Ad Hoc Committee Takes on “Grand” Property

Upon receiving many applications and conducting interviews with all interested RCSC Cardholders over the past few months, the Board of Directors intend to approve eleven Members at their September Board Meeting to serve on the ad hoc Long Range Planning Committee, which is being convened to make use recommendations for the recently purchased property at 10415 West Grand Avenue.

Continued demand for additional space prompted the purchase this past spring and many in the community are excited to have a new facility to meet RCSC Cardholder needs.

Upon closing on the property, the long-vacant site was cleaned and secured. Now the real work begins.

The committee includes both full and part-time residents, long-time members and more recent arrivals. Many have experience with the planning process and are committed to having community involvement as this project moves forward.

“I think the selection committee has put together an outstanding group of individuals, with varied backgrounds, who have a tremendous work ethic and vision. I am excited to be able to work with

these people to help determine a direction for this property’s use. Sun City has long sought additional property to expand and grow and this property fits that bill,” stated RCSC Board of Directors Vice President Rich Hoffer.

Town Hall-style meetings will be announced when scheduled and your input will be important as Sun City AZ continues to look towards our future.

Sundial Ticket Sales Begin November 1

Back by popular demand, reserved seating for all Sundial ticketed shows returns for 2017. With a superb line-up of entertainment, season tickets for the entire series go on sale Tuesday, November 1, 2016 which includes all 11 shows for the unbelievable price of \$154 (that’s only \$14 per show).

Series tickets will be on sale during the month of November only and may be purchased by RCSC Cardholders only (limit of one series/season ticket sale per card and all cards must be presented at the time of purchase).

The Gold Dot entrance at Lakeview Center will open at 5:15am on November 1, when Cardholders will be issued numbers prior to ticket sales beginning at 8:30am when the Clubs & Activities Office opens. This will afford Cardholders the ability to save a place in line and return later to make their purchase. It should be noted that anyone arriving at the office after their number has been called will not be served and must begin process over.

Tickets for individual shows go on sale starting Thursday, December 1 to RCSC Cardholders only for \$17 per person. Ticket sales to non-RCSC Cardholders will be available starting January 2, 2017 for \$20 per person should any tickets remain.

For more information regarding the 2017 Sundial Concert Series, turn to page 3.

Shown: Two of the items raffled off by silent auction for RCSC staff during demolition within the Grand Ave. property raised \$201.50, which will go to this year’s Holiday Celebration charity, the Sun City Foundation.

Oakmont Changes with the Times

Starting with a pool remodel over two years ago specifically intended for water sports, the Oakmont Recreation Center has seen a great deal of renovation, concluding with the completion of the auditorium and patio space. New exterior stucco, paint and decorative rock accents complete the updated appearance at Sun City AZ’s very first recreation center. Stop by and have a look!

Board of Directors Election

Candidates to be Announced This Month

2016 is turning into a big election year, not only across the nation but right here in Sun City AZ as well.

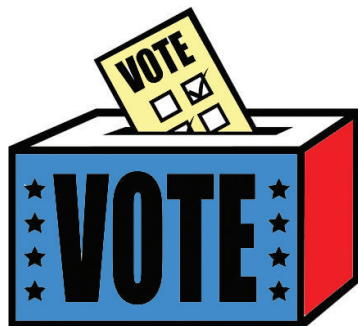

With candidate packets for the upcoming RCSC Board of Directors Elections due to the Corporate/Board Office no later than Friday, September 30, 2016 by noon, the race for your vote starts counting down. Once application packets are deemed complete and signatures have been verified, candidates will be announced to the local media and directly to Cardholders who receive RCSC News Email Alerts. The full slate of candidates along with their qualifications will also appear in the November edition of SunViews and on the RCSC Web Portal once online voting begins.

This year, RCSC Members will be voting for four director positions in total. The three full 3-year term positions are for those seats being vacated by RCSC President Dan Schroeder, Treasurer Michael Kennedy and Director Peter Lee. Those elected will serve through 2019. In addition, the candidate with the fourth number of votes (providing it is at least 100) will complete the term of the recently vacated board position (through 2018).

Candidates will be formally introduced at the Board/Member Exchange on Monday, October 10 at 9:00am in Social Hall #3 at the Lakeview Center and at subsequent Board Meetings and Board/Member Exchanges, where tables will be

provided for candidates to share informational literature about their qualifications.

Two candidate forums will also be held this year, allowing members to question candidates about their goals and expectations if elected prior to ballots being cast.

**RCSC Board of Directors Election
Tuesday, December 13, 2016**

Candidate forums are scheduled for Thursday, November 3 at 2:00pm at Fairway and on Tuesday, November 15 at 7:00pm at Marinette. Both sessions will have a meet-and-greet social one-half hour prior to the start of the forum. These forums provide candidates an opportunity to debate the issues and answer member questions.

Electronic voting for this year's election begins online one month prior to Election Day (starting Monday, November 7

at 8:00am). Safeguards that restrict each qualified member to only one vote will be in place and strict confidentiality will be maintained throughout the voting process.

By casting ballots online, RCSC Members will have the convenience of voting from any computer, anywhere at any time – from home, at work, or from a public library – whether they are out of town or right here in Sun City AZ. For any members without access to a computer, in-person voting will be held at Lakeview Center on Election Day (Tuesday, December 13, 2016) from 8:00am to 4:00pm. In addition, RCSC Members may cast their vote using an absentee ballot, which can be requested from the Corporate Office beginning on November 7 and must be returned by Election Day.

Stay involved and do your part. Participate in the RCSC Board of Directors election process. Meet the candidates and attend the forums. And most importantly, vote!

Remember - those elected will be leading RCSC into the future. Your future and the future of Sun City AZ.

REMINDER: Night Board Meeting - Thursday, October 27 at 6:30pm, Fairway Recreation Center in Arizona Rooms 1 & 2. Social time begins at 6pm where you can meet with candidates.

Golf Report

Pro Shops
Total rounds for July fell behind prior year, both for the Month and year-to-date; however, total revenue remains well ahead of prior year and budget. For the month of August, 95% of rounds played were played by residents and their guests, which is only slightly under the year-to-date average. We do understand that due to the conditions at North and transition issues on the other courses our residents took some of their business outside of Sun City. We do appreciate the support and patience of those that continued to play our courses.

