

ISSUE #220 • MARCH 2020 • A PUBLICATION OF THE RECREATION CENTERS OF SUN CITY, INC.

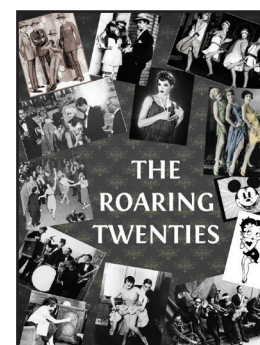

March into Fun & Good Times

March seems to be the time of year when we're literally bursting at the seams with great fun activities not only here in Sun City AZ but throughout the Valley of the Sun. And it's also when we see the most facility usage, with out-of-town guests enjoying the great amenities we are fortunate to have available every day.

While the great shows at Sundial finish up this month, we continue with more fabulous entertainment starting on Sunday, March 8, 2020 when we welcome "The Midnight Confessions Band" to kick off the spring Sun Bowl concert at 6pm. This unique outdoor amphitheater provides a perfect venue for dancing or relaxing. All Sun Bowl shows are free for RCSC Cardholders and their escorted guests, but please be prepared to show your Member or Privilege Card with photo for access. Gourmet food vendors will once again arrive 1-1/2 hours prior to showtime for your dining pleasure. So bring the lawn chairs or blanket and enjoy the venue with family and friends. *(See the back page for the full line-up of shows).*

Start dancing even earlier in the month at the "Roaring Twenties" Senior Prom on Friday, March 6 with live music by Faded Jeans

Band starting at 7pm in the Sundial Auditorium. This event is free for RCSC Cardholders and their escorted guests; however, tickets are required. Please check with the Events & Entertainment Office at Sundial or by calling 623-561-4680 to inquire if any tickets remain available.

There are plenty of club sponsored events happening as well. The Clay Club of Sun City's Premier Pottery Show happens on Sunday, March 1 from 10am to 3pm in the Lakeview Social Halls. If fiber arts are more to your liking, stop by Sundial on Friday and Saturday, March 6-7 from 9am to 3pm for the Handweavers & Spinners Show and Sale. Head to the Sun Bowl on Saturday, March 7 from 9am to 3pm when the Vintage Vehicles Spring Fling Car Show comes to town. Or get moving at the Zumba-Thon happening from 11am to 1pm this same day.

With the busy spring season of visitors to Sun City AZ in full swing, getting RCSC Guest Passes online through the Web Portal is a simple and easy way to get the fun and good times started when company comes to town.

If you're not already signed-up to use the RCSC Web Portal, turn to page 16 and you'll be on your way. Two things you need to keep in mind regarding portal sign-on - your User Name is always your Card Number and passwords are case-sensitive. If you've forgotten your password, the relink sent to you is good one time only. You'll need to request again, if you receive an error message.

Now let's go get an online Guest Pass! Once you're at the home screen of the portal, select "Guest Passes" (top banner on right). Select the number of consecutive days under "Choose a Guest Pass" which can be between 1 to 7 days and can be secured no more than seven days in advance (as elected under Start Date and End Date).

Next you'll select the number of guests and will then be required to enter each guests name, which should match their government issued identification that will need to be presented upon check-in each visit. Remember, unless your guests will remain together for all activities, you may or may not wish to purchase and print separate documents for each person.

You'll then be asked to "Accept the terms?" which are as follows:

- There are NO REFUNDS for Guest Passes issued. Please use care in completing the Guest Pass

RCSC Cardholders: Please keep the following in mind when using RCSC Facilities

While you're out and about enjoying all that RCSC has to offer, please be aware of the following items which require Cardholder attention when using any of the recreational facilities:

- All RCSC Cardholders are required to check in with their Member or Privilege Cards (key fobs accepted for entry to fitness, pools and spas only; not accepted concerts or free events).
- Neither Sun City AZ residents nor spouses of RCSC Cardholders are eligible to be guests. With proper documentation and if eligible, privilege cards may be purchased at the Cardholder Services Office at Lakeview Center in order to use the facilities.
- Host punch cards are purchased by and belong to the Cardholder, not the guest. Host punch cards can be purchased at RCSC Facility Attendent Stations (exact cash or check only), Cardholder Services at Lakeview and RCSC Bowling Centers.
- Guests should be prepared to show government-issued photo ID when checking in to use RCSC facilities.
- Proof of age for 4 and 5 year olds (birth certificate or passport) is required for access to swimming pools. Photo copies or electronic images are acceptable.
- Free concerts and events are paid for by RCSC Cardholders and are intended for RCSC Cardholders and their escorted guests only.
- Always be prepared to show your RCSC Member or Privilege card (with photo) when attending free concerts and

- events. Key fobs are not accepted for entry.
- Immediately exit pools, spas if lightning is observed or thunder is heard.
 - Household pets are NOT allowed at any RCSC facilities, including but not limited to buildings, golf courses, grounds, parking lots, except for dogs at the RCSC dog park, Best Friends Dog Club and/or dogs trained as service animals. Emotional support animals are not an exception.

Please refer to the RCSC Cardholder Guide and Board Policies for more information regarding these matters. Your continued cooperation is much appreciated!

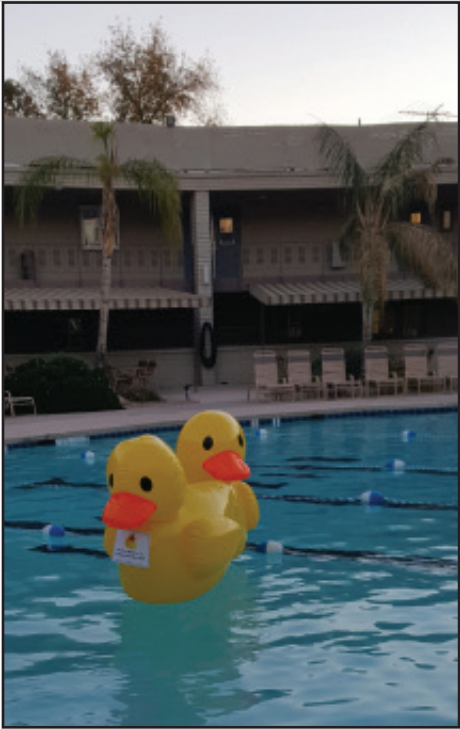

No matter what state you're from, while you're here in Sun City it is much appreciated if you would park in only one space (note the white line under car) and save these smaller spaces for golf carts - as designed.

Please be scent sensitive! Overuse of scented body such as colognes, perfumes, after-shave lotions and the like can be extremely irritating and even caustic to others, especially those with respiratory issues. Perspiration and water from pools, spas can make matters even worse.

Many RCSC parking lots have one-way routes of travel and the posted speed limit of 5 MPH should be observed at all times. Your safety is our concern!

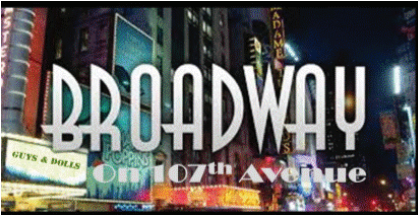

Size does matter! Per Board Policy 10, swimming pool gear, including floatation devices, may not extend more than 2 feet from the swimmer and must be within control of the swimmer at all times. Items not permitted, include but are not limited to, balls, Frisbees, rafts, water guns and any metallic items. Same goes for very, very large ducks!

March into Fun & Good Times

(continued from page 1)

The Wisconsin Club is once again calling all cheese heads for their annual picnic at the Sun Bowl on Thursday, March 12. Food will be served from 11am to 2pm; tickets are \$8 person.

