Updates

We ended August 2012 well within our operating and capital budget year-to-date. All divisions have met their net operating budget prior to depreciation year-to-date except food service, which is solely due to the costs incurred in the required replacement of equipment and the remodeling of the café at the Lakeview Lanes. The coffee counter has been re-installed as was highly requested by Sun City residents. We are very please that we got the restaurant open and operating on October 1, 2012.

Repairs and maintenance are considerably under budget which is strictly a timing issue as R&M projects will be completed throughout the remainder of 2012, and most likely into 2013, which will eliminate the current \$600k positive variance year-to-date.

Payments made by property owners in outside collections totaled \$11,209 in August with payments from 18 property owners. Larger payments from several past due property owners were collected this month. During the month our internal collector processed payments from past due property owners totaling \$28,310 and property related transfer fees totaling \$84,882. Both of these were lower this month as anticipated due to scheduled time off of our internal collector although staff in the Cardholder Services Office assisted during this time.

Property trustee sale notices on Sun City properties ticked up slightly to 97 at the end of August as did the number of bank owned properties to 76 owned by lenders.

Woods & Dwyer, auditors for the RCSC Employee 401(k) Plan, recently completed an audit of the Plan for the 2011 calendar year. Financial statements and supplemental schedules were audited. The audit found RCSC to be in compliance.

Although both health and dental benefits are renewing on October 1, 2012, RCSC’s health carrier, Aetna, has returned a very unfavorable renewal rate of a 20% increase. RCSC has been seeking an opportunity to change the renewal date to January 1, a date consistent with the fiscal year and the deductible year. Additionally, RCSC was notified that the highly desired Aetna plan where co-pays have counted towards annual deductibles will no longer be available after this renewal. Therefore, RCSC is in the negotiating process for new health and dental benefits as of January 2013.

A Moment with President Coleman: Perception

Thirty years ago, when I was selected to command a brigade, I met with my new boss, a Major General, who gave me my charge as the Division Artillery Commander. "An organization mirrors its leadership" he stated, which had a significant impact on me and something I will never forget. That was true then and is true now. The perception of what and who you are is just as important as the facts. The perception of what the conditions are, what the environment is, what the relationships are between individuals and leadership is very important.

In 2001 I purchased a condo in Sun City after having visited twice in 2000. My first visit was in the spring of the year, the temperatures

were ideal. I had quarters at Luke Air Force Base and visited Sun City West, Westbrook, Mesa, Chandler and Sun City. After visiting those developments, I decided to live in Sun City. My perception of Sun City was that it was a safe, clean and friendly community where residents cared for each other.

In July I met two golfers at the Lakes West snack shop who invited me to play golf the following afternoon at 1pm. I thought they were crazy to play golf in the heat of the day in over a hundred degrees. Then I saw a group of senior cyclist riding by so I decided that if they could ride a bike in this heat, I could certainly play golf. And when I showed up with a rental cart the next

day, one of the golfers suggested I return it and ride with him. In one of the other communities, the seller accused me of damaging her screen door. In another, I spoke to people as I was viewing properties without any response and it was like I wasn't even there. At one community, golf membership was thousands of dollars to join with an annual fee, plus thirty dollars per round. No perception here; this is factual; and definitely not my kind of place.

I wanted to move to a warmer climate where I could have a cup of coffee in the mornings and read the paper in short sleeve shirts (I hadn't thought of short pants) and listen to the birds sing. Sun City was that place! Was Sun City the

place I perceived it to be?

My perception of Sun City was that it was a clean, safe, quiet city where the rat race was over. People were no longer fighting to get ahead, putting the job ahead of friendship, and, in some cases, family. I perceived that most of the people were physically active.

After moving to Sun City, I found most of the amenities, attitudes and values that I perceived to be present. Sun City was my reality; quiet, clean, safe and occupied by wonderful happy and friendly people. After ten years, I realize that it is the people that live, play and work here that make Sun City great!

Why do we need to market Sun City?

Great question and one I've asked many times; let's face it, Sun City sells itself.

That said, there's a dozen answers and all of them make perfect sense to anyone interested in Sun City's future.

We know in our first 18 years (1960-1978) the community was marketed as heavily as any, since the day it opened. What most people don't know is the first 5 years "marketing" was more about advertising while the next 13 years the ads became less significant and John Meeker's goal was more about branding and positioning the community in a sustainable way.

