showcases the good works and charitable causes supported by RCSC Chartered Clubs both locally and nationally. Clubs are encouraged to submit entries for this series (along with photos) via email to sunviews@suncityaz.org. Contact Joelyn Higgins at 623-561-4616 or email to jhiggins@suncityaz.org if you need more information.

Tips for Seniors from Daily Fitness - Stretch for Success

The Precor Stretch Machine is one of the tools Kathy Krogh uses in her arsenal of stretch exercises for good flexibility.

Kathy Krogh finishes up her workout at the Bell Fitness with a series of stretches that address all major muscle groups. One of Kathy's fitness goals is to maintain good flexibility. She met on a regular basis with Daily Fitness trainer Jane Fortier, who developed a comprehensive workout for Kathy that includes not only stretching, but strength and cardio exercises as well.

"As we age, muscles tighten and shorten," states Fortier. "Stretching is critical to maintain flexibility, or range-of-motion (ROM) within a joint. Although flexibility declines with age, studies have found that individuals who follow a progressive and consistent stretching program can defy, and even reverse, natural degeneration. When muscles are flexible, joints can align themselves in the biomechanical manner in which they were designed. The result improves general body movement, posture, balance, and the ability to breathe more completely. Posture and balance are always a concern, when one begins to age. In order to Stretch-for Success, the type of stretch (Dynamic or Static) and the time and duration of the stretch need to be considered. These are explained fully in our personal training sessions."

Fortier has designed an exercise Program for Kathy that includes not only stretching, but cardiovascular training for heart and lung health, and strength training for muscle development and weight control. Kathy turned to Daily Fitness for a comprehensive exercise program that got results, and Fortier has provided her with the tools to meet her fitness goals. To find out more about working with a personal trainer, in a customized exercise program, call Daily Fitness at 623-256-7901.

LaTouch Wellness Massage Therapy Shares... What is a Chair Massage?

The term "Chair Massage" (also referred to as seated massage) describes the type of massage that is performed while the client sits fully clothed in a special chair. Staying dressed and publicly visible has had a tremendous impact on how people perceive massage. This is a great way to experience massage; with seated chair massage the mystery and fear of the unknown is eliminated.

It is necessary for the massage therapist to have you complete a quick form with a few health related questions. This is necessary to make sure there are no contraindications. Even though there aren't many conditions that are aggravated by seated massage, sometimes it is better not to have a massage, e.g., fever or flu.

Once the therapist assists you in getting on the chair, they will use a combination of Shiatsu and Swedish massage techniques, beginning by touching you lightly on your shoulders or upper back. The focus will move to relaxing your neck, shoulders, and whole back. Your arms, hands and head may be included within this massage as well.

Massage therapy is no longer considered a luxury; we are beginning to realize the effects that stress have on our health and well being. Dr. Tiffany Field, founder of the Touch Research Institute at the University Of Miami School of Medicine stated that, "Any type of massage, including chair massage is very beneficial."

Research indicated that a 15-minute chair massage will assist in:

- Increasing circulation and the flow of nutrients throughout the system
- Reducing muscle tension that can lead to chronic pain
- Stimulating lymphatic tissues thereby flushing out toxins
- Helping to relieve muscle stiffness and stress-induced tension
- Releasing endorphins ("feel-good" hormones) into the blood stream
- Reducing fatigue, anxiety and depression
- Helping provide better quality of sleep.

Are you interested in receiving a Chair Massage? LaTouch Wellness Massage Therapy, located within the Fairway Recreation Center, will be conducting "The First Monday of the Month Chair Massage Sessions" for only \$10 from 9:00a.m. to noon, June through October. All RCSC Cardholders are invited to RSVP for your 15-minute Chair Massage session by contacting Laura at 623-201-0378. Schedule a Full-body Massage session at that time and receive a \$10 off coupon.

RCSC Announces Changes to Center Hours for Summer

To better accommodate RCSC Cardholders, beginning on June 1 through September 30, the following centers will close one hour later (8:00pm) for your enjoyment:

- Lakeview Recreation Center
- Mountain View Recreation Center
- Oakmont Recreation Center

Bell, Fairway, Marinette and Sundial Recreation Centers will continue to close at 9:00pm.