We currently have 70 participants signed up to participate in our “Patriot Day” golf event on September 2. This slightly behind our 84 participants from last year, and we are hopeful to pick up a few last minute entries prior to the date of play. “Patriot Golf Day” was organized with the help of PGA of America to raise funds for the Folds of Honor Foundation. The money raised is used to fund scholarships for spouses and children of military service men and women killed or disabled while serving our country.

Snack Shops
Snack Shop revenue missed budget slightly, but continues to exceed budget year-to-date. Snack Shops continue to have a regularly scheduled closing time of 1:00 p.m., however this closing time can be extended based on demand.

Courses
Palm tree trimming began at South and is continuing throughout all the courses, with the exception of Lakes East. Palm trees at Lakes East will be trimmed closer to the reopening. Due to the grow-in at Lakes East, many areas remain too wet for the large trucks performing the trimming.

The revised over-seed schedule was recently released, our email explanation left some golfers wondering as to the reasons behind this decision. First, there was an incorrect date for the overlap period, it should have read October 17-21. Second, the overlap period is a result of moving the first wave of courses starting date from September 26 to October 3. Moving the date back into October increases our chances of having favorable temperatures for over-seeding, thereby increasing our chances of a successful over-seed.

As a reminder, as we move into September rough heights will be raised. The higher height of cut helps protect the rough from cart traffic as it moves into dormancy and throughout the winter. The height of cut is not raised to increase difficulty, though increased difficulty is a by-product of this procedure. We thank you for your patience and understanding.

This year over-seeding will be expanded to include greater areas around green complexes. This will provide a better surface to those shots that stray from the green surface. The expanded over-seed will also keep stray shots from the excessive bounces and the excessive roll, seen in the past.

All courses have largely recovered from this year’s transition and related problems. We certainly understand the concern over course conditions this summer and appreciate the patience that was largely shown during this period. The greens at North as still recovering and will continue to do so all the way up to over-seed. The front nine greens have largely recovered, however there are still several on the back nine that continue to recover. The North maintenance staff, led by Neil Hladik, has put much time and effort into the recovery process, we thank them for their efforts and hope you will also.

The Lakes East renovation is in the final stages of clean up and still on target to open October 22 following over-seeding. We advise Lakes East golfers and homeowners that the new plantings will take time to establish and will appear sparse in the meantime. As the plant-

ings mature, the final design will materialize. The plantings have been designed to allow maintenance from motorized equipment, reducing the amount of time spent on maintaining these areas. This is important if we are to realize any savings from this and future turf reductions. This renovation will have minimal impact on play but will still take time to mature, we again appreciate your patience.

Lawn Bowling/Grounds
Earlier this summer, the greens at Bell were top-dressed and laser leveled. Though this will help in areas that were experiencing untrue draws, there are several areas that have failed to recover. These areas will be sodded the week of August 29th in order to be ready for Fall and Winter play.

The softball field has developed lip in certain areas, between the infield and the outfield. These areas have been marked and scheduled to be corrected the week of August 29.

Bell Underlayment Project Completed

The lane underlayment project at Bell Lanes was completed on August 27, 2016. The cost of the project was \$25,000.00. Three synthetic panels that were cracked were replaced. The synthetic panels have now been secured to a flat solid surface which will prolong the life of the panel. Lakeview Lanes does not have this issue as the underlayment was replaced during the original installation.

A Moment with President Schroeder -

Make the Effort to Get Educated

Recently we have heard cries once again for transparency and more community involvement. And once again will come the statements from board candidates that they will improve communications.

There are many who say that those who run for the Board oftentimes have personal agendas. While we sometimes have pet projects we may be more interested in, every decision and vote is genuinely what one believes is in the best interest of Sun City AZ.

But I must say that I am truly amazed by many in Sun City AZ who routinely claim that they know nothing about what goes on. All I can say is that information is available.

While the monthly SunViews newsletter provides a wealth of information about RCSC events and club activities, it also includes management reports and corporate financial information. Management reports are presented to the Board at their monthly meetings (typically the fourth Thursday at 9am in the Sundial Auditorium), after which they are posted on the website and sent to those who have signed up to receive RCSC News Email Alerts.

While Members can address the Board at these monthly meetings, comments are limited to three minutes. It is best that concerns and issues be brought to the Directors at the monthly Board/Member Exchange (typically the second Monday at 9am in Lakeview Social Hall #3). What you have to say is important, but the Board of Directors must determine if your viewpoint is worthy of further consideration.

Property owners, RCSC Members, Privilege Cardholders and Sun City AZ residents need to take some responsibility and educate themselves. If you don't know, please ask. There are numerous resources available and many, many people who are willing to share their knowledge with you.

Once again I will remind you that the RCSC is not a government entity. We are not charged with overseeing the streets, sidewalks nor traffic issues (contact Maricopa County Department of Transportation and the Sheriff's Office). We are not responsible for trash collecting and recycling (Parks & Sons). The only election that RCSC oversees is the one each December for our Board of Directors. While customer service and satisfaction is what we strive for, we don't have all of the answers all of the time.

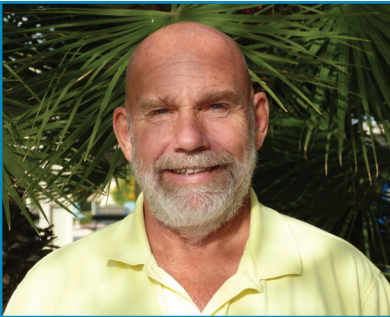

RCSC staff is more than happy to help when they can but there are limitations. Board Policies dictate the distribution of literature and RCSC properties are facilities to be enjoyed by Cardholders and their guests only. We are not public parks open to all, nor should we have to tolerate trespassers who might vandalize or create an atmosphere that is unacceptable. RCSC has always and will continue to provide for your recreational and social needs. And that is really all we are responsible for.

