## Dancing with the Sun City Stars

The premise was simple – a dance competition featuring prominent Sun City community leaders and RCSC management paired with professional dancers to learn a ballroom dance over a one week period.

"I don't want to do it – you do it" was the typical reaction of many who were approached about participating in "Dancing with the Sun City Stars," held on March 27 at the Sundial Auditorium. But in the end, the final cast was selected: Jim Brasher, RCSC Board of Directors President; Dan Hill, RCSC Board of Directors Vice President; Bill Pearson, RCSC Board Director; Jan Ek, RCSC General Manager; Marion Krell, RCSC Director of Human Resources; and Theresa Cirino, RCSC Director of Events and Entertainment.

Once the selection process was complete, the competitors had one week to prepare – actually seven practice sessions over five days prior to the show. Professional dancers from the Utah Ballroom Dance Company arrived after a 20 hour drive. Dance pairs were quickly formed and the dance selections assigned - Cinderella Waltz, Jitterbug, Tango, Cha Cha, Paso Doble, Samba, Foxtrot, Rumba, Mambo, Two Step – taking stock of musical preferences, disabilities and limitations so that each couple had a chance to shine in the competition.

The days leading up to the event were filled with anxiety, apprehension and finally, determination. "I can do this, I can do this" seemed to be the dull hum throughout the room. Step one, two, three; clap, turn, snap – again. Twirls and dips practiced over and over until each routine started to take shape. Most contestants appeared to be enjoying the challenge and were serious about one thing - not looking like a fool on stage.

"Would it be possible to come down with the flu by Wednesday night?" one participant was overheard asking their dance partner.

Next on the agenda for the contestants was selecting the appropriate attire. The glitz and the glamour left much to be desired as costumes for each were suggested and tried on backstage. For some, the fit was flawless; for others, sparkles and sequins were a struggle. "I can make this work, really, no problem," one dancer sighed. "Does this make me look like a cowpoke or a biker chick?" asked another. Perhaps a cowboy hat could have helped make the outfit complete. "I need rubber soled shoes that don't slip," quipped one of the male dancers. By the next practice, different footwear seemed to make a big difference.

But as they say, the show must go on. The volunteer spirit of Sun City was apparent as these dedicated community leaders prepared and practiced to make the event a success.

As the final day drew near, improvement was evident. By dress rehearsal the afternoon of the show, spirits were high and it looked as though there was actually going to be a "real" competition.

RCSC cardholders and their invited guests began arriving early, patiently waiting to witness an event like nothing seen in Sun City previously. Elegantly decorated table seating provided intimacy as groups of friends joined together. Promptly at 7 o'clock the moment arrived. The lights dimmed and the show was on.

The emcee for the evening quickly got the show underway, introducing the young dancers who worked tirelessly to train and prepare the "Stars" for this special event. Judges were selected – not only for their dance prowess – but their quick wit and biting commentary. Members of the audience, many fans of the popular TV show, were eager to help the judges and let their opinions be known.

After a brief video clip was shown of each participating pair describing the preparations, emotions and, eventually, the pitch for the audience's vote, the battle for the Mirror Ball Trophy began. Everyone was impressed by the talents displayed as each couple performed. The judges teased and cajoled while awarding points based on form, grace and overall presentation. But in the end, it was the audience who cast the final vote.

The second half of the evening was pure enjoyment. Members of the Utah Ballroom Dance Company performed "CineMagic" – a ballroom dancing tribute to the icons and music of the silver screen. Hollywood's favorite characters were brought to life on the Sundial stage with dazzling costumes, elegant lifts and beautiful ballroom dancing. Each and every number performed was outstanding and the audience expressed approval time and again.

But the night was not yet complete for those patiently awaiting the final tally. Alas, the moment had arrived. Despite the best efforts of all involved, the winner of the "Dancing with the Sun City Stars" competition was announced. RCSC General Manager Jan Ek and her partner, Joey, yahoo-ed their Country Two-Step to win as RCSC Director of Events and Entertainment Theresa Cirino graciously "waltzed" in as runner-up, chaperoned by her Prince Charming.