All the world is a stage and the Sun City Players Community Theater will be presenting their next production, "Broadway on 107th Avenue," with performances March 13-15 and March 19-22. Ticket sales information can be found on page 16 or online at www.suncityplayerscommunitytheater.org.

Come Saturday, March 14 you've got two more options – the Sun City Rockhounds' Rock Sale at Mountain View from 8am to 1pm and the Sun City Carvers Open House in the Lakeview Social Halls from 9am to 3pm.

Art lovers can get in one more fix at the Palo Verde Artists' Show & Sale on Friday and Saturday, March 20-21 from 9am to 3pm in the clubroom at Sundial.

We start to finish the month comes with the Marinette Clay Corner's annual Spring Open House & Pottery Sale on Friday, March 27 from 8am to 4pm and Saturday, March 28 from 8am to 3pm.

Lastly, the Sun City Women's Chorus presents their spring concert, "Showtime!" on Sunday, March 29 at 1:30pm in the Sundial Auditorium. Tickets are \$5 and are available in advance from chorus members or at the door.

And we haven't even discussed spring training at all of the nearby ball parks. Have fun and enjoy!

Proposed Change to Allow Certain Amenities at No Cost

Based upon concerns brought before the RCSC Board of Directors, documents are being prepared to amend the RCSC Bylaws, Article II, Section 6.C. which will allow Cardholders and their escorted guests to access certain amenities at no cost, specifically the Hillside Park at Lakeview Center, the Sun Bowl Amphitheater and Duffeeland Dog Park.

Other activities near the park area at Lakeview Center such as miniature golf, tennis, fishing and boat usage on Viewpoint Lake will continue to require either a Host Punch Card or Guest Pass.

The proposed amendment regarding this matter must still go through the Board reading and approval process. It is likely that the final reading will occur at the Thursday, March 26 Board Meeting which will be held at 9am in the Sundial Auditorium.

Access to walking trail at Hillside Park may no longer require payment of guest fees.

Help Wanted! Egg Stuffers!

Events & Entertainment could use some volunteers to help put candy into plastic eggs for the annaul Egg-stravaganza Easter Egg Hunt on Easter Saturday (April 11).

If you can help, we'll be meeting on Friday, April 3 starting at 10am in the Sundial East Hall and expect to be done by 3pm. Pizza lunch will be provided.

Please call 623-561-4680 to sign up if you would like to help!

Golf & Grounds Report

Pro Shops

Rounds in review (2019), we began the year cold and wet resulting in a rounds reduction of 7,653 rounds compared to prior year after the first quarter. Increased play over the spring and summer resulting in erasing this deficit and moving us into positive territory. After October we were 5,952 rounds ahead of prior year. November and December proved to be microcosms of the total year. Both months we were trending ahead of rounds in the beginning and suffered poor weather at the end. For the year, the golf division finished 1,890 rounds ahead of prior year. Though rounds recovered throughout the year, we were not able to recover the revenue lost to budget in the first quarter.

On February 13, Lakes East/Lakes West will be hosting the 12th annual Teal Ribbon Tournament. The event is open to ladies and men and no handicap is required. It is a 9-hole event with a 9:30 shotgun start and lunch follows play at Sundial. Proceeds benefit the University of Arizona Cancer Center for Ovarian Cancer research. The entry fee is \$30.00 per person, entry forms may be picked up and turned in to any pro shop.

Snack Shops

Snack Shop revenue was impacted by reduced golf rounds. Snack Shop revenue will miss budgeted targets for 2019 but will surpass Gross Income and Net Operating goals.

Golf Courses

The preliminary aerification/overseed schedule was presented to the Golf Advisory Committee this month. Fairway verticutting will begin at Willowcreek on April 27 and will finish at Quail Run on May 21. Fairway aerification will begin May 28 at Willowcreek and finish on June 22 at Quail Run. As we did last year courses will be closed for 3 days for Greens Aerification. The extra day provides a buffer for equipment issues as well as more time for crews to provide the best possible surface following aerification. This process will begin June 22 at Willowcreek and finish on August 7 at Quail Run. We will have one day that two courses will be closed (Willowcreek and Quail Run June 22). We asked committee members to review this schedule with their respective course committees, to identify any potential scheduling conflicts that may have been missed.

We are in the beginning stages of planning for sand and liner replacement for the bunkers on Lakes West. This process will be similar to the process followed at South last year. Bunker sand will be removed, bunker edges will be restored to the original design, new Better Billy Bunker liner will be installed, and new bunker sand will be installed. We are planning to begin the project in July and expect the project to last 4 – 6 weeks. Though there will be some disruption to play, the project will not result in a course closure.

Lawn Bowl and Grounds

The pace of the greens range from a low of 12.2 seconds on Mountain View to a high of 14.9 seconds on both Bell (North). Greens were watered only on an as-needed basis, with Mountain View requiring 1 to cycles per week. Greens are currently mowed once per week and double rolled on non-mow days. Ditches are cleaned and raked on rolling days.

The grounds crew is currently busy spraying and mechanically removing weeds brought resulting from November and December rains.

Tips for Better Bowling

Keeping Seniors Fit On the Lanes and Off!

One of the best parts of bowling is that everyone, regardless of age or disability can do it! Bowling has great health benefits – over the course of 3 games, you walk over a mile swinging an 8 to 16 pound weight and can burn up to 250 calories per hour. Senior bowlers are one of the most active age groups in recreational leagues across the nation, many bowling in multiple leagues per week!

These exercises were designed specifically to help seniors maintain and/or improve balance, strength and coordination on the lanes. Anyone, regardless of age or disability can do them. Multiple levels of each exercise are suggested to accommodate all abilities. On and off the lanes, these exercises will help you:

- Maintain full range of motion in your joints
- Build muscular strength and endurance
- Improve balance
- Reduce risk of low back, shoulder, knee and hip injury
- Bowl Strong Into Your Senior Years

A well-rounded Senior Fit Bowler program addresses every physical part of your game. Balance Exercises improve your ability to hold your position at the foul line. The Strength exercises help create equality in left vs. right side as well as increase or maintain your ball speed. Finally, Functional Training Exercises target coordination, perception and stamina. The seated exercises are a great for everyone and can be done from any chair in your house or bowling center.

The wear and tear of decades of bowling can cause muscle imbalances, cartilage to wear down, tendons to tear and joints to ache from arthritic changes. Doing a few simple exercises for 5 -10 minutes 2- 3 times per week can help you avoid these nasty issues and keep you scoring big on the bowling lanes. A regular exercise program not only improves your overall fitness, it builds the strength and stamina to continue bowling well into your senior years.

Tips from a Pro

Good Foundation Starts with Solid Set-up

Most golfers strive for consistency; however, most overlook the importance of their setup and what a big factor it plays in their golf shots. Simply speaking there are two variables in hitting a golf ball...the setup and the swing. I like to think of the setup as the variable you can control each time whereas the swing is the variable that is harder to repeat since there are more moving parts! If both variables are inconsistent there are lots of combinations that lead to an array of possible shots! Working on the swing is great... but everyone from the rank beginner to the experienced player can have a solid setup and good foundation to start their swing.

Graphic Courtesy of Golf Distillery

As you work on your set up remember it includes, alignment (of the club as well as the feet/body) grip, posture, weight distribution, ball position and distance away. Believe it or not these variables will affect your direction, loft, distance and contact!

