

# RCSC Management Recommends “Getting Back to Normal”

The idea of getting back to normal at the Recreation Centers of Sun City sounds great after a year of restrictions and closures! This has not been an easy year for anyone, including RCSC staff who have unfortunately been the brunt of some RCSC Cardholders’ frustrations. Let’s put that all behind us now and move forward with gratitude for another joy-filled day in this magnificent Sun City community!

What exactly does “Getting Back to Normal” mean and why now?

**RCSC Management is recommending that the “Getting Back to Normal” date be set for May 17, 2021.**

This provides RCSC employees under 55 years of age sufficient time to get fully vaccinated after just having the opportunity to do so starting March 24, 2021.

**Why now?** Two reasons:

- 1) The signing into law of Senate Bill 1377 by Governor Ducey on April 5, 2021 provides immunity from liability for damages in any civil action for any injury, death or loss to any person or property that is based on any claim that a non-profit organization failed to protect the person or property from the effects of a public health pandemic.
- 2) Sun City has reached a 61% COVID-19 vaccination rate based on the 85351-zip code.

**What does “Getting Back to Normal” include?** *(continued on Page 2)*

- ✓ All RCSC facilities are open and available to RCSC Cardholders for their use and enjoyment without any use/capacity limits.
- ✓ All Chartered Clubs are approved to re-open and conduct their normal activities. *(Please confirm with the Clubs Office prior to re-opening a club.)*
- ✓ All RCSC facilities are open to guests and visitors as provided for in RCSC policies, including age limitations as outlined in Board Policy No. 10. Children’s hours will resume at pools.
- ✓ Sun City Visitor’s Center will re-open.
- ✓ Entertainment and events will resume.
- ✓ Rental of RCSC facilities will resume.
- ✓ Fitness Centers will no longer be closed from 12pm – 1pm daily for sanitation.
