RCSC Board of Directors Election Day Draws Near

Voting is underway in the RCSC Board of Directors elections for the three upcoming vacancies, with five candidates running for these 3-year positions.

Election Day is Tuesday, December 9, 2014. In person voting will occur from 8a.m. to 4p.m. in Lakeview Social Hall #2 for Members wishing to cast paper ballots. Online voting continues until 4p.m. on Election Day as well. RCSC Members are encouraged to sign up and use the RCSC Web Portal at <https://sunaz.totalegolf.com/> to cast their ballots. (See related article on page 3 which details the process for getting started on the portal).

Online voting offers RCSC Members the convenience of being able to vote anywhere, anytime (home, office, library) – whether you're here in Sun City or out of town. Online balloting during last year's inaugural launch was met with some resistance but RCSC anticipates that the number of voters online will increase dramatically as registration of portal users continues to climb.

For those unable to vote online or to cast their ballot in person on Election Day, absentee ballots can be obtained by contacting the RCSC Board Office at 623-561-4600 no later than December 1. All absentee ballots must be received no later than December 9.

Member attendance at the two candidate forums held in November at Fairway and Marinette Recreation Centers showed much interest in this

year's election compared to previous years when the slate of candidates rarely exceeded the number of vacancies.

Those seeking to be elected are shown in this photo at the candidate forum at Marinette (from left): Rich Hoffer, Carol Lawry, Billy Edmondson,

Ron Williams and Ida Eisert. At the podium is Linda Lindquist, RCSC Board Vice President and Election Committee Chair; seated to her left is RCSC Board Director and Election Committee Co-chair Mike Kennedy.

Candidate information and flyers are available at all RCSC facilities, golf pro shops and on the website at www.sunaz.com. Those elected take office effective January 1, 2015.

You Be The Judge!

Sun City residents are once again taking up the challenge to "show us what they've got" as Sun City Talent Search 2014 continues!

With two more events to go (preliminary round two and the grand finale), the competition is heating up. One ticket gets you into both remaining evenings of non-stop first rate entertainment.

The Grand Finale this year promises to be one heck of a show – with professional judges helping the audience determine the big winner. Those sitting at the judge's table this year include Tammy Stockley of the Real Tones, Johnny K - as in Johnny K and Kompany - and the star of our upcoming Holiday Spectacular Concert (A Tribute to Johnny Mathis) along with Lise Hopson of Red Head Music Studio in Peoria.

Gourmet food vendors will arrive 1-1/2 hours prior to both remaining shows for your dining pleasure.

Get your tickets today at the Lakeview Clubs Office and check out the talent we've discovered right here in Sun City!

Sun City Holiday Celebration Continues Annual Tradition

Celebrate the season with family and friends while helping a great community organization at the 6th Annual Sun City Holiday Celebration on Friday, December 12 from 3:00 to 6:30pm at Lakeview Recreation Center.

The tradition of the Amazing Duck Race continues while the Aqua Suns synchronized swim show is sure to please both the young and the young hearted. Additional fun for all includes a pie walk, mini-golf hole-in-one contest, food, entertainment, and of course, the traditional Lighted Boat Parade on Viewpoint Lake.

By popular demand, the Money Tree will be back - where your donations decorate the lighted tree and the lucky winner takes home not only the 7-foot tree - but all the money, too! Must be present to win!

Proceeds from the Sun City Holiday Celebration will be donated to the Sheriff's Posse of Sun City, which was chosen as

beneficiary of RCSC Management Team's annual fund-raising activities for 2014. This celebration is our way of saying "thanks" to the community.

The Amazing Duck Race features rubber ducks splashing their way down the Lakeview waterfall and across the finish line. Due to the brisk sales of what affectionately are known as Duck Bucks, we will again have two races. The top three finishers of each race will split 50% of the proceeds, with the other half going to the Sun City Posse. Duck Bucks can be purchased at the Cardholder Services Office, all facility attendant stations and golf course pro shops; they will also be available for purchase on the day of the celebration. Duck Bucks cost - you guessed it - one buck!

Ticket booths near the Lakeview Center's mini-golf station will open at 3:00p.m. for attendees to purchase tickets for the duck race, pie walk and hole-in-one contest. Win a pie for your own holiday celebrations by participating in the pie

walk. Tickets are two for \$1. Show off your putting skills to win some cash, while helping support the Posse by trying a shot at the mini-golf hole-in-one contest. Tickets for the hole-in-one contest will be one shot for \$1 or six shots for \$5.

The Aqua Suns Synchronized Swim Show kicks off the holiday season at 3:30p.m. with their amazing routines choreographed to Christmas music.

Food and drinks (provided by The Links Restaurant) will be available for purchase beginning at 4p.m. The night concludes with the traditional Lighted Boat Parade on Viewpoint Lake leaving Cameo Bridge at 6p.m. (arriving at Lakeview at approximately 6:30p.m.).

Come celebrate the season with us at the 6th Annual Sun City Holiday Celebration. You'll have lots of fun and help a great organization at the same time. Don't forget to mark "December 12 at Lakeview" on your calendar - it promises to be a very "merry" time!

Golf Report

Pro Shops

The North Course reopened on October 18 following the renovation. In the first 5 days of being reopened, 1,270 rounds were played, an average of 254 rounds per day. Response from golfers has been overwhelmingly positive, from the first tee to the 19th hole. We thank everyone in RCSC for their efforts, in particular the North maintenance staff and the Buildings and Infrastructure staff, that made this project a success. In particular we thank Rick Stoffel (course superintendent), Vern White (Building and Infrastructure Coordinator) and Janice Boyer (snack shop manager). Their efforts ensured a successful project and a successful opening.

Applications for the North Pro Am are now available, which will celebrate the North renovation. The Pro Am will be held on December 11th, with a 9:00 a.m. shotgun, with an awards luncheon following play at Mountain View. Teams will consist of three amateur residents/guests and one local professional. In addition to celebrating North we will also be raising funds for the RCSC Management Team's chosen charity, which this year is the Sun City Posse.

