Fall Brings Autumn Activities

While full-time residents can once again open doors and windows to the cool evening breezes, the traffic is heating back up thanks to the return of our part-time residents. In the meantime, everyone continues to enjoy the covered parking provided by the recently completed solar installations.

Summer in Sun City meant lots of trips to the pool and spectacular concerts in the air-conditioned comfort of the Sundial Auditorium. Those clubs with full year activities kept members busy and cool. The newly acquired paddle boats at Viewpoint Lake have proven to be a huge success. Movies at Mountain View and Marinette provided an opportunity to escape the heat and relax, while the indoor walking track at Fairway saw thousands of visitors keeping fit and comfortable despite the temperature outside.

As fall arrives, clubs are revving back up as members return and begin preparing for the annual Arts and Crafts Festival in November. Annual club articles also return to SunViews this month, giving groups an opportunity to entice you to join.

The Great American Talent Search is underway with remaining audition dates on October 5 and 9. With tickets on sale for \$13 per person, this promises to be the best entertainment value this season. One ticket grants you admission to all preliminary rounds and the Grand Finale on November 13. For more information, see the back cover of this issue of SunViews or contact the Lakeview Clubs Office at 623-561-4660.

Free to RCSC Cardholders and their invited guests, the shows at the Sun Bowl kick off on Sunday, September 29 with the "Nashville Country Roadshow," culminating on November 10 with "A Tribute to Our Veterans" which will include Arizona's Own 108th Army Band. A new food court has been added behind the Bowl to give members easier access to the popular gourmet food trucks that have become a staple at many RCSC events. See a full listing of the Fall 2013 Sun Bowl Shows on page 7.

Sun City's own Farmers Market returns on October 17 featuring fresh fruits and vegetables together with a wide variety of culinary treats including cage-free eggs, specialty meats and cheeses, locally produced honey, fresh baked goods and dips such as hummus and salsas. RCSC Clubs are also participating by selling their wares and signing up new members. Start the season off by supporting local farmers every Thursday at Bell Center from 8a.m. to noon.

With many residents escaping the heat, summer was busy with construction projects on RCSC properties, including the remodel of Oakmont's locker room (left), upgrades to the Sundial elevator and renovation of the Sun Bowl ballfield.

Web Portal and Elections Update

RCSC Elections and Web Portal

RCSC Cardholders continue to sign up for the new RCSC Web Portal in preparation for this year's Board of Director elections which will be held completely online.

Electronic voting will allow members to vote from any computer, anywhere - whether they are out of town or right here in Sun City. Safeguards restricting each qualified member to only one vote will be in place and confidentiality will be maintained throughout the process. Eligible RCSC Cardholders will have access to the election portion of the portal beginning one month prior to Election Day starting on November 11. For any members without access to a computer, in-person voting will be held at Lakeview on Election Day (December 10) from 8am to 4pm.

Candidates will be introduced at both the October 31 and November 21 Board meetings. Two candidate forums are scheduled: November 11 at 6:00pm in the Marinette Auditorium and November 19 at 1:30pm in Fairway Arizona Rooms 3-4. The forums are a great opportunity for Members to meet and talk with the candidates. Look for more details on the candidates and the forums as the election process continues.

New Email System Update

As part of the web portal rollout, RCSC is also using a new email system to communicate with Members. All Cardholder email prefer-

ences were brought into the new portal and emails were sent to members with information on managing their email preferences. If you have not been receiving recent RCSC Email Alerts, you are urged to contact the Cardholder Services Office at the Lakeview Center or by calling 623-561-4603 to confirm that your current email address is in the system. Emails can also be sent to webportal@sunaz.com if you have any questions or problems accessing the portal. In addition, Cardholders are advised to add tegcampaigns@tegcampaigns.totalegolf.com and rcsc@sunaz.com into their address books to avoid emails from RCSC going directly into Junk Email folders.

Besides online voting and managing participation in email communications from RCSC, the new web portal allows Cardholders to manage other routine interactions with RCSC. More detailed information regarding the portal can be found at: <http://sunaz.com/portal/webportal/>.

Portal Information Sessions Planned

Cardholders that continue to have concerns regarding the web portal are encouraged to attend an upcoming informational session. As of press time, the first session is scheduled for Friday, October 25 at 1:30p.m. in Lakeview Social Hall #1. Other sessions in November will be announced at a later date.

Financial Report:

All divisions are within their year-to-date gross income budget excluding the golf division, which was \$150k under its budgeted y-t-d gross income, a \$15k increase in negative variance from June month end financials. All divisions are under budget for their wages, taxes and benefits and general operating expenses y-t-d. As of July 31, 2013 we have spent \$1,033,382 less than budget in repairs and maintenance y-t-d, however, as I have explained many times previously, this is to be expected as project completion runs behind budget to ensure that sufficient funds are available. It is important to recognize that this \$1M+ positive variance will not remain as projects are finished. Overall the corporation has operated within its budget for the 2013 fiscal year.

