ISSUE #168 • OCTOBER 2015 • A PUBLICATION OF THE RECREATION CENTERS OF SUN CITY, INC.

Budget “Crunch” Gets Underway

Fall brings not only cooler temperatures and the return of snowbirds to Sun City AZ, but it is also the time of year that the RCSC Management Team is hard at work preparing next year's budget.

And each year the RCSC Board of Directors must give their final approval to these expenditures and ultimately the amount that the annual property assessments must be increased to cover these costs.

The repair and maintenance of RCSC facilities, which includes the recreation centers, golf courses, bowling centers and the Sun Bowl, can cost as much as \$3 million a year. The good news is that by maintaining and keeping RCSC properties in great shape, the desirability of Sun City AZ remains strong, protecting the value of our homes and attracting new buyers to the community.

While we all must adjust our finances on a personal level to cover increased costs and unplanned repairs, doing the same for RCSC facilities can sometimes be a daunting task. A modest

five percent increase in utility costs alone equates to \$135,000 or nearly \$5 for each and every home in Sun City. Cost of living salary increases for many RCSC employees, while extremely modest, adds up quickly when multiplied by the number of employees.

Providing first-rate entertainment has proven to be a top attraction to many Sun City AZ residents – but that too comes with a price. Budgeting for entertainer's travel and accommodations increases during the winter months as it does throughout Arizona. While every event requires set-up and tear down, there are also costs associated with decorations and staffing these events.

In addition, each year RCSC Chartered Clubs submit to the Assistant General Manager their “wish lists” of items that they would like to see budgeted for the following year which also have to be reviewed and evaluated.

Remaining debt-free is the driving force behind each and every budget while staying true to our mission – to provide the broadest range of recreational and social facilities possible to enhance the active lifestyle and well-being of Sun City AZ residents.

Board of Directors Election Update

Campaigning to Begin as Election Nears

Candidate packets for the upcoming RCSC Board of Directors Elections are due to the Corporate/Board Office no later than Friday, October 2, 2015 by noon. Once application packets have been deemed complete and signatures have been verified, candidates will be announced in the local media and the full slate of candidates and their qualifications will appear in the November edition of SunViews.

Candidates will be formally introduced at the Board/Member Exchange on Monday, October 12 in Social Hall #1 at the Lakeview Center and at subsequent Board Meetings and Board/Member Exchanges, where candidates will have tables provided to share informational literature about their qualifications.

Two candidate forums will also be held this year, allowing members to question candidates about their goals and expectations if elected prior to ballots being cast.

Forums are scheduled for Thursday, November 5 at 2:00pm at Fairway and on Tuesday, November 10 at 7:00pm at Marinette. Both sessions will have a meet-and-greet social one-half hour prior to the start of the forum.

Electronic voting for this year's election will begin online one month prior to Election Day (Tuesday, December 8, 2015). Safeguards that restrict each qualified member to only one vote will be in place and strict confidentiality will be maintained throughout the voting process.

By casting ballots online, RCSC Members will have the convenience of voting from any computer, anywhere – home, work, library – whether they are out of town or right here in Sun City AZ. For any members without access to a computer, in-person voting will be held at Lakeview Center on Election Day from 8am to 4pm.

Golf Report

Pro Shops

Total rounds are still behind prior year YTD, however July rounds increased from prior year. Total rounds played in July exceeded 14,000, the first time they have done so since 2012. For the month 94% of rounds played were played by residents and their guests, which is only slightly under the YTD average. We thank all of our residents for supporting our RCSC golf courses.

Snack Shops

Snack Shop revenue benefitted from increased play, exceeding budgeted revenue by \$1,800. Normal Snack Shop closing time remains at 1:00 p.m., however hours can be extended should the demand arise. We are very excited with the ongoing renovations to the Riverview patio and are eagerly awaiting the reopening.

Courses

Palm tree trimming began at Willowcreek and is continuing throughout all the courses, with the exception of Riverview. Palm trees at Riverview will be trimmed closer to the reopening. Due to the grow-in, many areas remain too wet for the large trucks performing the trimming.

The Riverview project is fully grassed and remains on schedule for a November 14 reopening. The greens are continuing their fertilization program and are responding as expected. Greens are currently mowed six times per week. In addition the greens are top dressed with USGA greens one to two times per week. Some areas that are not responding to sprigging will be sodded. In September fairway lines will be painted out in preparation for the AGA and AWGA course rating teams.

The greens at Riverview will not be over-seeded this year and newly sodded/sprigged areas will be firm. The greens will putt well when first opened but will be hard, especially late Winter and early Spring of 2016. Conditions at Riverview will closely resemble those experienced at North. Conditions will remain firm until enough organic matter is built up in the soil.

