As we begin this New Year and I begin my year as the President, I felt it was important to talk about the role and duty of the RCSC Board of Directors and you, the Members. In order for RCSC to govern effectively, the Members elect a Board of Directors to act on their behalf. The RCSC Board of Directors’ primary role is to establish and amend policy and to ensure the implementation of that policy through the Corporate Documents. Management is responsible for RCSC’s day-to-day operations and enforcing the Restated Articles of Incorporation, Corporate Bylaws, Board Policies and any and all rules and regulations of the corporation, commonly referred to as the Corporate Documents. Member’s responsibility is to elect a competent Board of Directors.

The RCSC Board of Directors is bound by law to uphold its fiduciary duty. The law imposes fiduciary duty to ensure that power is exercised conscientiously. The RCSC Board of Director’s fiduciary duty requires it to act in the best interests and for the benefit of the corporation, thus the community as a whole. This fiduciary duty has two components: one, to act within the Board’s authority and two, to apply the business judgment rule. The business judgment rule requires the Board of Directors to act within the Board’s authority and to apply the business judgment rule. The business judgment rule requires the Board of Directors to act within the Board’s authority and to apply the business judgment rule.
Polish up your shoes and get dressed to the nines, it’s time to dance! The Glenn Miller Orchestra brings its world-famous sound to Sun City for a fabulous night of entertainment.

Sundial Auditorium is the setting for this special one-night-only dance event on Monday, February 28. Doors open at 5:30pm and the dancing kicks off at 6:30pm. Tickets go on sale at 7:30am Tuesday, January 4 in the Clubs & Activities Office at Lakeview Center. Tables of eight and four are $25 per person (closer to the dance floor). Tables of six are $20 per person. If you have friends who want to sit together, we can accommodate this at the time tickets are purchased – no seats will be held.

A cash bar will be available (beer and wine only) and non-alcoholic beverages will also be available for purchase. No outside beverages allowed. Business casual attire (no shorts or jeans) is suggested. Get “In the Mood” and attend – you’ll be glad you did!

The legendary Glenn Miller was one of the most successful of all the dance bandleaders back in the swing era of the 1930s and ‘40s. A matchless string of hit records, the constant impact of radio broadcasts, and the drawing power at theatres, hotels and dance pavilions built and sustained the momentum of popularity.

Glenn disbanded his musical organization in 1942, at the height of its popularity, volunteered for the Army and then organized and led the famous Glenn Miller Army Air Force Band. It went to Europe to entertain servicemen, and then, on December 15, 1944, Maj. Miller took off in a single-engine plane from England to precede his band to France, never to be seen again. The army declared him officially dead a year later.

Due to the popular demand, the Miller Estate organized the formation of the present Glenn Miller Orchestra in 1956 under the direction of drummer Ray McKinley, who had become the unofficial leader of the Army Air Force Band after Glenn’s disappearance. Since then, other leaders have followed. Gary Tole is the next leader and director of the world-famous Glenn Miller Orchestra.

Now, over 55 years since the public first embraced the successful Miller sound, both the legend and the music live on. The Glenn Miller Orchestra is the most sought after big band in the world today for both concert and dance engagements. Still considered the greatest band of all time, its unique sound is loved by almost anybody who cares to dance.

Daily Fitness: Exercise improves golf game

Velda Jacobs loves the game of golf. She plays three times a week and spends extra hours on her chip shots and drives. Velda knows muscle strength is necessary to execute proper golf mechanics. She decided to do something about increasing her muscle strength and overall level of fitness. With the help of a personal trainer, Velda began a comprehensive exercise program at the Bell Fitness Center. Velda discovered that exercise not only improved her golf game, but her quality of life as well.

“Your body dictates your golfing ability,” states Jane Fortier, Daily Fitness personal trainer. “To improve your swing speed, power and accuracy, you need to improve the body that executes the swing. This can be done through an exercise program that focuses on three important areas: Aerobic Capacity, Muscle Strength, and Body Flexibility. Aerobic exercise will improve stamina & endurance, vital to completing 18 holes of golf; Weight Training will strengthen and build muscle tissue, key to gaining club head speed; and Stretching Exercises will improve range of motion and flexibility, essential for a powerful and fluid swing.”

