RCSC Announces Big Plans for Annual Membership Meeting

When the RCSC Board of Directors asked, "What can be done to increase the attendance at the membership meetings and board/member exchange meetings?" the investigation of what other communities around the United States are doing revealed some great ideas! It is obvious by lack of attendance that it is time for some modifications and RCSC is hopeful the upcoming changes will produce great benefit for all concerned.

Instead of having four poorly attended membership meetings each year, the RCSC Board of Directors will vote soon to change the documents to require only one annual membership meeting. In 2013, the annual membership meet-

ing will be a major event that no one will want to miss! Including FREE entertainment and food, this will be an entire day of fun, exchange and information! Mark your calendars for Saturday, January 26, 2013 because you are not going to want to miss it! Watch for more information forthcoming about the agenda including an amazing keynote speaker!

Also due to such small attendance by members, the RCSC Board of Directors will vote to reduce the monthly board/member exchange meetings from two to one a month. The Board wants input from the Members and wants to keep Members informed. The Board invites Members to attend the Board/Member Exchange meeting to be generally held on the

second Monday of each month at the Lakeview Recreation Center in Social Hall #3 at 9am. This is a time when the Board and Members can exchange ideas, suggestions, information and concerns. Members can have a dialogue with the Board as it is informal and interactive. Members should bring to this meeting anything they want the Board to consider or change. No decisions are made at this meeting, it is simply an exchange. The Board also encourages Members to send comments, concerns or input via email to boardoffice@sunaz.com or via letter to 10626 W Thunderbird Blvd, Sun City AZ 85351. The Board also asks Members to sign up on the RCSC email list at www.sunaz.com so that Members can be kept informed regularly.

RCSC Struggles with e-mail System

The company that provides the email blast system to the RCSC has inadvertently deleted over 3,000+ email addresses from their system and put several hundred more on a do not contact list. Therefore, you may not be getting the emails you have signed up for from the RCSC. RCSC apologizes for this inconvenience and asks for your patience as they work to correct the problem. If you have

received an email asking permission for RCSC to send you emails, please approve so that you can be added back to the list again. If you have ended up on the do not contact list, your email may not be able to be added back into this system. Please contact us directly at rcsc@sunaz.com if you are not getting the RCSC emails and we will find a resolution. Thank you for your assistance.

Financial Update

Payments made by property owners in outside collections totaled \$14,467 in June and July with payments from 36 property owners. During the last 2 months our internal collector processed payments from past due property owners totaling \$117,013 and property related transfer fees totaling \$204,720. Both of these continued a downward trend from May.

Payments on past due balances scaled back to average from May’s high. May and June billings went past due at a 7.8% rate, higher than last month but just under the monthly average. The rate for April and May balances going over 60 days past due was at 4.0%, which is also below the average rate for the last year. At the end of July, outstanding balances related to property transfers increased by 5.7% and now represent 53% of receivables due and 50% of past due balances. The net accounts receivable change was 1.5% for June and July indicating that new property transfers outpaced payments.

Property trustee sale notices on Sun City properties decreased to 93 at the end of July while the number of bank owned properties stayed flat at 73 properties owned by lenders.

The Preservation and Improvement Fees collected in June and July decreased, as anticipated, to \$1,044,000 for the 2 months. Year to date PIF fees are \$1,772,275, or 70%, over budget.

At the end of July we converted the facilities attendants at our Centers to the same program used in Cardholder Services and the golf courses. This allows us to have a single view of cardholders and provide consistent servicing throughout our facilities. Our facilities attendants will now have real time up to date information rather than relying on a nightly updating process.

A Moment with President Coleman:

Is
Sun City
Still
“The City of
Volunteers?”

