

# From the President: All About RCSC

Vance Coleman  
RCSC Board President

The Recreation Centers of Sun City, Inc. ("RCSC") is a private, non-profit corporation which owns and operates approximately \$80M of recreational facilities in Sun City. RCSC manages approximately a \$20M annual budget and employs over 275 employees, both full- and part-time. Over 60% of RCSC employees are Sun City residents. The Facilities Agreement, executed by each Deeded Real Estate Owner in Sun City, obligates Owners to pay annual property assessments to the RCSC whether or not Owners occupy the Sun City property or use RCSC facilities.

RCSC Cardholders include two categories: Members and Privilege Cardholders. RCSC Members are Deeded Real Estate Owners of property located in Sun City. Members must be a Sun City property owner 55 years of age or older (unless quali-

fied under spousal exemption) and occupy the Sun City property as his/her primary Arizona residence unless his/her other Arizona residence is farther than seventy-five (75) miles from Sun City. Non-owners, renters, tenants, lessees, and/or occupants of property located in Sun City may be entitled to a Privilege Card. While all Sun City residents are not RCSC Cardholders and therefore may not be able to use the recreational facilities offered by the Recreation Centers of Sun City, it is the mission of RCSC to provide for all Sun City residents (should they choose to participate) the broadest range of recreational and social facilities possible to enhance their active lifestyle and well-being.

RCSC operates seven recreational centers (Mountain View, Fairway, Oakmont, Lakeview, Sundial, Bell and Marinette), eight golf courses with five snack shops (South, Quail Run, North, Lakes East / West, Riverview, Willowbrook / Willowcreek), two bowling centers (Lakeview & Bell), two full-service restaurants which are leased (Mojoes at Lakeview bowling center & LaPetite at Bell bowling center), and one amphitheater (Sunbowl).

RCSC does not regulate or monitor private residences, streets, or meridians in Sun City. Streets and meridians are maintained by Maricopa County, although our local volunteer group, the P.R.I.D.E.S.,

the most hilarious and amazing gags ever presented by this delightfully charismatic performer. Nick's critically acclaimed and award winning one-man show has been a crowd pleaser in Las Vegas for the past ten years.

## Glenn Miller Orchestra sets toes a-tappin'

Polish up your shoes and get dressed to the nines, it's time to dance! The Glenn Miller Orchestra brings its world-famous sound to Sun City for a fabulous night of entertainment.

Sundial Auditorium is the setting for this special one-night-only dance event on Monday, February 28. Doors open at 5:30pm and the dancing kicks off at 6:30pm. Tickets are on sale in the Clubs & Activities Office at Lakeview Center. Tables of eight and four are \$25 per person (closer to the dance floor). Tables of six are \$20 per person. If you have friends who want to sit together, we can accommodate this at the time tickets are purchased – no seats will be held.

A cash bar will be available (beer and wine only) and non-alcoholic beverages will also be available for purchase. No outside beverages or snacks

allowed. Business casual attire (no shorts or jeans) is suggested. Get "In the Mood" and attend – you'll be glad you did! The legendary Glenn Miller was one of the most successful of all the dance bandleaders back in the swing era of the 1930s and '40s. A matchless string of hit records, the constant impact of radio broadcasts, and the drawing power at theatres, hotels and dance pavilions built and sustained the momentum of popularity.

Now, over 55 years since the public first embraced the successful Miller sound, both the legend and the music live on. The Glenn Miller Orchestra is the most sought after big band in the world today for both concert and dance engagements. Still considered the greatest band of all time, its unique sound is loved by almost anybody who cares to dance.

## RCSC Dinner Theater: Catch Guy Pennacchio

Catch the summer wind this spring, when local crooner Guy Pennacchio brings his tribute to Frank Sinatra, to Sun City. Guy and his band, the Summerwind, will share their passion for Ol' Blue Eyes at a special RCSC Dinner Theater event on March 26 and March 27 at Union Hills Country Club.

The March 26 event begins with a 5pm happy hour followed by a 6pm dinner and music starting at 7:15pm. On March 27, the event kicks off with a noon happy hour, dinner at 1pm and show starting at 2:15pm. Union Hills Country Club is at 9860 Lindgren Ave.

Tickets cost \$37 and include dinner and show. Tickets are available in the Clubs and Activities Office. Cash, check, Visa or MasterCard accepted. Hours are Monday through Friday, 7:30am to 4pm. Happy hour is cash bar only. All tables are round and seat 10 people. If you have friends who want to sit together, we can accommodate at the time tickets are purchased. No seats will be held. Maximum number of tickets per cardholder for dinner theater is 10.

Dinner choices are Prime Rib of Beef, au Jus or Stuffed Chicken Florentine,

Caesar Salad, baked potato, fresh seasonal vegetables, rolls and butter, and Cannolies for dessert including coffee, tea or iced tea. If anyone has dietary needs, please request at the time of your ticket purchase.