Bowling Centers:

In August, bowling management met with all league Secretaries and Presidents. Director of Bowling Randy Johnson updated league officers on policy or procedural changes. Representatives from the Metro Phoenix USBC also attended and provided awards and rule updates.

Leagues are coming in stronger than originally anticipated. The Sun City Scratch Classic league increased from thirteen teams to twenty-two teams requiring them to swap bowling centers with a smaller league. The Thursday night Sun City Scratch Classic league is becoming one of the most elite leagues in the Metro Phoenix area. Many of the bowlers on the league average over 230. Several of the bowlers are also members of the Professional Bowlers Association. We are expecting several high games and series during the season, so if you are in the area of Lakeview Lanes next Thursday, stop in and see some serious bowling.

Cardholder Services:

The payments on past due assessments fell in July and were consistent with monthly averages over the past year. June billings went past due at a rate of 7.2%, and also are right on the monthly average rate. June balances went over 60 days past due at monthly rate of 5.2%, which is 13% above average. Outstanding balances related to property transfers increased by just over 5% in July and represent 53% of all receivables due.

Trustee sale notices on Sun City properties reduced again to 50 for the end of July. The number of properties owned by lending institutions remained steady at 87 this month.

The Preservation and Improvement Fees collected in June were \$519,000. Year to date PIF fees are \$4,227,440, which is \$1.7M over budget year-to date. PIF budget is

A Moment with President Brasher - Unsung Heroes

Here in Sun City we are fortunate to have a great number of organizations manned by dedicated volunteers who help keep our community the great place in which we live.

As we go about our daily activities we routinely see the results of their efforts. Our streets are neater and trimmed vegetation more eye-appealing thanks to the Sun City PRIDES; when we visit Banner Boswell Hospital we can't escape the attention to our needs by their army of volunteers from the time we exit our vehicles through the reception area and to our final destination; in the Sun City Visitors Center volunteers are eager to answer questions and provide detailed information about the area; and nearby in the Sun City Library volunteers assist visitors and staff in the used book store. Often overlooked are the dedicated residents who staff the Del Webb Sun Cities Museum housed in one of the first of five model homes built here which provides a great overview of our community's history. We must also recognize the efforts of our volunteers who work with Sun City Meals on Wheels to provide essential meals to many housebound residents.

These volunteers and the activities mentioned above are fairly visible to anyone who gets out and about in Sun

City. Other individuals are working more behind the scenes to enhance our quality of life. In particular are the many concerned residents who volunteer their time to work with others on RCSC standing committees. There are 12 standing committees who consider matters related to our daily community life and its futures. The input of these members provide ideas and perspectives on activities such as our clubs and also future direction to help us know our facilities will provide the best for our residents, as well as encouraging potential newcomers to choose Sun City. Committee volunteers work quietly behind the scenes and are of immense value in helping our Board of Directors make decisions. We encourage all interested residents to consider becoming members.

One of the most popular regular events in Sun City is the Thursday Night Bingo thanks to the efforts of the Sundial Men's Club. Their hard-working club members volunteer time to put on this weekly event, working tirelessly throughout the evening to ensure an enjoyable time for everyone. They are solely responsible for this event's long-term success in what has become a Sun City institution.

An organization for whose members we have the greatest respect is the Retirement Community Association of

Sun City (now known as the RCA). The members of this organization have done things such as providing and installing hundreds of seat belts on golf cars, installed park benches along some of our streets, obtained donations to provide a golf car for the 50th Anniversary Celebration, donated lock boxes to the fire department for installation in homes, and are currently conducting a program to install smoke detectors for those who need them. Years ago, this group was instrumental, along with the Sun City Homeowners Association (SCHOA), in working to preserve the senior citizen overlay zoning resulting in lower property taxes. As was my case until a couple of years ago, most of us living here don't even know this valuable organization exists, much less that it has been in existence since 1975. In my estimation, all Sun Citians would do well to get to know and support this organization of dedicated residents.

All of the above-mentioned organizations appreciate and rely on the help of volunteers. More visible institutions include the Sun City Posse, SCHOA, Sun City Community Assistance Network (SCCAN), and the Sun City Foundation. We urge you to support of all Sun City organizations with your donation of time and money.