Daily Fitness trainers specialize in teaching individuals how to exercise safely and effectively. They tailor programs to fit clients’ needs and goals. To find out more about personal training services, call 623-256-7901, or visit www.DailyFitnessLLC.com.

Why we spray and those blue dots

You may wonder why we spray so much fertilizer in the winter time than we do in the summer time; or you may have asked this question or been asked this question: What are the blue dots or piles on the fairways or greens?

To answer the first question, in the soil there are microbes that break down the fertilizer in the soil. In the summer time the microbes run rampant because it is warm. In the winter time, when it is cold, the microbes slow down to almost a standstill and very little activity takes place.

For this reason we apply what is called a foliar fertilizer. This type of fertilizer is taken up through the leaves on the plant and the plant is able to use the fertilizer more rapidly than if we applied granular fertilizer in the soil.

We apply liquid fertilizer to the greens every two weeks during the winter time. We use four different products in the winter time on the greens.

We apply liquid fertilizer to the fairways, tees, and green banks every two weeks, as well. We use two different products on these areas.

The term for this type of fertilizer program is called “spoon feeding.” We do not put down more than a quarter-pound of nitrogen fertilizer per 1,000 square feet per application. This keeps the rye grass healthy and does not promote excessive growth.

Now for the blue spots or piles, they are a marking system for our sprayer. The blue stuff is foam that marks the boundary of the sprayer so when we turn around we know where we have sprayed and we do not re-spray areas. This avoids over application of fertilizer. The foam does not have fertilizer in it and will melt as the sun hits it. It will take longer to break down in the winter time due to the cold so we add a blue dye to the foam so you can see your white golf balls.

The essence of music has been deeply rooted in this Italian from New Jersey. At the age of 7, the sounds of the summer winds drifted off the Jersey shores into Guy’s spirit and soul. Guy’s inspiration came from his mother, a devoted Sinatra fan.

One evening Guy and his wife attended a wedding reception. During the reception, Guy’s wife persuaded him to sing a song for the couple. Shyly, Guy went up on stage and sang a classic rendition of “Summer Wind.” One song turned into two, two into three and before he knew it, Guy had sung seven songs for the wedding couple and their guests. Excited about the response from the audience at the wedding and the discovery of his own vocals, Guy and his wife set out to sing at the karaoke bars on Saturday nights.

Stardom soon struck. Guy went on to audition for Dick Clark’s “Your Big Break” on UPN and chosen as a finalist! This was a chance to be seen and heard on national television as a Sinatra sound-a-like. The Dick Clark production staff, amazed by his voice, called Guy eight days later to arrange taping at NBC Studio One in Burbank and aired Guy’s spot singing Sinatra on February 26, 2000.

More opportunities came knocking, Guy performed at a private affair for Phoenix, Arizona’s top radio talent, Beth McDonald. Once again, Guy was enthralled by the positive response and enthusiastic fans. He decided that night singing was his calling. He soon began booking gigs at private parties and corporate functions.

Not long after his big break, Guy had invitations to perform live on radio at several local stations. In the meantime, he met Joni Sledge from Sister Sledge, who took his demo CD to Jimmy Carolin, owner of the Velvet Room. Jimmy was so impressed with Guy’s stage presence and vocals, he booked Guy on the spot to sing Sinatra songs at his club.

Recently, Guy joined forces with some of Arizona’s top talent and created Guy Pennacchio and the Summerwind. The band includes, Barbara Catlin, piano and arrangements, Jerry Donato, soprano and tenor saxophone; Dwight Kilian, acoustic bass and Dom Moio on drums.

RCSC Cancellation Policy: no cancellations. The Clubs and Activities Office will try to re-sell your ticket if there is a wait-list or you may sell it and provide us with the name of the person replacing you. Mark your calendar and plan to attend the Sinatra sound-a-like. You too, will agree the performance is a wonderful tribute to Frank Sinatra!