Updates

Presented on March 28 at the RCSC Board of Directors Meeting

Financial Report:

We have operated within our operating and capital budget year-to-date. Unfortunately, we have ended February 2013 with slightly more than \$150k short in golf revenue year-to-date as compared to budget. Food service also remains around \$15k short of its revenue budget year-to-date. I want to remind everyone that this is the time of year when we collect the highest percentage of assessments, and therefore, we accumulate considerable cash at this time of year which is used to pay for the operating and capital expenses throughout the remainder of the year. So when you see the money accumulating in our operating accounts, it is only temporary.

Bowling Centers:

All lower automatic scoring monitors have been replaced at both bowling centers. The new monitors are 15” flat panels that replaced the fourteen year old monitors which became cost prohibitive to maintain due to replacement availability and rising repair costs.

On Sunday March 17, 2013, the Bowling Department held their annual League Officers Appreciation Tournament. All Bowling League Officers were invited to participate; there were seventy entries in the tournament. The annual tournament gives the bowling centers the opportunity to gather all league officers together so we can express our appreciation for all their hard work and dedication.

Cardholder Services:

Payments made by property owners in outside collections totaled \$6,554 in February with payments from 12 property owners. Our new outside collection company has started collection efforts but has not yet reported payment information to us.

The payments on past due assessments lagged again in February from the increase last month and were 20% below the monthly average for the past year. January billings went past due at a slightly higher than average rate while the rate for December balances going over 60 days past due was slightly less than average. Both of these changes are very close to the same rates from a year ago. At the end of February, outstanding balances related to property transfers decreased by 9% and represent 51% of receivables due and past due balances.

Year to date, the Cardholder Services office has printed new cards for 6,650 cardholders. This is an almost six-fold

## A Moment with President Brasher - So What is this RCSC?

Since I became a member of the Board of Directors, I have been asked more than once: “What is this RCSC?” Most of us know it as a way of referring to the Recreation Centers of Sun City, Inc., and therein lies a tale.

According to “Jubilee,” an excellent book written on the occasion of the 25th anniversary of Sun City, the name “Recreation Centers of Sun City, Inc.” came into being at a membership meeting of the old Community Association on May 8, 1972. Over 40 years later, the RCSC still functions with nine volunteer directors who work under our Corporate Bylaws to preserve and enhance the quality of life for the residents of Sun City.

The Board of Directors acts just like that of any major corporation. Major roles of the Board are to: Approve board policy; approve the annual budget; perform our fiscal responsibilities to protect the assets of the Corporation; and employ/oversee the duties of the general manager. Working with a number of standing committees, the Board is constantly trying to assess the needs and wishes of residents with a view toward providing the best for them. However, the Board is but one arm of the RCSC govern-

ing body. We depend on our excellent managerial staff to implement the policies and improvements upon which the Directors agree.

The Board is composed of nine Directors. Each year, elections are held for three Directors who generally serve three year terms. So with three Directors’ terms expiring every year, sometimes the Board is composed of Directors with none having more than three years experience. Such a scenario emphasizes the importance of having an experienced management team with whom the Directors can work to provide continuity in policies and actions for the many facilities, employees, and services necessary for the operation of our community of 40,000 or so residents.

The current Board of Directors is fortunate to have General Manager Jan Ek who has been in her job since 2007. Without the experience and expertise of a highly qualified general manager such as Jan Ek with her six-plus years’ experience here, the Directors would perhaps have to “reinvent the wheel” each time we encounter a new direction or problem in our community.

Jan brought to Sun City her managerial experience acquired in over 39 years in a number of different organizations. She is adept in developing and administering our budget which easily totals over \$20 Million per year. Certainly, with property and facilities valued at \$90 Million or more, such a budget is necessary and would present a unique challenge to anyone who is not experienced in managing the complexities of such an organization. We are confident Jan will maintain a very sound fiscal condition for our RCSC.