At the same time you practice a consistent setup incorporate a solid pre-shot routine which will ensure you do the same thing, each time, each shot, each club. The pre-shot routine might include things like a practice swing, approaching the ball from behind the target line, taking a breath to relax, a waggle, etc. Again, find something that you can repeat and work on it until it becomes automatic.

Hitting consistent golf shots is difficult but start with the easiest part...a good solid setup and then the swing has a chance!

A Moment with President Schroeder

Let’s Live Life by the Golden Rule

There’s a group here in Sun City AZ that is typically and quite often taken for granted. You can easily spot them wherever you are on RCSC properties. Bright tropical floral printed shirts reminding you that life here really is pretty close to paradise. And over 60% of them are Cardholders and live in Sun City, too – just like you!

They check you in as you head to the swimming pool and the fitness center. They make sure your meeting space is properly set up and ready for your club. They hose off the sidewalks and patios, change air filters and make certain restrooms and shower areas are not only clean but meet or exceed health standards. They properly balance pool and spa chemicals, and make sure everything is running smoothly.

Dan Schroeder
RCSC Board President

They process your annual assessments, answer your questions, give you directions, and help you with club functions and scheduling.

They work to fairly and consistently apply the rules, regulations and policies that make our facilities work – day in and day out, year-round. Imagine what chaos there would be without these dedicated staff?

But most of all what they deserve is your cooperation and respect. When you’re approached about an issue, please listen and try to work together to get the problem resolved.

If you see something that requires attention, say something. Staff would be happy to help make it right if possible. Regulations and requirements are actually in place and enforced for everyone’s safety and protection.

Nevertheless, we all need to remember and live by the Golden Rule – Do unto others! Treat all people the same way you wish and deserve to be treated.

While things may not be perfect here, let’s work together with a goal to make life better. Don’t just sit on the sidelines and complain; get involved and talk about what needs to happen so that everyone – both full-time and seasonal residents – are treated equally and respectfully. And that should include those who are merely doing their jobs as best they can.

Management Report

Financial Report

The Recreation Centers of Sun City, Inc. (RCSC) has ended December 2019 within its operating and capital budget year to date. All Divisions have met or exceeded their net operating budget projections year to date with total operating income \$201k (1%) favorable to budget and operating expenses \$691k (4%) favorable to budget. Income favorability is driven by higher than budgeted income in the Building and Infrastructure, Bowling and Member Services Divisions partially offset by lower Golf and Food Services income. Operating expense favorability is primarily driven by lower payroll and utility expense across multiple Divisions slightly offset by higher Repair and Maintenance costs. Year to date operating excess without projects favorability is \$858k (22%) favorable to budget.

Cardholder Services

Payments on past due assessments in December were 11.6% of past due balances. Overall accounts receivable decreased in December by 1.9% and is up 5.0% from the beginning of the year. Overall accounts receivable past due balances have decreased 2.1% since the beginning of the year. November assessments went 30 days past due at a 4.9% rate and October assessments went 60 days past due at a 2.1% rate.

Payments from our third-party collections firm totaled \$7,015 in December. Year to date payments through our third-party collections firm total \$100,181. Payments made in December through the online RCSC Web Portal totaled \$113,478 from 264 property owners. Year to date web portal payments total \$1,539,719 from 3,389 property owners.

In December property transfer balances increased by 9.7%. Outstanding balances related to property transfers represent 54% of all receivables and 53% of past due balances. At the end of December trustee sale notices on Sun City AZ properties ended at 33 and properties owned by lending institutions decreased to 3.

Project Updates

WiFi Upgrades

As approved by the Board in 2019, the upgrades to WiFi services at RCSC locations is beginning. In 2019, the planned upgrades in the Sundial auditorium were completed ahead of the Arts and Craft Festival to accommodate the higher traffic at this event. Currently the upgrades to the services from Cox to provide more bandwidth have been ordered. Also, the additional WiFi access points have been ordered from our partner Lokket. Once the service upgrades have been completed and the additional access points have been received, the cabling and installation will be scheduled.

Bell Center

- Mini Golf Carpet
The bid packet has been completed and approved by the Bid Commission. The carpet has been ordered and pending arrival. The work to remove and replace the carpet is scheduled to begin on Monday 2/10/2020 with the course closed until the anticipated completion on Thursday 2/20/2020. Contractor: Baker Brothers, Exquisite Painting, RCSC Skilled Trades (Cost \$34,429)

- Library Book Drop
The lighting enhancements on the north access road have now been completed. This project is fully complete. Contractor: Regional Paving, Accel Electric, Kingsley Equipment (Cost \$67,403)

- Bell Electrical Outage
Delivery of the custom electrical panel from the manufacturer was delayed. This was received and installed on 12/23/2019 restoring electrical services to the craft club rooms. Clubs were notified they could return to their rooms on 12/24/2019 with cardholders being referred to the club for opening hours due to the holiday. Final repairs to the electrical room including drywall repair, paint and floor power washing were completed by Bly Sky Construction on 1/20/2020 with all repairs now complete.

Grand Center

- Work continues to progress. There were three days lost to weather over the New Year’s holiday time period.
- Grading for the interior slab currently being worked on. Greenhouse footing has been placed. Light pole bases on place and electrical conduit run to each pole, 80% of site wall footings dug, door frames completed by masons with building masonry completion expected on 1/24/2020,
- Working with CenturyLink to move service pedestals and place conduit within the existing easement for the routing of service lines.
- Review of requests for information (RFI) that are plan clarifications or information requests based upon existing conditions and submittals from sub-contractors is ongoing.
- The civil, mechanical and structural plans are scheduled to be received by 1/31/2020 for the second building. Upon receipt those will be reviewed for completeness with any changes being identified. Plans for permitting will be finalized upon this review and any necessary changes. The additional building footprint was included in the Plan of Development (POD) submitted to and approved by Maricopa County so no changes to this POD are required. With the inclusion of all site work, grading and drainage being included in the first phase of the project the permit review for the second building will include only the building and the rear parking area. As a result, this permit review is expected to take less time than the first phase of the project.

The RCSC Management Report in its entirety is now distributed prior to the second RCSC Board of Directors meeting each month with the Agenda (except July and August), posted on the website at www.suncityaz.org (under the RCSC tab) and are sent via email to those RCSC Cardholders who have signed up to receive RCSC News Email Alerts. This report was distributed on January 23, 2020 and may have been edited for publication due to space restrictions.

Project Updates

(continued from previous page)

Lakeview Center

- Fitness Room Repairs
The fitness room at Lakeview experienced flooding after the storm on Thanksgiving. Repairs were coordinated with the assigned insurance adjuster. Work included the remediation of the water from the room, environmental testing, drywall replacement, painting, baseboard replacement, carpet cleaning, and cleaning/testing each piece of fitness equipment. While this was an extended outage period for the fitness room, all work has been completed, including the addition of a few more storage cubbies. The fitness room reopened for cardholder use on 1/8/2020.
- Indoor Spa Dehumidifier Replacement
The dehumidifier in the indoor spa at Lakeview Center is aged and scheduled for replacement in 2020 due to increasing performance problems and costs to repair. The bid packet has been approved by the Bid Commission and the unit ordered. There is a 10-12 week lead time for delivery of the unit. The installation is expected in March 2020 with this timeframe dependent upon the manufacturing and shipping times meeting the expectations. Notice will be provided to Cardholders regarding the required downtime of the indoor spa to complete this equipment replacement. Contractor: WD Manor (Cost \$90,495)

Mountain View Center

- No additional progress for the period ending 12/31/2019.
- The following reports and surveys have been completed for the planning tasks for the renovation of Mountain View Center: title report to show property encumbrances and easements, topographical survey data, and soils testing/report.
- No tasks for included amenities or site/building design have been completed.

