RCSC Board Elections

Election Turnout Vastly Improved Over Prior Years

Congratulations New RCSC Board Directors!

Shown here shortly after the election results were announced are (left to right): Rich Hoffer, Diana Graettinger and Michael Kennedy.

Thank you again to all the candidates for your participation in this year's election process.

The RCSC Board of Directors election results are in. The total number of ballots cast in this year's election totaled 2,092 (204 absentee ballots, 302 ballots at the poll and 1,586 electronic ballots cast online).

The successful candidates elected to serve on the RCSC Board beginning in 2019 are:

- Rich Hoffer who received 1,049 votes,
- Diana Graettinger who received 872 votes, and
- Michael Kennedy who received 853 votes.

RCSC Directors are elected to serve three-year terms. The newly elected Board Members were installed on Thursday, December 20, 2018 at the regular Board meeting in the Sundial Auditorium.

The vacancy that will be created as of January 1, 2019 when the resignation of Director David Wieland takes effect will be filled by appointment once the new Board of Directors is seated in early January.

Congratulations to the winners and thanks to all of the candidates for their willingness to serve the community. Outgoing Board Members were Jerry Walczak and Bruce Alleman who completed their terms of service on the Board on December 31. Rich Hoffer was actively seated on the Board in 2018, completing a vacancy created by another resignation earlier this year.

Voter turnout was much improved over previous years and the total number of ballots cast in this year's election represents almost 900 more ballots than last year.

RCSC Member Cards (with photo) MUST be presented at time of registration

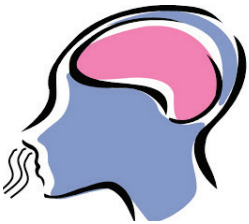

RCSC Cardholders:
Please keep the following in mind!

While you're out and about enjoying all that RCSC has to offer, please be aware of the following items which require Cardholder attention when using any of the recreational facilities:

- All RCSC Cardholders are required to check in with their Member or Privilege Cards (key fobs accepted for entry to fitness, pools and spas; not concerts or free events)
- Neither Sun City AZ residents nor spouses of RCSC Cardholders are eligible to be guests. With proper documentation, privilege cards may be purchased at the Cardholder Services Office at Lakeview Center in order to use the facilities.
- Host punch cards are purchased by and belong to the Cardholder, not the guest. Host punch cards can be purchased at RCSC Facility Attendant Stations (exact cash or check only), Cardholder Services at Lakeview, RCSC Bowling Centers.
- Guests may be requested to show government-issued photo ID when checking in to use RCSC facilities.
- Proof of age for 4 and 5 year olds (birth certificate or passport) is required for access to swimming pools. Photo copies or electronic images are acceptable.
- Free concerts and events are paid for by RCSC Cardholders and are intended for RCSC Cardholders and their escorted guests only.
- Always be prepared to show your RCSC Member or Privilege card (with photo) when attending concerts and events. Key fobs are not accepted for entry.

No matter what state you're from, while you're here in Sun City it is much appreciated if you would park in only one space (note the white line under car) and save these smaller spaces for golf carts - as designed.

Be scent sensitive!
Overuse of scented body products such as colognes, perfumes, after-shave lotions and the like can be irritating and even caustic to others. Perspiration and water from pools, spas can make matters even worse.

Please refer to the RCSC Cardholder Guide and Board Policies for more information regarding these matters. Your continued cooperation is appreciated!

Fact or Fiction? Resolve to be Better Informed in 2019

Better communication is routinely discussed during the RCSC Election process each year. However, communication is a two-way process. There is a wealth of information available should you wish to be in the know about happenings and activities along with the various processes, procedures and protocols that might impact our lives here.

Why not start the New Year off right by making an effort to learn more about the operations and offerings available here in Sun City AZ?

First of all, RCSC management and staff, together with the Board of Directors, are accessible to answer your questions and to help you understand. Come into the offices at Lakeview, attend Board meetings, ask for assistance – we love helping to make life easier for you!

If you're reading this publication, you're off to a great start. There is a wealth of information in SunViews each month and it is intended to provide you with corporate, clubs and entertainment details. You'll learn about upcoming concert and events, meetings and newsworthy matters. However, due to press deadlines, some material at times may seem outdated. For example,

RCSC Management Reports are presented at the Board meeting on the last Thursday of the month. By the time these reports are published, they are from the month prior. But for many, this may be their only source of access to this data.

SunViews publishes RCSC Chartered Club information, including the Club Directory which lists meeting times, locations and contact info for every club to help you stay active, creative and engaged. Club Events provide additional details which may be helpful for club members and/or guests.

If you wish to stay in the know electronically, visit the website at www.suncityaz.org, sign up for the RCSC Web Portal (see page 11 for details) and make sure you sign-up to start receiving RCSC News Email Alerts. Up-to-date information could be as close as your laptop, tablet or smart phone!

We intend to bring you more information and communication guidance in upcoming editions of SunViews but could use your help. Let's work together at putting rumors to rest and find out whether what you've heard is really fact or fiction by submitting your inquiries via email to sunviews@suncityaz.org. Answers will be published in the future so everybody can be in the know!

