## Board Approves Video Taping of Meetings in 2017

The RCSC Board of Directors has made the decision that as of January 2017, both the monthly Board meetings and the Board/Member Exchanges will be video recorded and posted on the Sun City AZ You Tube site.

Many in the community had raised concerns that members were unable to attend these meetings for various reasons and that use of this method of communication would enable those interested to stay informed. Anyone attending these meetings will be informed that by attending they are agreeing that they could be recorded.

The minutes will remain as the permanent corporate record of the monthly Board meeting. Video recordings of the Board meetings will maintain on the You Tube site for 120 days.

The Board/Member Exchanges are not a matter of corporate record, and only the last Board/Member Exchange will be available on You Tube, taking the old previous one off when the new one is posted.

Attention: RCSC Cardholders

As more and more winter visitors return to Sun City AZ, RCSC would like to remind Cardholders of a few items which require your attention when using the facilities:

- All RCSC Cardholders are required to check in with their Member or Privilege Cards (key fobs accepted for entry to fitness, pools and spas; not concerts or free events)
- Host punch cards are purchased by and belong to the Cardholder, not the guest.
- Guests may be requested to show government-issued photo ID when checking in to use RCSC facilities.
- Neither Sun City AZ residents nor spouses of RCSC Cardholder are eligible to be guests.

Please refer to the RCSC Cardholder Guide and Board Policies for more information regarding these matters. Your cooperation is appreciated!

## Golf Report

### Pro Shops

We will be hosting a "Beat-the-Pros" tournament on Thursday, December 8th at Willowcreek Golf Course. This event is held in conjunction with other RCSC Management Team sponsored events that are held throughout the year and raises funds for our annual chosen charity. This year's chosen charity is the Sun City Foundation. The Sun City Foundation supports RCSC members who have outlived their resources through assistance with RCSC annual property assessments and transportation. Through the foundation RCSC members are able to continue using the facilities and remain active and social. The format will be a two person scramble and lunch will be provided by Famous Dave's.

A new instructor, John Martin, Class A PGA Professional, has joined our other independent teaching professionals, Sarah Bakefelt, Bob Day, and Bob Jennings. John replaces Billy Edmundson who recently stepped down from his position. The four professionals conduct our "Get Golf Ready" classes, our free golf clinics held in November and March and are also available for private lessons throughout the year. Contact information for the professionals can be found on the [www.suncitygolfing.com](http://www.suncitygolfing.com) website or at one of our golf pro shops. The free golf clinics have been well attended during the fall sessions (October and November). In the past, well over 300 golfers or prospective golfers have attended these sessions. The final clinic will be held on November 19 with a 9:30 a.m. start at Lakes West. Registration for Get Golf Ready classes is also underway, the cost of the classes is \$99 which includes 4 days of instruction as part of group of 8 students or less, as well as a 5th day of on-course instruction. The program covers swing fundamentals as well as golf etiquette and an introduction to golf rules. The program is part of a national initiative of the PGA of America to grow the game of golf.

### Snack Shops

Through October, snack shops have exceeded budgeted revenue by \$5,759, we continue to thank everyone for their support. Snack shops are now operating under winter hours and remain open until 5:00 p.m. except in the rare cases of significant inclement weather. We respectfully remind everyone that all food and beverage consumed in the snack shops or adjacent patios must have been purchased through the snack shops.

### Golf Courses

All courses are now open from over-seeding. We have been receiving mostly positive comments on course condition, post over-seed and they are appreciated. With the extended period of warm weather, the bermuda grass has not entered full dormancy. Once we have a frost, course conditions will take on a different appearance.

As play increases, so does the stress on our courses. We remind all golfers that we all have a responsibility to keep our courses in good condition. Golfers can assist by filling their divots, raking sand traps, replacing rakes in bunkers parallel to play and repairing ball marks. During times of cart path restrictions, please remember to take your sand bottle to the fairway.