Setting the Record Straight

This past year, a new website came online - <http://talkofsuncity.com/forum.php> - which is a unique online gathering place for all things Sun City. Posters leave any number of threads on a wide variety of topics. One particular thread prompted the rebuttal below entitled "Setting the Record Straight," written by Bill Pearson (not as an RCSC Board Director but as a private citizen) in an "attempt to educate, inform and give people the opportunity to make up their own minds" regarding RCSC issues being discussed on this website. With his permission, this is being reprinted in its entirety.

I danced around issues in the Let's Talk thread but rather than continue the Arizona two-step, let's get real. I want to be clear: I am doing this as a public service to those participating in this forum and as a resident of Sun City and not a board member of the RCSC.

Rather than posting snippets of the Articles of Incorporation to make arguments supporting claims I am trying to get buy-in for, I will post the link to the Articles and also cut and paste the pertinent ones. Using bits and pieces almost always works...at least until we look at them in their entirety.

We've been told how the RCSC is violating its own "rules." Interesting when you consider the boards making those decisions did so in conjunction with the attorney who helped formulate them a good number of years back. Seems some feel they know better than both the boards that did it and the attorney that advised them.

But let's dispense with the banter and get to it. The two main charges are the RCSC is spending money without a vote of the membership and that we are treating residents "unequally." Both serious allegations on its face, but what do those pesky Articles of Incorporation really say?

First off, we keep hearing the RCSC can't spend more than \$750,000 without a vote of the membership. Here is the article they site: Article X - The highest amount of indebtedness or liability, direct or contingent, to which the Corporation may at any time subject itself shall be limited to \$750,000 or any greater amount which may be authorized by three-fourths (3/4) of the Members present at a duly called and noticed meeting of the membership, or in such amounts as may be authorized by the Arizona Corporation Commission.

So what does this mean? Simple, the corporation cannot incur debt of more than \$750,000 without a vote of the members. Back in 1999 the RCSC Board of Directors saw the amenities aging and understood there would come a time when replacing them would be essential to preserving the way of life we all enjoyed. There were options and one of them was to ask residents to yearly vote on assessments to remodel, repair or replace them. It would have been disastrous and left the community in ruin.

always done very conservatively to assure that cash funds are available for all budgeted projects.

Human Resources:

RCSC and other employers in Arizona are concerned about the rising cost of Workers’ Compensation insurance and carriers providing coverage work closely with employers to control claim costs. Effective loss management and loss control practices rely on the immediate notification of claims. As a result, RCSC employees are trained to report any work related injuries/illnesses immediately to their supervisors and the HR department so claims management begins immediately as well. Year-to-date we have had a total of seven reported claims with three being closed and four remaining open. Medical costs of \$32,560 and lost time wages of \$5,743 have been paid to date. Lost time wages have been kept to a minimum due to RCSC’s return to work/light duty program and is an important source in controlling costs.

On July 2, 2013, the Treasury Department and the White House announced in separate blog posts that the Pay or Play Rule (also called Employer Shared Responsibility) is delayed for one year. The surprise announcement was extremely welcome news for employers which had been working quickly to come into compliance. With the delay, the Rule will now be effective in 2015.

In summary the Rule requires employers with 50 or more full-time-equivalent employees to provide acceptable health plan coverage or face a tax penalty. The blog post states that the delay was needed to coordinate the Rule’s penalties and requirements with additional reporting rules. No guidance has yet been issued and we continue to watch this legislation.

As in 2011, Aetna was required to rebate part of the premiums it received in 2012 because they failed to meet the “Medical Loss Ratio” standard of spending at least 85% of the premiums on health care services. Early in July, RCSC received a rebate check from Aetna for the calendar year 2012 in the amount of \$4,132.89. The funds were allocated between the RCSC and the employees who were covered by the health insurance on which the rebate was issued, based on the respective proportion of the premium

amounts paid by each. Employees received their share of the rebate in checks issued Friday, August 30, 2013.

On January 1, 2013, RCSC changed health insurance carriers from Aetna to BlueCross/BlueShield.

Events & Entertainment:

A new free show for RCSC Cardholders has been added to our lineup. On September 25, Mentalist Mark Stone will perform at Sundial Auditorium at 7:00pm food trucks onsite 1½ hours prior. Mark’s show “MENTALMANIA” is the funniest mindreading and E.S.P. show in America today. He leaves audiences shaking their heads in disbelief when he demonstrates super memory, clairvoyance, and telekinesis. Not only does Mark amaze everyone with his uncanny abilities, he keeps the audience laughing throughout the show. It’s a fun and thought-provoking entertainment experience.