Willowcreek has reopened from overseeding with the new clothing line for the 2014/2015 season. We encourage anyone in the market for new golf apparel to stop by Willowcreek/Willowbrook and check out the new and reasonably priced items. In addition we encourage anyone in the market for new golf equipment to allow us to provide a price, before buying outside of RCSC. We can order from any vendor and can generally match the "big box" stores prices on new equipment. Sales of golf equipment and merchandise directly benefit the RCSC golf division.

Following the bidding process, Wadsworth Golf Construction has been chosen as the contractor for the Riverview renovation. The Riverview renovation will be as complete as the North renovation. Tees will be leveled and expanded, bunkers renovated, a new irrigation system installed and the green complexes renovated. We are looking forward to another successful project. The course will close December 1, 2014 with the reopening planned for late October 2015.

Snack Shops

Through August total F&B revenues have exceeded budget by nearly \$18,000, we continue to thank everyone for their Snack Shop support. Snack shops will extend their hours of operation to 5:00 p.m. beginning November 1.

Golf Courses

Golf courses have completed overseeding and are in various stages of growth. Willowcreek, Riverview, Quail Run and North are open without cart path restrictions. South and Lakes East are open with cart path restrictions in place, Lakes West and Willowbrook will open November 8th with cart path restrictions in place. We have been successful so far this year in removing cart path restrictions earlier than normal, we will notify by email if restrictions are to be lifted ahead of schedule for the remaining courses.

Riverview Closes for Renovation on December 1st

Sun City's Riverview Golf Course closes December 1 for renovations of the irrigation system, including pump stations, as part of the mandatory work required by the agreement with the Arizona Department of Water Resources.

This work also includes the renovation of all greens, with the intent to have them remain the dominate characteristic of the course. This will provide more pin placements that fall within USGA guidelines.

Tee boxes will also be renovated and a new forward tee added. It is anticipated that the bunker renovations will again use the Better Billy Bunker construction method (<http://billybunker.com/the-better-method/>) as was used at North.

The only major course layout change will be the green complex on hole #12, which will be moved to the west, bringing the lake more into play.

The renovation work at Riverview is expected to be completed by Fall 2015.

What People are Saying about North

The days immediately following the re-opening of the North Golf Course had RCSC Cardholders letting us know their thoughts about the renovation of the course and amenity updates. Here are just a few of the comments received:

"I would like to compliment you (Brian Duthu, RCSC Director of Gof), your staff, the architect and all those who put in hours of work to make North the best course now in the valley. I'm from Colorado and have played golf all over the world. The design for North is exceptional because it allows everyone the opportunity to play a very good golf course. I'm hoping that Riverview will be as good or better. I know expectations will be high but you can certainly arise to the occasion. Congratulations on a job well done."

"Just played the 'new' North Course and was mightily impressed. Thanks for doing such a great job, and to the board. Everyone in our group really enjoyed the renovation."

"I am pleased to share some of the comments made by my group of 14 players on Monday 20 October. Outstanding, beautiful, challenging greens, exciting. It is alive, enjoyable. The club house and patio is a touch of class. North will definitely be a draw in the future. We will be waiting to see if Riverview can top this."

"I wanted to let you know that the Board, the Architect, and the workers hit a real home run with the new design at North. From the golf course, to the practice area, to the clubhouse improvements, North Golf Course is the new 'jewel' of Sun City. Now we'll all have great expectations for the Riverview renovation. Awesome Job!"

"I just wanted to thank the board and particularly the two of you for all the wonderful capital improvements to our properties, but particularly the most recent, the North Golf Course."

Incredible - by far and away the best course in Sun City. I know the board took a lot of heat from residents resistant to change or residents that think they know more about improving a golf course than a professional golf course architect. Thanks for doing the right thing for Sun City's future.

The green complexes are incredible, many potential pen positions. If you have ever played a hole where you hit a great shot into the green only to be on a side slope, then, with a well struck putt, the ball rolls past the hole, down the slope 10-15 ft, you begin to understand how elated I am with the greens at North. The selection of grass for the greens was well thought out and perfect, tif-dwarf is the perfect speed for a senior community, not too fast for the high handicapper, yet not too slow for the low handicapper.

The design of the bunkers add real class to the course, visually they are stunning. They penalize an errant shot, but are designed to let the ball come to the bottom of the bunker, thus giving the player a chance to get out. And the design to allow seniors to walk out (not climb out) the back of the traps was a stroke of genius.

All the new trees and the removal and trimming of existing trees, perfect!

I can't wait to see Riverview.

I am a low handicapper, currently a -0-, I have managed golf courses for American Golf, Meadowbrook Golf and Eagle Golf. I worked hand-in-hand with the golf course superintendents and was involved in several course renovations, so I hope that my opinions have some value."

A Moment with President Brasher - 2014: A Good Year for Sun City

The year 2014 has been a good one for Sun City and its residents. A number of significant projects upgrading our facilities and amenities have been completed and more have been initiated with completion anticipated early next year.

Perhaps the biggest project to be completed is the renovation of North Golf Course in which the irrigation system installed in 1960 was completely replaced, coupled with improvements to all aspects of the course. Since its reopening in October there have been many positive comments from golfers and all seem to be enjoying play there. Improvements to the North Course patio and pro shop building were also completed. Another golf project completed was the much needed new South Golf Course maintenance building built to replace a smaller one destroyed by fire last year.

It wasn't all golf, however, as construction was ongoing in other areas. The Oakmont Recreation Center's pool and some of the surrounding buildings were reconstructed and opened in early July to great acclaim from RCSC Cardholders. The new pool provides an improved environment for the aqua fitness and water volleyball clubs, plus a better area for the lap swimmers.

In anticipation of the construction projects to update and enlarge much of the Marinette Recreation Center, the pickleball court complex at the Mountain View Center was enlarged and completed.

Significant projects begun this past summer include a new and larger tennis complex at Bell Recreation Center, as well as the major renovation at Marinette.

The Marinette improvements will provide an expanded fitness center, improved pickleball courts (some with a canopy for shade), and an improved walking track among other modifications. Both the Bell and Marinette improvements are expected to be completed in early 2015.