The key dates of the 2017 Willowcreek renovation are as follows:

- February 27, 2017 – Work on Willowcreek pump station begins (both courses remain open)
- March 6, 2017 – Mainline installation at Willowcreek begins (both courses remain open)
- March 20, 2017 – Willowcreek back nine will be closed. (Willowcreek Front 9 Open, Willowbrook Open)
- April 10, 2017 – Both Willowbrook and Willowcreek will be closed due to the heavy construction presence around the clubhouse
- November 2017 (Date TBD) both courses open

For those that are interested, plans for Willowcreek green reconstruction are posted in the Willowcreek/Willowbrook pro shop. Final plans

### Register now for upcoming sessions of the "Get Golf Ready" program.

\$99 includes 4 group lessons, with the 5th lesson being a round of golf. Lessons held at Willowcreek Golf Course (unless otherwise noted). There are a variety of days and times, so pick the class that best fits your schedule. Sessions are limited to 8 students for each group, so be sure to sign up early!

### Lawn Bowling

Dennis Dulaney, South Golf Course Superintendent, has been placed in charge of the lawn bowling greens. The lawn bowl team will continue with the normal day to day maintenance of the greens. Dennis will be responsible for developing the overall agronomic plans for the greens throughout the year.

With the growing season being extended, due to higher than normal temperatures, the amount of irrigation water applied has been increased. As temperatures normalize, we will closely monitor the moisture content of the greens, in an attempt to reach the drier conditions requested by the committee.

### Bowls USA Names Sun Citian to Hall of Fame

Long-time Sun City AZ resident William D. "Bill" Weaver (1983-2010) was posthumously inducted into the Bowls USA Hall of Fame this past November.

Bill was a long-time member of the Bell Lawn Bowls Club during his time here and bowled competitively for 28 years. In 2006, the club honored him by naming the annual "Bill Weaver Men's Pairs Tournament" after him in recognition of his accomplishments as well as his work on behalf of the club. This tournament continues to be held annually in his honor.

The Bowls USA Hall of Fame annually honors individuals for their body of superior competitive achievements, and/or exceptional contributions to American lawn bowling off the green. The entire Sun City AZ lawn bowling community, both past and present, should be very proud of this accomplishment and recognition of one of their own.

Bill's true passion in life was lawn bowling. Congratulations on this honor!

A Moment with President Schroeder -

Change - It's Merely A Part of Life

Change happens. It is quite simply the law of life. Whether it is the leaves on the trees or the radio station in your car. Winter is always followed by spring. And every year, just like clockwork, the RCSC Board of Directors changes, too.

Directors serve three-year terms, so that each December three new members are elected to replace the outgoing board members. It is a cycle that repeats annually and can change the dynamics of Sun City AZ in many ways. Some substantially and others only slightly.

This year's election was a bit different in that RCSC Members were asked to vote for up to four candidates in order to fill the remaining two years of a vacancy. We were once again fortunate to have an adequate number of contenders in this election, and almost 100 more ballots were cast in this election versus 2015. Don't forget – your vote is your voice in what happens. Perhaps next year even more will vote with the ease and convenience of online voting through the RCSC Web Portal.

Now back to change. While change can be difficult for some, this annual turn-over provides an arena for newly elected board members to learn. Getting up to speed will take some time. Do whatever needs to be done as you make this transition. Spouses, partners, club buddies and neighbors may see a little less of you, but know that the dedication and steadfastness to this community you've pledged to uphold throughout this process will be some of your best years here.

For myself, the last three years has been quite a ride. I am proud of the Board's accomplishments and it has been a true honor to serve as your Board President.

Friendships have been made over this time period and differences of opinion were sometimes frequent. New Board members will likely find more of the same in the coming years. But all of us on the Board have had but one goal in mind – a better Sun City AZ for the future!

I would like to express my sincere thanks to my fellow Directors whose terms are ending, as is mine.

To Michael Kennedy whose financial wizardry and verbal sparring with fellow Board Director David Wieland may be missed by some and to Peter Lee whose calm demeanor and analytical thinking brought many concerns and details to our attention. Your commitment and service will forever be appreciated.

Dan Schroeder  
2016 RCSC Board President

Lastly, I wish to extend my heartfelt gratitude to Ron Jesse who selflessly returned to the Board so that we could continue with "business as usual" through the end of this past year.

To the incoming Board Members (Stella VanNess, Jerry DeLano, Dave Wieland and Bruce Alleman), I wish you well. You'll have little time to prepare yourselves for the tremendous influx and immense variety of issues that will start coming your way. Stay focused and do your homework. Ask as many questions as needed until you truly understand the policies and processes that are in place.

