

Happy New Year, Sun City!

Message from General Manager Matthew D'Luzansky

Every new year starts fresh, some more so than others. My daily hope and prayer is for healing in our minds and bodies, our local community, our state and nation, perhaps even the world over, and beyond...

In 2024, we completed several millions of dollars of projects across our centers, and courses, and parks, improving facilities and ensuring they meet the needs of most members. Highlights can be seen all around Sun City and throughout this Special Edition Update.

Here's to continuing this momentum in 2025 as we work together to make our community even better!

This special annual edition of Sun City AZ Update newsletter is packed with information, featuring contributions from several local organizations, recaps from RCSC teams and departments, and highlights from our chartered clubs.

Our clubs are excited to welcome new members and showcase the incredible successes and activities of the past year. Alongside these stories, you will find helpful information about our community.

Since 'Recreation' is our first name, and is at the heart of who we are, we hope you will discover plenty of options to recreate and to enjoy our centers and golf courses in 2025, whether it's joining clubs, swimming, or simply hanging out with friends.

We at the RCSC are grateful to our members and Board. We do not always get everything right, but we persevere to improve, adjust, regroup, and forge ahead.

For me personally, I look forward to a tremendous 2025, building on what has been learned in the last 15 months. My pledge to you all is to do my best each and every day with God's help.

Happy New Year, Matthew D, GM

DOCUMENTED PROCESSES: Jon Loeschke

The RCSC has taken a significant step toward enhancing operations and member satisfaction by implementing an Integrated Process of Excellence (IPE) program. This initiative is designed to streamline and improve processes using proven quality principles while creating a robust set of much needed documented processes.

The IPE program focuses on fostering a culture of continuous improvement among staff. As part of the initiative, team members are actively mapping and documenting key processes and refining Standard Operating Procedures to ensure greater integration, efficiency, and effectiveness in service delivery, and all we do. By prioritizing quality and consistently enhancing how we operate, we aim to deliver an even better experience for our valued Sun City members. Through the IPE program, RCSC is not only optimizing our operations but also reaffirming the commitment to providing exceptional services that meet and exceed the expectations of members, staff, and the entire community.

IPE was kick-started last spring with the help of renowned quality guru John Cachat. This fall we brought on Jonathan Loeschke with his decades of experience to assist in the documentation and training of all RCSC. This effort will fundamentally change our working and training environment for the better - forever.

Staff have outlined and mapped 35 processes to date, with 26 processes currently in progress across multiple locations.

Standard Operating Procedure documentation has also been initiated for several completed processes.

BOWLING CENTERS: Reid Gibbs

In 2024, the two bowling centers saw increased member participation through the introduction of new leagues, tournaments, and open play programs. Popular offerings such as No-Tap League bowling, Scotch Doubles Tournaments, and Angry Birds open bowling were enjoyed by members throughout the year. We also completed our summer preventive maintenance program on all 40 pinsetters to proactively address potential issues. Additionally, new bowling pins were purchased for both centers.

In 2025, we will continue to grow our established programs and introduce new ones that our members will enjoy. Coaches are available for those looking to improve their game. Bowl with the Coaches, held the first Thursday of each month at Lakeview Lanes from 10:30am to 12:00pm is a free, low-stress opportunity for members to explore whether they would like to get back into bowling. We look forward to seeing you there.

The Bowling Department is dedicated to providing excellent customer service, always seeking new ways to assist the members of Sun City.

When you visit our bowling centers, you'll find friendly, welcoming staff eager to help.

RECREATION CENTERS: Mike Dirmyer

Over the past year, numerous improvements have been made across various community facilities, enhancing both functionality and aesthetics.

At Bell, several clubs saw significant upgrades, including the Ceramics Club, which had its facility renovated with a new kiln and electrical switch, and the Stitchers Club, which received new electrical circuits, outlets, and light fixtures. Other enhancements included new worktables for the Silvercraft Club, new light fixtures for the Crafts Club, and a buck-boost converter for the Artistic Stained-Glass Club's kiln. The Bell Center benefited from extensive upgrades, such as new network cabling, tree trimming, fire sprinkler maintenance, and parking lot resealing and repainting.

Bell Lanes saw improvements like relined soil waste pipes, a new refrigeration system at George's Café, and updated pool and billiard tables. The library received new HVAC units and electrical circuits, while the Pools and Spa had a thorough overhaul, including descaling and washing of various pools, and the removal of outdated equipment. The Wood and Metal Shops were updated with new light fixtures and a fresh coat of paint, while the Social Hall's floor was refinished and the roof repaired. The Sports Concourse's restrooms were renovated, and the Mini-Golf Course and Tennis Courts both underwent significant improvements. Additionally, Duffeland Dog Park continued to provide a safe, clean environment for pets and their owners. Fairway saw updates to pool pumps, filter materials, and pool furniture, as well as improved lighting in several areas.

Grand Center had prompt small repairs, clean windows, and well-maintained parking lots, while Lakeview Center completed a restoration of the lake by adding the fish, added new paddle boats, and new pool area furniture and awnings.

Marinette refurbished its walking track, installed new lights over outdoor pickleball courts, and hosted two pickleball tournaments. Mountain View invested in new pool heaters, furniture, and landscaping, while Oakmont upgraded its lawn bowling area, pool deck, and fitness center. The Sun Bowl Amphitheater and Ballfield received a new softball building, fresh paint, and new lights for walkways. Lastly, Sundial underwent several pool upgrades, including new pumps, filters, and tile repairs, and improvements were made to the Sun City media room, Weavers Club, and outdoor furniture. These upgrades demonstrate a commitment to enhancing the community experience across the centers.