We are about a month away from beginning over-seeding on all courses. As a reminder we have pushed back the start of over-seeding to the first full week in October. We are hopeful that the later start will provide cooler and more favorable growing conditions for the winter grass, helping us to avoid the challenges we faced last year.

Lawn Bowling/Grounds

The Lakeview renovation continues on schedule. The greens are mowed four times per week. The height of the greens is lowered in small increments which help the plant to grow laterally. The greens are fertilized and top-dressed weekly.

Lawn bowl greens at the other centers are receiving light weekly fertilizations. They have been aerated during the summer with hollow tines and on a more frequent basis with solid tines.

Grounds and Centers are going through normal summer trimmings. This fall we will spray a pre-emergent around all centers for Winter and Spring weeds. This process will prove to be less labor intensive than tackling weed problems as they arise.

RCSC Bowling Centers Get New Look

Both RCSC Bowling Centers recently received upgrades to their floors, maskings and countertops. The project started in late August due to other contractor obligations and RCSC's commitment to scheduling upgrades without closing the centers (whenever possible) and during times when it would cause the least amount of disruption for league and open play bowlers.

The maskings (shields that cover pinsetters) were replaced with a southwestern theme from Brunswick Corporation. The flooring at both bowling centers has replaced with a wood grain type material similar to what was installed in the Lakeview Center Social Halls. The countertops were removed and replaced with two eight-foot tables purchased from Murrey International Bowling. The tables replacing the countertops will serve as tables for bowlers on the concourse side and countertops from the bowler's area side; the tables also have storage for house balls.

As we promised, the bowler's area seating was expanded to provide more room between the spare bowling ball racks allowing bowlers more room to pass in the bowler's area.

SCBA Annual Meeting - October 10

The Sun City Bowling Association (SCBA) will hold their annual membership meeting at 9:00 am on Saturday, October 10 at Bell Center (Social Hall #1). Free donuts and coffee provided. This year representatives from Vital Signs Pro Shop will be the guest speakers and will host a Storm Products bowling ball demo and clinic at Bell Lanes following the meeting.

A Moment with President Schroeder -

Volunteer & Join an RCSC Committee

Are you looking for ways to share your ideas? Do you have a recommendation that you would like presented to the RCSC Board of Directors? Why not volunteer to join one of the ten standing committees and be a part of the process? No experience is required, only a commitment to serve.

Standing Committees meet monthly (except in July and August) in the Lakeview Board Room unless otherwise noted and are always looking for volunteers. Whether you have an area of expertise from your previous career or would just like to get more involved and have your voice heard, stop by as a guest and find out more.

While standing committees have no decision making authority, recommendations from each committee are presented to the RCSC Board of Directors by the Committee Chair and/or Co-chair during work sessions.

Here's a brief description of each committee along with the current Board Members who serve as chairs. They would be happy to discuss their committee with you if you would like additional information should you wish to contact them directly.

Bowling (Chair Ron Jesse, Co-chair Rich Hoffer) – Assists in the promotion of bowling by maintaining interest in the game and encouraging fellowship amongst bowlers in the community. Recommended changes may include bowling policies, fees, operations and facilities.

Club Organization Committee (Chair Carol Lawry, Co-chair Ida Eisert) – Commonly referred to as the COC, the purpose of this committee is to support RCSC Chartered Clubs, promote and encourage participation in clubs and assist with club member disciplinary issues when necessary.

Elections (Chair Mike Kennedy, Co-chair Carol Lawry) – This committee is responsible for recruiting a sufficient number of candidates for the annual RCSC Board of Directors election, conducts candidate forums, and ensures that elections and recall elections are conducted pursuant to Corporate Documents.

Entertainment (Chair James Brasher, Co-chair Rich Hoffer) – Previews and recommends to Management entertainment for the Sun Bowl concerts and free Sundial summer shows. They also critique performances afterwards, evaluating audience response and recommend if acts should be requested to return.

Finance, Budget & Audit (Chair Mike Kennedy, Co-chair Ida Eisert) – Reviews financial statements to determine financial performance year-to-date of the operation compared to budget and previous year, advises the Board of any concerns regarding financial operations and makes recommendations regarding the annual operating and capital budget.

Golf (Chair Ron Jesse, Co-chair James Brasher) – Assists in the promotion of golf by maintaining interest and encouraging fellowship amongst golfers while gathering input from community members. Recommended changes may include golf policies, fees, operations and facilities. This committee also directs each golf course's Green Committee.