Keep focused and continue to do what is necessary to ensure that Sun City AZ remains the best active adult community in the nation. The decisions you make now will affect all of us – well into the future.

Change is never easy. And sometimes change can be downright frightening. But a life with no change at all is terrifying. It is really up to you. Accept things as they are or accept the responsibility to change them.

The choice is yours.

Management Updates

**Financial Report:**  
There should be no concern about 2016, all is in order and we are operating well within our budget with all divisions in a positive variance position at the end of October.

Now 2017 that’s a different story! No I am not talking about the recent election for the President, I am talking about Arizona passing Proposition 206 which increases minimum wage from \$8.05/hour to \$10.00/hour effective January 1, 2017. That folks is a 24% increase in pay and it doesn’t only affect those that are being paid minimum wage, it affects numerous pay scales. This minimum wage increase will have a tremendous effect on RCSC’s operating costs in 2017 as 55% of RCSC’s current staff are paid under the \$10.00/hour minimum at this time.

In addition this new law requires us to accrue and pay sick time for part-time employees. Approximately 50% of our 375 employees are part-time and this additional cost to RCSC will also increase RCSC’s operating costs in 2017.

Finally, it is very important to recognize that these changes will affect many of our service providers and supply vendors as well, therefore, the overall effect of the passing of Proposition 206 is impossible to fully calculate.

With this sort of significant potential impact, RCSC may have to consider fee and assessment increases, as well as, reduced services and benefits. It is important to recognize this doesn’t just end with the minimum wage increase for 2017, there is another 20% increase to \$12.00/hour before the effects of Proposition 206 are over.

While some folks may be taking home a bigger pay check starting January 1, 2017, I venture to say that most will not have more when it is all said and done as businesses adjust their prices to accommodate their significant increased costs for operating their businesses.

**Bowling:**

Signups for the annual New Year’s Eve Party at Lakeview Lanes has begun. Doors open at 7:15pm and the party starts at 8pm with a potluck, bowling and prize drawings. The night will end with a champagne toast to the New Year. Everyone is welcome to attend even if you are not a bowler. Stop by Lakeview Lanes or Bell Lanes to reserve your spot as availability is limited.

On October 29 and 30 Bell Lanes hosted the Metro Phoenix Senior Ladies Championship tournament. Entries weren’t as high as expected, but this was a new tournament for the Metro Phoenix USBC. The tournament produced \$800 of unbudgeted income.

The RCSC bowling centers will not be hosting the Arizona State USBC Senior Tournament this year or next year. RCSC has hosted the tournament for the past six years. The tournament was always very successful, but

the Arizona State USBC has decided to rotate the tournament between centers in different cities in Arizona.

**Cardholder Services:**

Payments on past due assessments in October increased slightly from last month but continued to be over 10% of the past due balance. Overall accounts receivables decreased by 3.25% in October. September assessments went 30 days past due at a decreased 5.2% rate compared to the past 3 months while August assessments went 60 days past due at a reduced 2.9% rate. Past due assessments are at their lowest level since September 2011. The shift in receivables from current into the past due category subsided in October with both categories declining this month. Payments from our third party collections firm also increased slightly in October with year to date payments totaling \$179,471.

Payments made by Cardholders through the online RCSC Web Portal in September totaled \$79,078. Year to date web portal payments total \$823,140. During this time over 3,100 property owners have used the web portal to make payments.

In October property transfer related balances decreased by 7% and lender owned related balances offset last month’s decrease with a 41% increase in October. Outstanding balances related to property transfers are the lowest to date this year and now represent approximately 54% of all receivables due and 55% of past due balances.

Trustee sale notices on Sun City AZ properties increased marginally to 45 properties at the end of October. The number of properties owned by lending institutions also slightly increased this month to 17 properties.

Preservation and Improvement Fees collected in October were \$565,100, which is \$194,100 over the amount budgeted. Year to date PIF fees are \$6,764,200 which is \$2,121,600, or 52%, over budget for the year. Again a reminder that we intentionally budget PIF income very conservatively to assure that we have the cash on hand for any planned project as we remain debt free.

