

WISCONSIN CLUB OF SUN CITY

The Wisconsin Club is registered under the Recreation Centers of Sun City (RCSC) as a 501(c)(4) organization. There is an elected board of directors and approximately 110 members and volunteers. The Club has an annual meeting each year, with the board and committees meeting throughout the year.

The main activity of the Club is hosting the annual Wisconsin Picnic at the Sun Bowl Amphitheater in Sun City, held the second Thursday of March. This one-day event attracts between 1100-1500 current and former Wisconsin residents and friends now residing in or around Sun City, AZ. The Club encourages members to organize different events, such as attending ball games during Spring training, forming card groups, going bowling etc.

Sponsors including UW System campuses are invited to participate with a booth for a small cash or in-kind donation. Several UW campus Alumni Associations participate each year with a table, plus they donate numerous items for door prizes and/or our silent auction.

The day is organized around food, music and refreshments with a Wisconsin theme. Attendees are charged a small fee for a grilled brat or quarter pound hot dog, beans, chips, plenty of cold beer, soda and water, and a band. There are opportunities to participate in cash drawings, win a donated door prize, and bid on donated silent auction items.

Proceeds from the event provide grants to Sun City organizations such as the Sun City Library, Fire Department, PRIDES (beautification organization), RCSC, and Posse.

Wisconsin Picnic is a day of music, laughter, and good old fashion Wisconsin camaraderie. Please plan to join us and/or volunteer for a committee.

Wisconsin Facts

The statue on top of the capital in Madison is a woman, Miss Forward
