## Visioning Update for: Mountain View Recreation Center

These past months, the design team has been actively engaging with the Sun City community to gather feedback and insights on the vision for the Mountain View Recreation Center renovation project. Recent outreach events were held at the December RCSC Holiday Celebration, Discover Sun City events, Men’s Club Bingo Night, Sundial Auditorium Concert, and Bell Lanes. These events culminated at the Open House at Mountain View on 1/27.

These events have provided valuable opportunities for the architects to meet with community members and discuss their vision, desires, and concerns. At the core of this outreach effort, community members were invited to provide feedback through a series of guided prompts. Aspirational in nature, your responses to these questions will help shape the programming phase of the project.

This variety of events were scheduled to ensure that all stakeholders had an opportunity to contribute their thoughts and ideas. The collected data will be compiled and shared with the public as we prepare to begin the Programming phase of the process.

We thank you for your participation and look forward to helping you renovate Mountain View Recreation Center into a place that the community can be proud of and enjoy for many years to come.

## Sun Cities Community Orchestra

The Sun Cities Community Orchestra is excited to perform this season under the leadership of Clark Chaffee, our new conductor. Clark has taken over as conductor after George Zoske, long time conductor of our orchestra, retired. Clark and his wife Ellie are originally from Illinois, and decided to retire here in the valley several years ago to be of assistance to Ellie's elderly mother.

Clark brings to us his expertise in music which he accumulated over 40 years as an orchestra conductor and teacher in Illinois. For the last 15 years of his teaching career he taught at Stevenson High school, Chicago. Clark is also the director of West Valley Wind ensemble and Surprise Pops Band, and serves as a consultant to school orchestras. While his primary instrument is timpani, Clark also plays upright bass and viola. Clark brings enthusiasm and a gentle, supportive approach to conducting the community orchestra. Clark explains, "With amateur groups, players need to feel comfortable and appropriately challenged, and the community is enriched by the artistic engagement which creates a vibrant environment and helps the community to thrive." Musicians and audiences alike benefit from music appreciation and from enjoying live music. Clark intends to choose music for concerts by considering themes such as holidays and considering what the community would enjoy hearing, and keeping in mind the interests of the community and abilities of the musicians. He indicated that he will choose more domestic themes in the Fall season and international themes after the holiday season.

People sometimes wonder what is the difference between an orchestra and a band? The difference is that the orchestra includes strings; violins, violas, cellos, bass, harp and piano with reduced numbers of brass and woodwinds but uses the same percussion instruments as with the band. The band includes multiple woodwinds and brass per musical part but there are no string players. Sun Cities community Orchestra concerts include a variety of musical styles; some repertoire will challenge the listener's awareness and some will be familiar. Programs include pop music and classical repertoire. The orchestra and Clark would like to express profound respect and appreciation for George Zoske for the many years he conducted the Sun City orchestra. George is credited with enhancing the orchestra by adding brass and woodwinds to what had been only a string orchestra.

The public is invited to our concerts in Sun City in 2025, concerts usually last an hour and are free with a freewill offering.

## Sun City Concert Band

The Sun City Concert Band will be featuring guest saxophone soloist Rob Verdi at its concert, "A lot of Sax and a Little Sousa" on Saturday, February 22nd at 2pm at Sundial Auditorium. Mr. Verdi received his Music Education degree from Arizona State University and was a featured soloist with the Phoenix Symphony. In 1983 he helped form the Side Street Strutters Jazz Band, which later became the house jazz band of the Disneyland Resort for 22 years. He continues to perform at Disneyland and participates in a variety of musical ensembles and projects in the Los Angeles area.

The Sun City Concert Band is directed by Ken Jaeger and associate director Charles Musgrave.

Tickets for the concert are \$10 and may be purchased at the door prior to the concert. Doors open at 1pm.

## Sun City Women's Chorus

The Sun City Women's Chorus was established in 1962 as the first chartered music club in Sun City. Our members come from a wide array of musical backgrounds.

The Chorus performs two concerts year--Spring and December at the Sundial Auditorium. The Chorus intends to bring joy to the West Valley communities through its music. It also welcomes the opportunity to sing for various area organizations. Rehearsals are Thursdays from 8:45 to 11 a.m. in the Music room of the Fairway Rec. Center.

The Chorus welcomes new members with a current RCSC card. Rehearsals for the Spring concert started Jan. 9th. For more information call Dorle Obitts at 720-239-3508.

## Bell Afternoon Dance Club

The Bell Afternoon Dance Club has been a Ballroom Dance club for over 30 years in Sun City. The club was formally named the "Bell Tea Dance", since it is held in the afternoon and dancers would dress up for the dance. The definition of a tea dance is a formal or semi-formal social event that takes place in the afternoon, where people meet to dance and have tea. However, over the years the club has evolved into a more casual, social dance. In 2024, the name of the club was officially changed to the Bell Afternoon Dance Club. The members voted to change the name of the club as a way to attract new members.