On the other hand, the Sun City Homeowners Association is invaluable in the information and services they provide to residents and help to keep Sun City AZ a desirable active adult community all of us to enjoy. In recent years they have worked diligently to bring many issues to our attention and have offered workshops and meetings to help educate Sun City AZ residents.

RCSC, while not sponsoring the many informational events that are occurring in the community, is able to offer several meeting spaces in which residents can gather to hear about important issues and proposals which will greatly impact many in Sun City AZ. Please share your concerns and voice your opinions – but in the proper forum, at the proper place, to the proper people.

Those who are signed up to receive RCSC News Email Alerts get not only the previously mentioned Management Reports sent right to their computers, phones or tablets very soon after being presented, and every effort is made to include not only RCSC events and information, but many of these community workshops and forums as well for your benefit.

Unfortunately, there is no one place to “get it all” here, but have you ever lived somewhere that had such a resource? The wealth of activities and services available throughout our community are numerous. Getting information about all of it from one source is virtually impossible. Hard as we might try.

Management Updates

Financial Report:
Since there is no monthly Board meeting in the month of August, I will include the Treasurer's report information in my monthly report. The balance of unrestricted funds as of July 31, 2016 was \$10,841,131 which includes a \$2.5M cash reserve. Restricted funds include the Preservation and Improvement Fund ("PIF") and the Capital Reserve Fund. As of July 31, 2016, PIF had a balance of \$7,479,237 plus \$638,500 collected in July that was transferred into the PIF account the first part of August 2016. The Capital Reserve Fund had a balance of \$5,000,044 as of July month end.

We have completed August 2016 well within our operating and capital budget year-to-date. Matter of fact, every division has a net operating positive variance from budget.

Bowling:
Bell Lanes recently replaced the underlayment for the bowling lanes. The previous underlayment had too much flex which caused some lane panels to crack. The cost of the project was \$25,000.

Both bowling centers will be installing lane bumpers. Two lanes will be installed at each center. The lane bumpers will make the bowling experience more enjoyable for young children because the bumper will not allow the bowling ball to fall into the gutter. The project was expected to be completed by the end of August, but due to delivery delay the project has been postponed and hopefully will be completed by late September. The cost of the project is \$6,000.

Cardholder Services:
Payments on past due assessments in July decreased by 32% from the June high. In spite of this decrease, overall accounts receivables decreased by just under 2% in July. The Over 90 day balances increased in July by 31% and reflects the continued aging of April past due balances. June assessments went 30 days past due at a 5.5% rate while May assessments went 60 days past due at a 2.9% rate. Payments from our third party collections firm were down slightly in July with year to date payments totaling \$147,245.

Payments made by Cardholders through the online RCSC Web Portal in July totaled \$78,230. Year to date web portal payments total \$593,343. Web portal payments are up 40% YTD compared with 2015 and 97% YTD compared to 2014.

In July property transfer related balances decreased by 3.6% and lender owned related balances decreased by 3%. This was the sixth month in a row lender owned balances have decreased and continue to be significantly below prior year's balances. Outstanding balances related to property transfers represent approximately 54% of all receivables due and 53% of past due balances.

Trustee sale notices on Sun City properties increased to 42 properties at the end of July. The number of properties owned by lending institutions decreased again this month to 17 properties.

Preservation and Improvement Fees collected in July were \$638,000, which is \$239,000, or 60%, over the amount budgeted. Year to date PIF fees are \$4,995,600 which is \$1,604,100, or 47%, over budget for the year. The year to date total is up 20% from 2015. Again a reminder that we intentionally budget PIF income very conservatively to assure that we have the cash on hand for any planned project as we remain debt free.

Human Resources:
Employee voluntary CPR/AED/and First Aid training classes are now completed for this series. Seventy seven employees have completed the training and have received their two year certification. Future training classes will be held on a semi-annual schedule to offer new hires the training opportunity.

Federal, state and local laws require employers to comply with certain labor laws and to post those laws in all work locations to inform employees of their rights. Posting is also required in the Human Resources office where applicants complete job applications. Since the laws change periodically, Human Resources has begun an audit of RCSC's work locations to assure compliance.

Member Services:
On Saturday, August 13 we had our 3rd annual Ice Cream Social Dive-In Movie at the Mountain View Recreation Center. Not only did we show a movie on the big screen by the pool, we also presented a movie inside the auditorium for those who didn't care to get wet. The night was beautiful, the kids had fun watching the family movie in the pool and ice cream was enjoyed by all.

We kick off the fall Sun Bowl concert series at 7pm on Sunday, September 25 with the band voted best in Phoenix, "Faded Jeans." But before we hit the dance floor, we will be attending Casino Night at the Sundial Auditorium on Saturday, September 17. This is a free event from 4-8pm. Doors open promptly at 4pm. Be sure to bring your RCSC photo ID card, as you must present it to attend this event. Key fobs will not be accepted. Donations will be accepted to benefit this year's RCSC Management Team's 2016 non-profit charity of choice, The Sun City Foundation.

In October we will be back in full swing with the fall Sun Bowl concert series. All shows in October will begin at 6:30pm. Watch for information on our 2nd annual Fall Festival at Sundial on Friday, October 21 from 4-7pm. There will be carnival games, prizes, food and dancing to the sounds of one of Sun City's all-time favorites, "Yesterday Once More." This is a free event for RCSC Cardholders and their escorted guests. Come feel like a kid again! Play games, eat carnival food and do some good old time dancing!

RCSC Management Reports are presented at RCSC Board of Directors meetings each month (except July and August), posted on the website at www.suncityaz.org (under the Recreation Centers), and are sent via email to RCSC Cardholders who have signed up to receive RCSC News Email Alerts. These reports were prepared at the end of August 2016.