Jan has not rested on her laurels since coming to Sun City. Just last year she completed certification in her field to earn the highest accolade as a PCAM - a certified Professional Community Association Manager. Such a designation has allowed her to communicate easily with similar community managers throughout our country and leads to problem solving whenever complex problems in Sun City’s organization and management present themselves. Thanks to Jan, our Management Staff are superb and highly qualified to lead to a quality future for Sun City.

## New Guest Pass Procedures Announced

It is now possible for RCSC cardholders to obtain Guest Passes in advance thanks to a revision to Board Policy passed last month.

Historically, both cardholder and their guests were required to be present when using a Host Punch Card and Guest Passes were issued if multiple RCSC facility uses were planned by one guest in the same day with no additional punches of the Host Punch Card.

With this policy change, it will be possible for cardholders to obtain Guest Passes for their visitors prior to arrival and the pass does not have to be effective on the day it is issued. Consecutive day Guest Passes (for no more than seven days) may be issued in advance when guests plan to use the RCSC facilities for several days, as long as the Host Punch Card is punched once for each guest for each day.

Guests will continue to show government issued, picture ID to monitors when accessing RCSC facilities to ensure their identity matches the Guest Pass obtained for them by the RCSC Cardholder.

“This is a great change and a great service to our cardholders,” said Jan Ek, RCSC General Manager. The new Guest Passes (pictured below) have also been updated to include the new Sun City logo.

## Web Portal to Provide Better Service for Cardholders

RCSC is putting the finishing touches on a new web portal for cardholder use. This new portal will combine services that are currently processed by separate providers into a single web platform, as well as adding functionality at the same time. You will be able to make property assessment payments, see payment history, book tee times and see golf play history, as well as manage e-mail subscriptions for contact from RCSC.

Property assessment payments will be somewhat different in that only Visa or MasterCard credit cards may be used for payments. Payments from bank accounts through the E-check will no longer be offered.

Web tee time bookings will be available through the web portal at noon, five days prior to the booking date.

Access to the web portal will require an email address on file with RCSC for each cardholder. The easiest way to update an e-mail address will be to send an e-mail to [webportal@sunaz.com](mailto:webportal@sunaz.com) with the new e-mail address and the affected cardholder numbers.

Additional information will be coming about the launch date for availability of the new web portal.

increase from the 1,140 cardholders in the first two months of last year. This increase was expected but is still significant. We appreciate the patience shown by cardholders as this increase has caused some additional wait times in the office.

Trustee sale notices on Sun City properties continue to be reduced at 88 for the end of February. The number of properties owned by lending institutions remained steady at 80 during this month.

The Preservation and Improvement Fees collected in February were \$546,000 with the resale activity continuing the higher trend started in January. Year to date PIF fees are \$1,041,000, or 73.5%, over budget.

## Human Resources:

The U.S. Dept. of Labor has amended the Family Medical Leave Act (FMLA) as a result of the National Defense Authorization Act. The amendments extend military caregiver leave to eligible employees whose family members are recent veterans with serious injuries or illnesses, and expanded the definition of a serious injury or illness to include those resulting from preexisting conditions. Also expanded was the qualifying exigency leave to employees with family members serving in the regular Armed Forces, and added a requirement that for all qualifying exigency leave the military member must be deployed to a foreign country. The second part of the amendment addresses Airline Flight Crews which does not affect RCSC. RCSC is in the process of updating the FMLA policy and required labor law posters.

The Department of Homeland Security released a new version of the Form I-9 on March 8. The form is required to identify and verify newly hired individuals' rights to work in the US. The "condensed" form went from a one page document to a two page document. Employers can use the old form until May 7; however, RCSC began using the new form upon release. The DHS will not complete an update of the handbook until later; however, instructions are clear on the forms.

# We Need Your Input Election Survey

Three of the nine directors on the RCSC Board have terms that end every December and the need for candidates continues to be great.

Have you ever thought about running for the Board? If you might be interested, perhaps an informal conversation with a current Board member to talk about what's involved in running, time commitments and background required would be beneficial? Maybe you know of someone in the community who would be a good candidate to serve? Your input counts. Please send contact information to boardoffice@sunaz.com or complete a survey at the Lakeview Corporate office so that we can contact you.

