Be Ready for Entertaining Fun Times All Month Long in Sun City AZ

Well...it's definitely the time of year when all of Sun City AZ seems to be in high gear. With so much going on and so many happenings over the next couple of months, it seems appropriate to provide readers with a quick run-down of what they can look forward to as weather changes from no snow to pretty darn perfect. Besides the usual golf, bowling, fitness and club activities most everyone enjoys, there are many special events and experiences for those wishing to partake.

You'll want to stop by Lakeview Center for the Creative Quilters 12th Annual Quilt Show on February 2-3, 2018 and, for a nominal \$3 fee, admire these works of art and comfort created by area residents, many which will be available for purchase along with raffle baskets, quilt and boutique items. The show opens each day at 9am until 4pm Friday, 3pm Saturday.

Concert goers will be enjoying the music of Frankie Valle and The Four Seasons when December '63 performs at Sundial on February 7. And while this show is a sell-out, there still tickets available for other great shows at Sundial this month including The Buckinghams, Mirage – Visions of Fleetwood Mac and A Tribute to The Echoes of the Platters (see page 12 for details and more concerts that are coming in March).

Bell Center Social Halls will be the place to be on Saturday and Sunday, February 10-11, 2018 as the Annual Sun City Art Show brings the "finest Fine Art" for your viewing pleasure. Many of these works are also available for purchase.

If table tennis is more to your liking, there will be an Exhibition from 1:00 to 2:30pm in the Table Tennis Room on also on Saturday, February 10, 2018 featuring 66-year-old Senior Olympic champion Steve Grassel and ASU Robotic Engineering student Clint Ewell, who at 21 is one of the top young table tennis players in Arizona. This sport offers great hand-eye coordination and is one of the top therapies for Alzheimer and dementia patients.

While you're at Bell Center, stop by and root for the home team as the 2018 South Central Division Women's Lawn Bowling competi-

tion takes place February 10-15, 2018. It really is quite a fascinating sport! Come see the action; you might just want to give it a try!

But back to the music. To address the wishes of music lovers who prefer smaller, more intimate venues, RCSC is pleased bring Micki Free – Native American Flute as Therapy as the first performer in our Lounging on the Lawn at Lakeview series on Saturday, February 17 at 3pm. Due to the limited space, free tickets for this event will be issued at the Lakeview Clubs & Activities Office beginning on Monday, February 5 (limit one per RCSC Cardholder plus one guest only). Just like the Sun Bowl, attendees should bring their own lawn chair or blanket but there will not be food trucks. There will also be an opportunity to meet and greet this Grammy Award winning artist after the performance so plan to relax and enjoy the beautiful and haunting melodies in this unique setting.

A different type of entertainment comes your way when the Tip Top Dancers presents "Let Us Entertain You" on Sunday, February 18, 2018 at 2pm in the Sundial Auditorium, showcasing some of the West Valley's top performers. Tickets are \$10 in the Auditorium Lobby from 9am to 1pm February 5-8 and 12-15, or one hour prior to the show.

Grab your pardner and c'mon down to the Oakmont Center Fun Fair Western Jamboree on Saturday, February 24, 2018 from 9am to 2pm. There will be craft club demonstrations, live entertainment and free raffles, along with hot dogs and kettle corn for purchase.

You won't want to miss the 30th Annual Juried Show and Pottery Sale sponsored by the Sun City Clay Club on Sunday, February 25, 2018 from 9am to 2pm. See how various artisans portray this year's theme, "Travel Along Route 66," in their unique and creative clay creations.

We end the month of February with the 2018 Annual RCSC Membership Meeting on Monday, February 26, 2018 in the Sundial Auditorium. Registration begins at 6pm; the meeting/presentation at 6:30pm. This is an event no Member should miss - your once-a-year opportunity to review the highlights from the past year along with the goals and objectives planned for the future. RCSC Member Cards must be presented at the time of registration.

