Get Geared Up for Good Times Ahead

Finally October has arrived. Snowbirds are start to returning. The grocery stores and restaurants are getting more crowded. And while we've survived this year's pretty much non-soon season, it is time to get geared up for fun and good times ahead.

The 2019 Fall Sun Bowl concerts have again started up and continue every Sunday evening. The last show, which will be on Sunday, November 10, 2019, is a special Tribute to Ours Veterans that has an early show time of 4pm. Featuring the Ahwatukee Foothills Concert Band and the Ahwatukee Children's Theatre, this promises to be a patriotic salute to all branches of the U.S. armed forces, honoring the men and women who have served and their families

sincere there are two races you've really got six chances to win. Plan on attending if you're in town as it is a great event to get you in the spirit and all proceeds/donations benefit the Sun City Foundation. Please note however that you do not need to be present to win. Buy more Duck Bucks, increase your chances. Watch for more details about the Holiday Celebration at a later date.

Come November we get to the season of perfect weather which typically lasts clear into April. To start off this month, series tickets for 2020 Sundial Concerts will go on sale Friday, November 1, 2019. Make sure that you're signed up to receive RCSC News Email Alerts (see page 16) so you'll get information on ticket pricing and sales locations as soon as it is available. Go to <https://suncityaz.org/recreation/concerts/> for the complete line-up of concerts and dates.

Sun City AZ is once again proud to be co-hosting the US Open Bowls USA Tournament. We're expecting competitors from across the nation and around the world so you really should make plans on stopping by one of the greens and see the action which begins on Sunday, November 3 through Saturday, November 9, 2019.

Duck Bucks go on sale October 1. "What are Duck Bucks?" you may ask; they're your chance to win prize money (based upon sales) if your lucky duck is the first to cross the finish line during the Amazing Duck Race that happens during the Sun City AZ Holiday Celebration at Lakeview Center on Friday, December 13, 2019. Prizes actually are awarded for first, second and third place and

Then get ready to walk off that pumpkin pie and start your Christmas shopping without the mall crowds at the annual Sun City AZ Arts & Crafts Festival at Sundial on Friday and Saturday, November 29-30, 2019.

Are you geared up and ready? And there's even more to come!

Casino Night Kicks Off the "Fun" Season

Casino Night at Sundial kicked off the start of "fun" season as several hundred RCSC Cardholders and their guests took a chance at the gaming tables for an evening of good times, despite the storm warnings. A special thanks to the volunteers who helped staff during this event; we couldn't have done it without you!

RCSC Elections

Packets Due October 4; Candidates to be Announced

While there may still be a few days to complete and submit a candidate packet for the 2019 RCSC Board of Directors Election (deadline is Friday, October 4 by noon), it is likely that those interested have already completed this task.

So how and when are the candidates announced? Once signatures have been validated, a press release will be issued stating those RCSC Members whose names will appear on the ballot come November soon after the verification is complete.

Press releases are sent not only to the local media, but are also posted on the RCSC website (www.suncityaz.org) and are emailed to Cardholders who have enrolled to receive RCSC News Email Alerts.

RCSC Directors serve for three-year teams and each year, elections are held to fill

the three upcoming vacancies. Those directors leaving the Board at the end of 2019 are President Jerry DeLano, Director Darla Akins and Director Stella VanNess.

Those wishing to meet the candidates once they have been announced will have the opportunity at upcoming Board Meetings.

In addition, candidate literature will be available at the various RCSC recreation centers, golf pro shops, bowling centers and outside the offices of Cardholder Services and Clubs & Activities on the lower level at Lakeview. Candidate information will also be available in upcoming editions of SunViews and via the RCSC Web Portal once online voting begins on Monday, November 11, 2019.

RCSC Members are invited to hear from the candidates themselves at two upcoming "Candidate Forums" which

will be held in November. There will be both an afternoon and an evening session (please refer to the right for dates, times and locations); however, should these meetings not be convenient, video recordings of both session will be posted on RCSC's YouTube channel for Members to view. Reminder notices will be sent via RCSC News Email Alerts when this information and documentation becomes available.

In addition to online voting, Members may request Absentee Ballots if necessary by calling the Corporate Office at 623-561-4600. In-person voting will occur on Election Day (Tuesday, December 10, 2019) in Lakeview Center Social Hall #2 from 8am to 4pm.

RCSC Cardholders: Please keep the following in mind when using RCSC Facilities

While you're out and about enjoying all that RCSC has to offer, please be aware of the following items which require Cardholder attention when using any of the recreational facilities:

- All RCSC Cardholders are required to check in with their Member or Privilege Cards (key fobs accepted for entry to fitness, pools and spas only; not accepted concerts or free events).
- Neither Sun City AZ residents nor spouses of RCSC Cardholders are eligible to be guests. With proper documentation and if eligible, privilege cards may be purchased at the Cardholder Services Office at Lakeview Center in order to use the facilities.
- Host punch cards are purchased by and belong to the Cardholder, not the guest. Host punch cards can be purchased at RCSC Facility Attendant Stations (exact cash or check only), Cardholder Services at Lakeview and RCSC Bowling Centers.
- Guests should be prepared to show government-issued photo ID when checking in to use RCSC facilities.
- Proof of age for 4 and 5 year olds (birth certificate or passport) is required for access to swimming pools. Photo copies or electronic images are acceptable.
- Free concerts and events are paid for by RCSC Cardholders and are intended for RCSC Cardholders and their escorted guests only.
- Always be prepared to show your RCSC Member or Privilege card (with photo) when attending free concerts and

- events. Key fobs are not accepted for entry.
- Immediately exit pools, spas if lightning is observed or thunder is heard.
 - Household pets are NOT allowed at any RCSC facilities, including but not limited to buildings, golf courses, grounds, parking lots, except for dogs at the RCSC dog park, Best Friends Dog Club and/or dogs trained as service animals. Emotional support animals are not an exception.