The essence of music has been deeply rooted in this Italian from New Jersey. At the age of 7, the sounds of the summer winds drifted off the Jersey shores into Guy's spirit and soul. Guy's inspiration came from his mother, a devoted Sinatra fan.

Recently, Guy joined forces with some of Arizona's top talent and created Guy Pennacchio and the Summerwind. The band includes, Barbara Catlin, piano and arrangements, Jerry Donato, soprano and tenor saxophone; Dwight Kilian, acoustic bass and Dom Moio on drums.

RCSC Cancellation Policy: no cancellations. The Clubs and Activities Office will try to re-sell your ticket if there is a wait-list or you may sell it and provide us with the name of the person replacing you. Mark your calendar and plan to attend the Sinatra sound-a-like. You too, will agree the performance is a wonderful tribute to Frank Sinatra!

## Are you Fitter than a pensioner?

Come join the fun watching fit Sun City “pensioners” show four unhealthy young Brits how to get fit, eat well and embark on a healthy lifestyle. The long-awaited Sun City episode of the BBC3 reality series “Are You Fitter Than A Pensioner?” has arrived. Sun City was chosen as it is the oldest age restricted retirement community in the world. Other episodes showcased four more retirement communities in the United States. The last episode revisited the young Brits most changed by the experience.

The two young men and two young women lived for eight days with Sun City host couples. Followed from morning to night, the TV crews filmed every aspect of their stay and quest to keep up with “pensioners” and their community activities.

At the end of the stay the four Brits and four Sun City Starrs swimmers vied for bragging rights in a head-to-head competition in the Bell Center pool. Who won the swim off, the fit “pensioners” or youthful Brits? Were any of our young Brits most affected by the chance to be with healthy active seniors?

Come find out March 18 from 1 to 3pm or March 19 from 11am to 1pm at Mari-nette Auditorium.

## Daily Fitness: Strength-building

Lu Chambers works out regularly at Bell Fitness Center. She is determined to discontinue taking osteoporosis medication. Regular exercise will help her reach that goal. Lu was introduced to strength exercise by Daily Fitness trainer, Jane Fortier, an osteoporosis sufferer herself. "Whether you're already facing bone-density problems, or trying to make sure you don't have them, regular exercise is important," Jane says. "Not just any old workout gets results. Weight-bearing exercise that requires muscles to work against gravity has the most bone-building benefits. The more weight you move, and the more vigorously you move it, the greater the benefit for bone strength. Exercises that involve as many different muscle groups, in as many different functional movement patterns as possible, are the best." How much load, intensity and variety do you really need? A personal trainer

can help determine that. Daily Fitness trainers custom design programs to fit individual client needs. To find out more about personal training services at the various Sun City fitness centers, call 623-256-7901 or visit DailyFitnessLLC.com.

## Raking golf bunkers

Sand bunkers are enough of a hazard without the bad lies caused by an unraked surface, so here's some quick tips for making sure that the next golfer who faces your predicament isn't additionally cursed by an ungroomed bunker.

- Try to enter and exit the bunker from the point that's closest to your ball, but most level to the adjacent playing surface. Don't try to climb out by going up a steep bunker face. Walking out of the steep side of a bunker can cause injury as well as pull sand down off the bunker face causing too little sand for the

next golfer.

- Always rake the bunker immediately after your sand shot.
- Be careful not to pull excess sand to (or over) the lip of the bunker. The best practice is to alternate between pulling sand toward you and pushing it back with the tines of the rake, thus making a relatively even surface without displacing too much sand.
- RCSC asks that golfers place the bunker rake inside the bunker parallel to the bunker edge. Remember, the USGA reminds us that the proper term is "bunker" and never "trap."

## Piano Club features performer

The Piano Club of Sun City is pleased to announce its guest artist for March, Lynne Haeseler, who will be featured on Friday, March 18 at 9:30am at Sundial Auditorium. Dr. Haeseler will perform Liszt's well-known "Hungarian Rhapsody No. 2," and also several attractive two-piano compositions with her student, Dr. Gary Kato: the Romance from Rachmaninoff's "Suite No. 2," opus 17; and Milhaud's virtuosic "Scaramouche" Suite.

Lynne is a versatile artist who has performed internationally and nationally as a soloist, accompanist and dance pianist. Although trained as a classical concert pianist, Dr. Haeseler has cre-

## Leathercraft

We meet at Marinette Center Monday through Friday with club hours as follows: winter 8am to 2:30pm, summer 8 to 11:30am. It doesn't matter whether you are a beginner, experienced, or seasoned pro at tooling leather. If you are a beginner you can meet with our chief instructor Lou Kilpatrick and he will get you started on a simple learning project. If you are an experienced leather worker, the club has access to many Tandy Leathercraft kits at special club prices for you to complete. If you have been working in leather for years, we have all the patterns and leather available for you to let your imagination run free and create anything that you can dream up.