That's a significant difference in both style and approach and one that is important as the RCSC moves forward with a marketing plan. We're not talking about spending a

fortune on ads. We're looking at taking a page from Sun City's most explosive growth period and following in its footsteps.

John Meeker saved Sun City, a story we will tell in coming issues. For now, suffice it to say, his genius focused on 3 or 4 dynamic changes within the makeup of the community. Upon his arrival in 1965, he spent countless hours talking to residents. He used the clubs as a backdrop for the changes and those living here told him what they would like to see.

What he found was encouraging; people loved Sun City and he understood he could turn that love affair into one of the strongest marketing efforts available. By building brand loyalty, helping to grow the clubs, and providing internal promotional materials to residents, he understood his reach across the United States was unlimited.

All of this brought forth something that was even more important: He built a sense of community that culminated in 2000 homes being sold a year (1968-1978). To this day, numbers most developers would love to achieve. More importantly, that is still the game plan new developments try and create... a sense of community, of belonging.

The beauty of what we are talking about is that Sun City still has many of those same qualities. After 52 years, much of what Meeker created is lingering just below the surface; just waiting to be nurtured. In the past year, we have talked about how we tap into them and use them yet again.

Within a matter of months, a marketing/branding/positioning of Sun City will come to light. We are carefully putting pieces in place that will be exciting, revealing, and encourag-

ing to anyone living here or thinking about buying here. I know, I haven't answered the question yet... but I will. In the next issue of SunViews, I will give you the nuts and bolts of why this is important to Sun City's future.

That old adage about understanding our past could never be truer, so hopefully this look back will allow you to do just that. See you next month.

were our best salesmen."

Project Updates

General Centers Projects Information

Solar projects, which include thermal (Water heating) and PV (Electricity producing) are still going through the plan review (Permitting) process with Maricopa County Planning and Development Department. A leadership meeting was held with Maricopa County Planning and Development Department on September 12, 2012 to come up with a plan on how to get these Solar permits approved. Contractors include Wilson Electric for the photovoltaic solar and Priceless Plumbing for thermal solar.

Security fencing and gates are being installed around one pump station at the following golf course locations; Riverview, Willowbrook and Lakes West. Contractor is Sav-on-Fence. **(Cost - \$14,300)**

Mt. View Center

The Mt. View pool lighting project is in the planning stage. The contractor is currently preparing project plans for submittal to Maricopa County for the construction permit. (Sorry, last month's report stated that submittal for permit had been made but that was incorrect.) The project includes induction type lighting around the swimming pool and two pole lights in the mini golf area. Contractor is Accel Electric. **(Cost - \$40,000)**

South Maint. / Quail Run / Sunbowl

The building drawings for the new South Golf Maintenance building should be finished this week and submitted for permit the week of October 1, 2012. The drawings will also be sent out for contractor bids prior to review and approval by the RCSC bid commission. Contractors to date include Bunger Steel, Inc and CCBG Architectural.

Re-carpeting of the Quail Run pro shop will occur while the course is closed for 2012 over-seeding in late October. Contractor is Puckett's Flooring. **(Cost - \$4,432)**

The permit from Maricopa County Planning and Development has been

received for the replacement of the irrigation systems and turf at the Sunbowl ballpark and park (water retention) area south of the ballfield. The project was sent out to four contractors for bid but two backed out stating that they were too busy and the other two continue to delay their response. Since it is too late to plant (spring) Bermuda grass this project will resume in April/May of 2013. In the meantime, we will continue to seek the necessary project bids and forward the entire project to the RCSC bid commission for final approval. Current contractors assigned to this project include CCBG Architectural, Marvin Mills Irrigation Consulting and Broderick Engineering.

