Golf Report

Pro Shops
We will be hosting a Beat-the-Pros Tournament on Thursday, December 8 at Willowcreek Golf Course. This event is held in conjunction with other RCSC events throughout the year that raise funds for our annual chosen charity. This year the chosen charity is the Sun City Foundation. The Sun City Foundation supports RCSC members who have outlived their resources through assistance with RCSC annual property assessments and transportation. Through the Foundation RCSC members are able to continue using the facilities and remain active and social. The format will be a two person scramble.

Our first Get Golf Ready sessions for this season begin in November. We are now taking reservations for those sessions on a first-come, first-served basis. The five day session is \$99 per person, which includes four 1-1/2 hour lessons and a round of golf with the pro on the 5th day. Each session is completed in two weeks. Please call Sue Presta or Chris Linam at 623-876-8419 to register for the classes.

As we enter the fall/winter season, the Rangers will be asking more players to see their handicap cards and receipts. They will be asking for handicap cards to ensure the allowances given to players that genuinely need access around the greens and tees are not being abused by those that do not. Receipts are requested to ensure all players on the course have properly checked in with the pro shop prior to play. We thank those that have volunteered to become a ranger and hope you do as well.

Snack Shops
Year-to-date Snack Shop revenue remains ahead of prior year and year-to-date budget. Beginning in October the closing time for snack shops will change to 3:00pm. Snack Shops are given the discretion of remaining open longer based on demand.

Golf Courses
An active monsoon season, along with our normal summer cultural practices, has helped to rectify the issues experienced this summer with transition. In an effort to encourage transition next year, we will be moving fairway dethatching into May. Dethatching will help to thin and weaken the rye grass allowing the summer bermuda to begin filling in. This does not eliminate transition, however it should help smooth out the transition process. Weather will still play a major factor in the harshness of transition. Each course will be closed for two days in May while this process takes place, the schedule will be presented to the Golf Advisory Committee in January for review and finalized in February. The closing will be staggered similar to greens aerification.

Over-seeding begins October 3rd at Riverview, Lakes East, Willowcreek and South. As has been previously announced the first wave of overseed will overlap with the second wave of overseed for a period of 5 days. The intentional overlap is an effort to create the best window for a successful overseed. Ideally the starting date for all courses would be mid-October, however this would result in the closure of all courses and is not a viable option.

In preparation for overseed, mowing heights for fairways and greens will be raised. Heights are lowered during overseed to scalp the bermuda, to open the grass canopies and allow the rye better soil contact when it is spread. Mowing heights of the rough have already been increased. The higher height of cut aids the bermuda grass to hold up to cart traffic through the winter as it becomes dormant. In the past we have encouraged carts to enter the fairway at a 90 degree angle to their ball. This season we will also encourage carts to remain on the cart path and enter the rough and fairway at a 90 degree angle to their ball. If we can reduce the amount of cart traffic in the rough, it will hold up longer through the winter and able to recover more quickly in the spring and summer.

The laser leveled top dress on the Bell greens did not yield the desired results. As a result additional top dressing has been applied on several rinks to help improve the draw. Only areas needing less than ¼” of sand were top dressed. The goal is to have the greens open for play on October 1. All other greens have finished the normal summer program of aerating, verticutting, top dressing and planing.

The softball field will be over seeded on September 30. The field will be open for play by the October 25. On Wednesday, November 23, APS will be sponsoring their 3rd annual instructional camp on our softball field. Ken Phelps and several other retired major league players will be on hand to share tips and insights on fundamentals.

A Moment with President Schroeder -

Steps Leading Up to RCSC Election

Once again, the RCSC Elections Committee has done a great job recruiting candidates for this year’s Board of Directors Election and I applaud those who have made the commitment to step forward and run for office. With more candidates than open positions, the election process now relies on all of us to cast our ballots for those members we feel are the best to fill these vacancies.

Now is the time for you to take the first step. Take the time to learn about the candidates running for the Board. What is their background and experience? What are their goals and aspirations for the future of Sun City AZ? Come out and meet the candidates. There will be several opportunities to get acquainted with those seeking to be elected at both Board meetings and special candidate forums (see page 1 for more details).

And then take the next step and vote!

Voter turn-out for RCSC Board of Directors Elections continues to be dismally low year after year. With nearly 33,000 members eligible to vote, fewer than 1,000 cast ballots last year.

There really are no more excuses. You cannot blame the weather or that the hours at the polls on Election Day conflict with other appointments or commitments.

With the RCSC Web Portal, you can cast your vote online from wherever you are – whether you’re in Minnesota or Manitoba, California or Colorado – or right here in Sun City AZ!

Signing up for the RCSC Web Portal is easy! If you’re receiving RCSC News Email Alerts, we’ve got your email address on file. If not, contact Cardholder Services at 623-561-4603 so that we can update your records and get you signed up to start receiving email alerts as well, if you would like. You can rest assured that RCSC will never release your email address to any outside source.

Once we have your email address, simply go to www.sunaz.com and click on RCSC Cardholder Login on the top menu bar. First time users will click on “New User Password Retrieval” and then

enter your RCSC Member or Privilege Card Number. In no time at all, you’ll be sent a password to access the system.