If you need more information, call Fred Henning, president, at 623-933-6889 or Larry Vroom, vice president, at 623-594-6591.

ated her own unconventional performances of classical music. Among her piano teachers have been Nina Svetlanova and Jean Casadesus.

Guests are always welcome to attend club programs, and some of our talented members will also perform. We've had a very exciting and successful season so far! The club meets regularly on the third Friday of every month, from October through April, at the same time and place. To join, an application and nominal annual dues are required. Piano lessons will again be provided. For more information, call Kathrene Allen at 623-792-7266 or contact us at 4pcofsc@cox.net.

## Bell Shuffleboard welcomes newbies

We've had quite an increase in our shuffleboard participation this past month. Sixteen people took lessons and a number of them have now joined us on our Monday, Tuesday and Friday fun games. In our league play against other teams in District 5, we are in first place and are hopeful we can hang onto that position to play in Yuma in early March against the other state districts. We have played in a couple of tournaments which pitted us against very good players from Sun City West, Sunflower, Paradise, El Mirage and

Happy Trails. The East- West 2011 North American tournament will be played for six days in September at Bell Center. Anyone that spends the summer here should mark those dates on your calendar and come to Bell and watch

If you would like free lessons before you join, call Peter Hrynew at 623-974-1456 or Dick Price at 623-876-9525. They would be most happy to show you the ropes and then we'll welcome you to our play at 1pm on Monday, Tuesday and Friday.

## Sundial Shuffleboard

Last month you saw the names, this month see the faces of the 2011 Board members and officers, elected last December, for the Sundial Shuffleboard Club. From left to right in a zig-zag motion are Irene Strauss, Dian Chasarik, Ruby Bradshaw (treasurer/membership), Avis Von Eschen (president), Pat Lindsey (secretary), Carl Frank, Jack Tomashek (vice president), Maxine Reineck and Joe Vogler.

Directing the disc down the court so it'll stay in a positive score position does not require significant physical endurance, unless you consider holding your breath while praying it doesn't stop in the negative score kitchen. That's what makes it the perfect game for all ages. We play at Bell Center indoors where it is nice and cozy. Sundial Club has the courts Wednesdays,

Thursdays and Saturdays at 1pm and Thursdays at 7pm. We would like to get some interest expressed for afternoon play. All equipment is furnished, lessons are available and annual membership is an affordable \$2.50 per person. All RCSC cardholders are eligible to join. Membership meetings are the first Tuesday of the month in Sundial East Hall where we socialize from 5 until 5:30pm, then share a potluck dinner. Call Avis at 623-933-7343.

## Bocce Club keeps busy

The Bocce Club is always busy with in-house and outside tournaments. February and March are no exceptions. Several members entered the Arizona Senior Olympics events held February 21 to 25 and we will have those results for next month. Others will be participating in the Tri-City tournament on March 12, competing against Sun City West and Sun City Grand. Sun City routinely fares well from both events.

Members, be sure to wear your ASO medals to the March 14 meeting. Our shutterbug, Edith, will be there for pictures and you may even be presented with the annual congratulatory cake. That meeting will be at 7pm in Sundial

East Hall.

The Bocce club members enjoy numerous events throughout the year all for an annual membership of \$4 per person. All equipment is furnished and free lessons are available. We also publish a membership listing with addresses and phone numbers so you can easily contact another club member. If you are an RCSC cardholder, you are eligible and welcome to join our club. We play Monday through Friday at 1pm, Friday nights under the lights and Sundays at 2pm. For more information, stop by the courts at Sundial Center or call Mike at 623-242-9899.

## Meet Racquetball Club president

Meet Racquetball Club President Shawn Foulds. An enthusiast for many years, Shawn has played both outdoor and indoor racquetball. He now lives in the house his grandparents built in 1972 and loves playing in our fabulous Sun City courts. He's taking his presidency seriously, too, and has brought even more interest to the club with new players and ideas.

You might like to play racquetball. Just bring your RCSC card, or be a guest of someone who has one. You'll need clean, non-marking shoes and protective eyewear. Beginners and those returning to the sport are encouraged to come Saturday (10am to 1pm),

but you're welcome to play on your own or join a group. Please check in both at the booth and in the courts.

Courts are at Bell Center near tennis, ping pong and mini golf. Hours: Monday through Saturday 6am to 9pm and Sunday 8am to 8pm. Questions? Call Dianne at 623-640-4169 or Shawn at 623-986-1754.

