## From the President: Energy Conservation

Vance Coleman  
RCSC Board President

At the February monthly Board meeting, it was brought to our attention that RCSC had received an award from APS for the energy savings projects adopted by the corporation. Therefore I thought it prudent to provide a list of many of the things RCSC has done and is doing to conserve energy and resources.

### Water Savings

- Pool covers being installed which will reduce evaporation during pool non-use hours.

- Motion sensor and manual metering lavatory faucets being deployed.
- Motion activated devices deployed on toilets.
- Low volume toilets and urinals being installed as they are replaced.
- Shower push buttons installed on showers at Fairway.
- All showers are on a hot water recirculation system and no water “warm up” is needed before use.
- Irrigation systems are continually monitored.
- Lining of creeks on golf courses with concrete to reduce water lost through seepage.

### Natural Gas Savings

- Pool heaters set to 85 degrees. (Except Sundial therapeutic, small pool which is set at 91 degrees.) Thermostats on the pool heaters are now set-back type allowing the RCSC to reduce pool water temperature during non-use hours.
- Solar panels installed at Mountain View to pre-

# Did You Know...?

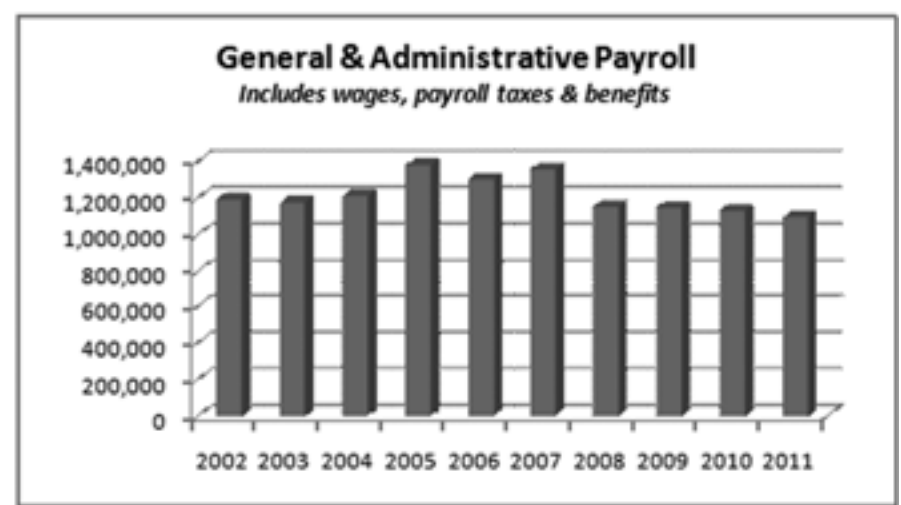

That Sun City has the most facilities and the lowest annual property assessment of any other master planned community in the US?

That the operating expenses for the General & Administrative Division are budgeted to be \$27k less in 2011 than 2002, a 7% decline. This division includes the General Manager, Board of Directors, Cardholder Services, Accounting, Human Resources, Purchasing & Warehouse, Information Technology and Communications, or what is commonly referred to as overhead. (Chart reflects 2002-2010 actual expenses, 2011 budget)

In the past 10 years, general operating expenses have increased by only \$139k which includes \$44k more for equipment which is long overdue in order to maintain our facilities properly and efficiently, \$41k for free Sunbowl shows and \$52k for credit card fees.

General & Administrative payroll is a part of RCSC's overhead and this payroll has been reduced by \$94k since 2002, which is an 8% decline. However, if you figure inflation, this is actually more like a 23% decline.

Please watch for more coming in this series of six articles about RCSC's trends and 2011 budget.

## Easter Sunrise Service

The first Easter Sunrise Service in Sun City was held on the patio of Town Hall (now Fairway Recreation Center) in April 1961. The service was planned by the first churches to be established in Sun City. It was a morning to be remembered, and the service was held each year until recently. Celebrating the 50th anniversary of that memorable occasion, an Easter Ecumenical Sunrise Service is scheduled for 6am April 24 at the Sun Bowl, sponsored by those first churches. For further information, call Shepherd of the Desert Lutheran Church at 623-933-4515.

## Bowling Notes

### **Back-to-back 300**

Congratulations to Pete Partridge! On February 23, while bowling in the Wednesday night Scratch Trio at Bell Lanes, Pete bowled back to back 300 games. Pete bowled 300-300-227 for an 827 series. Pete also added a 251 for his fourth game and bowled a 1078 four game series and averaged 269 for the night. Congratulations Pete!

### **New TV monitors on the way**

The current automatic scoring overhead monitors at both bowling centers are 12 years old and have become more difficult and costly to maintain. The automatic scoring monitors at both bowling centers will be replaced with 42-inch flat panel LCD displays within the next four to six weeks. The displays will function the same as before except they will be larger and the text and graphics will be much sharper and brighter.