The free Sun Bowl shows for RCSC Cardholders begin Sunday, September 29, with the Nashville Road Show at 7:00pm. Come out and see the great improvements that have been made to the Sun Bowl, including the new “Food Court” that is now located behind the stage, between the restrooms by the rose garden. Golf Report

Pro Shops

July revenue fell \$15,500 behind budget, Prepaid Green Fees constituted \$5,903 of this deficit. Daily Green Fees/ Cart Fees fell \$8,807 behind budget and Driving Range revenue fell \$1,018 behind budget and Merchandise revenue fell \$247 behind budget.

Total Operating expenses in July were \$5,265 under budget and Total Cost of Sales were \$351 under budget. As a result of these savings Net Operating Excess was trimmed to a \$9,884 deficit for the month.

In July the pro shops and cardholder services began collecting donations for the families affected by the Yarnell Fire and the 19 fireman that lost their lives fighting the fire. In addition to the donations a fundraising tournament was held on August 2nd, with 102 participants. In all RCSC was able to raise nearly \$1,900 in donations. As a result of the statewide fundraising effort the Southwest Section PGA was able to raise in excess of \$100,000 for the affected families. We thank everyone that participated in the event or placed a donation in one of the boots.

Snack Shops

Snack shop revenue followed golf course revenue and missed budgeted revenue by \$3,036, bringing the YTD revenue deficit to \$14,071. Expense control has enabled the Snack Shops to exceed their YTD Net Operating Excess budget by \$1,773.

Courses

The bunker renovation at Willowbrook has been completed and the back 9 is open for play; we do not expect the front nine to be open for play prior to overseeding. The course has been rated as being slightly more difficult following the renovation. The USGA course rating was raised to 58.7 from 57.8 and the USGA slope rating has been raised to 89 from 84.

In preparation for overseeding rough heights will be raised beginning in August and continuing through September. Higher rough heights are necessary to provide a better playing surface in the rough once the Bermuda enters dormancy. Fairway heights and green heights will also be raised prior to overseeding.

Palm tree trimming has been completed on all courses, with the exception of North. North will not have the palm trees trimmed this year due to the upcoming renovation.

All courses are spraying for weeds, including Nutsedge. As the Nutsedge dies it will turn a noticeable yellow. In addition all courses will begin spraying a pre-emergent to control winter weeds.

As a reminder, North Golf Course will not undergo overseeding this year, due to the upcoming renovation. As a result the North course will remain open during the entire overseeding process. Conditions at North will be largely dependent on the weather, particularly in November. Golfers can expect the course to play hard and fast as the weather turns colder.

Bowl Your Way to Better Health

We know that bowling is a sport for all ages. Did you know bowling is a very healthy form of exercise? The act of bowling speeds up your metabolism which burns excess fat, which can help you slim down.

While bowling, you will walk approximately 6/10 of a mile during a three-game series and burn 170 to 300 calories per game. According to www.mayoclinic.com, a person weighing 200 lbs. can burn up to 275 calories per hour while bowling.

Bowling can also help us reduce our risk for disease. According to www.webmd.com a sedentary lifestyle is one of the leading risk factors for heart disease. Exercise (including bowling) lowers the risk for stroke, heart attack, diabetes, increases bone density, improves circulation, and lowers cholesterol levels and blood pressure.

Bowling is a weight-based workout. By swinging the ball repeatedly, flexing, bending, and stretching, it tones your arms, chest and leg muscles. Even the act of gripping the bowling ball strengthens your hand. Bowling improves muscle tone, joint flexibility and balance. Bowling has a lower risk of injury and is very popular with seniors.

Bowling also improves your social life by assisting you in making new friends. It can ease loneliness, reduce stress and depression. Social relationships, around a shared interest such as bowling, can help increase longevity. Bowling even helps with focus and concentration. Bowling can raise your spirits from bowling that strike, to giving and receiving high 5's or a pat on the back for that close spare conversion. Bowling is just a lot of fun. So why not go bowling today?

Sun City Bowling Association Annual Meeting

The SCBA annual meeting will be held on Saturday, October 12. Guest speakers will be Joe Reguero and Patrick Knight from Impact Bowling. Joe and Patrick will be discussing ball drilling, weight blocks and layouts. Meeting starts at 9:00 am in Lakeview Social Hall 1. Free coffee and donuts! There will also be a raffle for a new high-end bowling ball. Hope to see you there.

Thursday Scratch Classic League

The Columbia 300 Scratch Classic league began this fall at Lakeview Lanes and bowlers are off to a great start. Fall 2013 Sun Bowl Concert Schedule

All Sun Bowl concerts are free to RCSC Cardholders and their invited guests. Bring your lawn chair or blanket and relax under the stars while listening to some great music that's coming your way. Gourmet vendor food trucks will be available 1-1/2 hours prior to the shows so get there early to enjoy some great eats before the show starts.