A recent Election Survey sent by email resulted in many responses, but due to a computer glitch a number of people were unable to respond.

Golf Report

Pro Shops

Revenue generation proved difficult as cold mornings continued throughout most of February. Eighteen of the twenty-eight days recorded low temperatures below historical averages. This February also had one less day than 2012, as 2012 was a leap year. Comparing the first 28 days of 2012 to 2013, Green Fee/Cart Fee revenue was \$25,000 behind. Merchandise was \$2,000 ahead and Driving Range revenue was flat. With the 29th of 2012 added back in total revenue from these three categories was \$43,000 behind previous year.

Wilson hosted a demo day on February 4th at Riverview G.C. generating over \$2000 in sales. Wilson will return to Riverview on March 20th and will have representatives on hand to answer questions and assist with product selection. They will be on site from 9:00 a.m. to 2:00 p.m..

Our first night tournament of the year, scheduled for March 29th, is sold out. Participants will receive a “night” ball, dinner and night golf accessories. Check-in is 5:30 p.m., dinner served at 6:00 p.m. and the event scheduled to start at 7:00 p.m. Our second night event is scheduled for April 27, entries are available at each pro shop. The entry fee is \$25.00.

Maintenance

The bidding process for the Willowbrook bunker renovation has begun. Our pre-bid meeting was conducted on March 12th and was attended by Gary Brawley, the architect for the project. Four contractors, which met the bidding requirements, were in attendance. Bids are due March 29th and a contractor will be chosen by April 10th. Contractors were asked to put into their bid, the possibility of leaving 9 holes open at the start of construction, which will be May 6th.

With warmer temperatures, our bermuda grass has begun emerging from dormancy. Bermuda does not grow vigorously until overnight temperatures remain at 65 or above, however it has already begun turning green. To relieve winter compaction and to promote growth, the roughs will begin to be aeri-vated.

A second fountain at South, donated by area homeowners, has been installed on hole #17. In addition to South, the fountain on hole #5 at Willowbrook was repaired and the fountain on hole #2 at Lakes West was replaced.

Snack Shops

With reduced play on the courses, snack shop revenue for the month was \$5,000 behind budget.

Summer League Sign-up Time

Summer league sign-ups are underway. Stop by Lakeview Lanes or Bell Lanes to check out our summer league schedule or call Di Tormanen at 623-561-4656 for more information. Also, It’s time for those bowlers that bowled last summer to confirm your spot for the upcoming summer season.

New Leagues for Summer  
Baker League at Bell Lanes – Saturdays at 5pm

Three bowlers per team, bowl 6 games. Share the game, share the fun, share the glory! Bowler #1 bowls frames 1, 4 and 7; Bowler #2 bowls frames 2, 5 and 8; and Bowler #3 bowls frames 3, 6 and 9. Each bowler on the team bowls the 10th frame twice. This is a fun format and great for building team spirit!

Flex League at Lakeview Lanes

Now you can bowl anytime, no matter what your schedule! Two bowlers per team, bowl 3 games. Opposing teams bowl anytime lanes are available during a given week. Example: The first team bowls Tuesday at noon, and the opposing team bowls Wednesday night at 6pm, but scores count in the league standings as if you have bowled against each other.

Bell Bowlers Accomplish Rare Feat

On March 28 at Bell Lanes, Newlyweds Gary Estep and Brenda Burns-Estep both bowled a 300 Game, in the same game on the same team!

Gary and Brenda were married on March 21, 2013 and had just returned from their honeymoon. In the first game on the Sun City Scratch Classic League at Bell Lanes, leadoff bowler, Brenda bowled a 300 game, to be matched by Gary bowling anchor. Gary finished with an outstanding 835 series (300-268-267), Brenda wasn’t far behind with a 720 series.

Both Brenda and Gary have been bowling for 30 years. This is the first time either can recall bowling on a team where two teammates rolled 300's in the same game. Brenda was the first woman to bowl a 300 game at Bell Lanes in February 2009 and now is the second. Her high series is 797 rolled in 2001. Gary has 40, 300 games to his credit and 20, 800 series with 867 as his high set.