Project Updates

General Information

- Toilets and lavatories continue to be replaced at all on-course golf restrooms. To date the RCSC plumber has completed installations at both buildings at Riverview, Lakes West and Willowcreek, one restroom building at North course and one restroom building at Lakes East. It has been determined that only eight hollow metal doors need replacement at the on-course restrooms. These doors are on order and will be installed soon after their arrival. The door installations will be completed by D.H. Pace. (Approximate Cost – \$23,000)

Oakmont Center

- The Oakmont auditorium renovation project is now underway. This project includes removal of the auditorium stage, construction of a short section of wall and the installation of a new ceiling with dimmable LED light fixtures. Contractors for this project included Ace Acoustics and Kowalski Electric. (Cost – \$34,505)

Grand Avenue Property

- The newly acquired Grand Avenue property recently received a landscaping clean up, trash removal, two backflow preventer rebuilds and a replacement of a third backflow preventer. In addition, a large leak in a pressurized two-inch irrigation pipe was located and repaired. Contractors completing this work included Property Preservation Services and Sunland Plumbing. (Cost – \$7,890)

Lakeview Center / Duffeeland Dog Park

- Two new shade canopies at Duffeeland Dog Park are now installed. Contractor was USA Shade. (Cost – \$15,097)
- The remodeling of the east Lakeview Lanes and the upstairs restrooms at Lakeview Center will be postponed until 2017 since restroom proposals are coming in at a much higher cost than budgeted.
- A new floating dock has been ordered for Viewpoint Lake. The new dock will accommodate RCSC’s existing boats with a couple of additional spaces for other lake boats and future growth. The new dock is now expected to be installed in October-November 2016. Contractor is Floatation Systems. (Cost – \$62,996)

Bell Center

- Renovation of the clubs restrooms is progressing nicely with porcelain tile installation about to commence. Cardholders and guests are encouraged to use the restrooms inside Bell Lanes, the Social Halls or the portable toilet located directly across from the Visitor Center entrance. Contractor is DFG Builders. (Cost – \$94,892)
- The canvas covers were replaced on the two awnings over the entrances to the Bell outdoor shower rooms. Contractor was Phoenix Tent and Awning – (Cost – \$1,982)
- Renovation of the two main Bell Library restrooms will commence August 29, 2016. Contractor is Ken McIntyre Construction. (Cost – \$100,000)
- The remodeling of the west Bell Lanes restrooms will be postponed until 2017 since restroom proposals are coming in at a much higher cost than budgeted.

Sundial Center

- The Sundial pool, fitness, spas and men’s shower room project is winding down. This project included resurfacing of the epoxy pool deck, installation of two new horizontal sand filters and 15hp pump on the large swimming pool, stucco repairs and re-painting in the pool area, toilet repairs, carpet cleaning of the fitness room and facility attendant station, installation of quartz counter tops at the welcome desk, light fixture repairs, installation of a wood focal wall with lettering, revisions to the welcome desk check-in computers, repairs of some fitness equipment, installation of electrical circuits and fans over the second row of cardio equipment and a huge clean-up of the entire facility.

- The pools, fitness center and spas will re-open on September 5, 2016 but the men’s showers, located in the men’s locker room, will remain closed for a few more weeks. Contractors for this project included: Hardscape Resurfacing, Inc., DFG Builders, Aquatic Builders, Accel Electric, J&J’s Carpet Cleaning, Lee’s Counter Tops, RCSC Information Technology Department and the Skilled Trades Electrician, Cabinetmakers, Painter, Plumber, Fitness Mechanic and Pool Mechanic. And finally, a huge thank you to the Sundial Utility team for all the clean-up work they performed over the duration of this project. (Cost – \$99,800)

Marinette Center

- The remodel of the auditorium, social hall ceiling, main restrooms, kitchen and installation of two new swimming pool restrooms is underway. To date, demolition is completed and the electrical and plumbing rough-in work underway. Contractors are DVP Professional Builders, Accel Electric and Custom Cooling. (Cost – \$259,015)

Skilled Trades Department

- The RCSC Skilled Trades Department completed 319 work orders during the last two weeks of July 2016 and the first two weeks of August 2016.

Centers Operations

- Two water brooms have recently been purchased for Bell Tennis to be used for cleaning the courts. These are more efficient than the two older ones we are replacing and are better ergonomically built for this type of work.
- The RCSC has purchased five additional Harmsco Better-filter Portable Pool Vacuum units so all seven recreation centers will have one for their pool(s) and spas. The portable filters were purchased because the Virginia Graeme Baker Pool and Spa Safety Act, which went into effect December 2008, no longer allows the use of vacuum ports in the side of swimming pools or spas. These portable filters also clear up challenging water problems without wasting water, heat and chemicals. The units can be moved around quickly and easily, which increases efficiency during normal maintenance. We had two of these units available when the last big Haboob hit Sun City a couple of years ago, shutting down a number of our pools. Without these two units our pools would have been out of service much longer. Now, all seven recreation centers will be using these vacuums on a regular basis.
- With recent news of cryptosporidium outbreaks at various pools in the Phoenix valley, it is reassuring that the RCSC continues to enjoy nine healthy swimming pools and ten clean spas. The RCSC believes this is due to our healthy swimming program which requires more frequent pool water chemistry checks, cardholders observing Maricopa County Environmental Services and RCSC rules and carefully maintained Ultra Violet light equipment on RCSC’s nineteen bodies of water.

Unique Holiday Shopping at Arts & Crafts Festival

For unique “get it all done in one stop” holiday shopping, make your way to this year’s Sun City Arts and Crafts Festival being held during the two days after Thanksgiving: Friday, November 25 and Saturday, November 26. The festival opens at 8 a.m. both days and goes until 4 p.m. on Friday and 3 p.m. on Saturday at the Sundial Recreation Center, corner of 103rd Ave. and Boswell Blvd. in Sun City. Admission and parking are free.

This year there will be over 40 Sun City artisan and artist groups offering their original and award winning hand crafted and hand painted works for sale. Shoppers will find sterling silver and polished stone jewelry, stained glass, fine art paintings, photographs, ceramics, pottery, needle crafts including quilts and hand-weaving, leather, wood and metal crafts, calligraphy and much more! All made right here in the good ol’ USA!

In addition to the outstanding shopping, there will be entertainment, raffles and food vendors. For your convenience, there will also be an ATM on site. This is an event not to be missed. It only happens once a year. Mark your calendar and plan to be amazed at the quality and selection of gifts suitable for the whole family, from newborns to grandma.

