ANNOUNCEMENT REGARDING PROPOSED MOTIONS

The Board had received many proposed motions submitted by members. All the motions relate to matters concerning the conduct of the business affairs of the Corporation and deserve further study and research by the Board and Management.

Therefore, pursuant to the provisions of Bylaws, Article IV, Section 4, the Board has elected to study the business and financial effects of the proposed motions.

The motions will not be voted on at the Members' meeting pending their review by the Board. The Board will, within a reasonable time, announce its decision regarding the business and financial effects of the proposed motions for the information and consideration of the membership.

A Message from the Sun City Foundation

As 2025 begins, the SC Foundation is anxious to start a new chapter in its long history. This month residents will find us at our new home at The Grand Center, 10415 W Grand Avenue. Furniture has been delivered, and the Board is working on all the technical issues for wi-fi, phones, printers, and a schedule for part-time office hours to better serve the community.

The Board is planning an open house at our new offices for March or early April. We look forward to having you visit with us to learn more about our programs and future plans. We will be sharing dates and times via social media, e-mail, and the Sun City Independent.

In late December 2024, we were selected to submit a community grant to Desert Diamond Casino for our "Neighbors Helping Neighbors" Fund. In mid-January we were informed that our grant was approved. On February 11, 2025, at Desert Diamond Casino – White Tanks we were presented with a check for \$17,250. If you have questions about the requirements to apply for annual lot assessment assistance, please contact the Foundation office at 623-561-4603.

To meet the requirements and responsibilities of our Articles of Incorporation, Arizona Statutes and IRS requirements, the Board has plans for a busy year. The SC Foundation was established exclusively "for the benefit of, to perform the functions of and carry out the purposes of the RCSC and carry out exclusively charitable and educational purposes." The Articles go on to say that is accomplished through the promotion and support of activities of RCSC that inure to (benefit) the wellbeing and common good of the members, promote and encourage the growth and programs that maintain and support the unique Sun City lifestyle provided by RCSC, foster and support such other activities of RCSC and other life enrichment projects, and do and perform such acts as may be necessary or appropriate in carrying out the foregoing purposes to exercise any of the powers granted to nonprofit corporations by the laws of the State of Arizona.

We will be sharing more information each month about our progress, plans and opportunities. Thank you for your interest, your support and we are looking forward to seeing you at future Foundation events. For questions or more information please contact me at aborski@suncityaz.org.

2025

RCSC Annual
Membership Meeting

Tuesday, March 11, 2025

Sundial Auditorium

14801 N 103rd Ave (at Boswell Blvd), Sun City AZ

5:00pm | Registration

6:00pm | Membership Meeting

** RCSC Members must be queued in line by 6pm for entry **
Key Fobs & Golf Cards will not be accepted.

NOTE: RCSC Member Cards (with photo) MUST be
presented at time of registration

Members of the Recreation Centers of Sun City, Inc. are encouraged to attend this year's RCSC Membership Meeting, scheduled for Tuesday, March 11, 2025 in the Sundial Auditorium. Registration begins at 5pm and the meeting will start at 6pm.

This meeting gives members in good standing an opportunity to be part of the process and your participation at this event will show your commitment to planning for our future.

RCSC Member Cards (with photos) must be presented in order to register for this meeting. Neither golf cards nor key fobs will be accepted. Members must arrive by 6pm and no privilege cardholders will be allowed to attend this meeting.

Proxies Basics From Connie Jo Richtmyre Elections Committee Chair

Under RCSC Bylaws, general proxies are permitted for use at the Annual Membership Meeting. A proxy is defined as "The authority to represent someone else, especially in voting. It is a document authorizing a person to act on the behalf of another." A general proxy gives one member's voting power at the Annual Membership Meeting to another member for the various motions before the membership. The member giving the proxy has no control on how the proxy holder will vote on any motion.

If a member has signed a general proxy for the March 11, 2025 Annual Membership Meeting, prior to the motions posted on February 25, 2025, the member should review the motions as posted. The member must understand how each motion will impact RCSC in conducting business.