We've got more in store come March, including Sundial concerts, Dancing with the Sun City Stars, the Sun City Senior Prom, Wisconsin Picnic, the U.S. Navy Band Sea Chanters Chorus, the start of the Spring Sun Bowl shows, more Fun Fairs and our annual Easter festivities, in addition to lots of visiting friends, relations and local spring training games. So don't plan on going anywhere just yet!

The Sea Chanters, the dynamic chorus of the United States Navy Band, have appeared throughout the United States, and perform frequently at the White House, the Vice President's house, and for dignitaries at Washington embassies.

As the official chorus of the United States Navy, and one of five performing units of the United States Navy Band, the Sea Chanters promote the Navy's proud heritage of the sea. The repertoire of this twenty-voice chorus, accompanied by piano, bass and drums, encompasses all types of choral music, including sea chanteys, patriotic selections, folk

songs, sacred hymns, and the diverse sounds of opera and Broadway.

The Sun Bowl Amphitheater, located on 107th Avenue just south of Peoria Avenue, is an open air venue which requires concert goers to bring their own lawn chair and/or blanket for this performance. Seating on the dance floor is reserved for those who are physically challenged. There will be NO gourmet food vendors for this event. In the event of inclement weather, this concert will be relocated to the Sundial Auditorium (103rd & Boswell Blvd). Call 623-972-6014 for a message regarding venue change.

Pro Shops

The Beat the Pro event held on December 4 matched last year's donation total with \$2,230.88 raised for the Del Web Sun Cities Museum. The pros battled harder than most years, allowing 50% of the field to "Beat the Pros." We truly appreciate the volunteers that assisted with the event, John Dockham and Rich and Lynn Lybolt. Thank you also to Chris Linam and Larry Belt for helping to secure prizes for the event. The biggest thank you goes to all those that participated in making the event fun and successful. Riverview remains the course with the broadest selection of golf merchandise; however, all of our pro shops carry items that are perfect gifts for that special golfer in your life. We have great prices on TaylorMade, Ping and Titleist hats for men and a variety of hats for ladies. We continue to offer custom club fittings through our teaching professionals and have a variety of Ping G400 equipment available for use on the course, allowing you to try before you buy. Golf Courses

The Willowcreek/Willowbrook project continues to move forward, the bidding process is complete and the winning bidder was Wadsworth Golf Construction. We will begin formal construction meetings with the Wadsworth team beginning in February 2018. Installation of the main line will begin March 5, 2018 on the back 9 of Willowcreek, during which time the course will remain open. On March 19, 2018 the back 9 of Willowcreek will close and work will begin on the irrigation lake, the greens renovation and the remainder of the irrigation system. April 9, 2018 is the scheduled date for the front 9 of Willowcreek to close as well as Willowbrook. Plans for the Willowcreek/Willowbrook project are on display in the Willowcreek/Willowbrook pro shop. Both courses will reopen following overseeding in 2018.

Seasonal temperatures are still higher than average, but have dropped enough to push the summer bermuda into dormancy. As temperatures drop, the chance for morning frost increases, we ask for your patience during times of delays and your cooperation during periods of cart path only restrictions. Courses have begun spraying herbicides in rough areas to control weeds. Mowing heights have been lowered and near normal on all courses.

Grounds/Lawn Bowl

Replacement of lantana that was removed from Marinette is well underway. Plantings are being done with an eye towards having fewer, larger, mature plants, as opposed to many smaller plants. Cat-tails and reeds have been removed from the front of the Lakeview park Lagoons, affording a better view of the lagoons.

We have agreed to a May 15, 2018 start date to begin the process of fraze mowing and laser leveling of the Bell Lawn Bowl greens. Once leveled, the greens will be sprigged in early June 2018 allowing them ample time to grow-in and ready for play in the Fall 2018. Turf Equipment Source has been selected for the fraze mowing and leveling. Sprinklers on the Bell greens have been adjusted so they no longer hit the retractable awnings.