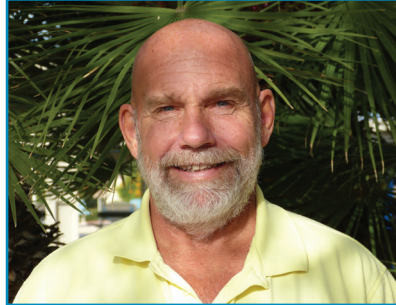

Not only will you be able to cast your vote online in the RCSC Board of Directors election (beginning Monday, November 7), the RCSC Web Portal is safe, secure and allows you to do many other tasks as well.

I personally use the RCSC Web Portal to book my golf tee times and to pay my annual property assessment. Through the portal, you can also review reports on your facility usage, see how much money you’ve got in golf certificates and tournament prizes or to check the free movie schedule for the current month.

Of course, we’ll still have in-person voting on Election Day (Tuesday, December 13) at the Lakeview Recreation Center from 8am to 4pm. Should you need, we can also mail you an absentee ballot which may be requested through the RCSC Corporate Office beginning on November 7 (and no later than December 2) and must be received back no later than Election Day (December 13).

So no more excuses. Meet the candidates. Hear what concerns them and the issues they believe should be addressed to keep Sun City AZ the best retirement value in the country. Let the candidates know what you think and what really matters – now and in the future.

Remember, the only vote that doesn’t count is the vote that isn’t cast. So give a damn about Sun City AZ and vote in this year’s election.

Management Updates

Financial Report:

We have completed August 2016 well within our operating and capital budget year-to-date. Matter of fact, every division has a net operating positive variance from budget as of August 31, 2016.

Bowling:

Fall leagues have begun for the 2016/2017 season, the bowler count is better than projected due to the forming of new leagues.

We recently confirmed the Metro Phoenix Women’s Senior Tournament the weekend of October 29th. This unbudgeted tournament will bring additional income to the bowling division.

Year to date bowling net operating is \$41k better than budget and \$4k better than 2015. Half of this increase is due to new leagues starting at Lakeview Lanes and Bell Lanes.

Cardholder Services:

Payments on past due assessments in August rebounded some from last month and were 2.5% above the monthly average for the year. Overall accounts receivables increased by under 0.5% in August. All past due categories saw an increase in August which has happened each August for the past 5 years. July assessments went 30 days past due at a 5.4% rate while June assessments went 60 days past due at a 4% rate. The result is a shift in receivables from current into the past due category this summer. Payments from our third party collections firm were down by 50% in August with year to date payments totaling \$158,114.

Payments made by Cardholders through the online RCSC Web Portal in August totaled \$80,315. Year to date web portal payments total \$673,659. As a reminder the RCSC Web Portal payment function is available around the clock online and immediately updates cardholder accounts. As we go into the holiday season this is an easy way to quickly make your payment without writing a check or coming into our offices.

In August property transfer related balances increased by 4.4% and lender owned related balances increased for the first time since January. Outstanding balances related to property transfers now represent approximately 57% of all receivables due and 55% of past due balances.

Trustee sale notices on Sun City AZ properties remained steady at 41 properties at the end of August. The number of properties owned by lending institutions increased this month to 18 properties. An increased turnover of the lender owned properties resulted in higher balances while the count increased just slightly.

Preservation and Improvement Fees collected in August were \$626,500, which is \$241,500, or 63%, over the amount budgeted. Year to date PIF fees are \$5,622,100

which is \$1,845,600, or 49%, over budget for the year. Year to date 34 properties have closed in the new Sun City Manor development that have added \$119,000 to the year to date PIF fees collected, which were not projected in the budget due to the uncertainties of this new development in Sun City AZ.

The RCSC Web Portal was upgraded in August with improved functions for booking tee times including the ability to edit tee time bookings. Previously golfers were required to contact the pro shop to update bookings made through the web portal. We continue to review the web portal and look for additional updates to improve functions and enhance capabilities.

Human Resources:

Recently we met with representatives from Willis, our brokers for employee benefit plans, to plan strategy for annual renewal. We do not have renewal rates for the plans as of this date and expect to receive them in early October. We did make the decision to take the medical and dental out for bid in the marketplace for comparison and have provided a complete census to Willis for this purpose.

Hiring continues to be a focus for H.R. We have hired 35 individuals in the third quarter of the year with a total of 70 year to date. Sixty three individuals have left the company this year.

The new final overtime rules issued by the Department of Labor will be effective December 1, 2016 and we are in the process of bringing RCSC into compliance. The overtime rule raises the salary threshold from \$455 per week (\$23,660 per year) to \$913 per week (\$47,476 per year). Some RCSC employees’ status will be changed from “exempt” to “nonexempt” making them eligible for compensation at one and half times their hourly rate for time worked in excess of 40 hours per week. Changes will be made beginning late November and will be completed by December 1.

Member Services:

Our third annual Casino Night was a huge success! This year playing times were 30 minutes which gave everyone a chance to take a break and get a bite to eat or enjoy a cocktail while they watched the Vegas acts being projected on the big screens.

The fall Sun Bowl concert series began Sunday, September 25. The band voted best in Phoenix, Faded Jeans, took the stage and the evening was on! People danced non-stop and sang along to all their favorite hits. It was a night to remember and a great way to kick off the season.