Registration for Aqua Fitness Club’s spring session is Saturday, January 29 in Sundial Auditorium. Doors open at 7:30am and the meeting starts at 8:30am, with the lottery for classes immediately following. Members are asked to bring food donations for the West Valley Community Food Bank.

The spring session will offer indoor and outdoor classes. Outdoor classes at Oakmont will be augmented with a 9am class at Mountain View. For those preferring the indoors, Sundial will have morning and evening classes in both pools.

For those of you unfamiliar with Aqua Fitness, we offer a “try it before you buy it” session where you may join a class to see if it fits your needs. During the week of January 24-28, you may attend a class (or two) by introducing yourself to the instructor who will assign a helper to assist you through the exercises.

Aqua Fitness is a wonderful way to tone and strengthen muscles. It’s easy and fun. The twice-weekly, 50-minute classes will fly by. The spring session runs February 21 to April 15. Cost is $15 for the eight-week session and annual club dues are $5. Classes are coed and all RCSC cardholders are eligible. For more information, contact Alice Davey at 623-876-8627.

Sew-N-Sew slates programs

Most ready-to-wear clothing is constructed using a serging sewing machine. Seams can be stitched with two, three or four threads. Thread can be serging thread or many types of decorative threads. Using the club’s serger machines, members make knit apparel, baby blankets, home decor items and other items - wherever their creativity takes them.

The February 24 program is “Fun Serger Projects” presented by Erica Doyle, owner of the Sewin’ Asylum in Sun City. The club also has a special interest group for members who have an interest in machine embroidery. Meetings are the third Wednesday of the month at 1pm. The subject for the February 16 meeting is “Positioning Embroidery Designs.” This subject will build on January’s topic of embroidering on knit fabric for infants at Airman’s Attic, Luke Air Force Base.

Members can use the club’s serger and embroidery machines. Membership is open to RCSC cardholders. Club room is at Lakeview Center. Meetings are Thursday 9:30 to 11am. Guests are welcome. Open club room hours are Thursday noon to 3:30pm and Saturdays 9:30am to 3:30pm. For information call 623-974-2951 or visit the club’s website sewnsew.info.

Our picture this month illustrates the beautiful work that can be achieved after taking our class in Basic Silver. From the upper left corner moving clockwise, we have a pendant by Fred, and a pendant by Clair. The bracelet, rings, and coyote/cactus earrings were all done by Fred.

The methods used to create and shape the elements of jewelry include: sawing, filing, shaping grinding and sanding. Many of the tools used in these methods are available in our Tool Room. These are all simple hand tools. Silver in it's many forms and shapes is also available for purchase.

Membership in the Sundial Silver-Stones club is available to any and all Recreation Center cardholders. Please call 623-974-4344 for more information on this class and the ten other disciplines that we practice and teach.

Bocce crowns Super Tourney winner

On December 21, a playoff determined the Bocce Super Tournament winner. From left, John Truitt, Mike McEnery, Russ Larson, Keith Clark, Frank Farrell, Pat Pourchez, Jane Pratt and Richard Sheridan all vied for that top spot. The winner was Jane Pratt. Following respectively were John Truitt, Russ Larson and Keith Clark. Participants were determined by accumulated highest scores for the mid-September through mid-December monthly tournaments. A new contest started in January.

During our December food drive, culminating at our December 13 Christmas party, our caring members donated over 200 pounds of non-perishables for the St. Mary’s Food Bank.

Our courts are carpeted and shaded to provide comfort from the sun. All equipment is furnished and lessons are provided, at no additional cost.

Sundial Shuffleboard

The Sundial Shuffleboard Club elected new leaders for 2011. Officers are President Avis Von Eschen, Vice President Jack Tomashek, Secretary Pat Lindsey and Treasurer/Membership Chair Ruby Bradshaw. Other board members are Dian Chasarik, Irene Strauss, Carl Frank, Maxine Reineck, and Joe Vogler.