### **New Lakeview masking units**

Within the next two months, Lakeview Lanes will be replacing the masking unit displays. The masking units are the displays that are located at the end of the lane and "mask" the pinsetters. The masking units at Bell are approximately 5 years old and are in very good condition; however, the masking units at Lakeview are over 12 years old and have become faded.

## Visitors Center serves community

The Visitors Center has a wealth of information about the area for future home owners, visitors and residents. But did you know that the Visitors Center is also a convenient drop-off point for food for the Valley Food Bank, pull-tabs for Ronald McDonald House, Socks for Troops and manufacturers' coupons for our military bases overseas? Bins are available for you to drop off items from 9am to 4pm Monday through Saturday.

The Visitors Center also has a community calendar on its website, [www.suncityaz.org](http://www.suncityaz.org). The calendar has listings of events to which the entire community is invited to attend. Check out this calendar the next time you are looking for something to do or if you need to know the time and place of an event. Save those pull-tabs from your sodas,

cut those coupons from the newspapers, and pick up some socks and food and bring to the Visitors Center at Bell Recreation Center.

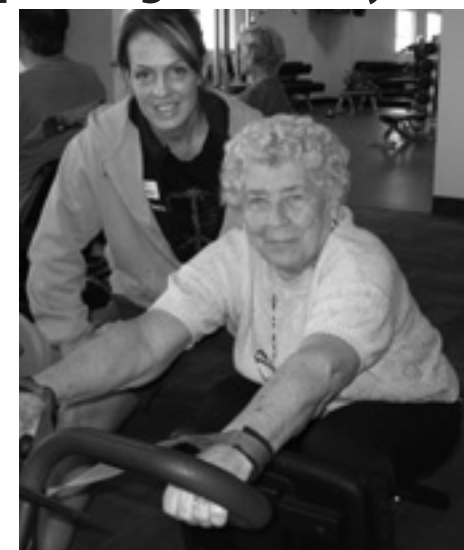

Jayne Loraine frequently drops off a bag of tab-pulls at the Sun City Visitors Center. She and her husband, Jacque, are both former Marines and collect the tab-pulls for Ronald McDonald House from those attending meetings of the First Marine Division Association, Phoenix Chapter.

## Daily Fitness: Improving flexibility

Daily Fitness personal trainer Jill Vanderbunt teaches Mary Ann Surma how to exercise properly on the Precor Stretch Machine at the Bell Fitness Center. These stretches, plus others taught by Jill, will provide Mary Ann with an arsenal of exercises for future use. One of Mary Ann's goals is to improve flexibility. Stretching is critical to flexibility. Flexibility is the range of motion (ROM) around a joint. Although flexibility declines with age, studies have found that individuals who follow a progressive and regular stretching program can defy and even reverse natural degeneration. When muscles are flexible, joints can align themselves in the biomechanical manner in which they were designed. This results in improvement in walking, posture and balance, and movement of any kind.

Mary Ann's exercise program includes not only stretching, but cardiovascular training for heart and lung

health, and strength training for bone mineral density and weight control. To find out more about working with a Daily Fitness trainer, call 623-256-7901 or visit [DailyFitnessLLC.com](http://DailyFitnessLLC.com).

## Raking golf bunkers

Spring brings increased maintenance to the golf courses. During the month of May the golf courses will be aerating the golf greens. This maintenance practice receives scrutiny by golfers. The role of aeration in the management of golf greens is often misunderstood. There are several reasons why aeration is so important, especially on putting greens. Compaction may be the most cited reason. The greens have had golfers walking on them all winter and compaction decreases the pore spaces for oxygen and nutrients. Aeration relieves compaction, but compaction is only one reason for aeration. Removal of organic matter from the upper portion of the soil profile and replacement with new sand topdressing may be the

most critical reason to aerate greens. The grass constantly produces organic matter through normal growth processes. As organic matter increases, more water is held in the upper portion of the soil profile. While a limited amount of organic matter is necessary, high levels cause problems such as diseases, mower scalping and transition problems. To prevent excessive organic matter accumulation research suggests that 15% to 20% of the green be aerated each year. The bottom line is, aeration is performed for the health of the grass. Greens with less organic matter will be better greens on a yearlong basis. Be sure and review the aeration schedule so you know which courses are closed for aeration.

Kathy Jo Dennison shows team pillows that she made for a Super Bowl Party. Pillows have a team name, Pittsburgh Steelers or Green Bay Packers. The fabric is fleece and has a soft stuffing. Just the thing for a sports party. Have a pillow fight with a fan of the opposing team. They were a hit!

Club programs are 9:30am on Thursdays at Lakeview Center. April programs are April 7 - Show & Tell; April 14 - A Purse Trunk Show; April 21 -

Dress on a Dime & Look Like a Million.

The club has special interest groups for machine embroidery and silk ribbon. Sewing classes of various topics are available to members.

RCSC cardholders are welcome to join the club. Visitors are invited to attend the program meetings, also to visit the club and shop at the club's boutique. Open room hours are Tuesdays 9am to 3:30pm, Thursdays 11:30am to 3:30pm, and Saturdays 9am to 3:30pm.

