Spanish is the second most common language in the US, with more than 53 million speakers. Being conversant in Spanish will serve you well while traveling, volunteering, working, or talking to service providers. Added bonus: language acquisition is good exercise for aging brains!

Whether you are new to the Spanish language, want to re-awaken skills learned long ago that are now dormant, are a moderately advanced student looking to improve your conversational chops, or are just interested in the social side, you will find Spanish Club offers it all!

Some of our instructors are native speakers. All are enthusiastic and patient volunteers. Join us to have fun learning or improving your Spanish in a supportive environment and make new friends in the process.

Our Club Depends on Volunteers!

The Spanish Club is dependent
entirely on volunteers who donate their
time to organize classes and activities.
When joining the club, you agree to
assist the club in some way.

Our fantastic instructors volunteer their
time. If you, or someone you know, are
interested in teaching a class or
seminar, please get in touch.

Our communications and social
committees assist the board in
publicizing the club and organizing
events. Like to make posters? Have a
place to explore? Know someone who
would be an interesting speaker? This
may be the perfect volunteer
opportunity for you!

At times, positions on our Board of
Directors are open. Our Board works
with RCSC for classroom space,
updates our website, writes articles
and emails, keeps the membership
data base, tracks revenue and
expenses, and more.