FINANCE: Kevin McCurdy

2024 represented a major step forward in the level of Member involvement and transparency in the RCSC budget process. Starting this year, a newly-formed 5 Year Planning team comprised of members of the Long Range Planning Committee, Budget & Finance Committee, and RCSC Staff completed a 5 Year Plan for RCSC. This Plan includes a 5 year Operating Budget, Capital Project forecast, and PIF forecast. The Clubs Office Committee is now responsible for prioritizing and submitting club requests for the annual Capital Project budget. Long Range Planning is responsible for the long range PIF forecast, and Budget & Finance is responsible for the Operating and Capital Project budgets. The new budget process is detailed in RCSC Board Policy #16, which is available for review on the RCSC website.

Perhaps the most consequential change to the budget process was made to the funding of capital projects. In the past, these projects were funded with net excess generated from normal operations. This funding method was not predictable, as net excess often deviated substantially from the budget. With the adoption of BP16, RCSC has put in place two funding streams for Capital Projects, including the CIF fee as well as a predetermined percentage of annual assessment income being allocated to Capital Projects. This new process has created a more stable and predictable funding stream for future Capital Project budgets.

In 2024, RCSC budgeted \$6.7 million towards Capital Projects, which was a substantial increase from the \$3.2 million budgeted in 2023. This increase has allowed RCSC staff to complete many repairs and improvements to facilities that have been deferred in prior years. Details on some of the key projects completed this year can be found in the Facilities update. The 2025 capital project budget continues this trend, with another \$6.2 million budgeted to Capital Projects next year.

In the Accounting department, Controller Angie Nelson and her team are hard at work migrating to a new accounting system – Sage Intacct – that will significantly streamline the accounting process. The new system will allow better integration with other applications such as the payroll system, and will make report writing and distribution far easier and more automated. Sage also has a budgeting module that will allow RCSC to automate much of the budget process.

The Cardholder Services Office, led by Holly Fields, is one of the first departments that Members get to know by welcoming new or potential residents to the RCSC. Cardholder Services is dedicated to making all visitors feel welcome, and to finding time saving ways to complete their tasks. Cardholder Services' main initiative is going paperless as much as possible, which will allow the team to work more efficiently, and save time and money. The paperless initiative will continue into 2025, as will efforts to allow more transactions to be completed on our Web Portal, allowing Members to conduct RCSC transactions from the comfort of their own homes or on their smartphones.

HUMAN RESOURCES: Tami Kramer

In 2024 we had another exciting year in the Human Resources Department. A total of 151 new employees were hired for various positions at the RCSC. We have also transferred an additional 85 employees, 12 of whom were promoted. We strive to promote from within the company.

HR has been working on the new process improvement program so that all managers and supervisors clearly understand the processes in Human Resources and what their roles are in these processes.

We are constantly looking for ways to improve our processes by using functionality in our payroll system - Paylocity. One of these procedures introduced this year was electronic onboarding. Using Paylocity for onboarding new employees is a huge advantage in efficiency, consistency, and time for both the employees and the Human Resources Department. It is a positive experience for both new employees and the HR team members involved in the process.

We are looking forward to 2025. We will be introducing our new employee handbook and continue to look for highly qualified candidates to join our wonderful organization.

SAFETY & COMPLIANCE: Stephanie Haholy

In 2024, the Safety and Compliance Department focused on making RCSC a safer and more enjoyable place for all members and employees. Key achievements included introducing SafetyPlusWeb, a system that helps us respond to incidents more quickly and keep facilities safe and secure. We also launched a new Fleet and Driver Safety Policy to ensure our vehicles are well-maintained and operated safely. To protect everyone during Arizona's summer heat, we provided electrolyte replacements, shared regular safety tips, and trained employees to prevent heat-related issues, resulting in zero heat-related incidents for the year. These efforts allow you to enjoy your RCSC facilities knowing safety is a top priority.

Facility security was a major focus this year. We upgraded access control and camera systems at Oakmont and at the Softball Complex, giving members peace of mind while using these spaces. In 2025, we'll take access control a step further by replacing the old token system with smart HID cards, making it easier and safer to access RCSC properties. We also rolled out the STOP for Safety Program, encouraging our staff to identify and fix potential hazards before they cause problems. By investing in these initiatives, we are creating a safer, more secure environment for you and your loved ones to enjoy.

We also worked hard to improve communication and Member engagement. The Customer Engagement Platform makes it easier for you to share feedback and stay updated, and we are making it even better with upcoming improvements. Our new employee Safety Council meets monthly to ensure concerns are heard and addressed.

(Continued from Previous Page)

As we look ahead to 2025, we are excited to expand these programs and continue building a community where safety and security allow you to focus on what matters—enjoying all that RCSC has to offer. Thank you for being part of this journey, and be kind to each other. Have a safe and healthy 2025!

INFORMATION TECHNOLOGY: Peter Orillo

2024 has been a year of tremendous growth, challenges, and collaborative efforts to push boundaries and deliver exceptional service to our community. One of the key achievements has been the substantial progress made in modernizing our IT infrastructure at RCSC, including:

- Transitioning to fiber internet connections,
- Implementing SD-WAN across locations,
- Enhancing WiFi accessibility and connectivity,
- Rewiring our MDF rooms to improve connectivity and ensure compliance with Maricopa's regulations, and
- Upgrading from 2012 Active Directory and file servers to a 2022 Windows Server

These efforts have established a solid foundation for a more modern, reliable, and future-ready IT environment. A particular highlight this year was the success of the Arts and Crafts event. Our enhanced WiFi connectivity at Sundial provided fast and reliable connections for Club members' Point of Sale (POS) systems, facilitating seamless transactions. This accomplishment not only validated the effectiveness of our upgrades but also showed our ability to deliver impactful results.

