Review/Amend Prior Meeting Summary: The Summary from the April 8, 2024 meeting was accepted as presented.

Discussion Items:

In light of the recent announcement by General Manager (GM) D'Luzansky regarding the creation of the new media center at the Sun Dial Recreation Center, the committee members in attendance engaged in a discussion to attempt to identify exactly what the new media center staff will be doing and how it will impact the future of Sun City in Focus (SCIF).

It appears that the new media staff will be superseding/replacing the SCIF Committee at some point in the future.

Co-Chair Nettesheim reported that the GM shared that he does not want the committee to disband.

The committee members in attendance expressed their reservations about continuing with the committee due to the obvious duplication of efforts.

Co-Chair Nettesheim asked the committee to consider a "trial collaboration period" with the new media group. The trial period would commence on September 1st and last for 90 days.

The members agreed to the trial period.

Action Items: None

Next Meeting Date: September 9, 2024 at 4:00pm at Lakeview Board Room

Mike Ege, Secretary
