

RECREATION CENTERS OF SUN CITY, INC.
CommTech Committee
December 11, 2024

Chair Jim Rough called the meeting to order at 4:10pm in the Lakeview Center Board Room.

Present: Chair Jim Rough, Co-Chair Chris Nettesheim and Committee Members Mike Wendel, Chatterjee Suchindran, Mike Matusz, Susan Bjork, Randall Hutton

RCSC Staff: RCSC Club/Activities/Communication Manager Maureen Almazan,

Review/Amend Prior Meeting Summary: The November Summaries for Outreach & Communications and Technology Committees were accepted as presented.

Discussion Items:

The members of the Outreach and Communications (OCC) Committee who are part of this joint committee with Technology were not present today. It was discussed whether we should meet next Wednesday, December 18th on our regular monthly technology brainstorming session or just meet jointly as planned as this COMMTECH Committee next Thursday, December 19th. Chair Nettesheim will make that decision by next week.

We looked at the sample color palettes and choices of our new website front page from TALLWAVE, the website redesign vendor. There was consensus on the best two. Then we looked at page mockups. All pictures and videos on the site are actual Sun City, no fakes. We saw the new login portal using the RCSC Member Card Number. We saw the mobile version of the site as shown on any phone too. We also saw that their real estate changes based on whichever phone you have, from the latest to older models. The vendor is giving design suggestions.

Chair Nettesheim said that we need to brainstorm ease of use U/I for the site. Suggestion to have search bars, or a super dynamic search bar. Right now, everything is stored in TEG. We need to extract the data out of TEG to customize for each committee and use the TEAMS channels. They're running automation for all browsers. We need to come up with better ideas to influence their design. Committees, clubs, and the Board are the three biggest categories. We need to make sure our critical and confidential information is highly compartmented. We cannot forget the facilities, and signups for open times of the individual openings, and dealing with no shows.

Adjournment: The meeting adjourned at 5:10pm.

Next Meeting: January 8, 2025 at 4:00pm– Lakeview Board Room

Respectfully submitted,

Suchindran Chatterjee, Secretary