In addition to infrastructure improvements, we have prioritized fostering an open-door policy to better serve our members and staff. This year marks the beginning of our efforts to cultivate a more approachable and visible IT culture. The IT Department is committed to collaboration, providing effective solutions, and delivering the high-quality service our community deserves.

Looking ahead to 2025, we are excited to embrace new opportunities for growth and improvement. From further advancing our technology infrastructure to fostering stronger interdepartmental collaboration, the IT Department remains committed to supporting the Recreation Centers of Sun City.

FACILITIES: Mike Wiprud

The Facilities Department is committed to enhancing the community's experience and well-being by consistently prioritizing projects that deliver positive, meaningful improvements. Whether addressing over 4,000 work orders to repair and maintain existing facilities or undertaking new initiatives—such as upgrading lighting for energy efficiency, resurfacing courts and pools for safer recreation, or adding new amenities for convenience and enjoyment—every effort is

guided by the goal of creating a welcoming, safe, and high-quality environment for members.

In 2024, the Facilities Department demonstrated its dedication to excellence by completing more than 100 capital projects, representing \$5 million in improvements. Highlights of these accomplishments include:

Bell Recreation Center:

Prioritized major investments in lighting upgrades, resurfacing projects, and equipment enhancements:

- Resealed the Parking Lot
- Remodeled Tennis Bathrooms
- Resurfaced Mini Golf

Fairway Recreation Center:

Completed several important upgrades with the largest project being the relocation of the check-in desk:

- Relocated the Check-In Desk
- Added Extra Parking Lot Lighting by the Best Friends Dog Club
- Replaced the Pool Kool Deck

Mountain View Recreation Center:

Created a more attractive, safer, and fun environment for visitors while increasing the course's longevity and appeal:

- Mini Golf Rehabilitation

Grand Recreation Center:

Improvements were made for the space to enhance functionality, increase comfort, and create a more aesthetically pleasing environment:

- Green House Repairs
- Completed Individual Club Punchlist Items

Lakeview Recreation Center:

Completed various upgrades focusing on both functional improvements and aesthetic enhancements:

- Replaced the Pool Kool Deck
- Added an ADA Chair Lift at the Pool
- Resurfaced the Parking Lot at Lakeview Lanes

Marinette Recreation Center:

Focused on significant improvements with emphasis on enhancing recreational facilities:

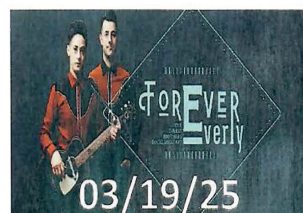

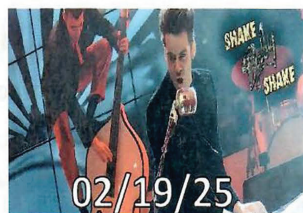

- Installed New LED Outdoor Pickleball Court Lighting
- Installed a New Running Track Surface
- Added Wall Mounted Ballet Bars in Auditorium

Oakmont Recreation Center:

Implemented several key upgrades with a focus on enhancing security and upgrading the pool area:

Get ready for an unforgettable season of music and entertainment!

ACTIVITIES & EVENTS: Maureen Almazan

In 2024, the Activities Department successfully organized and enhanced a wide range of community events, including a well-attended new summer program, and the Scarecrow Spectacular at a fall Sun Bowl Concert. Activities improved safety and efficiency by working closely with the Sun City Fire Marshal and both the RCSC Utility and Safety and Compliance teams, ensuring that event setups meet code in addition to enhancing volunteer training.

The Activities Department also expanded volunteer participation by 50% at Sun Bowl and doubled the volunteers helping with the concerts at Sundial. Additionally, the department fostered stronger relationships with entertainers, food truck vendors, and local clubs, increasing the variety of entertainment and improving overall event experiences. Continuing efforts by the Activities Department staff also included improving communication, event logistics, and collaborating on new initiatives for 2025 including a new fall Mini-Sundial Ticketed Concert Series.

The Audio-Visual-Lighting team successfully mixed, recorded, cropped, rendered, and posted 34 corporate meetings, including Board and Exchange meetings, Town Halls, and forums to the RCSC YouTube channel during the past year. Board candidate videos were also posted for public viewing.

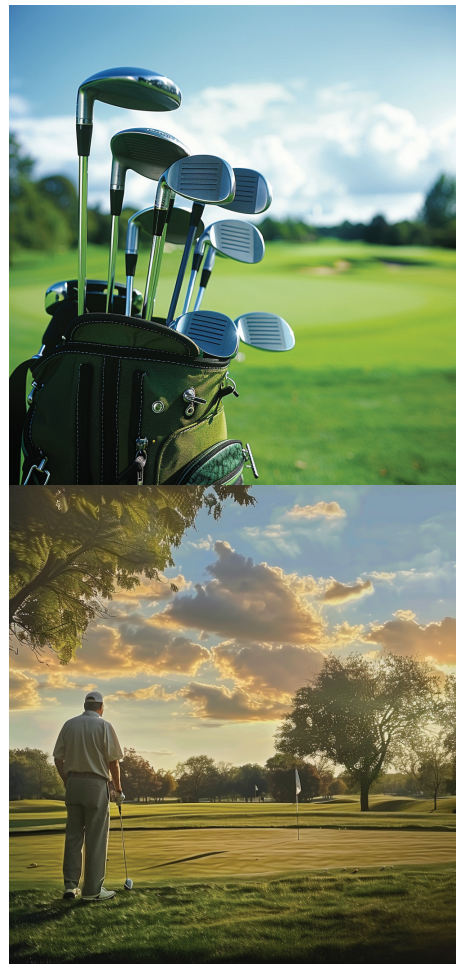

The AVL team produced 32 major concerts, recorded eight community events, and supported 21 club performances with complete technical audio-visual production. The team also fulfilled 49 requests for audio/video setup assistance for routine meetings and 42 private event setups.