The electronic signs installed at Sundial Recreation Center early in 2014 garnered so many positive comments from residents that the Board of Directors decided to provide

similar signage at the other centers and the Sun Bowl. By making the decision to do so enabled RCSC to contract for all the other electronic signs, enabling funding to be done from our Property Improvement Fund (PIF).

James Brasher
RCSC Board President

2014 has been a great year for those of us who enjoy quality entertainment. The Sun Bowl and Sundial free performances have been outstanding thanks to the efforts of our Member Services Director and her staff. The ticketed shows at Sundial continue to be well attended. Monthly special events such as the Del Webb Day, Casino Sun City, and the upcoming Holiday Celebration featuring the famous duck race are outstanding.

It should be noted that all of the above major improvements are funded by the PIF, thereby avoiding the use of regular operating funds which we contribute to via our annual property assessments.

A five-year plan to upgrade fish habitat and make Viewpoint Lake a sustainable fishing lake has been developed and is underway. In addition, the introduction of paddle boats has been extremely well received and are quite popular. There may be more in the future.

Imagine the planning, organization, interaction with the county for permits, etc., that go into developing and arranging contractors for the major RCSC projects – all while keeping Cardholders informed of the progress and scheduling changes often required. Your volunteer Board of Directors is thankful for the great Management Team and their staff that follow through with projects we deem to be in the best interest of current and future Sun City residents.

Updates

Financial Report:

We have ended our third quarter of 2014 well within our operating and capital budget year-to-date. Every division has completed the third quarter with a positive variance from budget overall. The trend of more golf rounds and income coming from RCSC Cardholders has remained true through 2014, and we have been able to operate both golf courses and snack shops without loss of income due to the North Course being closed for renovations. Thank you RCSC Cardholders! The management team has completed their proposed 2015 Operating and Capital Budget and I presented that budget to the Finance & Budget Committee and RCSC Board this week. I am very proud of how we are able to operate these facilities for annual property assessments that are unheard of in the industry for the amount of amenities we offer and without debt. I was given the opportunity to meet with a group of realtors last week and when discussing the Preservation & Improvement Fund fee I explained the enormous value this “capital fee” has brought Sun City and each of its homeowners. If we did not have this fund, we would have to raise our annual property assessment considerably or we would have to let our facilities deteriorate – neither is a good option for Sun City and the latter would greatly affect home values in Sun City. As someone who has paid this fee, I am grateful for it and can see every day in Sun City where my money has gone. The financial stability of this community is excellent and I am excited about our future!

Cardholder Services:

Payments on past due assessments in September were down from the high in August and were at the monthly average for the year. Past due assessments decreased by just under 3% in September. August billings went past due at a rate of 6.3% and July balances went 60 days past due at a rate of 4%. The 60 days past due rate for July balances was the first time this was over 4% in 2014 and broke the trend of lower rates over the past two years for this age of balances.

Total accounts receivable decreased by just over 4% in September and is at the lowest level since September 2013. In September we saw an almost 5% decrease in property transfer related balances. Outstanding balances related to property transfers continue to represent 55% of all receivables due and 54% of past due balances.

Trustee sale notices on Sun City properties remained at 45 properties at the end of September. The number of properties owned by lending institutions also decreased in September and is now 52 properties. While these numbers have remained relatively constant we do see a turnover in affected properties which impacts overall receivables and collected Preservation and Improvement Fees.

Preservation and Improvement Fees collected in September totaled \$626,100, which is \$401,100 more than budget. Year-to-date PIF

fees are \$5,312,338 which is \$2,258,338 over budget for the year. Again a reminder that we intentionally budget PIF income very conservatively to assure that we have the cash on hand for any planned project as we remain debt free.

Bowling:

RCSC Director of Bowling Randy Johnson was recently appointed to the Arizona State USBC Board of Directors. USBC (United States Bowling Congress) is a non-profit organization that establishes playing rules and standards for league and tournament bowling in addition to establishing specifications for lanes and lane conditions. Randy was selected due to his extensive background in the industry. Randy has 36 years of experience in the bowling industry and is looking forward to providing input as to current bowling industry trends and bowler concerns while maintaining the integrity of the sport.

Beginning Thanksgiving weekend, both RCSC bowling centers will again host

the Arizona State USBC Senior tournament. The tournament has always been successful for the RCSC and also provides exposure to our community and additional income.

Sign-ups for the annual New Year’s Eve Party at Lakeview Lanes begin at 9:00am on November 3, 2014. Space only allows 140 people, so sign up early to reserve your spot.

Human Resources:

The second audit conducted in 2014 on the RCSC Employee 401(k) Plan has been completed by an independent auditor for 2013. Copies of the report and a positive determination letter have been received by RCSC. A copy of the independent auditor’s report is required to be filed along with the I.R.S. Form 5500 for the plan each year. The audit and the documents were filed on October 15, 2014.

RCSC received renewal quotes from the carriers for the employee benefit plans which include medical, dental, life, short-term and long-term disability. Employee meetings have been sched-

uled for early November to communicate details of the plans and to provide employees the opportunity to make changes in coverage to fit their needs.

Project Updates

General Centers Projects and Information

Electronic sign construction continues to progress on schedule. All support poles for the new electronic signs have been placed at Marinette, Bell, Lakeview, Oakmont, Fairway, Mt View and the Sun Bowl. The two electronic signs at Fairway are completely installed with electrical and data wiring underway. We expect the Fairway signs to come on-line very soon. Although electrical permits have not been obtained for the other locations, Bootz and Duke Sign Company will continue to erect the electronic signs with electrical and data work being completed soon afterwards. The electrical and data installation costs increased due to underground boring work needed and is reflected in the new total below. The entire project is expected to be completed in early 2015. Contractors are Bootz and Duke Signs and Accel Electric. (PIF Cost – \$850,775)

North Pro Shop

The North patio and building remodel work is now completed. The golf course, pro shop and snack shop, including a new covered patio, opened to Cardholders on October 18, 2014. Contractors for the patio and building remodel include: CCBG Architectural, Ken McIntyre Construction, Resource Flooring and Ghaster Painting. (Cost – \$167,505 plus \$11,774 for new flooring)

Lakeview Center / Viewpoint Lake

Approximately eighteen volunteers joined Eric Swanson (Lake Consultant) to construct fish habitat for Viewpoint Lake. The first habitat construction event occurred October 7 – 9 at Mt View recreation center. The volunteers amazingly completed (60) pipe palaces and deployed them into VP lake and then went on to prepare the materials to complete (80) fingerling fortresses for the next fish habitat event to be held November 10–14 at Mt. View Center. (No work on the 11th due to the holiday). If you have not signed up to help out with this very important project, please call the RCSC Administration office at (623) 561-4600 and add your name and contact information to our list of volunteers.