Sundial Center

- East Parking Lot Lighting Improvements
This project has been completed. This project adds lighting to the solar canopies on the east side of the center to provide better nighttime illumination adjacent to the building. Similar fixtures have been added to other centers and provided the desired lighting improvements. Contractor: Accel Electric (Cost \$7,667)
- Storefront Door Repair
This project has been completed. This project includes work on the storefront doors to the auditorium and club areas that have been operationally problematic and difficult to secure. Contractor: Quality Lock & Key (Cost \$23,991)
- Large Pool UV System Replacement
The replacement of the UV system for the large pool is required and budgeted for 2020. This work is scheduled for completion on 1/22/2020 and 1/23/2020. The first stage of the work is to install bypass piping that will allow the installation of the new UV system, as well as future maintenance, without closure of the pool. The pool will be closed during this first phase of the work. Contractor: Exceptional Water Systems, Osiris Pools and Spas (Cost \$23,928)
- Mall Lighting Improvements
The 28 metal halide light fixtures in the mall area at Sundial will be replaced with LED fixtures. The current metal halide lights are cumbersome and costly to replace as they go out. The replacement with LED fixtures will provide similar light levels without the ongoing maintenance requirements as well as providing energy cost savings. The replacement of the fixtures is scheduled for 1/23/2020 and 1/24/2020. Contractor: Accel Electric (Cost \$11,708)

Solar: New Issues

- Lakeview Lanes – # 11
Ground Fault error message on panel. Inverter reset twice with this error condition cleared as of 1/6/2020. Issue Resolved.
- Quail Run Maintenance – # 9
Inverter has a Missing Grid error code. B&I reset the inverter on 1/15/2020 which cleared the error condition. Issue Resolved.

Issues Resolved

- Fairway – # 14
Inverter had an E018 error code 11/27/19. B&I reset this inverter on 12/3/2019 which cleared this error condition.

Open Issues

- Oakmont Rec Center – # 01/02/03/04/05/06
The inverters at Oakmont Center are not reporting production data. This has been an outstanding issue since July 2018. The production meter shows overall production data for the site but the individual inverters are not reporting production to the AlsoEnergy aggregation reporting site.

No resolution to this data integration reporting issue this month. Focus has been on the preventative maintenance tasks below.
- Lakeview Rear – # 01/02/03/04
Similar to the Oakmont site the inverters at the Lakeview Rear site stopped communicating with the AlsoEnergy data logger and thus the AlsoEnergy aggregation reporting site. The Lakeview Rear inverters are Fronius models similar to Oakmont Center with these two sites being the only Fronius inverters in the RCSC Solar environment.

No resolution to this data integration reporting issue this month. Focus has been on the preventative maintenance tasks below.
- Lakeview Lanes – # 01/02/03/04/05/06/07/08/09
Production results significantly lower than expected for this group of inverters. Four of the replacement SMA inverters were installed at this location and the production output was similar to the PowerOne/ABB models removed. DC voltages from the solar panels were field tested and did not indicate significant under supply of voltages. Additional investigation needed on these inverters to identify a cause of the under production and if preventative maintenance tasks positively affect performance.

No resolution to this production issue this month. Focus has been on the preventative maintenance tasks below. The preventative maintenance steps may identify solutions when these inverters are addressed.

Production Data

The lack of data from the Fronius inverters above negatively affect the overall tracked production data. The production meter is reporting the overall production from each connected inverter. This data from the production meter will be distributed across each connected inverter to more accurately report production totals. This step has not yet been completed.

As previously reported, we have identified that a data element that is used to compare expected output to actual output did not accurately adjust for weather conditions and cloud cover. Comparing actual production to blue sky expectations results in incorrectly showing under production. The AlsoEnergy reporting site does not have a different comparison element that adjusts for weather so we have developed a methodology for making an adjustment for weather that will more accurately report production levels. For each month a sample of four inverters will be compared daily to determine the monthly percentage of production that is incorrectly being reported. In analyzing these days affected by weather a consistent pattern across all sampled inverters was seen. The percentage from these sample inverters will be averaged to determine the percentage reduction in expected production that will be applied to all inverters. This analysis has been completed for 2018 and 2019 and pending for years 2014-2017.

After adjusting for weather, the number of inverters with a positive variance from expected for 2019 increased from 22 (or 12%) to 118 (or 67%) and for 2018 this increased from 60 (or 34%) to 124 (or 70%). Overall production estimated for the period 2013-2019 increased from a negative 0.04% to a positive 2.31% after making these adjustments for weather. As these percentages show, the presentation of the production for the RCSC solar systems had been incorrectly reported in prior periods. The aggregate reporting information provided will be represented in both the unadjusted and adjusted to show how the production data changes.

Preventative Maintenance

RCSC has selected Kortman Electric to complete the preventative maintenance on the RCSC solar systems. This work began on 1/10/2020 starting at the Willow location and is moving through each of the other locations. The work is being completed in two steps. The first step is the review and cleaning of each inverter with the second being the review of the combiner boxes that aggregate the panel DC connections to each inverter. The first step is anticipated to be completed by 2/7/2020. The second step will start immediately after this and is projected to take approximately 4-6 weeks to complete. A reporting of findings and repairs will be put together upon the completion of both steps at each location.

In Like A Lamb? No Lion!

The old saying that “March is in like a lion and out like a lamb” (or vice versa) doesn’t have the same weather impact in Arizona that it has in more Northern states. It is almost “in and out like a lamb” here. Beyond weather, being “like a lamb” is defined as gentle or quiet.

Libraries and bookstores are very much like a lamb. Maybe they are not as quiet as we recall them when we were younger, but they remain a gentle and restful place to be.

Below are listed some gentle Library or Bookstore activities for March, 2020:

- On Tuesday, March 3 from 10-11am at Fairway, enjoy a BEAUTIFUL BEADS CLASS. Learn how to make beautiful silver and leather jewelry. All supplies provided. Registration required. Sponsored by the Friends of the Library.
- Cut down on computer frustration and get DROP-IN TECH HELP on Wednesday, March 11 or March 25 at the Sun City Library. Get answers to library download or basic tech questions. Bring your laptop, tablet or phone anytime during the hour from 10-11am.
- Learn the joys of SETTING UP A GARDEN in the Master Gardener Series at Fairway on Thursday, March 12, 10-11:30am. Find out how to plan a layout and acquire garden tools and materials to start a garden from a Master Gardener. Registration required.
- Enjoy MUSIC AFTER HOURS at Fairway on Tuesday, March 17 from 6-7pm. One Eyed Ford is a unique trio of Native American flute, mandolin and guitar/vocals/harmonica. Hear original works and Irish tunes on St. Pat's Day. Registration required.
- On Thursday, March 19 from 10-11am, learn about the SONORAN DESERT. Relatively small but rich in diversity, this is the desert we call home. Discover what makes this place a desert, and learn about some of its flora and fauna. Registration required.
- Relax with others and enjoy the GAMES CAFE on Friday, March 20, 9-11:30am at the Sun City Library. Bring your own coffee or tea and meet new friends while playing classic and modern board games. Join us for chess, backgammon, Scrabble, Apples to Apples, Pandemic, Codenames, Sushi, Go!, and more.
- HALF-PRICE SALES at Books Around the Corner are very gentle on your pocket-book. In March, it's soft back books (Monday only), or cozy mystery books.
- Love those relaxing old ARIZONA HIGHWAY magazines? The Bookstore has all of them from 1976 to present. See them 10-4, Monday-Saturday, Sun City Library.
- To register for Library programs, call 602-652-2000, or go to mcladaz.org/events/fairway, or go to mcladaz.org/events/suncity.