Upgrades included replacing nine video projectors, re-mounting large TVs, and replacing audio equipment at various venues. Staff enhanced wireless microphone reception at Mountain View and supported new stage platform orders and lighting console installations at Sundial.

Additionally, the team renovated the former Mac Club room into a media studio, built an audio music library for a new streaming station, and purchased new cameras and drones for in-field footage. Built software environment and audio music library in preparation to launch new RCSC "Recreation Radio" streaming music station. The current music library and primary playlist based on Top 40 hits from the 1950s through 1990s that now contains over 5,000 tracks. In addition, specialty playlists have been created including Christmas, Country, Dance, Funk, Motown, Orchestral, Piano, and Jazz. We've also produced Custom Station ID announcements and updated many promotional videos, including Recreation Center highlights and history, for our community's televisions.

GOLF OPERATIONS: Brain Duthu

- January through April bump rate % (unsuccessful lottery requests) reduced by **25%** compared to 2023.
- Completed a thorough reduction of dead/dying trees throughout golf courses.
- Turnover reduced from 38.6% in 2023 to 28.2% in 2024
- Courses maintained conditions and will fall within water allocations despite record breaking heat.
- Switched from Trimmis Equipment Management software to Toro
- Front 9 of North (Tif-Tuf) continues to be well received and saw significant growth this year.
- Successful bid process for Quai Run renovation project – with plans in place to add frisbee golf.
- Snack Shops worked with Coca Cola to provide refrigerators in pro shops to expand our hours of beverage and snack offerings in the pro shops at no additional cost to RCSC.
- Though much work remains to be done have seen a decrease in weed populations across most courses, estimated at 20 – 30 percent.
- Superintendents have developed changes to oversee process to better deal with the increased heat and a provide a more consistent product. We will stagger start dates and utilize a dedicated oversee crew(s) that will oversee all courses.

News from the Sun City Foundation

The Sun City Foundation {SCF} Board of Directors would like to thank the community for its generous support during 2024. Donations from various clubs, individuals, businesses, "Golf with the Pro Tournament," and the outpouring of support from the December Holiday Celebration all provided very important charitable resources.

In 2025, the Foundation's Directors are committed to providing even more resources to the long-standing fee assessment payment program for our most vulnerable residents. Also, new charitable donor opportunities for our community will become available, and the Foundation will begin to seek grants from corporations, public and private foundations and government sources where appropriate, such as the National Endowment for the Arts. Grant writing often requires matching funds, partner organizations, existing programs, budgets of certain amounts, and other qualifications that currently do not exist. Patience with grant writing will be required.

The Foundation's Board will be reaching out early in 2025 to share more information about its charitable purpose, its relationship with RCSC and the positive role it can play in our future.

Thank you again for your generosity and we look forward to seeing you in 2025. Please feel free to contact the Foundation with any questions you may have. You may reach Directors through the Corporate office at 623-561-4600 or board@suncityaz.org. Your message will be forwarded to the SCF. We hope new contact information will be established soon. Please stay tuned.

2024 Annual Report

The Long Range Planning Committee (LRP) presents to the Sun City Board of Directors (BOD) a summary of accomplishments for 2024.

Goal #1: Support 5-Year Plan with projections for revenue, spending and capital projects with the 5-Year Plan Sub-Committee.

Accomplished:

- RCSC General Manager (GM) formed a 5-Year Plan Joint Team with members of Management, the Finance Budget & Audit Committee and the Long Range Planning Committee.
 - Deferred maintenance plan in place and in-progress.
 - Capital Reserve Study in-use.
- Collaborated with the Finance, Budget & Audit Committee in hosting two very successful Town Hall Meetings in October 2024 that presented and explained the planned 2025 Budget and proposed changes in the member's annual assessments and various fees.

Goal #2: Analyze and Report on ASU Study Efforts – provide commentary, recommendations, and/or conclusions to rest of Committee.

In Process:

- Working with GM on developing a tool to create another member survey during Q1 2025.

Accomplished:

- Reviewed and summarized all aspects of the ASU Survey project and combined data for analysis, recommendations, and action using the survey, focus groups, benchmarks, trends, future residents' data.
- Met with the GM and shared findings during the first quarter of 2024.
- Produced a presentation to share at the BOD meeting and presented recommendations:
 - Walking paths, fitness center modernization and hiring a fitness coordinator, establish social gathering spaces, add upscale dining.
 - No recommendations have been enacted to this point.

Goal #3: Create a process and reporting system for data & trend analysis (interface with the Technology Committee).

In Process:

- Utilization of data gathering.
- Determine valid trends to track and develop useful summary metrics to improve data usefulness.
- Develop a year-end review of the data analyzed.

Goal #4: Create and implement a plan for communication with Management, the BOD, other Committees and the members.

In Process:

- 2024 LRP Summary of goals met - share with BOD, add the summary to the Annual Sun City Update, and consider a RCSC Podcast.

Accomplished:

- Presentation of ASU Survey Recommendations at BOD Meeting in March 2024.
- Recommended a motion for the Sun City Foundation mission expansion in September 2024.
- Town Hall support for Budget, Finance & Audit Committee in October 2024.

Goal #5: Draft a plan for 5-10 Year Capital Projects and PIF as well as Master Planning.

In Process:

- Create a process for the Business Case form and supporting documentation.
- Continued education for users of the business case form to improve the quality of submissions that the LRP receives.
- Determine a timeline for the next big project(s) and begin data gathering, meeting, and communication process (i.e. Lakeview).