The threadfin shad (forage fish for bass, bluegill and catfish) are still delayed due to supplier inventory shortages. Once quantities are available, the shad will be delivered and introduced into Viewpoint Lake.

The Duffeeland dog park project is currently on hold while the RCSC Board of Directors discuss Cardholder suggestions, ideas and concerns brought forth at the Duffeeland Town Hall meeting held October 10 at Bell Center.

Bell Center

The dehumidifier over the indoor spa at Bell Center has now been replaced with a Pool Pack dehumidifier. The indoor spa room at Bell is scheduled to re-open the week of October 27, 2014. Contractor is W.D. Manor Company. (Cost – \$70,258)

The block wall work and drainage pipe behind the new walls at the tennis facility are expected to be completed this week. Electrical conduit to the courts and common areas is being run and the sub-grading of the post tensioned (PT) courts is commencing soon. Some 140+ holes are being bored for fence posts within the PT courts. The #4 hole of the mini golf course remains closed. However a path was created for Cardholders between hole #3 and hole #5 so the mini golf course can still be used. Cardholders playing the course are asked to take par for hole #4. The tennis project includes demolition of the current (8) tennis courts and the installation of (10) new tennis courts. The new updated complex will also include a shaded gathering area, courtside canopies with benches, water and electric to each court, tables and benches for spectators and planters in the common areas. Contractors include Lloyd Sports Engineering as architect and project manager and Sunland Sports as building contractor. (PIF Cost – \$1,778,074)

The RCSC pool mechanic is in the process of changing out the sand inside all RCSC sand filters. The pool mechanic will try to schedule this work when a pool or spa is

already shut down for other maintenance work. Currently the sand filters on the Bell walking pool and both spas are completed.

Marinette Center

The Marinette expansion and remodel project is still in full swing with the following work completed: Stucco on existing buildings, roofing over lobby/facility attendant station, outdoor spa is plumbed and shot-creted, solar plumbing has been run to the swimming pool, the pickleball pavilion post tensioned slab is poured, fire system piping has been installed and passed inspection, and new doors/windows have been installed in the existing buildings. The Marinette Center expansion and renovation project includes a 4,000 s.f. fitness center, rubberized outdoor walking track, a total of 20 Pickleball courts, an outdoor spa, a thermal solar system for pool water pre-heating, tankless water heaters for the showers, new doors and windows and exterior stucco of all remaining buildings. Contractors to date include: CCBG Architectural, Robert Porter Construction and Aquatic Builders. (PIF Cost – \$4,387,373) (Please note that the Marinette Auditorium and Social hall will be closed through October 30 for construction work.)

The Marinette clay club renovation is nearing completion with only a few cabinets yet to build. The Marinette utility workers cleaned, waxed and buffed the clay club floors. Kudos to the Marinette team for their exceptional work!

Skilled Trades Department

The RCSC Skilled Trades department completed 127 work orders during the last half of September and the 1st half of October 2014. In addition, the RCSC Skilled Trades carpenters and painter continue to construct cabinets for the Marinette clay club remodel.

Centers Operations

Julie Tracey, the new RCSC Facility Attendant Supervisor, has started the implementation of a formal training program for all newly hired Facility Attendants. Julie is also putting the finishing touches on additional training for current Facility Attendants. This training program is expected to further improve the Facility Attendants ability to provide exceptional customer service to RCSC Cardholders.

On October 22 and 23, ten RCSC employees attended a "Certified Pool Operators" course to either obtain or renew their Certified Pool Operators certificate. This course is the most widely recognized program by local and state authorities. By completing this course, RCSC employees obtain knowledge in topics necessary for pool management, operation, pool care & maintenance and risk reduction. This training is part of the RCSC "Healthy Swimming Program."

Bell Center recently hosted the North American Challenge at the newly renovated lawn bowl greens. The event had participants from all over Canada and the United States. We would like to thank the organizers for all their hard work which made this event a resounding success. We also appreciate the nice comments received by the Bell Utility staff from the event organizers. The utility workers felt much appreciated and were happy to be a part of this event.

Thanks to everyone who helped to build fish habitat for Viewpoint Lake!

Volunteers are still needed for sessions to yet be scheduled.

Friends of the Library

December? Christmas Holidays! Already!? What happened to 2014? It was just summer! I think someone put us on Fast-Forward! Somebody step on the brakes!

Both Sun City Libraries have been "re-shelved" and they look good! All shelves are on wheels and can be moved around into different configurations. Both have a different schematic. Hope you were not confused by the new layouts. I definitely like the "new look."

Bell Library:

Highlights for the month include:

- E-Reader Devices Program on December 5. This is a "what should I get?" program for those of you who do not already own an E-Reader or tablet and are thinking of purchasing one for yourself or a family member.
- Abe Lincoln, Mark Twain and the Civil War Program on December 9 will include a live theatrical production of 90 minutes. Drama, Humor and Education! Registration is required!
- The Society for Financial Awareness (SOFA) will present "Preparing for Required Minimum Distribution," regarding IRA withdrawals on December 10 from 10-1130am. In the afternoon from 1-2:30pm, Peace Corps representative Karyn Sweeney will talk about the Peace Corps, volunteer openings, benefits and the application process.

Special Presentations:

December 1: Master Gardeners (10am - 12pm). Four reps from the University of Arizona Master Gardeners will be available for one-on-one consultations.

December 1, 8, 15, 22 & 29: "Stories and More" (4 - 5pm). Songs, rhymes, finger plays and lots and lots of stories! Fun for all ages!