Welcome to RCSC Club Events

We've reorganized the Clubs Events and Announcements that appear in SunViews each month so that it's easier to find the activities you're looking for.

Clubs are welcome to submit information to this section every month and should include the date, time and location of the event along with cost and contact information.

Let us know what you think by sending an email to sunviews@sunaz.com.

General Information

Home Delivery of SunViews

Did you know you can start and stop home delivery of SunViews while you're out of town? Simply contact the Daily News-Sun Circulation Department at 623-977-8347 or email to pfreedman@yourwestvalley.com. And don't forget - another way you can stay in the know is by getting SunViews online at www.sunaz.com.

Submit Your Club Events by email to: sunviews@sunaz.com

All submittals must be received no later than close of business on the 5th day of the month for the next month's edition. Please include the date, time and location of the event along with cost and contact information. If you need additional assistance, contact Joelyn Higgins, Communications and Marketing Coordinator, at 623-561-4616.

New Interest Groups

Any new interest group who has (at a minimum) 25 potential members may complete the Application for Club Charter (FORM BP:12-15) and submit to the Clubs & Activities Office. Applications can be found at www.sunaz.com or pick one up at the Clubs & Activities Office located at the Lakeview Recreation Center.

Performing Arts

Summer Soiree

The Piano Club continues to meet for the 2015 Summer Soiree Series at Sundial 9:30am, 3rd Friday each month. Membership: \$10 annually; open to all RCSC cardholders. Programs free to members and \$3 for members' escorted guests. Members do not need to perform. Come enjoy the music and socialize with members of the club. The club also offers a Music Education Program starting in October for beginners through advanced. FMI go to www.sunaz.com/piano-club or call 623-583-4084

Political

Sun City Republican Club

The Sun City Republican Club meetings are adjourned for the summer. Next meeting, annual Welcome Back Pizza Party for members, will be in September. Book in Hand Club

We're a group of well-read people with a variety of opinions and life experiences that foster great conversation. We like to take something from every book we read, sometimes making our discussions quite lively. The book club meets year round, 1pm, second Fridays in Room 217 at Fairway. Books include fiction, non-fiction, biography, classics and an occasional fantasy. The club has no dues. Sun City residents must present a current recreation center card. Refreshments served on occasion. Books selected by consensus.

June: The Book Thief by Markus Zusak;
July: Alexander Hamilton by Ron Chernow;
August: The Supremes at Earl's All-You-Can-Eat by Edward Moore;
September: Z: a Novel of Zelda Fitzgerald by Theresa Anne Fowler
October: Our Mutual Friend by Charles Dickens.

Fairway Branch Library reserves copies from Maricopa County Library system 1 month in advance for members with library cards. Information: Jeri Hauff at 623-444-9160.

Stamp Club Meeting

May 4 completes the first half of our Stamp Club meetings for the year and we return to our usual place in Marinette Social Hall. Business meeting begins at 7pm, followed by club auction. Items for the auction should be ready for viewing by 6:30pm (items arriving late have less exposure time). Be sure to come as it will be a long time until our next meeting on Monday, 9/7. Open to all RCSC Cardholders. Please come and see what the Stamp Club is all about!

Community Garden Open House/Work Days

Join us on the 3rd Saturday of each month to help improve the community garden or just have a tour and see what we are all about.
Day: 3rd Saturday (October through May)
Time: 9-11 am
Where: West side of EPCOR water plant on Northwest corner of 91st Ave & Greenway
Bringing your own work gloves, rakes and shovels would be helpful

Games

Day Tours

June 26, 2015 (Friday)
Butterfly Wonderland | AAA
Depart 8:30am | Return 12:30pm (est)
\$68pp

Butterfly Wonderland takes flight as one of the newest attractions in the Valley with a highly innovative, indoor rainforest environment featuring the largest butterfly pavilion in America. You'll be welcomed into a magnificent, lush, rainforest environment where thousands of butterflies from around the world fly freely, alighting on fragrant flowering plants and, quite possibly, on a friendly visitor's shoulder or finger. It is a particular point of pride for the location of Butterfly Wonderland to be within the Salt River Pima-Maricopa Indian Community, where reverence for the natural world is so integral to the culture.