Nashville Country Roadshow Sunday, September 29, 2013 - 7:00pm

Stomp your boots and sing along as the Nashville Country Roadshow features every facet of country music including everyone's favorite kings and queens of country to musical outlaws, urban cowboys and honky-tonk heroes. This amazing band includes some of the most talented musicians and vocalists touring today. Bring back all those great country memories - whether you're a fan of The Man in Black or want to hear about the guy with Friends in Low Places - you won't want to miss this show!

That Kool Band Sunday, October 6, 2013 - 6:30pm

After years of performing with various celebrities, this dynamic group of musicians formed a tribute band in honor of the great artists from the 50s, 60s and 70s. Recreating the vocals and music in such detail, audiences feel taken back to an era of music warmly remembered by all. Come and relive the golden era of rock'n roll at its finest!

Lynn Anderson & Rollie Stevens Sunday, October 13, 2013 - 6:30pm

One of the top ranked female vocalists in any musical genre, Lynn Anderson is often referred to as a "singer's singer." Her sophisticated image and "country-politan" sound helped her to become one of the first female country artists to achieve mass crossover appeal, and her strong vocals have garnered her more awards and accolades than many country artists combined. Rollie Stevens began his musical career while working at the Phoenix Fire Department, and in 2008 he was introduced to the "Marty Robbins Tribute Show" at the National Festival of the West in Scottsdale. The show was a tremendous success and as a result, Rollie was invited to tour with superstar Lynn Anderson. They recorded the duet "Mexican Angel" in 2009. Giddy-up and come on down, partner!

AZ Diamond with Eddie Diamond Sunday, October 20, 2013 - 6:30pm

In this tribute to Neil Diamond and his timeless music, Eddie and his ensemble of musicians recreate the vocals and orchestrations in such detail that few can leave the show without feeling as though they've been taken back in time. Relax to some of the most memorable songs in pop music history - Cherry Cherry, Sweet Caroline, Kentucky Woman, Cracklin' Rosie and many more...

'56 | The Rock & Roll Revue Sunday, October 27, 2013 - 6:30pm

'56 - a year that featured Coup de Villes and drive-in movies, Ed Sullivan and Milton Berle in your living room, Mickey Mantle leading the Yankees to the pennant and Grace Kelly leaving Hollywood to become a Princess. Featuring four amazing musicians individually accomplished in other genres, it makes one wonder: What if all those legends from Sun Records and the Louisiana Hayride never went to Hollywood, never made TV shows and movies but, were still just playin'? What if Chuck Berry, Jerry Lee Lewis, Johnny Cash, Roy Orbison, Gene Vincent, Eddie Cochran, Carl Perkins and even Elvis were going to be playin' right here in Sun City at the Sun Bowl? Come on down and find the answer!

Strait Country - A Tribute to Country Music's Living Legend Sunday, November 3, 2013 - 6:00pm

Kevin Sterner and Strait Country, performing the critically acclaimed "Tribute to the Music of George Strait," have been thrilling audiences and selling out concert venues throughout Arizona for the past three years. Tips for Seniors from Daily Fitness...
Control Type-2 Diabetes with Exercise

Carol O'Connor uses the Back Extension Machine with flawless form, as she strengthens upper glutes and lower erector spinae muscles.

Carol O'Connor was diagnosed as pre-diabetic. Circumstances had forced her into a sedentary lifestyle, and her level of fitness had declined. Carol knew she had to make some changes. She had no intention of going on diabetes medication. Carol turned to Daily Fitness for help. She was introduced to a comprehensive exercise program, at the Bell Center, by fitness professional Jane Fortier.

Research conducted over the past 10 years has confirmed that regular exercise assists with glucose management, and can actually help prevent Type-2 diabetes, for those at high risk. Type-2 diabetes occurs when the body misuses insulin, a hormone secreted by the pancreas for blood sugar regulation. Elevated blood sugar leads to all sorts of problems, including weight gain, cardiovascular disorders, blood pressure issues, as well as diabetes.

“One of the most commonly observed changes that contributes to diabetes is a decline in muscle mass, which begins around age 40,” Fortier explains. “Less muscle increases the risk of diabetes because muscle is the receptor site for most of the body’s blood sugar (glucose). Muscle burns or stores glucose. Strength Training is a form of exercise that increases muscle tissue, therefore increasing the body’s glucose storage capacity and metabolic rate. As we age, we not only lose muscle but gain fat, especially the deep visceral fat that is linked to diabetes,” notes Fortier. “Recovery from exercise is fueled primarily by fat, so the more strength training and aerobic exercise a person does, the more fat is burned 24 hrs a day.”