**Human Resources:**

RCSC has renewed employee medical insurance coverage with BlueCross/BlueShield of AZ for the 2017 calendar year. The provider for dental insurance coverage will change from Mutual of Omaha to Delta Dental. Life and Short & Long Term Disability insurances will remain with Mutual of Omaha.

Employee benefit meetings will be held on December 1 and 2 to provide information regarding the plans and to allow an opportunity for employees to enroll and make changes in current coverages. Also information will be provided regarding the Healthy Rewards Program and the 125 Flexible Spending Account.

The 125 Plan allows employees to set aside pre-tax dollars to provide reimbursement for out-of-pocket medical

## Project Updates

### General Information

- Toilets and lavatories continue to be replaced at all on-course golf restrooms. Remaining locations for toilets and lavatories are as follows: four at Lakes East and four at Willowbrook. The RCSC plumber is committed to completing these locations in November 2016. Roofing Contractor was DFG Builders (Cost \$24,104). Painting was done by Exquisite Painting and Lavatories and toilets completed by the RCSC Skilled Trades plumber (Cost – \$24,857). The four doors (two at Lakes West and two at Quail Run) are still on order with D.H. Pace and will be installed as soon as they arrive from the manufacturer (Cost – \$3,961).

### Lakeview Center

- A new floating dock on Viewpoint Lake will be installed the week of November 14, 2016 and is expected to reopen the following week. The new dock will now accommodate RCSC's existing boats and has additional spaces for other lake boats and future growth. Contractor is Floatation Systems and the RCSC Skilled Trades team (Cost – \$62,996).
- The security fencing at Lakeview Hillside Park is now put in place. Final painting and hardware installation will complete the project on or before November 30, 2016. Contractor is Save-On Fence (Cost – \$21,800).

### Bell Center

- Renovation of the two main Bell Library restrooms is now completed. The restrooms were re-opened Monday November 14, 2016. Contractor was Ken McIntyre Construction (Cost – \$100,000).
- The Bell Visitor Center will be relocated into a temporary location, directly east of their current location, provided the temporary building permit receives final approval. Remodeling of the current visitors center will commence immediately afterwards and will include an automatic entrance door, interior wall reconfiguration, LED lighting, ceilings, windows, doors, flooring, furniture, literature displays and a new fire alarm panel and sprinkler heads. Contractor is Ken McIntyre Construction (Cost – \$132,152).
- The RCSC Skilled Trades department corrected a safety issue at the Bell Ceramics Club by re-anchoring with screws, all the shelf standards previously stapled in place. In addition, the RCSC cabinetmakers replaced 109 shelves in these cabinets which deteriorated tremendously since their installation many years ago.

### Marinette Center

- The remodel of the auditorium, social hall ceiling, main restrooms, kitchen and installation of two new swimming pool restrooms at Marinette Center is now completed except for a few small contractor follow-up items. The auditorium and main restrooms were re-opened on November 7, 2016 and the two new pool restrooms opened on November 15, 2016. Please note that the project cost increased \$16,572 due to required floor grinding and leveling in the auditorium, mirrors and track, as well as additional wall tile for the restrooms. Contractors were DVP Professional Builders, Accel Electric and Custom Cooling (Cost – \$275,532).
- Plans are underway to pulverize, repave and restripe the West parking lot at Marinette Center. This work will commence November 16, 2016 and is expected to be completed November 23, 2016. Contractor is Regional Paving (Cost – \$148,600).
- Plans are also underway to Seal Coat and restripe the South parking lot at Marinette. This work will occur immediately following the repaving of the West parking lot. Contractor is Regional Paving (Cost – \$4,575).

### Lakes East/West

- The concrete entrance from the street to the parking lot at the East end of Talisman Hall was replaced and re-opened November 7, 2016. Contractor was Ken McIntyre Construction (Cost – \$7,739).

### Willowcreek/Willowbrook Maintenance

- The WB/WC maintenance building has now been demolished and the site excavated in preparation for the new steel Golf and Skilled Trades maintenance building. Work is currently underway to install footings for the new building and block

security walls. In addition, preparations will commence soon for the building's slab floor, including all utility rough-in components and vapor barrier. Contractors are Doege Construction (Formerly DVP Professional Builders), CCBG Architectural and Bunker Steel (PIF Cost – \$1,881,825).

