## Why not? - Run for the Board

Some people have asked, "What qualifications do I need to run for a Board position?"

Most directors would agree that the two things necessary are:

- A desire to see Sun City maintain our lifestyle for the future.
- Common sense.

The following is the final installment in our series, "Run For the Board...Why Not?" You have heard from five current Board

## Celebrate Freedom at Ring That Bell Ceremony

RCSC Cardholders and guests, come celebrate our nation's birthday at the 34th Annual Ring That Bell Ceremony on Wednesday, July 4, at 9am in Social Halls 1 & 2 at Bell Recreation Center. Chairs will be provided.

This ceremony is a timely reminder for us to remember the fundamental principles underlying the celebration. The right to "Life, Liberty and the Pursuit of Happiness" was not taken for granted by the Founders, and it should not be taken for granted by us. "Let Freedom Ring" was established to remind Americans of the brave men and women who brought this nation in to being.

The program Master of Ceremonies is Uncle Sam, also known as

## Bowling News & Notes

**Sun City Open:** The 24th annual Sun City Open Bowling Tournament was held at Lakeview Lanes and Bell Lanes. Bowlers came from all over the state plus one team from California. The tournament was very successful; it produced approximately \$4,000 over a period of two weekends.

**Lakeview Liquor License:** On May 5, 2012, the liquor license was transferred from Mojoe's Café to Lakeview Lanes. Lakeview Lanes will offer the same products as Bell Lanes and the pricing will be the same. Liquor sales and expenses were not budgeted for Lakeview Lanes. Although there were some initial unbudgeted expenses, we feel income from liquor sales will more than offset those expenses and produce an overall positive effect. As of April 30, 2012, the bowling division had a net positive variance of \$23,000 when compared to budget with these unbudgeted expenses.

## Buildings & Infrastructure News & Notes

**Solar Project:** Solar projects, which include thermal (Water heating) and PV (Electricity producing), are still going through the plan review and plan correction process with Maricopa County Planning and Development Department. Solar contractors include Wilson Electric for the photovoltaic solar and Global Renewable Energy and Priceless Plumbing for thermal solar.

**Fairway Sign:** The West facing sign for the Fairway building is now in place and functioning as designed. Contractor was Apollo Sign Company. **(Cost – \$4,074)**

**Irrigation Systems:** Planning and pre-permit work is underway for the replacement of the irrigation systems and turf at the Sunbowl ballpark and park area south of the ballfield. Upcoming work will include complete replacement of the irrigation systems, re-grading of the ballpark and park area, planting new grass and installing decomposed granite material alongside the foul lines of the ballpark. Once the civil engineering, irrigation design and architectural work is completed the project will be submitted to Maricopa County Planning and Development for permit and sent out for construction bids. After bids are received the entire project will be submitted to the RCSC bid commission for final approval. Current planning/permit service providers include: CCBG Architectural, Marvin Mills Irrigation Consulting and Broderick Engineering.

**Lakeview Lanes Roof:** The Lakeview Lanes roof is being repaired and recoated in preparation for solar panel installations. Contractor is Roofing Consultants of Arizona. **(Cost – \$60,800)**

**Lakeview Social Halls:** As soon as materials arrive, new vinyl flooring will be installed in the Lakeview social halls. The new vinyl flooring replaces the existing tile which is delaminating from the sub-structure and requires extensive maintenance to keep it looking good. The new floor will correct the delaminating problem and greatly reduce maintenance costs. Contractor is Puckett's Flooring. **(Cost – \$38,086)**

**Bell Lawn Bowling Irrigation:** Planning and pre-permit work is underway for repairs to the Bell Lawn Bowling irrigation system and lawn bowl greens. Once preliminary work is completed the project will be submitted to Maricopa County Planning and Development for permit and sent out for construction bids. After bids are received the entire project will be submitted to the RCSC bid commission for approval.