This is only the 6th time in USBC history that a married couple has bowled 300 games on the same team during the same game, and only the second time for a couple here in Arizona. Congratulations to the newlyweds!

## The Sun City Foundation...Can it be More?

by **Bill Pearson**  
**RCSC Board Director and Sun City  
 Foundation President**

The year was 1986 and a small but dedicated group of residents had the foresight to understand a community like Sun City would face challenges in the years to come. Being unincorporated and having no tax base to cover the shortcomings of a volunteer driven community, they understood the importance of creating a funding stream for problems typically taken care of by a city governmental body.

It was pure genius and by 1987 the Sun City Foundation was not only created but was awarded 501(C)(3) status under the tax code. That meant residents could not only make donations, but could earmark large bequests and leave entire estates to the community they so dearly loved.

As so often happens, the best laid plans go awry. Over the years it morphed into an organization that helped residents who had outlived their resources by paying their property assessment. Throw in some ride vouchers and while those who benefitted were grateful, the initial

mission to do so much more was lost somehow along the way.

With the current efforts to return Sun City to its roots of a greater sense of community, it just seemed time for the Foundation to look within and see if there wasn't an urgency to reinvent the organization and attempt to live up to the founders original plans.

Early in March a group of 30 invitees gathered for a round table discussion of the Foundation. The goal was to brainstorm and attempt to find a handful of hardy souls who had the vision to see the needs of an aging community and if there was a value in taking a step backwards as we looked to the future.

Clearly, the meeting showed one thing. Both old timers and new comers alike saw the potential of the Sun City Foundation becoming all it was originally intended to be. There was nary a sole who spoke out against it and meetings will continue to be held as we move forward.

Watch this paper in the coming months as we will be actively seeking residents to get involved. The only limitations we have are those we place on ourselves.

## Sun City Apparel Sales Benefit SC CAN

This year's fundraising efforts by the RCSC Management Team will benefit Sun City Community Assistance Network (SC CAN) and your purchase of Sun City logoed apparel can help.

Tee shirts, sweatshirts, hats, visors and more with the new Sun City logo will be available for sale at various events held by RCSC over the next few months. If you've missed the apparel at past events or want to know when apparel will be sold next, call the Lakeview Corporate Office for more information, or send an email to [boardoffice@sunaz.com](mailto:boardoffice@sunaz.com).

Additional items such as bowling shirts, vests, aprons, and bags can be specially ordered in various colors and styles, also through the Corporate Office.

For the month of May, some apparel items will be available to purchase at the SC CAN office.

These are great gifts for yourself or the perfect souvenir for visitors to take back home.

SC CAN acts on behalf of the community and surrounding area in matters affecting utility rates, taxes and legislation. They also help seniors who qualify obtain a freeze on property taxes, do benefit checks to help get residents benefits through various state and federal programs, and offer pro-bono one - 1/2 hour legal consultations. With the help of AARP, this past tax season SC CAN prepared 50 tax returns per day at no charge for area seniors.

Any resident in need of any kind of financial assistance can go to SC CAN and receive a free evaluation and resources. Their offices are located at 10195 W. Coggins Dr. in Sun City, one block south of Grand Avenue or phone 623-933-7530.

## Computer Club Expands Offerings to Android Users and New Windows 8

The Computer Club of Sun City at Fairway has always been focused on helping their members better understand and use Windows PCs. Many classes are offered on how to use XP, Vista and Windows 7 machines. And now they have a classroom filled with Windows 8 computers!

Several classes on Windows 8 have already been scheduled and more are on the way. In addition, each month there are informal meetings where ideas, features and problems with Windows 8 are discussed.

Now they have widened their vision to include the Android system that is found on many "Smart Phones" and tablets. More and more, people are excited about using these devices and looking for new ways they will enable them to make their lives easier and more interesting.

Meetings are open to all club members at no cost, where news about Android is discussed and new "apps" are explored. Come and delve into new and interesting ways to use your mobile phone or tablet. As a group, you'll try to solve problems and issues individuals maybe having with their device.