Please refer to the RCSC Cardholder Guide and Board Policies for more information regarding these matters. Your continued cooperation is much appreciated!

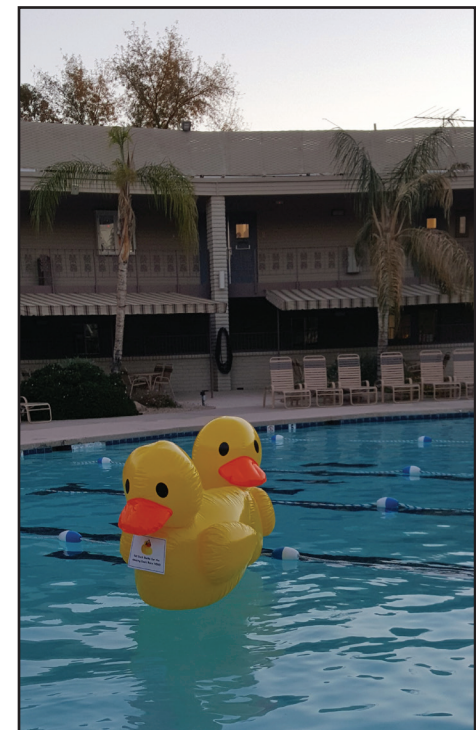

No matter what state you're from, while you're here in Sun City it is much appreciated if you would park in only one space (note the white line under car) and save these smaller spaces for golf carts - as designed.

Please be scent sensitive! Overuse of scented body such as colognes, perfumes, after-shave lotions and the like can be extremely irritating and even caustic to others, especially those with respiratory issues. Perspiration and water from pools, spas can make matters even worse.

Many RCSC parking lots have one-way routes of travel and the posted speed limit of 5 MPH should be observed at all times. Your safety is our concern!

Size does matter! Per Board Policy 10, swimming pool gear, including floatation devices, may not extend more than 2 feet from the swimmer and must be within control of the swimmer at all times. Items not permitted, include but are not limited to, balls, Frisbees, rafts, water guns and any metallic items. Same goes for very, very large ducks!

International
Lawn Bowl
Competition
Returns to
Sun City AZ

Lawn bowlers from across the United States and around the world will once again be competing in the US Open Championship Games which will take place November 3-9, 2019 on the greens in both Sun City and Sun City West.

This event provides a wonderful opportunity for Sun City AZ to showcase the great active adult lifestyle we value and we are certain that RCSC's seven high-quality greens will impress those visiting our community. Sun City's five active lawn bowl clubs are to be commended for the effort and hard work they invested in securing and cohosting this coveted event for two years in a row.

The sport of lawn bowling has a long and prestigious history in the community. The first court put in by Del Webb at what is now Oakmont Center was the first in the State of Arizona. Sun City AZ currently boasts several residents who have been inducted into the National Lawn Bowling Hall of Fame and many who regularly compete in both national and international tournaments. Lawn bowling is as much social as it is sport, and Sun City's lawn bowl clubs host dozens of competitive activities and social events each year.

Opening ceremonies for the US Open will take place at on Sunday, November 3, 2019 starting at 10am at the Lakeview Recreation Center. Spectators are welcome to see many of the top international lawn bowlers complete throughout the week.

A complete list of the event times and locations will be published in the November issue of SunViews.

Golf & Grounds Report

Pro Shops

Total rounds for July increased by 10.5% compared to prior year, due in large part to last year's closure of Willowcreek and Willowbrook. The total rounds played in July also represent the 3rd highest number of total rounds played in the last seven years.

We currently have 50 participants signed up to participate in our "Patriot Day" golf event on August 30. This total is behind the 94 participants we had last year, though we are still accepting applications at the time of this writing. "Patriot Golf Day" was organized with the help of PGA of America to raise funds for the Folds of Honor Foundation. The money raised is used to fund scholarships for spouses and children of military service men and women killed or disabled while serving our country. Money raised from the tournament will be added to dollars collected by our starters from August 30 through September 4.

Snack Shops

Snack Shop revenue exceeded total budget for the month. For the year the snack shops are behind revenue budget and ahead of total gross income budget. Snack Shops continue to have a regularly scheduled closing time of 1:00 p.m.; however, this closing time can be extended based on demand.

Golf Course Maintenance

Overseeding will begin on September 30 on North, Lakes West, Willowbrook and Riverview. These courses will reopen October 19, with cart path restrictions in place until November 8. The remaining courses will close October 21 and reopen November 9th with cart path restrictions in place until November 22. We are currently not planning an overlap period during which all courses will be closed; however, we will be monitoring long range forecasts as we near the September 30 start date. Should forecasted temperatures prove problematic for overseeding, we will move the start date for the first wave of course closures to October 7. Should this change prove necessary it will result in an overlap period of course closures, as we would not move the second wave of courses back.

The summer projects at both South and Lakes West are complete. The practice area is going through the final stages of grow-in. In the coming weeks we will be verticutting the surface and adding top dressing. We expect to be able to open the practice area for use by the end of September. The forward tees on Lakes West are also in the final stages of growing in. Mowing heights are slowly being lowered to normal playing heights. We expect the tees to be ready for use by the middle of September. Lakes West was recently re-rated by teams from the Arizona Golf Association and Arizona Women's Golf Association, including the new tees. Once available, these ratings will be posted in the pro shop and included on future scorecards.