Snack Shops

Due to increasing costs, snack shop prices will be increasing January 1, 2018. The new menu will be posted on Friday, December 22nd for preview. We thank you for your understanding.

A Moment with President DeLano

Looking Ahead to Another Great Year

First of all, I would like to welcome everyone to another great year ahead in Sun City AZ!

As President of the RCSC Board of Directors for 2018, I am very excited as we applaud the new directors on their election to the board and the work that lies ahead of us.

Fresh ideas and new energy will bring a different perspective. And while those newly elected are getting up to speed on corporation issues, I am confident that as a group we will band together to find common ground as we look to the future.

Keeping members in the community informed, entertained and active will continue to be a few of our goals. Your input, comments and concerns can be discussed at the monthly Board/Member Exchange held monthly on the second Monday at 9am in Lakeview Social Hall #3. This is your opportunity to let us know how we're doing, what you might like to see improved and share your thoughts.

We will also be continuing Meet with The Board sessions on the third Friday of each month from 1 to 3pm in the Corporate/Board Office when members can discuss more personal issues one-on-one with a Board Director. The first hour will be for walk-ins; the second hour will be by appointment only which can be scheduled by calling 623-561-4616.

This year we are looking forward to the renovation and turf reduction project at the Willowbrook and Willowcreek Golf Courses and the pro shop remodel scheduled to occur at South. In addition, we'll start work on the Grand Avenue property which will provide much-needed club space to alleviate some of the overcrowded conditions.

RCSC Cardholders can also anticipate more of the outstanding entertainment and events coming your way, including great Sundial concerts and Sun Bowl shows coming later this spring.

With the New Year also comes time for personal growth. There are plenty of opportunities to get involved should you chose to. Consider volunteering for a committee or help in the community in some fashion. Offer to assist with a club function and make someone else's life a little easier.

Jerry DeLano
2018 RCSC Board President

Just remember - If everyone does a little, a lot can get done. And the RCSC Board of Directors looks forward to getting many things accomplished for you this year.

Management Updates

Financial Report
RCSC has completed November 2017 within our operating and capital budget year to date and each division has also ended the month within their overall budget year to date.

Bowling
Lakeview Lanes will host the annual New Year’s Eve party on December 31 starting at 8pm. The event is sponsored by the Sun City Bowling Association. There are still openings for anyone just wanting to have fun, win prizes and ring in the New Year. The cost is only \$25 per person. Please call Lakeview Lanes for more information.

The Metro Phoenix USBC Senior Championship Tournament is scheduled for the weekend of January 6, 2018. Bowlers from the Metro Phoenix area will participate. The tournament will use both centers so lane availability will be limited during squad times. The tournament is expected to generate \$5-6k in income.

Cardholder Services
Payments on past due assessments in November decreased again at 7.5% of past due balances. Overall past due assessments increased by just under 1% in November and have decreased by 4.7% since the beginning of the year. Total accounts receivable increased by almost 3% in November and is up 2.8% from the beginning of the year. Historically we have seen increases in both overall and past due balances in November and this year is consistent with this trend. Both over 90 day and over 60 day receivables increased in November. October assessments went 30 days past due at a rate of 5% and September assessments went 60 days past due at a reduced 2.5% rate.

Payments from our third-party collections firm totaled \$13,825 in November with a year to date total of \$139,970. Payments in 2017 continue to be lower than the 2016 year to date total.

Payments made by Cardholders through the online RCSC Web Portal were down in November and totaled \$80,733 from 191 property owners. Year to date web portal payments total \$1,094,140 from 2,394 property owners.

In November, property transfer balances increased by 4.25% and lender-related balances decreased by 28%. Outstanding balances related to property transfers continue to represent approximately 56% of all receivables and past due balances. At the end of November, trustee sale notices on Sun City properties ended at 50 and properties owned by lending institutions at ten.