Insurance (Chair Dave Wieland, Co-chair Carol Lawry) – Reviews and recommends to the Board insurance requirements and

adequate coverage and selection of brokers, agents, carriers which are reviewed regularly based on service, bid proposals, and recommends any changes or additions.

Lawn Bowling (Chair Ida Eisert, Co-chair Peter Lee) – Assists in the promotion of lawn bowling by maintaining interest and encouraging fellowship amongst lawn bowlers while gathering input from community members. Recommended changes may include lawn bowling policies, fees, operations and facilities.

Updates

Financial Report:

Since there is no monthly Board meeting in the month of August, I will include the Treasurer’s report information in my monthly report. The balance of unrestricted funds as of July 31, 2015 was \$10,151,176 which includes a \$2.5M cash reserve. Restricted funds include the Preservation and Improvement Fund (“PIF”) and the Capital Reserve Fund. As of July 31, 2015, PIF had a balance of \$3,277,686 plus \$573,472 collected in June that was transferred into the PIF account the first part of July 2015. The Capital Reserve Fund had a balance of \$5,000,044 as of July month end.

We have completed July 2015 well within our operating and capital budget year-to-date. Matter of fact, every division has a net operating positive variance from budget.

Investment Report 2nd Quarter 2015:

RCSC’s Investment Policy (Board Policy 33) is stringent in its requirements with the priority of investment objectives to be placed in this order: 1) safety, 2) liquidity, and 3) yield.

At the end of the second quarter, \$2,470,461.70 of the \$2.5M unrestricted cash reserve has been invested in various FDIC insured certificates of deposit.

As of June 30, 2015, RCSC had invested \$4,960,798.56 of the \$5,000,044 in the restricted capital reserve in various FDIC insured certificates of deposit.

Bowling:

The bowling department recently confirmed two additional tournaments for RCSC bowling centers. The Metro Phoenix USBC Valley of the Sun Senior tournament will be hosted by Lakeview Lanes and Bell Lanes on the weekend of October 24, 2015. The Metro Phoenix USBC Senior Open Championship will be hosted by Lakeview Lanes and Bell Lanes on the weekend of January 16, 2016. These types of tournaments are an opportunity for us to showcase Sun City and the RCSC bowling centers in addition to producing additional income, which helps keep cardholder prices low and competitive.

Cardholder Services:

Payments on past due assessments continued strong in July and were 25% higher than the average for the prior 12 months. Overall past due assessments offset the increase in June and decreased in July by 2.5%. The increase in Over 30 day balances in June flowed through to Over 60 day balances in July. The 30 Day past due rate has crept up and was greater than the 12 month average for the past year. Year to date payments from our third party collections firm are \$68,806.

Total accounts receivable decreased slightly in July by 1.0% with the most significant change being the flow of balances from Over 30 Days past due to Over 60 Days past due. Also noteworthy, the Over 90 Day past due balances are down 12% from the beginning of the year and are at its lowest level since September 2013. In July property transfer related balances increased by 4% and lender owned related balances increased by 27%. The balance flow for these two categories has bounced the past several months showing the unpredictable nature of these types of balances. Out-

standing balances related to property transfers now represents 51% of all receivables due and down to 48% of past due balances.

Payments made by Cardholders through the online RCSC Web Portal in July totaled \$52,753. Year to date payments through the web portal are \$425,621 and represent 3.4% of total payments.

Trustee sale notices on Sun City properties increased to 47 properties at the end of July. The number of properties owned by lending institutions increased as well in July and is now at 39 properties.

Preservation and Improvement Fees collected in July were \$573,472, which is \$273,472 over the amount budgeted. Year to date PIF fees are \$4,166,520 which is \$1,625,520, or 64%, over budget for the year. Again a reminder that we intentionally budget PIF income

very conservatively to assure that we have the cash on hand for planned projects as we remain debt free.

A reminder that the Cardholder Services and Member Services offices have been relocated to Social Halls 2 and 3 on the second floor at Lakeview Center while the office space for these areas is being renovated.

Human Resources:

Renewal of employee benefit plans is fast approaching for RCSC. In preparation, we met with our Willis brokers last week regarding renewal of Medical, Dental, Life, and Long & Short Term Disability Plans.

We were informed that we have 35 large medical insurance claims during this year with 6 of those being over \$50k. Final numbers are not yet available since renewal notices are not provided until October 1st. We are expecting a more than normal increase

in medical premiums and will be looking for ways to make this affordable for employees as well as RCSC during the negotiation process. Medical coverage has been provided by BCBS for several years and we have been satisfied with the coverage and the service provided.

