ISSUE #241 • DECEMBER 2021 • A PUBLICATION OF THE RECREATION CENTERS OF SUN CITY, INC.

Elections, Holiday Fun & Much, Much More

As we enter the final month of 2021, we welcome everyone back with fewer restrictions and more freedoms. Gatherings with friends, family and loved ones will take center stage this season, but there is still much to be accomplished before the new year arrives.

RCSC Board of Directors Elections

Voting in the RCSC Board of Directors Elections continues through Tuesday, December 14, 2021 at 4pm. Seven candidates are vying for four positions (three 3-year terms and one 2-year term). Candidates must receive a minimum of 100 votes in order to be elected. Should there not be four eligible winners, the Board will appoint another Member to complete the term(s) which remain unfilled.

Candidate Introductions and video recordings of the Candidate Forums are available on the RCSC YouTube channel. You will also have one final opportunity to meet those candidates who are in attendance at the Board Meeting on Monday, December 6 at 9am in the Sundial Auditorium.

Candidate biographies can be found on pages 5 and 8 in this edition of SunViews. Copies are also at the Corporate Office at Lakeview Center and via the RCSC Web Portal where Members are encouraged to cast their ballots online (see page 8

for sign-up instructions). Members may also vote in-person on Election Day from 8am to 4pm in the Lakeview Social Hall #2. Absentee ballots may be requested by calling 623-561-4600; the last day to request an absentee ballot be mailed is Friday, December 3. Members may also pick up an absentee ballot at the Corporate Office and all must be received by December 14. Those elected will be sworn in at the Board Meeting on Thursday, December 16 at 9am in the Sundial Auditorium.

Annual RCSC Membership Meeting

The 2021 Annual RCSC Membership Meeting is Monday, December 13, 2021 at 9am in the Sundial Auditorium. There will be a presentation on the 2022 Budget and other business will be conducted as appropriate should a quorum of at least 1,250 Members be in attendance. Registration begins at 8:30am and Members must present their RCSC Card with photo for verification purposes.

Sun City AZ Holiday Celebration

As holiday festivities return to normal, excitement and joy will fill the air at the Sun City AZ Holiday Celebration on Friday, December 10 at

Lakeview Center starting at 3pm. This community celebration welcomes all to rejoice in the season and help to raise funds for those less fortunate, with all proceeds benefitting the Sun City Foundation.

RCSC Management Team is looking to "mix things up" a bit and we're hoping for lots of festive attire from those attending this year's event. There will be new games such as Reindeer Yahtzee (Pie Walk) and Tic

Tac Mistle-Toe in addition to the traditional Mini-Golf Ho-Ho-Hole-in-One Contest. Some lucky winner will take home the Money Tree and there's nothing better than cheering on the rubber ducks as they make their way over the waterfall as part of the Amazing Duck Race. Duck Bucks can still be purchased on the day of the event (winners need not be present). Several gift baskets with values of \$300+ will also be a "chance" worth taking; thanks to clubs, businesses and local organizations for their generous donations.

Nobody is too old to have their picture taken with Santa (bring your camera or smart phone). He's sure to know if you've been naughty or nice so recreate a childhood memory or start a new tradition with an annual photo featuring family, friends, grandchildren, and others.

The Social Halls and Patio will provide some space to sit and relax for a spell. There will be coffee, cocoa and hot cider available for purchase, along with a sweet treat if you wish to indulge. Should you find yourself needing more nourishment, we'll have food trucks on hand, too. Stop by and talk with Directors at the Sun City Foundation information table to learn more about this organization who helps the less fortunate right here in our community. Then plan to stay until the very end for the Lighted Boat Parade on Viewpoint Lake at dusk (boats leave Cameo Drive bridge at approximately 6:15pm).

RCSC has one last gift for this season: The "In The Mood" Holiday Music Spectacular on Tuesday, December 14 at 7pm in the Sundial Auditorium. Free for RCSC Cardholders and their escorted guests, you won't want to miss this stupendous stocking stuffer of musical delight!

There is much to celebrate as we continue to move forward into the holiday season and the new year. Mark your calendar now and plan to attend Discover Sun City AZ on Wednesday, January 19, 2022 in the Sundial Auditorium where you can find out more about the clubs and organizations that help make Sun City such a great place - all in one location!

SUN CITY FOUNDATION

"Neighbors Helping Neighbors"

The next Sun City Foundation meeting will be held on Thursday, December 9, 2021 at 1:00pm in the Lakeview Social Hall #1.

