It's Duck Season!

The 6th Annual Duck Race takes place once again during the Sun City Holiday Celebration on Friday, December 12, 2014. Come and join in the fun!

The ducks begin their journey at the top of the Viewpoint Lake waterfall and make their way over the dangerous and rocky falls, into the lagoon below. Those ducks that survive the plunge will swim their way across the lagoon, fiercely fighting their little hearts out to be the first to make their way through the babbling brook and across the finish line to victory!

To have a chance to win, you need a Duck Buck! Get your Duck Bucks for \$1 each (cash only please) at any facilities attendant station, Clubs, Cardholder Services or Corporate Offices. Half of the money goes to the prize fund and the other half goes to this year's charity, the Sheriff's Posse of Sun City. Last year, over \$8,200 was donated to the Sun City Community Network.

Let's quack for a good cause and get some Duck Bucks today!

Our salute to you – our veterans. Thank you!

Golf Report

Pro Shops

Year to date rounds remain ahead of prior year and are at the second highest level since 2010. Six out of eight months this year have exceeded prior year rounds played.

We will be hosting a Pro-Am on December 11th at the North Course, which will celebrate it's renovation. This date was chosen for two reasons. It will enable our seasonal visitors to partake in the celebration and it will also serve as a fundraiser for the RCSC Management Team's 2014 charity - the Sun City Posse. Teams will be made up of 3 residents and a Golf Professional from the Southwest Section PGA. Following play lunch will be served at the Mountain View recreation center.

During our Patriot Golf Day Event, \$1,650 was raised through the 109 participants. Special thanks to the "Bunker Babes" for their \$100 donation. Patriot Golf Day was organized, with the help of PGA of America, to raise funds for the Folds of Honor Foundation. The money raised is used to fund scholarships for spouses and children of military service men and women killed or disabled while serving our country.

Snack Shops

Snack shop revenue exceeded budget by \$5600, continuing their yearlong trend. Work on the North patio expansion continues and the effort is being made to have it open following overseeding.

Courses

Heavy rainfall, including record September rains, has been a boon for grass. The boon for grass has placed a heavy burden on maintenance staffs to keep up with growth. We are striving to make golf operations self sufficient, maintain turf acreage that is 3 - 4 times that of most other courses and ensure North opens on schedule. Maintaining that balance is not always possible and occasionally falls out of balance. We apologize if our efforts have fallen short of expectations.

Though it is a slow process to watch, the North project remains on schedule for an October reopening. The greens are continuing their fertilization program and are responding as expected. Greens are currently being mowed five times per week. In addition to mowing the greens are top dressed with USGA greens mix each Friday. Some areas that are not responding to sprigging were sodded last week. Fairway lines were painted out in August and are now mown to their new layouts. On August 28 the AGA was on site to give the course its new rating. The AWGA was on site September 23 to provide a ladies rating. Initial scorecards may be temporary, as we do not want to have a supply of scorecards without a ladies rating for an entire year. Due to the renovation, local rules have been changed and will be reflected on the new scorecard. Local rules for North were developed with the assistance of Missy Jones, our local USGA rules official.

Riverview renovation planning is in the final stages, initial plans have been submitted to Maricopa County. Our pre-bid meeting with contractors that met qualifications, is set for September 30. Bids are due by October 17. Construction is slated to begin December 1 and will run through overseeding of 2015.

Riverview to Close December 1 for Course Renovation

Sun City's Riverview Golf Course will close December 1 for renovations of the irrigation system, including pump stations, as part of the mandatory work required by the RCSC agreement with the Arizona Department of Water Resources.

This work will also include the renovation of all greens, with the intent to have them remain the dominate characteristic of the course. This will provide more pin placements that fall within USGA guidelines.

Tee boxes will also be renovated and a new forward tee added. It is anticipated that the bunker renovations will again use the Better Billy Bunker construction method (<http://billybunker.com/the-better-method/>) as was used at North.

The only major course layout change will be the green complex on hole #12, which will be moved to the west, bringing the lake more into play.

The renovation work at Riverview is expected to be completed by Fall 2015.

A Moment with President Brasher - Sun City Satisfaction

Strange as it may seem to most of us who live in Sun City, occasionally we encounter situations we consider inappropriate for our senior adult community.

How best to deal with such encounters? Ever felt frustrated? Actually, there are many avenues of approach to seek resolution that will lead to continued member satisfaction. During my time as a Board Director I have learned a great deal about this process and those of us on the Board and in Management think our Corporate Documents and practices provide excellent answers and paths to help residents in need of answers.