Vance Coleman
RCSC Board President

The average age of a Sun City resident is seventy-two, and most are totally retired after having worked thirty or forty years. As we face our golden years we face many losses. It seems to frequent that we hear about the loss of a friend, a relative, or experience another health or physical ability problem. For me, the loss of a friend or relative prompts me to ask myself why not me. While I don't know the answer, I tell myself that it must be that my work on this planet is not done, and that perhaps I am still here because my next calling is waiting for me to volunteer. While I am certain that I will not be returning to the daily grind of a high pressure job, I know I still want and need to keep busy and support the community I live in.

Each of us have a special talent, and perhaps those of us who have been granted the additional years to enjoy life, were also given those additional years so that we may fully utilize those talents to benefit others. As I look back on my journey, I realize that there are many people who knowingly or unknowingly voluntarily contributed a piece of themselves to who I am and what I have been able to accomplish in this life. It did take me some time to realize and appreciate those gifts that were given to me. All of us are what we are because of those who touched us during our life's journey.

I believe that we have an obligation to contribute to the well being of others, whether it is directly or indirectly. One way to fill that obligation is by volunteering as individuals, another is by supporting

those organizations that provide services to the community. Fortunately, for those of us who live Sun City, the City of Volunteers, we are blessed to have many organizations to choose from. To name a few: the Sun City P.R.I.D.E.S. (Proud Residents Independently Donating Essential Services), the Sheriff's Posse of Sun City, the Del Webb Sun Cities Museum, as well as the Recreation Centers of Sun City itself, the majority of committee members are volunteers as well as the Board of Directors. Further, there are many opportunities to volunteer in our community.

Volunteering is not all work no play. Think about providing a service while enjoying a trip on the golf cart with your husband, wife, or significant other. As a Golf Ranger you'll also get to meet new people and share golf experiences. I am an avid golfer, and last year, I looked forward to seeing a Lady Ranger, with her husband, patrolling the Lakes West Golf Course. This year, I met this fellow at the North Golf Course looking like Santa Claus with a full gray beard. My round of golf is not complete until I see Ranger John; it seems that he always appears when I am in a sand bunker, or when I hit a bad tee shot. His warm greetings and cheerful words turn a bad round of golf, into a good round of golf.

I urge everyone to find something you would like to do and give volunteering a try. Although I have been told that Sun City is God's waiting room, we might as well be useful as we are waiting.

Automatic door openers are now installed on the (2) doors at the Fairway Library. The two doors include the main library entrance and the unisex restroom. Contractor was Action Entrance. (Cost – \$4,768)

Engineering work is now completed for the South maintenance building. The building drawings will be finished once our architect receives the metal building structural drawings from the steel building supplier. Once the final building plans are completed they will be submitted for permit and released for contractor bids prior to review and approval by the RCSC bid commission. Contractors to date for this project include Bunker Steel, Inc and CCBG Architectural.

Re-carpeting of the Quail Run pro shop will occur while the course is closed for 2012 over-seeding. Sample carpeting was placed in the pro-shop entry last month and so far we are getting very favorable comments from golfers and RCSC staff.

The permit from Maricopa County Planning and Development has been

received for the replacement of the irrigation systems and turf at the Sunbowl ballpark and park (water retention) area south of the ballfield. The project is currently out for contractor bids. Once all contractor bids have been received the entire project will be submitted to the RCSC bid commission for final approval. Contractors currently assigned to this project include: CCBG Architectural, Marvin Mills Irrigation Consulting and Broderick Engineering.

North Golf Course Maintenance

The defective septic system leach field on the North golf maintenance facility will be replaced soon. The work includes the removal of a small amount of asphalt and gravel from the parking area, replacement of the leach lines, replacement and compaction of gravel and fill dirt and a final asphalt patch. Currently the RCSC is waiting for the permit from Maricopa County Environmental Services. Contractors will be American Septic and Pinnacle Paving. (Cost – Permit & Septic Work \$5,110; Asphalt patch work \$400)

Lakeview Center

The repair work on the two Lakeview spas is now completed. The spas were reopened on August 3, 2012. Although the spas are now open for use the painting and final cosmetic work in the two shower rooms is still being completed. In addition, two electrical panels must be replaced and some new electrical cabling done in order to complete this project. The new light fixtures will supply additional light while keeping energy costs down. Contractor is Wilson Electric. (Cost – \$55,880)