During the renewal meeting, a decision was made to place the dental coverage out for bid this year due to some service deficiencies.

When our benefit plans have been finalized for 2016, we will hold informational open enrollment meetings for all eligible employees. We have made the decision to continue our Wellness Program through Biometric Screenings. The intent of the program is to raise each individual’s awareness of his/her own health status with the long term goal of a healthier workforce which impacts medical premiums.

Project Updates

Lakeview Center / Lakeview Lanes / Viewpoint Lake / Duffeeland

- Duffeeland Dog Park major renovations are completed and the dog park was reopened on August 20, 2015. Contractors were Wadsworth Construction, Double R Masonry, B&C Tree, CCBG Architectural and Sav-on-Fence. (Cost – \$136,213)
- Replacement of the deteriorated vinyl siding on the second level at Lakeview Center is now completed. (Cost – \$16,700)
- The lake wall repairs around Viewpoint Lake are nearing completion. After a boat trip around the perimeter on July 21 all the recent repairs to the lake wall look good except one by the 103rd Ave overflow and a new location on the West wall. Contractor is Waterworks by George. (Estimated Cost – \$10,000)
- Lakeview Center and Lakeview Lanes parking lots were seal-coated and re-stripped. Contractor was Swaine Asphalt. (Cost – \$22,511)
- The cardholder services and clubs offices are currently undergoing a complete renovation which includes complete demolition, new framed interior walls, ceilings, LED lighting, flooring, automatic entry doors and some furniture. Contractor is Ken McIntyre Construction, Accel Electric, CCBG Architectural, D.H. Pace and Resource Flooring. (Cost – \$171,206)
- Remodel work is currently underway at Lakeview Lanes. The work includes removal of all the old ball racks and counters, replacement of flooring in the bowler's area and installation of new counter tables with "house" ball racks. Contractors include DFG Builders, Resource Flooring and the RCSC Skilled Trades Team. (Cost – \$55,248)

Sundial Center

- Except for the walls surrounding the equipment building, the new Verizon cell tower and equipment building are installed and functioning. The contractor has informed me that a mold for the current style block had to be made before the block could be cast. This process has delayed the wall construction, but he assures me that he will make the installation of the block a priority and expects to begin construction soon.
- The two assisted shower rooms have been remodeled and were reopened to cardholders on August 28. Contractor was Robert Porter Construction. (Cost – \$49,074)
- The two new unisex ADA restrooms in the lobby area of Sundial auditorium are progressing very well. The restrooms are complete except for the installation of sinks, toilets and some punch list items. If all goes well, the two new ADA restrooms will be opened for cardholder use in approximately two weeks. Contractor is DFG Builders. (Cost – \$49,848)
- The Sundial pools and spas will be closed beginning September 7 for approximately 14-18 days so new LED overhead lighting can be installed. Contractor is Harmon Electric. (Cost – \$52,500)
- Sundial Center parking lots were seal-coated and restriped. Contractor was Swaine Asphalt. (Cost – \$20,864)

Bell Center / Bell Lanes

- Bell Center parking lots were seal coated and restriped. Contractor was Swaine Asphalt. (Cost – \$44,519)
- Remodel work is currently underway at Bell Lanes. The work includes removal of all the old ball racks and counters, replacement of flooring in the bowler's area and installation of new counter tables with "house" ball racks. Contractors include DFG Builders, Resource Flooring and the RCSC Skilled Trades Team. (Cost – \$47,812)

Fairway Center

- Shutdown of the fitness room, pools and walking track occurred on August 24 and is expected to last until August 31, which allows staff and contractors to complete needed repairs, perform maintenance work and thoroughly clean this portion of the facility.
- Contractor bid proposals have been received and bid commission approval obtained for the construction of a shade canopy and installation of artificial grass at the Best Friends Dog Club training facility. Unfortunately, the structural engineering for the shade canopy was not correct and had to be resubmitted for corrections. As soon as the engineering is completed again, the architect will submit this project to Maricopa County Planning and Development Department for the building permit. Contractors include Arizona Bag and Shade, Sun Burst Landscaping, and CCBG Architectural. (Cost – \$80,909)

Mt. View Center

- Ninety-six thermal solar panels at Mt. View Center are scheduled for replacement. The project also includes the replacement of some 4" piping and upgrades to the electronic controller. Contractor is General Solar. (Cost – \$37,614)

Riverview Pro Shop Building

- The Riverview pro shop, patio and building renovation project is nearing completion with only a few things left to do, such as installation of a new service counter in the pro shop, epoxy coating of the patio slabs, reinstallation of offices, installation of interior and exterior furniture, display cases, parking lot seal-coating and re-stripping, deep cleaning of the entire facility and passing the final building inspections. Contractors include Ken McIntyre Construction, Accel Electric, Regional Paving and CCBG Architectural. (Cost – \$524,236)

Skilled Trades Department

- The RCSC Skilled Trades department completed 174 work orders during the last two weeks of July 2015 and the first two weeks of August 2015.