## Mini-Golf Club excited for spring

Since the first of the year we have new officers. Introducing to you our presiding President Betty Peace, she is the first lady in the picture and to her left are our new board members: Vice President Fay Knowles, Secretary Nancy Petersen and Treasurer Camille Layne.

We are enjoying the many benefits of spring. Our drives are not as far as regulation golf courses, but just the same it takes practice to put that golf ball in just the right place. Now our focus turns clearly on our putting and just like the guys/gals on the big courses trying for that perfect putt for that low game and perhaps being a winner!

Like the players on the big courses no matter how close we come to being a winner, (but lose) we keep trying, our resolve is strong! We enjoy being outside and having fun. Our members enjoy the fellowship of one another and this too is what we are about. Come join us, for more information please call Betty Peace at 623-875-2544 or Olivia Downs at 623-933-4375.

## Bell Aerobics Club

Feel like adding a spring to your step and a sense of well-being? Come join a club that offers you a chance to shape up your body and have fun doing so.

## Oakmont Ceramics plans potluck

Wow, time does fly when you are having fun! April already, and it is time for our annual spring potluck lunch on April, 12. Our meeting will be at 10am and the luncheon will follow. It is also the time that some of our winter visitors leave to return to their summer homes. We will miss them. We wish them a safe trip home and look forward to their safe return in the fall.

The luncheon is just one of the fun things we do at Oakmont Ceramics. Why not join us and you can have a

great time too? Plus, you can meet new people and find your creative skills. Yes, you DO have creative skills, you just need to find them and we will help you. Come on in and join Oakmont Ceramics. You only need \$5, an RCSC card and seven hours a month to monitor. Then you will be on your way to fun, creativity, and new friends.

Food for thought: No man in this world has more courage than the one who can stop after he has eaten one peanut. Our hours: Monday to Thursday 8am to 3pm, Friday 8am to noon.

## Democratic Club

Sun City Democratic Club will meet Thursday April 7 at Sundial Recreation Center. Arizona is tasked with redistricting the state for purposes of elections of government representatives. All are invited for cookies and coffee, starting at 6:30pm.

Do you like playing cards and other sorts of games? If so, you will probably enjoy playing Mah Jongg. It is a fun and entertaining game using tiles, instead of cards. The purpose, somewhat like gin rummy, is to create a hand with a specific arrangement of suits and numbers.

If you would like to learn to play, the Mah Jongg club offers free lessons several times a year. You are also welcome to stop in during club play time

and watch. If you already know how to play, come join us. The club plays National League and Asian and meets at Sundial West Hall on Tuesdays noon to 4pm, and Marinette Center Thursdays 6 to 9pm, and Sundays noon to 4pm.

## Lakeview Ceramics

At a recent Sweetheart Potluck, the Lakeview Ceramics & Porcelain Club honored Dottie Weedman, a long-time certified ceramics instructor for RCSC. Oakmont was the first recreation center, and Dottie was there, 50 years ago for the opening. Among Dottie's mementos, Dottie has a photo of herself with Del Webb and Gov. Paul Fannin at the opening of Oakmont Center. Since then, Dottie has taught ceramics at all the ceramics clubs in Sun City. We are happy to have her with us at Lakeview every Wednesday morning, sharing her wealth of ceramic knowledge. Come to Fairway China painting and pick out a beautiful piece of hand-painted china for someone special. Give a gift, give a memory. Come join us. You have time to make your own memory. Have a Blessed and Happy Easter.

## Aqua Fitness plans for summer

Did you enjoy our uniquely different style show, "Fashions for a Day in the Life of a Sun Citian"? The instructors all designed their own costumes and characters and had lots of fun performing for the members at the 2011 Appreciation Party. The party was catered by Mojos, a popular Sun City eatery, which also provided two of the many door prizes.

Registration for the Summer One Session will be Saturday, April 9 at Sundial Auditorium. Doors will open at 7:30am and the meeting will begin at 8:30am. If you are not a current member of the club or know of someone

## LV Woodworking

Happy Easter to everyone. This month we would like to share with you some of our beautiful religious designs created by our members. Ken's "Jesus carrying the Cross" scrolled out of purple heart wood in a maple frame, Bob and Ken's intricate oak crosses and Loren's olive wood and turquoise crosses. Turned vases with hand carved flowers by Dick. So many beautiful things can be created with the scroll saw and could be a great hobby for you. Call us at 623-933-2355. Hours are Monday through Friday 8am to 5pm and Saturday 8am to noon. A special thank you to our chefs Gene, Jim and Virgil. Our annual Valentine's Dinner was wonderful.

## Chess Club

Many scientific studies have shown that keeping your mind active is the best way to avoid old-age mental problems such as Alzheimer's and dementia. Let us help you to keep your mind healthy with chess! Solve the chess problem. Black to move and mate in three moves.