If, upon review of the posted motions, a member is concerned about previously providing their proxy and the member wishes to vote a specific way on any motion, they may choose to:

1. Do nothing. The proxy holder will vote on each motion as the proxy holder chooses or
2. Contact the Proxy Holder and ask how the holder will vote on each motion. The proxy holder must vote the entire block of proxies they hold either Yes or No. Splitting of proxy votes is not permitted or
3. Rescind the Proxy by contacting RCSC Corporate Offices to rescind the proxy or attend the Annual Membership Meeting in person. RCSC will notify the proxy holder the proxy is rescinded.

The 18-hole ladies of North Golf Course have hosted a Pink Ribbon Charity Golf Tournament for the past 28 years, with The Women's Diagnostic Center being our beneficiary for the past 13 years. Due to our efforts over the years, the Women's Center has added an ultrasound/biopsy room to their facility and dedicated it to the Pink Ladies of North Golf Course. We continue to raise money for them to update equipment and cancer detection programs. This year we held our tournament at North and at Lakes West golf courses. The ladies of Lakes West provided volunteers and the use of their golf course on Tuesday, November 5, 2024. Without the help of Lakes West ladies, we would not have been able to field 244 golfers (both men and ladies).

We raised \$17,000 for the Banner Women's Diagnostic Center and \$5,000 for the Banner Alzheimer/Parkinson Research facility. We presented checks to these locations on February 12th. All money raised is from the local area. It is amazing that we have so many individuals who help in some way to make this tournament a success every year. We are so very grateful.

Garden Club of Sun City

Do you love flowers and trees, fresh vegetables and fruit, or desert succulent and cactus? Most everyone enjoys nature and the wonderful way it presents itself. Come and join the folks who love being a part of nature, and those that nurture it and are nurtured in return. This club brings together folks that enjoy learning about nature, and those that just love to play in the dirt.

Our monthly Membership meetings are held on the first Tuesday of each month, September through May from 8:30am until 10:30am at the Marinette Center in the South ballroom. During the meeting there are guest speakers that provide a learning presentation that pertains to gardening. We learn about soil preparation, water conservation, how to feed our plants, pest control, and all aspects of the growing cycle here in the Southwest desert.

The club has a wide range of social events throughout the year. From open houses of our Community Garden to Garden tours of our individual gardens. We offer events to meet and share your interest in growing from other gardeners here in Sun City. We offer field trips to points of interest around the community to learn about the great natural divergence offered by Arizona.

The Garden Club has a community garden at 9106 W. Greenway Road where we lease plots to members who have a limited outdoor space at their homes, or simply wish to do their gardening with others. Within the community we have a certified Monarch Waystation and pollinator garden, a team garden space where crops are shared with the community, and an area designated for germination and growing cactus.

The community garden hosts an open house from 9-11am on the third Saturday of the month, January through April. The Club operates a Greenhouse at the Grand Center, next to the Club Office. The greenhouse allows early starts of plants, and alternative growing techniques like deep water hydroponics and flowing nutrients hydroponics. The Club also provides care and upkeep to the Rose Garden at the Sun Bowl. Our members learn about rose gardening in the desert while volunteering to keep Sun City a beautiful place to live.

The Garden Club office is open on Monday, Wednesday, and Friday 9am to noon, year-round. The office is located at the west end of the Grand Center. Come meet us, tour the greenhouse, and learn about all this club has to offer. Contact us at 623-875-5921 or gardenclubofsuncity@gmail.com. Our website is gardenclubofsuncity.org

Sun City Calligraphy Club

The Sun City Calligraphy Society has been active almost since the dawn of Sun City. The club currently has over 100 members and remains a very active club. Club President Carolyn Gurney, along with other instructors teach various forms of Calligraphy every week during the spring, fall, and winter. The first class offered is Introduction to Calligraphy, where students learn about the art of Calligraphy. Calligraphy is not about penmanship. Calligraphy is defined as "beautiful writing". Calligraphy uses various strokes to produce beautiful art. In addition to learning about the history of Calligraphy, students are introduced to the various Calligraphy styles and the tools necessary to perform individual strokes, uses of ink, and the tools of beautiful writing. Once the student learns about the various forms of Calligraphy, they can then choose to learn the various styles of Calligraphy, in the many classes offered in the classroom at the Sundial Center.