Lawn Bowling/Grounds

The newly surfaced greens at Mountain View and Oakmont are progressing, despite an inactive monsoons season. Both greens have been laser leveled twice and are scheduled to be tested by bowlers on August 28.

The grounds crew remains busy with regular maintenance; however, they are enjoying the inactive monsoon season. A definitive date for overseeding the softball field has not been decided, but it will occur at the end of September and the field will be closed for three weeks.

Tips from a Pro

Practice Makes Perfect...or does it?

We’ve all heard the saying “practice makes perfect” but instead we should say “perfect practice makes perfect.” Let me clarify. To learn a new behavior, or replace an old habit with a new habit, we need repetition. However, we must repeat the desired behavior over and over correctly for it to become automatic!

What does this mean for practicing your golf swing? Well, let’s say you have a terrible time topping the ball and you go to the driving range for three hours and hit 1,000 balls (99% of which you topped). Has this practice session helped you or hurt you? I would venture to say it hurt you because now you’ve engrained into your psyche the most effective way of topping the ball and you’ve practice it over 999 times!

So, what is the most effective way to practice correctly something that is new to you?

1. Try using a club that is easy for you to repeat the desired effect correctly. For most golfers this might be a short iron such as a 7 iron, but over the years I’ve learned that everyone is different so use whatever your favorite/easiest club to hit is.
2. Use a slower swing to ensure you’re correct in your execution. Maybe try a half-speed swing first to see if you have more control. If that works well, try a three-quarters speed swing and then if you are successful go to your normal full swing speed.
3. Shorten your swing. Use a similar technique as you did with swing speed. Try making a half swing (perhaps waist high) and if that works try a three-quarters length swing (shoulder height in the backswing) and if that works well go to your normal length swing. (This works best with irons).
4. Put the ball on a tee. Use the progressive tee approach. If you are successful hitting the ball with the tee, then bump it down a little further and then again, a little further until you have the ball back on the ground. Once the swing is working you can do it either with or without a tee.
5. Practice using drills. Drills to practice the correct swing, grip or technique is much easier to do correctly when NOT hitting an actual ball. Get it right first using your body, the club, or even a practice swing hitting nothing or just a tee. Doing it right is what matters most!

Remember the point of practice is to make the new technique automatic so that it becomes the way you do it...without any thought! It is better to not practice at all rather than practice incorrectly!

WELCOME GOLFERS

PLEASE REPAIR ALL BALL MARKS WITH THE TOOLS PROVIDED.
USE ONLY THE APPROVED REPAIR METHOD SHOWN TO HELP
MAINTAIN OUR GREENS AND INCREASE YOUR ENJOYMENT.

DO NOT TWIST OR LIFT SOIL

Only YOU can prevent ball mark damage!

RIGHT!

- 1) Close the gap/hole with putter by patting down the ball mark.
- 2) Insert *Green-Save* tool on the high side behind ball mark and push the back toward the center.
- 3) Do not pull up, twist or lift with the tool.
- 4) Push both sides of the ball mark into the center.
- 5) Gently tap the surface down with putter.
- 6) Never use loosened turf for repair.

WRONG!

Pulling up or lifting on the center or the sides will tear the roots and result in brown spots taking weeks for the surface to heal.

Do not pull up or twist with tool. This will only bring sand to the surface and tear the root system

RIGHT!

Insert tool and push back and sides forward to center. No damage to root system. Healing starts immediately.

YOUR REPAIR EFFORT USING THE CORRECT METHOD ELIMINATES BROWN SPOTS AND PROMOTES GRASS GROWTH!

Thank you for using the repair tools provided and especially for using the correct ball mark repair method. Enjoy your round and help us improve everyone’s putting experience.

A Moment with President DeLano

Get in the Know - And Prepare to Vote!

In just a short while, we'll know whose names will appear on this year's ballot for the RCSC Board of Directors election.

Every candidate deserves our respect and appreciation for stepping up to the plate. These folks are committing to doing their part for the next three years. They are willing to listen to your concerns and to voice their opinions in the hopes of making Sun City AZ a better place.

This year has seen quite a bit of change in the way the RCSC Board of Directors does business and whomever is elected will be starting their terms under this new process that continues to evolve and improve.

Those elected to serve on the RCSC Board of Directors continue to help to make many decisions that affect the future of our community. It is your responsibility to find out where each of the candidates stands on the issues. And there's no shortage of ways for you to get the facts and make an informed decision when it comes to who deserves your vote!

As soon as all of the candidate packets are received and signatures verified after the submittal deadline (October 4, 2019), candidate biographies and platforms will be made available for Member review in a number of places through Election Day on December 10, 2019. Copies can be obtained at upcoming Board Meetings or at the RCSC Corporate Offices at Lakeview. Candidate bios will be also published in upcoming editions of Sun-Views (November and December) and posted on the RCSC Web Portal once elections go online November 11, 2019). There will be tables with candidate literature at various recreation centers and RCSC golf courses around Sun City AZ for your convenience.

You'll also have several chances to meet the candidates and get their views first-hand. Attending Board Meetings is encouraged where those candidates present are always introduced. There will be two Candidate Forums in November where those running will be able to address various concerns from those in the audience after the formal monitored question sessions are complete. One forum will be in the afternoon and another will be held in the evening so hopefully there will be one that fits your schedule. However, if you unable to attend either one of these sessions, we'll be posting video recordings on the Sun City AZ YouTube channel so that you can view these at a later time prior to casting your ballot. Lastly, candidates will have a table at the Sun City AZ Arts & Crafts Festival held at Sundial the Friday and Saturday after Thanksgiving if you still wish to speak with them personally before you make your final decision.