December 2, 9, 16, 23 & 30: Introduction to Tai Chi. (11:30-12pm OR 12:45 - 1:45pm).

December 3: A Healthier You, Naturally. (10-12pm). Dr. Gayle Eversole will explain herbs, supplements, etc.

December 13: Blender 3D - Computer graphics & animation user group. (1 - 4:30pm). Bring your laptop. Learn about computer graphics and animation using Blender 3D.

December 17: Northwest Valley Options Investors (9:30am - 12:30pm). The group will meet while the stock market is open and will place live trades in real money or simulated accounts.

All Book clubs will have their regular meetings during the month. Please check with the Bell Library (602-651-2009) for dates and times.

Fairway Library:

December 2: Kindle e-Reader basics

December 3 & 9: iPad e-Reader basics

December 4: Illustrating Literature Workshop

December 5: Mrs. Claus is Back!

December 9: Holiday Craft for adults! Make and Take LED-lit Poinsettia Flower Pin

December 10: Santa Claus is coming to town!

December 10: Reverse mortgages are explained

December 12: Book-in-Hand discussion Club

December 15: Angels in Art

December 17: Songs of the Season

Please call for other special presentations and regular club meeting dates and times (602-652-3000).

Both libraries will closed on December 24 at 1pm and reopen on December 26 at the regular time.

Water: Do What We Can to Conserve

Can you choose the contaminants found in dangerous proportions in our water?

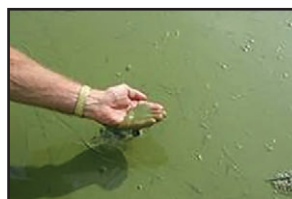

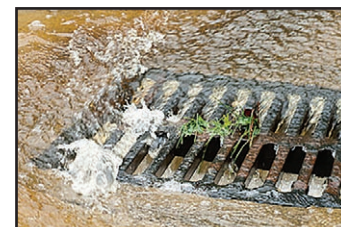

Arsenic	Lead	Prescription Drugs	Dirt
Radioactivity	Nitrogen	Phosphorus	Bacteria

Unfortunately, all of the above are found in our water. Arsenic, a known carcinogen, and radioactivity are the biggest culprits in bottled water (and also in other drinking water sources), stemming from mishandled industrial wastes. But remember, bottled water is no safer from these contaminants than tap water, as 25% of all bottled water is from municipal sources (tap water). And if you remember how much water it takes to manufacture just one bottle for bottled water (1.85 gallons), maybe it would be more conservative to buy a filter for your home and a refillable container.

Drugs in our water are becoming a big issue. Outdated or unneeded medications found in the medicine cabinet should not be flushed down the sink or toilet. Call your local hospital to find out if/when their next drive is for disposal of old medications. If you can't wait that long, search the internet; there are plenty of places that accept old medications for disposal. This goes for over the counter drugs as well, not just prescription; and includes creams, lotions and potions!

Dirt? Yes, dirt. Dirt and sediment from storm water runoff, wind/water erosion from construction sites and agricultural land. The problems with dirt and sediment are multiple, from choking out ponds and harming wildlife, to spreading pollutants. Chemicals and other pollutants are able to attach themselves to dirt particles.

Nitrogen and phosphorus not only cause explosive plant growth in water sources, but when consumed in high levels (for infants), reduce the blood's ability to carry oxygen. Most of these chemicals come from fertilizer runoff from farm fields, septic systems, residential lawns and recreational areas such as parks and golf courses.

Improperly handled sewage from humans, livestock and pets can literally cause a host of problems from parasitic infections, dysentery, food poisoning and hepatitis.

You ask what the average person can do to help manage these immense issues? Perhaps we can begin to consider using products made by companies that boast green products and eco-friendly manufacturing practices. If we also keep in mind all the hints and tips given in past water articles and help to conserve our fresh water supply, it will help ensure further generations have adequate supplies of clean water as well.

While one person cannot control industrial, agricultural or runoff wastes, one can control how long the shower is on; one can repair leaking faucets and use clean "refuse" water to care for both indoor and outdoor plants. It's pretty simple to remember that using an automatic car wash or simply using a nozzle on the hose conserves water, as does watering landscape before the sun comes up or after it sets. Never dispose of old drugs down the toilet or drains, let alone chemicals, paints, solvents and oils! When you wash your hands, remember to wet them and then turn off the water to wash, and then rinse.

Conserving clean water helps to keep our water cleaner. And remember, every drop really does count!

Tip Top Dancers

We're sure that many Sun City residents tap danced in their youth so come and enjoy now what you did back when. Tap is also have a fun way to keep fit and great exercise.

The Tip Top Dance club has been in existence for over 20 years. There are classes for beginners through advanced and everything in between. We meet at the Marinette Studio Monday through Friday.

Oakmont Needle Arts

A wide variety of crochet, knitting and multiple types of needle arts are worked on by our members and always there is a friendly social atmosphere in our clubroom. Our workshops provide a beverage and a wide choice of snacks.

During the year we manage to have potlucks, Chinese Auctions, breakfast at local restaurants, ice cream socials (during the summertime) and at the end of the year we have a Christmas Party.

Come join our group and if you need instruction, we may have just the right person for you. Oakmont Recreation Center, Thursday mornings at 8:30am. For more information, please contact Phyllis at 623-972-2609.

Sun City Chamber Orchestra

Enjoy making music with your string instrument and share your gifts entertaining others. Join the Sun City Chamber Orchestra, which is made up of retired musicians. We meet on Wednesday morning at Fairway Recreation Center (107th and Peoria Avenue) in the music room from 9:00 to 11:00a.m. No auditions are necessary. We play both classical and popular music because we like all music.

We have had performances at Sundial, the American Lutheran Church, Freedom Plaza Retirement Community, the Paradise Education Center, the Sun City Congregational Church, and Willowbrook United Methodist Church among others. Our concerts are about once a month.

You will enjoy your time with us.

Aerobic Exercise Club

Feel like adding a spring to your step and a sense of well-being? Come join a club that offers you a chance to shape up your body and have fun doing so.