Human Resources
Open enrollment meetings for employee benefits were completed in early December. We were able to offer

employees a diversified medical plan this year, providing three different options from which to choose. Each option has different premiums, deductibles, and out-of-pocket expenses allowing employees to find a plan that more closely meets their financial needs. The benefit package also includes life, short- and long-term disability, dental and a flexible spending account.

Presently, we are scheduling health assessment screenings in January 2018 for RCSC’s Wellness Program. Those employees who participate receive a reduction in their monthly medical insurance premiums. We have seen positive results from this program.

We are in the process of updating information in our payroll system to meet all the changes that occur during year end. On January 1, all minimum wage employees will be brought up to Arizona State’s new 2018 minimum wage of \$10.50 per hour. This group includes attendants for driving ranges, bowling lanes and facilities.

Member Services
If you are interested in attending the Sundial ticketed shows, be sure to get to the Lakeview Center’s Clubs and Activities Office to get your tickets before they are all gone. If any tickets remain, they will be available to non-RCSC Cardholders for \$20 per person starting on Tuesday, January 2, 2018. Cardholders will continue to purchase tickets at \$17 per person.

The Holiday Celebration at Lakeview Center on Friday, December 8 was a success! The winners were very excited! Proceeds from this event will benefit the Del Webb Sun Cities Museum. Scott Keo’s #1 Michael Buble’ Christmas Tribute show on Tuesday, December 12 was spectacular!

We look forward to seeing you at our first 2018 event on Wednesday, January 10, as we kick off the Sundial 2018 Concert Series with One of These Nights, a tribute to The Eagles, one of Sun City’s all-time favorite shows.

The following Wednesday, January 17, we welcome everyone to attend Discover Sun City AZ held in the Sundial Auditorium. There are two sessions for your convenience; the morning session is from 9am to 11am and the evening session is from 6pm to 8pm.

February is for Library Lovers

February, like most months, has many holidays and observances. The ones most of us know are Groundhog Day (2nd), Lincoln's Birthday (12th), Valentine's Day (14th), Presidents' Day (third Monday, 20th), and Washington's Birthday (22nd). According to *The Spruce*, February has 52 special days or observances. Of note to a Friend of the Library would be:

Month-long	Library Lovers Month
Week-long	Children's Authors and Illustrators Week (first week)
Special Days	February 6, Take Your Child To The Library Day (first Saturday)
	February 9, Read In The Bathtub Day
	February 14, Read To Your Child Day
	February 20, Clean Out Your Bookcase Day

Now admit it; did you really know that February is Library Lovers month? Since a whole month has been dedicated to libraries, we ought to celebrate that. Here is a Friend's suggestion of how. Tell a pal or neighbor something you think that person might not know about our two Sun City libraries. For instance:

1. **Computers** are available for your use.
2. Books can be ordered **on line** from any Maricopa County Library to pick up at the Bell or Fairway Recreation Center Library.
3. The Bell Library has a computer connected to the **County Recorder's Office**, saving you the trip downtown.
4. **Snowbirds** can get library cards, just like full time residents.
5. Special equipment is available in the Bell Library for visually impaired residents.
6. A **Books by Mail** service is provided for home-bound **visually impaired** citizens.
7. **Jigsaw puzzles** are out at all times for patrons to solve as a group, or can be checked out to do individually at home.
8. An **American Flag Disposal Box** is available in the Bell Library.
9. A **Power Charging Station** is provided in the Bell Library.
10. The Bell Library has Books Around the Corner, a **Friends of the Library bookstore**, well stocked with used books, magazines, CDs, DVDs and puzzles for sale.
11. Books Around the Corner accepts **donations** of all items they sell, and turns them into money donated to the Libraries for additional materials or services. (February 20, Clean Out Your Bookcase Day, would be a great day to do that!)
12. **Book Buddies** will deliver library materials to home bound residents at no cost.

"So why love your local library? Libraries are a sanctuary away from the hustle and bustle of everyday life; they offer security and peace and quiet. They are also a place where you can focus surrounded by likeminded people with the desire to acquire knowledge."