Accomplished:

- Board Policy (BP)16 updated and passed.
- PIF Business Case Form Created.
- 10 Year PIF Forecast submitted and approved by BOD.
 - Master Plan inadvertently removed from the 5 Year Plan.

Welcome Newly Elected Board Directors

The RCSC Board of Directors election last month had a total of 1,214 ballots cast.

The successful candidates elected to serve on the RCSC Board of Directors starting in January 2025 for full three-year terms are: Tom Foster who received 907 votes, Rick Gray (866 votes), and John Bressett (823 votes). Chris Nettesheim (with 743 votes), and Anita Borski (677 votes) will each serve one-year terms.

Congratulations to those elected and thank you for your willingness to serve the community. Board Officers will be selected and announced in early January.

Fairway Sterling and Stones

Fairway Sterling and Stones is a great club that offers a multitude of opportunities to create and learn. Whether you are a novice or a seasoned artisan, you will be welcomed to discover the captivating world of rocks, silver, copper and glass. We offer the chance to create in lapidary, silver smithing, copper smithing, lost wax casting, glass fusion, wire wrapping, metal clay, chain making and enamel.

From the first time you enter our club, we assist you in honing your skills so you can create your dream pieces. New members are taught basic essential skills and basic soldering skills. They can also choose to take a basic glass fusion class. After this there is a large variety of workshops and classes offered. At each workshop or class, you will create a unique and beautiful piece of jewelry.

Not only do we have all the equipment and tools needed to produce a beautiful piece of glass or jewelry, we have wonderful members who are willing to share their knowledge and expertise. It is a very friendly club and a delightful place to spend your time while starting or continuing your creative journey.

All are welcome to visit Fairway Sterling and Stones at Fairway Center (Room 136). We also sell beautiful creations in our Jewelry Shop, which is open Monday through Friday from 9am to 3pm. All RCSC Cardholders are invited to become members. We hope to see you at the club!

The three classes for the American style of Mah Jongg will be on consecutive Fridays, January 31, February 7 and February 14 from 12-3pm in the East Hall of the Sundial Recreation Center. The \$15 fee includes classroom instruction, play with experienced club members and club membership fee for 2025.

Preregistration is required. For questions or to register, call Diane Val-low at (574) 457-6702 or Ila Greiner at (602) 312-0419.

The Sun City Concert Band Wants You!

Thinking it might be fun to play that band instrument you haven't touched for awhile? The Sun City Concert Band offers you the opportunity to do just that. Whatever your background, you'll probably meet someone just like yourself in the group. Our current membership includes current/retired professional musicians, retired music educators, engineers, insurance agents, attorneys, and others from a wide variety of backgrounds who have a love for music.

The concert band plays a wide variety of music, performed at free concerts for the enjoyment of the community.

Band director Ken Jaeger is a graduate of Arizona State University with an M.S. degree from Southern Oregon University. He served as band director at both Tolleson and Westview High Schools, where his bands received over 100 high ratings and more than 300 music awards.

Charles Musgrave, the associate director, has an extensive background as a music educator and director of numerous bands.

Rehearsals are on Tuesdays from 9 to 11am in the music room at Fairway Recreation Center from September through April. We perform four concerts each year. Participation fee is \$10/season. For more information, please contact Jane Higgs at 623-910-6355.

Friday Night Social Dance Club at Sundial

Do you like to dance, or have you ever thought of learning to dance? Dancing has many health benefits. It increases cardiovascular fitness, coordination, agility and flexibility. In addition, it helps improve your mental, social and emotional health.

Here in Sun City at the Sundial Auditorium, we have the best dance floor in the Valley. Most Fridays at 6:15pm, you can learn a variety of dances like Swing, Rumba, Cha-Cha, Waltz, Foxtrot and Tango. And the popular slow dance Nightclub 2 Step. There is a beginner class for those just starting out, and an intermediate class for those with some more experience. You will have time to learn enough to get on the dance floor and have some fun.

From 7-9:30pm, social dancing for singles and couples will give you a chance to socialize with others as well as dance to a wide variety of music. A few line dances are also included. Annual club membership is \$5 per year and is open to all RCSC card holders. Admission is \$5 for members and \$10 for escorted guests.

For more information, visit our web page at suncityaz.org/recreation/clubs/friday-night-social-dance-club/, email: scfridaynightdance@gmail.com, or call Alex at 763-221-7198.

Get Creative at Bell Ceramics

Bell Ceramics underwent a recent club renovation including fresh paint, new flooring along with the creation of added functional space. It turned out beautiful thanks to all involved. Club members really enjoy the improvements, and membership has increased the past year leading to renewed enthusiasm, knowledge, energy, discovery of many talents along with newly formed friendships.

We have numerous instructors starting with our dynamic & knowledgeable Beginner Instructor, Glenda. Classes are every Friday from 9am to noon. Classes/workshops are scheduled twice a month on various techniques. Club members with years of experience teach & share their ideas.

The club store has greenware, paints & other supplies. The sales floor showcases finished products for sale. The club has 2,000+ molds, all stored & categorized for easy access. Binders with information, including photos of finished pieces are available. Your inner artist is waiting to run wild!

Club meetings are held the second Friday of the month (September through May) at 9:00am. This is a time when we get together, have coffee & donuts then sit down to make those important decisions on the future of the club.