**Marinette Pool Deck:** Spot repairs to the pool decking at Marinette Center were completed in late May. Contractor is Desert Rose. **(Estimated Cost – \$10,284)**

## Financial News & Notes

**April 2012:** RCSC has ended April 2012 well within its operating and capital budget. Let me remind you that when you are looking at accounts receivable – assessments balance this year compared to last, you must also include the pre-billed assessments under liabilities as a part of your calculations, as we now book all billed accounts receivable, although it is for the future.

**Budgeted Expenses:** For those of you who really delve into the financial statements, it is important for you to understand that we have approximately \$600,000 in budgeted expenses which have not been completed year-to-date, therefore, our positive variance from budget is overstated as these expenses will be completed in the future. Also remember that we have just completed our two largest billing months, so

our cash and investments always grows at this time of year to accommodate expenses forthcoming in the future.

**Trustee Sales:** Property trustee sale notices on Sun City properties was increased by 10% in April and ended the month at 88. The number of bank-owned properties decreased slightly down to 81 properties owned by lenders.

**PIF:** The Preservation and Improvement Fees collected in April continued the volume trend in March; finishing the month just under the March high at \$830,475. Year-to-date PIF fees are \$1,142,875, or 79%, over budget.

## Golf News & Notes

**Golf Rangers Need You:** Rangers volunteered a total of 220.5 hours in May. Course totals: Quail Run: 6.5 | Riverview: 13 | South: 57.5 | North: 4 | Lakes: 16 | Willow: 11. More Rangers are needed. If you have a few hours a week and want to have fun and provide a great service to Sun City golf, consider volunteering as a Ranger. Contact : Don Rogers at 623-815-7077 or attend a meeting: 3pm last Thursday of each month at Talisman Hall.

**Revenue:** Revenue for April was slightly ahead of year, with total revenue finishing just over \$2700 ahead or 1%. Green Fee/Cart Fee revenue was slightly behind, falling \$1466 short of prior year. As with previous months merchandise and driving range revenue were ahead of last year. Merchandise revenue exceeded prior year by just over \$5,000 and Driving Range revenue exceeded prior year by just over \$2,500. Total revenue for the month missed budget by \$3,992. Year to date revenue is \$66,000 ahead of budget and nearly \$98,000 ahead of prior year. Public play YTD is \$15,000 behind prior year; however this deficit has been offset by big gains in cardholder and guest play. Utility cost for the year is nearly \$19,000 (after accounting adjustment) more than last year; the bulk of this increase is due to increased well water pumping.

**Agronomist Visit:** On May 8 we had our yearly visit by an USGA agronomist. Brian Whitlark visited Willowcreek/Willowbrook, Riverview, Lakes West/Lakes East and Quail Run as well as held a meeting with the RCSC Board of Directors. His overall impression of our courses remains positive and his full report will be posted on the RCSC website when available.

**Snack Shops:** Snack shop revenue for April finished \$2,120 ahead of budget. Snack

Shops year to date are nearly \$19,000 ahead of budget and prior year. Snack Shops have begun closing at 3pm on a regular basis and beginning in June will close at 1pm. Adjustments to the schedule may be made depending on business.

**Greens Aerification:** The first round of green aerification is complete using a ½ inch hollow tine followed by a fertilizer application. The fertilizer application consists of 1 pound of nitrogen and potassium, .14 pounds of phosphorous. An application of calcium was also used to flush salts from the root zone.

**Herbicide:** Four RCSC golf courses (Riverview, South, Lakes East and Willowbrook) will chemically remove the winter rye grass using a herbicide. Golfers should expect to see the overseeded areas turn brown and die during this time. Overseeded areas will be thin and some areas may be void of turf. Although this process is inconvenient for golfers it is showing a reduction in the time it takes to go through transition. We estimate that time spent in transition was reduced by 8 days in 2011.

**Fairway Aerification:** Fairway aerification begins June 4 at Willowcreek. Each course will be closed during the aerification process. Please check the RCSC website for the full listing of course closures.