### Skilled Trades Department

- The RCSC Skilled Trades Department completed 210 work orders during the last two weeks of October and the first two weeks of November 2016. The new electronic work order software is now being used by all Skilled Trades, Grounds and Audio/Video personnel. The software has significantly reduced work order administration time.

### Centers Operations

- Congratulations to the following Facility Attendants: Gina Mullings at Bell Center, Ethel Smeaton at Sundial Center, Karla McKay at Mountain View Center and Sue Finley at Marinette Center for their recent 5-year anniversaries with the RCSC. All make positive contributions to the successful operation of their respective centers.
- Recognition is in order for the utility staff at Oakmont, Marinette, and Bell where remodeling work has recently been completed. The employees at these respective centers were instrumental in cleaning and preparing these areas for cardholder use.
- New American and Arizona flags were recently purchased for the flag poles on 107th and Grand Avenues, between Fry's and Starbucks. The RCSC flag is currently being fabricated and will be installed soon. The RCSC will assume the responsibility of adjusting, monitoring and replacing these flags.

expenses. On October 27, the IRS issued notice detailing the cost-of-living adjustments affecting dollar limitations. The maximum amount an individual can contribute pre-tax in 2017 increased from \$2,550 to \$2,600. Participants are never taxed on the amount set aside for reimbursement.

Recently the HR Director attended a webinar facilitated by Fidelity Investments who holds RCSC Employees 401(k) Plan investments. Fidelity will provide investment advice to employers and employees under a recent Department of Labor Fiduciary Rule. This will be done through advice and education. Education will be available online. As long as our plan is less than \$50 million Fidelity will remain fiduciary. Over that amount the Plan Sponsor must take fiduciary responsibility. No rush, our Plan is currently at \$1,153,000.

Sun City Choraliers

The Sun City Choraliers have been singing for over 30 years in Sun City and the surrounding area. We perform 8 to 10 shows in the winter season each year and an additional 8 to 10 shows in the spring season. Our performances include church venues, retirement homes, Club parties, and we perform a free, open to the public, show each season at American Lutheran Church in Sun City. Most importantly, we love to sing!

Our Artistic Director is Jane Brambilla, who provides vibrant and energetic rehearsals and professional leadership. Our shows include professional quality accompanists and percussionists, as well as a variety of instrumentalists. Our programs are filled with a variety of songs ranging from current hits to classical pieces. Many of the locations at which we perform ask us back each season, and we are always adding new performance venues. Check us out at [SunCityChoraliers.com](http://SunCityChoraliers.com) or [Facebook.com/sun-citychoraliers](https://www.facebook.com/sun-citychoraliers).

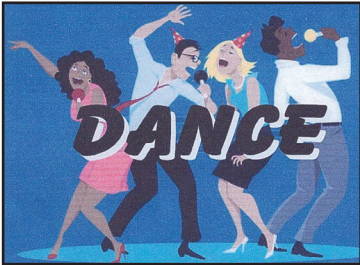

The Choraliers rehearse weekly on Monday mornings from 8:30 to 11am, in the Music Rehearsal room on the second floor of Fairway Recreation Center. All interested singers (especially tenors and basses!) are welcome to attend a rehearsal or two and then perform a ‘non-stressful’ audition with the Director. Our spring season rehearsals begin on January 2 at 8:30 a.m. We would love to include you in our group. Please plan to attend our ‘open to the public’ show at American Lutheran Church on March 27 at 6 p.m. For more information, contact John Tate at 623-224-1750, or to book a performance please contact Carol Morse at 623-933-7202.

Karaoke & Dance Club of Sun City

The Karaoke and Dance Club of Sun City is the place to be when you are looking for live entertainment and a great evening of fun. Make it a social gathering where you can meet old friends and make new ones. A place where you can sing your heart out and have fun doing it. Or you’re welcome to just sit back and listen to our amazing singers who live right here in Sun City.

There’s no other place where you will find people that come from all over the world and who all have one thing in common - they all love to sing and dance and have a good time. If you’re celebrating a birthday or wedding anniversary, why not celebrate your special occasion by joining our club? We’re not limited to only karaoke music; we have a great variety of dance music, too, and a full-projector screen for dance videos. We offer a special club experience that includes romance, candles, table clothes for the perfect celebratory atmosphere.