Our exercise club of men and women join in an exercise routine three times a week. Aerobic Exercise Club meets at Bell Recreation Center Social Hall indoors Monday, Wednesday, and Friday at 8a.m., 9a.m., and 10a.m. all year. Open to all RCSC cardholders. Yearly dues are \$2.

Come and discover a great fun way to exercise.

Piano Club of Sun City

The Piano Club of Sun City started many years ago in people's homes. We gradually grew and were able to become a chartered club. We meet the third Friday of each month at 9:30a.m. in the Sundial Auditorium. We enjoy a variety of great music ranging from classical to jazz. Both audience and performers alike agree our music programs provide wonderful entertainment and a chance to meet other piano and music enthusiasts.

We offer piano instructions. Our qualified teachers can start you at any level. We are the only ones in the community or surrounding areas who offer group lessons to seniors.

Our annual "Evening Concert" is Tuesday, January 27, 2015 is at 7:00p.m. This is one you do not want to miss. It is free and open to the public.

Another program not to be missed is "Unique Musique," which will be presented on Friday, February 20, 2015. Here we have a variety of talented instrumentalists who play, have fun and make good music.

During the summer months, we continue our "Summer Soiree" on stage at Sundial, every third Friday at 9:30a.m.

Visitors, guests and new members are always welcome. For more information, please visit our website at www.sunaz.com/piano-club or call 623-792-7266 or 623-876-0634.

Bell Shuffleboard Club

The Bell Shuffleboard Club of Sun City wants to welcome back all of its members who have been gone for the summer.

Our new officers for 2015 are: President Connie Carson, Vice President Eunice Riddle, Secretary Linda Templin, and Treasurer Lloyd Maple.

We have indoor courts at the Bell Recreation Center, so we can shuffle year-round and never have to worry about the weather.

Our play times are Mondays, Tuesdays, and Fridays at 1:00p.m. We offer free lessons and our club is open to all RCSC cardholders.

Please contact Dick Price at 623-876-9525 to set up an appointment if interested in taking lessons.

Come join us and join in the fun!

shuf-fle-board \sha-fel-bord\

1 : a game in which players use a long stick with a curved piece at one end to slide discs into scoring areas that are marked on the ground,

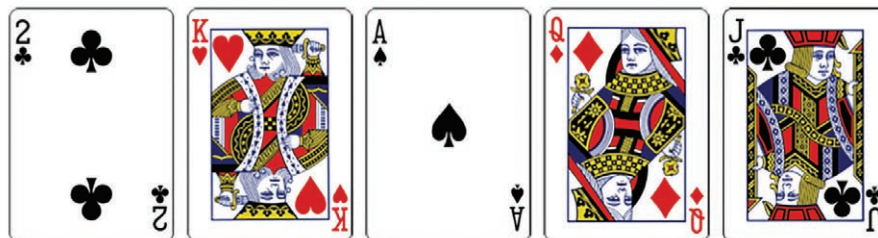

2 : a fun game for everyone

Mixed Cards

Like to play cards? Join us on Saturdays at the Oakmont Auditorium for fun and relaxation. We start the games at 6:30p.m. The cost to join is \$3.00 each year and \$.50 each night to play. Not too bad for an entire evening of fun.

Singles are welcome, but you can bring a partner if preferred. We play both single deck and double deck. Club membership/participation is "open to all RCSC Cardholders."

For more information, please call Bea or Pat 623-933-1953. We look forward to seeing you soon!

Bocce Club of Sun City

Did you play Bocce with your brothers, sisters, aunts, uncles and friends in the back yard?

Do you miss it? Looking for excitement? Well, if so, head over to the Bocce Club for fun, entertainment and to meet new friends.

We are located at the Sundial Recreation Center. Courts are carpeted, well shaded at both ends and handicap accessible. All equipment is furnished, lessons are free and attire is your choice. Club membership/participation is open to all RCSC cardholders. Annual dues are \$5.

The game is played by first rolling the pallino down the court. Players then roll their bocce balls, trying to get as close to the pallino as possible. Points are scored based on the closest color ball to the pallino.

Games are played Monday through Friday and Sunday. Open play is Thursday, Friday night and Sunday. Game times vary throughout the year. Check the clubhouse bulletin boards for times and information.

Parties include a Valentine's gathering in February; in April there's a picnic with fun games; election of officers in November; and a Christmas Party in December. All parties and membership meetings are in the East Hall of Sundial Recreation Center. Restaurant outings are held as club fundraisers.

Open houses are in both February and November and are a great way to come and see what our club is all about. Mark your calendar now to join us on Saturday, February 7, 2015.

We host and play in the Arizona Senior Olympics, a weeklong tournament held being held February 16-20, 2015 that is open to anyone 50+ from anywhere in the world. And the Tri-Cities Tournament, held between Sun City, Sun City West and Sun City Grand, is played every March and rotates among the three communities. Grand will host in 2015 on March 21; it will be back in Sun City in 2017.

Please contact Keith at 623-760-6927 or Edith at 623-271-0092 if you're interested in taking free Bocce lessons.

Don't forget - We are "The Fun Club" of Sun City!

Friday Afternoon Bridge

If you play contract bridge and like to have a good time doing it, you will want to come to Fairway Recreation Center, Arizona Room #2 on Friday afternoons. We ask you to arrive by 12:20 p.m. so we can start play at 12:30 p.m.

All RCSC members in good standing are welcome to join for a low membership fee of \$3.00 a year plus .50 cents each play day (from which slams and high scores are paid).

Visitors to the club with current RCSC cards are welcome to try us out for \$1.00 a day with a limit of 2 times before being required to join. Escorted guests of RCSC Cardholders attend any time for \$3.00 a day. Please note however that preference will be given to current club members if a table is short of or over players.

We enjoy four (4) rounds of play with six (6) hands each round, switching partners after each round.

Men and women are welcome. No partner needed. We pair up all players.

We look forward to adding you to our membership list! For more information, please contact Mary Ann at 623-933-9671.

Fairway Woodworking Club

Though the original wood shop would be nearly 50 years old, the Fairway Woodshop today is the newest in Sun City, filled with modern tools and safety equipment.