Golf & Grounds Report

Pro Shops

On December 13 we will be hosting a fundraising tournament to raise money for the Sun City Foundation. The format will be Beat the Pro(s), which will be Brian Duthu (PGA) and Chris Linam (Pro Shop Manager) and will be made up of two person teams. The event was originally advertised as a Best Ball event, however after consideration we will be playing a scramble format instead. The entry fee will be \$40 and the event will be held at Willowcreek Golf Course. In addition to bragging rights for beating the pro, there will also be a chance at a Pebble Beach Vacation.

In addition to our charity event, RCSC Pro Shops and Snack Shops are also selling Duck Bucks to raise funds for the Sun City Foundation. The purchase of a Duck Buck enters you in the Duck Race held on December 14 as part of the Winter Celebration event, held at the Lakeview Center. The ducks are released from the waterfall and race to the finish line. If your duck finishes in the top 3 you win a share of the pot, based on the number of ducks racing. There are two separate races held on December 14, so don't be left without a duck in the race. In addition to the duck race there are other fun events held on the 14th, such as a pie walk, a mini golf hole-in-one contest and a money tree. The evening ends with a lighted boat parade.

We currently have 20 active volunteer rangers, 12-15 of which are very active in the program. Anyone interested in volunteering for the program can contact Chris Linam at 623-876-8419. We are currently considering recent suggestions, made to the Golf Advisory Committee, to enhance participation.

Snack Shops

Through October, snack shops have exceeded both prior year and budget. Snack shops are now operating under winter hours and remain open until 5:00pm, except in the rare cases of significant inclement weather. We respectfully remind everyone that all food and beverage consumed in the snack shops or adjacent patios must have been purchased through the snack shops.

Golf Courses

As play increases, so does the stress on our courses. We remind golfers that we all have a responsibility to keep our courses in good condition. Golfers can assist by filling their divots, raking sand traps, replacing rakes in bunkers parallel to play and repairing ball marks. During times of cart path restrictions, please remember to take your sand bottle to the fairway.

Willowcreek/Willowbrook reopened on November 10 following the renovation. Both courses received new irrigation systems (including new pump stations on each course) and perimeter turf reduction. The perimeters of each course were planted with plants from the Arizona Department of Water Resources low water use plants. Additionally, all 18 greens on Willowcreek plus practice putting greens around the clubhouse were renovated. The greens were sprigged using tiff dwarf bermuda, the same as North and Riverview. As the greens are new, golfers can expect hard surfaces for the next 18 to 24 months. The greens were not overseeded this year to protect the newly planted grass from the rigors of overseeding, as such golfers can expect green speeds to increase throughout the winter months. Once the greens are actively growing we will be able to control greens speeds.

Grounds/Lawn Bowling

The US Open for Lawn Bowling was held November 5 through November 11, in Sun City AZ, Sun City West and Sun City Grand. In all, 336 bowlers from 12 countries participated. Sun City AZ

Register now for upcoming sessions of the "Get Golf Ready" program.

Tips from a Pro

Dont' Forget the Importance of A Good Grip

The grip is a crucial part of our golf set-up. The grip has four components including positioning, placement, precision, and pressure and controls everything from direction to distance to contact.

- 1. Positioning means the way we have our hands rotated either right of left of the center of the grip. For a right-handed player, turning both hands slightly to the right of center so that two knuckles of the left hand are showing is considered neutral. A turn slightly more to the right where three knuckles would show is considered strong. From center if we turn slightly to the left so that one knuckle shows the grip is weak. A half-inch turn in the wrong direction can be enough to produce a 30-yard hook or slice!
- 2. Placement means how far up or down on the handle the hands are placed. Choking up or down changes the effective length of the club and therefore changes the distance the ball will go. For each inch you choke down 10 yards of distance will be lost.
- 3. Precision simply means placing the hands in the exact same way each time. Consistency in your shots can only be attained if the grip is done identical every time.
- 4. Pressure refers to how light or firm you hold the club. Most golfers grip the club much too tight. This leads to a variety of problems including topped shots, lack of distance and slicing the ball. Practice holding the club with a light grip and the difference can be amazing!

Remember - Because the only contact we have with the club is through the grip, and it affects every part of how we hit the golf ball, work to make it consistent and your game will improve!

South Starts Taking Shape

Construction on the new South Golf Course Pro Shop and Snack Shop makes progress. By mid-December, crews completed the footers and exterior CMU block exterior walls. Work is anticipated to be completed and the building ready for use in the spring.

WELCOME GOLFERS

PLEASE REPAIR ALL BALL MARKS WITH THE TOOLS PROVIDED.
USE ONLY THE APPROVED REPAIR METHOD SHOWN TO HELP
MAINTAIN OUR GREENS AND INCREASE YOUR ENJOYMENT.

DO NOT TWIST OR LIFT SOIL

Only YOU can prevent ball mark damage!

RIGHT!