Stop by Marinette on Tuesday nights from 5 until 9:30pm to find out more. If you plan to arrive with a party six or more, please give Bill a call in advance at 209-380-8029 so table space will be available. One club member recently commented, “I want to thank the Sun City Karaoke and Dance Club for making it possible for me to sing and dance once again. I feel very comfortable and relaxed when in this welcoming club atmosphere and want to thank you again for making that possible.” Come and join us!

## Rhythm Ramblers

The Rhythm Ramblers Dance Band is now 53 years old and still going strong!

This was the first dance band in Sun City and Del Webb commissioned the Rhythm Ramblers back in the day to welcome and entertain visitors coming into the area. The "Big Band Music" was played at various functions and in particular for a weekly "Chuck Wagon Dinner" at the Lakes Club which, at that time, was an apartment-renting facility.

The original band consisted of nine players. Over the years the band has grown to its present "big band" size of 18 which includes five saxophones, four trombones, five trumpets, piano, bass, drums and our leader, vocalist and clarinetist, Barry Dale. The Rhythm Ramblers are all professionals having played with famous name bands such as Al Hirt, Woody Herman, Nelson Riddle and well-known celebrity vocalists. Barry Dale had his own big band in Canada appearing on Canadian TV and Radio. A number of the musicians played for our troops during the Vietnam War. Many of them performed with bands backing such stars as Martha Raye, Bob Hope and more.

The Rhythm Ramblers perform on the first Tuesday afternoon every month beginning in October through April from 2:30 to 4:30pm at the Sun City Sundial Auditorium. All RCSC Cardholders are invited to the dances. Admission is \$4 for RCSC Cardholders and \$6.50 for guests/visitor. Dress is casual. Bring your own snacks and drinks. We furnish cups, ice and napkins. For more information, please contact Tom at 623-876-8464.

## Monday Night Pinochle

Do you like to play Pinochle Cards? Having a hard time getting four people together at the same time? There is a great answer to your problem. Every Monday night starting at (6:15pm to register) 6:30 and ending around 9:15-9:30pm is an answer. Singles players are welcome; no need to bring a partner.

Come to Oakmont Recreation Center and enjoy a fun-filled evening. We play both single deck and double deck. To join, the fee is \$3.00 per year and .50 cents to play. Non-RCSC Cardholders can play as escorted guests for \$3.50 per evening. The monetary prizes are awarded according to the number of participants each evening. After each game of six hands, individual scores are added and the winners advance towards table one and change partners. Losers stay but do not play the same partners making for a mixing of players. This allows playing each game with a different partner as well as a great social time.

So come out and join us and have a fun evening. For more information call Kim at 623-251-4155 or Willie at 623-972-3263.

We also create unique and creative greeting cards for our own use and for sale to the public during our regular club hours of 9 to 11am every Thursday and Friday. Samples of the cards can be seen in our club display window anytime.

Club membership is open to all RCSC Cardholders. For more information, please contact John Staggs at 623-210-9137.

Tips from Get Fit for Life -

Resolution for the New Year: Use the Fitness Center

Have you been putting off going to the Fitness Center, for one reason or another? The Holidays are over, the damage is done, and now it's time to get serious! Phyllis Neal is heading into the New Year with a firm commitment to exercise. She met regularly with Get Fit for Life trainer, Jane Fortier, at the Fairway Fitness Center, to get acquainted with the machinery there. Phyllis was a bit overwhelmed by all of the equipment at Fairway, and concerned that her COPD might interfere with exercise. Jane designed a program that was appropriate and effective for Phyllis.

"Knowing what to do and getting started are the two biggest obstacles people face, as they begin an exercise program," states Fortier, co-owner of Get Fit for Life. "As trainers, we overcome these obstacles by creating programs that are appropriate for individual needs. Questions I often hear are: What exercises are best for me? What weight should I use? How many repetitions should I do? What machine settings are appropriate? Where should my heart-rate be? All of these questions are answered, and many more. If you are new to exercise, we will develop a comprehensive program for you; if you are a seasoned exerciser who needs a new approach, we design a workout that moves you to another level; if you are ready to transition from rehab to a fitness center, we guide you carefully through this process; if you face osteoporosis, diabetes, obesity, stroke recovery, or any other physical challenge, we introduce you to an exercise regimen that gets positive results. Teaching proper breathing, form, technique and cadence, with all exercises, is part of the service we provide."