On Sunday, October 2, we’ll have a Sun City AZ favorite, The Real Tones. It’s James Garner as Johnny Cash on October 9 and CC Ryder Express on October 16. A Beach Boys tribute with The Southwest Surfers will move the

Project Updates

General Information

- Toilets and lavatories continue to be replaced at all on-course golf restrooms. To date, the RCSC plumber has completed installations at Riverview, Lakes West and Willowcreek. One restroom building has been completed at North Course, South Course and Lakes East. It has been determined that only eight hollow metal doors need replacement at the on-course restrooms. These doors are on order and will be installed soon after their arrival. Toilets and lavatories are being installed by the RCSC plumber. The door installations will be completed by D.H. Pace. (Approximate Cost – \$23,000)

Oakmont Center

- The Oakmont auditorium renovation project is wrapping up and will be reopened on October 3, 2016. The project includes removal of the auditorium stage, construction of a short section of wall, installation of a new ceiling with dimmable LED light fixtures and wall painting. Contractors for this project included Ace Acoustics, Kowalski Electric and the RCSC painter. (Cost – \$34,505)

Grand Avevue Property

- The interior areas of the building have been demolished in order to rid the building of restaurant related items and unnecessary walls. This work will also allow for a better understanding of the buildings construction for the RCSC ADHOC Long Range Planning Committee. It will also make future architectural design and engineering easier. The building is in great overall condition and is very well constructed. Contractor was DFG Construction. Demolition Cost – \$28,575)

Lakeview Center/Duffeeland Dog Park

- A new floating dock has been ordered for Viewpoint Lake. The new dock will accommodate RCSC's existing boats with a couple of additional spaces for other lake boats and future growth. The new dock is expected to be installed in November 2016. Contractor is Floatation Systems. (Cost – \$62,996)
- While recently attempting to clear the clay club drain line, the plumber used a drain line camera to locate an old plumber's snake which was left stuck in the line from years gone by. The snake must be removed and will require opening up a small section of concrete in the woodshop, digging down to the line and attempting to remove the snake. If this attempt is unsuccessful, additional work will be required to remove this drain line obstacle. Contractor is Sunland Plumbing. (1st attempt cost is \$3,800)

Bell Center

- Renovation of the clubs restrooms will be completed as of September 29, 2016 and reopened the same day. A couple of interior doors will be replaced the following week, but will only close the restrooms for a few hours. Contractor was DFG Builders. (Cost – \$94,892)
- Renovation of the two main Bell Library restrooms is well underway with demolition, plumbing rough-in and framing completed. Wallboard is currently being installed in preparation for wall tile and paint. Contractor is Ken McIntyre Construction. (Cost – \$100,000)

Sundial Center

- The Men's shower room is now completed and re-opened Friday, September 23, 2016. This concludes the 2016 remodel of the lower level at Sundial. Contractors for this project included: Hardscape Resurfacing, Inc., DFG Builders, Aquatic Builders, Accel Electric, J&J's Carpet Cleaning, Lee's Counter Tops, RCSC Information Technology Department and the RCSC Skilled Trades Electrician, Cabinetmakers, Painter, Plumber, Fitness Mechanic and Pool Mechanic. And finally, a huge thank you to the Sundial Utility team for all of the clean-up work they performed over the duration of this project. (Cost – \$99,800)
- New ceiling and LED lighting is being installed in the Palo Verde Art Club. Contractors include Kowalski Electric, Ace Acoustics, SES Electronics, Olympic Fire and Custom Cooling. (Cost – \$24,584)

- Three new power drop cords will be installed soon in the Silver Stones clubroom. Contractor is Kowalski Electric. (Cost – \$2,325)

Marinette Center

- The remodel of the auditorium, social hall ceiling, main restrooms, kitchen and installation of two new swimming pool restrooms is progressing well. To date, demolition, framing, mechanical, wall skim coating, floor grinding and rough in plumbing and electrical is completed. Contractors are DVP Professional Builders, Accel Electric and Custom Cooling. (Cost – \$259,015)

Lakes East/West

- Plans are being finalized to seal coat and restripe the entire parking lot at Lakes Pro Shop and Talisman Hall. This work will occur during October 2016 and areas of the parking lot will only close for a few days each. Contractor is Regional Paving. (Cost \$25,000)

Willowcreek/Willowbrook Maintenance

- Plans are underway to demolish the current WB/WC maintenance building and construct a steel maintenance building which will serve the golf maintenance staff and the RCSC Skilled Trades department. Construction of the new maintenance building will commence sometime in October 2016. Contractor will be DVP Professional Builders and Bunger Steel. (Cost – PIF \$1,881,825)

Skilled Trades Department

- The RCSC Skilled Trades Department completed 277 work orders during the last two weeks of August 2016 and the first two weeks of September 2016.

Centers Operations

- Congratulations to Dorothy Waggoner at Sundial, Joe Barnett at Bell, Earl Heinselman at Sundial, and Bob Bean at Mountain View on their recent 5-year anniversaries with the RCSC. All make positive contributions to their respective workplaces.
- Over the past few months it was necessary to reschedule various clubs and events due to cleaning and building improvements at the centers. Centers staff made this process virtually painless with their flexibility and positive attitudes. The extra efforts at Sundial were particularly appreciated with the preparation and clean up after the project was complete. Staff did an exemplary job of minimizing inconvenience to cardholders and provided excellent service. Thank you to all involved.