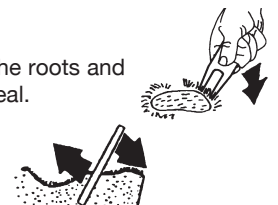

- 1) Close the gap/hole with putter by patting down the ball mark.
- 2) Insert *Green-Save* tool on the high side behind ball mark and push the back toward the center.
- 3) Do not pull up, twist or lift with the tool.
- 4) Push both sides of the ball mark into the center.
- 5) Gently tap the surface down with putter.
- 6) Never use loosened turf for repair.

WRONG!

Pulling up or lifting on the center or the sides will tear the roots and result in brown spots taking weeks for the surface to heal.

Do not pull up or twist with tool. This will only bring sand to the surface and tear the root system

RIGHT!

Insert tool and push back and sides forward to center. No damage to root system. Healing starts immediately.

YOUR REPAIR EFFORT USING THE CORRECT METHOD ELIMINATES BROWN SPOTS AND PROMOTES GRASS GROWTH!

Thank you for using the repair tools provided and especially for using the correct ball mark repair method. Enjoy your round and help us improve everyone's putting experience.

A Moment with President DeLano

Thanks, Congratulations & Welcome (Back?)

It is that time of year again when we say good-bye to one-third of the RCSC Board of Directors and welcome the newly elected as they begin the first year of their three-year terms. However, I must say this with a caveat - sort of, but not quite.

To those who are leaving, I wish to personally thank you for your service. Each of you has dedicated considerable time and energy to make Sun City AZ a better place.

Jerry Walczak served tirelessly not only on the RCSC Board for the past three years but also on the board of the Condominium Owners Association of Sun City. His loyalty and devotion will continue on into the future as a newly-elected member of the Sun City Home Owners Association. Some people can never get enough – nor give enough. Thank you, Jerry!

Bruce Alleman only served two years on the RCSC Board but will be best remembered for his hard work and determination to see the newly resurrected Long Range Planning Committee back in existence and moved the process forward with plans for both the Grand Ave. property and the future Mountain View renovations. Bravo!

Now comes the “sort of” portion of this commentary.

Rich Hoffer oversaw the work with the Ad Hoc LRP Committee who initially began the work necessary to make recommendations for the Grand Ave. property when he previously served on the Board. He willingly stepped forward earlier this year to complete the term of a director who resigned and then selflessly through his hat once again into the ring as a candidate, successfully being re-elected to serve another three-year term. I believe we all look forward to his return and the chance to work together again.

Despite sounding repetitive, I would also like to congratulate and welcome back Michael Kennedy. Having been on the Board

previously from 2014 through 2016, Michael, too, was again elected to serve and brings back to the table his finance and business wisdom. I anticipate his continued determination to review expenditures and to make cost-conscious decisions to remain one of his top priorities.

New to the Board Room in 2019 will be Diana Graettinger. Her experience as a journalist and public relations consultant are certain to put communications and the dissemination of information to Cardholders to the next level. Diana has been involved in many community activities and promises to bring her unique perspective to the issues being addressed.

This has truly been an outstanding election cycle. The candidates in this year’s election presented superior knowledge and understanding of the community and their commitment to making Sun City AZ better and even more attractive to new residents. Truly unprecedented to anything in recent memory. Each and every one of you brought special talents and strengths to the conversation. Please continue to speak your minds and stay committed.

In closing, I am proud to have been your Board President in 2018 and predict that the future of Sun City AZ remains successful and bright for years to come.

Management Updates

Financial Report

RCSC has ended October 2018 within its operating and capital budget year to date. All divisions: Building & Infrastructure, Golf, Food Service, Bowling, Member Services and General & Administrative have operated within their net operating budgets year to date.

Bowling

On the weekends of October 21 and October 27, Lakeview Lanes and Bell Lanes hosted the Arizona State USBC Senior Championship tournament. The scores were outstanding with ten bowlers posting 300 games. The tournament produced approximately \$9k in unbudgeted income. The weekend of November 17, Bell Lanes hosted the Maricopa County Senior Women’s tournament which was well attended. This tournament was also not confirmed prior to approval of the 2018 budget.

Cardholder Services

Payments on past due assessments in October were 12.5% of past due balances. Overall accounts receivables decreased in October by 8.8%. This decrease is most affected by a reduction in the current receivables category of 36% this month while the Over 30 days category increased just 1.1%. The current receivables decrease is the result of increased payments rather than unpaid invoice aging. The October ending total receivables balance was the lowest since February 2013. September assessments went 30 days past due at a 5.6% rate and August assessments went 60 days past due at a 3.6% rate.

Payments from our third-party collections firm totaled \$8,368 in October. Year to date payments through our third-party collections firm total \$148,406. Payments made in October by Cardholders through the online RCSC Web Portal totaled \$104,494 from 238 property owners. Year to date Web Portal payments total \$1,182,782 from 2,577 property owners.