The Board of Directors hosts two meetings each month (except July and August) in which members may bring concerns, questions, requests, etc., to the Board. The Director/Member Exchange is held on the second Monday of each month and provides for an interchange between Members and the Board with no time limit. Our monthly Board Meeting is generally the last Thursday of the month where Members may address the Board; these comments are limited to three minutes. At each of these sessions, residents may engage with Directors or members of our senior management staff, and it is not unusual for us to follow up with additional information following the meetings.

During the year there are tens of thousands of resident and guest visits to our recreation centers, golf courses and bowling centers. We would be naïve if we thought every one of these visits were conducted without occasional misunderstandings or conflicts. In spite of their best efforts, sometimes our well-trained facility attendants and other staff will deal with a request or problem that is not resolved to the resident's satisfaction. RCSC employees have recourse to view the resident's status in our computers, refer the individual to the Cardholder Services Office or to the center's lead utility worker/supervisor for help or further explanation. Failing satisfaction with these efforts the cardholder needs to submit an RCSC Comment Card available in all facilities.

If there is a serious issue with an individual cardholder or employee, an Incident Report may be submitted. Comment Cards and Incident Reports are reviewed by RCSC staff and forwarded to the Board Office at Lakeview Center. The Incident Reports are taken very seriously and may sometimes lead to

hearings before the Board of Directors.

Occasionally, there are conflicts within a resident's RCSC club. These conflicts need to be brought to the attention of the club's officers in the form of a Conduct Report. If the conflict is not resolved within the club, the report will be referred to the Clubs Office, who will contact the Club Organization Committee and the liaison for the club in question. Thereafter, a dispute resolution process will be put in place.

Details about the paths to restore Member satisfaction can be found in RCSC Board Policies, specifically Board Policies numbers 10, 12 and 30. These and other Board Policies may be viewed on the RCSC Website at www.sunaz.com under the Corporate link.

With the above in mind, everyone should know the RCSC Board and Management Staff are concerned that our life in Sun City should be as pleasant as possible. Our doors and telephone lines are always open to discuss residents' concerns.

Updates

Financial Report:

We have completed August 2014 well within our operating and capital budget year-to-date. Budgeting utilities has proven to be somewhat of an extra challenge in 2014, as we will have had all solar systems operating one year as of September. The solar systems have produced 18% more electricity than projected, providing additional rebates from APS as our rebate is paid based on our production. With that being said, we have also used more electricity (\$71k) primarily in the recreation centers than budgeted year-to-date. It is extremely difficult right now to develop any useful comparisons and of course, weather is a big factor. Speaking of weather, thanks to all the rain, we have used \$66k less electricity than budgeted for our well pumps year-to-date. While we currently have none of our water rights leased, we were able to sell the water credits that we purchased in 2010 for a profit prior to resolving the water allotment for Viewpoint Lake with the Arizona Department of Water Resources. The majority of our positive variance from budget has come from savings we have been able to acquire through management of payroll costs year-to-date. All divisions have operated well within their net operating budget year-to-date.

Cardholder Services:

Payments on past due assessments in August were the highest since January with past due assessments decreasing by 3.4%. July billings went past due at a rate of 6.4% and June balances went 60 days past due at a rate of 3.5%. The trend is continuing in 2014 with the 30 and 60 days past due rates being lower in each month in 2014 than the corresponding months in each of the previous two years.

Total accounts receivables decreased by 1.4% in August. Most notably this is attributable to the almost 18% decrease in accounts receivables related to lenders in August. We did not see an increase in property transfer related balances that could be expected as ownership changes from lending institutions. Outstanding balances related to property transfers now represent 55% of all receivables due and 56% of past due balances. The latter of these are being impacted by the decrease in total accounts receivable rather than an increase in property transfer balances.

Trustee sale notices on Sun City properties decreased to 45 properties at the end of August. The number of properties owned by lending institutions also decreased in August and is now at 54 properties.

Preservation and Improvement Fees collected in August totaled \$501,000. Year-to-date PIF fees are \$4,686,238 which is \$1,857,238 over budget for the year. Again, a reminder that we intentionally budget this very conservatively to assure we have sufficient funds prior to starting a PIF capital project.

Bowling:

The months ahead will be busy with tournaments at RCSC Bowling Centers. In October, RCSC centers will host the Sun City Bowling Association Tournament and the Sun City Hall of Fame tournament. Over the weekend of November 29 to 30, both Lakeview Lanes and Bell Lanes will once again host the Arizona State Senior Bowling Tournament; this tournament is expected to produce between \$8k and \$10k. In addition to the state tournament, Bell Lanes will be hosting the Arizona State Senior Masters tournament and Lakeview Lanes – for the first time in RCSC history – will host the Arizona State Senior Women’s tournament, both in December.