Centers Operations Report

- We recently hired Michael Janicki to fill the South Area P.M. Supervisor position. He will supervise Lakeview, Oakmont, Fairway and Mountain View Recreation Centers. He will also oversee the utility staff at North, Quail Run and South golf course pro and snack shops.
- New patio furniture has arrived at the Bell Tennis Center. There are now 12 tables and 48 chairs under the big awning, available for relaxing and socializing between tennis matches.
- Additional lighting has been installed for the disco ball in the Bell Social Halls. This will greatly enhance the ambiance when it is turned on during special events and dances.

Updates

(continued from page 8)

Group medical plans must cover essential health benefits and meet actuarial value requirements and be rated according to the Affordable Care Act rating methodology. BCBSAZ has been capturing this information annually in renewal paperwork and requires each employer to complete a group size questionnaire. RCSC has provided this information for the 2016 renewal.

Member Services:

There are still tickets available for The One Hit Wonderfals at Sundial on October 17. Come hear all the hits that topped the charts and put many of these performers on the map. Tickets are \$13 for RCSC Cardholders and are available at the Clubs Office, which is currently located in Social Hall #2, on the second level of the Lakeview Recreation Center.

Would you believe the fall Sun Bowl series kicks off Sunday, September 27th at 7:00pm? The original Tokens will perform their chart topping hit "The Lion Sleeps Tonight," which sold over 15 million copies world-wide!

In our efforts to improve customer service and better accommodate Cardholder expectations, RCSC is pleased to announce that all seating at 2016 Sundial ticketed shows will be reserved. We will limit seats to 1,466 and there will be a choice of theatre seating or table seating. Gourmet food trucks will be available starting 1-1/2 hour before the show. Season tickets, which will be available from November 2-30, are being sold to RCSC Cardholders only for the unbelievable price of \$154. That is only \$14 for each show (11 shows total). Season ticket holders will have the same seat guaranteed for every show. Imagine no more waiting in long lines for doors to open. The Member Services/Clubs office has been relocated to Lakeview Social Hall #2 on the second level of the Lakeview Recreation Center. The original office space is being renovated so we can serve you more effectively. Please understand that we are still available for all services during this time. However, club copies may take a few days turnaround time, so clubs have been asked to plan accordingly. All current contact information such as email addresses and phone numbers remain the same. Thank you in advance for your cooperation and patience.

Friends of the Library

Fall is here! Hooray! Let’s hear it for Fall! I really like summer. I do, honestly. But I am very happy that Fall is here, again. Cooler. Less humidity. Our snowbird friends are coming back or are here already. More people on the golf courses! Anyway, those of us who stayed for the summer are happy to have September and October back again. Try playing golf at noon in July.

I always try to remind you folks about our Book Buddy Program every month and it seems to have helped! Please keep those in mind who cannot go to the Library and need someone’s assistance. Those who are not able to leave their homes would be more than happy to be able to get into their auto or golf cart and drive to the Library. Just because they cannot go themselves, they still would like to have a puzzle, a book, maybe a DVD or audio book. Keep them in mind. When you go to the Library for yourself, it does not take much effort to pick up another item for someone else. Hope not, but maybe YOU may need the service at some time in the future and you would want someone to bring something to your home. Keep that in mind. Either way, if you need the service or want someone to bring something to your home, call the Friend’s Book Store at 602-651-2014 and tell the person who answers what you need.

Another thing to keep in mind – it is that time of the year that the Friends of the Sun City Library Book Store will be having many sales. We have many books, both hardback and pocket, puzzles, DVDs, CDs, VHS (yes, we still have quite a few of those oldies), and audio books. Our “Friends” keep us supplied. They will not let us run out of material. Just when we think that we are running low on something, we receive a phone call asking us to pick-up books or something else. A couple of months ago, a friend called and said that they had ‘some’ VHS tapes that they wanted to donate to the Library. Boy, did they! Think there were 12 boxes! Keep an eye open for these sales. I do not have any dates yet or what the sales will consist of, but Mary Anne tells me that she will be scheduling some very good ones come October and November.

The Bell Library will have a class on Windows 8 on October 2, 9 and 16 (Fridays) from 1-2:30pm. Bring your own Windows 8 device, either a tablet or a laptop.