In October property transfer balances decreased by 8.5% and lender related balances remained at \$0 for the second straight month. Outstanding balances related to property transfers continue to represent 55% of all receivables and 56% of past due balances. At the end of October trustee sale notices on Sun City AZ properties ended at 41 and properties owned by lending institutions remained at three.

Human Resources

We have renewed contracts for the employee benefits program with our current insurance carriers for medical, dental, life, and short- and long-term disability plans. The 2019 Benefits Plan booklet has been revised and distributed to full time employees during open enrollments meetings which were held on November 8-9 with 147 employees attending. Human Resources is now assisting

employees with any benefit changes they wish to make for 2019.

Since November 1, ten new hires have been added to staff filling vacant greens worker, custodial and facilities attendant positions. There were many internal transfers during the same period of time.

The U.S. Department of Labor has selected RCSC to participate in a confidential survey conducted by the Bureau of Labor Statistics who will use the information provided for statistical purposes only and the end result will be used to provide a Job Openings and Labor Turnover Report for Maricopa County. Responses are strictly confidential and will not be disclosed in any identifiable form. We are required to provide monthly reports for the next six months. Required information includes: number of full-time and part-time employees who received pay on the 12th of the month; job openings on the last business day of the month; hires and recalls for the entire month; quits for the entire month; layoffs, discharges, terminations for the entire month; and other retirements, transfers, employee disability and deaths for the entire month.

Member Services

On Sunday, November 4 we welcomed 56’ Rock and Roll to the Sun Bowl Amphitheatre! It was so nice that the Arizona weather allowed us this concert under the stars!

On Sunday, November 11, the Ahwatukee Foothills Concert Band and the Ahwatukee Children’s Theatre put on an exceptional performance as we paid tribute to our Veterans. The Children’s Theatre group worked continuously with the Concert Band to learn a variety of patriotic songs and the meanings behind them.

Be sure to join us on Tuesday, December 11 at the Sundial Auditorium for the annual Christmas Spectacular! Complimentary hot cocoa and hot apple cider will be available prior to the show. Please present your photo RCSC membership card for admission to this free event.

The final RCSC hosted event in 2018 is on Friday, December 14 from 3pm–6:30pm. Join us at Lakeview Recreation Center for the annual Sun City AZ Holiday Celebration. There will be two duck races, the hole-in-one contest, pie walk, money tree, hot cocoa and coffee for a dollar and free cake. Finish the evening by watching the infamous lighted boat parade. Proceeds from this event benefit the Sun City Foundation.

Project Updates

Building and Infrastructure

Grand Ave

- The Plan of Development (POD) submission is still under review with Maricopa County. Engineers have begun working with ADOT for the planned deceleration lane addition off Grand Ave. Architectural drawings are 80% complete with a round of changes to lighting design being incorporated, as well as design of the greenhouse space being worked on. Displays showing the floor and site plans for this property are at the rear of the room to show the utilization of this space. These will be on display at future Board Meetings and Board/Member Exchanges.

Lakeview Center

- Work continues on the renovation of the Lakeview Center Fitness Restrooms. To date all walls are framed up and plumbing has been roughed in, including replacement of under slab deteriorated cast iron pipes with ABS pipe. Electrical has been roughed in as well. Contractors are: Valley Architecture, KAW Construction, Spray Systems, 1-800 Cooling and Supercharged Electric (Cost-\$219,133).

Marinette Center

- The west parking lot was closed on November 19 and 20 to be seal coated and restriped. As part of this work, two additional handicap spaces were created out of three regular spaces. Contractor was Ace Asphalt (Cost-\$6,275).

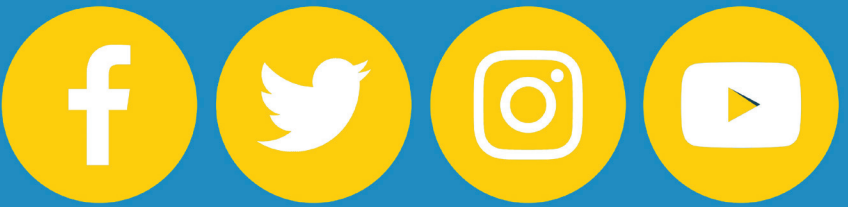

South Golf Course

- Work continues to progress with footers, slab and CMU walls all complete. Roof support beams are onsite and beginning to be installed. Traffic plan changes have been submitted to Maricopa County Department of Transportation and approved. These changes will allow golf cart crossings across 103rd Ave that are out of the construction area, including the work area to tie in to the sewer and water main on the east side

Does 'Sun City Library' Ring a Bell?

Believe it or not, 2019 marks 10 years since the Sun City Library Board decided to have the Maricopa County Library District (MCLD) operate its Library at the Bell Recreation Center. Later this year, anniversary celebrations will occur. The Friends of the Sun City Libraries couldn't be more pleased with all that has come with the change. Our close observation of our Libraries' operations convince us every day that a proper decision was made. The cooperative agreement between MCLD, the Friends, and the Recreation Centers of Sun City (RCSC) has benefited each organization.