RCSC Director of Bowling Randy Johnson has submitted applications for Arizona State Liquor Licenses for the upcoming Mystery Theater event at Bell Center and the Polynesian Night at the Sun Bowl. The event license allows RCSC to serve alcohol on the premises; as a reminder, as long as a liquor license is in effect, outside alcohol is not permitted to be brought on to the premises.

Almost all fall bowling leagues are in full swing with the exception of a few spots waiting to be filled when the winter visitors return.

Human Resources:

The H.R. Department has dedicated a great deal of time during the summer months with recruiting, hiring and bringing newly hired individuals onboard. Also, there has been a great deal of internal movement as a result of filling positions with qualified individuals already employed by RCSC.

Thirty-nine newly hired individuals have been added to RCSC staff since May 1. Hiring includes staffing for locations that closed for renovation and have re-opened or are in the process. Turnover also plays a large part in the numbers.

Currently we have 353 individuals on staff with 148 being full time and 205 part time. In addition to recruiting in Sun City, we recruit from the surrounding valley communities in compliance with Equal Employment Opportunity requirements. Many Sun City residents prefer working part time due to the flexibility of time commitment, however, some still chose

to work full time. Sixty-five percent of RCSC’s staff resides in Sun City.

Since January 1, 2014, 112 individuals have been added to RCSC’s staff.

On Monday, September 22, 2014, RCSC received a letter from the U.S. Department of Labor addressing the recent investigation (audit) involving the RCSC Employees 401(K) Plan pursuant to the Employee Retirement Income Security Act of 1974 (ERISA) and has advised that their investigation is now concluded, and no further action by the Department is contemplated at this time. This is a very positive determination letter and the results are what we expected to receive. We believe RCSC carries out its responsibilities with due diligence.

Project Updates

General Centers Projects and Information

The variances required to reduce the set back (from property line) of ten electronic signs has been approved by Maricopa County Board of Adjustment. As soon as permits are approved the signs will be constructed and installed with Fairway being the 2nd RCSC location to receive electronic signs. The entire project is expected to be completed in early 2015. Contractor is Bootz and Duke Signs. (PIF Cost – \$782,103)

Mt. View Center

The damaged stage flooring in the Mt View auditorium was replaced and the remaining floor sanded. All stage flooring was primed and coated. Contractor was Enmar Flooring. (Cost – \$10,000)

The auditorium backstage and main curtains have been replaced. Contractor was S&K Theatrical. (Cost – \$24,194)

North Pro Shop

Block work has been completed for the North Pro Shop/Snack Shop patio, steel trusses are erected and the concrete patio slab is poured. Tie-in of the two roof lines (old to new building) will occur this week, rain permitting. The project is progressing very well at this time. Contractors are CCBG Architectural and Ken McIntyre Construction. (Cost – \$167,505)

Lakeview Center / Viewpoint Lake

Planning and scheduling is underway for construction of the fish habitat for Viewpoint Lake this fall. If you have not signed up to help out with this very important project, please call the RCSC Administration office at (623) 561-4600 to add your name and contact information on the list. In addition, there have been delays in getting the threadfin shad (forage fish for bass, bluegill and catfish) due to a supplier inventory shortage. Once quantities are available, the shad will be delivered and introduced into Viewpoint Lake.

A variance was approved by the Maricopa County Board of Adjustment to increase the wall height for the Duffeland Dog Park to improve the separation of the park from adjacent homeowners. Once the permit for this project is approved, contractor proposals will be received and final approval will be requested from the RCSC Bid commission. Construction dates have not been determined at this time.

Sundial Center

New partitions have been installed between the auditorium and East/West Halls. Contractor was Hufcor Az, Inc. (Cost – \$98,430)

Bell Center

Demolition is nearing completion on the Bell Tennis renovation with surveying and grading now underway. The #4 hole of the mini golf course is closed off and a path has been created for cardholders between hole #3 and hole #5 so the course can still be used by cardholders. Cardholders playing the course are asked to take par for the #4 hole. The tennis project includes demolition of the current (8) tennis courts and the installation of (10) new tennis courts. The new updated complex will also include a shaded gathering area, courtside canopies with benches, water and electric to each court, tables and benches for spectators and planters in the common areas. Contractors include Lloyd Sports Engineering as architect and project manager and Sunland Sports as building contractor. (PIF Cost – \$1,778,074)

Marinette Center

The Marinette expansion and remodel project continues to progress nicely even with the short delay from recent storms. The floor for the fitness center, lobby and restroom hallway have been poured and the block wall to the North is nearing completion. The mason is now beginning to go vertical with the fitness center walls. Sun City Fire Department has now determined that the RCSC must install a fire hydrant, in the parking lot planters, west of the existing PB courts. The Marinette Center expansion and renovation project includes a 4,000 s.f. fitness center, rubberized outdoor walking track, a total of 20 Pickleball courts, an outdoor spa, thermal solar systems for pool water and shower water pre-heating, new doors, new windows and exterior stucco of all remaining buildings. Contractors to date include: CCBG Architectural, Robert Porter Construction and Aquatic Builders. (PIF Cost – \$4,387,373)

Marinette Clay Corner will be closed effective September 3, 2014 for renovations. The renovations include new sinks with clay traps, enlargement and re-organization of kiln room, new ceiling fans, clean up of some electrical, expansion into the former china paint room and some new shelving and cabinets.