Do you have an older computer and are looking to make it more productive? Are you thinking about getting, or already have a new smartphone, tablet or Windows 8 computer? If so, then this is the club for you! Find out more by visiting their website at [www.firstsuncity.com](http://www.firstsuncity.com) or by stopping by the club during open hours.

# Behind the Scenes

Practice for Dancing with the Sun City Stars in the days leading up to the main event were grueling but also gave couples a chance to get to know a little bit about each other. With each session, chemistry emerged that made the final dance for each partnership special. Participants were eager to get started with their lessons and seemed to relax when it was realized they were actually getting more comfortable with their professional partners and the dance routine selected.

## Preparing for Dancing with the Sun City Stars

With the final rehearsal only hours before the evening performance, improvement was evident and everyone was ready for the show. As the audience began to fill the Sundial Auditorium, butterflies and stage fright rattled the nerves of some. All were determined to put their best foot forward and make lasting impressions on both the audience and the judges.

The Mirror Ball Trophy for the evening was presented to RCSC General Manager Jan Ek and her partner, Joey. RCSC Director of Events and Entertainment Theresa Cirino was the runner-up with her partner, Andrew.

## Did You Know...? RCSC Committees

*Editor's Note: A portion of this article was omitted in the last edition of SunViews. We regret this error.*

### How can I become involved and/or learn more about RCSC?

Volunteer to serve on a committee. There are thirteen standing committees that you can choose from: Bowling, Club Organization (COC), Elections, Entertainment, Finance, Budget & Audit, Golf Advisory (see Green Committee below), Government Affairs, Insurance, Lawn Bowling Advisory, Long Range Planning, Marketing, Member Communication and Properties.

### In general, what do committees do?

A committee is a small group of Members, generally subordinate to the Board of Directors, which is organized to assist the Board in specific areas as assigned. Members may present specific concerns and issues to the appropriate committee for review and recommendation to the Board. There are two types of committees: standing and ad-hoc.

### What is the difference between a standing committee and an ad-hoc committee?

Standing committees are committees with a continued existence, formed to do their assigned duties on an ongoing basis. An ad-hoc committee is a committee that exists for a temporary or limited amount of time to perform a specific assigned duty.

### How are committees formed?

The RCSC Board of Directors is empowered by the Corporate Bylaws to create or eliminate committees as they may deem necessary to properly and effectively carry on the affairs of the Corporation. All committees report directly to the Board of Directors, excluding the Green Committees at each golf course, which are sub-committees of the Golf Advisory Committee.

### Who can serve on committees?

# Easter Egg Roll = Fun for All

A good time was had by all at the annual Sun City Easter Egg Roll and More! Bonnet making, face painting, story telling and of course, the Easter Bunny kept hundreds of children, parents and grandparents entertained the entire morning. Live chicks, rabbits and black pig in the petting zoo, sponsored by Pratt's Pets, proved to be a hit with both kids and adults.

# RCSC Project Updates

## Renovations and Improvements

RCSC is dedicated to keeping cardholders, property owners and the community at large informed of upcoming projects and improvements. In addition to the items below you can find additional project information in the monthly management reports at [www.sunaz.com](http://www.sunaz.com) under the Corporate tab.

Solar construction is in full swing. Crews have been busy for the last several months at all centers and should be finished in late May 2013.

Renovation work began at the Sun Bowl Ball Field on April 8, 2013. Other improvements to the Sun Bowl amphetheater and the installation of a new dog park will commence later this year. We plan on the ball-field being ready for limited play this fall.

Expansion at the Bell Center Woodworking and Metal shops remain on schedule.

Willowbrook bunker renovations begin in May as well with nine holes remaining open until June 6. Beginning in December 2013, we will be closing the North Golf Course for a complete renovation through fall 2014.

Plans continue to progress for the expansion of Marinette Recreation Center. Since the RCSC has now reviewed all suggestions made by cardholders at the two recent Marinette "Town Hall" meetings they will be sharing preliminary building plans with cardholders soon.

Sign up for RCSC News Alert Emails at [www.sunaz.com](http://www.sunaz.com) for the latest updates.