Open to all RCSC Cardholders. Free chess lessons to all. For your own well being join us 1 to 4pm, Wednesday and Thursday in Lakeview Social Hall #3.

## Sun City Carvers growing fast

The Sun City Carving Club is experiencing its largest and fastest "growth spurt" as more RCSC cardholders learn how much fun and satisfaction come from creating a work of art out of a plain piece of wood.

We now have nearly 60 members (men and women) some of whom have never even held a wood-carving knife in their hands before producing animals, toys, faces, cowboys, puzzles, plaques, whistles, castles, dragons or whatever suits your fancy.

The club holds classes and guidance in safety, tools and supplies, technique, basic carving, relief carving, wood burning, gourd carving and decorating and much more.

The new officers this year are President Stephen Fitzgerald, Vice President Malcolm Lauderdale, Treasurer

Terry Damato and Secretary Judy Marta. One primary goal of the officers is to provide an enjoyable and comfortable atmosphere and a workplace providing for and enabling the carver to do his best work.

The club meets Thursday and Saturday from 8am to noon in Lakeview Social Hall #3. All RCSC cardholders and their visitors are welcome to attend. Membership dues are \$5 annually.

## Lakeview Lawn Bowl

Those listed as contacts in various lawn bowling articles are either club presidents or organizers in various aspects of game or club activities.

Presidents are: Bell: Amy Heidebrink, 623-583-4432 | Lakeview: Myra Wood, 623-977-6559 | Mountain View/Fairway: John Wilson, 623-933-8397 | Oakmont: Rich Enockson, 623-444-7194.

You can call them for FREE lessons.

On January 30, Oakmont hosted a great burger, brat and kraut feed with desserts so delicious the contributors should have given out their recipes. It started with afternoon bowling. Seventy bowlers turned out. Sixty-four filled the Oakmont green and the

remainder went to Lakeview to make up a game.

Our remaining events:

One big tournament left: South Central Division Singles tournament April 1-5 at Bell LBC. It's a biggie. Singles are the most spectator-friendly of all lawn bowling games, so this is your best opportunity to see top bowlers of this division in exciting competition. Come out and give it a look.

On April 15 Bell hosts a "back to the '50s" party. Call Amy Heidebrink if you're interested in details.

Give Lawn bowling a try – see for yourself how easy it really is. Call Myra Wood at 623-977-6559 to get started.

## Mountain View Lawn Bowl

She's Anna Thompson; she can be found at Mountain View or one of the other Sun City lawn bowling greens most any day of the week. You'll easily recognize her, dressed in white, with an infectious enthusiasm.

A Sun City denizen since 2003, she saw people dressed in white rolling strange balls on the grass, but in 2010 she actually stopped to watch the game, rolled a couple of bowls herself and was hooked. The game, the people, the environment, it all just felt good and she instantly signed up for (free) lessons.

Anna was involved in community

theatre, swimming, golf, etc. but hasn't touched her golf clubs since discovering lawn bowling. "It's more fun, more social, and whole lot cheaper," she says. She enjoys the new friends, the fact you don't have to make up a foursome to get in a game (just show up and you're in a game), and the way everyone helps you and supports you during the game. But most of all, Anna loves the mental aspect of the game and competitive opportunities. "It's a very 'polite' game" she says in summary, "a great fun way to get both mental and physical exercise."

## Bell Lawn Bowl Club

The Fairway/Mountain View Club introduced you to Anna Thompson. Well she bowls at Bell (and Oakmont and Lakeview) too, and there's more to her story. "Lawn bowling isn't for everybody," Anna says, "but you have to know a bit about the game to make that decision. One can't just walk past a game in progress and grasp the strategy, tactics, the challenge, and just plain fun. And, I'm so impressed at the age of some of these great bowlers. It's a game that really does keep you young."

She remains involved in community theatre so you can see this bud-

ding starlet in their productions – but we'd rather you met her on one of our lawn bowling greens. She is still a tyro (learner) in lawn bowls – but, so are we all. You can learn the fundamentals in a couple days, and spend the rest of your life learning to be a lawn bowler.

Sound intriguing? Stop by any Sun City lawn bowling club to see for yourself. Check times and locations in SunViews under "SPORTS" in the Activities Calendar. Watch a game, maybe roll a bowl or two yourself. Call Amy Heidebrink, 623-583-4432, to get started.

## Oakmont Lawn Bowl

On February 1, 16 ladies gathered at Oakmont for the first round of the Sun City Ladies Singles lawn bowling tournament. It was a trademark Arizona winter day, but by mid afternoon the wind was up and a little chilly with several bowlers pulling on sweaters.

Tuesday dawned a blustery 33 degrees on 20-knot gusting winds. A half-glass of water left on the patio overnight was frozen solid, and enthusiasm for the second day of Ladies Singles was at low ebb. But, by 9:30am, it had warmed to 36 degrees and 16 ladies, veritable fashion statements of winter weather wear, were gath-

ered at the Mountain View green to conclude their competition. To everyone's relief, cooler heads prevailed and Ellen Edwards was declared winner of an abbreviated 2011 tournament, followed by Sue Roth and Dora Stewart.