A Message from Board President Sue Wilson

Giving Thanks and Appreication

A custom at many dinner tables during the holidays is to list all the reasons you are thankful. I thought I would adopt that idea in my article this month. I feel we have many things to be thankful for in Sun City.

This year our General Manager Jan Ek is retiring after serving RCSC and our residents for the last 15 years. She not only served as our general manager but also as a neighbor as Jan has lived in Sun City for the last 16 years. Jan started her career at the RCSC after serving as the CEO for Glacier Park Incorporated in Montana. It has not always been smooth sailing as just before she started the roof at Sundial collapsed into the pool. Luckily it happened in the middle of the night, so no one was injured. Unfortunately, at that time, there was no Preservation and Improvement Fund that could be used to fix the situation. Jan had to make as many financial cuts as she could in order to be able to fix it while the RCSC sued our insurance carrier to pay the claim.

Since that time Jan has worked with past Board of Directors to budget the Preservation and Improvement Fund that is used for projects over \$300,000 with a depreciable life span of at least 15 years. This vision of what was needed will help us in fixing our lake, making our golf courses compliant with the Arizona Department of Water Resources 5th Management Plan, and redoing our Mountain View Recreation Center. Jan now leaves us with projects planned and knowing that we are debt free.

A current Board of Directors stated that you cannot find a more hardworking, intelligent individual and the rest of us could not agree more. Jan has always been accessible, responding to Board questions and taking care of RCSC responsibilities even when she is on vacation. We are thankful that Jan found and employed Bill Cook as our Director of Finance who was then hired as our new general manager. She has spent the last six months helping Bill learn the ropes which is providing us with a very smooth transition. Thank you, Jan Ek for all the hard work you have done for RCSC and our Sun City Residents. Enjoy your retirement as you have more than earned it.

I know all of us are thankful for our sunshine and beautiful fall, winter and spring temperatures. We know that we are now envied

by a large portion of the United States as they dig out their ice scrapers and snow shovels. We all are thankful that our winter residents are returning this year and all our outside activities are pick-

ing up and can be played all day. Our clubs are once again flourishing, and we can enjoy socializing with our friends.

I am also be thankful for my fellow Board of Director Members. You have volunteered hundreds of hours this year serving our Cardholders and the RCSC. I know it has been a difficult year and I truly appreciate each and every one of you. I would also like to thank our residents and especially the ones who are willing to suggest solutions to issues instead of just complaints as that has been very helpful.

Sue Wilson RCSC Board President

As we begin to move into the Christmas Season, take the time to enjoy all the things Sun City has to offer and be thankful you are not having to dig out your ice scrapers and snow shovels.

There's still plenty of time!

Thoughts from a Pro

Make golf more fun and set your own "par"

Depending on your skill level your "par" on any given hole may be different then what the scorecard says! In other words, unless you are a low handicapper, expecting a par on every hole will most likely leave you feeling frustrated. To make the game more fun and to match the scorecard to your ability level, try the following:

High handicappers or new golfers: Your goal may not even be scoring, at least initially. Instead, it might be to find a few clubs that you have some confidence and consistency with and stick with those, get comfortable being on the course, learn to play ready golf and keep up with your group and learn the etiquette. However, once you are focused more on scoring start by keeping track of just your putts (keeping in mind that two is always the goal)! Then start to see if you can get to the green in the number of shots "par" is. Example, on a par 3 hole, your goal might be to get to the green in three shots, on a par four challenge yourself to get to the green in four shots and on a par 5 see if you can get to the green in 5 shots. If you add your goal of two putts to those numbers that becomes your goal "par". As you begin to improve adjust your goal!

Bogey golfers: Your goal is to make a bogey, or one over par on every hole on the course. On a regulation course that would give you a score of 90. (The majority of golfers cannot break 100)! Think of anything less than a bogey as a bonus! For instance, on a Par 4 attempt to get the ball on the green within 3 shots and then in the hole in 2 putts. This alone can make the game seem easier and help the score to come down! Another way to think about it is playing the game of 5's. On a regulation course if you have a 5 on every hole you will shoot 90, which is bogey golf. Every time you do better than a 5 (for example a 4 on a par 3) think of yourself as 1 under your goal "par"

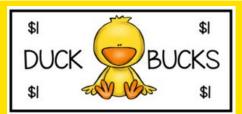

Remember that keeping your "par" in mind helps you to approach each hole with a realistic strategy. Once you have mastered where you're at it's always fun to set new goals and a new "par" score to match. Enjoy!