The dedicated sanding room has each device individually attached to the exhaust system. The saw stop table saw brings another level of safety to the art of woodworking.

Whether you're a newbie wanting to learn the basics in a supportive teaching environment or a master craftsman with decades of experience, the Fairway Wood Shop has much to offer. The men and women in the club strive to create an atmosphere of collaboration where ideas are shared and questions are encouraged.

We offer formal classes in beginning wood turning on the lathe and segmented bowl construction. We also recommend our basic projects class where each participant builds a project using every major type of tool in the shop. You walk away with a beautiful finished product, but more importantly you develop confidence and competence using the machinery safely.

If you love the smell and feel of wood, and your creative juices thrive, stop by the Fairway Woodshop.

Our club hours during the winter are Monday through Friday 8:00a.m. to 4:00p.m. and Saturdays from 8:00a.m. to noon.

Bunco Broncos

If you're looking for an opportunity to schedule some fun and friends into our life, come to Oakmont Auditorium and play "Bunco" with the Bunco Broncos. You'll soon be hooked on the game.

Bunco originated in the late 1800s or early 1900s as a gambling game in saloons to swindle property owners out of their land. Now Bunco is played as a social game that has gained in popularity. The only skill required is rolling the dice. Each time the head table reaches "21" they ring the bell and everyone switches partners for the next round.

It's a fast moving game and lots of fun meeting new people. We meet the 4th Monday of every month except July and August. Doors open at noon and play begins at 12:30p.m. Annual dues are \$3 and \$2 to play. Everyone with a valid RCSC card is welcome to join. Give us a try. We think you'll like us. For more information, please call 623-328-5327 or 623-972-1035.

Table Tennis of Sun City

Above: A game of doubles with Richard Kornburger, Caroline Rucker, Dennis Keppen and Gerald Pratt. Yali Carpenter (left side in red shirt) is practicing using the club's ball machine.

Table tennis (also known as ping pong) is the most popular sport in the world, having millions of active players in Europe and Asia; it was even showcased in the recent London Olympics.

Table tennis is unique - being the only sport where men, women, seniors and children are equal. It is an easy game to learn, but has infinite potential for improvement with more practice and game experience. There is a variety of equipment to match your skills and abilities. It has been described as a mix of chess and martial arts. Seniors can benefit from developing the hand-eye coordination, agile footwork, and rapid decision making the game requires.

Our room at the Bell Recreation Center has five tables available for drop-in open play from 6:00a.m. to 9:00p.m. Monday through Saturday and from 9:00a.m. to 8:00p.m. on Sundays. A ball machine is available for members.

Club competitive doubles are Monday, Wednesday and Friday from noon to 3:00p.m., and competitive singles play Tuesdays from 7:00 to 9:00p.m. If you are new or returning to the game after a long absence, members will help you with the new rules and techniques. Lessons can also be arranged.

We have a more relaxed doubles group play on Monday, Wednesday and Friday from 10:00a.m. to noon. Their only requirement is that you have to be able to laugh.

For more information, please contact Caroline Rucker at 623-875-9991, Fred Grimsrud at 623-933-7406 or Jim Eggleston at 623-815-8133.

Oakmont Ceramics

2014 has been a great year for the Oakmont Ceramics Club. Our slate of new officers has been elected and the following have accepted their offices: President Stella Van Ness, Vice President Penny Haugen, Secretary Cheryl Kurth and Treasurer Kathy Tate. We're looking forward to their input and ideas for next year.

We have had a Zentangle class, air spray painting class, a class on best brushes to buy and how to care for them and use them. Another Zentangle class will be offered after the first of the year as well as a few other classes.

What is Zentangle you ask? At first glance, a Zentangle creation can seem intricate and complicated. But once you learn how it is done, you realize how simple it is - like learning the secret behind a magic trick. Then, when you create a piece of Zentangle art, you realize how fun and engrossing the process itself can become.

Our club hours are Monday through Thursday from 8:00a.m. to 3:00p.m. every week until we return to summer hours. For membership information, please call Margaret at 623-340-8620.

Leather Craft Club

The Leather Craft Club is in the process of gearing up for a great fall and winter season. Many of us in the club have stayed busy making items to sell in the Fall Arts and Craft Festival and had lots of fun doing it. This past summer several of our members partnered on a project to make a custom ladies evening jacket which was one of the raffle items at the Fall Festival. One lucky winner gets to take home this beautiful jacket with over 650 individually hand cut leather leaves.

We are also planning to have several workshops this fall. Erin, manager of the Tandy Leather Craft Shop in Glendale, will be coming to our club to do a special workshop. Our own members will also be teaching some workshops, Vic Carman will be teaching a class on making and using "Tap offs," and Jim Tradup will do a workshop on "Figure Carving." There are other classes and workshops in the planning, but they have yet to be scheduled. Some of our workshops from last year included making a scale model saddle, making a project from scratch without a kit, proper dyeing procedures and lacing correctly. If you are interested in any of these you ought to come join us and sign up for a class.

Never done any Leather Craft before? We have members available to teach you and get you started. We meet in our club room in the Marinette Recreation Center Monday through Friday. Our hours from October 1 through April 30 are 8:00a.m. to 2:30p.m. For information, please call Larry Vroom, President at 623-594-6591 or Mary Ann Rose at 623-933-8831.

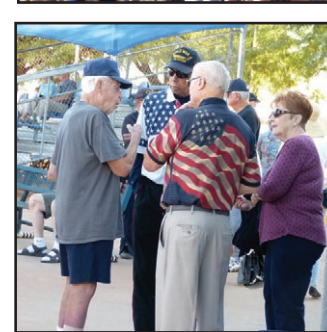

Left: Mary Ann Rose and Diania Myers were two of the primary crafters building our leather leaf raffle jacket.

Salute to Our Veterans

Thank you for your service and sacrifice!

Sun City's Salute to Veterans this year included a superb USO-style show presented by our own Players Theater members, including an encore performance for those arriving at the originally scheduled 6p.m. showtime. Now that's service above and beyond! The military vehicle display and re-enactors from the surrounding area topped off the special tribute to those who sacrificed so much for the freedoms we enjoy today. Thank you again for your service!