News from Friends of the Libraries

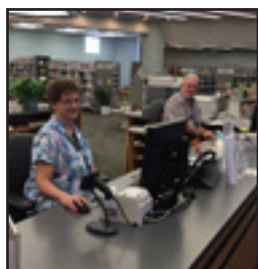

Friends of the Sun City Libraries, Inc.

Thanksgiving - The Big Picture

A Thanksgiving dinner tradition in many homes is to ask each family member to tell something for which he or she is thankful. In that tradition, the Friends of the Sun City Libraries, Inc. Board of Directors want to share that for which we are thankful.

Recreation Centers of Sun City: RCSC provides the space for our two Sun City Libraries, as well as the Friends Bookstore. This partnership is extremely supportive, as demonstrated by our current RCSC Board Liaison Ida Eisert.

Maricopa County Library District: MCLD provides the services in the Bell and Fairway Libraries. The Friends could not be happier with this partner, and the way they serve our citizenry. Of particular importance is the cooperative spirit of MCLD Deputy Director Jeremy Reader, and County Supervisor Chair Clint Hickman.

The Libraries could not operate as efficiently as they do without outstanding MCLD staff (like those pictured to the left at the Bell Library desk). The leadership on whom we depend are Region Manager Frank Patterson, Library Manager Mimi McCain, and Librarians Jennie O'Leary, Kate Moore, and Steve Tompkins.

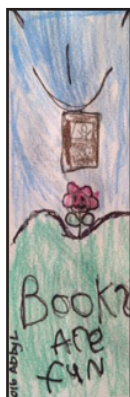

The Friends is an all volunteer organization (right), the majority of whom work in our Libraries. There are far too many to name; pictured are but a few of them. Without their thousands of hours of support, the Library quality we enjoy would not exist. The next time you see one of them, thank her or him. We cannot do it enough!

Our Book Buddy volunteers, some of whom are pictured, deliver library materials to homebound Sun City residents. The Friends want every resident to be able to enjoy our fine Libraries. Because of these dedicated volunteers, enjoying a good book is possible even if one can't get out and about.

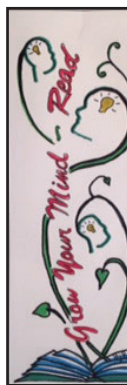

Books Around the Corner is also staffed by volunteers, committed to helping customers find what they want. In November they will be directing shoppers to a

half-price sale on self-help and spiritual books. Some volunteers will be traveling to the Fairway Library for a book sale being held on Friday, November 18 from 8am to 2pm and Saturday, November 19 from 8 to 11:30am.

Sun City citizens are the Friends silent, and most important, partner. Without their donations of books, puzzles, CDs, DVDs, our Bookstore couldn't operate. Without their shopping at the Bookstore, the Friends couldn't support the Libraries the way we do. Entry into our raffles and contests also support us, as the pictured bookmark contest winners show. Congratulations to child winner Abby Lamato (left), and adult winner Barbara Rankus (right).

All these little pictures may be hard to see. To get the BIG PICTURE, visit our Libraries and our Bookstore. You will quickly grasp why the Friends give thanks to these great groups. Our team of players working in cooperation, always produce a winning product!

Water Conservation

Watershed versus Plumbing?

Think you can figure out what is just bad for our rivers and lakes vs. your plumbing system? Try taking this quick little quiz:

- **Dental Floss, Cotton Swabs and Bandages:** Believe it or not, dental floss and cotton swabs are only bad for your pipes, not for watershed, but still should be disposed of in your garbage, unless you don't mind plugging up your pipes, because you will sooner or later. Most bandages however are plastic and do not biodegrade.
- **Solvents, Paints, Glues:** Yes, of course these types of items are hard on your plumbing system, but they are horrible for watershed as well. They should be disposed of at an "Eco Station" or other appropriate disposal facility. At the very least, please don't wash them down the drain.
- **Motor Oil, Lubricants and Antifreeze:** So, maybe these are dumped on the ground instead of down the drain, right? Better for our water, right? Well, not really. If they happen to get washed into the street (by say, oh, I don't know, a monsoon or something) they will wind up rushing through the storm water system. Keep in mind that storm water receives no treatment but flows directly into our lakes and rivers.
- **Old prescriptions, perfume, lotions and potions:** Studies on different types of fish have shown everything from "Zoloft" relaxed males (much less cautious of predators) to estrogen-laced male fish (still able to reproduce but shunned by females). So, it's fairly obvious that unneeded/old prescriptions should be taken to a medicine "take-back" program, usually hosted by local police. There, authorities burn old RXs with confiscated items in a controlled manner. Find out more online or ask your pharmacist the next time you pick up a new prescription. Old perfumes and lotions (prescription or not) should be tossed out in the garbage. Just don't have a "brain-drain" and flush harmful things away. If it's uncertain whether something is harmful, pour it into a bag of coffee grounds or kitty litter then toss it out. This can also be done with medications, but keep in mind there is always a chance the compounds could eventually leach into ground water.
- **Fats, Oils & Grease (FOG)** will ultimately clog pipes and cause major issues in watershed. It's not just household pipes that clog, but grease, oils and fats get into our sewer systems, causing many issues including the back-up of storm drains. Don't think that FOG is a real problem? Think about the grease collection services that restaurants have and why they have them. For the small amounts we have at home, wipe a pan (cooled, of course) with a paper towel into the garbage; large amounts can go into a lidded can. We must remember that drain cleaners are filled with chemicals and harmful not only to pipes but water as well.