Water: We Use More Than We Think

It's a hard thing to think about, but something everyone needs to consider. In this disposable society, millions of gallons of water go into products we buy, use and throw away. Paper mills, fabric companies, and manufacturers of metal, plastic and even food, depend on water to make and clean their products. The first important step in water conservation is becoming aware of how we use and reuse the products we use every day. Here's a little quiz to you to test your knowledge on the "every day" ways we consume water without even thinking about it!

- What is the total amount of water used to manufacture a new car, including tires?
 - 80,000 gallons per car
 - 39,090 gallons per car
 - 100,010 gallons per car
 - 20,000 gallons per car
- How much water does it take to produce one ton of steel?
 - 100,000 gallons
 - 62,600 gallons
 - 25,000 gallons
 - Water is not lost in the production of steel due to evaporation.
- How much water is used to produce a single day's supply of U.S. newsprint?
 - 25,000 gallons
 - 30,000 gallons
 - 10 billion gallons
 - 300 million gallons
- Approximately how much water does it take to process one-quarter pound of hamburger?
 - one gallon
 - five gallons
 - two and a half gallons
 - Water is not used to produce hamburger.
- How much water must a dairy cow drink to produce one gallon of milk?
 - Four gallons
 - One gallon
 - Two gallons
 - Cows don't drink water, they drink milk.

- How much water is used during the growing/production of a watermelon?
 - 25 gallons
 - 10 gallons
 - 5 gallons
 - 100 gallons – why do you think it's called "watermelon?"
- How much water is used to produce enough cotton for one pair of blue jeans?
 - 1,501 gallons
 - 1,800 gallons
 - 2,000 gallons
 - 1,221 gallons
- It takes how many gallons of water to process a single 32 gallon barrel of beer?
 - 8,000 gallons
 - 15,000 gallons
 - 1,500 gallons
 - Water is not an ingredient in beer.
- Or to grow enough cotton for an ordinary tee shirt?
 - 372 gallons
 - 200 gallons
 - 400 gallons
 - 2,092 gallons
- And finally, for a little touch of irony, how much water does it take to manufacture the averaged-sized plastic water bottle?
 - 10 gallons
 - 8.15 gallons
 - 5.18 gallons
 - 1.85 gallons

Calligraphy Society of Sun City

Calligraphy Society members Judy Barbaria (above) and Robert Pope (below) work on calligraphy and cardmaking projects in the society's club rooms at Sundial.

There are classes available to learn different calligraphy hands from our experienced teachers, including Foundational, Spencerian and Pointed Pen. There are also many “fun-shops” held throughout the year, where you can learn how to make beautiful and unique greeting cards.

And you can help others experience the joy of receiving a handmade card by making “Love Cards” for our local nursing homes. Opportunities are also available to make cards to sell in our boutique and at the annual Sun City Arts and Crafts Festival.

Our meeting rooms are open Thursdays and Fridays from 9 to 11a.m. for members to practice writing, make Love Cards, or work on their own projects. If you would like to participate in any of our events, club membership is open to all RCSC Cardholders.

For further information, call Trudy Bryson at (623) 594-6591.

Garden Club of Sun City

If you have ever tried to grow veggies or flowers outdoors in Sun City then you realize it comes with certain challenges. What's the best time to plant? How do I get this soil to grow anything short of a cactus? How best to water? And, of course, how to keep pesky birds and rabbits from devouring everything that manages to sprout?

These are just a few questions we in the Garden Club are here to help answer. Our members actively garden year-round in their yards, raised beds, patio containers and community gardens. We strive to promote successful gardening through education and example. Our activities include guest speakers, gardening round-tables, classes, nursery and garden tours.

To learn more, come be our guest at any of the following venues: General membership meetings are held the first Tuesday of the month at 8:30a.m. in the East Auditorium of the Sundial Center. We hold breakfast socials 8 to 9a.m. on the 3rd Tuesday of the month at the Royal Café. Our Oakmont office is open Monday, Wednesday and Friday from 9a.m. to noon.