MEEK SUGGESTIONS WORTH A ROAR

Water Conservation

Water Savings in the Laundry Room

Small changes can make a big impact in terms of overall water consumption — and that's especially true in the laundry room. Just taking a few simple measures can save significant water and energy. So what are some of the best ways to conserve water in the laundry room? What small changes will help lower your overall water usage in the way you clean linens and clothes? Here are a few tips for you to consider:

1. Re-use Towels. Towels used after a shower do not need to be laundered after each use, so hang it up and re-use it instead. Washing your household's towels when they actually need to be washed is a much better use of water than daily loads.
2. Use Less Hot Water. Saving money in the laundry room starts with hot water usage since turning cold water to hot water is the most energy-intensive part of the process. Use warm or cold water whenever possible. Period.
3. Run Full Loads. Rather than running small loads of laundry, run larger, fuller loads instead. Every time the machine is used, you're consuming water, so consolidating washes will be more efficient.
4. Use Size Cycles. When you need to run a small load for some reason, take advantage of the washer's "small load" setting, which uses less water since there are fewer items.
5. Skip the Extra Rinse. Many washing machines have an option for an extra rinse cycle, but is you use the right amount of soap in the first place and you won't need to run an extra rinse anyway.
6. Insulate and Lower the Temperature on Hot Water Tanks. Hot water tank will function most efficiently when they are insulated, so be sure to insulate well — especially if you have an older model. Likewise, turn down the tank's temperature to 120 degrees instead of anything higher, which is both unnecessary and costly.
7. Upgrade to an Efficient Washing Machine. When your existing machine needs to be replaced, opt for an efficient machine. Newer efficient models can save as much as 7,000 gallons per household per year! Frontloading machines tend to be even more energy efficient.
8. Upgrade to an Energy-Efficient Hot Water Heater. Likewise, when the time comes to replace your water heater, go with an efficient model. The cost savings of using an efficient water heater will make the purchase worthwhile, not to mention you may be eligible for government rebates for tankless and solar units.

Doing laundry is a normal part of life but wasting water doesn't have to be. Use these tips to begin saving water and energy in your home's laundry room today!

Sun City Gives Back

Rockhounds Host 4-H Group at Mineral Museum in Sundial

The Sun City Rockhounds recently hosted a group from Desert Scorpions 4H at the Sundial Mineral Museum. This group based in Surprise, AZ is for home-school families to learn and grow together and is part of the University of Arizona Cooperative Extension. The dozen students were escorted by group leaders Niki Patterson and Megan Hill and several of the parents.

On duty as monitors that day were Sun City Rockhounds Club members Cheryl and David Alvord. Club Vice President Tom Fish, a retired middle school earth science teacher from Minnesota, presented an overview of the three broad categories of rocks: igneous, metamorphic and sedimentary and how they develop. Samples from each category were shown. David, who serves at the Museum Coordinator, took the students into the fluorescent room where they were "wowed" by the rocks lighting up in vibrant colors while Club President Cheryl facilitated the students' participation in a scavenger hunt around the museum.

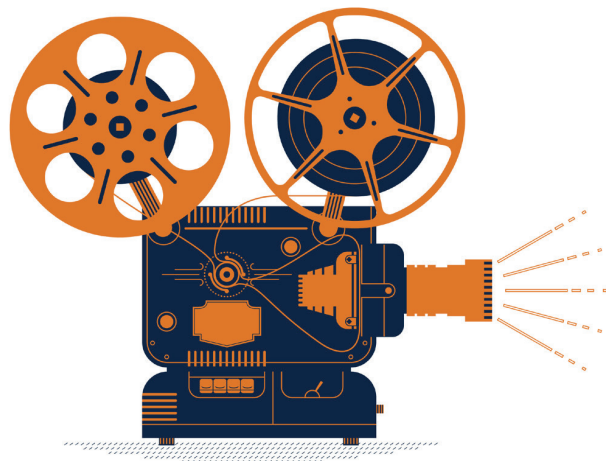

The students left with rock samples including petrified wood, fluorescent and pseudomorphs collected by the Rockhounds on a recent trip to the Verde Valley. The Rockhounds love helping young people discover the treasures of our beautiful earth. They are especially pleased to show off the wonders and variety of Arizona rocks and minerals.

Thanks to the Rockhounds, these area students learned that active adults here in Sun City AZ really love their rock!

Creative Quilters

Welcome to Lakeview Creative Quilters. The original Sun City quilting club of 29 years. Our Mission is to inspire, educate, and support. We have classes for all levels of knowledge. We welcome beginning quilters and will help you every step of the way. Our members do all forms of quilting, including hand, applique and machine quilting.

We have sewing and quilting machines for you to utilize. Our room is well stocked with rulers, cutters, accuquilt fabric cutter & dies, high tables for cutting and basting, large mats, full scale design wall, and ironing boards. We meet every Monday, Wednesday and Friday from 8am to 4pm for Open Sewing and Classes.

Fridays are meeting/announcement days in the morning at 9:30am. Each Friday offering a different agenda during the month. 1st Friday: "Show and Tell", 2nd "Business Meeting", 3rd "Informative Programs", 4th "Featured Quilters" and 5th "Service Projects".

Our club is involved in a wide range of service work including Military projects, Quilts of Valor to help our wounded combat warriors/veterans, baby quilts for the NICU. We host both Summer and Fall quilt camps and numerous classes for all levels of quilters. Exhibiting our next biennial quilt show in 2022.

Come visit, bring a project, get advice, or just check us out.

Hospitality Club

Sun City Hospitality Club is a social club open to all RCSC Cardholders, with activities scheduled at Marinette Recreation Center.

We have a variety of activities scheduled each month. The second Friday of the month at 5pm is all-you-can eat Pizza/Bunco. Reservations must be made before attending. Call our Chairperson at 623-271-7896. Potluck/Bunco is always the last Friday at 5pm.

Our Bridge group meets on Wednesdays at noon. On Saturdays, at 11am our Friendship Corner convenes for hand and foot and various other card games. Breakfast is scheduled on the first Monday of each month at 9:30am. Reservations must be made by calling 623-815-2459.

A picnic and Christmas party are two of our annual events. Dues are \$5 and we meet nine months out of the year. You will be permitted to attend three activities of your choice before we will ask you to join. Currently we have over 80 members. Stop by and see what we are all about.

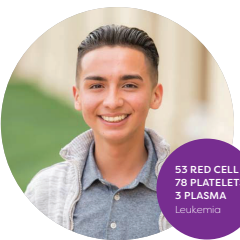

Please call 623-933-5158 for additional information or if you would like our newsletter emailed to you.

Sun City Model Railroad Club

When you were a kid - you played with trains or wished you could! Well, your wait is over! The Sun City Model Railroad Club at Fairway is waiting for you. No skill is required. We supply the trains and training. Current members have a variety of talents from ex-railroaders, crafters, electrical magicians and even some with extra blather.

The original layout in 1971 was in another building. The current layout, The New River and Western Railroad, operates on three levels in HO scale. Amazing is the word most used to describe the layout with many cities, bridges, yards and tunnels. "Easter Eggs" within many places throughout the scenery challenge guests. Modern technology allows several trains to operate simultaneously using handheld controllers or even an app on your cell phone.