North Golf Course

The defective septic system leach field at the North golf maintenance facility has been replaced. The work included removal of a small amount of asphalt and gravel from the parking area, replacement of the leach lines, replacement and compaction of gravel and fill dirt and a final asphalt patch. Contractors were American Septic and Pinnacle Paving. **(Cost - Permit & Septic Work \$5,110)**

Lakeview Center, Lakeview Lanes & JiMichael's Café

The Lakeview lawn bowl greens will receive replacement metal halide light fixtures on top of the existing light poles as soon as the permit is received from Maricopa County Planning and Development Department. In addition, two electrical panels must be replaced and some new electrical cabling done in order to complete this project. The new light fixtures will supply additional light while keeping energy costs down. Contractor is Wilson Electric. **(Cost - \$55,880)**

Inside areas of Lakeview lanes are being repainted by the RCSC Skill Trades department. **(Cost- paint and supplies \$600)**

The Lakeview café is being cleaned and repaired in preparation for JiMichael's to assume operations. During this process

the commercial restaurant equipment is also being cleaned, serviced and replaced as necessary. Cleaning work is being done by ServPro of Arizona, the upholstery work by Desert Flower Upholstery and all painting, carpentry and minor electrical repairs by the RCSC skilled trades department. The café reopened on October 1, 2012.

Bell Center

Architectural drawings for the Bell Wood and Metal shop expansion project are completed. Project plans were submitted to Maricopa County Planning and Development for permit on September 20, 2012. The building plans will also be sent out to construction companies for competitive bids. After all bids are received the project will be forwarded to the RCSC bid commission for final approval. Planning and pre-permit work is completed for repairs to the Bell Lawn

Bowling irrigation system and lawn bowl green backboards. The RCSC submitted drawings to Maricopa County Planning and Development Department, for an irrigation pump electrical permit, on July 24, 2012 but the permit was not issued until September 12, 2012. Due to permit delays, etc the project will now commence in April/May of 2013 since the Lawn Bowling season is rapidly approaching. In the meantime, the project will be sent out for construction bids. Once all bids are received, the entire project will be submitted to the RCSC bid commission for approval.

The Plumbing lines at La Petite Café required line jetting due to the plumbing system's age and build-up of debris. Contractor was Sunland Plumbing. **(Approximate Cost - \$900)**

Sundial Center / Riverview Pro

The new back-stage and main-stage curtains for the Sundial auditorium are now installed. The automatic opener unit is still being outfitted with a remote switch and safety guard. In the meantime the new curtains can be operated manu-

ally. S&K Theatrical manufactured and installed the draperies. **(Cost - \$21,92)**

Two replacement signs have been ordered for the Riverview golf course. One will be placed on the pro shop building and the other by the #10 tee box. The signs are being constructed at the present time and the permit has been obtained from Maricopa County Planning and Development. Contractor is Apollo Signs. **(Cost - \$13,898)**

Restroom repairs at Riverview Pro Shop were completed, and the restrooms reopened, on Wednesday, September 19, 2012. The repairs included the replacement of existing lighting, toilet partitions, toilet fixtures, porcelain tile and a complete repainting of the facilities. Contractor was Sunland Plumbing. **(Cost- \$46,800)**

Roof coating work began the week of September 24th at Sundial. The work includes the two lower auditorium roofs and a section of roof on the West side of the clubs building. Contractor is Reliable Roofing. **(Cost - \$ 41,000)**

Skilled Trades Department

The Skilled Trades department completed 75 work orders during the month of August/September 2012. While total work orders completed this reporting period seem low, the Skilled Trades Department has also played a significant role in interior repainting of Lakeview Lanes and the renovation of JiMichael's Café at Lakeview.

Golf Report

Golf Courses

Overseeding of the courses began October 1; three applications of a pre-emergent for Poa Annua control have been applied as well as a growth regulator to slow bermuda. About a week prior to overseeding water will be turned off and mowing of overseeded areas will stop. Both of these steps are necessary to assist in the scalping of the areas to be overseed. Overseeded areas will receive an application of a starter fertilizer to assist in germination.

The grass being used this year was chosen from an experiment performed on hole #17 of Lakes West last year. The grass proved to be resistant to golf cart wear and tear. The seed germinated and grew very quickly and also died very quickly during transition. It is hoped that the faster germination will reduce the length of cart path restrictions following overseeding.

The steps necessary to develop a master plan for North are well underway. To date Survey Innovation Group has completed an aerial survey, Erickson Meeks Engineering has assisted in identifying areas that will need permitting with Maricopa County and Native Resources has cataloged (by GPS) 797 trees and fauna throughout the golf course. Our architect, Gary Brawley, will meet with the North Green Committee at their next regularly scheduled meeting on October 5. Feedback gathered at this meeting will be used in the development of the master plan.