Our club plays indoors at Bell Center so you’re not suffering in the winter wind and chill. Come join us where it’s cozy warm. We have a fun-loving bunch that plays on Thursdays at 7pm and encourage you to give us the opportunity to welcome you and ensure you have an enjoyable time. Shuffleboard does not require a lot of physical endurance, that’s why it is the opportune sport for all ages. Relaxation and fun are a good mixture. If you’d prefer to play in the afternoon our club also has courts available on Wednesdays and Saturdays at 1pm.

All equipment is furnished and lessons are available for no additional cost. Annual membership is $2.50. Membership meetings are the first Tuesday of the month at 5pm in the East Hall at Sundial Center. We share a potluck dinner at 5:30pm. For more information, come to the courts on Thursday evenings or call Avis at 623-933-7343.

Bell Shuffleboard

We’ve had our holiday break and have begun the league play against teams from Sunflower, Sun City West, Paradise, Happy Trails and El Mirage. So far, Bell’s Monday and Tuesday teams are doing well and hope to do even better in the coming weeks. All of the teams try very hard to build up the most points so they will be declared the champions of District 5. The winner will play for the Arizona Team Championship later this spring. Qualifying for the State of Arizona State Singles finals will be held this week and by the time you read this, we’ll know which male and female players will be sent to play in Mesa against the winning singles from other cities in Arizona.

Remember that all RCSC cardholders are welcome to come and play with us on Monday, Tuesday and Friday at 1pm. Those games are just for fun and fellowship. We would really like to have more of you come and join us. A yearly membership to our club is $2.50 and each week of play we invest 25 cents each and hope to win it back or perhaps even double our money to 50 cents!
Exercise your mind with Mah Jongg

Articles linking age and memory loss suggest that mind stimulating activities such as Mah-Jongg help keep the brain cells active. If you enjoy playing cards, chances are you will enjoy playing Mah-Jongg as well. It is a fun and entertaining game that uses tiles, instead of cards. The purpose of the game, somewhat like gin rummy, is to create a hand with a specific arrangement of suits and numbers.

The Dynasty Mah-Jongg Club of Sun City meets at Marinette Center on Tuesdays noon to 4pm, Thursdays 6 to 9pm, and Sundays noon to 4pm.

If you would like to learn how to play, the Dynasty Mah-Jongg club offers free lessons several times a year. If you already know how to play, come join us. The Dynasty Mah-Jongg club is open to all RCSC cardholders. For more information contact Tina at 623-208-1027 or Janis at 623-875-3969.

We are also open from 4:30 to 7:30pm on Tuesday and Wednesday to work on jewelry.

Our new president, Bill Larson, has gotten a good start on the new year by delegating a lot of responsibility to other members of the club. Our next general meeting will be our regular lunch potluck on the third Monday of the month, February 21.

If you ever thought about lapidary work (cutting and polishing semi-precious and/or precious stones), glass fusion, or metal jewelry work, come by and see what it is all about. We can give visitors tours whenever we are open, and we love to talk about our hobby. There are classes available for members in lapidary work, glass fusion, wire wrapping, basic silver-smithing and metal casting (silver, gold & bronze) for jewelry.

Players present ‘Once Upon a Mattress’

There may be more than one royal wedding this year! Unlike Prince William, however, 15th Century Prince Dauntless (Ken Love) can’t choose his own bride. A dozen princesses strive to be royal enough for him in “Once upon a Mattress” - the musical to be staged by The Sun City Players Community Theater the first two weekends in March. Bunny Sherman directs and Gloria Russell is music director.

This is the first of three Players’ productions in 2011 at Mountain View Auditorium in their Golden Anniversary Year and a reception will be held prior to the March 4 opening night performance to usher in the gala season.

“Mattress,” with book by Mary Rodgers and lyrics by Marshall Barer, launched the career of Carol Burnett.