The Mission and Agreement between the RCSC and the Members is to provide services for the "benefit of the members." Over the years the Boards have established rules under which the members have less input. The Staff & Board have the fiduciary requirement to operate 7 golf courses and 11 other facilities at service levels which most of the members expect and relocated to Sun City for. It is my hope that across time the Members can regain their input levels and the Board will be willing to accept the changes just as the Members accepted the increased Board control.

Garden Club of Sun City

Do you love gardening? Whether you're an expert, hobby gardener, beginner, or are new to Arizona and have no idea how to garden in the desert, this club is for you! Visit our website at gardenclubofsuncity.org.

Meetings are the first Tuesday each month (September through May) at 8:30am at Sundial. In addition to Club business, we have presentations by experts on fertilization, micro greens, rose care, gardening tips for vegetables (specifically for the desert), citrus care and more. Get answers to gardening questions. We are always having fun - attending classes, field trips and our "not to be beat" potlucks.

The club sponsors a Community Garden at 91st and Greenway Avenues, where members can rent a bed. Visit the Community Garden during an Open House on the 3rd Saturday of the month from 9 to 11am. We also have a commercial grade greenhouse at our Grand Center location where we are starting flowers and vegetables and experimenting in hydroponics and orchids. If you love roses, the Club maintains the gorgeous Sun Bowl Rose Garden. Check it out!

Visit the office on Monday, Wednesday and Friday from 9am to noon or call 623-875-5921 for more information. Membership in the Garden Club of Sun City is open to RCSC Cardholders only.

Mah Jongg Club

Mah jongg is as fascinating as its name; a rummy-like game played with tiles instead of cards, based on an ancient Chinese game that takes you into a world - complete with the four directions of the wind, dragons, flowers, bamboos and Chinese characters.

Each player is competing against one, two or three other players. There are no partners. The idea of mah jongg is to make runs, sets of pairs and evenand odd-numbered combinations from the equivalent of three suits –but instead of clubs, diamonds, hearts and spades, these suits are Chinese characters, bamboo shoots and dots.

Beginners and experienced players enjoy mah jongg. From I to r: Betty Rodgers, Pat Pourchez, Bob Adams and Pat Alleman

Regular play is every Tuesday, 11:30am to 4:00pm at Sundial West; every Thursday from 5:30 to 9:00pm and every Sunday from 11:30am to 4:00pm at Marinette Social Hall. Annual membership is \$5.00 for RCSC Cardholders. Invited guests of club members are also welcome for a fee of \$2.50 per day. For more information, call Sandy Ryan at 623-399-6337.

Classes will also be available in January. These will be offered for \$10 over three weeks on January 7, 14, and 21, from 1:00 to 4:00pm. For more information about the classes, contact Janis Stiewing, 623-261-2621.

So Grand Exercise Club

Join us, SO GRAND EXCERISE CLUB, for a low-impact aerobics experience and get your day started right. Our club meets at 7:45am on Monday /Wednesday/Friday at the Fairway Center in the Arizona Rooms. The class lasts until approximately 9:00am and consists of standing stretching, followed by gentle aerobics and session of floor stretches. Please bring a yoga mat if you plan to participate in the floor stretch portion. Annual club dues are \$3.00 with no daily fee. All RCSC Cardholders are welcome to join our group. For more information, call 623-933-0214.

Come join the fun at the Sun City Calligraphy Society. We host an annual Open House in October in our Sundial club room. For 38 years, we have been dedicated to promoting the art of beautiful writing. General meetings are held the third Thursday of each month at 9:00am in our club room.

Classes are available in the Fall and Winter to learn different calligraphy styles from our experienced teach-

ers, including Modern Brush, Italic, Blackletter, Uncial, Foundational, Copperplate and Informal Pointed Pen. There are also many "fun-shops" held throughout the year, where you can learn how to make beautiful and unique greeting cards or learn new "tips and tricks" with your calligraphy. We have die-cutting and stamping equipment available for our members' use

You can help others experience the joy of receiving a handmade card by joining in on our community project making "Love Cards" for our local nursing homes. Opportunities are also available to make cards to sell in our club boutique and at the Fall Arts & Crafts Festival. Our club room is open Monday and Friday from 1-3pm, and Thursdays and Fridays from 9-12pm to practice your writing, make Love Cards, or work on your own projects. If you would like to participate in any of our events, club membership is open to all RCSC Cardholders. For more info, call Trudy Bryson at (623) 594-6591.