For information regarding the Club or our Community Gardens, please stop by the office, call (623) 875-5921 or email gardenclubofsuncity@gmail.com

Palo Verde Artists

Above: Portrait Class - Mary Dyke, Helen Tomich, Peggy Juneau, Kelly Abraham

We are a group of about 150 artists and appreciators who get together on the first Monday of the month from October through May, at the East Social Hall of Sundial Recreation Center. We start with refreshments, then a business meeting and finish with an art demo to learn more about art and improve our artistic abilities while developing new friendships.

Palo Verde Artist Pat Smith

Beginning in October we offer classes in watercolor, pastels, acrylics and drawing in colored pencils and pen and ink, for beginners, intermediate and advanced members. Our classes run in six week sessions; Fall, Winter and Spring and are held in our art room at Sundial. Membership is open to all RCSC Cardholders. Dues are \$10 a year. The club provides members with opportunities to show and sell their art work. The Fall Arts and Crafts Fair in November, the

All City Art Show in February and the Palo Verde Art Show in March. We also have an extensive library of art books to borrow on the honor system.

On Thursday afternoons the portrait Club draws from live models using a variety of mediums. This group meets all year round. Tuesday mornings the art room is available to open painting. The third Monday is a critique of our work by our members. Bring a painting that you are working on and find out how to improve it.

This summer we had class on Friday afternoons for members who stay here in the heat. We had an instructor who taught any medium that was needed. Very successful.

Visit our website at <http://sunaz.com/palo-verde-artists/> or call Kelly at 623-933-1297 for more information.

Wednesday Bridge at Oakmont

We play party bridge every Wednesday from 12:30 to 3:30p.m. Play is open to all RCSC Cardholders. You do not need to come with a partner. It is \$3.00 to join the club and 50 cents to play.

If Wednesday isn't good for you we also have afternoon bridge on Thursday at Lakeview and on Friday at Fairway. We are a very friendly group and would welcome you to any of these clubs.

Starting in January, the Wednesday Club will be sponsoring bridge lessons. You will need to sign up in advance. The lessons will be held at Fairway. Please call Bev at 623-533-9567 to register for these lessons.

We will teach you how to play the American version through our classes. Not only will you learn this wonderful game but you will also meet a great group of ladies (along with a couple of gentlemen). There are two tables of Chinese Mah Jongg on Tuesdays where our members would be willing to help you as well. This is a great time to experience what Mah Jongg is all about.

Our gatherings are as follows:

- Tuesdays from noon to 4:00p.m. at Sundial West Hall
- Thursdays from 6:00 to 9:00p.m. at Marinette Social Hall
- Sundays from noon to 4:00p.m. at Marinette Social Hall

Fall classes will be offered on Friday, November 7, 14 and 21 from 1:00 to 4:00p.m. at Marinette Social Hall. Advanced registration is required and a \$5 fee will be charged for the three week session. A \$2 fee will be added, each week, for those not living in Sun City and possessing a recreation card.

We will also be hosting a tournament on Saturday, January 17, 2015 to be held at Fairway Recreation Center (Arizona Rooms 1, 2 and 3) from 9:00a.m. to 3:00p.m. The fee will be \$20 which will include a catered lunch and prizes. Registration begins at 7:30a.m. All participants are asked to be in their seats no later than 8:30a.m. Instructions will be given so that play can begin promptly at 9:00a.m.

We hope that you will come see who we are and what we do in this wonderful club. Please call Janis at 623-261-3621 or Susan at 623-910-1271 to sign up for the classes and/or the tournament.

Grandmothers and Friends

If you like to do crafts and socialize with nice, friendly women, we are the club for you. You do not have to be crafty to join, we can always find something enjoyable for you to do.

Our workshops are held on Monday mornings from 9:00 to 11:00a.m. at the Oakmont Center. Our social events are

held on the second Monday of each month at noon. We try to do something different every month. This past February we served a high tea for our members and their guests. We had a wonderful turn out and it was very special. We had a fashion show in March. We have had some very interesting speakers, ice cream socials, pizza parties etc. This December we are planning a lovely catered Christmas party for our members and their guests.

We make placemats and other articles to be sold at the annual Arts and Crafts Festival held the two days after Thanksgiving, as well as making favors and other charitable items for care centers, etc. in the area. We work on a variety of projects and always welcome new ideas. You do not have to be a Grandmother to join - note "and friends." We are always looking for new members and would love to have you. Membership open to all RCSC Cardholders.

Social events include a Christmas party with great steal gift exchange, a spring Bark in the Park Picnic and anything else the members can agree to add. Members of the Club are also proactive when it comes to supporting agendas that make life more enjoyable sharing it with your canine friends.