Fundraisers are held in the club, such as sock drives for the homeless, food drives for a food bank, etc., Giving back to the community is important to all our club members. Seasonal parties are held when socialization is the reason for the season! The club looks forward to two big events each year: 1) the Fall Arts & Crafts Festival held the Friday & Saturday after Thanksgiving at Sundial Center, 2) Spring Fling Festival held in our club room which will be in early April this year. This event gives us an opportunity to open our doors to welcome all to see our amazing club space & meet many of our talented ceramists. Door prizes are given to the 50 first attendees. A Make 'n Take allows you to get "hands on" training. Both festivals showcase the creative pieces our members are offering for purchase.

Club Hours:

Winter – Mon & Wed 9a-7p; Tues, Thurs, Fri 9a-3p; Sat 9a-noon

Summer - Mon & Wed 9a-7p; Tues, Thurs, Fri Sat 9a-noon

We would love the opportunity to get you started on your creative journey. Stop by and see fun, comradery, laughs & creativity in action. The coffee is always on! Hope to see you soon!

The heart of Rock 'n Roll is still beating at Classic Rock Dance Club right here in Sun City. We rock out in the Bell Social Halls on the 1st and 3rd Saturday nights each month. Singles and Couples are always welcome. Our DJ plays the hottest dance music and we have also contracted with several high energy bands for 2025.

Admission on DJ nights: \$3/members; escorted guests \$7. Band nights: \$8/members; \$12 escorted guests. Please have correct change, cash only. Annual memberships are available for RCSC card holders for \$5 and can be purchased at any dance with a current RCSC picture card. Prize drawings on band nights.

Doors open at 5:30pm, dancing 6:30-9:30pm. Club provides cups, ice and napkins. Bring adult beverages and snacks. Jan 18-Thaddeus Rose Trio will be in the house; Feb 15-Valentine's celebration with Johnny K & Kompany band.

Email us at classicrockdanceclub@gmail.com. For brochure of bands and DJ dates go to <https://suncityaz.org/recreation/clubs/classic-rock-dance-club>. For more info, call 623-523-4203.

Artistic Weavers & China Painting Open House

The Artistic Weavers and China Painting Clubs are hosting the third annual combined Open House & Craft Sale on Friday, January 24 from 11am to 2pm, and Saturday, January 25 from 10am until 1pm at the Oakmont Recreation Center, 10725 West Oakmont Ave, Sun City, AZ.

There will be members demonstrating their artistic skills at both clubs. Watch Artistic Weavers Club members use looms to weave imaginative, colorful works of art, or create woven baskets from a variety of materials. At China Painting, members will show how porcelain china "blanks" are painted using a variety of techniques to create unique usable artwork.

Refreshments will be available at China Painting. Both clubs will also have drawings for some fabulous hand-crafted door prizes.

The clubs will have member-made works available for sale. Chose that perfect gift for someone special. Cash and checks are accepted.

Do Your Downward Dog with Hatha Yoga

Strength, flexibility, and balance are key fitness goals for everyone, and the Hatha Yoga Club can help you get there! We offer Mat and Chair Yoga classes year-round, Monday through Saturday, both daytime and evening sessions. Our certified yoga instructors provide comprehensive guidance, offering step-by-step instruction along with modifications to fit different needs.

Our classes welcome practitioners of all levels, allowing everyone to progress at their own pace and according to their body's needs each day. A fundamental principle of yoga is to listen to your body. If you face difficulties with certain poses due to conditions like knee problems, arthritis, or muscle strains, our instructors are ready to assist you in modifying the poses to fit your needs.

Located at Sundial Center, we offer a variety of classes, including Mat Yoga, Chair Yoga, Restorative Yin Yoga, Yoga Basics, Stretch & Explore, and Hatha Vinyasa Flow, along with intensive workshops and fun pop-up classes. Annual membership is \$5.00. Classes are \$5.00 or you can purchase a 10-class punch card for \$40.00. Hatha Yoga Club truly has something for everyone! For more info and class schedules, visit our website at HathaYogaClub.org.

Bell Artistic Stained Glass

Bell Artistic Stained Glass Club is Sun City's only stained glass club dedicated completely to stained and kiln-formed glass art. We boast many talented members and qualified instructors.

Membership is open to all residents of Sun City who have a current RCSC card. Before joining the club, you are required to take the Basic Beginning Stained Glass Class. Classes are offered morning, afternoon and evening in an effort to accommodate your schedule. For more information, email us or visit our club. You can register for the beginning class, receive a tour of our facilities and browse our shop of items made by our members. When you tour our facilities, do not hesitate to stop by workstations and observe what members are making. We love to explain what we are doing and demonstrate our craftsmanship and knowledge.

After taking the beginning class, you will have full use of the club's equipment and tools. You will be able to sign up for other classes our club offers such as: 3-D Iris, stepping stones, sandblasting, or kaleidoscope. A Principles of Fusing class is available to those with an interest in making fused glass projects.

When you visit our club, be sure to ask about the Stained Glass Carousel and hear the story behind this amazing piece of artwork.

Come Join The Fun At Fairway Ceramics

We're more than just a Ceramics Club. We are a place to gather, meet new people, and visit with past friends. We are a full-service ceramics club with a large supply of greenware, paints, and other supplies.

Many days you will find members pouring greenware to stock our shelves. Firing is done on premises by volunteers and member-created pieces are on display to view and purchase. No experience necessary! We offer beginner workshops as well as advanced painting. There are many members willing to help get you started and show you different techniques.

Since we don't currently have a waiting list for classes, and you can start right away! Dues are \$15/year and six hours of monthly volunteer work in the Club is required. Club Hours are Monday through Friday from 9am to 3pm and Saturday from 9am to 1pm. We are located in the Fairway Recreation Center, Suite 218. Stop by and see what we have to offer and take a tour of our wonderful facilities

Bell Stitchers

Do you know how to sew? Even if you don't, we have the club for you.