They will be showing the movie “October Sky” on October 8 from 1:30-3:30pm. Very interesting movie about a coalminer’s son who becomes a NASA engineer! The movie is being shown as an introduction to the fiction book club’s discussion of “October Sky” by Homer Hickman at their meeting on October 22.

Interested in your financial situation? October 9, 16 and 23 we will be having discussions about budgeting, credit and debit and how to reduce debt. Space is limited so registration is required.

On October 14 from 2-3:00pm, the Bell Library will have an author Richard Corey to discuss his book, “Bloodline: the Doberman Family.” Copies of the book will be available for sale and signing by the author after the discussion.

How about “Healthy habits for a healthier you”? This program from the Alzheimer’s Association is for those wanting to learn more about this disease.

The last program on “Vulture Mine” will be held October 29 from 2-3:00pm. Learn about the first big gold mine in Arizona. This program will be in the Bell Center Social Hall.

The Fairway Library will be holding the usual programs throughout the month. Please call them at 602-652-3000 for times and dates.

Water Conservation Industrial Water Usage Adds Up

By now, we’re all doing what we can to help conserve water around our homes and our efforts will continue to pay off for future generations. However, a tremendous amount of water is used by industry and our consumption of these products creates a global impact on the water supply as well.

Can you match up the item in the first column with the amount of water it takes to produce it?

- | | |
|---------------------------|---------------------------|
| 1. 1 apple | a. 16.5 gallons of water |
| 2. 1-12 ounce can of soda | b. 54 gallons of water |
| 3. 40 sheets of paper | c. 100 gallons of water |
| 4. 1 glass of milk | d. 17.5 gallons of water |
| 5. 1 hamburger | e. 500 gallons of water |
| 6. 1 pound of chicken | f. 633 gallons of water |
| 7. 1 loaf of bread | g. 120 gallons of water |
| 8. 1 egg | h. 1,800 gallons of water |
| 9. 1 gallon of gasoline | i. 97 gallons of water |
| 10. 1 pair of blue jeans | j. 150 gallons of water |
| 11. 1 cotton t-shirt | k. 400 gallons of water |

Some of these amounts are pretty amazing; a way we rarely consider our water footprint. Maybe we should buy less, be sure to consume what we buy and consider donating used items such as blue jeans and t-shirts to help conserve our water resources in more ways than making sure our pipes and faucets don’t leak.

Think of it as being “additional to the traditional ways to conserve.” As we’ve said before, “Every drop counts!”

Sun City Gives Back -

Bell Stitchers "Sew" Blessings on Many in Community

Imagine the heartache of a school girl who doesn't own a dress for the special field trip her class is scheduled to take. Or the child who has an "accident" during school day.

One of the area schools fortunate to be the recipient of the Bell Stitchers generous donations of hand-sewn clothing for children with such needs this year is Sunset Vista Elementary in Glendale. And school nurse Heather is the "keeper of the closet."

"We are so blessed," she exclaimed as the seamstresses brought in armload after armload of outfits in sizes ranging from pre-school to young teens. The club also donates underwear, tee-shirts, socks and school supplies to kick-off the school year.

Since 1978, Bell Stitchers has been sewing their way into the hearts of school administrators and local children throughout the West Valley, including schools in El Mirage, Avondale and Glendale.

With donated fabrics neatly stocked in a cupboard, Bell Stitchers sews over 700 outfits annually to be donated. In addition, they

make and deliver lap robes and blankets to area nursing homes and a local pregnancy crisis center.

All proceeds from club room sales (located in the Bell Arts & Crafts Village complex), in addition to the annual Sun City Arts & Crafts Festival, are donated back to the club to purchase machines, supplies and materials.

Several monetary donations are also made by the Stitchers annually to local service organizations including Meals on Wheels, Hospice of the Valley, Habitat for Humanity, Valley View Food Bank, the Sheriff's Posse and the Sun City PRIDES.

One could say that Bell Stitchers are "sewing" their way into the hearts of many with these acts of charity. And the community is truly blessed by their generosity.

"...As the pieces come together, help me sew seams that are straight, so that nothing tears apart or unravels; and when it does, show me where and how to patch with just the right touch..."

Center: Helen, a yoga club member, is demonstrating a "seated twist" in CHAIR class. The "twist" is performed in yoga for the continued health of the spine and abdominal organs.

Right: Yoga club member, Ursula, is shown performing a "chair plank" in Chair class. This position builds core strength and is one of the most useful poses for body toning.