You'll have plenty of options when it comes to when and where to vote so there really is no excuse! You will again be able to vote online using the RCSC Web Portal starting on Monday, November 11. This means you can vote from any device (any computer, tablet or smart phone) anywhere (back home, right here in Sun City AZ or any place in between). Or you can request an absentee ballot by calling the RCSC Corporate Office at 623-561-4600 (no absentee ballots will be sent until elections have begun) and just make sure that your ballot is mailed back soon enough that it arrives here by Election Day.

And for those who would still prefer to cast their ballot in person, the only polling place will be in Lakeview Social Hall #2, which will be open from 8am to 4pm on Tuesday, December 10.

Thanks to your efforts and input, open meetings with multiple opportunities for Members to address the RCSC Board of Directors regarding both meeting agenda items and various matters of concern is now a reality. Let's continue this trend of participation throughout the remainder of this election process and encourage everyone eligible to vote in this year's election.

The Fairway Center pool was closed from 8/19/2019-8/23/2019 to paint the pool area. This was completed and the pool area reopened as scheduled on 8/24/2019. Substantial completion of this painting project is expected by 8/30/2019 and the project reviewed for any punch list areas at that time. Contractor: Silverado Painting (Cost \$75,000)

Bell Center

- Fitness Lobby Carpet Replacement
The carpet and carpet base in the fitness lobby area was replaced during the pool closure time period. Contractor:

ReSource AZ (Cost \$10,204)

- Lapidary Club Room
Work is substantially complete and the club is moving back into the club room. Work included flooring, ceiling grid, overhead lights, cabinetry, and environmental remediation. Contractor: Multiple (Cost \$82,179)

- Repaint Bell Center

There was some concern that there was overspray on the metal roofing areas on the 99th Ave side of the building but before photos show this was present prior to the work beginning and not attributable to this work. Project included painting of all buildings, doors, wrought iron and gates, light canopies, and block walls. Contractor: Ghaster Painting & Coatings (Cost \$166,235)

- Silvercraft Club Room
Work has progressed well over the past month. Current pending items are the completion of cabinetry by RCSC Skilled Trades and will be completed over the next several weeks. - Sconce Lighting Upgrades
The sconce lighting under the canopies in the 99th Ave entry area, walkway to the social halls, and the pool area were identified for replacement. The fixtures were ordered in late May and have been delayed in delivery from the manufacturer. The 105 fixtures have now been received with the installation beginning on 8/29/2019 and estimated to take 3-4 days to complete. Contractor: Accel Electric (Cost \$41,160)

- Library Book Drop
The proposed work scope and costs for this project were approved by the Maricopa County Library District, Friends of the Library, and the RCSC bid commission. The initial contractor meeting was held on 8/21/2019. The project dates are currently being developed and work will likely start the third week in September. Book drop components to be ordered by 8/30/2019. This project includes the placement of library book drops on an island on the north access road behind the library, installation of an access gate in the block wall and lighting upgrades along the access road. The costs of this project are to be reimbursed by the Friends of the Library. Contractor: Regional Paving, Accel Electric, Kingsley Equipment (Cost \$67,403)

Project Updates

(continued from previous page)

Grand Ave

- Review of the submitted bids was completed, and the recommended general contractor and project costs submitted to the Bid Commission on 7/24/2019. The bid commission approved the bid packet and Adolfson & Peterson has been awarded the contract for the completion of the existing building, site work and deceleration lane at the Grand Ave property. The mobilization for this project is expected the beginning of September with a 7-month construction timeframe.

We are still working on the assignment of the additional club space in the second building on this site.

Lakeview Center

The bid packet for this project was submitted to the Bid Commission and approved. This project will include the preparation of the de-laminating areas of the current deck and the installation of a rubber decking material throughout the pool, spa and shower areas. Based upon historical usage of this facility this work has been pushed to November and will be completed from 11/11/2019-11/27/2019 with the pool area reopening for the Thanksgiving holiday weekend. With night time temperatures going into the low 50s this is the latest in the year that this work can be scheduled as lower temperatures affect the curing of the surface. This schedule has been reviewed with the Aqua Fitness club and the club is adjusting their scheduling to accommodate the work schedule. Contractor: Rubaroc USA Inc. (Cost \$125,328)
- Pool Filter Replacement
The bid packet for this project was submitted to the Bid Commission and approved. This project will include the replacement of the existing cartridge filters for the pool with deep bed sand filters with glass media. - Roof Drain Repairs
The cast iron roof drains over the east club areas were replaced with PVC drains and connected so there is no longer leaking in these drains. The project to paint the hallway above the pool area has been pending this repair and will be scheduled. Contractor: Sunland Plumbing (Cost \$19,514)
- Silverstones Club Room
The painting of the Silverstones club room began on 8/5/2019 and has been completed. The delivery of the display lighting components has been delayed with the lighting still pending at this time. Contractor: Accel Electric (Cost \$7,667)

South Pro Shop

- All bids for the parking lot paving have been received. The recommended contractor will be presented to the bid commission for approval, along with the additional costs for the patio counter, pendant lighting and building signage by 8/30/2019. FRIENDS

of the Sun City Libraries, Inc.

BAG IT

The desk workers at the Sun City Library kept getting requests for bags in which to carry library materials. Alas, nothing was available, until Library Manager Brianna King suggested the Friends of the Library assist. Brianna explained that the Library District could not sell bags, but the Friends could. Friends President Marcia Davis went to work on the project, and problem solved. Library patrons can buy a reusable, polyester bag large enough to carry a stack of books, but able to be folded small enough to carry in a pocket or purse. The bags sell for \$2.00. This is not a fund raiser, but is for patron convenience and Friends publicity. Bags are also for sale in the Friends Bookstore, Books Around the Corner.