Piano Club

There's so much that's new with the Piano Club. For the first time, we have year-round monthly music performances. This past summer's performances were enjoyed by all. Every month, you can listen to live piano music played in a variety of styles and genres at Sundial Auditorium. We meet at 9:30am. on the third Friday of the month. Next summer's performance day and time has yet to be determined. Another bonus, the board has decided to waive fees for 2022, so there is no cost to join!

We have a spacious new studio at Sundial with plenty of room for two grand pianos, a console piano, the classroom keyboards, and the donated sheet music library that is free to members. If you've never played on a grand piano, or you need somewhere to practice duets - this is the place. The space also gives us room for small groups and we have instituted "In the Studio," a monthly music lecture

which includes performances. The inaugural lecture covered the blues. Who knows what will happen next?

If you like live piano music, then you will love the Piano Club. It's as simple as that. People think that you must perform or play the piano, but that isn't true. Most members either don't play the piano or don't play for the club. They just listen and enjoy. If you do wish to learn to play or improve your playing, we offer affordable lessons from caring teachers.

Additionally, once a year, our club presents an evening concert entitled "An Evening to Remember," open to all. The variety of talent and variation of music contribute to an exciting and dynamic program. The next concert will be held Monday, January 24, 2022 at 7pm in the Sundial Auditorium. We hope you will join us.

Vintage Vehicles of Sun City is now open in the Grand Recreation Center. The beautiful new facility is the pride of the auto hobby enthusiast. With 8,000 sq. ft. inside plus outside workspace, we can accommodate many projects simultaneously. The shop has four 4-post lifts and a well-stocked tool room. A welding shop and clean room are also available for members to use.

Cars, trucks, tractors, motorcycles, golf carts, etc. That means antiques, classics, customs, hot rods, rat rods, daily drivers or whatever else you can think of for restoration, preservation, maintenance or modification.

Whether you're a professional or amateur, or perhaps you simply like to socialize and talk about cars with others we would love to have you join us. Vehicle shows, cruise-ins, tours, and charitable work are just a few of the interesting things we do. Someone is always willing to lend a hand or give advice when requested. How-to classes are held monthly. Membership/Participation is open to all RCSC Cardholders. Stop by the shop at 10411 W Grand Ave. for a tour. For more information visit the club's website at www.vintagevehiclesofsuncity. com or phone 602-609-0973. NOTE: Stay tuned for details of the Grand Center Open House scheduled for Friday, January 14 starting at 10am that will include all clubs at this location.

Rhythm Ramblers

The Rhythm Ramblers is a big band style dance band that rehearses every Tuesday from 1 to 3pm in the Fairway Music Room from 1-3pm. RCSC Cardholders are welcome to come and listen. The band puts on a Tea Dance the first Tuesday of

every month in the Sundial Auditorium from 2:30 to 4:30pm, performing swing, line dance, waltzes, tango, and other styles. Singer Barry Dale croons tunes in the style of Frank Sinatra and other big band songsters. The band provides ice and cups, and dancers and listeners are welcome to bring their beverage of choice. The cost for each dance is \$5 per person for RCSC Cardholders and the guest fee is \$7. For more information, please call 623-322-4131.

AFTERNOON

Afternoon Bridge Clubs meet Wednesday and Thursday at Oakmont Center and Friday at Fairway Center. All play is from 12:30 pm until 4:30 pm. Everyone is encouraged to arrive by 12:15 pm. Annual dues are \$5 for each club plus .50 cents per day for prize money. Slams are rewarded and paid from the treasury. A partner is not required and you will be paired with another player when you arrive. We play contract bridge, 4 rounds of 6 hands each, changing partners after each round. Club membership is open to all RCSC Cardholders who have a basic knowledge of bridge. Visitors (those having an RCSC card) are welcome to play for \$1 each day with a maximum of 2 visits. Accompanied guests of Afternoon Bridge club members are welcome to play any time for a fee of \$3 per day. Visitors and guests will not displace members if there are too many players. Come for an afternoon of intellectual stimulation in a friendly environment. For more information, please call 623-249-9169 (Wednesday), 623-933-9671 (Thursday, Friday).