**Rainfall:** The lack of rain in 2012 continues to have an adverse affect on our courses. The light rainfall in April allowed us to save 22 acre feet in water to budget. Year to date the golf courses are over our water budget 31 acre feet or 10 million gallons of water.

## BELL: Sec. of State speaks July 4

Mike Lindquist. An invocation is provided by Deacon Stan Giza of the St. Clement of Rome Catholic Church. Gene Papineau, Sun City Posse Member and Master Sergeant of the Color Guard present the colors. Music for the program is provided by soloist Ginni Summers who leads the audience in several patriotic songs. Francis Scott Key (Bob Brown) and Uncle Sam will share the Pledge of Allegiance in a most interesting and educational way!

Francis Scott Key will introduce the keynote speaker, Ken Bennett, Arizona's Secretary of State.

Statewide office is the newest chapter in a record of public service that spans 25 years for Ken, who was appointed by Gov. Jan Brewer to fill the remainder of her term as Secretary of State. He was elected to a four-year term in 2010.

Mr. Bennett's career in public service began in 1985 with his election to the Prescott City Council. In 1998, he was elected to represent legislative District 1 where he served four terms in the Arizona Senate, the final four as president before being term-limited from office.

Leaving the legislature, Bennett re-entered the private sector to work with companies in the development of alternative energy sources and energy-efficient building technologies. Bennett has served as CEO of Bennett Oil Company and continues on its board of directors as well as the board of the Cancer Treatment Centers of America.

An Arizona native, Eagle Scout and ASU graduate, Bennett was born in Tucson, raised in Prescott, and currently resides in Phoenix with his wife, Jeanne. They have three grown children: Ryan, Dana and Cliff.

Sun City has a replica of the Liberty Bell. The Ringing of the Bell ceremony led by Uncle Sam will conclude the activities at 10am. Everyone attending will have the opportunity to proclaim the principles of liberty as stated in the Declaration of Independence by ringing the bell. Light refreshments will follow the event.

For further information contact the Lakeview Clubs Office at 623-561-4665. Mark your calendar and plan to attend this program!

## Spotlight on...

### Behind the red, white & blue: Mike Lindquist plays Uncle Sam

*"Spotlight on..." is a new SunViews feature that aims to shine a spotlight on the clubs and people that make Sun City special. Each month, you will find a new story sharing a little slice of what Sun City is all about. If you know an individual who you think should be featured or think your club deserves the spotlight, contact Tim Gallen, RCSC Communications Coordinator, at 623-561-4616 or tgallen@sunaz.com.*

Most call him Mike. On July 4, he'll go by Sam.

This month, Sun City resident Mike Lindquist will don a red, white and blue suit and top hat to help celebrate America's birthday as part of the annual Ring That Bell ceremony at Bell Recreation Center.

When first asked to take up the role of Uncle Sam, however, Lindquist didn't want to.

"I thought that was a bad idea," Lindquist said.

But, two years ago, when he heard fellow Sun Citian and former Uncle Sam, Ray Mills, share how important Uncle Sam was, Lindquist's interest was piqued. He told Mills he'd think about it over a summer trip.

When he returned, Lindquist said he had decided to decline.

"But when I left (Mills' house) I said yes," Lindquist said. "He is a very convincing guy."

For at least the past two decades, Uncle Sam has been a red, white and blue staple of the Ring That Bell ceremony, which takes place each July 4th at Bell Recreation Center.

Lindquist has portrayed Uncle Sam for the past two years, following an impressive 18-year run by Mills, who had been looking for someone to take up the mantle for a while before he convinced Lindquist to do so.

"I'm glad I did it," Lindquist said.

In his role as Uncle Sam, Lindquist participates in numerous community events throughout the Phoenix area in addition to Sun City's annual Ring That Bell.

For example, Lindquist donned the red, white and blue to participate in the city of El Mirage's 50th anniversary celebration last year, and he speaks in front of school children throughout the Valley speaking on themes such as the U.S. Constitution.

"The greatest thrill of the whole thing is with these kids," he said, "to educate them on patriotic things they may not have known. There are always tons of questions and their attention is sky high."