Pro Shops

Daily green fee and cart revenue exceeded prior year by \$703; merchandise sales were \$1,014 behind prior year, and driving range revenue exceed prior year by \$341. The positive total revenue figures for the month, compared to prior, was a welcome change to the performance in June and July.

On December 7, we will be hosting a fundraising tournament to raise money for our chosen Winter Celebration Charity, the Sun City Prides. The format will be Beat the Pro(s), which will be Brian Duthu (PGA) and Chris Linam (PGA Apprentice) and will be made up of two person teams. Teams that beat the Best Ball score of the Pros will equally share the prize pool. The entry fee will be \$40 and the event will be held at South with Lunch at Fairway following play. In addition to bragging rights for beating the pro, there will also be a chance at a Pebble Beach Vacation.

Snack Shops

Snack shop revenue for August exceeded prior year by \$2,656 and missed budget by \$1,727. Through August, the snack shops have operated with a Net Excess of \$20,520, which is \$4,601 ahead of prior year.

RCSC Bowling Centers will be closed on 12/25 for the Holiday.

Bowling Updates

USBC Lane inspections were performed at both centers over the summer. Lane inspections include measurements of lane depressions and cross tilts which must be within 40 thousandths of an inch. Also inspected are pin decks and flat gutters. Flat gutters have a tolerance of ¼ inch. Both centers are in compliance with USBC specifications for the 2012/2013 season.

Recently the bowling department renewed the premium membership for LeagueSecretary.com. This website is where all league standings are posted for both centers. The premium membership allows all RCSC bowlers to view various graphs and detailed scoring information about themselves, their league or any other RCSC leagues. Bowlers will be able view statistical information which could drastically improve their game.

Let's Go Bowling....

Just wondering what you are doing this Saturday? How about joining others at Lakeview Lanes for a fun evening of food, friends and bowling? Yes you can bowl even if it has been a long time because this is "No Tap" and that means if you happen to get 9 of the 10 pins to fall after your first ball, you will get a STRIKE! There are cash prizes for high scores and if you have a league handicap, you will get that handicap added to your score . . . So even those of us that don't have a high average can win. Come in and give it a try! Also, the newly opened JiMichaels Café located inside Lakeview Lanes is open from 7:00am – 8:00pm seven days a week. Call Lakeview Lanes 623-876-3055 for more information.

RCSC Redesigning Card Layouts

RCSC has changed the card layout of its cards for members and privilege cardholders. The layout will no longer have the expiration date printed on the card. By no longer printing the cardholder's expiration date on the cards RCSC will create a more streamlined process. Prior to this change, cardholders were required to come into the Cardholder Services Office to receive an annual sticker, or one was mailed at a growing expense.

This change was made possible by the system changes earlier this year where the Cardholder Services Office, Golf Course Pro Shops and Facilities Attendants at RCSC Centers are now all using the same system. RCSC no longer completes nightly updates of cardholder information between three different systems and the single view of cardholders opens the doors for more streamlined operations and cost savings.

For chartered clubs, there is a new process forthcoming as well. The process will be thoroughly defined in the new board policy for chartered clubs slated to be approved at the November board meeting. In the future, clubs will

submit their membership list to RCSC quarterly and RCSC will verify that all club members are cardholders in good standing.

The cards printed in the Cardholder Services Office now contain a laminate coating to extend the life of the photo and card. Also available will be a card layout with three smaller key fob cards similar to loyalty cards from grocery stores. These key fobs are available to cardholders at no charge and will aid in extending the life of the larger card provided to cardholders, as well as offering a convenience of an additional card that is easier to take to the fitness center or pool.

These new card layouts will be available in December in preparation for 2014 cardholder expirations. Please note the first week of the year is traditionally the busiest in the Cardholder Services Office as cardholders are eager to start the year off anew by taking care of business or renewing leases. Cardholders with expirations later in January are encouraged to come into the Cardholder Services Office after this first week to minimize their wait time.

It's Duck Season!

The 4th Annual Duck Race will take place at the Holiday Party on December 14, 2012. The ducks begin their treacherous journey at the top of the waterfall and make their way over the dangerous and rocky falls, into the lagoon below. Those ducks that survive the plunge will swim their way across the lagoon, fiercely fighting and their little hearts out to be the first to make their way through the babbling brook and cross the finish line to victory!