When the change was made, the new Fairway Recreation Center was under construction. The Fairway Library was out of operation during most of this time. Since each Maricopa County Library is a branch of the organization, our Library at the Bell Recreation Center was appropriately titled the "Sun City" branch.

After completion of the new Fairway Recreation Center, the agreement with the Maricopa County Library District was amended to include the new Library at Fairway. MCLD appropriately named it the "Fairway" branch.

Out of past habits, many of us have referred to each of our Libraries as "the Bell Library" or "the Fairway Library." There is no big problem in doing that; but if one goes to the MCLD web site and seeks the "Bell" branch library, one is out of luck. One must seek the "Sun City" branch.

For that reason, the Friends have a New Year's resolution--make it right. In our writings, we have perpetuated the inappropriate name. Old habits are hard to break. We know that. We are still going to take this one on. Any references we make to our two fine Libraries from now on will be by their proper name. Hopefully our resolution will assist those other "old timers" out there to "mind their ways," as we old timers say.

Other suggested resolutions:

1. Attend the half price, store-wide sale at Books Around the Corner on Friday, January 18 and Saturday, January 19, 9:30 a.m. to 4:00 p.m.
2. Utilize Morningstar or Value Line with your Library Card.
3. Get on the MCLD emailing list.
4. Attend the wide variety of special programs/speakers at either Library.
5. Become a volunteer Book Friends reader to memory care patients.
6. Become a volunteer Book Buddy and deliver library materials.
7. Become a volunteer Friends Board of Director member.
8. Have a club to which you belong host a presentation about our Libraries and the Friends of the Sun City Libraries, Inc.

Questions about any of these? Stop by either Library or Books Around the Corner at the SUN CITY Library for your answers.

Water Conservation

Make the Dishwasher Your Water-Saving Friend

Many of us think that hand washing the few dishes and glasses we use each day uses less water than the dishwasher. Truth is that newer dishwashers use only three to 10 gallons of water per cycle. So just let the machine do the "dirty" work.

We'll repeat it – Scrape, Don't Rinse. Scrape, Don't Rinse. Modern dishwashers do a fantastic job cleaning heavily soiled dishes. Simply scrape off any food and empty liquids and let the dishwasher do its thing. If you're not able to break the habit and must pre-rinse, at least use cold water. Many newer models also have rinse and hold cycles which use less water than doing the job manually.

When loading the dishwasher, fill the racks to optimize water and energy use but allow for proper water circulation. Wash only full loads when possible and select the cycle that uses the least amount of energy. Use the rinse and hold cycle mentioned above if it takes several days for you to get a full load.

Try using the no-heat air-dry feature if your dishwasher has one. If you've got an older model, turn off the dishwasher after the final rinse is complete and open the door to allow drying. If spotting occurs, you could dry the dishes by hand (aka the old fashioned way).

Sun City Pickleball Club

Enjoying time on the courts with friends, in friendly competition, is the basis of the Sun City Pickleball Club. But don't be fooled by the laughter; these folks are also skilled senior athletes.

Three members of the club proved that again recently by earning medals at the 2018 USA Pickleball Association National Championships which concluded November 11 in Indian Wells, CA.

Michelle Orton and Doug White (shown at right) teamed to placed third for the bronze medal in the mixed doubles 70-74 age group at the 3.0 skill level.

Jane Powell (shown at left on right) of the Sun City club teamed with Florida's Julie Martens to place second and take a silver medal in the women's doubles 65-69 age group at the 3.5 skill level. Powell was also fourth in women's singles at 65-69 at the 3.5 skill level.

The USA Pickleball Association National Championships ran for eight days and hosted 2,300 athletes, ages 8 to 90, from 46 states, with many matches streamed on ESPN3. The professional players split \$75,000, the largest prize-money purse in the sport's history. The tournament was held on 45 courts at the Tennis Garden, the same site for the BNP Paribas Open, the largest combined ATP and WTA tennis tournament in the world, March 6-17, 2019.

This court-and-paddle sport has similarities to tennis, badminton, racquetball and table tennis, and has been around since 1965 (but has gained popularity the past 15 years, now with approximately 2.8 million players in the United States).

The Sun City Pickleball Club has 20 courts (eight covered) at Marinette and seven at Mountain View. Chartered in 2003, SCPC now has approximately 550 members. Annual dues are \$20. The club's next major tournament, a Super Senior International Pickleball Association event, attracting top players from the region, will be held January 29-31 at Marinette. Everything about the club, including annual dues payment information, is at suncitypickleballclub.org.

Sun City Line Dance Club

Why not put down that TV remote or i-pad and come to Line Dance Club Tuesday and Thursday mornings usually 9:45am to 1pm at Sundial Ballroom and get thousands of steps of gentle aerobic activity? With a Fitbit or other tracking device, you can keep track of your steps to ensure reaching your fitness goals in the safe, climate-controlled Sundial Ballroom.