New vinyl plank flooring has been installed throughout the Lakeview social halls, kitchen and storage rooms. The new floor will correct the tile delaminat-

ing problem and curtail the high maintenance costs associated with the old floor. Contractor was Puckett's Flooring. (Cost – \$38,086)

The Lakeview café is being cleaned and repaired in preparation for JiMichael's to assume operations. During this process the commercial restaurant equipment is also being cleaned, serviced and replaced as necessary. Cleaning work is being done by ServPro of Arizona, the upholstery work by Desert Flower Upholstery and all painting, carpentry and minor electrical repairs by the RCSC skilled trades department. The café is expected to reopen in October 2012.

Bell Center

Architectural drawings for the Bell Wood and Metal shop expansion project are nearing completion and should be submitted to Maricopa County Planning and Development by early September 2012. Once completed, the plans will also be sent to construction companies for competitive bids. After all bids are received the project will be forwarded to the RCSC bid commission for final approval.

Planning and pre-permit work is completed for repairs to the Bell Lawn Bowling irrigation system and lawn bowl green backboards. The RCSC submitted drawings to Maricopa County Planning and Development Department on July 24, 2012 for an irrigation pump electrical permit but unfortunately the permit is still not approved. Due to permit delays, etc the project will now commence in April/May 2013 since the Lawn Bowling season is rapidly approaching. In the meantime, the project will be sent out for construction bids. Once all bids are received, the entire project will be submitted to the RCSC bid commission for approval.

The Bell Library interior light fixture project is now completed. The project included converting the can lighting to LED fixtures using the existing metal can outfitted with a full replacement insert. In addition, the florescent lighting was replaced or upgraded (retrofitted) to T-8 tubes with electronic ballasts. The new lighting greatly improved the lighting within the library facility and will help reduce RCSC's future energy consumption. Contractor for this project was Wilson Electric. (Cost – \$64,646)

New carpeting was recently installed at Bell Lanes. Carpeted areas include the bowling concourse, shuffleboard area, billiards area and the restaurant.

Contractor was Puckett's Flooring. (Cost – \$110,825)

Director of Golf Report

Golf Courses

The irrigation project at Lakes West remains on schedule, work is scheduled to be completed in early September. A major milestone was recently completed, which is the tying in of the new irrigation system to the pump station. For the first time the irrigation system was pressurized, allowing us to abandon most of the previous irrigation system. We have received numerous observations from outside vendors on how clean our irrigation project has been and how well the grass has come back. Much of this credit goes to the maintenance team at National Golf Maintenance.

Our summer cultural practices have been completed, including aerification and fairway verticutting. As stated in a previous email/press release, we understand the inconvenience this causes our summer golfers. We do appreciate your patience.

Through over seeding heavy rough can be expected at all the courses. Our standard rough mowing frequency is 1.5 times per week. With higher humidity this time of year growth will be heavy. It should be noted that the staff of National Golf Maintenance is exceeding our rough mowing standard in an attempt to keep rough heights reasonable.

As a reminder over seeding begins October 1 and preparation for this begins in the September. Growth regulator will be applied the week before closing to slow the growth of the grass. Irrigation will be reduced to further slow the growth and mowing heights will be raised to aid in the scalping process. Please check the golf calendar for each course's overseed schedule.

Pro Shops

Total revenue for June and July combined was down 3% to budget or \$14,196. Total revenue compared to prior year was down 1% or \$5,908. Merchandise sales for June and July combined were down \$2,713 compared to prior year. Driving range sales were the one bright spot compared to prior year, exceeding prior year sales by \$1,859.

Despite our summer performance we remain ahead of our sales budget and continue to exceed prior year sales.