That speaks volumes about the people who get involved with our club: they stay, enjoy the fun of the game and the friendly competition. We have social events that add to the great fun that is enjoyed by being a member of the club. Our annual Kenny Specht Tournament was held in February. Kenny, was an avid member of the club and truly appreciated for his many efforts on our behalf. As usual a fun pizza party followed the game, which also included salad and cake. ## Oakmont Lapidary & Silvercraft

A snowbird from Michigan, Sally Kirwin has been spending winters in Sun City since 1998. She joined OL&SC in 2001 to take the silvercraft classes. Sally's favorite activity at the club is silvercraft but she also likes lapidary, especially working with turquoise. She learned a special technique for polishing turquoise from one of the old timers, so she doesn't have a scratchy finish on her turquoise anymore. Sally has a few of her handcrafted pieces for sale in the OL&SC shop but most of her pieces are grabbed up by her

family. She has a large family and her jewelry pieces are in great demand among them. Sally loves coming to the OL&SC shop because she has so much fun with all the people.

OL&SC is offering classes in silvercraft, lapidary, glass fusion, faceting, wire wrap, and chain making. Wander on by and check us out! Oakmont Lapidary & Silvercraft Club at Oakmont Recreation Center. February hours are Monday through Friday 8am to 3pm. OL&SC is open to all RCSC cardholders.

## Rose & Garden Club

The Sun City Rose and Garden Club will have Mr. Al Pierce as our speaker for the March 14 meeting at 7pm in Fairway Arizona Rooms 1 and 2. Mr. Pierce has a true love for cacti. Being a scholar and entrepreneur he has acquired enormous amounts of knowledge about cacti. Loving to experiment Mr. Pierce has transformed a typical Sun City resident with grass, shrubs and trees into a cacti paradise. Give Al an unusual container and it will be transformed into a beautiful cacti garden. Come join us and meet Al Pierce and learn how to plant and maintain your cacti. All RCSC cardholders are welcome. Membership fee is only \$3 for single or \$5 for couples. We will have refreshments and door prizes so bring a friend or neighbor and join us. For more information call Tom at 623-974-4590.

## Mah Jongg

If you enjoy playing cards, chances are you will enjoy playing Mah Jongg. It is a fun and entertaining game using tiles instead of cards. The purpose, somewhat like gin rummy, is to create a hand with a specific arrangement of suits and numbers.

If you would like to learn how to play, the Mah Jongg club is offering a series of free lessons March 9, 16, and 23 from noon to 4pm at Fairway Center. Participants should plan on attending all three lessons. If you already know how to play, come join us. The Mah Jongg club is open to all holding a valid RCSC card. The Mah Jongg Club of Sun City meets at Marinette Center on Tuesdays noon to 4pm, Thursdays 6 to 9pm, and Sundays noon to 4pm.

For more information contact Tina at 623-208-1027 or Janis at 623-875-3969.

## Knitters

The Fairway Center Knitters and Crocheters are certainly enjoying 2011. We had a pizza party in February and are getting ready for our Chinese auction on March 25. Then on April 23 we will join the other clubs at Fairway for our Fun Fair. It is a great day to come and see what all the clubs at Fairway have to offer.

However, you don't have to wait until April 23. You can come see us at the Knitters club on any Friday between 8:30am and 2:30pm. We meet in Arizona Room #4, and we love to have visitors. If you like what you see, you can join our club for the unbelievably low price of only \$3 per year. So come on over and check us out! Call Pauline at 623-972-3498 for more information.

## Oakmont Lawn Bowls

Lawn bowling is not generally known as a spectator sport – at least in the U.S., but there are many opportunities to watch games featuring excellent lawn bowlers. It is a fascinating sport to watch, especially if you appreciate the skill and tactic involved. Spectators are always welcome.

Opportunities in March include:

March 4-10 at Sun City West, US Lawn Bowling Association National Senior Open Triples and Pairs. An Excellent opportunity to watch some of the nation's best veteran lawn bowlers in action. Call Grant Summers at 623-933-5066 for times of various events.

## Lakeview Ceramics & Porcelain

Some of the Octo-women of Lakeview Ceramics & Porcelain Club pause during a recent Wednesday workshop to pose for this photo. They are part of a group of 80-plus-year-olds who play a vital role in the club's membership. Their creative ideas and talent are a constant challenge for other members to "keep up." Club rules exempt members who are over 80 from putting in seven hours a month monitoring. But these women chose to ignore this option and are frequently seen at one of the desks. Hats off to the Octo-women of Lakeview Ceramics & Porcelain Club.

Pictured from left to right are:

## China Painters

China painting originated in China and is classified as one of the oldest forms of art. Dry mineral colors mixed with oil are applied by brush to glazed china and fired in a kiln, making the design permanent. Designs can be traced or free hand painted. China painting offers an unusual range of creative possibilities, both in items painted and design. Once a piece is completed, it can be considered a permanent piece of art that will be around far longer than the artist who created it. Join us at China Painters Cupboard, Marinette open Wednesday am, classes Tuesday and Friday afternoon. Club membership is open to RCSC cardholders.

Tournament of Champions. Watch the best bowlers in Sun City compete in this top level tournament. Call Len Hitchcock at 623-974-3214 for details.