Moving to music ignites happy Endorphin hormones and raises the heart rate. Line Dance Club has 500+ members and sometimes 250 members at a class during the winter. We young-at-heart seniors connect socially while enjoying cookies, pretzels, mints, water and coffee during the two morning breaks. There is a free 15-minute lesson before each class. We begin with the first hour which has the easiest steps, and each successive hour more challenging steps are added. Studies have proven dancing dance steps not only helps with balance and coordination, but also the brain.

Anyone can learn to line dance, and all Sun City ages through their 90s participate. Those with walkers and canes get in for free. It's easy to get started, and the more you do it, the more you will like it and the easier it becomes. Muscle Memory kicks in! Some members have never previously line danced.

Annual Club membership is \$5 and club members pay \$2 per class. Our professional instructor leads dances from the stage, and large TV screens enable all in the room to see her and the dance steps. Men and women enjoy keeping active, socializing, and improving their brains, balance, and coordination. "MOVE IT OR LOSE IT" is the adage. You can stay for one, two or all three hours. Come try this fun recreational exercise! For more information, contact Walter at 623-972-5127 or visit WWW.SUNCITYLINEDANCE-CLUB.COM Open to RCSC Cardholders, visitors, and invited guests. Maybe you would like to purchase something in our large show room? Our members are always working on new items and many can be purchased at great prices. If you don't see anything you like but have a design in mind, ask them if they can make something for you. We also can repair jewelry.

If jewelry making isn't for you, we now have classes in Stained Glass. You can make items as small as a sun catcher or as large as a wall hanging to fill a window. You will learn how to cut the glass, use

copper foil, then solder. It's very rewarding to finish a piece from glass to a picture. We have classes from beginner to advanced.

You'll find a wide selection of paints for various finishes, decals, paint brushes, cleaning supplies, and over 1,600 molds to choose from. Monthly classes and workshops with instruction for the beginner to the expert in various techniques including banding and air brushing are available throughout the year; all at reasonable costs.

Several kilns are fired up weekly to take your piece(s) to the next or final stage. How exciting it is to see your pieces come together! Or take a pouring class from the experts to learn how to pour your own molds.

Several times during the year, the club has fun events such as an Oktoberfest celebration. We also organization other celebrations such as Christmas in July. Bell Ceramics participates in the Sun City AZ Arts & Crafts Festival every November where you can display and even sell your finished products. It's a fun event that kicks off the Christmas holidays.

There's so much to learn and express through creativity; all while having fun and making good friends. We look forward to having you come and check us out.

Friday Night Ballroom Dance

When was the last time that you attended a dance? Did you have fun? What was your favorite dance? Jitterbug, or maybe the Waltz? What was the Jitterbug is now called the Swing. Whether it's the Swing, Waltz, Foxtrot, or any of the Latin dances, we still do it all, at the beautiful Sundial auditorium.

When you step through the door, you will probably be reminded of some of the great ballrooms of long ago. Sundial has one of the best dance floors in the entire Valley. And talk about music - this is where singles and couples come to hear some of the best live dance music in the region. Whether you love to slow dance or you are an accomplished ballroom dancer, or somewhere in between, you will love the Sundial Ballroom.

Our weekly Friday dances begin with a Foxtrot at 7:00pm and usually end with a Waltz at about 9:45pm. If you are a beginner or would like to learn a few new steps, we encourage you to take the free dance lesson offered before each dance. The lesson begins at 6:20pm. Admission cost is \$5 for members and \$8 for escorted guests. Annual club membership/participation is \$3 and is open to all RCSC Cardholders.

Not only is dancing good for you, both physically and mentally, but it is fun and easy to learn. It is also a great way to socialize and make new friends. For more information, please call Bob at 623-215-8718 or visit our website at: www.fridaynightballroomdanceclub.com

Camera Guild of Sun City

If you enjoy photographing the world around you, or if you want to learn more about your camera and how to take really great photographs, the Camera Guild of Sun City is the place for you.

Through April, Camera Guild classes take place every Thursday from 1:30 to 3:30pm. These classes include aspects of photography such as mastering point and shoot, creating more perfect compositions, cell phonography, shooting in different modes and post processing your photographs. Cost is \$5 per class (\$10 for non-members) to be paid day of the class. The club has both a small and a large photo printer, matting equipment, a hot press for backing pictures and materials to work with all at a much lower cost than sending out. Several computers include up-to-date programs such as Photoshop, PS Elements, Lightroom, Power Point and others. It also has a microscope for taking extremely close-up photos.

The guild holds a 1st Friday Gallery Opening quarterly with complimentary wine and hors d'oeuvres in January, April, July and October and open to all. Club members participate with their framed photography which adorns the club room walls throughout the year.

Exciting Grab and Goes are held many times a year. Members take short trips around the greater Phoenix area. With camera in hand, they park at Sundial and share rides to whatever destination has been planned for that day. A few longer photo trips are planned several times a year.

General meetings are held twice a month at Fairway Center from 9 to 11am on the first and third Saturdays. Here you will learn more about the camera guild, see DVDs or hear talks on topics that help improve your own photography along with demonstrations or videos by club members. At times, competitions may be held or results from competitions displayed.

