

Lawn Bowling a sport many have misunderstood and may not understand how active its members are.

It as been around for longer than most sports, started in Egypt

It is a growing sport

The year before Covid, Mt. View recorded **3,700 bowlers** on its' Green

In 2021 volunteers gave **120 S.C. residents** three- one hour lessons

In 2022 volunteers gave over **100 residents** lessons

OVER 70% OF THESE RESIDENTS JOINED LAWNBOWLING

The club held **27** days of social events for bowlers

conducted **6** days of novice tournaments (new bowlers only)

conducted **4** one-hour tournaments for new bowlers

They held **13** days of national and regional tournaments,

RCSC had to approve the tournaments and rental fees were paid

National and international tournaments provide unique publicizing for Sun Cities advantages to future residents.

All these activities were conducted even though, due to health concerns, many people have not yet returned, and it has been the coldest, wettest winter in a long time.

Attendance numbers show that over 21,000 bowlers used the greens in 2022

That is second only to Pickleball

It is fulfilling the goal of making SUN CITY AN ACTIVE COMMUNITY