The Bell Afternoon Dance Club of Sun City welcomes dancers of every skill level to come and have fun. We believe that dancing not only offers entertainment and social interaction but also improves mental, emotional, and physical well-being. The afternoon club features ballroom dancing that includes dances such as the Waltz, Foxtrot, Cha-Cha, Rumba, East Coast Swing, West Coast Swing, Night Club 2-Step, Country 2-Step, Tango. There are also the occasional dances such as the Salsa, Quickstep, Bolero as well as several Line Dances.

The Club offers a group lesson before the dance to help dancers improve their skills. A new dance is taught every month or two months. This benefits dancers at all ability levels. The instructor is Roger Homyak, a Certified Private Dance Instructor & Choreographer. He is very talented in helping all level of dancers improve their skills. No matter if you are a beginner or a seasoned dancer, your dance skills will improve, and so will your joy of dancing.

Our skillful DJ Rollin keeps dancers happy by playing a wide variety of Ballroom Dance Music and he takes requests. We host several themed dances where the DJ will customize the music. Along with the wonderful music, light refreshments are provided. All of this creates a fun, relaxing and festive social experience.

Dances are held almost every Wednesday in the spacious Social Halls at the Bell Recreation Center in Sun City. The club dances are held October thru May. The Lesson is from 1:15 PM to 2:00 PM, followed by dancing from 2:00 PM to 4:00 PM. You can check out the website at <https://suncityaz.org/club/bell-afternoon-dance-club/> to see the scheduled dances. Singles, Couples and New Members are welcome.

## Sun City Duplicate Bridge Club

Sun City Duplicate Bridge Club is accredited by the American Contract Bridge League (ACBL). We have games Monday, Thursday, and Friday 1:00pm at Lakeview RC, social hall #1. Annual membership is \$5 and game fees are \$3 for regular games and slightly more for special games. We are a competitive, friendly group of players who consistently try to improve our bridge games, sharpen our mental skills, and win ACBL masterpoints.

Did you know that there is strong evidence that playing bridge improves memory, hones cognitive ability, and encourages social interaction? All of these are important as we get older. In fact, the March 2015 issue of the AARP Bulletin cites a survey supporting these assertions. A 2014 study by the University of Wisconsin-Madison found that playing cards, particularly bridge, can help older people retain their mental acuity. Martina Navratilova said Bridge "teaches you logic, quick thinking, patience, concentration, and partnership skills."

Bridge is a game that can be played by those with physical impairments, but It's clear that the benefits of playing bridge are enormous! Research shows that bridge players exercise more than the general population, sleep better and suffer less from depression.

SCDBC and ACBL clubs around the country have raised thousands for Alzheimer's research.

Come join us. We offer free lessons to RCSC cardholder which will begin in early February. A partner is required to play, but often we can help with that, too. Call our Partnership Chair Wendy Olson at 406-220-3041 or our President Ann Allen, at 480-221-9827 or visit us at [suncitydbc.com](http://suncitydbc.com).

## Sun City Model Railroad Club

Our primary club structure is a 1600 square foot, three level HO Scale (1:87) layout, and we are adding an N scale (1:160) layout of approximately 20 square feet. Construction of the N scale layout is expected to be operational shortly.

Many clubs in the valley model a specific railroad and era. We, however, realize that virtually all Sun City residents moved from elsewhere and most of our current and potential new members have equipment for railroads that did not operate in Arizona. Therefore, equipment from any railroad is welcome on our layout.

If you downsized your equipment in moving, we have over 60 club locomotives and 500 pieces of rolling stock available for member use. We are currently running operations sessions, simulated switching activity using a car card system in each of our five cities and main yard, twice a month on the HO layout,

The club, located in the Fairway Recreation Center, is open for membership to all RCSC Cardholders.

We are formally open for visitors Wednesday and Saturday 9am to noon, but visitors are welcome anytime members are present, usually Monday through Thursday mornings.

For more information contact Tony at 239-207-7314.

## Oakmont Ladies Exercise

With a special focus on low impact exercises designed for women over 50, club members enjoy both stretch and strengthening routines for overall better health done through a series of DVDs. The club is open to all female RCSC Cardholders wishing to exercise in a safe and supportive atmosphere.

Oakmont Ladies Exercise Club meets at 8am on both Tuesday and Friday in the Oakmont Center Auditorium. Classes last approximately one hour which includes a warm-up routine, stretching, balancing, strength, and core exercises. The class uses light weights and thera bands; please bring your own.