Once again this year we will be participating in Patriot Golf Day. Patriot Golf Day was organized, with the help of PGA of America, to raise funds for the Folds of Honor Foundation. The money raised is used to fund scholarships for spouses and children of military service men and women killed or disabled while serving our country. Starters will be collecting donations through the pro shops from August 31 through September 3.

Snack Shops

Despite decreased golf traffic snack shops were able to exceed prior year sales for the combined months of June and July. Total sales for the two months were \$2,718 ahead of the same period last year or 4%. We thank everyone for continuing to support your snack shops.

RANGER HOURS

Rangers donated a total of 53 hours in July.

In February, it was reported that Bowling Management was in discussion with a group of bowlers trying to organize a new league. Rules were finalized and the league started its inaugural season on August 23rd consisting of 14 four-person teams for a total of fifty-six new bowlers for Bell Lanes. A league consisting of thirty-two bowlers was lost to the new Bowling Center in Surprise (Uptown Alley); the league was from Sun City Grand and relocated to the new center because of location. The fall bowling season begins on Labor Day and looks very promising even with the loss of the Sun City Grand league. No price increase is expected for 2013.

Friends of the Library News & Events

Happy Halloween! Too early? Not judging by what I see around town in the stores. Ghosts and goblins are already around. Well, good to get a head start, enjoy!

Fairway Branch News

Fairway co-sponsored with the Friends have two great programs this month, both promoting interesting parts of Arizona history. The first is Apache story teller, Ken Duncan. His stories weave images of Coyote, the Night Sky and Mother Earth. The vivid expressions of Ken's stories are enhanced with humor and music. Join in for this event on Wednesday, October 10th at 1:00 pm.

The second program will be October 17th at 10:30 am. "Riding With the Duke: John Wayne in Arizona" with guest speaker Greg McNamee. More than 30 years after his death, John Wayne remains an iconic presence in American pop culture and his career includes a lengthy connection to Arizona.

Both of the above events will be at the Fairway branch library at 10600 West Peoria Avenue.

Both branches will continue to have one on one help with e-readers and computers. Check with the desk for times.

Freinds News

Exciting things are going on at Bell. First of all check out "The Gathering Place," down the hall toward the book store, across from the break rooms; you can't miss it. The Friends of the Sun City Libraries have furnished this room for small group meetings and possible other uses and it will be open for use about October 1st. The library manager, Kristy Nolaski, will be in charge of scheduling so you will need to check with her on availability. Take a look at it the next time you visit the library.

The second big event also due to be

available about October 1st, is the installation of an automated book return system. The Friends of the Sun City Libraries donated about \$50,000 for this 3M sorting machine. It will allow patrons to return items with instant check-in. Items will be swept into bins and sorted accurately. This will speed up the re-stocking process while reducing the damage often caused by book drops.

The "Friends" have been able to provide this help to the libraries of Sun City because of the many dedicated volunteers who work in the book store every week and the many patrons who donate books to the store. Friends have also been the recipient of bequests and donations from many who wish to see the Sun City libraries be the best they can be. It's easy to be a participant in these events. Join us!

Our book sale at Fairway in September went well and we expect the next one to be better. For those of you who could not make it on a Tuesday, the next sale will include a Saturday.

Friends monthly meeting will be Thursday, October 11th at 9:30 pm at Bell library. If you want more information on what the Friends have and will accomplish, join us. Don't forget, we have an opening on the Board of Directors coming up.