Fairway/Mountain View Lawn Bowl

Do you enjoy sunshine and outdoor activities? Do you want to have fun while getting some exercise? Try LAWN BOWLS...the sport for all ages.

Lawn Bowls is a fun and friendly game suitable for all ages and most all physical conditions. It is a very unique sport with the objective to roll a grapefruit-sized resin ball, known as a "bowl" on a flat green trying to get closest to the target ball, known as the "jack." The fun part is that the bowls are slightly lopsided and curve when rolled, making it all the more interesting. Men and women, young and old, ex-jocks and ex-loafers all compete on an equal footing. It is easy to learn and challenging to be good at.

Fairway/Mountain View Lawn Bowls Club is proud to have two wonderful venues. At Mountain View Recreation Center we have the beautiful natural grass greens, while at Fairway Recreation Center we have state-of-the-art artificial carpet greens. This carpet is prized because there are no imperfections to alter the course of your bowl. In fact we are happy to host on our "carpet" the Qualifying Trials for the World Bowls Competition which will be held April 2-6, 2016. Come watch this special event featuring the best bowlers of all ages from all over our country, including Sun City.

We encourage visitors, spectators and potential bowlers at all of our events. We try to have a member available to greet you and share with you our knowledge of, information about and enthusiasm for this great outdoor activity. Open to all RCSC Cardholders. Drop by and say hello and stay awhile, or contact 928-853-6991 for more information.

Come see if the grass is greener on our side of the fence!

Senior Softball Club

Did you know there is a regulation-sized softball field in Sun City? That nearly 500 senior softball players (men and women) utilize the field on an almost daily basis? It is located behind the Sun Bowl Amphitheater, off of 107th just a block south of Peoria Avenue.

There are 34 League teams (American, Central and National) which play Mondays, Tuesdays, Thursdays and Fridays from 8:30a.m. to 4:30 p.m. in two sessions: late October to mid-January and January to mid-April. Snowbirds are welcome. Three summer sessions accommodate year-rounders' vacation schedules and games begin at 7:00 a.m. There are also seven Coed teams, (Fridays), six Seventies teams (Saturday mornings) and the "Hot Flashes" women's team (Saturday afternoons).

Whether it's been a few years since you played or you have never played but would like to give it a try, (even if you don't have a glove) - it's no problem. Drop by the field, check out the bulletin board and chat with someone. Start getting serious on Monday at 8:30 a.m. with the Green Team (rookie) practices. New players must participate twice before team assignment. Need more time to get in shape? Come early to the 7:00 a.m. practices.

Join the Sun City Senior Softball Club any time; pay registration fee, dues, attend Green Team practices, then get a uniform and team assignment. A valid RCSC recreation card is required.

Friday Night Singles Dance Club

When was the last time that you attended a dance? Did you have fun? What was your favorite dance? Jitterbug, or maybe the Waltz? The Jitterbug is now called the Swing. Whether it's the Swing, Waltz, Foxtrot, or any of the Latin dances, we still do it all, at the beautiful Sundial Auditorium.

When you step through the door, you will probably be reminded of some of the great ballrooms of long ago. Sundial has one of the best dance floors in the entire Valley. And talk about music - this is where singles and couples come to hear some of the best live dance music in the region. Whether you love to slow dance or you are an accomplished ballroom dancer, or somewhere in between, you will love the Sundial Ballroom.

Friday evening dances begin with a Foxtrot at 7:00pm and usually end with a Waltz, at about 9:45pm. If you are a beginner or would like to learn a few new steps, we encourage you to take the free dance lesson offered before each dance. The 50 minute lesson begins at 6:00pm. Admission cost is \$5 for members and \$7 for escorted guests. Annual club membership/participation is \$3 and is open to all RCSC Cardholders.

Sun City Women's Chorus

The Sun City Women's Chorus is back from its summer hiatus and is busy rehearsing for its upcoming holiday concert. Ours was the first chartered musical group in Sun City. We've been making music and performing for 53 years!

Currently the Chorus has 70+ members, and we are always looking for more! You do not have to audition, but it is helpful if you can read music. Our members come from a wide array of musical backgrounds: professionally trained voices, former music and band directors, church choir members, and women who simply love to sing four-part harmony. We really are a fun group! Our Director is well-known West Valley vocalist and musician, Jane Higgs. We rehearse every Thursday from 8:30 to 11:00am in the Music Room at Fairway Recreation Center.

We perform two major concerts each year. Both are held in the auditorium at Sundial Recreation Center. The Holiday Concert will be Sunday, December 6, 2015 at 2:00pm. We will be joined by several instrumentalists to enrich the listening experience. The Spring Concert will be on April 10, 2016. For more information, contact Sandy at 623-933-7647.