Bell Stitchers is a club that is 100% charity driven. There are members with all levels of skill working on projects that give them joy and a sense of accomplishment. Projects include items for many charities, clothing and items for babies and children, and unique boutique items that are sold in our club. All sales bring in money for new machines, supplies and tools to support our love of sewing.

Stop by our club room and see us or visit the Farmers Market at Bell Center's parking lot on Thursdays (9am-1pm). Membership dues are \$3/year and have remained the same for the past 51 years. We are thankful to so many people who have brought in donations of fabric, thread, tools, kits, supplies and even machines over the years. Sometimes we can't use everything; so, we pass it along to other clubs. Social time is 10:00am every day when we drink coffee and share treats. It's a good time to catch up with other members and have a few laughs.

Come join us during our Club Hours: Mon-Sat 9am to 3pm; Tues 9am to 8pm.

Don't Miss Out – Subscribe to RCSC Emails!

Did you know we have nearly 12,000 Sun City members on our email list? Sounds like a lot, right? But it's actually less than half of our total membership! We work hard on these emails to make sure you stay in the know with all the latest updates. And guess what? Subscribing is SUPER EASY – easier than making par on one of our golf courses (okay, maybe not that easy, but close).

Here's how to join the fun:

1. Head to our website at suncityaz.org.
2. Scroll down until you see the big SUBSCRIBE box (it's hanging out next to a photo of a golfer).
3. Type your email address into the blank field.
4. Check your inbox for a confirmation email from us. This step makes sure you actually wanted to sign up and not your mischievous friend trying to sign you up as a prank.

And that's it – you're in! We look forward to keeping you informed and connected.

Please Remember

Pet Policy at RCSC

While many of us love and enjoy the company of our beloved canine companions, please be aware that RCSC bylaws do not allow household pets to visit RCSC properties (unless you are planning a trip to Duffeeland Dog Park or are attending an event hosted by the Best Friends Dog Club if pets are permitted).

These rules apply to all RCSC properties which includes all parking lots, the Sun Bowl property and the weekly Farmers Market at Bell Center. In addition, please refrain from walking dogs on RCSC golf courses. Your cooperation with this RCSC policy is greatly appreciated.

Service Animals trained to do work or perform tasks for a person with a disability are always welcome.

Sunshine Service is a local organization serving the geographic community of Sun City since 1962. We are here to supply our residents' needs for durable medical equipment as well as loaned household equipment to help when grandchildren visit.

~ We're here to make your life easier ~

Keep in mind, we're not all about illness and injury. We're also about the happy time when family comes for a visit. We can help with the needs of your grandchildren such as High chair, stroller, Pack 'n Play.

~ We're here to make your life easier ~

We can fill a durable medical equipment need immediately. As an example, if your doctor recommends a wheelchair, come to us and we will loan to you. There's no need to buy crutches, canes, or walkers that you might need for just a few months, and then have to store at home or try to sell. We have them all. Borrow them from Sunshine Service. Use medical equipment for as long as they're needed and then return them to us. No charge ~ No Government paperwork ~ No waiting for approval. Out the door in minutes.

~ We're here to make your life easier ~

There never is a charge for anything we loan, but donations are always appreciated. For your convenience, MasterCard & Visa credit / debit cards are accepted in the office and online.

Now you know about Sunshine Service. Check out our website to learn more about our operation and to see all that we have available. Then stop by our office at 9980 W. Santa Fe Drive, or give us a call at 623-974-2561 and allow our knowledgeable staff to help with your needs.

TWO DIFFERENT ORGANIZATIONS

Many Sun City residents think they are members of the Sun City Homeowners Association (SCHOA) because they pay their annual RCSC mandatory fees. However, SCHOA and the RCSC are two different organizations. Property owners do pay a Preservation and Improvement Fee (PIF) and a Capitol Improvement Fee (CIP) when purchasing a home and then an annual assessment fee, all of which go to the RCSC. None of this goes to SCHOA.

The RCSC maintains anything that has to do with recreation in Sun City, which includes, the Recreation Centers, Pools, Lake, Clubs, and Golf Courses.

SCHOA oversees our Covenants, Conditions and Restrictions (CC&Rs/ Deed Restrictions) and works to protect our age overlay and monitors government regulations that could harm our community. Though our CC&Rs are mandatory, the SCHOA \$25 annual membership fee is voluntary.

We hear from people all the time how much they LOVE living in Sun City. They love the clean wide streets, and clean properties which helps property values. One of the main reasons for the look and feel of the community is because SCHOA enforces the CC&Rs. Your membership is vital. If you aren't sure if you are a member, please give us a call at 623-974-4718, we'll be happy to check your status. You can join SCHOA and find more information on our website at SunCityHOA.org.

SUN CITY
ARIZONA
RECREATION CENTERS
OF SUN CITY

As 2024 winds down, the Sun City Posse looks back and is grateful for the many accomplishments, advancements and services we have provided for our community. When 2024 ends, this all-volunteer organization will have given more than 30,000 volunteer hours patrolling streets, conducting Welfare Checks, aiding in the location of missing persons, assisting SCFMD with emergency medical calls, providing workshops on relevant-to-seniors topics, and adding a layer of security for residents who are away by conducting home Vacation Watches throughout the year.

2024 has been a year to make improvements within the Posse. Many hours have been spent upgrading systems and technology to allow us to be more efficient in serving our community. We have expanded our presence in social media to enable us to reach the community with important information about Posse services. Better monitoring and tracking systems for vehicles provide extra support and safety for our officers who patrol the streets. Two electric vehicles have been added to our fleet to help conserve fuel costs and add to a healthier environment.