With a new website available to both members and non-members, you will see an events calendar, an image showcase, links to other photographic sites, and an application form to join the camera guild. Go to cameraguildsuncity.com. Membership is open to all RCSC Cardholders in good standing. You may also visit the club's RCSC webpage at suncityaz.org/recreation/clubs/camera-guild-of-sun-city/where you will see different photographs by club members monthly. Call John at 314-882-6951 if you have any questions.

Hatha Yoga Club of Sun City

Yoga is for everyone. Benefits include increased strength and flexibility, better balance, stress reduction, improved breathing and mental calmness. Hatha Yoga Club offers 20 classes each week in the club's studio at the Sundial Center led by highly trained and certified teachers.

A traditional practice requires the ability to transition to and from the floor. For those who cannot accomplish this with ease, we offer four Chair Yoga classes each week. Participants gain all the benefits of a traditional yoga practice by using a chair rather than a mat on the floor. Other Hatha Yoga classes are all-level and teachers offer pose alternatives, making the class broadly accessible.

No prior yoga experience is required to take any of our 90-minute classes, but two of the mat classes are beginner classes, tailor-made for those new to yoga. Our website (hathayogaclub.org) provides information to get you started, class schedules, information about each teacher, and helpful guidelines.

Sun City Hatha Yoga Club is open to all RCSC Cardholders. When you come to your first class, please arrive 25 minutes early with your RCSC card. Yearly membership is \$5. Cost per class is \$3. We invite all who wish to change their lives through yoga to join us.

Sun City Women's Chorus

The Sun City Women's Chorus was established in 1962 as the first chartered musical group in Sun City. Today, we have more than 70 members with a wide array of musical backgrounds. The Women's Chorus performs two concerts each year at the Sundial Auditorium. The Chorus intends to bring joy to the West Valley communities through its music. The group also welcomes the opportunity to sing for various area organizations.

The director, Jane Higgs, not only directs the Chorus, but also is involved in numerous musical organizations as instrumentalist and vocalist. Kent Trostel, the accompanist, is a gifted pianist, composer, and arranger.

Rehearsals are Thursdays from 8:45 to 11:00am in the Music Room of the Fairway Recreation Center. The Chorus welcomes new members with a current RCSC card. Rehearsals for the Spring concert start January 10, 2019. Please contact Diane Hays at 602-918-0919 for more information.

Bell Stitchers

Attention all sewers. Come have some fun with the Bell Stitchers while doing good for someone else. Bell Stitchers is a charitable organization staffed by volunteers who sew outfits for disadvantaged children. The outfits are distributed to seven local schools and the Aqua Fria Food & Clothing Bank during the spring, fall and winter seasons.

In addition to making clothes for children, volunteers also make and sell miscellaneous craft items in order to raise money to buy sewing accessories needed throughout the year. Some of these items include doll outfits (to fit 18" American Girl type dolls), bowl cozies, aprons, steering wheel covers, place mats, adult bibs, scrubbies, baby items, hand crafted smocked items and beautiful Christmas articles. Most are available year round from the clubroom. If you are in need of reasonably price products made in the USA, please stop by and see what we have to offer.

Our club welcomes new members who like to sew. New members bring fresh ideas and help keep the items we make up-to-date. Please visit our clubroom located in the craft village and the Bell Center near 99th and Hutton. We would love to give you a tour of our facility, which has sewing equipments and closets full of material and notions available for club members to use. If you prefer, you can sew at home. Membership is limited to residents of Sun City with a current RCSC card. Dues are \$3.00 a year.

Winter club hours are Tuesday from 9:00 to 3:00, Thursday from 9:00 to 3:00 and Friday from 9:00 to 2:00. Join us for a cup of coffee/tea, cookies and lively conversations at our 10:00 break time.

Most of the items made by the Bell Stitchers are from donated supplies. If you have any sewing material (especially cottons) and/or supplies, our club would be glad to recycle them. Call Angie (303-435-1794), Mary Jane 623-583-7160, or Caroline 623-875-4992, for additional information.

Tips from Get Fit for Life -

Prioritize Exercise in 2019

Have you put off going to the Fitness Center, for one reason or another this past year? The Holidays are over, the damage is done, and now it's time to get serious!

"Knowing what to do and getting started are the two biggest obstacles people face, as they begin an exercise program," states Jane Fortier, co-owner of Get Fit for Life. "As trainers, we overcome these obstacles by creating programs that are appropriate for individual needs. Questions I often hear are: What exercises are best for me? What weight should I use? How many repetitions should I do? What machine settings are appropriate? Where should my heart rate be? How many times a week should I exercise? How long should my workout be? All of these questions are answered, and many more, when working with a personal trainer. If you are new to exercise, we will develop a comprehensive program for you; if you are a seasoned exerciser who needs a new approach, we design a workout that moves you to another level; if you are ready to transition from rehab to a fitness center, we guide you carefully through this process; if you face osteoporosis, diabetes, obesity, stroke recovery, or any other physical challenge, we introduce you to an exercise regimen that gets positive results. Teaching proper breathing, form, technique and cadence, with all exercises, is part of the service we provide."