If you have a garden and a library, you have everything you need.

Water Conservation

Do your remodel plans include wasting water?

Ever think that a style could make you use more water? Are you currently considered remodeling your kitchen perhaps? Well some home renovation decisions can actually cost in water conservation.

Remember grandma and grandpa's old farmhouse kitchen and the big old sink that used to be in there? There was a perfectly good reason for it back then. With no running water, sinks were filled from the outside well or maybe a pump, or even longer ago, by hauling water from nearby a stream. That was a lot work! But that water would stay in the sink and be used for dishes, laundry and maybe even baby's bath. Those days are long gone (thank goodness), but once again fashion has turned back to the past and farmhouse or apron sinks are back in style.

Take a moment to picture a farmhouse sink. If you're not sure what that is, take a gander at the photo here. The style is beautiful and adds a certain charm; it also allows you to soak the biggest pots and pans - or the family St. Bernard. You can see where this is going; right down the drain along with gallons and gallons of wasted water.

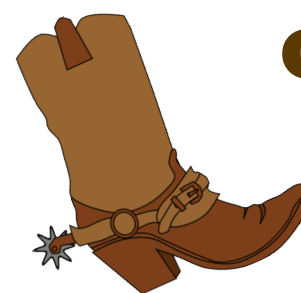

The sink style represented in this photo has more than one strike against it, according to <http://earth911.com/home-garden/5-sink-designs-waste-water/>. Not only is it huge, but it is a "single compartment" sink. This does promote the use of more water, again due to the size of the sink.

Consult with store personnel or your contractor before making costly "fashionable" decisions, because as we all know...

Every Drop Counts!

A Message to Concert Ticket Holders from Theresa Cirino, Director of Member Services

Due to unfortunate circumstances, "Harmony," the Three Dog Night tribute band scheduled for Wednesday, March 21, 2108 at Sundial Auditorium will be unable to perform. In keeping with the same genre I was fortunate to book "The Doobie Brothers Experience" as the tribute performance for that same evening. If you specifically purchased individual tickets for "Harmony" and do not want wish to attend "The Doobie Brothers Experience," please contact the Clubs and Activities Office on the lower level of Lakeview Recreation Center to make other arrangements. If you wish to attend "The Doobie Brothers Experience," then no further action is needed; your admission and reserved seat are still guaranteed using the original ticket(s) purchased for this date. I personally apologize for this inconvenience and I hope to see you at the show. It is always my pleasure to bring quality entertainment to RCSC Cardholders.

Palo Verde Artists Make the News

Four members of Palo Verde Artists at Sundial Center recently gave back to the community by volunteering to paint five Daily News-Sun vending racks that will be located throughout Sun City. Independent Newsmedia Circulation Manager Terri Rodgers had asked Joelyn Higgins, RCSC Communications and Marketing Coordinator, if any club would be interested in this project, and Palo Verde Artists Deb Dahlin, Susan Denison, Peggy Juneau and Janice Lydon Rowe volunteered. Each artist averaged 20 hours painting their rack, all with Arizona landscapes and elements unique to the desert Southwest as the theme. Membership in Palo Verde Artists is \$10 per year, and open to RCSC Cardholders only. Please visit <http://suncityaz.org/recreation/clubs/palo-verde-artists/> for more information.

Calligraphy Society of Sun City

In February 1983, the Sun City Calligraphy Society became a chartered club. Our focus is teaching the art of beautiful writing known as Calligraphy. We offer classes in various styles in January, March and October in the club's meeting room at the Sundial Recreation Center, and provide ample opportunities to practice during regular club hours.

Club members also provide card making classes at various times during the year. Members then put these skills to good use by making greeting cards (known as "love cards") for the residents of five Sun City nursing homes to send to their loved ones. We also create unique and creative greeting cards for our own use and for sale to the public during our regular club hours of 9 to 11am every Thursday and Friday.