Members have access six days a week and commonly gather to drink coffee, tell stories or play with the trains. Guests and visitors are welcomed Tuesdays and Thursdays from 9am until noon as well as Saturdays from 10am to 2pm. All RCSC cardholders are invited to join with us. Don't delay, each passing day cannot be replaced. Our club will be better with you joining us. For more information, call Tony at 239-207-7314 (leave a message).

Basketball Club of Sun City

Now an official Sun City club sport! Drag those old sneakers out of your closet, lace them up and come join us for some basketball! Our membership is open to all RCSC card holders, both men and women, short and tall, big and small.

While we do not have an indoor venue in Sun City at this time we are working with RCSC to provide one for those interested in playing indoors on a wood floor. The only basketball court available in Sun City is at Marinette Recreation Center. It is an outdoor half court with a concrete surface; basketballs are available at the front desk. You are welcome to come and shoot around any time.

If you are looking to play some full court basketball there is an open gym at the Villanueva Community Center (15660 N. Hollyhock Street, Surprise, AZ 85378) every Monday and Wednesday from 3:30 to 5:00 PM. We often have 15-20 players that show up and there are two courts to play on. If you would just like to shoot around there are other baskets available for that as well.

If you would like to help strategize with us about getting our own gym in Sun City that would not only accommodate basketball, but also volleyball, badminton and even rock climbing please give us a call or an email and we can talk.

For more information contact: Charlie Peterson @ 206-459-3242 or charlesapeterson@gmail.com OR Randy Becker at 502-298-5264 or jrandybecker@yahoo.com

Artists by the Art

The vision of the Sun City Artists by the Lake club is to create an inviting, supportive environment that meets the needs of the members through art education and opportunities that provide pleasure, personal growth and the promotion of artistic talents. We have a beautiful newly renovated space on the second floor of Lakeview Recreation Center in room 210. We have a reorganized Gallery space for our members to display their art.

Our Annual membership fee is \$10. Any Sun City resident with a current RCSC card may join us. We offer morning and afternoon classes in all mediums and at all levels. Our instructors are all award-winning artists with experience in using the medium they teach as well as the ability to support beginners to advanced students within their classes. We also offer workshops on specific subjects that our members have requested. We hold a monthly meeting in Social Hall One at Lakeview from September through May on the first Tuesday of the month starting with a potluck snack sharing at noon, followed by a short business meeting and art demonstration.

We look forward to meeting new members who are interested in continuing to create art while making new friends. For more information, please contact club president Deb Dahlin at 315-491-9650.

Palo Verde Artists

Yes, you can! If you have wanted to paint or draw, but thought, "I can't do that – I can't even draw a straight line" you are in luck, because there are no straight lines in nature – and you would be a perfect fit for our classes! We welcome beginners through advanced artists, and offer something for everyone.

Five Reasons to Join Palo Verde Artists:

1. **Classes**—Classes in watercolor, oil, pastels, acrylic, colored and graphite pencil, pen and ink, alcohol ink, for artists at all levels of experience. Workshops and free "paint-ins" held regularly.
2. **Exhibits and Sales**—Members may exhibit and sell their work in the art room and display cases, the Sun City Show in February, Palo Verde Show in March, and Arts and Crafts Fair in November.
3. **Sharing**—of ideas, experiments and critiques with other artists.
4. **Art Room**—Easels, work tables, matting equipment, and library of art books, available for use any time there are no classes in session.
5. **Less Than a Tube of Paint**—\$10 yearly dues; membership open to RCSC cardholders.

Visitors and new members can enjoy our monthly artist gatherings and demonstrations held in Sundial Center East Hall, October through May. Visit our website at www.paloverdeartists.com for dates and times of meetings and for more information. The Palo Verde Art room is located on the upper floor of Sundial Recreation Center.

Artist Weavers & Fiber Artists

If you've resolved to learn something new or just get back to an old love in the new decade, why not make it weaving or spinning? We have fun, low-stress classes for teaching folks the arts of spinning, weaving reed or coiled baskets, weaving on floor, table or rigid heddle looms, knitting, crocheting and tapestry weaving. The club offers a fun, friendly environment where you can learn and hone these skills while making new friends.

We offer guest speakers, educational programs of interest to our members and, of course, refreshments during our General meetings held on the fourth Thursday of each month from October through May. The club hosts special workshops and organizes fun field trips to events and points of interest around Arizona.

Also, throughout the year, our members offer many beautiful hand-crafted items for sale in our club room located at Oakmont Recreation Center.

Annual membership is only \$12 and open to all RCSC Cardholders. For more information you can visit our website: oakmontfiberart.com or, better yet, please stop by the clubroom anytime from 9:00am until 3:00pm Mondays through Fridays. We'd love to have you join us!

LIFELONG LEARNING SUN CITY AZ

For over a decade, the Lifelong Learning Club of Sun City has endeavored to fulfill its Mission for members of the Recreation Centers of Sun City: to provide members with educational programs, courses, and lectures at a low cost. Members may select up to 10 courses, classes, or lectures per semester of study. There are two semesters, Fall and Spring, so learners can take advantage of 20 learning opportunities for \$20.

Lifelong Learning sessions are typically facilitated and taught by volunteers who are willing to share their expertise, adventures, and interests with learners eager to stay alert and honor the ways in which learning is understood. We know that education takes place across the broad spectrum of opportunities and experiences. Our learners are self-motivated and determined to gain knowledge for personal reasons; we might drive all sort of vehicles but we all recognize the wisdom of Henry Ford's observation: "Anyone who stops learning is old, whether at 20 or 80. Anyone who keeps learning stays young. The greatest thing in life is to stay young!"

Drawing from the resources in our community, Lifelong Learning sessions cover a variety of subjects that change every semester - Astronomy, Archeology, Financial Planning, Current Issues in society, culture, and government, Collaborative Negotiations, Self-Care and Medicine, Art, both appreciation and production, Museum Collections, Drama and Cinema, Music, Energy Systems, Language: Storytelling and Journaling, Travel and Adventure, and Optimization of our Human Experience.

The learners and instructors in the Lifelong Learning Club value their part in creating special opportunities for folks who want always to revere educational opportunities. If you loved school as a very young person (and maybe even had a favorite teacher), Lifelong Learning is for you. But if you didn't love school when you were wee, Lifelong Learning never has final examinations, quizzes, nor grade evaluations, so maybe it is for you too! There is more information about LLL in the Club's mailbox near Classroom 129 at Fairway Recreation Center or contact our Club's Information chair, Candance Catalano at 623-977-4081 or by email at sczallifelong@gmail.com.

Handbell Ringers of Sun City

Bells are ringing! Handbells! Love ringing handbells and want to play challenging music? Then Handbell Ringers of Sun City might be for you. Our group has been ringing for over 50 years. We are a diverse group of musicians- some with over 30 years' experience and others are relatively new to handbells with some prior experience, maybe in a hometown church.

This spring the group is performing with twenty-four ringers. We have two full five octave choirs. That means every position has at least two ringers. Parts are doubled and bells and chimes can be shared by "bell buddies."

Ringing bells is a workout. Each rehearsal begins with pre-rehearsal warm-ups. Waking up muscles and stretching is an important part of staying injury free.

This season the ringers are searching for "The Missing Piece," the title of our show on Sunday, March 29, 2020 at American Lutheran Church in Sun City. Directed by Libbie Randels and narrated by Bob Carlson, the Handbells Ringers' show is always up-beat and entertaining. The time is 3pm and tickets are \$5 at the door.

