Welcome to Sun City AZ - The Original “Fun” City!

The Recreation Centers of Sun City, Inc. (RCSC) welcomes you to Sun City AZ! While affectionately also known as the “City of Volunteers,” Sun City AZ is not a city, but rather an unincorporated active adult community in Maricopa County. RCSC is a nonprofit, private corporation which owns and operates recreational and social facilities in Sun City AZ – recreation centers, golf courses, snack shops, bowling centers, restaurants (leased), an open-air amphitheater, a dog park and a 33-acre man-made lake. Located at the recreation centers are a variety of RCSC Chartered Clubs; more than 130 clubs (<http://suncityaz.org/recreation/clubs/>) offer something for everyone. Arts and Crafts Clubs such as stained glass, weavers & knitters, ceramics, quilters, clay, leather craft, china painting, silver craft, lapidary and woodworking are available for those with and without experience. Numerous educational, sports, dance, exercise, music, national, card and game clubs are also available. A variety of social clubs, as well as other one-of-a-kind clubs, such as photography, gardening and a dog club provide an excellent opportunity for residents to become active and involved in their community.

While all Sun City AZ residents are not Cardholders and therefore may not be able to use RCSC’s facilities, it is the mission of RCSC to provide for all Sun City AZ residents (should they choose to participate) the broadest range of recreational and social facilities possible to enhance their active lifestyle and well-being. The Facilities Agreement, executed by each Deeded Real Estate Owner in Sun City AZ, obligates Owners to pay an annual property assessment to the RCSC whether or not Owners occupy the Sun City AZ property or use RCSC facilities. RCSC is not a homeowners association; we do not regulate or monitor private residences in Sun City AZ. The Sun City Homeowners Association, commonly referred to as SCHOA, and respective condo associations are responsible for enforcing the deed restrictions and covenants, conditions and restrictions (CC&Rs) on non-commercial property in Sun City AZ.

RCSC is governed by a nine-member elected, volunteer Board of Directors. The term for an elected Director is generally three years. The Board is responsible to fulfill its fiduciary duty by acting in the best interest and for the benefit of the corporation, to exercise sound business judgment and to establish and revise policy. On the RCSC website at <http://suncityaz.org/rcsc/corporate-documents/> you will find the corporate documents – i.e. Restated Articles of Incorporation, Corporate Bylaws and Board Policies.

Sun City AZ, with its numerous amenities, events and volunteer spirit, did not happen overnight. But the Sun City AZ idea – a master-planned community built specifically for active adults – turned the way that folks traditionally thought about retirement upside down. When The Del Webb Development Company opened five model homes on January 1, 1960, thousands of cars lined Grand Avenue. Long lines snaked around the model homes and many purchased homes within the first hour. By the end of the first weekend, more than 100,000 visitors had come to see what was being developed in this Arizona desert. Sun City AZ was an immediate and overwhelming success! The community grew quickly and Webb knew then what we still know is true today, *“Concrete, steel and lumber make the buildings but people make the community.”*

This guide includes a wealth of information about RCSC monitored facilities such as hours, rules and regulations. It is suggested that you keep this guide handy for reference and refer to the RCSC Bylaws and Board Policies often for updates and changes. Feel free to contact us should you have any questions or concerns.