Research continually confirms that exercise curtails the physiological effects of aging in active adults. Building muscle tissue, improving cardiovascular health and increasing flexibility are important parts of a good exercise program. Get Fit for Life personal trainers use these concepts in creating programs that are safe and effective. Trainers take the guesswork out of exercising and teach Sun City residents how to use the Fitness Centers more efficiently. Let Get Fit for Life help you get the New Year off to a great start, with exercise. To consult with a personal trainer about needs, goals and fees, call 623-696-6820.

LaTouch Wellness Massage Therapy Shares...

Combination Wellness Sessions

How do you feel? Are you physically, mentally and emotionally performing at your peak levels? Life is not always perfect and it can be stressful at times. When we encounter these challenging situations, it may cause us to experience discomfort, disappointment and even physical pain.

The good news is there are tools and techniques we can utilize to help restore balance, bring peace of mind and encourage a sense of well-being to our bodies and mind. A Combination Wellness session is designed specifically for you to explore in-depth, how these holistic health wellness modalities can assist you in healing yourself on various levels. Maintaining a healthy state of mind is what we should actively strive to maintain as this allows us to live a fulfilling life at optimal levels.

A LaTouch Wellness Combination Session encompasses a variety of tools and techniques that can assist you in recovering and maintaining your sense of vitality and health. These sessions may include:

- Reiki can be applied to heal and balance the physical and energy levels in the body as well as strengthening the emotional and spiritual qualities of an individual. All that is needed is an open mind and a willingness to heal on a deep level.
- Guided Imagery is a soothing and relaxing technique that uses your imagination to improve your physical, mental and emotional health. Applying your imagination for as little as 10 minutes regularly can have a profound and positive impact to your state of well-being.
- EFT (Emotional Freedom Technique) is a form of acupressure that works with specific points of the body to assist in removing emotional stress, thus promoting whole body healing. You will be shown how to perform this technique yourself for long-lasting treatment at home.
- Reflexology applies pressure to specific points on the feet and hands as these reflex points correspond to different organs and systems of the body. Applying pressure to these points has beneficial effects on a person's general health.

This combination of holistic health wellness modalities can give you the additional tools and techniques to restore balance, health and a renewed sense of well-being. It will assist with reducing stress, enhancing sleep, and boosting the immune system. If you are preparing for surgery, it can help to reduce anxiety as well as promote a speedy recovery and aid with pain management.

**Sun City Players Community Theater**

Welcome to the SCPCT 2016-2017 season. Season tickets are \$25 and are available on our website: [www.suncityplayerscommunitytheater.org](http://www.suncityplayerscommunitytheater.org).

Neil Simon has written another entertaining play (again), full of the combined humor and tenderness we've come to expect from him. This is a story of family devotion, of hilarious situations and the renewal of joy! George recently became a widower and finds himself unable to care about anything very much or able to move on. He is fragile, and he is at the most vulnerable period of his life, spending his days wondering what might have been. However, his devoted brother is determined to help him out of this despair and encourages him to seek happiness again. Whether they succeed (or not), is for me to know, and YOU to find out. It's enough to say that George's life is about to change, (though with a few unexpected glitches along the way). You will laugh and cry and you'll come back to the Sun City Community Players Club for more.

Tickets may be purchased on line at: [suncityplayerscommunitytheater.org](http://suncityplayerscommunitytheater.org); choose the option: "Tickets." Chapter Two begins on January 13, at 7pm at Mt. View. Tickets are \$10 each. Check the website for details on ticket sales at Fairway. Early reservations are recommended. FMI on tickets, email to: [suncityplayersboxoffice@gmail.com](mailto:suncityplayersboxoffice@gmail.com).

The spring musical is A Bag Full of Miracles - a touching, tender story with comedic and romantic highlights by author Tom Northam. Opens 3/17/2017.

All performances at Mt. View Recreation Center, 9749 107th Avenue, Sun City. FMI email [suncityplayersboxoffice@gmail.com](mailto:suncityplayersboxoffice@gmail.com).