You may have thought lawn bowling a fair-weather sport. Well these ladies were ready to bowl, if necessary, with temps in the 30s and wind gusts in the 20s. But, it's rarely this way and it must be fun if the ladies were prepared to put up with such conditions, right?

Give it a try. It's more than you think. Lessons are FREE, call Rich Enockson, 623-444-7194.

## Single Social Club

All single cardholders are invited to join the Singles Social Club. You will meet many new people and enjoy many different activities. For more information call Whitey at 623-583-8826.

We have potluck at Oakmont Center the first Friday of each month at 6pm. Please bring your own utensils and a salad or hot dish to share. Coffee and iced tea are provided. The third Friday is game night. Again, coffee and iced tea are provided and any snacks you bring are appreciated.

Every Saturday we meet at the Royal

They are very durable and have many uses. Eugenia is explaining to guild member Betsy Crane how the process works. This is a wonderful way to recycle plastic bags. The patterns Eugenia shared are easy to use and the guild members appreciate her for the time she spent demonstrating this activity. The Handweavers' Guild room is at Sundial Center. The hours

are 9am to 3pm Monday through Friday. Many different weaving processes and classes include: Shirett, Inkle Hardanger and Basket Weaving. Come by the room or call 623-933-0397 for more information.

## Artistic Weavers & Fiber Artists

This year is flying, and like all previous months, March has been a busy one. We've had lots of fun learning to weave plastic tote bags, make and decorate paper gift boxes, and refresh our skills in warping threads and making string heddles. Club members also enjoyed a field trip to the Fiber Factory in Mesa, which included lunch at nearby Grandma's Restaurant.

After our February program on color interaction for handweavers, we're planning a workshop to make samples for our reference library, and this month features "Show & Tell" where we get to see everyone's finished, or

nearly done, projects. Then, being inspired, we'll shop at our Stash Sale on April 1. It's a great opportunity to pick up raw materials and equipment for a good price. At our "Mad Hatter's Tea" on April 22, you'll find us all wearing crazy hats and competing for first place while munching on fancy sandwiches, scones and cakes. Yum!

If these activities, weaving or spinning sound like fun, stop by the clubroom at Oakmont, Mondays through Fridays from 9am until 3pm. Membership is open to all RCSC cardholders and we'd love to have you join us!

## RV Club plans events, meetings

Whether you want to "hit the road with your friends" or simply have good times, local meetings and day trips, you may wish to consider the Sun City RV Club. All RCSC cardholders who may have an interest in participating are encouraged to attend the meetings. You will meet enthusiastic RVers. It is not required to own an RV.

On Tuesday, April 26 at 10am, the club Board of Directors will meet. Any interested member is welcome to attend and observe the meeting.

Also that day, starting at 5:30pm, is our social hour, potluck/general meeting and evening of entertainment, at

Sundial West Hall. Each couple attending is asked to bring a dish to share, serving eight to 10 people.

The evening entertainment will feature Director Jane Brambilla, a distinct "Who's who" among American music teachers, and the wonderfully blended voices of the Choraliers.

Caravan signup begins at 9:30am April 29 at Sundial West Hall, followed by a meeting at 10am. Caravan Wagon-Master awards will be presented.

For more information, visit [www.sca-zrvclub.com](http://www.sca-zrvclub.com), or contact Bob Downey at 925-972-6982.

New members can also enroll in a Computing 101 class when joining

the club. This introductory class provides three two-hour sessions. Cost for this class is \$5; handouts are provided. After completing a Computing 101 class, new members can enroll in additional classes, such as personal computer operating system; Windows Explorer; Microsoft Word, Excel, and PowerPoint.

## Players present 'Secret' comedy

If you haven't heard the latest about Mildred Wild, don't fail to meet her when the Players present "The Secret Affairs of Mildred Wild," a comedy and our second show celebrating 50 years of theater. We've never "stretched" quite like this before. The show details transition from radio to TV with the movie/movie magazine craze which still powers Mildred's life. For a nostalgic look back, plan to go April 29-30, May 1,5,6-8 to Mountain View Center with Thursday and Sunday 2pm matinee and Friday and Saturday showings at 7pm. Reserved \$8 tickets go on sale at Sundial Center

April 25-29 and May 2-6 from 10am to 1pm. or one hour before each performance at Mountain View.

Surely some of you remember those exciting treks to the movies and poring over the glamorous magazine covers at the drugstore on the sly. When we played "dress-up" we weren't mommies but took names like Peggy Palvin and found some lipstick and high heels to enhance our beauty. Boys liked the

movies, or maybe it was to watch the girls. Well, you'll be goggle-eyed; we guarantee you'll wish you had some popcorn. Info: 623-972-9421. Sorry, no phone reservations or credit cards.