Everything flushed down our toilets, kitchen and laundry sinks goes to wastewater treatment facilities. Unfortunately, these facilities are ineffectual at removing solvents, paints, glues, oils, fats and drugs as well as many other similar types of pollutants. Anything dumped on the ground or down our storm sewers goes (or can go) directly into our water. Either way, these contaminants find their way to lakes and rivers, remaining untreated and polluting our fresh water sources. It might only be a "little bit of paint," but it never goes away, so give a second thought before dumping something down the drain. It's just one more way to conserve water. Sun City Gives Back Clay Club Helps to Fill Empty Bowls

As we give thanks and count our blessings during the holiday season, many still go hungry - both here in our country and around the world.

Twenty-six years ago, a high school art teacher in Michigan came upon the idea to organize an event where local artists and art students could make a personal difference. Guests at this initial event were served a simple soup in a handcrafted bowl which they took home as a reminder of all the empty bowls in the world.

Today, global participation in the Empty Bowls projects includes thousands of artisans and organizations devoted to fighting hunger at the local level in a similar manner.

And Sun City Clay Club (SCCC) at Lakeview has played a major role for many years. Club members not only work throughout the year making bowls and boutique items, but also physically work the event, which includes unpacking and stacking bowls for several hours before the public ever arrives.

Thanks to the generous donation of materials from Laguna Clay, Marjon Ceramics and the AZ Clay Association, SCCC each year donates 250 to 300 bowls, all made by the caring hands of the club members who embrace this event; an event very near and dear to their hearts. Members also donate many items to be sold during the event, with pieces selling anywhere from \$15 up to \$300.

Last year, \$25,000 was raised during this event of which 100% of the proceeds went to "Waste Not AZ." While Waste Not's primary purpose is to feed the hungry of the valley, they also operate a rescue and redistribution program, doing all they can to keep any food from being wasted in the community.

As the saying goes, "Waste not, want not." It serves as a reminder to wisely use our resources and is a motto that many of us have tried to live by.

And it also reminds us to be thankful that the Sun City Clay Club cares enough to give back.

Sun City Friday Night Dance Club

When was the last time that you attended a dance? Did you have fun? What was your favorite dance? Jitterbug, or maybe the Waltz? The Jitter-bug is now called the Swing. Whether it's the Swing, Waltz, Foxtrot, or any of the Latin dances, we still do it all, at the beautiful Sundial auditorium.

When you step through the door, you will probably be reminded of some of the great ballrooms of long ago. Sundial has one of the best dance floors in the entire Valley. And talk about music - this is where singles and couples come to hear some of the best live dance music in the region. Whether you love to slow dance or you are an accomplished ballroom dancer, or somewhere in between, you will love the Sundial Ballroom.

Weekly, Friday evening dances begin with a Foxtrot at 7:00pm and usually end with a Waltz, at about 9:45pm. If you are a beginner or would like to learn a few new steps, we encourage you to take the free dance lesson offered before each dance. The lesson begins at 6:15pm. Admission cost is \$5 for members and \$7 for escorted guests. Annual club membership/participation is \$3 and is open to all RCSC Cardholders.

Not only is dancing good for you both mentally and physically, but it is fun and easy to learn. It is also a great way to socialize and make new friends. For more information, please call Bob at 623-215-8718 or visit our website at: www.suncitysingledanceclub.com

Five Southern women, whose friendships began many years ago on their college swim team, set aside a long weekend every August to meet on North Carolina's outer banks to recharge those friendships. Then, fate steps in to challenge these women and the ties that have bound them for decades. This comedy is current, poignant and takes a surprising direction in the end.

Camera Guild of Sun City

Do you enjoy snapping photos of your grandchildren on your cell phone? Are you a photo-bug who carries your camera you wherever you go? If so, The Camera Guild of Sun City would be a great club for you. We welcome photographers of all levels. We offer classes, outings, competition, and social gatherings.

Members may submit photos for club competitions. We have three levels of competition and members choose their own level. Entries are evaluated by judges who award ribbons for winning entries. In addition, members may compete in state-wide and international competitions. Howard Zatulove, competition chairperson, has led us into active participation in The Arizona Camera Club Counsel, The

Grand Canyon Exhibition and The Photographic Society of America. Paulette Hall, Education Chairman, arranges ongoing classes, which are explained on our website www.CameraGuildSunCity.com. Our Club President leads a group for individuals learning to produce slide shows.

We recently purchased a Canon professional large-format printer and an Epson professional scanner which allows us to produce or reproduce professional quality prints from either a digital or film camera at lower cost than a professional lab or Costco/ Sam's Club. Our members have full control over their image printing and have access to many paper choices and sizes (up to 24" X 36").

Members may participate in weekly dinners at area restaurants. Grab (your camera) and Go events allow members to explore regional attractions and hone their photography skills.

We meet the first and third Saturday at 9am at Sundial. The meetings consist of demonstrations, presentations and competition results. Our club room is open Monday through Friday from 9am to noon (October through April) and is located on the upper level of Sundial. All RCSC Cardholders in good standing are invited to join us.