Book Clubs

Book clubs will meet as usual in the North Wing meeting room at Bell library at 1:30

Mystery Club – October 3rd - Secrets to the Grave by Tami Hoag

Crime and Carnage Club – October 4th - #1 Ladies Detective Agency by Alexander McCall Smith

Fiction Club – October 25th - The Hunger Games by Suzanne Collins

ALL LEVELS of play are very welcome! ting. Yet some of us Big Kids really enjoy it and spend a lifetime trying to master it! So, now it's back in vogue and we're forming a Backgammon Club in Sun City. **WE NEED 50 MEMBERS TO BECOME A CHARTER CLUB** and we already have 27. So, please come and join us to help to make us official and have a lot of fun in the process. Our Members are about 50% men and 50% women - all nice people you'd like to get to know! **MEETINGS:** 7:00pm on the 1st and 3rd Thursdays of each month, at the Lakeview Recreation Center – upper level – Social Hall#3 **CLASSES:** 6:00pm before every meeting – planning an afternoon session, as well. TIPS from Daily Fitness... A Personal Trainer is a Good Investment

Connie Carey exercises regularly at the Fairway Fitness Center with workouts designed by Jane Fortier, Daily Fitness trainer. "Investing in a personal trainer might seem a little frivolous in today's economy, but it's an investment that pays off," states Colleen Daily, owner of Daily Fitness. If you have any doubts, just ask a Daily Fitness client like Connie. Daily explains "studies confirm that exercise is not an option after age 55, it's a necessity. The physiological changes of an aging body require an exercise program that builds muscle, increases flexibility, and improves cardiovascular strength. It needs to be a program that's safe, effective, and designed to address individual medical issues. A personal trainer is just the person to create such a program."

Consider the following **BENEFITS** of working with a trainer: **FITNESS**

EVALUATION - A personal trainer will accurately evaluate strength and physical abilities. This is critical to developing an exercise program that is both safe and effective. **CUSTOMIZATION** - There is no "one size fits all" exercise program, especially with an aging body. Needs, goals and medical issues have to be considered. A personal trainer has an arsenal of exercises to draw from. **MOTIVATION** – Exercise is work, there's no way around it! A personal trainer provides positive encouragement and educational expertise every step of the way. **SAFETY** – Using exercise equipment without appropriate instruction is foolish. Proper settings, form, technique and breathing play a role in exercising effectively. A personal trainer monitors all activities, continually teaching and coaching throughout the process.

Daily Fitness provides personal training services to the residents of Sun City at its various Fitness Centers. All trainers are certified by recognized national fitness associations, and have additional education in senior fitness. They are experts at designing comprehensive exercise programs for the senior population. **To get details on services available, contact Daily Fitness at 623-256-7901 or visit DailyFitnessLLC.com**

RCSC presents..... '56 Rock 'n' Roll Band Dinner Show! Buy Your Tickets Now!

Then: '56 a year that featured Coup de Villes & drive-in movies, Ed Sullivan and Milton Berle in your living room every week, Mickey Mantle leading the Yankees to the pennant and Grace Kelly leaving Hollywood's silver screen to become a Princess. Elvis had 4 Top Ten hits that year, alongside Dean Martin and The Platters, and he became a movie star --- all in 1956.

Now: '56 four amazing musicians, individually accomplished in other genres, come together to ask this question: What if all those legends from Sun Records and the Louisiana Hayride never went to Hollywood, never made TV shows and movies but, were still just playin'? What if Chuck Berry, Jerry Lee Lewis, Johnny Cash, Roy Orbison, Gene Vincent, Eddie Cochran, Carl Perkins and even Elvis were going to be playin' this Saturday night downtown at the civic auditorium in your town?

'56 brings back to life one of the purest forms of American Roots music and lays it down with style. From blues-tinged, hip-shakin' rockers like "Johnny B. Goode" and "Shake, Rattle & Roll" to the sultry, starlight ballads of "Fever" or "Love Me," Bret's silky-smooth, powerful vocals make every female swoon and the fellas want to run out and race with their buddies for pinks! The ethereal twang of Tom's Gretsch Falcon on tunes like "Sleepwalk" and "Honey Don't" are reminiscent of Carl Perkins/Brian Setzer/Duane Eddy while Austins' wing-tipped acrobatics on the stand-up bass have to be seen to be believed! And with Jeff laying down the beat on the drums – wait 'til you see both of them simultaneously duel it out on "Mystery Train" – unbelievable!