This month will be Lindquist's second Ring That Bell event at Bell Recreation Center as Uncle Sam. In addition to his duties as Sam, Lindquist also served as the chair of the whole event, coordinating and planning the whole program.

During his first Ring That Bell last year, Lindquist was amazed by the positive response from residents.

"Never in a million years would I have anticipated the excitement of residents ringing that bell," he said. "The whole thing went on for a good 45, 50 minutes. It blew me away."

Though, when in full garb, Lindquist goes by Uncle Sam, he claims he's merely "nephew."

"I told Ray (Mills), I'm Nephew Sam. There's only one Uncle Sam and that's you," Lindquist said. "The greatest compliment someone could give me in this role is if in 18 years someone says, 'You were as good as Ray Mills.'"

## From the President: Little things mean a lot

By Vance Coleman | RCSC Board President

As I was driving down Talisman thinking of the conversation I had just had with my coffee group regarding the results of the recall election in Wisconsin, I saw a lady picking up the citrus that had obviously fallen overnight on the street and putting it into a trash can. I have seen her out walking before so this was not her house. She was simply preventing an ugly situation. If she had not removed them, the end result would be a nasty looking spot in the road, and I thought what a caring and decent thing to do. Little things mean a lot.

For the remainder of the day I thought of the little things I had observed Sun Citians do for each other and I remembered that I had been the recipient of some of those little things.

Approximately five years ago in my rush to get to the golf course on time I broke a small piece of the facing off my garage door entrance; I don't handle a saw and hammer very well so I procrastinated. I went on a short trip for about two weeks and when I returned the door had been repaired and painted the same color. I had no idea who was so generous at first, but I now believe I do and I plan on giving him a call. Little things mean a lot.

I often go walking with my friend, usually in the evening and if we pass a home where the newspaper is still in the driveway or on the lawn she will pick it up and toss it behind the fence or on the patio or some place where it cannot be seen.

The reason is obvious: It is a signal that no one is home. I almost always forget to notify the paper when I will not be here but my friend and neighbor, Jackie, picks it up for me and places it out of sight on the patio. Little things mean a lot.

Now that I have begun to notice the little things that people do, I see more. I see individuals picking up debris on the golf course as they play a round, I see people pick up debris as they take their daily walk; just think of what our streets, our golf courses our parking lots and our city would look like if individuals didn't do those little things. Little things mean a lot.

Tim Gallen, RCSC Communications Coordinator, recently sent a message regarding the feeding of the ducks that reside around the lakes on the golf courses. We, me included – although I have been warned otherwise by Charmaine – are very happy to share our goodies with the ducks. The message informed us that we are not helping, we are hurting. Food that we eat, including those stale crackers, are not good for the ducks; in fact we hurt them. So let's not feed the ducks. Little things mean a lot.

If you are not one of those people of Sun City who do those little things that mean a lot, think of becoming one. A pleasant greeting and a warm smile will go a long way toward having a successful and pleasant day and this is such a little thing.

Truly, little things mean a lot.

## RCSC Offices closed for 4th of July

The offices of Recreation Centers of Sun City, Inc. at Lakeview Recreation Center will be closed Wednesday, July 4th in observance of Independence Day. All other scheduled events remain unchanged. Have a safe and happy Fourth of July.

## Tips from Daily Fitness

### Customize workouts for max results

Karen Miles is a regular at the Bell Fitness Center, and uses the Leg Raise machine to keep her abs in shape. Karen made a solid commitment to exercise years ago. It was only after she had some sessions with a Daily Fitness personal trainer that she understood how to maximize results from an exercise regimen, and implement an appropriate eating program. Karen's goal was to lose weight and change body composition. With hard work and commitment, she has done exactly that!