One-Stop Holiday Shopping at the Arts & Crafts Festival

For unique holiday shopping, make your way to the 45th Annual Sun City Arts & Crafts Festival held the two days after Thanksgiving; Friday, November 25 and Saturday, November 26. The festival opens at 8am both days and goes until 4pm on Friday and 3pm on Saturday at the Sundial Rec Center. Admission and parking are free. Free shuttles will be available.

There will be more than 40 Sun City clubs participating with artists and artisans offering original and award winning hand crafted and hand painted items for sale. You will find sterling silver and polished stone jewelry, stained glass, fine art paintings, scenic photographs, ceramics, pottery, needle crafts including quilts and hand-weaving, leather, wood and metal crafts, calligraphy and much more! All made with pride by local artisans!

In addition there will be entertainment, "selfies" with Santa, raffles, food vendors and an ATM onsite. For the first time, there will be a free raffle for all, in addition to many club raffles. The free raffle, sponsored by Recreation Centers of Sun City, offers prizes such as free rounds of golf at an RCSC golf course, free casino overnight packages for two, complimentary tickets for two to a Sundial Show, and 3 free games of bowling at an RCSC bowling alley. Each attendee may enter one ticket per day of the festival.

This is an event not to be missed. It only happens once a year. Mark your calendar and plan to be amazed at the quality and selection of gifts suitable for the whole family, from new-borns to grandpa. For more information visit www.sunaz.com/sun-city-arts-crafts-festival/

Sun City Senior Softball

Remember the old neighborhood sandlot baseball game? Want to feel like a kid again? Come join about 450 softball players (men & women) on the Sun Bowl softball field located behind the amphitheater at 107th & Clair Drive, just a block south of Peoria Avenue. Snowbirds welcome!

Leagues play daily, mid-October to mid-April, plus three summer sessions. American, Central and National (M-F), Coed (Friday), Women's "Hot Flashes" and Seventies teams (Saturday).

Whether it's been a "few" years since you played or something new you'd like to try, drop by the field, check the bulletin board, watch some games and chat awhile. Green Team tryouts are Monday

days at 8:30am. Need more time to get in shape? Come to practices Saturday (1pm) or Sunday and Monday (7am).

Join any time; attend two tryouts, pay registration fee of \$100, (annual dues thereafter \$25), get a uniform and team assignment. A valid RCSC recreation card is required.

The membership supports the Valley View Food Pantry and assists SCHOA with minor property repairs and cleanups. "Gently used" clothing and new underwear and socks will be collected at the field during the 6th annual Veterans Day Softball Tournament on Saturday, November 12, 2016.

Hospitality Club of Sun City

Most activities of our social club take place at Marinette Recreation Center. Activities inside the clubrooms are back in session, despite the road construction at 99th and Union Hills.

Our ongoing monthly activities include all-you-can-eat Pizza, ordered from a local pizza restaurant, the first Friday of each month at 5pm. You will need to make reservations by calling Fran at 623-876-8714. Potluck is the last Friday at 5pm. After the meal both events are followed by Bunco.

Our Bridge group meets at noon on Wednesdays. On Saturdays at 11am, our Friendship Corner convenes for hand and foot and various card games. Dutch Treats are scheduled at local restaurants monthly as well as breakfast at JIMichaels on the first Monday of the month. Breakfast reservations are required by calling Mary Ellen at 623-815-2459. If you like to play Chess, our group meets at Lakeview Recreation Center on Wednesday and Thursday at 1pm in Social Hall 3.

Each year we have a Christmas party and picnic. A bimonthly newsletter is published. Come see what we are all about and make some new friends. Dues are \$6 for the year. You can attend three of our activities before you will be asked to join.

For more information or an email copy of our newsletter, please contact Alice Hewitt at 623-933-5158.

Bell Billiards

The Bell Center Billiards Room is open to all RCSC Cardholders and their escorted guests.

Billiards Club members and Billiards Club guests have additional benefits. The purpose of the Billiards Club is to promote better play for all skill levels. Club members benefit from tournaments, lessons, challenge matches and seminars from masters like Mike Massey and Steve Lillis. Instructional DVDs and videos are available for viewing on the Club computer also.

Wednesday mornings are reserved for 8-ball tournaments. These tournaments are for six and under Club members and Club guests (BCA ratings - no ringers allowed). Tuesdays and Fridays, two snooker tables are reserved for golf matches.

This year, we added three new diamond pool tables, bringing the total to 13 tables. Because of these additional tables, we have more tournament options on Wednesday mornings (TBA) when coffee and donuts are provided to Club members for \$1, even if not playing in a tournament. Pool lessons are held on Friday mornings. Advanced group lessons are available (instructed by BCA Master Instructor Jerry Breisath) for an additional charge. Club members are also invited to our Spring and Fall parties and are eligible for our raffles. All of this for a Club membership fee of only \$10 per year!

Fairway/Mountain View Lawn Bowls Club

Do you enjoy sunshine and outdoor activities? Do you want to have fun while getting some exercise? Try Lawn Bowls...the sport for all ages.

Lawn Bowls is a fun and friendly game suitable for all ages and most all physical conditions. It is a very unique sport with the objective to roll a grapefruit-sized resin ball, known as a 'bowl', on a flat green trying to get closest to the target ball, known as the 'jack'. The fun part is that the bowls are slightly lopsided and curve when rolled, making it more interesting than you think. Men and women, young and old, ex-jocks and ex-loafers all compete on an equal footing. It is easy to learn and challenging to be good at.