Then what do you do with your new knowledge? If you look around, you will see various examples of Calligraphy in your home. Calligraphy is everywhere! The students learn to use the vast amount of equipment available to them in the Calligraphy room. Some make greeting cards, which they send to family and friends, or sell. Others learn to make posters, or other items.

Classes offered this spring include Introduction to Calligraphy, Flourished Flowers, Italics, Modern Brush, Flourished Letters, Simplified Calligraphy, Copperplate, Faux Calligraphy, and "All That Glitters is Gold." Classes are open to all members and classes are scheduled based on members requests. Pre-Registration is required. In addition to the writing classes listed above, the club also offers "Introduction to Card Embroidery," taught by Linda Wilson, an expert in card embroidery. Zentangle classes are offered with instructor Susan O'Malley, a nationally certified Zentangle instructor. Various workshops are offered at the request of members. Candy Ruggiero offers bi-weekly workshops on card making techniques. Linda Wilson also performs an in-depth orientation to the club room, introducing the new member to all the supplies and equipment available to them.

Calligraphy members are proud to make greeting cards for Sun City care facilities. These cards are handmade by the members, featuring calligraphy, for Valentine's Day, Easter, Mother's Day, Thanksgiving, and Christmas. These cards are made utilizing donated greeting cards from Sun City citizens. If you have left over cards that you have received for these holidays, we will gratefully accept your donations and repurpose the cards!

We are not just about the fun of producing beautiful calligraphy, we also have social activities such as our recent pizza party/meeting and show featuring the "Unique Fashion Show." Our ice cream for breakfast is also a popular activity!

The Calligraphy room is open for you to visit on Mondays from 1-3, Thursdays and Fridays from 9-11. Greeting cards and other items are available for purchase during these hours. Membership is \$8 per year. We welcome both men and women into our lively membership! For further information contact Carolyn Gurney at 520-709-9745.

Sundial Craft Club

Sundial Craft Club Meets Its Mission. The mission of the Sundial Craft Club is to: Provide a welcoming environment for crafters to gather and share their time, talent, and treasures, creating items for donations for those in need, along with their own use. Sundial Craft Club members work tirelessly in creating items for the local nursing homes, adult day health center, hospice, school district, services for veterans and services serving victims of domestic violence. A wide variety of items are handcrafted to meet a variety of needs.

The club offers many opportunities for developing and advancing skills in a variety of crafting pursuits. These include knitting and crocheting, card making, scrapbooking, crystal art, heritage albums and more as new crafts are introduced. The design and composition of creations made by club members are welcomed by the many recipients of these products.

Scrapbooking has developed a unique product that provides a picture page for residents in local nursing homes to have in their room with a picture of themselves or family members which not only provide decoration for the room but also serve as a reminder of family and friends. This can also be used as an orienting tool for persons to direct them to their room. One cannot always know the impact a given craft item can have on an individual.

The club is open 6 days a week. A fall schedule is available. For those interested in joining, please contact Trena Brauer (630-363-0721) for more information.

Kachina Bridge Club

Kachina Bridge Club is a non-sanctioned duplicate bridge club. We play by all ACBL rules. We meet every Monday at the Sundial Center at 12:00pm. We use computerized Bridge Mates for our scoring. If you are interested in a friendly, relaxed game of duplicate bridge, this is your answer. If you are interested in joining us, call Kay Capps at 623-853-3062 or Sharon Heinrich at 651-592-5939. If you need a partner, we will find you one or come with your own partner.

Mah Jongg Club

Mah Jongg is a fascinating, rummy-like game played with tiles rather than cards. It requires strategy, mental agility and, of course, some good old-fashioned luck.

You play as an individual (no partners or teams) against one to four other players. The goal is to make runs, pairs, even and/or odd numbered combinations that match the sequences designated on the National Mah Jongg League card. The game is engaging, challenging, and a lot of fun!

The club is a group of enthusiasts that play at all levels of competency from beginners who just learned to play to players with decades of experience. Most participants play for a modest amount of money with a loss cap of \$4, however; some groups may elect to play just for fun.