March 25-26 at Lakeview, South Central Division Men's & Women's Pairs Drawdowns. These are the preliminaries leading to the national championships, another opportunity to watch some of the nation's best in serious competition. Call Len Hitchcock for details.

Spectators are always welcome to drop by any lawn bowling club to watch a club game in progress. Here you will see lawn bowlers of all skill levels just enjoying a game of bowls.

## Bell Lawn Bowls

One of the great things about lawn bowling: It offers many opportunities to travel and visit with people who share your love of lawn bowling. One such opportunity is a 17-day trip to South Africa tentatively scheduled for November, but requiring reservations in April.

The trip will be led by Ivan and Maryna Hyland, formerly of South Africa and residents of Sun City.

Tentative itinerary includes Johannesburg, Soweto, Kruger National Park, Durban, Cape Town and three days of lawn bowling. Preliminary price estimate is in the \$3,500 range, plus airfare (roughly \$1,500) subject to price fluctuations, exchange rates and

changes in itinerary to suit tour members' desires.

Transfers, lodging, various attraction admittances and most meals are included. Ample time is allowed for shopping and personal walkabouts. This is a wonderful opportunity to safely enjoy a tour of beautiful South Africa with hosts who have lived there and know the ropes and the treasures that lie off the beaten path. Call John Wilson at 623-933-8397 for all the details.

Interested, but not a lawn bowler? Don't have to be, but by November you could easily be one, call Amy Heidebrink at 623-583-4432 to find out how easy it really is.

## Ukulele group tuning up

Good News! We're off and running with the ukulele group for fun and merriment. For those of you who attended the 50th Anniversary Variety Show in November and enjoyed the musical prowess of our own Mark Baker playing his ukulele, we're ready to launch our newest group. If you want to start the New Year off with a song in your heart and a smile on your face, come and join us. Our meeting times are Thursdays from 5 to 7pm at the Fairway Music Room. You don't even have to have an instrument to

come and see what we have to offer. You might even find that you'll be the most popular person at various gatherings when it gets known that you "play the ukulele." It's easy to join and fun to participate with friends who know how to enjoy life.

Call Mark Baker at 623-974-3360 or e-mail him at [suncityukes@gmail.com](mailto:suncityukes@gmail.com) for additional information. "Somewhere Over The Rainbow" will sing in your heart – good old Arthur Godfrey knew how to have a good time. Are you game?

## Grand Slam Bridge

That is the name of a club that meets on Tuesday evening to play a game of bridge. No partner is needed but if you have one that is okay to bring him or her. Come try us out. You can play twice before you join which is a mere \$2. What a bargain! Please arrive by 6:30pm at Marinette Center to get organized. Play starts at 6:45pm. Should you have more questions call David Stewart at 623-875-7136 for the answers.

## Mountain View Lawn Bowls

Many have wondered, so here are some answers:

1) It's easy! Once you've learned the game, you can simply wake up, decide you'd like a game of bowls that morning, show up at the proper time, put your name in the hat, and you are in a game.

2) It's inexpensive. A used set of four bowls costs \$100 or less. A new set costs about \$200 and up. It costs \$5 to join a lawn bowling club. Then, a pair of white trousers, white shirt and pair of flat-sole shoes and you're in business.

Plus, no charge for anything while you are learning. What an opportunity to experience the frustration of golf for a mere fraction of the cost.

3) It's good exercise. During a typical club game you will walk about a half mile, having a great time doing it.

4) It's challenging. How DO you get an elliptical bowl that doesn't go in a straight line to stop where you want it?

Sound intriguing? Stop by any Sun City lawn bowling club to watch a game. Can't wait? Call John Wilson at 623-933-8397 to give it a try right away.

## Lakeview Lawn Bowls

Lawn bowling is easy, cheap, good exercise and challenging. But wait – there's more! Lawn bowling is:

1) Social. There are times to socialize before and after club games, and several parties, potlucks and barbecues during the year. You can approach club games as an extension of the socializing or you can be serious about winning each end of every game, it's all up to you.

2) Competitive. If you love competition and challenges, you can bowl in inter-club tournaments, and go on to bowl in divisional tournaments, national tournaments and even world tournaments.

3) You can do all this with some of the most congenial, interesting, fun-oriented people you'll ever meet. They will invariably give you encouragement and tips along the way to help improve your game.

Go out to see for yourself. Check times and locations in the Activities section. Go watch a game in progress, maybe even roll a bowl or two yourself.

Still not convinced? Watch here next month for even more reasons you should give lawn bowling a try. Can't wait? Call Myra Wood at 623-977-6559 to give it a try right away.

## 11 reasons to square dance

1. Cardiovascular fitness: Dancing is a safe way to exercise. The level of exertion is up to each participant. It can lead to a slower heart rate, lower blood pressure and improved cholesterol.