DROP IT

After more than a year of planning, the book drop at the Sun City Library at Bell is about to be a reality. A Library patron will be able to drop off books from a vehicle without coming into the Library. The drop will be on the North side of the Bell Recreation Center. The short term parking area in the front of the Library will be eliminated.

Many could be thanked for bringing closure to this project, including the Friends Board of Directors for pushing to get it completed. Most of all, however, this project is being completed because of Sun City citizens. Through their bequests from their estates, funds were available to afford projects like this one. The Board cannot express enough thanks to those who made this possible.

SHOP IT

Books Around the Corner is the Friends of the Sun City Libraries, Inc. current major fund producer. Its proceeds go to support Sun City Libraries' programs, equipment, and materials. The Bookstore has a well organized, robust variety of books, magazines, puzzles, CDs, and DVDs, all priced very reasonably. Located in the Sun City Library at the Bell Recreation Center and operated by an all volunteer staff, shoppers can't go wrong. Watch for author of the month half price sales, and other special seasonal sales. Donated paperback books, hardback books, current magazines, jigsaw puzzles, CDs and DVDs from generous Sun City residents continue to support our Libraries.

Water Conservation

Don't Waste Water on the Wash (Laundry Tips)

Laundry day doesn't mean wasting water if you follow these simple super saving tips:

1. **Re-use Towels.** The towel used to dry off after a shower or a visit to the pool does not need to be laundered after each use. Hang it up and re-use it instead. Laundering towels when they actually need to be washed is more efficient.
2. **Use Less Hot Water.** Save money in the laundry room by not using hot water as warming up the water is the most energy-intensive part of the laundry process. Use warm or cold water when possible, and you'll instantly save on water energy costs.
3. **Run Full Loads.** Rather than running many small loads, save them to run larger, fuller loads of laundry instead. Every time the machine is used, you're consuming water, so consolidating washes is more efficient.
4. **Use Size Cycles.** When you need to run a small load, take advantage of the washer's "small load" setting, which uses less water since you're washing fewer items.
5. **Skip the Extra Rinse.** Many washing machines have an option for an extra rinse cycle, so skip this step to save water. Use the right amount of soap in the first place, and you won't need an extra ring
6. **Insulate and Lower the Temperature on Your Hot Water Tank.** Your hot water tank will function most efficiently when it's insulated, so be sure to insulate it well — especially if you have an older model. Likewise, turn down the tank's temperature to 120 degrees instead of anything higher, which would be both unnecessary and costly.
7. **Upgrade Your Washing Machine and Hot Water Heater to Energy Efficient Models.** When your existing appliances need to be replaced, opt for more efficient models. You can save as much as 7,000 gallons per household per year and frontloading washers tend to be even more efficient. Likewise, cost savings of using an efficient water heater will make the purchase worthwhile, not to mention you may be eligible for government rebates for tankless and solar units. Ask dealers for details and research the internet for additional purchase savings.

Sun City Gives Back

Garden Club's Monarch Waystation Provides Protection

Earlier this spring, the Garden Club of Sun City was given the honor of being certified and registered as a Monarch Waystation by Monarch Watch to create, conserve and protect Monarch habitats (WWW.MONARCHWATCH.ORG).

The goal is to save and increase the declining monarch butterfly population. The Monarch butterfly population has decreased by over 80%. In order to facilitate this goal, we created a monarch waystation with milkweed host plants & nectar flowers to support & feed monarch butterflies and caterpillars. We will raise monarchs in a protective caterpillar nursery, then tag and count the butterflies as they are released. Yes! You read that correct. The butterflies will be tagged!

The hardscape for the monarch waystation has been completed with fencing, pathways, shading and installed pavers for the caterpillar nursery. The planting of 22 milkweed bushes that consists of five varieties - desert, tropical, Arizona milkweed, pine needle and butterfly. The other plants are 75 nectar flowers including snail vines to offer wind protection and a safe place to sleep. Butterflies like landing pads like zinnias, sunflowers, cosmos, Echinacea and daisies.

The garden also contains a donated solar water fountain that provides water for birds and butterflies.

Twenty-five milkweed seedlings were grown under grow lights in private homes that included tropical, Arizona and butterfly types.

A caterpillar nursery is also being constructed. We have the base completed but still

need more milkweed seeds, organic potting soil, queen's wreath vines, and Mexican flame vines.

Future plans are to build an arch over the entry gate covered with queen's wreath vines, plant vines on trellises at the back of the waystation, collect and save milkweed seed pods to grow and perhaps sell milkweed plants, and lastly, to educate the public about monarchs including school children and local gardeners at open houses, etc.

What can you do to help save the Monarch Butterfly? Please stop using herbicides and pesticides. That includes neem oil. Instead of using dangerous chemicals try mixing 1 quart water with ¼ cup hydrogen peroxide (35% hydrogen peroxide use 1 teaspoon).

For more information you can contact the Garden Club via their website at gardenclubofsuncity.org, email gardenclubofsuncity@gmail.com, visit our club office at the Oakmont Center or call 623-875-5921.

The Sun City Community Garden is located in the EPCOR water plant at the northwest corner of 91st and Greenway Aves. Open houses are held every 3rd Saturday from 9-11am October through May.

Sundial Craft Club

At Sundial Crafts, there's a little something for everyone!

Members of the Scrapbooking Group at Sundial Craft Club enjoyed comparing a scrapbook from 1973 with a newer scrapbook from 2019. Sundial Craft Club was established July 1973 and memories have been preserved in many scrapbooks throughout the years.