Movie Mania

Around the World in 80 Days Through a recent donation, Books Around the Corner has a large number of maps rolled up in cylinders. They are in excellent shape. Most are 33 3/4 X 23 3/4. The following list is just a sample of what is available: El Centro, Yuma; Holbrook, Mormon Lake, Camp Verde; Phoenix, Brenda, Wickenburg; Gallup; Escalante, Natural Bridges, Monument Valley, Lake Powell; Las Vegas, Hoover Dam, Lake Mead; Marble Canyon, Page, Monument Valley, Grand Canyon. At \$3.00 each, see wonderful parts of the world for as many days as you wish.

Knights of the Roundtable One of the first things seen when entering Books Around the Corner is the round table right up front. The display of books on it has a theme. The round table is changed regularly; therefore, visit the Bookstore often to see what is new. Volunteer Bookstore Manager Mary Anne McDonald would like to say come in day or knight; but the round table is only open in the day, 10:00 AM to 4:00 PM, Monday through Saturday.

Sweet Smell of Success From Saturday, October 1 through Saturday, October 15, Books Around the Corner is having a half-price Cookbook Sale. Now is the time to get stocked up on new recipes, or to find a Christmas gift for that special friend who loves to spend time in the kitchen. In either case, the sweet smell of successful cooking will fill someone's home.

Ferris Bueller's Day Off Being homebound is no excuse for lack of Sun City Library use. A volunteer Book Buddy will work with you to determine your preferences. Then, your Buddy will gather your requested materials and deliver them to your home. When you have finished, your Book Buddy will pick up your materials, return them to the Library, and get your next set of requested materials. To participate in the Book Buddy program, please call 602-651-2014 and ask for this free service. You will never have to take a day off from reading.

Gone with the Wind The Friends of the Sun City Libraries next Board Meeting is Thursday, October 13 at the Bell Library North Wing Room at 9:30am. The public is invited. National Friends of the Library Week is October 16-22. Attend the meeting to see what your local Friends group is doing. The Board welcomes new ideas for library improvement. If you miss the meeting, those good ideas will be gone with the wind.

A Few Good Men The Friends Board of Directors has a goal in 2016 to add six new members. We are well on our way to reaching the goal. To add diversity to the Board, male applicants are needed. Our current Board is all female. We need a few good men. Applications are available at suncitylibraryfriends.org or in the Bookstore.

The Sixth Sense The Friends have always thought it made sense to keep the Fairway Library open the sixth day of the week like the Bell Library. With a big "Thank You" to the Maricopa County Board of Supervisors, that will happen starting Saturday, October 1. Enjoy Fairway Library sensations on Saturdays, between 8:00am and noon.

It's a Wonderful Life when you can enjoy programs as well as books from your local library. Go to <http://www.mclad.org/> to get the details on October programs at Bell, like: Turning Memories into Memoirs, Writing Life Stories; Windows 10 Workshop; Indie Author Day with Liz Marshall; Author Visit with Victoria Kjos; safeTALK Suicide Alertness; Social Security Benefit Planning; Beginning Genealogy Research; Getting the Most from Your iPhone or iPad; and, Go with the Flow--Collage on Dura-Lar. Likewise, check on these and other programs at Fairway: Sun City Ukulele Club performance; Intro to Windows 10. If your life isn't wonderful with books or programs, you can always check out a DVD and become a movie maniac!

Water Conservation

Quiz Your Water Saving Habits

Let's take a minute for a little quiz to see what you've been doing to save water lately. Put a check mark in the column that best describes your water usage habits. And be honest!

	Often	Sometimes	Never
1. I keep my showers under five minutes.			
2. When I take a bath, I only use a little water in the tub.			
3. I turn off the water while brushing my teeth.			
4. I put water in the sink when washing up.			
5. I flush the toilet only when necessary and don't use it to flush tissues or other			
6. I use a broom to clean the driveway and/or sidewalk.			
7. I use a bucket when washing the car.			
8. Outside, I use a hose nozzle to adjust the water flow and to turn water on and off.			
9. I make sure my faucets are turned off tightly.			
10. I put water in the kitchen sink to wash and rinse dishes.			
11. I only run the dishwasher when it's full.			

Scoring: "Often" scores 3 points, "Sometimes" scores 2 points and "Never" scores 0.

If you scored:

18 to 36: You're doing a great job and are on your way to saving hundreds of gallons of water each month; however, it never hurts to employ a few more ways to save water if you can.

12 to 17: You're off to a good start. Keep trying; and employ more of the tricks we've talk about.

0 to 11: Well, let's just say there's always room for improvement.

Here are a few things to think about to help you take some baby steps and get on the right track:

If you leave the tap running while brushing your teeth, you can waste upwards of 3,650 gallons of water annually if you brush twice daily. That's enough drinking water for a horse for one year (10 gallons per day). Double that for having two people in the household. So, if you are really into saving water, use this nifty trick: for brushing your teeth try filling a glass with water. Use the water in the glass to wet your mouth and your toothbrush, rinse your mouth after, and then the remainder to rinse your toothbrush. You can do all of this using only eight ounces of water, or less, per brushing!

Washing vegetables in a basin instead of under running water does work. Use that "gently used" water for your indoor plants or your outdoor pots. Don't forget - instead of dumping those ice cubes from your finished iced drink into the sink to melt, place them on a plant; especially one that would benefit from the "slow watering" as they melt.

We need to keep conservation in mind and start making little changes. Begin with something simple and make it a habit, and maybe you'll find yourself blossoming into a real water conservationist. You never know how easy it is until you really give it a try. Do your part to help conserve - because Every Drop Counts!

Sun City Gives Back

Volunteer Organizations Save Taxpayers \$\$\$

Sun City AZ is fortunate to have the many volunteers who do great things throughout our community all year long.

Every organization has a volunteer board (whether elected or appointed) who donate their time and talents to better the community. RCSC relies on volunteers who participate on Board Committees, serve as Rangers on our golf courses, provide additional staffing for the Visitors Center and assist with the operations of our many chartered clubs whether as officers, monitors or instructors.

Many find that volunteering is good for both their mind and spirit, giving them a purpose in life. What is the saying? "It's not what I give by volunteering, it's what I get back in return that really matters."