To have a chance to win you need a Duck Buck! Get your Duck Bucks for \$1.00 each (cash only please) from any Center's Facility Attendant; \$0.50 goes to the prize fund the other \$0.50 goes to this year's charity, the Sun City P.R.I.D.E.S. (Proud Residents Independently Donating Essential Services). Last year's Duck Race prize fund totaled \$2,062.50. That means we also raised \$2,062.50 for charity!

Friends of the Library

Fall is really here! If you want to see fall colors put to really good use, check out the newly opened "Gathering Place" at Bell library. The Friends did a great job of furnishing it and creating a very comfortable space for library patrons. By the time you read this, hopefully the new book return system will be installed. What a great way to save wear and tear on the books and on the library personnel too. Try it out. You will actually get a receipt showing you returned your book.

Volunteer or the Month

This month we are honoring Jean Tallar, who has been a resident of Sun City for 29 years. Jean and her husband, Gordon upon retiring from Wauwatosa, WI, decided to move to this area. Jean has been in the Sun City library system for 26 years. Her jobs were checking books in and out for patrons, shelving, mending books, filing catalog cards and training new volunteers. During the time the Fairway library was closed, Jean volunteered at Bell until MCLD opened the new Fairway branch. She volunteers three or more hours a week and the thing she enjoys most is helping the patrons.

Jean and Gordon have three grown children, a daughter, and a son in this area, and a son in New Berlin, WI. Besides reading, Jean enjoys knitting, sewing, line-dancing and traveling. You can find her in the Fairway library every Thursday morning adding to the more than 4,000 hours she has given to the libraries. Thanks Jean and we are proud to have you as our Volunteer of the Month. Our thanks to Camilla Kuberk for this great write up.

Book Club

All book clubs meet in the North Wing program room at the Bell library at 1:30 p.m. Anyone is welcome, even if you have not read the book.

Tips from Daily Fitness...

Reap the Benefits of Lower Body Strength

Ernie Skidmore is getting some good advice from Daily Fitness personal trainer, Jane Fortier, during a workout at the Bell Fitness Center. Improving lower body strength was one of Ernie’s big concerns when he decided to begin a program with a trainer.

“Strengthening lower body muscle groups is a great way to preserve hip, knee and ankle joints”, states Jane, a senior fitness specialist. “These three joints work overtime during the day, and are particularly susceptible to injury. Often, joint injuries result from torn ligaments or tendons. Many of these injuries wouldn’t occur in the first place, if a person had strong muscles surrounding and protectingthe joints. Weak muscles allow bones to grind down protective cartilage more rapidly. Weak muscles can’t support the alignment required for healthy joint function. Strengthening the muscles that surround any of the body’s joints, gives those joints the support they need to do their job, day after day. A strong lower body provides stamina for waiting in lines, energy for walking up stairs, agility for stepping off curbs, strength for getting off the floor, and a firm foundation for a powerful golf swing.”

Daily Fitness personal trainers custom-design exercise programs to meet individual needs. To talk with a trainer about improving lower body strength and overall personal fitness, contact Daily Fitness at 623-256-7901 or visit DailyFitnessLLC.com.

SC Lawn Bowling Clubs Open House

Saturday, November 10, 2012
From 9:00 am to 1:00 pm

Come to Roll a Few and Give Lawn Bowling a Try IT'S FUN!
Enjoy a FREE Bowl of Chili & Drink

On Saturday, Nov 10 the lawn bowling clubs at Bell, Fairway, Lakeview and Oakmont Rec. Centers will host an open house from 9 a.m. to 1 p.m. This will give Sun City's non-lawn bowlers an opportunity see the game up close, learn what it is all about, and even roll a few bowls themselves. The clubs will also offer free food a drink for attendees. The only requirement is that attendees who would like to roll a few bowls must wear flat-sole shoes so as to maintain the integrity of the grass.

Oakmont Lawn Bowls

As you visit various Rec. Centers, perhaps you noticed people rolling strange balls on large patches of green lawn. You may also have noticed the balls don't even roll in a straight line. The sport is called lawn bowling or lawn bowls, (the round balls are called bowls, the large patches of grass are called... "greens." You will find lawn bowling greens at Oakmont, Bell, Lakeview, Fairway and Mountain View. At Oakmont we bowl Monday, Wednesday, and Friday at 9:15am & again at 1:45pm.