Make your reservation for this dinner show in the Lakeview Club Office at 8:30 am to 4:00 pm, Mon-

day through Friday.

'56 Rock and Roll Band is performing at the **Union Hills Country Club located at 9860 West Lindgren Avenue in Sun City on Saturday, November 10 with happy hour at 5:00 pm, dinner served at 6:00 pm and the performance at 7:15 pm.**

Tickets are \$30 per person and available for RCSC cardholders and their guests. All tables are round and hold 10 people per table. If you have friends who want to sit together, we can accommodate at the time of the ticket purchase, as well as requiring food choices for each attendee in your group.

Dinner is served buffet style and includes Garden Salad with choice of 3 dressings, a carving station with Baron of Beef, Roasted Chicken, Mashed Potatoes, Chicken or Beef Gravy, Vegetable Medley, Rolls and Butter, assorted pies for dessert, and to drink coffees and teas. If you have dietary needs, please let us know at the time of your reservation.

As an added feature, there will be 50's and early 60's cars parked in the half circle drive-way of the country club for you to observe and direct questions to the car owners. So, put your 50's glad-rags on and grab your best gal or guy – '56 is here and you do not want to miss this show!

Bocce is an ancient game, its birth lost in the shadows of antiquity. Authorities claim it originated in Egypt about 5200 B.C.; others claim that the game started in Greece during 6th Century B.C.; The most reliable sources agree that Bocce is flourishing and still going strong at the Sundial Recreation Center. The courts are carpeted, well shaded at both ends and handicap accessible. All equipment is furnished, lessons are free, and attire is your choice. All RCSC cardholders, are eligible to join. Aqua Fitness Club

The Aqua Fitness Club is one of Sun City's largest clubs. That's because we offer aerobic exercises standing in waist to chest-deep water. These are exercises that are difficult out of the water but easy in the water. The buoyancy of the water prevents stress on joints and muscles. This is good for those recovering from knee, back and hip operations. And, besides being good for your cardio vascular and recommended by most physicians, it's fun! Classes are held at Sun Dial, Oakmont, Mountain View and Marinette pools. There are three types of classes – Free Standing, Poolside and Aqua Stretches. Free Standing involves jogging in place and some jumping. Poolside has the benefit of your holding on to the edge of the

pool and Aqua Stretches takes you through a series stretching exercises to limber you up. All are taught by qualified instructors. We have a unique program called, "Try It Before You Buy It" which allows you to take a class to see if you like it. This program is offered the second to last week before each Registration. Registration takes place five times a year at the Sun Dial Auditorium. Sessions are for eight weeks and continue all year. We are coed and encourage participation by our male residents. To join, you must be a RCSC cardholder join the Aqua Fitness Club with annual dues of \$5.00 and each Session is \$15.00. The bulletin board at the Sun Dial Pool lists all our classes and other pertinent club information. To learn more or answer any questions, call Alice Davey at 876-8627 or Grace Davini at 972-9133.

Chamber Orchestra Club

All interested string players are invited to come and join a wonderful group of musicians who enjoy playing an eclectic variety of music. The conductor of the Chamber Orchestra is George Zoske who moved to Arizona in 1997 from Wisconsin after a teaching and a professional playing career of nearly 40 years. Mr. Zoske has had a wide variety of musical experience. He played trombone with the Madison Symphony Orchestra, and during this same period, Mr. Zoske played in a variety of small ensembles and is well versed in big band jazz. Throughout his tenure in Wisconsin, he taught music in the public schools. Conducting has always been an enjoyable experience, and he has conducted the

Pitt Orchestra of the School Musical, Summer, and Community Theaters, and handbell choirs in the Madison area. In addition to conducting the Sun City Chamber Orchestra, Mr. Zoske conducts the Sun City Concert Band and the Christo Handbell Choir at the American Lutheran Church in Sun City. For more information contact Ann Rose Hering at (623) 933-1568. The Chamber Orchestra meets at Fairway on Wednesday from 9am to 11am.