2. Healthy Environment: Square dance clubs are smoke and alcohol free.

3. Body and Brain Boost: Dancers react to calls as they are given. This forces the body and brain to coordinate. Most calls are memorized to keep the brain sharp.

4. Calorie Burn: Dancing burns between 200 and 400 calories every 30 minutes.

5. Distance: Physical therapy recommends 10,000 steps daily. A dancer will clock 10,000 steps per dance.

6. Sturdy Bones: The side-to-side movements of dancing strengthen weight-bearing bones that help prevent the loss of bone mass.

7. Rehabilitation: Dancing is a way to get back in the swing of things if you are recovering from an injury.

8. Social Aspects: Dancing is a great

way to meet people. Lifelong friendships are formed, and many have met the love of their life.

9. Stress Relief: Since you become so focused on the instruction that your other mental worries are forgotten for a couple of hours.

10. Mental Health: Studies show that activities that involve both physical/mental activities at the same time help slow the onset of Alzheimer's disease.

11. Balance: Studies have shown that adults with a history of activities such as dance, tend to have fewer incidents of falling.

Dances are open to RCSC cardholders and guests. For information: 623-875-2642, 623-930-7513, 623-341-3726 or SUNCITYSQUARES@q.com.

## Bell Stitches sew for needy

Bell Stitches are busy sewing outfits to be delivered to two local schools and family organizations in time for Easter. With the help of many dedicated members we currently have about 100 outfits ready, but we need a lot more. Due to the economy, the need is greater now than in prior years.

We invite those who know how to sew to donate their time to help sew clothing or make projects to sell to continue our goal to serve local communities and schools in need. Stop in and get a tour of our facility and all the supplies we have available for your use as a member of the club. No need to have a sewing machine at home or purchase material. We provide it all.

Club hours are Tuesday 9am to 3pm,

Wednesday 9am to noon and Friday 9am to 2pm. Join us for a cup of coffee or tea, cookies and lively conversations at our 10am break time.

Membership is limited to RCSC cardholders. Dues are \$3 a year. Call Mary Jane 623-583-7160, Caroline 623-875-4992, or Mary B. 623-072-2007 for additional information.

## China Painting

Spring has sprung, the grass is risen. I wonder where the birdies are.

Some say the bird is on the wing---But, that's absurd, 'cause I've always heard that the wing is on the bird..or you can put it on a plate, vase, cup, whatever you want at Fairway China Painting. You can put almost anything you want on most any item you want to paint. We have lots of ideas and we could use some of yours too. So, come join us and enjoy not only painting but making new friends too. If you would like more information, please call 623-256-6784. Have a great day and hope to see you there.

## Sun City Choraliers

Mark your calendars. The Choraliers are offering two shows this spring that are open to the public. On Sunday, March 27 we sing at American Lutheran Church at 3pm. On Monday, April 18 we perform at 7:15pm for the Players Community Theater Club at Mountain View Auditorium. Both performances are offered free of charge.

The theme of this year's program is "Memories" and the music has a distinctive Jazz flavor. You will surely recognize some of the titles: "Cotton Fields," "Let's Have Some Old Time Religion," "American Trilogy," "Turn! Turn! Turn!," "Doctor Jazz," William Tell Overture," "Shoofly Pie," "Fields of Gold," and "Mississippi Mud."

We have scheduled additional per-

formances during March and April at Heritage traditions, Woodale Village, Casa Del Rio, Freedom Plaza, The R.V. Club, The Forum, and Glencroft Campus.

The Choraliers are directed by Jane Brambilla. For information about the group call Julie Loegering at 623-815-8403, or to book a show call Carol Morse at 623-933-7202.

## Artistic Weavers

Our sixth annual Spinning Bee is soon to be one of several pleasant club memories. We're finishing up our Navajo rug weaving classes, our Beginners 2/Intermediate students will soon be weaving like pros and we've had fun learning about "The Bear Truth" from guest speaker, Christine Wold. Many club members participated in a mini-workshop entitled, "Tie-One-On," and we're all looking forward to sampling several varieties of homemade soups at our "Souper Friday" get together this week.

Heading into March, we've scheduled a refresher class on Warping, a road trip to The Fiber Factory, a Stash

Sale, and a fiber workshop to make pyramid shaped place-card boxes and pillow-shaped gift card envelopes. Our new basket makers continue to impress us with their recently acquired skills and our spinners are busy planning another colorful dye workshop. The weaving room is busy, filled with fun and laughter as well as some wonderful hand-woven items. If you'd like to learn more about the club, our classes, field trips and special guest speakers, stop in at Oakmont. Membership is only \$10 a year and available to all RCSC cardholders. We're open Mondays through Fridays from 9am until 3pm and we'd love to have you join us!