## Oakmont Lapidary & Silvercraft

Several years ago, Margaret "Margie" Richards and her husband signed the closing papers on a Sun City house in the afternoon and Margie took a silvercraft class that evening. She wasted no time! While silvercraft is her favorite activity, she has explored lapidary, wire wrap, glass fusion, faceting and is a member of OL&SC's "chain gang." Margie is on the calling committee for OL&SC and is a monitor for the club on Friday afternoons. Come by the club, meet Margie and check out the jewelry designs that are for sale in the club store.

OL&SC's annual "Spring Fling" potluck will be at Oakmont Recreation Center on Monday, April 4 after the monthly meeting. Classes in silvercraft, lapidary, glass fusion, faceting, wire wrap, and chain making are being

offered by friendly and helpful club members. Sign up today!

Oakmont Lapidary & Silvercraft Club is at Oakmont Recreation Center. Club hours are Monday through Friday 8am to 3pm and our new phone number is 623-738-7945. OL&SC is open to all RCSC cardholders.

## Piano Club slates last season show

The Piano Club of Sun City will hold its last public program of the season at 9:30am Friday, April 15 in Sundial Auditorium. The program will consist of an enjoyable piano variety program, served up with humor! This has been a very successful year for the club, with many new members joining and larger audiences. The group meets on the third Friday of every month, October through April, at the same time and location.

Don't miss the fun! Guests and new members are always welcome. To join, a membership application and nominal annual dues (\$4-\$5) are required. Many members and guests just listen, but there are opportunities to perform throughout the year.

The club continues meeting during the summer in private homes. For more information, call 623-974-0264 or communicate through our e-mail address, 4pcofsc@cox.net.

## Palo Verde Artists

Yum! Plan on dining well at this month's gathering! April always means a scrumptious spring luncheon for the Palo Verde Artists Club. It's a potluck, so you're welcome to bring a covered dish and join us in Sundial East Hall on Monday, April 4 at noon.

Our demonstration at the meeting will be done by our own Doris Canavan, who is not only a member but teaches our oil painting classes as well. Doris has taught art for over 40 years and has attended art workshops all over the U.S. with well-known artists. She has won many awards and has paintings hanging in both private and public collections. She'll be showing us her technique for painting children's

portraits in oil.

The club's April Artist of the Month is Marvin Hardin who studied art at Phoenix Community College and completed the Famous Artists School home-study course in Commercial Art, Illustration (founded by Norman Rockwell). Look for Marvin's work in the Sundial Showcase above the pool.

## Dance For Fitness

Spring is in the air. Is there a spring in your step, or are you just plodding along? If not, check out Dance for Fitness. After all, you want to look "grrrrreat" in your Easter outfit.

We welcome all Sun Citians (male or female) as long as you have your current RCSC card and a willingness to kick up your heels. Don't worry, we don't get that energetic. But, you will get a full-body workout that benefits your three B's: body, balance and brains. As they say: use them or lose them.

We meet three times weekly: Bell on Tuesday, Sundial on Wednesday and Mountain View on Friday. Times are the same at all three: 9 to 10am. All participants should be on the floor by 8:45am. Shoes that tie and slide across the floor, and comfortable clothes that you can move freely in are suggested.

What a great bargain! Membership is only \$4, and covers all of the above classes. No individual class fees. For information, please call Peggy at 623-974-6946.

## Garden Club exceeds citrus goal

The Garden Club, on behalf of St. Mary's / Westside Food Bank Alliance, would like to extend a huge Thank You to Sun City residents for their contribution to Citrus Drive 2011. As of this writing, the Citrus Drive, which ended March 12, was on track to exceed the goal of 500,000 pounds. Our drop-off sites at Marinette, Bell, Sundial and Sun Bowl were never busier. Rest assured, St. Mary's Food Bank distributes the citrus to deserving local families and also exchanges our citrus for needed food supplies from around the country and throughout the year.

Garden Club volunteers were positively overwhelmed by your glean-

ing requests this year. Even though the number of requests far exceeded our resources, we want you to know we appreciate your response and sincerely apologize for not being able to honor all requests. Garden Club activities extended beyond the Citrus Drive this month with an informative presentation by the Desert Botanical Garden at our March general membership meeting and we look forward to welcoming the Maricopa County Master Gardeners at our April gathering. Our club meets at 8:30am the first Tuesday of each month in Sundial East Hall. Guests are always welcome! Our phone number is 623-875-5921.

We are very proud to have eight couples playing in the band, it shows that music is one of the best ways to share a happy retirement together with common interests.

## Bell Shuffleboard wins championship

The Bell Shuffleboard team won the Arizona Shuffleboard Association District 5 championship again. We played against very competitive groups from the Northwest Valley and enjoyed meeting and playing old and new friends. The winning team, in the photo, is Peter Hrynew, Glen Casady, Gary Binder, Dick Price, Bill Belander, Edna Hrynew and Harl Dunkin.