Just as then, today the club offers a variety of crafts. Some of the crafts include crocheting, knitting, beading and adult coloring. The Paper Arts Group offers many different kinds of paper crafts including greeting cards, embroidery on cards, scrapbooking, paper quilling and specialty paper craft classes. Also included is alcohol ink art, small loom weaving and Swedish weaving.

Classes are taught by members of the club and many specialty classes are offered including paper journals, camera albums, junk journals and more. Members offer handcrafted items for sale in the club's boutique which is open during all clubroom hours and the club also participates in the annual Sun City Arts & Crafts Festival held over Thanksgiving weekend at the Sundial Recreation Center. Club Dues are only \$7 annually. General Membership meetings are the first Monday of the month at 9:30am September through May. Please feel free to stop by our clubroom on the upper level at Sundial Center and visit with the friendliest club of crafters in Sun City.

For more information, please call 480-652-0456 or email sdcraftclub@yahoo.com.

Sun City Choraliers

The Sun City Choraliers holiday concert begins with "Believe" and other songs from the movie "The Polar Express." Christmas means different things to different people, like Santa Claus for children, being with family, or entertaining with friends. Songs like "I'll Be Home for Christmas," "When I Hear the Sounds of Christmas," "Yule Be Swinging," and "Ugly Christmas Sweater" capture all those meanings. We'll conclude with beautiful sacred music like "Little Drummer Boy," "In the Bleak Mid-Winter" and "The First Noel." This year we feature a truly artistic saxophonist, John Withart, on a rhythmic jazz style of "Lo, How A Rose E're Blooming."

The Choraliers are an auditioned mixed ensemble of approximately 30 singers accompanied by piano and drums. The musical background of Choraliers members is varied, from former music teachers and band members, to church choir or other music group members. If you like to sing choral music, all voice parts are needed. We have about eight shows for the winter holiday season, and again for spring. Our director, Jane Brambilla, makes rehearsal recordings of all songs to make learning your part easier. If you have skills like keyboard, standup bass player, or other instruments, we would also love to meet you.

Our free winter concert will be on Monday, December 16, 2019 at 6pm at American Lutheran Church, 17200 N. Del Webb Blvd. in Sun City. Donations accepted gratefully. Join us at 8:30am on Mondays for rehearsals at Fairway Music Room to decide if we are the right group for you. Check details at our website at <https://www.suncitychoraliers.com>.

Best Friends Dog Club

Best Friends Dog Club of Sun City - where good dogs and dog-loving people come together. You will meet new friends and enjoy a variety of rewarding experiences, share common interests, socialize, and train with your beloved dogs.

Join us at one of our monthly club meetings and find knowledgeable new friends who care about canine health and nutrition, development, and training. Belonging to BFDC provides an opportunity for members to share their experience; train and learn; and develop skills along with their four-legged companions.

The BFDC is the place to meet people with your dog and participate in many fun events, from the most basic to advanced obedience, trick, agility and rally to name a few. Most classes are held in our beautiful shaded training yard at Fairway. Our newest class, "Why Doesn't My Dog Listen To Me?" is taught by our long-time instructor, Scott Bagger. His class will help you to understand your K9 partner and "what makes her tick." You will examine the world from your dog's point of view and use that newly acquired information to build a more focused relationship. As Scott says, "Dogs do speak to us, but only to those who know how to listen." You'll be impressed with all of our outstanding trainers, who teach with love, patience, and TREATS!

When you join BFDC, you are letting your dog know you are a responsible owner. "Bark in the Park" will give your dog a chance to socialize with dog walks at nearby parks and at "Yappy Hour" you can meet new friends dining while your dog chills at pet-friendly restaurants. As a member, you will have the opportunity to volunteer to help out at sponsored events or share your expertise with others. Monthly meetings are a great way to stay up to date on what's going on and share in any discussions taking place that are meant to make the club better for everyone. You will learn best practice rules that will make dog ownership more enjoyable while helping to promote and protect dogs in Sun City. Find out about BFDC at <https://www.bestfriendsdogclub.org>.

Piano Club of Sun City

Monthly music programs presented by the Piano Club of Sun City offer entertainment for everyone. Our talented performers choose whatever style they want, so you are sure to hear a variety of music. And we limit their playing to five minutes, so there is plenty of time for multiple performers. We meet at 9:30 a.m. on the third Friday of the month, October through April, in the Sundial Auditorium. We socialize and eat treats before and after the performances. Our club accepts donated music and each month the free sheet music and music books are available for members to take home.

Above: Piano Club Members Jean Carabelos (left) and Sharon Ward on stage in the Sundial Auditorium during the holiday program last year.

People think that to join, you have to perform or play the piano, but that isn't true. Most members either don't play the piano, or don't play for the club. They just listen to and enjoy the live music. If you do wish to learn to play or improve your playing, we offer affordable lessons from caring teachers. It is only Kachina Bridge Club is a non-sanctioned, friendly duplicate bridge club which welcomes RCSC Cardholders as new members. You can play up to three times to see if you think this may be the club for you. Bring a partner or contact Sharon Henrich at 651-592-5939 to see if a partner is available.

\$10 a year per person or \$15 per household to join our club, RCSC Cardholders only. Come listen any third Friday and see for yourself what great entertainment we offer.

Additionally, once a year, our club presents an evening concert entitled "An Evening to Remember", open to everyone. The variety of talent and variation of music contribute to an exciting and dynamic program. The concert will be held Tuesday, January 28, 2020 at 7 p.m. in the Sundial Auditorium. This year we are also having a special "Classical Showcase" on Tuesday, November 12, 2019 at 7 p.m. in the Fairway Music Room. Indulge your love of classical music at this new event.