Visitors are welcome at our monthly meeting at noon in Sundial East Hall on Monday, March 7, which will feature a critique of our paintings by nationally known artist Diane Maxey in preparation for the upcoming show. This is a much-anticipated event each year. As artists we love to hear that people like our work, BUT if we really want to grow and improve, we need information on what specifically is nice, loved, or doesn't work. Specific, constructive comments not only help us, but

The Stained Glass club welcomes visitors and new members. The club is at Bell Center. The club is open Monday through Saturday noon including three evenings a week: Monday, Wednesday and Thursday. Beginning classes are scheduled each month. Morning classes are Monday Wednesday and Friday for two weeks. Evening classes are Monday, Wednesday and Thursday. In the classes the beginners make a couple of projects in which they will learn how to use a pattern, cut and foil the glass, flux and solder, clean and polish the finished product so it looks very good. Come in and check out all the nice projects which are on display

and for sale. Dawn Jacques completed this large project at the Stained Glass club. Membership is open to all RCSC cardholders. For more information call 623-974-4765.

We all loved playing in the mud! A different kind of mud - CLAY - becomes a passion. Come and join us, you will soon be loving it too! We are at Lakeview Center.

The six-week class sessions are winding down but we continue to have workshops. If you have never had any experience with slab clay we do offer orientation classes. It will get you started until classes resume. Our innovative education chairs, Sue Worthen and Susan Craver, are always coming up with new ideas for workshops.

If you want to see exactly what the

Clay Club has to offer, visit our club room during the Fun Fair on April 2. We will have demos in hand building, sculpting and wheel throwing. You can see how well equipped the club is.

You don't have to wait until the Fun Fair. We are open Monday through Saturday 8am to 4pm. Our monitors will be happy to take you on a tour.

The other Mondays in the month are devoted to craft workshops. Work-

The students have access to books in the library behind Cindy and this helps in understanding many weaving techniques. All members of RCSC are encouraged to come by the guild room at Sundial Center, 9am to 3pm Monday

through Friday. Other classes offered are rug weaving, Shirett, Hardanger, Inkle, spinning and basket weaving. For more information call 623-933-0397.

## Lakeview Woodworking

Happy St. Patrick's Day to all you leprechauns out there. Are you worried about your pot of gold? Well grab a hat and come on down to the shop. What? No hat? Come check out the hats and stands by Loren Fisher. What better way to display them than on a beautiful hand scrolled countryside scene shelf by Bob Muchlberg. For the feasting grab a bowl by Bill Kram and a goblet by David Tressler. Now back to your gold. What better way to protect your treasure than one of the banks by Sam Saliba. Perfect for you or the little leprechauns in your life. These are just a few of the beautifully handcrafted treasures our members have made that can be passed down through the generations. The shop hours are Monday through Friday 8am to 4pm and Saturday 8am to noon. Phone 623-933-2355.

Jerry has been a very active member of the group for five years and is looking forward to a year full of successful activities and projects achieved by the members. day 6 to 9pm and Saturday 8am to noon. Come to the club room at Bell Center or call 623-977-1083 for more information.

## Garden Club's Citrus Drive

On February 1, Garden Club members were joined by representatives from St. Mary's Food Bank Alliance and local media to help launch our 2011 Sun City Citrus Drive. The Citrus Drive is now in full swing and runs through March 12 with a goal of collecting 500,000 pounds of oranges, lemons and grapefruit to supplement the 2.4 million pounds collected over the past six years. That's roughly a quarter of all citrus received by St. Marty's Food Bank annually and is used to the benefit of Valley residents.

Garden Club volunteers monitor each of the drop-off sites in the park-

ing lots at Marinette, Bell and Sundial Centers and the Sun Bowl to assist residents with their citrus donations. Volunteer gleaners continue to fan out across Sun City and, for a modest donation, will glean your citrus trees. We are always seeking volunteers to supplement our membership. To volunteer or for further information contact the club office at 623-875-5921.

Also join us for our March general membership meeting for a presentation by the Desert Botanical Garden. Our club meets at 8:30am the first Tuesday of each month in Sundial East Hall. Guests are always welcome!

## Fairway Woodworking

All the elves at Fairway Woodworking are hard at work making items for the Fun Fair April 23 at Fairway Center. There will be many other craft clubs with items for sale. Snowbirds, this will be your chance to buy items at a good price to take home for your friends who looked after your place while you were out in Sun City enjoying the many things we have to do, along with warm weather. If you have not tried woodworking, stop by the wood shop. Our monitors will be glad to help with your wonderful wood project. We are open Monday to Friday 8am to 4pm, and on Saturday from 8am to noon. Hope to see you soon.

## Sterling & Stones

February was an interesting month at Sterling & Stones. A large number of our members' creations were sold for Valentine's Day gifts. Our general public customers were very happy with the deals they got in our jewelry sales room. Many of our members also made creations for their own friends and family (and even themselves).