The election of officers for the new term was held at our closing banquet February 25. Trophies and gift certificates were presented to players on the winning teams. This year, Hall of Fame certificates, for work performed in our district, were presented to Mary Price, Dick Price and Peter Hrynew.

Don't forget to mark your calendar for the East-West Goodwill Tournament at Bell from September 14 to 20. Some of the people from Bell will play

in the games and 64 players from eastern and western states will participate. There are also many folks that remain in Sun City for the summer and they will enjoy playing in our inside courts during the hot temperatures. Anyone with an RCSC card who wishes to have free lessons and join our happy group should call Peter Hrynew at 623-974-1456 or Dick Price at 623-876-9525. New members are very welcome.

## Clay Club show successful

As in the past 22 years the Sun City Clay Club's annual Juried was a huge success. There were many first time clay artists entering pieces as well as first-timers to the show winning pieces! Congratulations to all! Thanks for all of your participation and interest in the show.

The winners are too many to name as there were 15 individual categories with three winners in each category. THE BEST OF SHOW: Ronda Miller and PEOPLE'S CHOICE winner: Juel Homolka, in addition to ribbons in other categories. Many walked away with numerous ribbons, Ronda Miller, Jeanne Lancaster, Susan Craver, Kathy Knoebel, a first-timer; Sylvia Pinto, Phyllis Stringer, Diane Beauchamp, Louise Cole, another first-timer and Sharon Olson.

In addition to the showroom, the guests of the show visited the clubroom as it was open for sales with numerous tables as well as display shelves full of beautiful pieces.

The clubroom is open every day from 8am to 4pm. The Clay Club is open Tuesday and Thursdays 6 to 9pm.

Be sure and visit us April 2 during the Lakeview Open House. We will have demos going as well as raffle prizes!

## Racquetball: Snowbirds' delight

What better way to avoid the cold or hot weather back home, than to live in Sun City and partake in healthy exercise in our perfectly maintained and temperature controlled courts? Spring, summer, fall and winter – join us with your racquet or ours; we have them to lend, in addition to the necessary eyewear for protection (a must). You'll need to bring your own clean court shoes and your RCSC card (or be a guest of a cardholders) and sign in at the booth and in the courts. Our \$5 club fee is valid for the entire year. Membership forms can be found on the bulletin board.

The courts are at Bell Center near lawn bowling, tennis, mini golf and ping pong.

All levels of play are available to you. If you're not sure about ability level, drop by Saturdays from 10am to 1pm when there's a variety of levels being played? Court hours: Monday through Saturday 6am to 9pm and Sunday 8am to 8pm. Club times are listed within the courts, as well as names of enthusiasts looking for games.

## Pickleball: Fun game, fun club

Pickleball Club members play at earlier daytime hours outdoors during April at the Mountain View courts as shown below. Club members playing at Marinette continue at the same hours as last month for both daytime and evenings. It is next month when both locations change to a summertime schedule.

During club play times, a club monitor must be present. RCSC cardholders can watch and then try three free half-hour beginner lessons prior to joining the club. Guests can watch at either location.

Pickleball is a combination of tennis and ping pong, played on a badminton-sized court with a low net, usually with four players, using paddles and a baseball-sized wiffle ball. Previous racquetball or tennis sport experience is helpful, but not required. Teams can be coed, men, or women. Tennis shoes

are required.

The club provides paddles and wiffle balls for free beginner lessons to RCSC cardholders. Lessons weekly at Marinette are shown below. For Mountain View lessons, call Alesia Brown (623-583-4972). To join our club, fill out our dues sheet and pay the annual dues. A valid RCSC card is required. More information visit our club website: [suncitypickleballclub.org](http://suncitypickleballclub.org).

## Fairway Sterling & Stones

The Fairway Center Spring Craft Fair is coming April 23. We will have all kinds of jewelry for sale, a raffle for several pieces and a bake sale going on. We will also have tours to give you a feel for what we do. Other clubs will also have events, so come by and see us all. Get acquainted with the new Fairway Recreation Center.

On March 14th we had a pizza party general meeting. We had a great time. Our next general meeting is on April 11.

If you can't make it to the Fair, or can't wait until then, drop by the club

for a tour. Our hours for creation and jewelry sales are from 8am to 3pm Monday through Friday, and 8am to noon on Saturday. We also have additional creation hours from 4:30 to 8pm on Tuesday and Wednesday for those that have problems getting in during the day; no jewelry sales for those hours though.

Classes are available for basic silver smithing, lapidary, wire wrapping, chain making, lost wax casting and glass fusion. Come see what all the excitement is about!

## Sun City Squares in synch

Synchronicity is the simultaneous occurrence of events that appear to be significantly related, but you can't see why one event would ever cause the other event.

How have things been set up for you in square dancing? For most people becoming a square dancer did not just happen out of the blue. You were set up for success, but you had to say, "Yes" somewhere along the way.