If you're looking for a smaller group to entertain for a club party or small venue, the Ramblin' Ringers are a branch of the "big group." They travel and provide a more informal "up close and personal" program.

Our club rehearses on Friday mornings at Fairway Rec. Center from 8:30 to 11:30am. We perform two concerts per year. We also perform annually at Desert Botanical Gardens' Las Noches di las Luminarias. Club membership is \$5, semester music fee is \$20. Membership is open to RCSC cardholders and invited guests.

For more information about Handbell Ringers, please contact Doreen via email at Doreenc4488@gmail.com

Performing Arts

Handbell Ringers of Sun City

While handbells are most commonly associated with church music, the Handbell Ringers of Sun City take handbell music to a whole new level, playing a wide variety of music to entertain their audiences, including Broadway show tunes, swing, calypso, oldies & classical. They perform two concerts a year, one in the spring & another at Christmas time. Their next show will be at American Lutheran Church on March 29 at 3pm.

The ringers come from a wide variety of musical & non-musical backgrounds - accountants, small bakery owner, music teachers, choir directors, a minister, an airline stewardess, a woman who was an officer in the US Navy & many more interesting past occupations. All come together to share a love for the uniqueness of handbell music. The group ranges from 22 to 26 ringers.

Because of the size of the "BIG GROUP, a smaller group of ringers was organized 2018. Ramblin' Ringers is a 6 on 12 ensemble, six ringers, on twelve bells. Their goal bringing a fun interactive program to retirement centers, club parties, social & church gatherings.

Directed by Libbie Randels, The Handbell Ringers of Sun City rehearse on Fridays from 9:00-11:30am in the Fairway Music Room September thru April. Visitors are always welcome to come and listen. Membership is open to RCSC Cardholders & invited guests. FMI contact Doreen at doreenc4488@gmail.com.

Piano Club of Sun City

A Unique Musique, a special variety show with unique entertainment, will be presented on Friday, March 20 at 9:30am in the Sundial Auditorium.

The Piano Club meets 9:30am the third Friday of each month, October through April, in the Sundial Auditorium. You do not have to play or perform to become a member. Just enjoy the music, treats, and companionship. Annual membership is \$10 per person or \$15 per household for RCSC cardholders only. RCSC cardholders and escorted guests are always welcome.

We also offer affordable lessons to adults. Classes are conducted in the Piano Club Studio on the level above the Sundial pool. Piano lessons resume in March; tuition is \$160 for eight weeks. Study materials are included. FMIC 507-213-6141.

Sun City Concert Band

Dust off you instruments & join the Sun City Concert Band under the new direction of Ken Jaeger, well known Arizona Band Master & clinician. Charles Musgraves joins us as our Associate Conductor. SCCB rehearses Tuesdays from 9-11am September through April at Fairway. Annual dues are \$5; membership is open to all RCSC Cardholders.

The band performs their Spring Concert on Saturday, April 18 at 2pm in the Sundial Auditorium. Visit the band's website at sccband.org for additional information. To be placed on the Band Concert Notification E-mail List, contact band President Jim Wise at 602-625-5211 or request online at <https://suncityaz.org/recreation/clubs/sun-city-concert-band/>

Sun City Womens Chorus

The Sun City Women's Chorus, under the direction of well-known musician Jane Higgs, with accompanist Kent Trostel presents "Showtime!" on Sunday, March 29 at 1:30pm in the Sundial Auditorium. Tickets \$5 may be purchased from any Chorus Member or at the door.

Rehearsals continue on Thursdays 8:45-11am in the Fairway Music Room. The Chorus always welcomes new singers with a current RCSC card. FMIC Annette 623-308-4643.

Choraliers of Sun City

An accomplished SATB choir that sings a variety of music from classical to jazz. The Choraliers perform at social functions, churches, healthcare facilities & retirement communities, performing up to 10 concerts a season, including some public concerts. Rehearsals are ongoing & the group meets every Monday 8:30-11am in Fairway Music Room (second floor). If you are interested in singing in a quality choir, sit in on a rehearsal & decide if we are right for you.

The theme for our spring concert is "Memories," where we will be performing a variety of show tunes, songs from musicals & some blues, too! Our free spring concert will be Wednesday, March 18, 2020 at 4:15pm at American Lutheran Church, 17200 N. Del Webb Blvd, Sun City. Donations accepted gratefully. FMI visit www.suncitychoraliers.com

Tips from Get Fit for Life -

Three Reasons to Love Strength Exercise

“Strength Exercise is a valuable tool for active aging adults,” states Jane Fortier, co-owner of Get Fit for Life. “It should be part of every senior’s arsenal for personal fitness. On-going research supports the following three reasons for falling-in-love with Strength Exercise!”

• **It Makes Losing Weight Easier – Love That!**

Since muscle is active tissue (unlike fat, which is inert), it requires energy to be maintained. Starting in their 30s, most people (especially women) lose half a pound of muscle a year. After age 60, this rate of loss doubles. Regular strength exercise can preserve muscle throughout the lifespan and rebuild lost tissue. Strength training can provide up to a 15% increase in metabolic rate, which is helpful for weight loss and long-term weight control. For every additional pound of muscle the body gains, it will burn an additional 50 calories a day. Consistent and correct Strength exercise, two to three times a week, can result in a gain of 1-2 lbs of muscle and loss of 3-4 lbs of fat, over an 8-week period. The more muscle a body has, the more food that body can burn, without gaining weight.

• **It Reduces the Effect of Certain Health Risks – Love That!**

Strength exercise improves Osteoporosis. When muscles are stressed, the bones they are connected to are stressed as well. This activates “osteoblasts” – cells that build bone density. A strength exercise program that includes muscles connected to the hips, spine and pelvis will help to improve bone density in these areas, commonly affected by Osteopenia and Osteoporosis. Strength exercise reduces the risks of Diabetes. Adult onset (type 2) Diabetes is a growing problem, with over 15 million Americans suffering from the condition. Strength training increases glucose utilization by 23 percent in just four months. As muscles contract and relax, during exercise, they use sugar (glucose) available in the blood stream for energy. Exercise reduces blood sugar levels and decreases the amount of insulin needed for glucose management. Strength exercise reduces Resting Blood Pressure levels. Tests reveal that people who strength train shift from the high-normal RBP category to the normal RBP level. Strength exercise improves the ability of the heart to work, allowing it to pump more blood with less effort. Less effort results in less force (or pressure) on individual arteries.

• **It Makes Life More Enjoyable – Love That!**

Chronic depression can be improved with strength exercise. When strength training is coupled with counseling, clinical depression symptoms improve faster. Sleep patterns become more stable, when a person strength trains. Exercisers fall asleep quicker, sleep more deeply, awaken less often and sleep longer. As a body ages, muscle mass decreases, causing skin to sag and wrinkle. Strength exercise can fight age-related muscle loss and help to maintain a more youthful physique. Building muscle makes everyday activities, such as lifting grandchildren, carrying groceries, and working in the yard much easier. Being in shape builds confidence and self-esteem, and definitely improves quality of life.

Get Fit for Life personal trainers are experts at creating safe and effective Strength Exercise programs, based on needs, goals and medical issues. Proper breathing, form, technique, cadence and repetitions are critical to the success of any strength exercise program. These are the areas emphasized by a Get Fit for Life trainer, whether the work-out is with machines, free weights or body weight – Love That! To find out more about working with a personal trainer, call 623-696-6820 or visit Get Fit for Life, Sun City on Facebook.

LaTouch Wellness Massage Therapy Shares...