And, Now, A Gala Open House!

On Sat. Nov. 10 – 9 am to 1 pm, lawn bowling clubs at all 5 Rec. centers will host open houses. You can stop by the Oakmont (and every other) Lawn Bowl-

ing Club house; meet the folks, have a free snack or drink, and even roll a few bowls for a test drive. You can also sign up for free lessons. What could be easier – or more fun?

Lawn bowling is challenging, fun, good exercise and camaraderie, and you can find a lawn bowling green in many of the places you may travel, in North America or abroad. Here is your golden opportunity to learn more about it and give it a try.

Bell Lawn Bowls

Lawn Bowling is a fun activity that is good for your mental and physical health. Come join us and meet lots of friendly people. The Bell Lawn Bowls Club will host an open house on November 10, 2012 to introduce new bowlers to this great sport.

If you are interested in learning about lawn bowls, we offer free lessons and we offer the use of club bowls during lessons. Upon completion of your lessons, we have new and used bowls that are available for purchase. To schedule your free lesson, call 623-583-4432 and leave a message; we will return your call.

Lawn bowling days are Sunday, Monday, Wednesday and Friday, mornings

and afternoons. Check the club's bulletin board for bowling times, as hours vary with the season. After you complete the lessons, just come out and get in a game. Teams are made up on the day of bowling.

Our tournament season runs from October thru March. Some tournaments have teams made up by the bowlers and some are a draw, where the teams are made up the day of the tournament. There are three Membership Meetings a year, Oktoberfest/Nominations, December/Election of officers, and a Breakfast in February. DUES are only \$5.00 per year. What better way to spend \$5.00 and HAVE FUN!

Fairway Knitters

Come join the fun! We at Fairway Center Knitters have a great time knitting and crocheting items for charity. We make lap-ropes, slippers, and helmet liners for veterans and active duty soldiers as well as hats and scarves for children and many other items for other worthy causes (yarn donations are always welcome). In the process, we help each other learn new methods and offer free classes in specialized stitches and techniques. We also teach beginners all the basics that they need to know in order to begin knitting and crocheting on their own.

From time to time we take a break from all that creativity and have pizza parties, ice cream socials, white elephant raffles, and a holiday luncheon. Each year we enjoy participating in the Sun City annual Arts and Crafts Festival held in November. We have great fun displaying and selling our club's articles as well as items submitted for sale by our members. So come visit us any Friday

between 8:30 a.m. and 2:30 p.m. We meet in Arizona Room #4 at the Fairway Recreation Center. You will be able to see for yourself what a great group of ladies we have. Club membership is only \$3 a year; what a great way to start 2013!

The coffee counter is back and the smell of delicious food cooking wafts through the air around Lakeview Lanes. RCSC would like to extend heartfelt Congratulations to Andy Macrides, his wife Maria, and son and partner George on the opening of JiMichael's Lakeview Café last month on October 1, 2012.

The menu is extensive and includes many traditional favorites as well as special favorites. JiMichael's breakfast menu has something to satisfy everyone's taste buds; come on over and try some biscuits and gravy, a Greek omelet, or an order of crepes. JiMichael's guests will find many choices on the menu for this time of a day as well. Some of the features include entrée salads, seafood selections, Italian dishes, and home-style favorites like meatloaf and pork tenderloin, as well as traditional coffee counter favorites like a club sandwich or a burger and milkshake. JiMichael's offers daily menu specials for breakfast from 7:00 am to 11:00 am and lunch from 11:00 am to 3:00 pm. Dinner specials begin at 3:00 pm and are available until 8:00 pm. They will serve you on outside on the patio, or inside the newly remodeled restaurant.

Hungry? Don't feel like cooking, but not really wanting to eat out? Just give them a call at (623) 876-3057, or fax (623) 876-3049 in your order, then pick it up at the convenient take-out window on your way home. JiMichael's is open from 7am to 8 pm seven days a week. We hope that everyone will find time to come out and help Andy, Maria and George celebrate the opening of JiMichael's Lakeview Café.

