

April General Member Meeting

The April 3, 2019, meeting was called to order by Secretary Gail Varenhorst at 9AM.

Our first order of business was a speaker from an organization called CAN (Community Assistance Network). They provide help to Sun City seniors with low incomes. Right now they have AARP tax preparers doing free taxes. There are flyers in the club.

Secretary's report was read and approved.

Treasurer's report: March income \$3485.64 Expenses \$2824.71 Club total assets \$47,664.04

Old Business:

The RCSC notified all clubs that Kilns must be attended when running, at all times. The club is doing their best to abide by the rule. When you have items in the kiln you must be in the club monitoring the kiln from 3 until 5PM. The Club did not make this rule and the kiln has to be watched. Please do your share without complaining. There are already members volunteering to open the shop at 6:30 so the kiln gets loaded early for longer programs. This change has been instituted because a couple of clubs put projects with wood on them in the kiln, starting a fire. Wood burns, people, do not get it any where near a hot kiln.

Repair requests are to be recorded with name and phone number and brief description of damage and posted to the white board on locker 80. Do not take the broken item. A member that wants the repair will call the customer and get the item.

Monitors please do not leave the big bills in the cash box at the end of your shift those should be turned in the cash envelope first.

Club paperwork is being updated and the new fusing beginning class is also being developed.

Holiday Party vote was overwhelmingly in favor of the January date. Next year the party will be January 3rd at Palmbrook.

The suggestion box is being reinstated.

New business:

The club is closed between 3 and 5PM keep the door locked and closed sign displayed. No sales during this time!!

March classes:

11 students in 3 beginning classes

2 in principles of fusing

2 in stepping stones

2 in the large fused flower class

There are still a few lockers and slots available.

Snowbirds, please put all your property away in your locker or slot when you leave for the summer.

The meeting was adjourned at 9:45.

Respectfully Submitted,

Gail Varenhorst, Secretary

NEXT MEETING IS IN OCTOBER.

HAVE A GREAT SUMMER!!!!