Tips for Seniors from Daily Fitness -
Warm Up Before Your Workout

“A warm-up is an important part of any exercise session,” states Jane Fortier, Daily Fitness personal trainer. “A warm-up prepares the body and mind for the work ahead and helps reduce the chance of injury. It can be a casual walk on the treadmill, or involve dynamic movements such as calisthenics.” Although a warm-up lasts only three to eight minutes, it provides the following significant benefits.”

- **Body Temperature:** A warm-up helps raise body temperature, potentially improving calorie-burn efficiency.
- **Muscle Pliability & Oxygen Delivery:** A warm-up increases the flow of blood through body tissues, making muscles more pliable and less likely to tear. Nutrients and oxygen are delivered to prepare the tissue for maximum performance.
- **Coordination:** A warm-up primes the central nervous system, so nerve-to-muscle pathways are clear and ready for action.
- **Mental Preparedness:** A warm-up can help separate an exercise session from the stress of the day, which leads to better workouts.
- **Exercising Longer:** A warm-up allows energy systems to gradually adjust to increased demands. Lactic acid build-up is better regulated, resulting in a longer and harder workout.
- **Joint Safety and Core Activation:** A warm-up can increase the range of motion in joints, specifically knees, hips, ankles and shoulders. A WARM-UP that involves the spine, glutes, hip flexors, abdominals and back muscles stabilizes the core for movements that follow.
- **Overcoming Physical Objections:** A warm-up is a test-drive for the body, following illness or injury. If the body feels weak, or the injury nags, the workout should be skipped.

Virginia Nelson uses dynamic movements at the ballet bar, for her workout Warm-Up, at the Marinette Fitness Center.

A warm-up is only the beginning of a good exercise program. Daily Fitness trainers are experts at creating workouts that include all of the essential parts of exercise: Warm-Up, Aerobic, Strength, Flexibility, Balance. To find out more about working with a Daily Fitness personal trainer, call 623-256-7901, or visit DailyFitnessLLC.com.

LaTouch Wellness Massage Therapy Shares...
Myofascial Energetic Massage

The application of Myofascial Massage is a soft tissue therapy technique, which is complementary medicine therapy that aims to relax contracted muscles, improve circulation and relaxes the nervous system. Myofascial Energetic Massage is a very effective technique that involves applying gentle sustained pressure into the connective tissue. The primary goal of a Myofascial Energetic Massage is to stretch and loosen the fascia so that it and other connecting structures can move more freely.

The Fascia is a very thin, tough yet elastic type of connective tissue that is wrapped around most of the structures within the human body, including muscles. It is the fascia tissue that supports and protects, the soft tissue of the body and can become restricted due to overuse, trauma or inactivity, often resulting in pain and muscle tension. Although fascia and its corresponding muscles are the main targets of myofascial Massage, other tissue may be addressed as well, including connective tissue.

Normal myofascia should feel pliable and elastic. Focusing on areas that feel rigid or tight, the therapist will begin massaging and stretching the areas of the body that feel rigid with a light manual pressure. Introducing the Myofascial Massage in an attempt to bring about changes in the myofascial structures by stretching or elongation of the fascia, to begin the mobilizing adhesive tissues. The practitioner moves slowly through the layers of fascia until the deeper tissues are reached. This is a holistic system which manipulates fascia, connective tissue and other soft tissue structures, movement education and bringing the body into balance is the goal. Myofascial stretching in one area of the body can be felt in and will affect the other body areas.

Myofascial massage techniques focus on reducing pain by erasing the tension and tightness in trigger points. Pinpointing the exact trigger point responsible for the pain can be difficult and that is why myofascial massage techniques often covers a broad area of muscle and tissue rather than single points.

Joe Gordon, left, says: *Laura's massage techniques relaxes me as well as helps my body heal. The Myofascial Energetic Massage greatly reduced the pain I had been experiencing in my right wrist. When I receive a massage after exercising it helps my sore muscles recover faster. Laura has given me reflexology sessions which I feel have contributed to lowering my diabetic A1c levels. Laura's massages provides great benefits.*

LaTouch Wellness Massage Therapy is located within the Fairway Recreation Center, 10600 W Peoria Avenue. Join us for 1st Monday of the Month Chair Massage Sessions. October 5, 2015 Only \$10 for 15 minutes All RCSC members are encouraged to RSVP by contacting Laura at (623) 201-0378.

Did you know?

Water can intensify perfumes & colognes!

Think twice before giving yourself that extra spritz or two before heading off to the pool.

Your fellow swimmers will thank you!