June 30, 2015 (Tuesday)
Musical Instrument Museum | AAA
Depart 11:30am | Return 3:45pm (est)
\$70pp

MIM displays more than 6,000 instruments collected from nearly 200 countries and territories around the world. Most displays are enhanced by state-of-the-art audio and video technologies that allow guests to see the instruments, hear their sounds, and observe them being played in their original contexts - performances that are often as spectacular as the instruments themselves. What's more, all guests are invited to play instruments from around the world in the "Experience Gallery." The collection also includes instruments from music icons such as John Lennon, Taylor Swift, Elvis Presley, Carlos Santana, and many more in the "Artist Gallery." Lunch will be on own at the excellent MIM Café Allegro prior to our guided tour this afternoon.

July 15, 2015 (Wednesday)
Western Spirit Scottsdale's Museum of the West with Lunch | AAA
Depart 9:00am | Return 3:30pm (est)
\$80pp

This new museum recently opened its doors off Marshall Way in Old Town Scottsdale. The stories of the old and new American West will be seen through the eyes of its diverse peoples, the sounds of their voices, the work of their hands and the creative expression of their visual literary, and performing arts. The West comes to life as you explore, engage, and experience the various forms of art including murals, paintings, sculptures, drawings, etchings, and books which all depict various cultures. Today you will visit the Inspirational Journey of Lewis & Clark featuring the Artwork of Charles Fritz, a contemporary painter. Fritz chronicled the historic early 19th century expedition of Captains Meriwether Lewis and William Clark in a dynamic series of 100 paintings. Lunch (included) will be at a local restaurant in the Scottsdale area before returning home

September 30, 2015 (Wednesday)
Granite Creek Winery with Lunch & Wine Tasting | AAA
Depart 9:00am | Return 4:30pm (est)
\$99pp

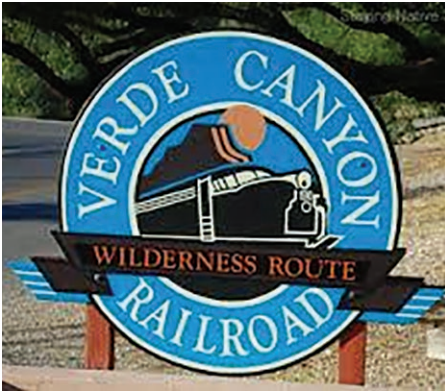

Depart the valley for Granite Creek Winery, where we will enjoy a day in the high Country away from the higher temps of the Phoenix area. The Granite Creek Winery is a picturesque family owned and operated vineyard and winery, located in Chino Valley, AZ. Nestled in a unique high-elevation northern Arizona valley, the vineyards are surrounded by rugged granite peaks and rolling prairie. The first farm in Arizona to be Certified Organic, Granite Creek Vineyards is one of only a handful of wineries within the United States that makes Certified Organic Wines without any added sulfites. Wine tasting and a magnificent buffet style lunch will be served near the lush vineyards.

October 20, 2015 (Tuesday)
Algodones, Mexico | AAA
Depart 7:00am | Return 8:30pm (est)
\$68pp

We will stop at a fast food restaurant in Gila Bend in the morning for breakfast (on your own). The motor coach will stop in Gila Bend on the return as well. We should arrive at the border about 11:30a.m. We'll park on the U.S. side and walk about 100 yards to cross the border into Mexico. In Algodones you will have four (4) hours to spend bargaining, shopping or just enjoying the different culture. We have plenty of room in our coach's luggage bays to bring home your purchases. There are several nice restaurants in Algodones for lunch. Valid passport or passport card required for this trip!

October 22, 2015 (Thursday)
The Verde Canyon Railroad | AAA
Depart 9:00am | Return 7:30pm (est)
\$175pp First Class | \$125 pp Coach

The casual grace of train travel never goes out of style. From the moment you step aboard the fully-restored vintage train, you are whisked back to a time of luxurious and leisurely train travel. This four-hour excursion takes you on a 20-mile journey through 100 years of history. FP7 locomotives, two of only 10 remaining in North America, are the muscle that pulls the renovated consist of cars.