But we know we cannot look back and rest. It is a new year and a time to look forward. A new Commander, Tina Anderson, and five new board members have been elected to lead the Posse through 2025. Although the Posse's mission and vision have not changed over the more than 50 years of existence, new leadership always brings new ideas and new enthusiasm for accomplishing Posse goals. The Sun City Posse is excited to play a vital role in our community as our community evolves to meet the needs of all its residents. Together we unite to make Sun City a good, better, and best place to call home.

RCSC Committees are always seeking volunteers!

E-mail - boardoffice@suncityaz.org for more information.

It is said there are only two things in life that are certain. Now you can add a third to that list: Free Tax preparation for individual income tax returns prepared and filed for you right here in Sun City. But to do so, you must get your name on the list for an appointment right away.

The Sun City Community Assistance Network (SC CAN) has hosted the AARP Foundation's Tax-Aide program every year. Clients are taken by APPOINTMENT ONLY - no walks-ins accepted, and appointment slots fill up quickly. To make an appointment, you should call or come down to the SC CAN office beginning on Jan 2, 2025. Actual Tax Preparations begin on February 3, 2025. You must call the Tax-Aide program directly at (623) 252-4837; it will be available starting on January 2 and beyond. Your questions about what you need for your appointment will be answered during appointment scheduling.

Many volunteers conduct the tax preparation annually at the SC CAN office located at 10195 W. Coggins Drive. These volunteers go through extensive training each year to bring them up to speed on the latest changes to the tax code. More than 2,000 federal tax returns and nearly that many state returns are prepared through this program annually.

SC CAN has a variety of other programs and resources in addition to the AARP Tax-Aide program to help enhance people's standard of living. Please call (623) 933-7530 for more information on other services that might be available to you in Sun City.

**Thursdays from 9am - 1pm
Bell Recreation Center**

You'll find fresh, local, seasonal produce, herbs, flowers, natural meats, value-added foods, fresh baked goods, and seafood. Several RCSC Chartered Clubs also participate. NOTE: This market is enrolled in the AZFMNP/WIC program.

Take A Step Back in Time

Sun Cities Historical Museum

Sun City celebrates its birthday on January 1, and residents are invited to step back in time and visit where it all started 65 years ago: A little house near the corner of Oakmont and 107th Avenues.

It was that day in 1960 that the Del Webb Corporation unveiled the nation's very first master-planned active-adult community. The doors were opened, and thousands of curious retirees flocked here to see what the fuss was all about.

Thousands visit Sun City's first five model homes on opening day, January 1, 1960.

Those first visitors to Sun City saw the only buildings constructed up to that point: A shopping center, recreation center, golf course pro shop, restaurant – and five model homes.

Those five homes still stand and the very first one – located at 10801 Oakmont Ave. – exists today as the Del Webb Sun Cities Museum, owned and operated by the Sun Cities Area Historical Society.

The museum contains a large collection of photographs and artifacts pertaining to the history of the Sun Cities. The museum features revolving displays and exhibits, a room dedicated to community founder Del Webb and a small theater.

The museum, located at 10801 W. Oakmont Drive in one of the first of five model homes, is now listed in the National Register of Historic Places.

The building was expanded a few years ago and is listed on the National Register of Historic Places and the museum isn't difficult to spot. Several years ago, the house was restored to its original color: bright pink!

The society relies on volunteers to operate the museum and the majority of its funding comes from memberships and donations. Please visit www.delwebbsuncitiesmuseum.org to learn more about the museum and current hours.

Financial Assistance Available for Those Who Qualify

“Neighbors Helping Neighbors”

Since 1988, Banner Olive Branch Senior Center has been providing services to our community, helping participants 60 years old or better remain healthy, active, and independent. In 2024, Olive Branch was proudly selected as "Organization of the Year" by the City of Surprise Community Legends Awards Program. This award honors those who have made a positive impact within the community and have improved the lives of vulnerable residents along with connecting residents to programs that ultimately enhance quality of life.

We know good health begins with healthy food. We provide several options for healthy and delicious meals 5 days per week. On-Site Healthy Meals served in a joyful social setting are offered Monday-Friday from 11am – 12am for a suggested donation of \$5 with an option to take the same freshly prepared meal from our kitchen "To-Go" for only \$5.00. A hearty breakfast is served Monday-Friday from 6:30am – 8:30am for \$5.

We also offer Home Delivered meals Monday-Friday with the option to have extra meals delivered for the weekend. This is a great program as our friendly drivers also get to know you and make sure you are doing well.

The Senior Center offers a variety of other programs and services including: Health & Wellness Check-ups, Benefits Check-up, Tax Preparation, Legal Assistance, Crisis Financial Assistance, Preventative Screenings, Tax Preparation and more.

We offer several classes and activities such as: Computer Lab, Safe Driving, Exercise, Movies, Free Library, Bingo | Games | Puzzles and Entertainment. We are continuously growing our programs so be sure to check our monthly menu and activity schedule at www.bannerhealth.com/olivebranch.

Olive Branch is a great place to attend social & support groups like: Low Vision Social Group, Grief Support Group and Other Community Programs. Everyone is welcome; come join us today – we're located right in the heart of Sun City!

THE TROUT ARE COMING!

It sounds like there's some exciting news for anglers at Viewpoint Lake! The trout stocking set for early January will provide great fishing opportunities, with 1,500 trout ranging from 1 to 2 pounds. As a reminder, there is a daily limit of three trout per angler to ensure fair access for everyone.

This new trout stocking follows the November 19 delivery, which included a variety of species like bass, bluegill, catfish, redear sunfish, and white amur. With the active breeding of bass and the variety of fish already introduced, Viewpoint Lake is shaping up to be a fantastic spot for fishing in the coming months!