"Changing body composition involves increasing LEAN BODY WEIGHT and decreasing FAT BODY WEIGHT," states fitness professional Jane Fortier. "This can be accomplished by adopting an exercise and eating program that targets body fat. Such a program would include strength training, cardiovascular conditioning, and food choices that follow the Glycemic Index. Karen began to see changes in her body once she approached exercise and eating from the proper perspective. The education she received on strength exercise alone had a huge impact on her success. Karen stays off the scale, and focuses on inches. Over the course of the last few years, she has lost an amazing number of inches, and her fat percentage

has decreased.

"Making a commitment to lifestyle changes is the key to maintaining a healthy, attractive body composition," Fortier points out. "Karen Miles is a great example of how lifestyle changes pay off."

Daily Fitness personal trainers are experts at developing exercise programs that help clients reach their fitness goals, safely and effectively. To find out more about working with a Daily Fitness personal trainer, call 623-256-7901 or visit [DailyFitnessLLC.com](http://DailyFitnessLLC.com).

## WHY NOT: Running for the Board

*continued from Page 1*

members on why they decided to be part of the group. Now you can hear from two more. While all the reasons might be a little varied, they all share the common belief that serving on the Board offers great satisfaction in guiding the community they all love so much.

Should YOU run – Why Not? Your community needs you!

### Craig Brown

I was recently asked the question. "Why did you return to the board?" The simple answer is I was chosen, along with Jim Brasher, after an interview process with the seven elected members, to fill the two vacancies on the board. I had previously served on the board between 2008 and 2010.

The reason I applied is the same reason I ran for election in 2007. I began visiting Sun City in 1980 after my parents moved here. I was always impressed with the broad range of activities and amenities available to the community members, but even more impressed with the fact it was primarily orchestrated by volunteers. In my 37 year career I moved 12 times, mostly to large metropolitan areas. With the job requirements and family it left little time to become involved.

After moving to Sun City in 2005 I began getting involved in various clubs and activities and attending Board and member meetings. I have the time and the interest of helping to maintain the quality and quantity of activities and services that I remember from 1980 and ensuring the RCSC is looking forward to meet the needs, services, facilities and activities required for the new generations that make our community one of, if not the, best in the country.

I implore each and every one of you to think why you have not given thought to running for the board – help shape the future of Sun City. We all possess skill sets that can be used to benefit our community.

### Larry Klein

Have you thought about running for a position as a RCSC Board Director? Please let me help you think about that very opportunity by sharing some of my related personal experience.

After living here in Sun City for about five years with membership in three RCSC clubs, I became aware that many people were working hard and committing considerable time as volunteers to make everything work. I had heard the traditional statements about the "City of Volunteers" many times but I really did not understand the magnitude of the volunteer efforts of so many people until I looked for it and focused on it.

After that awareness awakening, I looked at myself and my contributions and found that I wasn't giving very much. The Sun Views was reporting about projects, concerns, issues, and challenges for the RCSC Board and I thought, right or wrong, I could help by running for a Board position.

I have now served on the Board for about one and one-half years. There was much to learn. It was a bigger job than I realized. I'll call those two the "surprises".

The fact is that every Board member has contributed and made some positive difference. The responsibility is there for what happens today and in the future for the community we love. Therein lays the opportunity to make a difference.

The major point I wish to make to anyone thinking about running is you can be a successful RCSC Board member without having super special qualifications.

You do need a desire to serve, time available, common sense, a willingness to work with others, and sense of humor. "Throw your hat in the ring" and see what happens.

Remember, if elected you will not be serving alone. The RCSC management staff and current Board are the best support group you could ever imagine.

## Friends of the Library News & Events

Hot isn't it! 'Nuff said. Well, you can come to one of the Sun City libraries for a cool, friendly place to relax, read, see an interesting program or help work a 2000-piece jigsaw puzzle. Or join us in the bookstore and spend some time browsing through the bargains that are available every day. By the way, the libraries will be closed on Wednesday the Fourth of July.