Getting started with exercise is often the hardest part. Daily Fitness trainers can help with that. They design programs that address needs, goals and medical issues. They teach clients how to exercise safely and effectively. To find out more about the services offered through Daily Fitness, visit DailyFitnessLLC.com or call 623-256-7901.

Duffeeland Dog Park Update

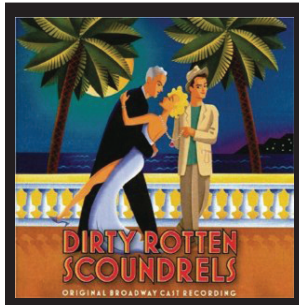

Starting on October 1, users of Duffeeland Dog Park will be required to show their RCSC Member Card in order to gain access to this facility.

"At the request of the Board of Directors, we will have a Facilities Attendant on duty during park hours (6:30a.m. to sunset) to ensure that only Cardholders and their invited guests are using this facility," said RCSC Assistant General Manager Jim Wellman.

"Despite the well-meaning efforts of the volunteers who use the park," Wellman said, "complaints regarding bad dog behavior and outsiders using the facility continue to be a concern. It is RCSC's intent to address all of the issues at Duffeeland Dog Park.

We appreciate the cooperation and understanding of all park users and neighboring property owners in our efforts as we work at resolving these issues.

Museum Reveals Expanded Marinette Display

Visitors to the Del Webb Sun Cities Museum now walk first past images of the early community located on land, which was to become Sun City, as they enter the small 1960s model home located at 10801 W. Oakmont Dr.

The Museum unveils "Where It All Began - Marinette," an expanded exhibit covering the years 1895 to 1959. The new display in the living room of the smallest model home to open on January 1, 1960, was mounted after the museum closed for the summer in June.

The wall display is divided into three time periods and is illustrated with old photos, many of which were provided by Amanda Durand, who grew up in Marinette and still lives in the Sun Cities. The last panel describes the area in which her parents ran the General Store, and many family photos add a personal touch to the displays. A grant from the Arizona Historical Society made the display possible.

Museum hours are from 1:00 to 4:00 p.m. Monday, Wednesday and Friday until enough volunteers are available to provide guides five afternoons weekly. Please allow at least 45 minutes to tour the historical displays, which include a short promotional film from the 1960s.

Volunteers with computer experience are also needed to assist Office Manager Julie Glass with the archives in the morning. Others will be trained to become museum guides/docents, who serve when the Museum is open to the public. To volunteer, please call 623-974-2568 between 8a.m. and noon.

Water Usage Facts

Here in the desert Southwest, we all need to do our part in helping to conserve water. Below are some water facts for you to consider:

- Humans use more and more water each year.
- Americans use five times the amount of water that Europeans use.
- Humans daily use about 50 gallons of water.
- A person pays about 25 cents for water use on a daily basis.
- Two thirds of the water used in a home is used in the bathroom.
- To flush a toilet we use two to seven gallons of water.
- In a five-minute shower we use 25 to 50 gallons of water.
- To brush your teeth you use two gallons of water.
- For an automatic dishwasher nine to 12 gallons of water is used.
- Saving a bottle of cold water in the fridge is better than taking it from the tap, because it saves time and water.
- While brushing your teeth, instead of leaving the tap running, you should fill up a glass to rinse your mouth.
- Baths use less water than a typical shower. Soaking in a partially filled tub will use less water than a short shower.
- The average person spends less than 1% of his or her total personal expenditure dollars for water, wastewater, and water disposal services.
- Less than 1% of the water treated by public water systems is used for drinking and cooking.
- Bottled water can be up to 1,000 times more expensive than tap water and it may not be as safe.
- Today, at least 400 million people live in regions with severe water shortages.

Apple Macintosh Computer Club

The Apple Macintosh Computer Club (also known as SunMacs) is located in the Sundial Recreation Center. We cater to users of everything Apple: the iPad, iPhone, iPod, laptops and desktop computers and more. We try to satisfy the needs of our 328 members by offering classes, round table discussions, socials, help sessions and individual maintenance opportunities. Our sessions are taught or led by our members at no cost to the participants. In return, we ask each member to help the club in some way. From October through May (but not December), we hold a membership meeting at 9:00a.m. on a Saturday in the Sundial West hall. Each of these meetings features a speaker or presenter on a topic of interest to our members.

Regular Clubroom hours are Monday through Thursday from 8:30 to 10:30a.m. and 12:30 to 2:30p.m. plus afternoon sessions on the first two Fridays of each month. From mid-May through September we are open on Tuesday and Thursday mornings only. The clubroom is closed from August 1 thru mid-September.

Yearly dues are \$20 per individual or \$30 for two people from the same household.

More information can be found on our website at www.sunmacs.org or visit or call our clubroom at (623) 933-5300.