Hatha Yoga keeps you healthy

Thinking of “taking it easy” as you grow older? Think again! Surely you know that extended periods of sitting lead to muscles shortening, tightening and weakening. Lack of weight-bearing activity contributes to osteoporosis. Lack of movement and stretching leads to joint deterioration and loss of flexibility.

If that isn’t enough, what about losing your balance and falling? Yikes! It can happen easily when you’re not challenging your balance in various positions and not building bone and muscle strength.

The solution? Yoga can alleviate or reduce many of these health challenges, making it an ideal exercise choice for those of us in the older adult population.

The Hatha Yoga Club offers classes for all levels of yoga practitioners – beginner to more advanced. Class times and locations are listed on Page 21. For more information, see our brochure on the window of the Sundial Aerobics Room. To attend bring a yoga mat and a small blanket along with your RCSC card, $5 for club membership and $3 for each class. Arrive no later than 15 minutes before class to register. Come on an empty stomach in loose clothing and join us soon!

The officers of the Sun City Handweavers and Spinners Guild for 2011 are: President Cecelia Bieringer, Secretary Peggy Loken, Vice President Susan Varga and Treasurer Kathy Shawl. They were installed in December at the annual holiday luncheon meeting of the guild. The regular membership meetings are always the first Monday of the month at 1pm in the guild room at Sundial Center. All Sun City residents and visitors are invited to come to the guild room 9am to 3pm Monday through Friday to see the weavers in action. There are many types of classes offered and with an RCSC card, one can sign up and get started. Check out this list of classes: Hardanger and Shirett: Inkle, and Basket weaving; and Spinning. Call 623-933-0397 for information.

Piano Club hosts variety show

The Piano Club will present a variety showcase of talented instrumentalists at 9:30am Friday February 18 in the Sundial Auditorium. The music will include jazz, classical, pop, bluegrass, and bebop! For this annual event, we call on some talented musicians in the community, playing other instruments, as well as our own members. It is one of our most popular programs of the year. Don’t miss the fun! The club meets on the third Friday of every month, October through April, at the same time and location. Guests are always welcome. To join, a membership application and nominal annual dues are required. Many members and guests just listen, but there are opportunities to perform throughout the year. For more information, call 623-792-7266 or communicate through our e-mail address 4pcosfsc@cox.net.

Oakmont Lapidary & Silvercraft

Patty Stimpson has been Oakmont Lapidary & Silvercraft Club’s secretary for two years. She enjoys visiting with the friendly and helpful club members when she goes to the club to work on her projects. While she has tried all of the programs the club has to offer, Patty’s favorites are silvercraft and lapidary. Patty is really looking forward to attending the Tucson Gem, Mineral & Fossil Show this year to see how jewelry styles have changed. She is also looking forward to spending money and lots of energy on getting this year’s latest and greatest new stones and some old stones that are cut in a new way. Patty’s silvercraft and beaded jewelry creations are on sale in the OL&SC showroom.

Bell Silvercraft’s new president

Don Waters is the Bell Silvercraft president for 2011. He has been an active member of the club for many years. He is very talented with the engraving equipment as well as all other silvercraft processes. Don, and his fellow officers, look forward to leading the group during the year ahead. Beginning classes are offered all during the year and other classes take place as needed. Come to the club room at Bell Center and see the artists at work. The club room is open 8am to 3:30pm Monday through Saturday. As an added incentive, the room is open on Monday 8am to 8pm. All RCSC cardholders are welcome.
Satisfy resolutions at Square Dance

You leave always with a feeling that you had a wonderfully good evening of dancing, fellowship, and fun.

Square dancing should satisfy our desires and intentions for fun, fellowship, and exercise. That, in essence, meets the satisfaction of the three areas of our being - mental, physical, and social. Let's urge all of those in our wonderful world of square dancers to be friends to all the dancers. Let us keep the fun and fellowship in our fabulous activity. Happy Square Dancing to all of you!

Dances are open to RCSC cardholders and guests. For information: 623-875-2642, 623-930-7513, 623-341-3726 or suncitysquares@q.com.

