**New Business:**

Comments heard about the 8-Tracks was their music was not as good as prior years but the lead was more active with the audience.

Stella raised discussion on the need to continue the Entertainment Committee. An email was sent out asking Committee Members for their thoughts. The opinion of the majority was that Theresa does an excellent job of locating and signing up entertainers with very little if any help from the Committee. The following comments were made by members in attendance:

- John felt there was no reason to continue the committee.
- Roger said he liked the reviews of upcoming shows.
- Steve stated that the excellent work done by Theresa left us with little value to add and feels that we should no longer have an Entertainment Committee.

A Motion was made by John to discontinue the Committee with a second from Steve. Vote was taken and the Motion passed unanimously.

Stella cancelled the October meeting and will present the Committees recommendation to the RCSC Board.

**Adjournment:** The meeting adjourned at 2:00pm.
