The Fair Housing Amendments Act of 1988 contains an exemption regarding familial status which imposes requirements on developers and others who are in the sale and rental of dwellings. Sun City is also subject to the Maricopa County Senior Citizen Overlay Zoning District which requires that each dwelling unit be occupied by at least one person 55 years of age or older. In addition, no person under 19 years of age may reside in any dwelling unit for more than 90 days. In order to maintain the federal exemption and county zoning designation, it is necessary that we maintain information to document the age demographics of our community.