Samples of the cards can be seen in our club display window anytime. Club membership is open to all RCSC Cardholders. For more information, please contact Trudy Bryson at 623-594-6591.

Mah Jongg

Mah Jongg (MJ) is a fascinating, rummy like game played with tiles rather than cards. The game originated in China but its exact origins are shrouded in story and myth. Some claim it was the game of Chinese royalty, others claim it was invented by a Chinese General, and more recent investigations point to early versions of this popular tile game appearing as recently as 150 years ago in China as a variant of card games. There is a general

agreement that the game we play and love originated in China, and was popularized in the U.S. at the beginning of the 20th century.

There are two categories of Mah Jongg: American and Chinese. American differs from international MJ by using a card of standard hands, more tiles including jokers, and starts with a "Charleston" passing unwanted tiles from one player to another. Chinese is also played in our club.

There are millions of dedicated players around the world. A small amount of time and effort is required to become familiar with the elementary principles of the game. Your patience in mastering the fine points of MJ will be repaid many times by the keen enjoyment invariably derived from the game.

Please contact Sue at 623-933-4823 or Sandy at 623-399-6337 for more information.

Meeting times and locations for Mah Jongg are as follows:

Tuesdays at Sundial West Auditorium
12 to 4 pm

Thursdays at Marinette Social Hall
6 to 9 pm

Sundays at Marinette Social Hall
12 to 4 pm

Rhythm Ramblers

The Rhythm Ramblers Dance Band is now 54 years young and still going strong!

This was the first dance band in Sun City and Del Webb commissioned the Rhythm Ramblers back in the day to welcome and entertain visitors coming into the area. The "Big Band Music" was played at various functions and in particular for a weekly "Chuck Wagon Dinner" at the Lakes Club which, at the time, was an apartment-renting facility.

The original band consisted of nine players. Over the years, the band has grown to its present "big band" size of 18 which includes five saxophones, four trombones, five trumpets, piano, bass, drums and our leader, vocalist and clarinetist Barry Dale. The Rhythm Ramblers are all professionals having played with famous name bands such as Al Hirt, Woody Herman, Nelson Riddle, and well-known celebrity vocalists. Barry Dale had his own big band in Canada appearing on Canadian TV and radio. A number of the musicians played for our troops during the Vietnam War. Many of them performed with bands backing such stars as Martha Raye, Bob Hope and others.

The Rhythm Ramblers performs on the first Tuesday afternoon every month beginning in October through April from 2:30 to 4:30pm at the Sundial Auditorium. All RCSC Cardholders are invited attend these dance or just come and enjoy the music. Admission is \$5 for RCSC Cardholders and \$7 for guests/visitor. Dress is casual. Bring your own snacks and drinks. We furnish cups, ice, and napkins. For more information, please contact Ray at 623-876-2063.

Bell Silvercraft

Bell Silvercraft became a RCSC chartered club in 1976 with 500 members when the Bell Recreation Center opened. From the outset, emphasis was placed on creating quality sterling silver jewelry within a friendly and helpful environment. Those original members brought in speakers from the Heard Museum along with various other skilled silver workers and designers. This was when our tradition of establishing a very active class and training program had its origins and this proud tradition continues today.

When a new member joins, they are introduced to a variety of sterling silver techniques, including basic soldering skills, creating and making custom bezels for cabochons along with the safe and proper use of professional equipment available for your use. This introductory class will lead you through the process of creating your own custom ring with mounted cabochon, as well as a sterling silver bracelet. These classes are taught by one of our skilled and experienced members with a limit of 4 students per class, so you will have ample opportunity for one-on-one instruction and guidance. Once you have completed this class, you will be able to use the basic tools and silver techniques to start creating your own sterling silver jewelry.

