**Long Range Planning Committee**  
**September 20, 2021**

Chair Dale Lehrer called the meeting to order at 8:30am in the Lakeview Center Board Room.

**Present:** Chair Dale Lehrer; Committee Members Gary Osier, Norm Dickson, Kat Fimmel, Russ Toman, Steve Oaks, Jean Buck, Allan Lenefsky

**Guests:** RCSC Board President Sue Wilson, RCSC Board Director Darla Akins, RCSC General Manager Bill Cook, Cardholders Jim Powell, Judy Rubin

**Approval of Prior Meeting Summary:** The Meeting Summary of June 21, 2021, was approved with a change to include the following after “percent of population”: Gary responded that despite our research showing a growth of 841% over 13 years for Pickleball, utilization as a percent of capacity was 21% for Marinette and 23% of capacity for Mt. View. This would indicate to us that the pickleball club needs to address scheduling issues rather than increasing capacity.

**Old Business:** None

**New Business:** None

**Discussion:** RCSC General Manager Cook arranged to have two companies present their camera products with estimated costs for our information and input. The discussion was had regarding the presentations, products, and applicability for RCSC’s security needs, and the committee voted unanimously for the second presentation because it more closely mirrored the needs identified in the Safety and Security Initiative. The committee also thanked GM Cook for including them in the initial deliberation process.

Chair Lehrer will send out information on capacity use to the committee.

**Adjournment:** The meeting adjourned at 10:00am.

**Next Meeting:** October 18, 2021, at 8:30am – Lakeview Center Boardroom

Respectively Submitted,

Norm Dickson, Secretary