Determining the Root Cause of Your Pain

In your youth, any pain was usually an obvious side effect from an injury, or sometimes, pain may have been a signal of something worse, and a doctor’s visit would let you know what it was. As you grew older, however, stranger pains appeared and eventually, the doctor could no longer diagnose everything you were feeling. This became frustrating. Does this sound familiar to most of you? I experienced this, that is why I can speak easily about it. Up until a few years ago, every ache and pain that occurred could be explained, but now, it cannot, that’s when I learned that pain and trapped emotions can be stored in our energetic bodies.

When we have not processed and released past traumatic events, such as abuses, physically or emotionally, loss of a loved one, deaths, or any other perceived injustice, these unprocessed emotions can become trapped. We are complex beings and our emotions affect our hormones, as well as the effect hormones, have on our emotions. For example, if we are in danger, our brain releases stress hormones that can initiate fight or flight reactions by flooding certain regions with the neurotransmitter epinephrine (adrenaline). When the danger subsides, our brain inhibits the stress response by sending out a calming signal in the form of chemicals.

When we have not processed our stressful traumatic situations properly, these pent-up emotions and potentially destructive chemicals have a frequency and they vibrate within the body and can be emitted into our auric field, which can emanate up to fifteen feet away. Unless our body and auric field are energetically cleared of these vibrating frequencies, they will continue to manifest as pain, discomfort and eventually disease.

Here at LaTouch Wellness we offer Massage Therapy and Reiki Energy Healing, separately or in a combination session together. Our tag line is Enriching the Lives of All We Touch, Body, Mind & Spirit. Please request that Reiki Energy Healing be incorporated into your Massage Therapy session there is no additional cost.

Massage helps us to manage stress and can also be used to address a number of health issues. A full complement of massage services are offered at Fairway, Sundial and Bell Recreation Centers (as noted below) for RCSC Cardholders and their escorted guests. If you would like to experience the benefits that massage may have for you, call and schedule an appointment today!

Spanish Club - El Circulo Español

Whether you are new to the Spanish language, want to re-awaken skills learned long ago that are now dormant, or are a moderately advanced student looking to improve your conversational chops, you've found a home with El Círculo Español, the Sun City Spanish Club.

Our Spring session continues. You can start our classes at any time, but because now in March, we are in the middle of our session, plan on spending some "catch up" time at home, depending on your previous amount of Spanish experience.

Social outings are on the 3rd Thursday of each month, at a Mexican or South American themed restaurant, or a cultural location of interest. Mark your calendars now for our spring teacher appreciation potluck & social on April 7 at 11:30am at Fairway.

Sign-up sheets & details about each month's social event & the luncheon are posted on the bulletin board outside of Room 129. You'll also find copies of our class schedule, class descriptions & membership forms there.

Classes include those for beginners with no experience in Spanish, intermediate classes for those continuing from the fall session &/or have some experience & conversation classes for beginners, intermediate & advanced students who want to become more proficient speaking the language. Spring 2020 sessions include the most conversation classes we've ever offered, so take advantage of one! A class in Italian for Spanish students is also available.

All Circulo Español classes are held at Fairway Center, Monday-Thursday, usually in Rooms 129 or 133 but rooms are subject to last minute change.

Spring Schedule 2020:

Monday (Room 129)

How you could use your home equity in retirement

Your home equity is a powerful, and often overlooked retirement asset. Designed specifically for homeowners or home buyers 62+, a Reverse Mortgage can be used to:

- Refinance existing mortgage(s) to unburden your monthly cash flow
- Consolidate debt—such as credit cards, car loans, medical bills, and other loans—to reduce monthly bills
- Pay for home remodeling to make your home safer, more comfortable, and better suited to your needs as health issues may require
- Establish a steady stream of monthly funds to continue for as long as you live in your home, to supplement your retirement income
- Establish a line of credit that cannot be canceled or reduced, so it'll be there for unexpected expenses
- We've got answers to all your Home Equity Conversion Mortgage (HECM) questions.
- Can be used for prolonging taking social security or reducing tax burned from taking money out of assets

Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 57 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2019, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.

The Midnight Confessions Band Sunday, March 8, 2020 @ 6pm

Let's welcome The Midnight Confessions Band to the Sun Bowl as we start the 2020 Spring Concert series! Billed as "Just a group of hard working, regular guys performing everybody's favorite 'Timeless, FUN-time Music' is sure to get the crowd movin' with hits from the 50s, 60s, 70s...and more!! Put your hands together and let's get the party started!

Summer of Love – The Cover-Ups Sunday, March 15, 2020 @ 6pm

Get ready for an encore performance as The Cover-Ups bring us all the hits from the "Summer of Love" right here in Sun City AZ where peace and love will prevail. Put some flowers in your hair and get ready to touch the sky as we go for a magic carpet ride of musical entertainment.

Strait Country – George Strait Tribute Sunday, March 22, 2020 @ 6pm

The critically acclaimed Strait Country Band featuring Kevin Sterner is sure to have the cow boots a-shufflin' on the dance with a performance that showcases hit after hit from Strait's amazing 60 Number One Hits and over 80 Top 10 Hits, including some of George's lesser known gems. Let the steel pedal guitar and fiddle keep the rhythm during this exciting evening.

Thaddeus Rose Band Sunday, March 29, 2020 @ 6pm

This great variety band promises to bring the best dance rock hit of all times to the Sun Bowl stage. With a sound that is state of the art and on point, Thaddeus' graceful yet funky hip-hop moves promise to serve as the frosting on the cake for what promises to be a simply amazing performance.

Rhondavous Sunday, April 5, 2020 @ 6:30pm

We're certain to have a fun and entertaining performance as this 5-piece band brings energy, camaraderie and a broad scope of musical genres to the Sun Bowl.

Featuring musicians with decades of professional experience who've played across the country, we're sure the connection with the audience here will be nothing short of inspiring. As they say, "It's always a great day for a Rhondavous."

The 8-Tracks Sunday, April 12, 2020 @ 6:30pm

Get ready for fun as the greatest oldies rock & roll band covering the entire state of Arizona returns to Sun City for an evening of non-stop entertainment as we travel back in time thru the 50s and 60s, singing and swinging to the songs you love, songs that are so much a part of our lives.

Americana Sunday, April 19, 2020 @ 6:30pm

Welcome back to Sun City AZ "Americana" - featuring the timeless songs from North American singers and songwriters like Simon & Garfunkel, Mamas & Papas, James Taylor, The Carpenters, Jim Croce, Linda Ronstadt, Eagles, Crosby, Stills & Nash, and many more. Join us as we celebrate an era of lasting classics as we dance the night away.

Doo-Wah Riders Sunday, April 26, 2020 @ 6:30pm

There truly is no other band like the Doo-Wah Riders, who for over 40 years have been riding their own patch of the musical range throughout the west and across the globe. Possessing the rare combination of many years of experience and youthful energy, fired up by a love for what they do, The Doo-Wahs are country, with a unique, original approach. Defined by their sound... "high energy country with a Cajun twist," their ultra-tight musicianship and unique arrangements of classic and original songs make them favorites everywhere they go – including Sun City AZ! What a way to end the Spring 2020 Sun Bowl season.

Located on 107th Ave just south of Peoria Ave

Be prepared to show your RCSC Member or Privilege Card (with photo) to gain access to Sun Bowl shows; no key fobs accepted!

Free RCSC Events are paid for by RCSC Cardholders and are therefore intended for RCSC Cardholders and their escorted guests only. Your cooperation and understanding is greatly appreciated!