This isn't the end of the training opportunities available. There are many classes on advanced techniques and the other types of silver work that we offer, including lost wax casting, broom straw casting, chain maille and inlay work, twisted wire work, along with a variety of bracelet and choker techniques and styles. We also offer many demonstrations on soldering and fabricating techniques as well the use of other specialty tools available in the club. This dedication to helping our members is what has established our reputation for creating high quality and creative silver work that is hard to surpass. As your skills improve, you may want to submit your silver work to be placed in our newly updated sales room.

You may come into the work area and/or the sales room for a guided tour anytime during our open hours. Our sales room is open Monday through Saturday from 9am to 3pm and the workshop area is open Monday through Saturday 8am to 3:30pm. We are located in the Bell Center Arts and Crafts Village, right behind the Sun City Visitors Center. Club membership is open to any current RCSC Cardholder. For more information, please call 623-933-8442.

USE ONLY THE APPROVED REPAIR METHOD SHOWN TO HELP
MAINTAIN OUR GREENS AND INCREASE YOUR ENJOYMENT.
DO NOT TWIST OR LIFT SOIL

Only YOU can prevent ball mark damage!

RIGHT!

- 1) Close the gap/hole with putter by patting down the ball mark.
- 2) Insert *Green-Save* tool on the high side behind ball mark and push the back toward the center.
- 3) Do not pull up, twist or lift with the tool.
- 4) Push both sides of the ball mark into the center.
- 5) Gently tap the surface down with putter.
- 6) Never use loosened turf for repair.

Thank you for using the repair tools provided and especially for using the correct ball mark repair method. Enjoy your round and help us improve everyone's putting experience.

Tips from Get Fit for Life -

Exercise Boosts Brain Health

"Improving mental clarity is one of the many benefits of exercise," states Jane Fortier, senior fitness specialist and co-owner of Get Fit for Life. "Most of us know that regular exercise reduces the risk for heart disease, stroke, diabetes and a dozen or more different types of cancer. Those of us who do exercise, have experienced the endorphin release that helps to reduce stress and anxiety. But many active adults are not aware that exercise is cognitive candy – it stimulates the brain in ways that prove beneficial for aging."

The latest research shows that cognitive decline is not inevitable. Brain volume shrinks slightly with age, but the brain continues to make new neurons and fine-tune neural connections, as long as we live. Studies have revealed that exercise reduces the level of brain loss and helps keep mental clarity sharp. It slashes the lifetime risk of Alzheimer's by 50%, and general dementia by 60%. Studies have compared the cognitive abilities of people in top physical condition to those of people in poor physical condition. Exercise has been associated with an astonishing elevation in brain performance, compared with those who are sedentary. Clinical subjects scored better in just about every mental test possible: long-term memory; reasoning; attention level; problem solving.

Regular exercise has been proven to enhance mental clarity.

Imaging studies of the human brain have shown that exercise boosts the flow of blood to the brain, spurring the release of a chemical known as BDNF (brain-derived neurotrophic factor). This chemical stimulates the formation of new neurons in the hippocampus, the area involved in memory, learning and decision making. BDNF also repairs cell damage, and strengthens the synapses that connect brain cells. The hippocampus shrinks by 0.5% each year, starting as early as age 40. Recent studies show that exercise can actually increase the size of the hippocampus. Anyone, regardless of age, can pump-up their brainpower by committing to a regular workout regimen. And, the benefits of that workout are dose-dependent. The more a person exercises, the greater the cognitive benefit. The human brain evolved under conditions of almost constant motion. Our prehistoric ancestors walked roughly twelve miles per day. Our unique cognitive skills evolved in an environment of physical activity.

Getting started with exercise is often the hardest part. Using a Get Fit for Life personal trainer can help. Trainers design programs that address needs, goals and medical issues. They teach clients how to exercise safely and effectively. LaTouch Wellness Massage Therapy Shares...

Keeping Your 2018 Resolutions

Have you decided to embark upon a healthier and fulfilling lifestyle? More exercising? Better food selections? A commitment to self-care? If you are looking for something that will help you keep your New Year resolution to reach your health goals in 2018, consider massage therapy.