If you would like to make jewelry, drop by the club at Fairway Center for a tour. Our hours for creation and jewelry sales are from 8am to 3pm Monday through Friday and 8am to noon Saturday. We also have additional

creation hours from 4:30 to 8pm on Tuesday and Wednesday for those that have problems getting in during the day. No jewelry sales for those hours, though.

Classes are available for basic silversmithing, lapidary, wire wrapping, chain making, lost wax casting and glass fusion. Come see what all the excitement is about!

We are having a pizza party for our monthly general membership meeting on March 14 at noon, so stop by the club to get your tickets by March 7, so you don't miss out.

Now is the time to come by and join in our game. Prizes are given to whoever comes in first, second, third, etc.

It's fun. Try it, you'll like it. If you play social bridge, it will be easy to pick up the basic play in duplicate. If help is needed, we will give you a "hand." Need a partner? Please call Kitty at 623-933-6466. For additional information, please call 623-974-6946.

## Library news: Book sale success and book signings

The Friends of the Sun City Library are happy to report that March is here and spring is well on the way. But aren't we all lucky we have been here this winter and not back – well back wherever – with all the pile up of snow and the bitter low temperatures? I'm sure we all have family and friends that we have worried about and hope they are all OK. When I heard they had 19 inches of snow in Central Park I was amazed. And that was among the luckier areas. Well, enough gloating.

### Book Sale

The store-wide book sale was a big success. Final figures are not in yet, but everyone is very happy with the results. It's all due to the great people who donate, buy and help out. To all our patrons and all our volunteers, many thanks for a successful sale. We will try to do it again in a few months.

### Sun City Authors

We have another Sun City author to be proud of Ernie Stechs, who is a volunteer ranger at Walnut Canyon National Monument. He went on a soul quest that resulted in his book, "Life According to Fred: One Man's Search For The Sensuous." His search took him on a walk 14,000 feet up a mountain peak in Colorado to a Trappist Monastery; cross country skiing and a life on the shore of a small lake in Michigan. These experiences and others led him to create "Fred," the guru. He also teaches a lifelong learning course at ASU in the winter months. His book is available in the Books Around the Corner book store where you can read some sayings of Fred.

### Book Signings

Two book signings are scheduled. First is M.A. Huggins on March 16 at 10am. Huggins is the pen name of Peg Bauernfeind who lives on a backwater of the Mississippi and is here

to promote her books based on life in that area. On April 18 at 1pm, Carolyn Davis will discuss and sign her book, "Hopi Summer." Both of these require reservations, so call the Sun City library to register.

### Volunteers

Our Volunteer of the month for March is Mildred Stevens. She has lived in Sun City for 14 years, coming here after her husband died of Alzheimers. She cared for him for many years. She had a daughter living in Arizona, which drew her here. She also had two sons. another daughter, four grandchildren and a 13-year-old great granddaughter. When you read about her life you will wonder how she managed it all.

Mildred had a unique life. She designed and built Mountain Homes, along with her husband, who was an electrician, plumber and TV repairman.

She not only designed and planned

the homes, but took part in the construction, installing natural wood on the inside and laying stones on the outside. She and her husband did the roofs together. They built homes in Kansas, Missouri, New Mexico and Colorado. They lived in the homes then sold them to build another. During this time she also ran an 80-acre farm.

After working hard all her life, Mildred now enjoys the fruits of her labors, but still works. You will find her in the bookstore Tuesday morning and Saturday afternoon. She also spends three days a week at a thrift shop. Mildred is a real people person and enjoys the socializing aspects of her jobs. Keep it up. We admire your style and "go to it" attitude. We look forward to many more years of working with you.

So that's it for this month. Here's looking forward to our beautiful spring days coming around again. See you next month.

## PRESIDENT: All About RCSC

*continued from Page 1*

certainly assist in the maintenance of the meridians and the appearance of our community. RCSC is commonly mistaken as a governmental entity possibly because Sun City is not a city but an unincorporated part of Maricopa County.

Sun City is an active retirement community; the age limitation is built into the deed restrictions. At least one occupant of each residential unit must be 55 years of age or older and no person under 19 years of age shall occupy or reside in a residential unit for more than 90 days in any 12 month period. The Covenants, Conditions & Restrictions ("CCRs" or "Deed Restrictions") for Sun City were revised and restated in 1998. Though not a part of RCSC, the Sun City Homeowner Association ("SCHOA") is responsible for enforcing these deed restrictions in Sun City.

RCSC does not qualify under Arizona Revised Statute Title 33 as a planned community association, because not every property owner in Sun City is required or can qualify to be a member of the Recreation Centers of Sun City. A planned community association is a common interest organization to which all the owners of lots in a planned community must belong. The four defining characteristics of a planned community association are:

- 1) all owners are automatically members;
- 2) governing documents create mutual obligations;
- 3) mandatory fees or assessments are generally levied against owners and used for the operation of the association; and
- 4) owners share a property interest in the community.