Consider who gave each one of us encouragement along the way, and remember those people. It wasn't luck or coincidence these events happened or that various people helped us, but it was part of a "grand plan for your life."

The most important aspect in your life should be to make people happy and make them feel good about themselves. We will have a lot of new dancers this summer; try to make them

feel welcome and like they are doing a good job. The more floor time they have with patient experienced dancers will help them become patient experienced dancers. Remember, square dancing is fun!

The end of April concludes our winter dancing season. We move right into summer dancing May 3 with Dan Nordbye, caller. Dances are open to RCSC cardholders and guests.

Come to the fair. Fairway Recreation Center is holding a spring Fun Fair on Saturday, April 23. Come see the great crafts that the many craft clubs make at Fairway.

Also, if you have not yet seen the inside of the new Fairway Recreation Center, this would be a good opportunity to do so. This also will be a good time to buy gifts made by the many craft clubs.

Stop by the wood shop and see the display of wood crafted items we have for sale.

## Library news: Book sale success and book signings

No April Fools jokes and hopefully only a few gentle April showers. This is one of the best months in Arizona. Warm, but not hot. Sunny, but still a sky full of fluffy white clouds. What could be better? For the snowbirds it is perhaps their farewell month. For the rest of us it is that time when parking lots have more empty spaces and roads have fewer cars. So settle in and enjoy April.

### Past

The Friends of the Sun City Library had a really good year. Our annual report for 2010 included the following (not a complete list, but will save some for next month):

1. Bought furnishings, technology, shelving and books for the Fairway Branch Library opening by using \$200,000 of the Alice Ruth Underwood estate funds.
2. Made \$28,457 in the bookstore, selling books generously donated by

Sun City residents.

3. Initiated a community outreach program of volunteers delivering books to housebound Sun City residents.

4. Received over \$568,000 in estate bequests.

5. Secured a new post office box address: PO Box 2000 Sun City, Ariz. 84372

6. Continued a publicity program through a monthly SunViews column, Independent advertisements, meeting notices, special event posters, organizational signage, book and sale flyers and other marketing opportunities.

7. Continued membership activities through a Grand Opening Party for Fairway Library, Bell Library's first anniversary with Maricopa County, Christmas Volunteer luncheon, new volunteer and Board Member badges and an updated membership roster.

8. Cooperated with the Bell and

Fairway Library managers through a summer reading program for children and adults, a Veterans Day program, other special activities and subscriptions to financial publications for library patrons at both libraries.

None of these great things could have been accomplished without the support of the bookstore and community outreach volunteers; the donations of books, magazines, puzzles and the generous bequests of Sun City residents. THANK YOU ALL!

### Present

The April meeting of the Friends will be on Thursday, April 14 at 9:30am in the Program Room of the Bell branch of the library. Please attend and participate.

Carolyn O'Bagy Davis, author of "Hopi Summer" will be at the Bell library at 1pm Monday, April 18 to discuss her book and answer questions. "Hopi Summer" is the One

Book Arizona selection for 2011. It will be promoted and read all over the state.

The next book sale special will be the week of April 4. A fantastic offering of paperback books will be going on every day of that week. Come and stock up for summer. You won't see a sale like this anywhere else.

Our annual Volunteer Appreciation Dinner will be on April 20 at Sun City Country Club. Look for more information in both libraries of in the mail.

### Future

Summer is just around the corner and some of our volunteers will be leaving for a few weeks or a few months. If you can be a substitute volunteer during that time, please come in to the book store and sign up. You will enjoy working there and meeting all the people who come in for books. Training is minimal. You can do it. It is so nice feel needed.

PRESIDENT: Energy Conservation

continued from Page 1  
heat or totally heat the swimming pool water.  
• Pool covers are being installed on most RCSC pools to save on water heating when pools are not in use.

Electrical Savings

• New set-back thermostats installed on heating/cooling equipment (HVAC). Most of these are the new APS set-back thermostats which not only save energy but also provide the RCSC with an annual program participation rebate.  
• As air conditioning / heating equipment is being replaced it is being done with energy efficient units which have a power savings of about 20% per operational hour per unit.  
• Lighting in all facilities is being evaluated and retrofitted with energy efficient lamps and electronic ballasts. In some cases LED light fixtures have been installed to further save energy and extend lamp life expectancy. The RCSC is also looking into sport activity

area and parking lot lighting in order to further save energy while still providing sufficient light for those areas.  
• Room lighting motion sensors are also being deployed where applicable.  
Although this is not an all inclusive list of everything done at RCSC to conserve energy and resources, you can see that constant and continual action is being taken by our Management Team to make the facilities at RCSC as efficient as possible. And in these efforts to conserve, we would ask that RCSC Cardholders participate by not letting showers or faucets run when water is not in use, turning off lights and/or equipment when not in use, and keep doors shut so that temperature controlled areas are exposed to the exterior temperature as little as possible. We appreciate your cooperation and partnership in our efforts to conserve energy and resources, which in the end saves us all money.