Fairway/Mt. View Lawn Bowls Club is proud to have two wonderful venues. At Mt. View Rec Center we have the beautiful natural grass greens. At Fairway Rec Center we have the state-of-the-art artificial carpet green. This carpet is prized because there are no imperfections to alter the course of your bowl. In fact in past years we have been honored to host on our 'carpet' the South Central Division of the US Qualifying Trials for the international World Bowls Competition. We also have many tournaments and a lawn bowls league on our carpet.

We encourage visitors, spectators and potential bowlers at all of our events. We try to have a member available to greet you and share with you our knowledge of, information about and enthusiasm for this great outdoor activity. Open to all RCSC Cardholders. Drop by and say hello and stay awhile. At Mt. View Center Greens, we have open bowling every Tuesday, Thursday and Saturday. Starting times can vary due to temperatures but normal morning bowling is at 8am or 9am. Call 928-853-6991 for more details.

Bell Stitchers

Above: Bell Stitcher Martha Porter cuts a pattern on our large cutting counter

Bell Stitchers is a club whose main objective is to sew clothing for needy children. These outfits are distributed three times a year (spring, fall and at Christmas) to six local schools and the Aqua Fria Food & Clothing Bank.

All club members are volunteers. We sew the outfits, as well as miscellaneous products to provide the funds for sewing accessories needed throughout the year. Some of those items include doll outfits to fit 18 in. dolls (American Girl size), bowl cozies, aprons (both work and home), steering wheel covers, place mats, scrubbies, baby items and beautiful Christmas articles. Most are available year round from the club room. If you are in need of reasonably priced wares made in the USA, please stop by and see what we have to offer.

We are always in need of people who would like to sew. Stop in for a tour of our club room and all of the equipment available for our members to use. If you prefer, you can sew at home. Each new member brings fresh ideas and keeps the clothes we make up to date and the items we make to sell current. Membership is limited RCSC Cardholders. Dues are \$3.00 a year.

Winter club hours are Tuesday from 9am to 3pm, Wednesday from 9am to noon and Friday from 9am to 2pm. Join us for a cup of coffee/tea, cookies and lively conversations at our 10:00 break time. We are located in the Craft Village at the Bell Center near 99th and Hutton.

Most of the clothing made is done through the generosity of donations. If you have any sewing material (especially cottons) and/or supplies, our club would be glad to recycle them. Call Brenda 623-203-2456, Mary Jane 623-583-7160, or Caroline 623-875-4992, for additional information.

Sun City Hatha Yoga

Do we listen to our bodies? The men and women members of Sun City Hatha Yoga Club meet several times each week to share a yoga experience in a warm, quiet, fun environment designed to promote good mental/emotional health and physical well-being.

We have highly-trained certified instructors who lead us in our practice of breathing, stretching, meditation, concentration and relaxation. In each session, an instructor takes us through 80 minutes of yoga postures, called Asanas, which is followed by meditative relaxation.

One of the lessons of yoga is learning to listen to your own body. If you have an issue with any of the postures due to your own physical limitations, you can skip or modify the posture to fit your own needs. Our instructors will give and demonstrate modifications.

All levels of yoga practitioners, beginner through advanced, attend our sessions with each person practicing at their own level. There is NO competition in yoga. Do only what your body tells you it can do!

Refer to our website, HathaYogaClub.org for more information. Attend a MAT class 20-25 minutes before class time, bringing your RCSC card, \$5 for membership and \$3 per class, a yoga mat and a small blanket or towel. Wear loose clothing, dress in layers, and refrain from eating 2 hours prior to class. Remember to refrain from wearing any fragrance to practice as we are a scent free club.

The benefits of yoga provide both instant gratification and lasting transformation. Yoga focuses on strength training and flexibility while preparing our body and mind for long-term health. We look forward to your visit! Namaste

Currently 100+ members strong, membership comprises current/retired professional musicians, retired music educators, and others from a wide variety of backgrounds who have a love for band music. Band members possess the requisite talent to play their chosen instruments and enjoy the fellowship of colleagues in the process of making music. Sun City Republican Club

RCSC Cardholders and their escorted guests are invited to our November 21 meeting in the Sundial East Hall. Our speaker will be Bill Montgomery who was elected as Maricopa County Attorney in a Special Election in 2010 and re-elected in 2012 on a pledge to fight crime, honor victims' rights, and protect and strengthen our community. As a West Point Graduate, decorated Gulf War Veteran, former Deputy County Attorney and a professional prosecutor, he has dedicated his personal and professional life to serving others. We welcome Republicans and Independents to join us at 6:30pm for refreshments and social time. The meeting begins at 7pm. Looking forward to a large group to hear our County Attorney. Tips from Get Fit for Life -

Machines vs. Free Weights: Which is Better?

Above: Dick Fortier has designed several workouts for Alice Desens – some use strength machines, some use free weights. Workout variations produce better results and eliminate exercise boredom.

"This is a question I hear quite often," states Dick Fortier, personal trainer and co-owner of Get Fit for Life. "Both forms of exercise have advantages and disadvantages. Which is most appropriate, would be a better way to state the question."