Mah Jongg

Do you like playing cards and other games? If so, you will probably enjoy playing Mah Jongg. It is an entertaining game using tiles, instead of cards. The purpose, somewhat like gin rummy, is to create a hand with a specific arrangement of suits and numbers.

If you would like to learn how to play, the Mah Jongg club offers lessons twice a year. This fall, they will be held during the month of November. Feel free to stop in during club play time to watch how we play. If you already know how to play, come join us. We play National League and Asian Mah Jongg and meet in the west hall at the Sundial Recreation Center on Tuesdays from noon to 4:00p.m. We also meet at Marinette Recreation Center on Thursday evenings from 6:00 to 9:00p.m. and Sundays from noon to 4:00p.m.

Our club is open to all members who hold a valid RCSC card and invited guests. For more information, please contact Janis at 623-875-3969 or Susan at 623-910-1271.

SewNSew

SewNSew members work all year to provide a variety of merchandise for our in-house boutique (open Tuesday and Thursday 9:30a.m. to 3p.m. year-round with Saturday hours during the "winter") and the Sun City Arts and Crafts Fair to be held November 29 and 30. Items include casserole carriers, placemats and napkins, microwave bowls, totes and bags, purses, aprons, hats, table runners, doll clothing (15 and 18 inch), embroidered towels, plastic bag holders, name tag holders, and much more.

Every item sold helps the club to serve our community by purchasing materials to create children's clothing (newborn to size 6) for the Luke Air Force Base Airman's Attic, sewing eyeglass cases (3,000+ needed each year) for Boswell Hospital and The Eye Institute, and other charitable work.

SewNSew meets Thursdays at 9:30a.m. at Lakeview Center, second floor sewing room. Teachers, friends and club machines (sewing, sergers and embroidery) adds up to fun for both beginning and experienced sewers. Anyone with a valid RCSC card is welcome to join. Annual dues are \$5. For more information, call 623-977-9460 or visit our website at www.sewnsew.info.

SewNSew appreciates fabric donations that help us serve our community. Donations are accepted Tuesdays and Thursdays from 9:30a.m. to 3p.m.

Best Friends Dog Club

The Best Friends Dog Club is celebrating 20 years as a RCSC charter club. Several of our members and their dogs have been active for years but the Club is actively seeking new members and dogs with ideas for social and training events.

Please visit our website at www.bestfriendsdogclub.org for a review of how the Club has evolved over the years and what has been accomplished by our dedicated volunteers and trainers. The membership meetings are held on the 3rd Tuesday of each month October through April in the Arizona Room # 1 at 9a.m. After a brief meeting, a guest speaker or educational program is presented for the membership to enjoy. Social functions are planned throughout the year so make sure to stay informed by attending the monthly meetings.

Registration for Fall training classes will be held on Tuesday, October 15th at 8:30a.m. at Fairway Arizona Room # 1. All new members must come to the meeting and bring their RCSC card and Rabies/License information for their best friend if registering for class. The Club offers a variety of classes such as Obedience, Rally, Agility, Drill Team, etc. It is a great way to exercise and socialize your dog(s) since they are an important part of active senior communities.

The Sun City Choraliers Prepare to Wow You

About 30 musicians gather every Monday from 8:30 to 11:00a.m. in the music room at the Fairway Recreation Center to rehearse music for the upcoming Holiday Season and share stories about summer vacations, family, and record summer temperatures.

The Sun City Choraliers welcome new members each year and invite anyone who enjoys singing beautiful choral music to join us on Monday mornings to sing with us and then decide if you would like to audition. We seek talented altos, tenors and basses to fill recent vacancies. A valid RCSC Card is required; annual club dues are only \$10.

The chorus performs throughout the Sun City community and two of the winter concerts will be free and open to the public. The first is at 3:00p.m. on December 5 at the United Church of Sun City on 107th Avenue, and the other is at 6:00p.m. on December 8 at American Lutheran Church on Del Webb Blvd. Many of your holiday favorites and perhaps some new, but equally entertaining arrangements, will be performed. So make a note on your calendar now and watch for our bulletins at the Recreation Centers. You do not want to miss the Choraliers concerts since their music is sure to please everyone and put you in the holiday spirit.