Monday Night Pinochle

Do you like to play Pinochle Cards? Having a hard time getting four people together at the same time? There is a great answer to your problem. Every Monday night starting at 6:30p.m. (6:15p.m. to register) and ending around 9:15 to 9:30p.m. is an answer.

Singles players are welcome; no need to bring a partner. Come to Oakmont Recreation Center and enjoy a fun-filled evening. We play both single deck and double deck. To join the fee is \$3 per year and .50 to play. Non-RCSC members can play as guests for \$3 per evening. The monetary prizes are awarded according to the number of participants each evening. After each game of six hands, individual scores are added and the winners advance towards table one and change partners. Losers stay but do not play the same partners making for a mixing of players. This allows playing each game with a different partner as well as a great social time.

So come out and join us and have a fun evening. For more information call Kim at 623-251-4155 or Monies at 623-875-0421.

Readers Theater Ensemble

An Invitation from President Marge Siegmund

This is the first year I've served as President of this marvelous club and I want to invite you to join us on Fridays at 1:00p.m. in Social Hall #3 at the Lakeview Center. Things really are starting to roll this fall, and as our name says, we read plays, skits, etc., from scripts and do not memorize lines. We help you gain confidence, so that you will have no fear in getting up in front of a crowd; so beginners are welcome! If you are shy, inhibited or scared speaking in front of a group, this is the club for you. All you need is a valid RCSC card, and our dues are just \$1 per year.

Our produced plays usually last 30 to 45 minutes and are cast from our membership. We present them all over the West Valley, for a small honorarium, at retirement homes, clubs, schools and other organizations.

Most of our actors started out with no experience, and many have gone on to significant roles at the Sun City Community Theater, Theater Works and other performance venues.

Come to a meeting to try us out - this Friday or any Friday! We would love for you to join us!

Regards,

Marge Siegmund

Sun City Variety Dance Club

We dance in Sundial Auditorium on the 10,000 sq ft floating hardwood floor on the 2nd and 4th Saturday night of each month. Dances start at 7:00p.m. and go to 9:30p.m. We have two separate lessons at 5:00 and 6:00p.m., taught by the two best known professional dance instructors in the Phoenix area, Dwight and Sandy Nelson. Top keyboard artist Michael Carollo and Manuel Doretos provide a variety of LIVE Latin, Swing, Ballroom, Country, Rock and Line Dance.

We use Bistro seating with six by six foot tables that seat eight to 10 for a comfortable party environment. Each is angled so that all have a view of the dance floor and the stage. We supply the ice, cups, and coffee; you bring ANY beverage, food or snacks, and even decorations. Non-dancers are welcomed and we will have dance host if you need a practice partner! Bring your church group, club, family or Meetup group and enjoy. Call 602-369-4242 for group reservations.

Club membership dues are \$3 and a valid RCSC card is required. Dance (Cha Cha) classes are \$5 each; the dance is \$4 for club members; GUESTS pay only \$2 extra for the whole evening. Dress is casual, Country, Swing, or Ballroom. For information and dance schedule, call 623-266-6966.

SunMacs Computer Club

Apple Macintosh Computer Club (SunMacs), is located in the Sundial Recreation Center. We cater to users of everything Apple - the iPad, iPhone, iPod, laptop and desk top computers and more.

We seek to satisfy the needs of our 382 members by offering classes, roundtables, socials, help sessions and individual maintenance opportunities. Our sessions are taught or led by our members at no cost to the participants. In turn, we ask each member to help the club in some way.

From October through May, we hold membership meetings at 9:00a.m. on the 2nd Saturday of each month in the Sundial West Hall. Each of these meetings features a speaker or presenter on a topic of timely special interest.

Our Regular Clubroom hours are Monday through Thursday from 8:30 to 10:30a.m. and 12:30 to 2:30p.m. plus the afternoon session on the first two Fridays of the month. From mid-May through September, we are only open on Tuesday and Thursday mornings. The clubroom is closed from August 1 through mid-September.

Our yearly dues are \$20 per individual or \$30 for two people from the same household.

More information can be found at www.sunmacs.org or visit or call our clubroom at (623) 933-5300.

Sundial Shuffleboard Club

The Sundial Shuffleboard Club respectfully invites you to join us for an evening of fun on Thursdays. We play at Bell Center at 6:45p.m. You think that is a weird time? There is a reason for it. We want all those people who are still working during the day or are involved in outside activities to relax inside with us. We are a club that likes to have fun while enjoying the challenge of the game.

If you've never played shuffleboard before, don't fret. Come up about 5:30p.m. and someone will be there to show you the fundamentals. All you need to join our club is to be a valid RCSC Cardholder. Well, that and \$2.50 per person, per year. All equipment is furnished. You'll want to dress casually and come with the expectation to enjoy yourself. The old school of thought that shuffleboard is an "old person's" game simply is not true. Like any other game, it is what you make it and the Sundial Shuffleboard Club prefers to make it a fun game for all.