And believe it or not, there are some volunteer organizations that actually save us - the taxpayers - money!

Sheriff's Posse of Sun City
Vacation watch, block watch, welfare checks and missing persons. Assisting with traffic control, whether at the scene of an accident or at the Sun Bowl shows. They are quick to respond to the need for color guard personnel at patriotic events in the community. Call them if you see a suspicious person or vehicle in your neighborhood. They'll accept worn US flags, used cell phones and unwanted pistols,

rifles and ammunition. These are just a few of the tasks performed by the Sheriff's Posse of Sun City. All expenses for items such as vehicles, gasoline, uniforms, radios, computers and other costs associated with operations are funded solely by donations to the Posse. Total savings to taxpayers = \$1.5 million annually.

Sun City PRIDES

We see them out in full force, especially on Saturday mornings, with their bright orange shirts and vests shining as beacons of volunteerism, keeping Sun City AZ beautiful by not only picking up litter but also maintaining the landscaping along our boulevards and streets. Maricopa County estimates that the work performed by the Sun City PRIDES (Proud Residents Independently Donating Essential Services) saves taxpayers over \$400,000 each year.

Friends of the Sun Cities Libraries

Sun City AZ is also very fortunate to have not one, but two, branches of the Maricopa County Library. Volunteers with the Friends of the Sun Cities Libraries assist those in need with their Book Buddy service, help library staff with shelving books and organizing along with funding for supplies, equipment, speakers and programs. Books Around the Corner Bookstore at Bell is operated by FOTL volunteers and is a great source for gently used books, DVDs, CDs, and more. In 2015, FOTL volunteers donated over 10,000 hours and expended nearly \$30,000 toward library programs, author visits and the like. Again, another superb example of saving taxpayer's dollars.

The real cost of volunteering = Priceless. Thanks again for giving back!

Five Southern women, whose friendships began many years ago on their college swim team, set aside a long weekend every August to meet on North Carolina's outer banks to recharge those friendships. Then, fate steps in to challenge these women and the ties that have bound them for decades. This comedy is current, poignant and takes a surprising direction in the end.

Sun City Handweavers & Spinners Guild

2016 marks Sun City Handweavers and Spinners Guild's 46th year as a chartered RCSC club. The Guild invites any RCSC Cardholder interested in the fiber arts to join us. We welcome members of all skill levels from beginner to professional. Primarily a teaching guild, Sun City Handweavers and Spinners Guild counts many skilled and dedicated instructors in weaving, spinning, basketry, and beadwork among its members. Classes and workshops are held throughout the year. Weaving classes begin mid-October and run for 10 weeks, and are repeated in January. Special Interest Groups (SIG) meet weekly year-round in the spacious and well-equipped clubroom at the Sundial Recreation Center.

Inkle instructor Joyce Spaulding coaches Karen Harper on her project while Mary Ruth Linde observes.

Annual dues is \$10. For a nominal fee, or sometimes no fee at all, guild members can sign up for a variety of classes, or meet one-on-one with instructors and skilled crafters during the SIG hours. The clubroom is equipped with all the tools and supplies necessary to take a course or try out a new skill. Once a member has established a basic level of expertise they are free to come into the club room during open hours and use the equipment, when available, to work on personal projects.

General membership meetings are monthly (October through May) on the first Monday of the month at 1 p.m. Often an informative speaker or demonstrator presents a brief program. Afterward, club members enjoy snacks and socializing. In addition to the monthly meetings, throughout the year the members meet for several fun social events. Club hours are 9am to 3pm Monday through Friday, October through May (summer hours vary).

There are many beautiful handcrafted items for sale in the club room, and many guild members participate in holiday fairs and other craft and sales events.

For further information on joining Sun City Handweavers and Spinners Guild or class info check the guild page on the RCSC website <http://sunaz.com/handweavers-spinners-guild/> or call 623- 933-0397.

Oakmont Pinochle Club

The Oakmont Pinochle Club is now back to the newly refurbished Oakmont Recreation Center and welcomes new residents and those who remember the fun they had while playing this exciting game.

We are a single deck club and we play on Tuesdays and Saturdays starting at noon. We ask that all players arrive at least 15 minutes before play.

Annual dues are \$5.00 for RCSC Cardholders and 50 cents per day of play.

You don't need a partner which makes this an ideal way to make new friends. We have several social events and end each year with a potluck Christmas party.

For more information about joining the Oakmont Pinochle Club, please contact either Ralph DePolo (623-977-3278) or Mrs. Tommie Crudo (623-876-1895).

If you prefer an easier going workout with less intensity, you will enjoy our lower intense class where we do more stretching, weights, bands, chairs with less cardio. You will still burn calories and fat, feel more energetic, and you will get the health benefits associated with our more vigorous class.

Join us, have fun, feel energized, keep your weight in check, improve your balance and coordination, strengthen your heart, improve your sleep quality, and improve your overall health. Rockhound Club of Sun City

The hobby of Rock Hounding takes on many forms. Some find it a relaxing way to spend time researching and learning about different rocks, minerals and gems and building a collection. Others love the outdoors and are invigorated by the hunt of finding treasures in the Arizona desert.

The Sun City Rockhound Club will satisfy the collector and the outdoor-person alike. We have monthly guest speakers who are experts in many areas who give informative, fun lectures. We also have monthly field trip adventures to find and collect specimens and monthly fun trips to, well, have fun with our fellow rock hound friends.

Did you know...

- Almost every rock type and geological age can be found in this state.
- Arizona was under a shallow sea several million years ago, sedimentary rocks and fossils can be found from that period around the state.
- Dinosaurs, mammals and reptiles also inhabited Arizona's Petrified Forest and solid-rock footprints were left behind.
- Then came the volcanos and uplift which formed mountains, the Grand Canyon and the Mogollon Rim.

This geologic history provides a rich rock hounding and learning experience. We hope you come join us as we explore and learn.

Mineral Museum: Learn more by visiting the Sun City Mineral Museum located in the Sundial Recreation Center. Hours of operation are Monday, Tuesday, Wednesday, Friday and Saturday from 10 am to 1 pm (closed Thursday and Sunday).