Artistic Weavers host Spinning Bee

February, the month of love. What an appropriate time for the Artistic Weavers Club to hold its annual Spinning Bee. Our Spinners love to get together with other area guilds for a day of spinning, talking, lunch and laughter. This year’s bee takes place February 23 and includes spinners from Sundial, Sun City West and Surprise.

February is a great month for weaving activities too. Basket weaving classes are held every Monday. Our Beginners 2/Intermediate weaving classes continue throughout the month and January’s Rag Rug Weaving classes will be replaced by our February Fridays’ Navajo Rug Weaving course starting on February 4.

Throughout the year, the club holds several mini-workshops, takes interesting field trips and hosts great guest speakers like January’s Christine Wold who presented her program, “The Bear Truth” at our membership meeting.

Membership is open to all RCSC cardholders. You’ll find us at Oakmont, Mondays through Fridays 9am till 3pm. Please stop by to learn more about our spinning, weaving and basket making programs or to shop for items hand crafted by our talented members. We enjoy sharing information and making new friends and we’d love to have you join us!

Cool Breezes to blow through RV Club

Cool Breezes, an energetic duo, will entertain the Sun City RV Club with delightful renditions of songs and dances at the club potluck on Tuesday February 22 at Sundial West Hall. All RCSC cardholders and their guests are invited to join the club for this pleasurable evening. Each couple attending is asked to bring a dish to share, serving eight to 10 people. The evening begins with the social hour at 5:30pm. Dinner commences at 6pm, followed at 7pm by the evening’s entertainment. A very enjoyable evening is anticipated.

A caravan meeting is scheduled at 9:30am February 25 in Sundial West Hall. At this meeting, Caravan Wagoners and guests will share their knowledge of camping tips and traveling with their RVs. Happy New Year to everyone. Members of the Bell Craft Club continue to be busy creating their beautiful handmade items. The usual classes are going strong. We have over a dozen crafts scheduled during the week. Garden Club set to launch Citrus Drive

The New Year brings the outlook for an exciting 2011 to the Garden Club of Sun City. Recent elections culminated in a fond farewell to a number of outgoing club officers at last month’s festive Christmas Celebration and a hearty welcome is now extended to our new board led by Phyllis Davis, club president. Planning for a number of club programs continued including the January 25 tour of the Bucket Garden System facility in Queen Creek sponsored by Ted Hallet, The Garden Master. In the coming months we will host programs by the Desert Botanical Garden as well as the University of Arizona’s Master Gardener Program.

The club is also finalizing plans to launch the Sun City Citrus Drive 2011 on Tuesday February 1. Our goal is to surpass the 460,000 pounds collected in 2009 with 500,000 pounds of oranges, lemons and grapefruit in 2011. Fruit drop-off sites remain the same in the parking lots of Sundial, Bell and Maricopa Centers and the Sun Bowl. For further information contact the Clubs Office at 623-875-5921.

The Garden Club meets at 8:30am the first Tuesday of each month in Sundial East Hall.

Jazz it up with All That Jazz

Why not “jazz” up your body while having fun and getting some great exercise? All That Jazz consists of low impact aerobics, stretching and toning and a wonderful relaxing cool down, all done to great music. This is a great class to improve balance, stamina and core strength. Classes are Tuesdays and Thursdays from 1 to 2pm in the Arizona Room at Fairway. All RCSC cardholders are welcome. Your first class is free then membership is only $10 per year and each class is only $3. So grab a friend and come check us out. You’ll be glad you did! For more information, feel free to call Sue at 623-972-4583 or Betty at 623-505-3028.

Tip Top Dance

Don’t give up on your resolution to get fit. We have classes for all levels of dance in tap, ballet, theater and a jazz workout. $10 will pay for a year’s membership to TIP TOP DANCERS. Individual classes can give you information about payments for sessions. Remember that a fun way to keep in shape is to dance, a wonderful cardiovascular workout. Club membership is open to all RCSC cardholders. A schedule is in the Activities section. Any questions, call Clairron at 623-876-0140. Laugh, Exercise, Dance often.