## Educational Classes

### Computer Club of Sun City

Our members come our Club in the Fairway Recreation Center to share computer knowledge and experiences, including current Microsoft Operating Systems, Chromebooks, Android Smartphones and tablets in a fun social environment. This includes Windows 10, the internet, mobile devices, media, home, office and social. Members of the Club can come anytime that we are open and use our computers in the Member's Lab to check email, read the news and visit favorite websites.

They use our scanner to scan their important documents, precious old pictures, prints, slides and negatives. Classes, special interest group discussions, workshops and presentations are both interesting and educational.

We have two entire classroom equipped with Windows 10 computers and many classes using Microsoft 10 are scheduled. Classes are usually announced at least two weeks before and require club membership. You'll need to come to the club to register. Sign up early as they do fill up fast.

Our Workshops are focused, informal, hands on, and with smaller groups. Membership is required. Topics of the Workshops are targeted to a specific topic and will be related to PCs or Android Devices. Tables are arranged for members to use with their own laptop, tablet, or phone.

All RCSC cardholders are welcome to join the fun! In December, you can join by attending a short "Join Us" presentation in our Club on any Monday, Wednesday or Friday (except December 26. Come in anytime between 9a to 10:30a. It only takes a few minutes to join! Come to our club. For more information, call 623-933-8953 or visit our Club Website: [www.firstsuncity.com](http://www.firstsuncity.com)

### SunMacs Computer Club

Regular Hours: M-Th, 8:30-10:30a & 12:-2:30p

**Closed January 2.**

General Meeting 8:30-10:30a on Saturday 1/14 in Sundial West Hall. Coffee and treats available before the 9a program. Also, renew your membership if necessary.

Our New-for-2017 Program is: "Things You Should Know (But Probably Don't) Re: Your Apple Gear." It's another DON'T MISS IT program! We've asked our friends at Mac Media to tell us "What are the most common questions and problems you receive about Macs, MacBooks, iPads & iPhones?"

Their answers surprised us, and they'll surprise you, too. Our longtime friend

CJ has been training his staff to present programs; now, you'll meet Ruben Duron, a terrific young man who's eager(!) to meet & teach us.

There'll be time for Q & A, so unless you have to leave immediately, stay around for personal advice. As old-timers know, some of the best information happens during the Q & A sessions, so stay around; it'll be well worth your time!

We specialize in assisting our members with Apple Products and Software. Located at Sundial; RCSC card required for membership. Annual dues: \$20 single/\$30 couple. Collection of 2017 dues began in November. We offer Classes, Round Tables and Socials free to club members. Some classes require pre-registration.

# GET A \$400 TAX CREDIT

## FROM YOUR STATE INCOME TAXES

### With Your Donation To Nadaburg Unified School District

Dear Residents of Sun City,

Imagine a child's eyes lighting up because he just understood what most of the other students learned last week, or they just played a musical instrument for the first time, or they just made their own power point on the computer. All of these things are possible through our tutoring program, music program, and after school fine art programs. Your contribution of tax credit funds will enable our District to keep these important programs going. You can make your Arizona State tax funds work for the academic improvement of students, enrichment programs both as after-school and summer activities. Your dollars open a whole new world to our District, and we thank you for caring about our next generation. ***YOU CAN MAKE A DIFFERENCE IN OUR WORLD AND YOU CAN SAY WHERE YOU WANT YOUR TAX CREDIT DOLLARS TO GO. Every penny donated goes directly into benefiting the children of our District.***

If you have any questions about this program, please call Ms. Kasia Salamon at school at 623-556-5880.

**TAX CREDIT!** Thanks to Arizona House Bill 2074 enacted in 1998, taxpayers may receive up to a \$400 tax credit on their state Income tax by contributing to Arizona schools if they are married and filing jointly. It will remain \$200 if they are single. The program gives a dollar-for-dollar reduction of state income taxes. The money must be designated for school-based extracurricular activities.

- Checks must be made payable to the Nadaburg Unified School District.
- The credit is against taxes. If an individual has no tax liability, a credit will not be available for this year, however, it can be carried forward to later years.
- When the check is received, the taxpayer will receive a receipt from a school district official. The district will also notify the Arizona Department of Revenue. When the District receives the tax forms necessary for your tax filing, upon request you will be sent the appropriate forms.

# Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.