Meetings: Join us at one of our monthly meetings held the second Thursday of the month at 7 pm at the Fairway Recreation Center, Arizona Rooms 1 & 2. For more information, please email to scrockmuseum@gmail.com

Sun City Ukulele Club

Want some fun? Then you may want to join the Sun City Ukulele Club. There's always a lot going on. Last season we had world-wide ukulele performers Kimo Hussey and Craig Chee and Sarah Maisel giving workshops and concerts.

Coming up on Wednesday, October 12 from 1 to 2 pm we will have a kick-off concert at Fairway Recreation Center celebrating our clubs' contribution of six ukuleles and songbooks to the Maricopa County Library so any and all can check them out. We are very excited!

Saturday, November 26 from 11 to 11:30am our new Performance Band will perform at the Arts & Crafts Festival at Sundial. We also have performances scheduled for the Conservation & Sportsman Club, Bell Ceramics Club, and the Sun City Players Club. If your club has a need for entertainment, give us a call.

Lakeview Woodworking Club

Those of us strong enough or crazy enough to brave the summer heat welcome back the snowbirds and new Sun City residents. We at Lakeview Woodworkers Club would like to extend an open invitation to come down and check out our shop. Men and women alike have fun whether it is scroll sawing a wall piece, turning a bowl on the lathe or making cabinets for the kitchen you're envisioning. We have display cases with all kinds of beautiful things our members have made to sell. Of course we are always excited about the annual craft fair in November.

This past summer (June through August) we had a craft show at El Dorado. We like to help our military veterans and contribute to the retired highway patrol's annual raffle. We also try to help out church groups when we can.

Every year in February we have our annual dinner. Mostly we like to make a little sawdust and have a lot of fun. There are plenty of lathes and scroll saws with instruction upon request. There are always two monitors on the floor at all times. They would be glad to help you and answer any questions you have. If they don't know they will find someone who does.

Our membership starts in October and is \$20. Shop hours are Monday through Friday 8am to 4pm and Saturdays 8am to 2pm. Summer hours are Monday through Saturday from 8am to 2pm. Our meetings are held on the first Tuesday of the month with coffee and donuts.

We have a new music director, Bob Isaacson, formerly a member of Arizona Broadway Theater, who will bring a new dimension to the club.

The Ukulele Club also has a mentoring program in place so if you are new we have volunteers to help you get started. Our club is open to any RCSC Cardholder regardless of musical background. The club meets every Thursday from 3 to 5pm; our mentoring program meets from 1:45 to 2:30pm the same day, all at Fairway Recreation Center in the Music Room. Performance Band practices Wednesdays for those interested!

For more information about scheduling a performance or joining the club, please contact Trudy Bryson at 623-594-6591.

Sun City Players Community Theater

Let me tell you about one of the best-kept secrets in Sun City. It is said that, "Wherever you go...there you are." If you happen to be at a Sun City Players Community Theater event, you'll be happy that you are there! The club offers so many opportunities for exciting, fulfilling participation (with a boost to your self-esteem at the sound of applause!) You can find us on the web (www.suncityplayerscommunitytheater.org).

Over the years, the club has produced many successful performances in plays that are designed to intrigue you, to make you laugh with joy, or to fill you with music that is well-sung and inspirational.

During the year, our producers and music and play directors review and discuss various shows which might be practical and fun to perform. These talented and experienced performers have expanded their horizons to include the nuts and bolts of putting on a show. They are all volunteers, who have totally lost their minds and happily put in many hours of work, auditioning, rehearsing, directing, and listening to suggestions.

Once a play is chosen, the planning begins. Audition dates, rehearsal dates...everything is in place by the

time the summer vacationers come home to Arizona. Scripts are ready, music arrangements have been made, and all that is lacking are the performers and the audience.

The 2016-2017 season opens October 28 with The Dixie Swim Club. Five women form a close friendship in college, and agree to meet once each year to exchange updates of their lives. It is a play that is funny, tender, and unfailingly honest. Watch for details of the romance Chapter Two, by Neil Simon, which opens January 13, 2017. The spring musical is A Bag Full of Miracles. It is a touching, tender story with comedic and romantic highlights by author Tom Northam, and opens March 17, 2017.

The performers, stage crew, music managers, directors, make-up specialists and other club members invite you to enjoy one of our club meetings on Wednesdays (usually at 9am) at Mountain View. Come meet some great people! On Wednesdays, we sometimes have classes related to theatrical production, such as stage make-up, body language on stage, voice projection, etc. Acting and singing experience are not required, however, those talents are always welcomed, as are people who have newsletter production and other communication experiences.

We look forward also to 7pm every third Monday from September through May when you are invited to enjoy our monthly entertainment. You'll find an auditorium filled with kind, friendly people, who are acting, singing, visiting, and looking for a nice person (just like you). Why not join us?

Sundial Men's Club

The Sundial Men's Club fall tournaments start on November 7 and include Poker, Pinochle, Gin Rummy, Hearts, Sheephead and Bridge card games as well as a billiards tournament. Although the tournaments are open to club members only, visitors are always welcome to visit the club and play in the daily games.

The club has the following weekly tournaments:

- Monday 4:30pm – Texas Hold-em (open to both men & women)
- Tuesday Noon – Pinochle (open to members & male visitors)
- Thursday 11am – Texas Hold-em (open to members & male visitors)

The club golf tournament is November 18-20 at Lakes West. This is a membership drive and the entry fee includes your 2017 club dues.

Club members volunteer their time to provide Bingo games every Thursday at 6:15 pm in the Sundial Auditorium. It still only cost \$7 to play all 18 games including the three special games. Bingo games are open to all RCSC Cardholders and the general public, 18 years old or older.

Stop by to play some cards, shoot some pool, watch TV or just read the paper and have a cup of coffee. 2017 Membership cards go on sale November 1 and are \$9 for new members and \$8 for renewals. All men with a RCSC recreation card are invited to join.

Thursday Afternoon Contract Bridge

All RCSC Cardholders in good standing (men and women) are invited to join our Bridge group. We meet in the Oakmont Auditorium. No partner is required as we will pair up when you sign in. We ask you to arrive by 12:15pm so we can start playing at 12:30pm.