Water Conservation

Water Saving Tips Worth Repeating

Here are some great water saving tips for around your home that are worth repeating:

- On average, 10 gallons per day of your water footprint (or 14% of your indoor use) is lost to leaks. Short of installing new water-efficient fixtures, one of the easiest, most effective ways to cut your footprint is by repairing leaky faucets and toilets.
- If you use a low-flow showerhead, you can save 15 gallons of water during a 10-minute shower.
- Every time you shave minutes off your use of hot water, you also save energy and keep dollars in your pocket.
- It takes about 70 gallons of water to fill a bathtub, so showers are generally the more water-efficient way to bathe.
- All of those flushes can add up to nearly 20 gallons a day down the toilet. If you still
 have a standard toilet, which uses close to 3.5 gallons a flush, you can save by retrofitting or filling your tank with something that will displace some of that water, such as a
 brick.
- Most front-loading washing machines are energy- and water-efficient, using just over 20 gallons a load, while most top-loading machines, unless they are energy-efficient, use 40 gallons per load.
- Nearly 22% of indoor home water use comes from doing laundry. Save water by making sure to adjust the settings on your machine to the proper load size.
- Dishwashing is a relatively small part of your water footprint—less than 2% of indoor use—but there are always ways to conserve. Using a machine is actually more water efficient than hand washing, especially if you run full loads.
- Energy Star dishwashers use about 4 gallons of water per load, and even standard machines use only about 6 gallons. Hand washing generally uses about 20 gallons of water each time.

Tips from Get Fit for Life

Four Cardio Machine Myths

"The old saying goes, What You Don't Know Can't Hurt You. But that saying is a bit misleading when it comes to cardio machines," states Jane Fortier, fitness specialist for Get Fit for Life. "What you don't know about the treadmill, elliptical, rowing machine or stationary bike may not cause physical pain, but it may significantly hamper fitness and weight-loss goals. It's time to set the cardio-machine record straight! Beware of the following myths."

Myth #1: The Fat-Burning Program Helps You Burn More Fat and Lose Weight

The fat-burning program is designed to keep your heart rate low. Research shows that working at a lower heart rate burns a higher percentage of fat. But the amount of fat burned will be minimal. Because the intensity level is less, the calorie burn is less. A 30-minute fat-burn program might consume 200 calories. While a more intense workout could burn 300+ calories. When it comes to weight loss, it's all about calories-in vs. calories-out. So don't be fooled by alluring programs. The harder you work on a cardio machine, the more calories you burn. It might be smarter to use the Manual Mode, and control the speed of the belt and the level of incline yourself. This allows you the ability to challenge yourself, if a predesigned program isn't getting the job done. Action tip: Add intervals. Interval workouts, created by you or a trainer, will always give the most bang for your calorie-burning buck.

Myth #2: The Calories Burned Displayed on Machine is Important to Workout Results

It's exciting to see the number of calories-burned after a workout. But that number is never accurate, and usually inflated. Even when a machine allows you to enter your gender, weight and age, your estimate of calories burned could be off by 10s or 100s. The majority of cardio machine manufacturers test their equipment with muscular individuals who are in excellent shape. Because of this, the estimated calorie burn that is programmed into the machine is not realistic for the average person. Just remember that the harder you work, the more calories you will burn, in the moment. If you spend a fourth of your aerobic time at the 85th percentile of your heartrate, or above, you will experience EPOC after the workout, thus burning more calories later. Action tip: Be cautious about calories burned. Invest in a good heart rate monitor that estimates calories burned based on your actual workout intensity

Myth #3: Running or Walking on the Treadmill is as Good as Being Outside

Treadmills allow you to run or walk at a variety of paces and inclines, while avoiding nasty weather. The treadmill, however, does not challenge the body as much as being outside. The motion of the treadmill belt can slightly help pull feet back, thereby allowing a stride to shorten. That shortened stride could use less energy, which means fewer calories burned. With no added incline, the treadmill is totally flat or slightly declined, which might make things easier than walking outdoors. The advantage, however, is your pace may stay more consistent on the treadmill, and there is no slowing for traffic, curbs and stop lights. Action tip: Change things up. Occasionally trade your indoor workout for a power walk or jog outside. Or add an incline to your treadmill to help offset the momentum of that treadmill belt. The incline will help to elevate heartrate, thus improving aerobic capacity.

Myth #4: Rely on the Heart Rate Display

Heartrate information is great to monitor, but it may not always be accurate on a machine. The reading is taken from your fingertips and hands! Pulse rates are generally not as strong or accurate, when measured from the hands. The displays rely on sporadic data, which is only available when you hold on to the console or handles. Sensors may be worn out and need replacement. If an individual takes Beta Blockers, the heart rate information from a machine will be skewed. Action tip: Listen to your body. Use the Rate of Perceived Exertion or the Talk Test to measure your exercise intensity. After all, you know yourself best—and that's no myth!