### Volunteers

Our "Volunteer of the Month" is Ada Weimer, who has been was a volunteer in the library for 12 years and has been with the bookstore since it opened nearly three years ago. Whatever you need if it is in the store, she can probably find it for you. Ada moved to the northwest Phoenix area with her husband, Harold and her three children from South Dakota 47 years ago. Sun City became her home in 1997. Along the way she has added seven grandchildren to her family. She is one of the lucky ones to have them all in the Phoenix area.

When not volunteering, Ada is a gamer. That is, she plays computer games, works jigsaw puzzles and even does sudoku. More physically, she enjoys miniature golf and walking.

Come in on a Monday morning and you will find her working in the bookstore. Come in and say hello to a lady we are proud to call our "Volunteer of the Month".

### Book Clubs

**Mystery Book Club:** Just for this one time, the Mystery Book Club will not meet on the first Wednesday of the month since that is the fourth of July. The meeting will be Wednesday, July 11. Usual time – 1:30pm The book to be discussed is "No Graves As Yet" by Anne Perry.

**Crime and Carnage:** Will meet on their regular first Thursday – July 5 – usual time – 1:30pm. The book for this month is Caught by Harlan Coben.

**Fiction Club:** Meeting will be on the fourth Thursday – the 26th at 1:30pm. The book or this month is Room, by Ruth Donaghue.

All book clubs meet in the North Wing room at the Bell branch library.

### Library Events

On July 9 Bell library will have a show put on by the "Great Little Balloon Company" Stories with balloon animals, a balloon game and maybe a little magic. Bring the kids - big and small – to see it.

Roxanne Butler of Prime Care hospice will be available to check blood pressure on the second Tuesday each month from 10am-noon and the fourth Friday 3-4pm. She will be at the Fairway branch the second Thursday

10-11am and the last Monday 2:30-4pm.

The reading program continues through July 21st, but participants will have a few days after that to turn in their reports. There are 28 persons – all ages – taking part in this year's program. It's a great way for them to spend a few "cool" hours.

If you are a fan of Western music, visit Fairway branch on July 14th 10-11am to hear the wonderful sounds of traditional cowboy music provided by the OK Chorale Cowboy Trio. Good music, interesting history of the 1880's. This event is co-sponsored by the Friends of the Sun City Libraries.

July 31st at Fairway (11am-12:15pm) will be a juggling show and workshop put on by James Read. They say juggling is a great brain exercise and has been shown to reduce anxiety. Also sponsored by the Friends of the Sun City Libraries.

### Special Friends Events

Christmas in July will be here from the 17th to the 31st. This will not only be a book/video sale, but will include all sorts of Christmas item that you would usually find around our tree in December. Any items, hand made or otherwise, that you would like to donate to this event will be greatly appreciated; tree ornaments, knick knacks, small toys and/or gift items are all welcome.

Children's books and VCR tapes will be half price. Also reduced: biographies, self-help hardcover books – half price. Paper backs will be two for 25 cents and some even less than that.

One magnifying reader is available to be given away. If you know of someone or a group who can use this, see the bookstore personnel or call 602-651-2014.

There are several plastic baskets available in the store for you to use in carrying your selections around till you are ready to check out.

### Store Hours

Starting June 1 there was a change in the book store hours. We will be open six days a week – Monday through Saturday from 10am till 4pm. The store will no longer be open till 5pm on Mondays.

### Summer Fun

Enjoy your summer, but don't forget to keep a constant eye on your small visitors around water. Our children, grandchildren and even great grandchildren are too precious to take a chance on losing them. To have access to so many pools is really great, but they can be very dangerous, so be watchful all the time.

## Sun City Snapshots

### Double Aces

How many of us can say that we got two holes-in-one in one day – in the same round? Not many, that's for sure. According to the National Hole-In-One Registry, the odds of doing this are 67 million to 1. Well, Mr. Terry Stoddard did just that while playing Willowcreek Golf Course on May 11. He got the first hole-in-one on Hole #11, and then again on Hole #15. Terry is a 71-year-old Sun City resident who plays golf between 21 and 30 times a month. His current handicap is 8.2. Congratulations, Terry!