Dues are \$3 a year plus 50 cents each play day which pays for prizes awarded. Small and Grand slams are paid from the treasury.

Visiting RCSC members are welcome to try us out for \$1 a day, plus 50 cents prize money, with a limit of two visits before being required to join. Escorted guests of club members may attend any number of times for \$3 a day plus prize money. Please note however, that preference is given to attending club members if there is an excess of players. We enjoy four rounds of play with six hands each round, switching partners after each round.

If you are interested in joining us for a Thursday afternoon of Contract Bridge, please call Mary Ann at 623-933-9671.

Michigan Friends in Sun City Club

In the spring of 2014, several former and seasonal Michigan residents met at Dennis & Cheryl (Hall) Cassady's home in Sun City to discuss forming a club. It would be for everyone and anyone who had ties to the beloved Great Lakes State. By the fall of 2014, names, addresses, cities lived in, and potluck dinners were shared. And the club grew. And grew.

In March of 2015, with 92 members, the Michigan Friends in Sun City became an RCSC chartered club and officers were installed. The club now enjoys monthly activities (most months) held at restaurants, museums, casinos, lakes, candy stores, spring training games, horse racing, and Sun City Rec Center parties at Easter and Christmas.

Also, in the last two years, there were joint potluck lunches held in Cottonwood, AZ where residents of the Michigan Friends in Central Arizona reside. All potlucks seem to have a theme that features Michigan inspired dishes.

Upcoming Fall/Winter 2016-2017 activities include:

Lunch at Mimi's Cafe, Dinner at Oregano's Bistro, Casino Trip, Stadium Tour, Christmas Party at Fairway, and Verde Valley Train Trip.

For more information, see the monthly SunViews and/or pick up a Michigan Friends in Sun City brochure in the Sun City Visitors Center at Bell. You may also contact Cheryl Hall Cassady, Michigan Friends in Sun City President at michigan2arizona@cox.net or phone 623-910-1522 and leave a message.

Tips from Get Fit for Life -

Exercise Mistakes That Lead to Joint Injury

Seasoned exercisers and weekend-warriors will occasionally suffer joint injury. That injury could be avoided with careful attention to some common pitfalls of exercising:

Doing too much, too soon

Whether coming back from an injury or starting a new exercise program, there is a tendency to push too hard. Joint injury is common when you don't allow the body to adapt slowly to exercise. Every system in your body needs time to adapt: your muscles, circulatory system, ligaments, cartilage, bones, and joints. Ease into exercise, regardless of how motivated you are to get that workout going. If all goes well, progress with intensity, duration and frequency.

Above: Dick Fortier, co-owner of Get Fit for Life, monitors settings, form, technique and cadence for all exercises performed by Brain Conway, in order to avoid exercise pitfalls that result in joint problems.

Performing the same exercises all the time

Too much of a good thing, when exercising, can become a bad thing. Your body likes change. Different cardio machines with varied workout approaches, different strength exercises using the same muscle groups, and different stretch routines will bring better results with fewer injuries. Taxing the same muscles and joints in the same way, week after week, can easily lead to overuse injury and wearing down of cartilage. Moving muscles and joints in different directions, with varied intensities, can help prevent injury.

Exercising with improper technique and form – If the seat or resistance level on a cardio machine is set improperly, knee or hip injury can occur; if pivot-point and range-of-motion settings on weight machines are overlooked, shoulder, elbow, knee or hip joint problems can develop; if gait patterns, alignment, and form are poorly executed with body-weight exercises (squats, lunges), the body is at risk with every movement. Diligence and attention to detail is necessary, if joints are going to perform correctly through the required range of motion.

Non-supportive footwear

Although saving money and fashion trends are the primary motivator in footwear purchases, those same motivators may be leading to joint concerns. Wearing shoes with too little support, and ones that don't lend themselves to specific anatomical and mechanical issues (over-pronation, supination) will put knee & hip joints at risk. Exercise footwear is best purchased from a professional, who can analyze needs and issues and recommend appropriate shoes for each exercise activity.

Whether you are a seasoned exerciser or new to the workout world, a Get Fit for Life personal trainer can help you avoid those exercise pitfalls that result in joint problems. Trainers monitor form, technique, cadence, breathing, and all of the elements that result in correct exercise protocol. To find out more about working with a trainer, call 623-696-6820 or visit Get Fit for Life, Sun City AZ on Facebook.

LaTouch Wellness Massage Therapy Shares...

What is Reiki Energy Healing?

Reiki is an energy healing modality, where the practitioner acts as a conduit for universal life force energy, in order to rebalance and clear blockages in the chakras, or energy centers of the body. The practitioner may use "hands-on" and also "hands-off" healing that can assist in clearing and rebalancing blocked energy, which can relieve or reduce pain and discomfort.

We encounter life stressors daily which can create energy blockages within our energetic and physical body. In many instances our thoughts and emotions can be the chief cause of suffering. Emotions are thought to be Energy in Motion and when we do not heal and resolve them, they may eventually affect our health. It's important to clear and rebalance the energetic and physical body regularly. Reiki can help us to understand and correct some of the root causes of our discomfort and perhaps our diseases.

Reiki is gaining acceptance in hospitals, care centers and community health facilities throughout the world. Reiki is the healing method that Mehmet Oz, a cardiovascular surgeon, introduced into the operating room at Presbyterian Medical center in New York City during open heart and heart transplant surgeries. Reiki will improve the results of all medical treatments, acting to reduce negative side effects; shorten healing time; reduce and eliminate pain, reduce stress and help create overall well-being.

LaTouch Wellness is committed to assisting you with enhancing your health and wellbeing body, mind and spirit. We are located within the Fairway Recreation Center. We also offer Swedish Massage, Deep Tissue Massage, LaStone Massage, Sports Massage, Aroma Therapy, Reflexology Techniques, as well as Reiki Energy Healing Sessions. Many of these services can be combined into your one hour, 1 ½ hour or 2 hour therapeutic session. Please contact Laura at (623) 201-0378 to schedule your appointment today! Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 52 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.