"Research continually confirms that exercise curtails the physiological effects of aging in active adults. The chronological clock takes a toll, as active adults get older," states Jane. "The words 'aging process' refer to universal physiological changes that take place in the human body, due to chronological aging. Those changes are independent of disease, genetics, behavior and lifestyle. Those changes are going to affect how a person feels and functions. Changes take place in heart structure, lung tissue elasticity, bone density, vertebrae integrity, joint calcification, mental clarity, nerve messaging, hormone production, hearing and vestibular health, proprioception (the ability to maneuver in 3-dimensional space), muscle strength & volume, and connective tissue structure. Exercise is the number one line-of-defense, when dealing with these physiological changes," states Fortier. "A good exercise program for someone over 50 years would have three parts to it: aerobic, strength, flexibility. These three forms of exercise are synergistic, and combine to improve an aging adult's overall level of fitness."

Building muscle tissue, improving cardiovascular health and increasing flexibility are the concepts Get Fit for Life personal trainers use when creating programs for Sun City residents. Programs take into consideration needs, goals, medical issues, and current level of fitness. Trainers take the guesswork out of exercising, and teach clients how to use the Fitness Centers more efficiently. What better time to get started with an exercise program than right now! Get Fit for Life can help you get the New Year off to a good start!

Above: Dick and Jane Fortier, co-owners of Get Fit for Life, are ready to help YOU get the New Year off to a good start with exercise. Services are available in all Sun City Fitness Centers.

LaTouch Wellness Massage Therapy Shares...

Take Your Health into Your Own Hands

LaTouch Wellness massage therapy offers several different Energy Healing Techniques including Chakra Energy Healing, Reiki Energy Healing and Emotional Freedom Technique (EFT) Healing, which works with the Meridian System.

Below is an overview of each of these energy healing systems which can be addressed together or individually. A therapist can offer these healing techniques to you and you can also learn how to use these techniques for self-care and heal yourself both physically and emotionally.

Chakra Energy Healing: We have seven major chakras within the body, which starts basically at the base of the spine and goes up to the top of our head. These major chakras are the dominant energy vortexes within the human body. Each chakra has an association to specific organs, physical areas within the body and certain distinct emotions we may be experiencing. When we can balance the flow of energy within the chakras system our physical and emotional well-being is enhanced. Each Chakra has a color related to it, there are also essential oils, crystals and stones and geometric shapes for each specific chakra. This is how you can utilize self-healing practices.

Reiki Energy Healing: Reiki energy healing utilizes specific geometrical symbols that allow us to regulate the flow of energy. Vibrationally, verbalizing the healing frequency associated with these geometrical symbols can assist with the healing process. Utilizing components of Reiki, with focused concentration and tapping into Source Energy, is necessary to charge and amplify energetic transformations.

Emotional Freedom Technique Healing (EFT): Time, does not heal all wounds, hurt feelings or trauma. They can become trapped within our body causing both physical and emotional discomfort. Our thoughts and our intentions are energetic, all negative emotions cause a disruption within our system. EFT has been applied to psychological and physical conditions, including performance issues, serious diseases, blood pressure problems, relationship issues, general stress, addictions, phobias - basically, anything from colds to cancer. LaTouch Wellness is committed to assisting you with enhancing your health and well-being body, mind and spirit. Reiki is a holistic therapy which brings about healing on physical, mental, emotional and spiritual levels. Laura is a Reiki Master trained in the Usui Reiki tradition. LaTouch Wellness will be offering a complimentary Distance Reiki Healing session the 1st Monday of the Month. Details can be found on Facebook at <https://www.facebook.com/LaTouchWellness>

This includes Windows 10, the Internet, mobile devices, media, home, office and social. Members of the Club can come anytime that we are open and use our computers in the Member's Lab to check email, read the news and visit favorite websites. The Weisser Choice Team – a Sun City premier real estate group. This well-known group has been a fixture in the Sun City market for the past 14 years and has closed over 300 residential transactions. Whether you're selling a home or buying one, you can count on the Weisser Choice Team to have your back.

Transaction Expertise

You can rest assured that every "i" will be dotted and every "t" will be crossed. This team has experience with virtually every type of transaction you can imagine. Short sale? Got it. Family trust estate? No problem. Out of state? Easy peasy. Your transaction will be so easy that you probably will never even realize if something unusual pops up. You can trust that it will be handled professionally and efficiently.

Uninterrupted Service

Every member of the team touches every transaction in some way. This means that if one person gets sick, or needs to take a beach vacation in Cancun, or is simply with a client and can't take an emergency call; one of the others can quickly step in and assist you. This means that if they have multiple houses listed at the same time, YOUR house will still have Open Houses and YOUR phone calls/texts will always be answered. This means somebody is ALWAYS available for you.

Give us a call. Send us an email. Pop in to one of our open houses.
We love to meet new folks and we love to share our knowledge.

Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.