The club sponsors a Community Garden at 91st and Greenway Avenues (shown in drone photo at right), where club members can rent a bed. Visit the Community Garden during the Open House on the 3rd Saturday of the month between 9 and 11am. If you love roses, the Club maintains the gorgeous Sun Bowl Rose Garden. Check it out! House of Dance

House of Dance is a relatively new club, but our DJ and club president is not new to the music industry. He introduced his children to the passion he loves where his sons formed a band and still continue to play gigs as they hold full time jobs. His daughter runs one of the largest nightclubs on the west coast.

The purpose and goal of House of Dance is to make your experience with us memorable with the help of our friendly board members. Our DJ is dedicated to add your song to the existing playlist of over 3,000 songs from yesterday to today's hottest hits.

Fairway Recreation Center is the home of the original House of Dance. We are a place where you can share your passion for dancing like no one is watching. Our wonderful members and guests will spice up your life as you enter into your comfort zone. The music will electrify you so you can find your rhythm!

Annual membership fee is \$4.00, Members entry fee \$3.00, Escorted guests \$6.00. Singles and couples are welcome. You do not need a partner to dance. Bring your favorite beverage and snacks. We provide cups and ice. We dance every second, fourth and fifth Friday of each month. Doors open at 6pm, dancing is from 6:30 to 9:30pm. For more information, contact Bill at 209-380-8029.

Sun City Calligraphy Society

Come join the fun at the Sun City Calligraphy Society and attend our annual Open House on Thursday, October 24 from 9 to 11am in our Sundial club room! For 36 years we have been dedicated to promoting the art of beautiful writing. General meetings are held the third Thursday of each month at 9:00am.

Classes are available to learn different calligraphy hands from our experienced teachers, including Italic, Blackletter, Uncial, Foundational, Copperplate, Informal Pointed Pen, Brush and others. There are also many "fun-shops" held throughout the year, where you can learn how to make beautiful and unique greeting cards, or learn new "tips and tricks" with your calligraphy. We have die-cutting and stamping equipment available for our members' use. You can help others experience the joy of receiving a handmade card by making "Love Cards" for our local nursing homes. Opportunities are also available to make cards to sell in our club boutique and at the Sun City Arts & Crafts Festival in November.

Our club room is open from 9 to 11am on Thursdays and Fridays and Monday afternoons from 1 to 3pm to practice your writing, make Love Cards or work on your own projects. If you would like to participate in any of our events, club membership is open to all RCSC Cardholders. For further information, call Trudy Bryson at (623) 594-6591.

Bell Silvercraft

In 1976 when the Bell Recreation Center opened, Bell Silvercraft became an RCSC chartered club with 500 members. From the outset, emphasis was placed on creating quality sterling silver jewelry within a friendly and helpful environment. Those original members brought in speakers from the Heard Museum along with various other skilled silver workers and designers. This started our tradition of establishing a very active class and training program. This proud tradition continues today.

When a new member joins, they are introduced to a variety of sterling silver techniques, including basic soldering skills, creating and making custom bezels for cabochons (polished rocks) along with the safe and proper use of the club's professional equipment available for your use. This introductory class will lead you through the process of creating your own custom ring with a mounded cabochon as well as a sterling silver bracelet. These classes are taught by one of our skilled and experienced members with a limit of 4 students per class. You will have ample opportunity for one-on-one instruction and guidance. Once class is completed, you will be able to use the basic tools and silver techniques to start creating your own sterling silver jewelry.

Once the basic skills are mastered, there are many more opportunities for learning. There are classes on advanced techniques and other types of silver work that we offer, including lost wax casting, broom straw casting, chain maille, inlay work, twisted wire work, along with a variety of bracelet and choker techniques and styles. The club has many demonstrations on soldering and fabricating techniques as well as the use of other specialty tools available in the club. This dedication to helping our members is what has established our reputation of creating high quality and creative silver work that is hard to surpass. As your skills improve, you may want to submit your silverwork to be placed in our newly updated sales room.

You may come into the work area and/or the sales room for a guided tour anytime during our open hours. Our sales room is open Monday through Saturday 9am to 3pm. We are in the Bell Center Arts and Crafts Village, right behind the Sun City Visitors Center. Club membership is open to any current RCSC Cardholder. For more information, please call 623-933-8442.

Duffeeland Dog Park Club Dedicates Memorial Bench

Members of the Duffeeland Dog Park Club dedicated a memorial bench to park founder Bob Knight over the summer with donations from club members. A rosemary bush will be planted near the bench which is not only a great choice for desert landscape but this plant also helps repel flies. The club has future plans to sell memorial pavers and place them in the area around the bench. Anyone can purchase a memorial paver for a beloved pet or family member. When plans are finalized, the club will post more information on how to purchase a memorial paver.

Performing Arts

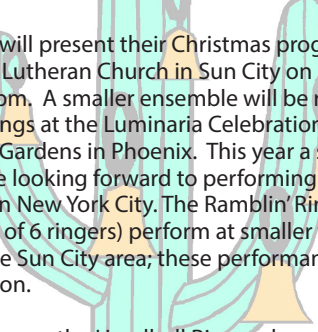

Handbell Ringers of Sun City

The Handbell Ringers of Sun City, under the direction of Libbie Randels, have begun rehearsals for their fall holiday season. The 169 bronze handbells have been carefully hand polished and voiced for their performance season.

The choir will present their Christmas program at American Lutheran Church in Sun City on December 8 at 3pm. A smaller ensemble will be ringing two evenings at the Luminaria Celebration at the Botanical Gardens in Phoenix. This year a select few ringers are looking forward to performing at Carnegie Hall in New York City. The Ramblin' Ringers (an ensemble of 6 ringers) perform at smaller venues around the Sun City area; these performances are by invitation.