Book Sale
If the numbers seven and 11 are lucky for you then the week of February 7 is your lucky time. The Books Around the Corner bookstore is having a really great STOREWIDE sale. Everything – EVERYTHING – is on sale at half price or less. Well, as usual I have made a liar out of myself. There is an exception to “everything.” The collectibles are not going on sale. But all the other books are.

Now is the time to stock up. After all, there is still some winter ahead of us and no one wants to be caught without enough reading material.

Annual Meeting
The Friends of the Sun City Library will hold its annual meeting on February 10 at 9:30am. As usual, we will meet in the Program Room of the Bell branch of the Maricopa County Library. Come and bring a friend. If you have any suggestions for visiting authors or other items that is the time and place to ring them up. Any new ideas for book store events are always welcome. Even if you have a complaint, come anyway.

Homebound Deliveries
There have been several folks signed up for the homebound delivery and pickup. If you or someone you know is in need of this service please drop in to the bookstore or call us at 602-651-2014. Someone will contact you with the details.

Volunteer of the Month
This month our tribute to the Volunteer of the Month is also a farewell. Eleanor Szubka has lived in Sun City for 24 years. After the death of her husband 14 years ago, she became a library volunteer and worked in the circulation area on Tuesday mornings. After the library change over, she continued with her Tuesday mornings in the bookstore. Always a lover of books, she has fond memories of her hometown library located on the second floor of a park building. Not exactly the public library we think of today. Even so, she won many ribbons for her participation in summer reading programs.

Eleanor is fortunate enough to have a daughter, Dianne, two grandchildren and two great grandchildren with whom she spent the recent holidays in Illinois.

In all the years she has worked in the library she has relied on loyal friends and church transportation services to get her there. She even walked when no other option was available. That’s dedication.

Those of us who know her personally will miss her faithful help, cheerful personality and good nature. We wish her well in her new home and hope that she will have the opportunity to drop in and visit. As Lawrence Welk would say, “Auf Wiederschein” or “Hasta la Vista, baby,” or “see you around,” but not good-bye.

Past Tense
The Christmas tree is down and the decorations are put away for another year.

But we would like to express our appreciation to all of the wonderfully talented volunteers who contributed to the success of this endeavor; and to all the equally wonderful patrons who purchased their work and made the 2010 holiday season such a great one.

PRESIDENT: About the Board

continued from Page 1

to exercise the duty of care and the duty
of undivided loyalty.

The RCSC Board of Director’s legal
authority is found in the Arizona
Revised Statutes – Title 10, RCSC’s
Restated Articles of Incorporation and
RCSC’s Corporate Bylaws. The busi-
ness judgment rule asserts if a board
has exercised reasonable business judg-
ment in making a decision, the board is
not consider negligent in its fiduciary
duty. A board is not liable if they have
practiced the business judgment rule
even if the decision turns out to have
been a poor one.

Under the duty of care, the RCSC
Board of Directors is expected to act
in accordance with both the law and
RCSC’s Corporate Documents, and to
use the care and skill that a prudent per-
son would use in similar circumstances.
Undivided loyalty is the most stringent
duty the law imposes on a board. To
exercise a board’s duty of undivided
loyalty, the board should avoid conflicts
of interest, which occur when a board
member permits self-interest to inter-
fere with their duty to the corporation.

The RCSC Board of Directors takes
their role and duties very seriously. We
want input from the Members and we
want to keep Members informed. As a
Member of RCSC you have a responsi-
bility to participate in the governance
of RCSC. We invite Members to attend
the Board/Member Exchange meetings
generally held on the first and third
Monday of each month at the Lake-
view Recreation Center in Social Hall #3
at 9am. This is a time when Board and
Members can exchange ideas, sugges-
tions, information and concerns. Mem-
ers can have a dialogue with the Board
as it is informal and interactive. Mem-
bers should bring to this meeting any-