Come to the Bell Center courts on Thursday evenings. You may hang out and watch a time or two if you prefer. But we prefer that you join us. For more information, call Russ at 623-208-9921.

Sun City Choraliers

The Choraliers first performance was in Sun City in 1981. Jane Brambilla, the Group's current Director, taught high school music for 37 years in Minnesota. Her ability to achieve good choral singing and to connect with her singers through performance of great music, awarded her a spot in Who's Who Among American Teachers. She recently returned from Minnesota, having performed throughout the summer with the a cappella group "The Summer Singers."

Carol Morse, Accompanist, taught music for 38 years in Phoenix. She and her husband Jeff, the group's Percussionist, also play with several other groups. Together they own the Rosewood Rascals Marimba Band, which performs throughout the Valley. Dave Fuchs began playing bass in high school, performed in Rock bands, owned a music store, is a representative for 16 music/sound companies, and is the third member of the combo.

The Choraliers will give 10 concerts during the upcoming Holiday Season, three being "open" to the public with dates, times and places to be announced later.

They are searching for new voices, especially bass and tenor. Auditions began in October and are on-going. To join, one must be an RCSC Cardholders, attend no more than three rehearsals and then audition. Sight reading is a plus. Music is mostly memorized, and there is some choreography. Rehearsals are 8:30 to 11:00a.m. every Monday at the Fairway Recreation Center. Dues are \$10 annually, and costumes are provided by the club.

Sundial Craft Club

If you enjoy knitting, crocheting or crafting in other ways, we have a great suggestion - The Sundial Craft Club! Some members are experts and others are just beginners, but we all have a great time in fellowship and in creating items for others.

Our Club officers are President Beverly Pollock, Vice President Jo Eva Schaefer, Secretary Marie Cramblitt, Treasurer Ginny Freas and Board members Claire Wright, Gretchen Flether and Pat Battista. All of our club members are enthusiastic, encouraging participants and hope you will enjoy meeting and becoming new friends. Their common goals are crafting items that will meet needs in our community.

Occasional potluck meals, "birthday" celebrations and fund raisers such as silent auctions, white elephant rummages and our own version of bingo entertain and whet our appetites with fun fellowship and food.

Twice a week, we meet to complete projects that benefit the New Leaf Crisis Center (CPS), Phoenix Veterans Hospital and Stitches of Love - all organizations that serve persons in need.

Come and join us at the upper level of Sundial Recreational Center. The club meets on Mondays from 8:00a.m. until 1:00p.m. and on Thursdays from 8:00 until 11:00a.m. You will be dazzled at all the colorful items, crocheted slippers, lovely shoulder shawls, handmade book marks and lap robes to mention just a few. There are also craft items of beads, plastic canvas and embroidery. Membership dues are \$4.00 a year. New members are always welcome! Creating all these items requires a lot of materials and we gratefully accept donations of yarn. For more information, please contact Loretta at 623-933-7775.

Woman's Social Club

Woman's Social Club located at the Lakeview Recreation Center, room 215, was the best kept secret in town until now. New members are joining weekly.

Why? We are a gathering place for women to get together to play games. All kinds of cards and board games, such as Poker, Mexican Dominoes, Bridge, Canasta, Pinochle, Shanghai Rummy and more. We have social gatherings and tournaments throughout the year including a Holiday Luncheon.

Do you want to meet new friends, play games, take trips to local casinos or have a place for your girlfriends to play cards but don't want to clean your house? Don't have a foursome to play? Join a group or start your own tables of friends. The Club supplies the cards, poker chips, coffee and paper products.

Open seven days a week from 10:30a.m. to 4:00p.m. Call 623-760-3293 for more information. We are opened to all RCSC Women Cardholders. \$6 for 2015 dues. Guests and Visitors are welcomed at a fee of \$2 per visit.

The Sun City Foundation

Without question, one of Sun City's finest qualities is we take care of our own. Since 1986, the Sun City Foundation has been quietly helping pay the recreation fees for residents who have outlived their resources. We also assist residents without transportation in partnership with Sun City Community Assistance Network (SCCAN).

Many Sun City residents are financially stable and enjoy a quality of life that is exceptional. But for some seniors, they aren't as fortunate; they live week to week, struggling to get by.

We invite you to get involved and be part of the Sun City solution. Your donation can make a difference whether a senior can stay in their home. By making a small donation (large ones are great too), you can help fulfill the Sun City legacy of acting as a community that cares for one another – Neighbors Helping Neighbors.