RCSC to Purchase Duffeeland Dog Park

On September 25, Sun City residents, along with their furry sidekicks, gathered inside Duffeeland Dog Park for an announcement from the property owner, Bob Knight. Knight acquired the property, located on Del Webb Boulevard just behind the Washington Federal Bank, in 2004. Turning it into Duffeeland Dog Park was a tribute to his beloved dog, Duffee, who loved to visit the site and enjoy a bit of unrestrained play. Now eight years later, Bob's tribute has grown into a popular community spot for Sun City residents and their furry friends to congregate and connect with one another. One only needs to observe the dogs to see that Duffeeland Dog Park is a community spark for multi-species friendships. The RCSC will officially purchase this property, for \$125,000, as of January 2013. Worried about the future of this wonderful community area, Mr. Knight approached the RCSC Board of Directors to see if they would be willing to purchase the property to ensure its continued use as a dog park and neighborhood assembly area. "Bob's generosity and community spirit are to be commended," declared RCSC President Vance Coleman, "He has provided an excellent amenity for Sun City residents all these years and we cannot thank him enough!"

3-Wheel Drive opens the Fall Sun Bowl Season

On Sunday, September 23, 7:00pm the 3-Wheel Drive band kick off the Fall sun Bowl Season with A Tribute to Country Music. These vocalists Preformed an outstanding show, as about 1200 Sun Citians relaxed in their lawn chairs under the evening stars.

Duffeeland

Mr. Knight, and the Duffeeland Dog Park frequenters, have maintained the park for the last eight years, and will continue to maintain the park. The RCSC expects to have some monthly expense (approximately \$750 to \$1000) for the maintenance of the property after the January 2013 acquisition. RCSC asks that the park continue to be cared for with volunteer maintenance and support within the community.

At this point, there are no planned improvements for the park, the dogs and people seem to enjoy it how it is. However, there are requests for such things as water fountains for people and dogs and the possibility of a grassy area. The decision to purchase Duffeeland Dog Park was made by the 2012 Board of Directors in an effort to sustain the wonderful sense of com-

munity that was built there. What is represented there is reminiscent of the real spirit of Sun City that should never be lost.

Sun City PRIDES and SCHOA Raise the Flags

City, when development started south of Grand Avenue, then moving north toward Bell Road. As Sun City developed, building continued across Bell Road toward what is now Lake Pleasant. These flags remain a focal point of the Community.

The investment and work of the PRIDES have been invaluable since the inception of Sun City. This year SCHOA partnered with The PRIDES as both organizations are committed to maintaining the attractiveness and value of Sun City homes and community. As a volunteer organization, the PRIDES are always interested in new volunteers joining them. For more information if you would like to volunteer, please contact 623-815-7913. SCHOA actively represents Sun City assisting homeowners maintain their homes and property values. For membership and volunteer opportunities regarding SCHOA, contact 623-977-7095. As always, thank you to all members of PRIDES and SCHOA volunteers who are committed to Our Community!

On Saturday, September 8, representatives of the Sun City's Proud Residents Independently Donating Essential Services (PRIDES) and Sun City Home Owners Association (SCHOA) came together to replace the flags that fly at the Sun City intersection of 107th and Grand avenues. This intersection marks the early years of Sun

NextGen is a social club geared toward Sun City residents who have not yet reached their

67th birthday. We were formed as a means for "younger" residents to meet, and ultimately, get to know people of similar likes and interests. We are dedicated to maintaining an active life style while fitting into the ideal of volunteerism. Our members help with SCHOA sanctioned clean-ups and raise monies/food/coupons for local charities. Socially, we engage in sightseeing (both day trips and occasionally overnights), sporting events (hiking, bowling, golf, etc.), Happy Hours, and

other member requested activities. The purpose of the club is to maintain a social group that provides activities directed toward that membership. Sun City residents under the age of 67 operate the club. However, we do welcome those 67+ to come and become club "affiliates". Affiliates pay the same dues, are able to enjoy the same activities, but are unable to hold office or vote on any issues that come before the membership. Dues are \$5.00 per year. If this club sounds interesting to you, come and visit us at Fairway Rec. center, Az. Rooms 1 & 2, the first Tuesday or the third/fourth Thursday of every month at 7:00 P.M. Check our website, nextgensuncity.org, for more specific information. Questions? Contact us at nextgensc@gmail.com

If you like to sing, dance, or just want to grab a snack and soda and enjoy the fun, the Karaoke Club is the place to be. When was the last time you had a really good night out?
