Scotch Doubles Tournament Rules

1) Eligibility

    a) Each bowler must be 50 years of age or older.

    b) A team may only submit one entry. The same two bowlers cannot bowl as team in both squads. However, a bowler may enter into both squads if they bowl with a different partner.

    c) Each entry must be a team of 2 bowlers. Any gender combination can be used to form a team, so long as the team's combined average does not exceed 400 (see Averages section).

2) Format

    a) This will be a 4-game Scotch Doubles Handicap Event.

- This is an alternating shot format.
- Choose a teammate to bowl first. From there, the team will alternate shots until the conclusion of the fourth and final game. A bowler will never bowl consecutive shots.
- This also applies to the end-of-game -> start-of-game shots. Whichever teammate did not bowl the final shot in the preceding game bowls the first shot of the subsequent game.

    b) The tournament will consist of 2 Squads (9 AM and Noon).

    c) The scoring method will be 9-Pin No-Tap.

3) Averages

    a) **Each bowler will use their highest average from the 2023-2024 season.**

    b) If no 23-24 average, use 22-23 average or 2024 summer league average.

    c) A team's combined average **_must not exceed 400._**

    d) If you only bowl in No-Tap leagues, you are welcome to enter. We have a conversion chart for your average. Note - The converted averages (not the No-Tap averages) will be used in regard to determining whether a team's combined average is under the 400 combined average cap.

    e) If a bowler cannot provide a verifiable average from the options above, they will be assigned an average of 220.

    f) All averages are subject to re-rate by the Bowling League and Tournament Manager.

4) Handicap is based upon 90% of the difference between 400 and the team's combined average.

5) Payouts

    a) The tournament shall have two divisions based on team average.

    b) The division specifications shall be determined once all entries are received.

    c) 1 out of 3 entries shall be paid out for each division.

6) Squad Time selection

    a) Entry into squads will be given on a first come-first serve basis. Each squad is limited to 48 team entries.

    b) On the day of the tournament, bowlers will have the opportunity to sign up for the same squad time for the following month's tournament.

    c) If bowlers wish to switch squads for the next tournament, they will need to wait until the following day to submit their entry form. A spot in the other squad is not guaranteed.

7) An effort will be made to grant all requests to bowl with a certain group, but it is not guaranteed.