"Neighbors Helping Neighbors"

Beyond a donation, the Sun City Foundation is looking for caring residents who would like to join our board. We meet only once a month and take an active role in interviewing and accessing those who apply for help.

Please call 623-561-4600 for more information on how you can help fulfill the Sun City legacy of acting as a community that cares for one another.

All donations are tax deductible. And for those doing estate planning that includes donations to your favorite charities, we can assist you in those preparations as well.

Yes! I want to help neighbors by donating to the Sun City Foundation. I understand my donation is tax deductible and will be used to help those in need.

Tips for Seniors from *Daily Fitness* -

Strength Exercise - a MUST for Active Adults

"Lifting Weights - Resistance Training - Pumping Iron - no matter what you call it, strength exercise is imperative for boosting the overall health of an aging adult", states Dick Fortier, personal trainer for Daily Fitness. "Learn to lift, with the help of a professional. This insures proper breathing, form, technique and cadence – all things that are necessary for good results."

Consider the following seven reasons for strength exercise.

- You'll build muscle mass. Increased muscle mass makes daily activities easier – carrying groceries, cleaning the house, walking up stairs, getting off the floor, etc.
- You'll reduce the risk of falling by 40%. Regular lifting helps to improve your flexibility, balance and coordination – key factors in reacting to the unexpected and avoiding falls.
- You'll burn more calories. It takes more energy (calories) for your body to use and maintain muscle cells, than it does fat cells. Adding muscle mass increases metabolism.
- You'll improve your mood. All forms of exercise release "feel-good" endorphins. Strength exercise decreases tension and anxiety, making it a great stress reliever.
- You'll build stronger bones. Stressing muscles with resistance exercise will stress the bones they are connected to. Bones are living tissue, and get stronger and denser with regular strength exercise.
- You'll reduce the risk of diabetes. Lifting weights helps improve insulin sensitivity and blood glucose management. The heart also benefits from reduced cholesterol levels and blood pressure.
- You'll improve mental cognition. The brain recruits muscle tissue to lift weights. That recruitment increases oxygen flow to the brain, resulting in better mental clarity throughout the day.

Daily Fitness personal trainers are experts at teaching proper strength training techniques. Each trainer holds certification as a Senior Fitness Specialist, and is experienced in modifying programs to fit individual needs. To find out more about working with a Daily Fitness professional, call 623-256-7901 or visit DailyFitnessLLC.com.

Above: Kim Dunda works on building lower body strength at Bell Fitness, while Daily Fitness trainer, Dick Fortier, monitors breathing, form, technique and cadence.

Right: All RCSC Fitness Centers have a full circuit of strength equipment for both upper and lower body muscle groups as shown here at the Bell Recreation Center.

Planning for November, we had a pleasant surprise: the privilege of having "too many things to tell you," and the dilemma of choosing, so we chose the most important ones, the brand new operating systems for Mac and for iPhone, iPad, et al. Yosemite for Mac and iOS8 for iPhones and iPads.

Why you should attend: You'll learn about the many new features and capabilities of both systems, and how they are now able to "work together" to a greater extent than ever before! And you'll learn about the exciting NEW "iCloud Drive" as well. Our presenter is one of our favorites, CJ, from MacMedia. He's as excited about the new systems and features as we will be! Be sure to be there and if you know any SunMacs members who occasionally miss our monthly meetings, you'll want to tell them about this one!

Polynesian Night at the Sun Bowl

The young and the young at heart came out to the Sun Bowl for the 2014 Fall Festival of Fun Polynesian Night on Saturday, October 18. With tiki torches lighting up the evening, hawaiian shirts and island casual was the dress code for many in attendance. Dancers from the Pualoto Dance Troupe provided island-style entertainment and hula lessons were provided to the few daring ladies who made their way to the dance floor, while others embraced and swayed to the tropical melodies.

PAINLESS FIX FOR RECEDING GUMS!

PINHOLE GUM REJUVENATION

AS SEEN ON

BEFORE

AS SEEN ON

AFTER

A dental breakthrough can now correct receding gums without painful cutting and stitches - or the need to take time off work for recovery. Experts say the newly developed pinhole gum rejuvenation is quick, painless and can be done in the time it takes to eat lunch. Offered by Dr. Steven C. Chang DDS

This revolutionary method replaces the old painful technique where tissue would have to be removed from the roof of the mouth and then be grafted into the area where the gum had moved away from the tooth. This was very painful, and consisted of stitches followed by two to three weeks of recovery time with pain medicine. The results were sometimes hit or miss.

Don't continue to suffer with the discomfort of sensitive teeth or be afraid to smile! SC Dentistry provides all aspects of Dental Care, from cleanings to full mouth rehabilitation and works with many insurance plans.
