**COC Reports:**

Chair Collins reported that there are continued conduct issues in a couple of clubs. He referred to the message General Manager, Matthew D'Luzansky, shared at the June 10, 2024, Exchange Meeting on member behavior and consequences. Also noted that club members need to talk through disagreements in the club room with the club's Board. Club member conduct reports are the responsibility of the club board. COC is encouraging clubs to move to using the rules and regulation template which lists the steps to take when a club receives a conduct report.

**Old Business:**

Dennis Stokely created a survey for club participation for summer/holiday children's events. The club office will review with the Safety and Compliance Team prior to sending it out.

**New Business:**

A question arose regarding guests participating in club activities more than 14 times a year. It was confirmed that this is the current policy. The policy is being reviewed for clubs that will disband if the current policy is enforced.

Co-Chair Borski will be editing Board Policy 12 this summer for review in September.