Strength Machines work on a fixed path, which makes it easier to execute the movement with correct form, even when muscle-fatigue sets in. While this is an advantage, it also becomes a weakness. The fixed movement path makes it difficult to work important stabilizing muscles or utilize different planes of motion. Machines are more efficient at isolating muscle groups, which is important for rehabbing from an injury or focusing on a particular part of the body. They are user friendly, but invite serious injury if appropriate weight and proper form are not maintained.

Free Weights and Bodyweight exercises have greater carry over to what the body does in daily living – they are functional in nature. Movements can be completed in different planes of motion. Since the body is responsible for creating and supporting the range of motion, free weights involve stabilizing muscles, as well as moving muscles. Learning how to perform each exercise takes time and skill. Precise technique is required to target the muscle and avoid injury. Free weights are versatile, convenient and portable.

"As aging adults, issues like arthritis, osteoporosis, joint replacements, back surgeries and rotator cuff tears will dictate whether machines or free weight exercises should be used," states Fortier. "Sometimes combining both is the best solution. Using a personal trainer to determine the safest and most effective exercises for a workout is definitely worth the investment."

Guided Imagery Wellness Benefits

Humans are different from other Homo sapiens in that we can utilize our intellect to imagine what is not presently apparent. Our ability to visualize has been the single most common factor in all of man's achievements.

Newton discovered the laws of gravity by letting his imagination run wild. So did Thomas Edison when he invented the light bulb. It took Edison well over a thousand tries before he had a working light bulb. What kept him going was the power of imagination. He could visualize a glowing ball of light, illuminating entire spaces.

Our imagination is sadly the most under-utilized of our human resources. Yet, we've seen its power over the ages. In fact, you see the power of imagination around you every day. Whether you are reading this article via the newspaper on a computer someone utilized their imagination, to create these inventions. Imagine if you could channel your imagination to work with you in achieving your health and wellness goals. Would you like to take a proactive stance in reducing or perhaps eliminating pain and discomfort? According to the University of Michigan Health System, guided imagery can also assist with reducing blood pressure, lowering cholesterol and glucose levels as well as heightening short-term immune cell activity.

How Guided Imagery Works

Guided imagery is a meditation technique that focuses your imagination in positive and proactive ways. You are not just building castles in the air. There was a study published that emphasized the effects of mental imagery on “Free Throw Basketball Performance,” where they took 3 basketball teams wanting to improve their free throws. The first was not allowed to pick up the ball but told to visualize for 30 minutes a day making free throws. The second was told to shoot 1,000 practice shots. The third did not practice at all. The team that visualized improved just as much as the team that actually practiced. Needless to say the team that did not practice, showed no improvement.

However, you will need a bit of practice before guided imagery starts working for you. Many people report tangible results after practicing the technique for at least 21 consecutive days. A period of three weeks is necessary to train your brain to focus on the important bits of your imagery. Without this bit of practice, your mind will wonder off and start building castles in the air.

Guided Imagery can also be incorporated into your health and wellness program to assist with reducing stress, managing pain, lowering blood pressure and blood glucose levels, as well as eliminating headaches and improving digestive disorders.

LaTouch Wellness is committed to assisting you with enhancing your health and well-being body, mind and spirit. Located in the Fairway Recreation Center, we offer many types of healing modalities. If you've already downloaded and begun to use these new systems, you already know: They're New & Very Different! You'll learn what's new and how to use them, with some shortcuts, too. Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.

GET A \$400 TAX CREDIT FROM YOUR STATE INCOME TAXES

With Your Donation To Nadaburg Unified School District

Dear Residents of Sun City,

Imagine a child's eyes lighting up because he just understood what most of the other students learned last week, or they just played a musical instrument for the first time, or they just made their own power point on the computer. All of these things are possible through our tutoring program, music program, and after school fine art programs. Your contribution of tax credit funds will enable our District to keep these important programs going. You can make your Arizona State tax funds work for the academic improvement of students, enrichment programs both as after-school and summer activities. Your dollars open a whole new world to our District, and we thank you for caring about our next generation. **YOU CAN MAKE A DIFFERENCE IN OUR WORLD AND YOU CAN SAY WHERE YOU WANT YOUR TAX CREDIT DOLLARS TO GO. Every penny donated goes directly into benefiting the children of our District.**

If you have any questions about this program, please call Ms. Kasia Salamon at school at 623-556-5880.

TAX CREDIT! Thanks to Arizona House Bill 2074 enacted in 1998, taxpayers may receive up to a \$400 tax credit on their state Income tax by contributing to Arizona schools if they are married and filing jointly. It will remain \$200 if they are single. The program gives a dollar-for-dollar reduction of state income taxes. The money must be designated for school-based extracurricular activities.

- Checks must be made payable to the Nadaburg Unified School District.
- The credit is against taxes. If an individual has no tax liability, a credit will not be available for this year, however, it can be carried forward to later years.
- When the check is received, the taxpayer will receive a receipt from a school district official. The district will also notify the Arizona Department of Revenue. When the District receives the tax forms necessary for your tax filing, upon request you will be sent the appropriate forms.

ORIGINAL SCHOOL BUILDING

Please support this win-win opportunity for Nadaburg students. If you would like to contribute this year, complete the form below and mail it in along with your check before April 15.