Massage & Wellness

Even in retirement life schedules can be demanding, incorporating exercise and healthy eating can be very challenging. Unfortunately, as we age, our metabolism naturally slows down. We tend to be less active and more sedentary for many reasons. Massage therapy can help your body participate in exercise routines which will help you feel better overall.

Your muscular system and your cardiovascular system improve with the help of massage therapy. Regular massage increases the blood flow to your heart, which helps introduce oxygenated nutrients to your tissues which help to remove toxins. The increase in oxygen and blood flow throughout your body can relieve muscle tension and reduce soreness. You may also notice more flexibility and an increased range of motion.

Psychological Benefits

Your overall health and wellness entails not just your physical health but your mental health as well. Life's little stressors can compound themselves which can become overwhelming and cause mental anxiety. Massage therapy is the perfect way to reduce stress and anxiety. It can be hard to keep track of all the do's and don'ts of taking care of yourself. It is nice to know that by simply keeping a regular massage schedule, you can accomplish so much of what it means to have proper self-care. Put yourself on the top of your to-do-list.

Massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for your physical and mental well-being, call and schedule an appointment today!

WHO'S FORGIVING WHO?

And the answer is...

IT'S THE PERSON WHO DECIDED TO FORGIVE.

ASK YOURSELF THIS QUESTION...

Did you once upon a time allow destructive feelings to become a part of who you are today?

Feelings of bitterness, resentment, anger, shame, regret, remorse... for something said or done years, or even decades ago.

Living with emotional "baggage" is not a life sentence!

WHEN IS ENOUGH, ENOUGH?

Perhaps it's time to become your own best friend once again.....like it used to be.

Mark your calendar on Saturday, March 3rd to attend a very special program at the Sun Dial Recreation Center called

"FORGIVE NOW AND FOREVER"

By attending, you will have an opportunity to finally get back all the feelings you deserve, and leave the destructive past behind once and for all, including forgiving the one person who needs to be forgiven the most...**YOU!**

It may not be easy, but making important and needed changes are awaiting you! All you need to do is attend.

Your participation is optional. You may choose to just sit and observe, if you want. You will not be required to do anything.

There is no cost to attend this program, and nothing will be sold.

This is a love offering for those who want to experience emotional freedom from the past.

Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.

Dear Residents of Sun City,

Imagine a child's eyes lighting up because he just understood what most of the other students learned last week, or they just played a musical instrument for the first time, or they just made their own power point on the computer. All of these things are possible through our tutoring program, music program, and after school fine art programs. Your contribution of tax credit funds will enable our District to keep these important programs going. You can make your Arizona State tax funds work for the academic improvement of students, enrichment programs both as after-school and summer activities. Your dollars open a whole new world to our District, and we thank you for caring about our next generation. **YOU CAN MAKE A DIFFERENCE IN OUR WORLD AND YOU CAN SAY WHERE YOU WANT YOUR TAX CREDIT DOLLARS TO GO. Every penny donated goes directly into benefiting the children of our District.**

If you have any questions about this program, please call Ms. Kasia Salamon at school at 623-556-5880.

TAX CREDIT! Thanks to Arizona House Bill 2074 enacted in 1998, taxpayers may receive up to a \$400 tax credit on their state Income tax by contributing to Arizona schools if they are married and filing jointly. It will remain \$200 if they are single. The program gives a dollar-for-dollar reduction of state income taxes. The money must be designated for school-based extracurricular activities.

• Checks must be made payable to the Nadaburg Unified School District.

• The credit is against taxes. If an individual has no tax liability, a credit will not be available for this year, however, it can be carried forward to later years.

• When the check is received, the taxpayer will receive a receipt from a school district official. The district will also notify the Arizona Department of Revenue. When the District receives the tax forms necessary for your tax filing, upon request you will be sent the appropriate forms.