If you enjoy knitting, crocheting or crafting in other ways, we have a great suggestion: The Sundial Craft Club! Some members are experts and others are just beginners, but we all have a great time in fellowship and creating items for others. President Corrine Mlodzik and Vice President JoEva Schaefer lead the group in projects that benefit the New Leaf, Crisis Center (CPS), Phoenix Veterans Hospital, and Stitches of Love – all organizations that serve persons in need. Come by and visit us at the upper level of Sundial Center. The club meets Mondays from 8:00a.m. to 1:00p.m. and Thursdays from 8:00 to 11:00a.m. You will be dazzled at all the colorful items – crocheted slippers, lovely shawls, handmade book marks and lap robes to mention just a few. There are also craft items of beads, plastic canvas and embroidery. Membership dues are \$4.00 per year and new members are always welcome! Vegetable Gardening Opportunities Abound

Would you like to grow healthy, fresh vegetables for your table, but believe it's impossible to do so in our desert environment?

If so, we in the Garden Club would like to meet you. We are a hobby, social and philanthropic club devoted to the enjoyment of vegetable gardening in our low-desert environment. Members actively garden throughout the year in their backyards, patio containers and, soon to be a reality, our local community garden.

In the new community garden, we will organize in-ground and raised bed gardens for individual use as well as a common community garden on approximately one acre provided by EPCOR Water. During the year we offer educational programs and mentoring on a wide range of topics including plant selection, planting schedules, soil preparation, fertilizing, irrigation and pollination. Programs include roundtable discussions, home and commercial garden tours and expert speakers. And it's not all work without some play. Events include potlucks, annual citrus drive and social gatherings throughout the year.

Call 623-875-5921 or visit the Oakmont Club Office for the latest info and upcoming events. We're open Monday, Wednesday and Friday from 9:00a.m. until noon. Or send us an email: gardenclubofsuncity@gmail.com or visit our website at www.sunaz.com/garden-club/.

We also give money for getting a hole-in-one on designated holes.

We have many social events throughout the year including a pizza party, spring luncheon, Christmas party, etc. One of our yearly challenges is competing against Sun City West on their turf and then ours. We start with a fun pot luck breakfast and then play.

Setting the Record Straight by Bill Pearson

Continued from Page 3

Instead they looked at the history of Sun City and used a Del Webb technique incorporated in its earliest design. Every house he built had an impact fee attached to it. In essence he had the buyers pay for the amenities when they purchased their homes. In fact, each subsequent phase had higher fees as amenities grew more lavish. When he deeded them to the community, he simply gave us back what those owners had paid for at point of purchase (and got DEVCO out from under having to manage/run them).

It was in 1999 when the board passed what we now know as the Preservation and Improvement Fund (PIF). It started at \$700 and has increased to its present day \$3,000. The simple fact is the PIF has insured Sun City would never incur any debt because we pay for those improvements with cash in hand...hence no need to ask members to vote as we are incurring no indebtedness. It was a stroke of genius and done so as to avoid passing costs on to those least able to afford it. And, was almost identical as to how Webb funded Sun City's amenity package.

The second round of moaning is about how every member has to be treated "equally." Mind you, I love equality as much as the next guy, but ultimately we have to go to the written word to see what it really says (I am posting the often cited Article 8 Section 5 as the one that cries for equality) :

Article 8

5. The Bylaws of the Corporation shall prescribe the qualifications of Members and the terms of admission to membership, provided that the voting rights of all Members shall be equal and all Members shall have equal rights and privileges, and be subject to equal responsibilities. Such Bylaws shall also provide the method for determining assessments to be paid by the Members.

When reading it one can easily get caught up in some imaginary intentions but the language is clear on its face. The by-laws are the document that define

membership and determining assessments. Those are to be set by the board and cannot be in opposition to the Articles of Incorporation. It does say that the voting rights of all Members shall be equal (they are, one member, one vote) and all Members shall have equal rights and privileges (they do as their membership gives them access to the facilities, clubs and other amenities).

What it doesn't say is everyone will pay the same amount. I know some folks want it to say that, but the language giving the board the right to set the level of assessments is without question within their purview. The reality is during the life span of the RCSC, various boards have waffled back and forth on single lot assessments versus a per person payment. I personally hate to see that type of bouncing around and hopefully our current structure is the one we will stay with.

There's way more, but frankly I have devoted more time and effort to this discussion than it deserves. People have the right to disagree and to state their opinion, but doing so by posting half truths and portions of the documents is wrong (perhaps even more wrong than begging for money so we can sue ourselves).

Here is the bottom line in Sun City: We have been a self-governed community from almost our earliest beginning. There's been 1000s of Sun City residents who have given freely of their time and talents to make it what it is today. It has been an evolution of growth and change the experts said would be an abysmal failure. They were dead wrong, and after 53 years, we have stood the test of time and are arguably the best value in the country. We have the most amenities at the least cost and virtually every day we update them with little or no cost to those who have lived here the longest.

I hate to be blunt...but Sun City is that darned good.

Here is the link to the RCSC Articles of Incorporation that is online for anyone/everyone to see: <http://sunaz.com/articles-of-incorporation/>