Annual dues are \$5.00 per year, with no daily fees. Come join the fun and feel better. For more information, call 312-343-7800.

## Pickleball Club

Pickleball is still growing by leaps and bounds. Our own Pickleball Club is averaging about 20 new members a month.

This summer the Marinette Recreation Center got a new facelift with new chairs and tables, lights outside and resurfaced. There was new concrete added in front to increase the social area.

All of the organized events are in full swing. There is something for everyone from Round Robins to Skill Improvement clinics to Club Tournaments. There is also Modified PB if you have temporary or permanent limitations, these are great ways to improve your game, socialize, and get exercise.

A Board decision was made not to have a Fall tournament this year but to put club efforts into one large tournament in the Spring.

All courts at Marinette and Mt. View Centers are "open to all RCSC cardholders" as a shared facility while club activities are for club members only. We are both a sports and social club that welcomes new members.

To learn more about the Pickleball Club you can visit our website for dates and times for all club activities and how to sign up for them. <https://app.courtreserve.com/Online/Portal/Index/9090>

## Senior Basketball

One of the best decisions I've made in my retirement was to take up senior (55 & over) basketball. Seven years ago, I weighed about 200 and was out of shape, with correspondingly concerning vitals.

Playing two times a week, without improving my diet, I now weigh 160 with good blood pressures, low heart rate etc. There's no other exercise quite like it.

Skill levels vary from quite good to novice (my level). We match people up based on that. It works out fine. We play cross court with baskets on the sides of the gym, so there is less running than full court. That way we can also play two games at once.

We play 3:30 to 5 on Mondays and Wednesdays. Since Sun City has no gym, we play in Surprise about 3-4 miles from most of Sun City. To get the location and answer any questions, call Randy at 502-298-5264.

By the way, our oldest player is 91 (and I can't outrun him)!

## Handbell Ringers of Sun City

The Handbell Ringers, a chartered club since 1967, features a performing choir of 24-26 ringers from a wide variety of musical backgrounds. They come together each week to enjoy great comradery and share their love of handbell music. The choir performs a Christmas and Spring Concert each year, and are on hiatus during the summer. They ring a diverse selection of music ranging from classical, gospel, swing, jazz, to patriotic music. A smaller 6-ringer traveling ensemble, Ramblin' Ringers, performs interactive programs for parties and other gatherings. Many clubs have booked this traveling ensemble for their seasonal Holiday Christmas party!

### Upcoming events:

- Spring Concert, "Old Time Gospel Ring," Sunday, April 6 at 3 pm, American Lutheran Church in Sun City. Selections will include: "When The Saints Go Marching In," "Down By The Riverside," and "O Happy Day"
- The traveling ensemble will feature a patriotic program theme this spring, available to book an event for March/April.

Club rehearsals are Fridays, 8:30 to 11:30am, in the Music Room at Fairway Rec Center. Club membership is open to all RCSC Cardholders.

Are you interested in ringing handbells? Do you have prior ringing experience or have a musical background? To learn more about our club, or to be added to our concert email list, visit our club website ([www.suncityhandbells.org](http://www.suncityhandbells.org)), or call Debbie: 602-882-9952.

### Exciting News for 2025: Recreation Radio is Here!

We're thrilled to announce the launch of Recreation Radio, your brand-new 24/7 commercial-free radio station! Now you can enjoy the greatest hits of the '50s, '60s, '70s, and '80s curated especially for our community.

#### Why Recreation Radio?

For years, our recreation centers have relied on music and entertainment broadcasted by another station. While convenient, it came with challenges; inconsistent reception, station format changes, objections to commercials and conflicting tastes in music, and lack of RCSC specific information.

It has been our vision to create a station that serves as the "Voice of RCSC," delivering music and messages tailored to our community's unique preferences. Thanks to the support of senior management and the upgrades made by our IT department, this vision is becoming a reality.

#### Where to Hear It

Recreation Radio is currently playing in various locations at the Sundial Center. Our goal is to expand to all centers using our business network infrastructure, and we're hopeful the rollout will be completed soon.

We're also streaming Recreation Radio online via Live365.com, (once there, type in Recreation Radio in the search bar and that will take you to the next page where you will click on the RCSC logo) now you can listen from anywhere!

#### Get Involved!

This station was built for YOU, and we'd love your input to make it even better. Send us your suggestions, critiques, and comments at [recradio@suncityaz.org](mailto:recradio@suncityaz.org). Plans for the radio station will include Club announcements for big events; Opportunities for club reps to record short messages endorsing their activities; and Positive member reviews to be shared on air!

**Let's build something amazing together your soundtrack, your community, your Recreation Radio!**