On Saturday, the annual Veterans Softball Tournament was held to salute those who served in the military along with retired first responders. Gently used clothing and blankets were also collected for homeless vets and their families. Great job and thank you!

Tips for Seniors from *Daily Fitness* -
Focus on Fitness Over the Holidays

Cheryl Counts meets regularly with fitness professional, Jane Fortier, to stay focused on her workout regimen through the busy holiday season.

The holiday season is filled with family meals, cocktail parties, appetizers, desserts and cookies by the dozens. It’s the season of indulgences.

“Exercise programs and nutritional eating take a hit over the holiday season, especially from Thanksgiving to Christmas”, states Jane Fortier, personal trainer for Daily Fitness. “Statistics show that most people gain between three and five pounds from Halloween to New Years. Holiday decorating, mailings, programs, and special events create stress and anxiety. It’s extremely difficult to stay committed to a healthy lifestyle regimen under such conditions.”

Why not focus on fitness this holiday season and avoid the usual pitfalls? Check-out the following ways a personal trainer can help you stay on track:

- Accountability is critical when the holiday rush kicks-in. Meeting with a personal trainer at a specific appointment time will definitely get you to the gym.
- Motivation runs low when so many other demands are at the doorstep. The positive encouragement and educational expertise of a personal trainer make exercise fun – you will actually look forward to coming to the gym!
- Strategies for making healthy food choices that avoid packing on the pounds are services available through a personal trainer.
- Efficiency workouts that cut-down on time in the gym are needed during the holiday rush. A personal trainer has an arsenal of exercise options that get results.
- Safety in the gym should be top priority when holiday stress sets in. A personal trainer monitors settings, form, technique, and cadence, continually teaching and coaching throughout each session.

This holiday season could be the best one yet for you and your body. Focus on fitness with the help of a personal trainer this season. To find out more about personal training services in the Sun City Fitness Centers, contact Daily Fitness at 623-256-7901 or visit DailyFitnessLLC.com. Gift Certificates are available for holiday giving.

All submittals must be received no later than close of business on the 5th day of the month for the next month's edition. Please include the date, time and location of the event along with cost and contact information. If you need additional assistance, contact Joelyn Higgins, Communications and Marketing Coordinator, at 623-561-4616.

Performing Arts

Jammin' Jazz Session

Jammin' Jazz Sessions are on hiatus until January 2015!
Jazz – Swing – Blues. Jammin' Jazz Session will meet on the third Thursday of each month at Fairway, 6pm. Musicians/vocalists interested in fun, improvisational evenings should come play/sing with us or just come and enjoy listening. FMIC Guy Dobbins, 623-221-8997. Have a great time playing together with fellow musicians.

Sun City Concert Band

The Sun City Concert Band presents its Holiday Concert "Notes for the Holiday" on Sunday, December 14 at 3pm in the Sundial Auditorium. The selection of music performed is certain to brighten your holidays. Our special guest is renowned saxophonist Mr. Rob Verdi, a long time performer at the Disneyland Resort, who has also performed with the Phoenix Symphony and several ensembles in the Los Angeles area. With a collection of over 100 saxophones, Rob will put a smile on your face and a song in your heart. Come join us. Admission is free. If you would like to receive notices of future concerts, send your email address to ronjean1212@gmail.com

New Interest Groups

Any new interest group who has (at a minimum) 25 potential members may complete the Application for Club Charter (FORM BP:12-15) and submit to the Clubs & Activities Office. Applications can be found at www.sunaz.com or pick one up at the Clubs & Activities Office located at the Lakeview Recreation Center.

Interested in Electronics?

Looking for RCSC Cardholders interested in forming an Electronics Club. If you're into robotics, remote and radio controls, microprocessors and the like, we would love to meet as a group. If interested, please email your contact info to: lowellglengillis@yahoo.com or call 602-478-9999.

Sun City Classic Car Club

Looking for people who share enthusiasm for classic cars to form an RCSC Chartered Club. If you are interested, contact Bud at 520-403-0101 or budheintz@icloud.com.

Michigan to Arizona

Our first meeting is finally here - Sat 12/6 at 8:30am in the Bell Multipurpose Room. We'll sip ice tea, (bring your RCSC card to sign up) and discuss ideas, activities, times and locations. We hope to become a Chartered Club, so we need a good turn out and will elect officers. MI to AZ Club is for Sun City residents only. Due to high interest level, all correspondence will be via email. Please send email to michigan2arizona@cox.net if you plan on attending this meeting.

Kayakers Wanted

Ok, last time! Anyone interested in forming a kayak group/club? We have a beautiful lake right here in Sun City, so why not enjoy it? Of course you need your own boat. We can do day trips to other area lakes as well as receive further instruction on kayaking. We can participate in the lighted Xmas boat parade again this year. Your choice; it is no fun alone and I am ready for some adventures. If you are in, email me at kkatzen@centurylink.net. Hope to see you on the lake somewhere.

Dart Players Wanted

Looking to form a Dart Club and need signatures. Please contact Jerry Ida at 623-875-4523 or email JEROME_IDA@HOTMAIL.COM for more info

Sun City Senior Softball Club

Due to increased interest and incredible athleticism of players, there are now three slow-pitch softball leagues, with varying levels of ability. Mixed teams (men and women) play daily between 8:30am- 4pm (except Wed) There are also Specialty Leagues for Co-ed and women's teams. The American League has ten teams with highly competitive players and lots of action. The new 12-team Central League has a slightly lower level of play, but is also competitive. The National League consists of 10 teams playing a more recreational form of softball, where the competition is friendly and fun. Crime & Punishment at the Bell Speakeasy Murder Mystery Solved!

A great evening was had by all who came out for the Murder Mystery evening recently at Bell Center, where the Social Halls were truly transformed into a real "Speakeasy" for the event!

Great costumes, excellent food and the "bloody mary" bar ensured that the night, hosted by the joint's owner, Lou Zar, along with the Cirino Gang, kept everyone busy attempting to solve the whodunit.

Photos upon entry with a vintage 1930 Olds sedan were provided to all courtesy of RCSC.