Fairway Woodworking Club

Fairway woodworking is one of the oldest clubs in Sun City. Our first meeting was held in 1961 to determine if those at the meeting would like to form a woodworking club as permission had been given to use the Webb maintenance shop as a club shop. It was decided to form a club called Town Hall Woodworking. The club received a charter in 1965. The name was later changed to Fairway Woodworking. We are now in the new Fairway center and we have the most up to date equipment including new types of planer, jointer, turning

lathes, and a table saw on which you can not cut your fingers. We will be starting our Fall and Winter schedule the first of October. We will be open Monday-Friday 8 to 4 and Saturday 8 to 12. We will be having classes in wood turning and the safe operation of power equipment. If you are a novice woodworker our Monitors will give you guidance in completing your projects. We are a friendly club and we do have fun. We often have discussions over coffee with a lot of laughter. Come join the club. Dues are only \$10 a year. We start selling memberships the first of Nov. for 2013.

Leathercraft Club

The Leather Craft Club is in the process of gearing up for a great Fall and Winter season. Many of us in the club are busy making items to sell in the Fall Arts and Craft Fair in November and are having lots of fun doing it. The members in the picture are just a sample of some of our members displaying their handiwork.

We are also planning to have several workshops this Fall. Ken Evans the Manager of the Tandy Leather Craft Shop in Glendale will be coming to our club to do a workshop on making projects from design to finish without using the standard Tandy kits. Our own members will also be teaching some workshops, Vic Carman will be teaching a class on making and using "Tap offs," Larry Wolf will teach a class on "Sheridan Style Carving" and Jim Tradup will do a workshop on "Figure Carving." There are other classes and workshops in the planning, but they have yet to be scheduled. If you are interested in any of these you ought to come join us and sign up for a class. If you have never done any Leather Craft before, we have members available to teach you and get you started. We meet in our club room in the Mari-nette Recreation Center. Starting Oct. 1st our hours are M-F 8:00am-2:30pm.

Celebration

Join the 50th year celebration of sunshine service on November 3, 2012 at 10am-12pm, at 9980 W. Santa Fe Drive. Tours will be offered and refreshments served.

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City. We are a non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

Records show that as the population of Sun City grew so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2010, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc. has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.

Sundial Men's Club Announces Plans for

Make A Difference Day

Saturday October 27, 2012

Sun City, AZ – Sundial Men's Club announced plans to celebrate **Make A Difference Day**, the largest national day of community service, with a community wide Food Drive for Valley View Community Food Bank.

Collection boxes will be located at all Sun City Recreation Centers near the pool entrance and Golf Courses near the Snack Bar on Saturday October 27, 2012.

Sun City residents are urged to bring non-perishable food to the collection sites on Saturday October 27, 2012. The goal is to make this the largest one day food drive by a retirement community in the country. Monetary donations will also be appreciated with all checks made out to the Sundial Men's Club.

As a fund raiser for the food drive there will be a bowling tournament at Lake View Lanes, a golf tournament at Willowbrook Golf Course and a billiards tournament at Bell Recreation Center on Saturday October 27th.

For more than two decades, USA WEEKEND and HandsOn Network, the volunteer activation division, have joined together to sponsor **Make A Difference Day** which is celebrated annually on the fourth Saturday in October. This national day of community service connects people with opportunities to serve, increases the strength of communities and promotes civic engagement.

Through **Make A Difference Day**, the Sundial Men's Club is joining hundreds of other organizations around the country that are engaging their community in service.

Make A Difference Day is supported by Newman's Own, which provides \$10,000 awards to 10 volunteer efforts recognized as national **Make A Difference Day** honorees. In addition, three cities will be awarded \$10,000 each from Newman's Own in recognition of their **Make A Difference Day** good deeds. One past national honoree will receive the Encore Award of \$10,000 from the Gamnet Foundation.

Collection boxes will be at the following locations from **6 AM to 2 PM on Saturday Oct. 27th**