As you can see, the Handbell Ringers has something for everyone. If you are a ringer, we welcome new members. If you are a supporter of handbells, we invite you to our concerts. If you are interested in a little entertainment for your club party, we have something for you. If you are interested in learning to play handbells... let's try it!

Rehearsals are at Fairway Music Room Fridays 8:30am to 12:00pm. Membership is open to RCSC Cardholders and invited guests. For more information contact: Doreen at doreen4488@gmail.com

Tips from Get Fit for Life -

What Makes a Lifetime Exerciser?

Why is it that some individuals make exercise a priority in their lives, while others struggle to exercise at all? "Lifetime Exercisers (LEs) consider exercise an integral part of their aging lifestyle," states Jane Fortier, fitness specialist for Get Fit for Life. "They enjoy the physiological and psychological benefits of a fitness routine. They know that despite life's ever-changing circumstances, fitness should always be a priority."

Mark Corirossi and Karen Miles are two LEs who workout regularly at Bell Fitness.

LEs share some common habits and mindsets.

1. LEs consider exercise non-negotiable. There are no excuses good enough to keep them from working out. Those who commit to exercise week after week, recognize that the benefits from their efforts far exceed the inconvenience of finding time to exercise. It is not about having enough time to work out; it's about making the time to work out.
2. LEs don't necessarily love exercise, but they do it anyway. LEs value consistent exercise, no matter what. For them, the benefits of fitness tend to trump any discomfort or inconvenience they experience during or after their workouts. They are not at the gym to have fun, but to do what's needed and necessary.
3. LEs don't just exercise to look better; they exercise for their health. According to research, regular exercise can reduce around two dozen physical and mental health conditions and slow down body aging. LEs know that regular physical activity is one of the most important things they can do to protect their mental and physical health.
4. LEs understand that to enjoy and maintain fitness benefits, they need to be CONSISTANT. They don't take extended breaks because of vacation, company, or family commitments. They creatively fit exercise into their day when life attempts to get in the way. LEs stay at motels with fitness centers, use a travel workout, or figure out ways to stay moving. They only allow themselves to skip workouts if they are recovering from illness or injury, or face an unexpected emergency or schedule interruption.
5. LEs are resilient, when setbacks take place. If the unthinkable happens, and an injury of some kind occurs, LEs face the situation head on. They assess things positively, and begin a course of action that gets them back to normal, as quickly as possible. Injuries are never used as an excuse to skip exercise or give-up on it altogether. Because they have taken care of their bodies, LEs recover from injury quicker.
6. LEs make exercise something to look forward to. They hike to enjoy the outdoors, play pickleball to be with friends, walk after dinner for quiet-time with a spouse. LEs might attach a reoccurring reward to exercise: a relaxing massage after a tough workout; coffee and a muffin after a long hike or bicycle ride. Coupling exercise with an enjoyable outcome, makes it more fun to stay with the routine until it's done.
7. LEs aren't afraid to try new activities or challenge themselves new ways. Constantly doing the same activity will lead to a fitness plateau, boredom or apathy. LEs shake things up occasionally. They might try a new aerobic activity, switch strength exercises, or hire a personal trainer to ramp up their routine. Adding novelty to the mix keeps exercise interesting and challenging.
8. LEs are flexible, if necessary. All-or-Nothing is not their approach. Although they are dedicated and consistent with their fitness routine, LEs recognize there are times in life when exercise has to come second. If they have to miss a workout, LEs don't get bent out of shape; they simply pick-up where they left off, and get back on track, as soon as possible. Because exercise is part of their lifestyle, they return to it quickly.

LaTouch Wellness Massage Therapy Shares...

Healing Yourself Energetically

Most of us tend to think of our bodies and our minds as separate systems and believe they function, for the most part, independently. Our psycho-emotional state affects us physically. Here at LaTouch Wellness, we can assist you in discovering which emotions may be trapped within your energy field and within the muscles of your body. Massage Therapy, Reiki Energy Healing and Chakra Balancing can assist in releasing trapped emotions.

There are also several self-care techniques you can utilize to assist with releasing trapped emotions. With a Personalized Wellness Massage Session, a specially trained massage therapist can help you identify the specific trapped emotions that may be contributing to your discomfort and may also provide you with a self-care regimen that can assist in your healing process.

Let's explore trapped emotions related to our legs, knees, hips, and the joints of our body.

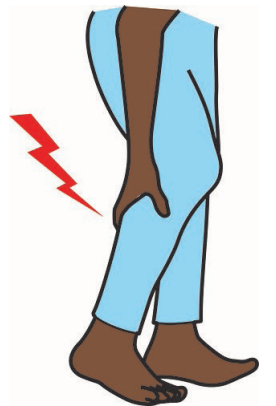

Legs: Our legs are used to carry us forward in life. Are we moving forward with confidence and joy, with the feeling that all is well in our future?

Knees: Our knees represent how flexible we are. Are we compassionate and understanding or are we more stubborn?

Hips: The hips assist us with moving forward as well. Emotionally the hips represent balance, how balanced are we feeling.

Joints: Our joints represent how rigid are we with expressing our feelings. When the joints are sore or inflamed then the feelings being expressed are often critical, irritated, or inflexible ones, so one would need to release the cause of those feelings.

If you would like to address and heal the root cause of your discomfort and receive a self-care regimen you can incorporate to promote your health and well-being, contact Laura of LaTouch Wellness to schedule your Personalized Wellness Massage Session which includes Swedish Massage, Reiki Energy Healing, Chakra Balancing and information about a self-care regimen you can incorporate at your convenience.

Massage helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.