If you are interested in joining us, regular play is held every Tuesday, 11:30am to 4pm at Sundial West; every Thursday, 5:30 to 9pm at Marinette Social Hall and every Sunday 11:30am to 4pm at Marinette Social Hall. Bring your current National Mah Jongg League card and join us. Membership is open to all RCSC card holders for \$5 per year. Guests are also welcome to join us for \$2.50 per day.

Don't know how to play but would like to join? Lessons are available once a year in January. Please see the November issue of SunViews for more information and to register for the classes.

Please contact Judy Weiss at 407-687-1578 for more information about the club.

Bell Silvercraft Club

Bell Silvercraft became a RCSC chartered club in 1976 when the Bell Recreation Center opened. From the outset, emphasis was placed on creating quality sterling silver jewelry within a friendly and helpful environment. It has been our tradition to establish a very active class and training program.

When a new member joins, they are introduced to a variety of sterling silver techniques, including basic soldering skills, creating and making custom bezels for cabochons along with the safe and proper use of professional equipment available for your use. This introductory class will lead you through the process of creating your own custom ring with mounted cabochon, as well as a sterling silver bracelet. These classes are taught by one of our skilled and experienced members with a limit of 4 students per class, so you will have ample opportunity for one-on-one instruction and guidance.

Once you have completed this class, you will be able to use the basic tools and silver techniques to start creating your own sterling silver jewelry. This isn't the end of the training opportunities available. There are many classes on advanced techniques and the other types of silver work that we offer, including lost wax casting, broom straw casting, and inlay work. Chain maille, twisted wire work, along with a variety of bracelet and choker techniques and styles are examples of additional techniques taught along with specialized equipment techniques using a hydraulic press, arc welder, and countless specialized tools.

We also offer many demonstrations on soldering and fabricating techniques. This dedication to helping our members is what has established our reputation for creating high quality and creative silver work that is hard to surpass. As your skills improve, you may want to submit your silver work to be placed in our sales room.

2025 promises to be an exciting year for the club as we have goals to incorporate technology updates to our point-of-sale, inventory and communication software and hardware.

Our sales room is open Monday through Saturday from 9am to 3pm and the workshop area is open Monday through Saturday 8:30am to 3:30pm. We are located in the

Bell Center Arts and Crafts Village, right behind the Sun City Visitors Center.

You may come into the work area and/or the sales room for a guided tour anytime during our open hours.

Club membership is open to current RCSC Cardholders. For more information, please call 623-933-8442.

Vintage Vehicle Club of Sun City

Vintage Vehicles of Sun City is not just about Hot Rods and Muscle Cars. We are a Restoration and Social Club. We offer a state-of-the-art restoration shop where you can work on your car, truck, motorhome, motorcycle or golf cart. The 8700 sq. ft. shop is equipped with five lifts, a sand blasting booth, industrial sewing and welding equipment and tools...oh man do we have tools. Even if you don't know a wrench from a plier but love cars and hanging out with the cool kids, Vintage Vehicles is for you. We have weekly breakfasts, cruises, a weekly bowling outing, monthly potlucks and women's luncheons.

Once a year we throw a bash at the Sun Bowl, a Spring Fling Car Show, where you can feast your eyes on over 300 beautiful vehicles. You'll find everything from Little Deuce Coupes and GTO's to new mid-engine Corvettes. There is even a car that sports removable seats and a picnic table. The air is filled with Classic Rock and enveloped in the mouth-watering smells of kettle corn and food trucks. This year's Show is Saturday, March 1st from 9am-2pm at the Sun Bowl. Come enjoy the show and see the fun you've been missing. We hope you'll join the party. Vintage Vehicles of Sun City...for the cool kids.

Piano Club of Sun City

Do you like listening to live piano music? Do you play piano and enjoy socializing with other Sun Citians who do?

The Piano Club meets monthly, year-round, every third Friday at 9:30 am in the Sundial Recreation Center auditorium. Several members and visitors give short performances based on monthly "themes," such as movie songs in May and holiday songs in December. Come early to mingle with other piano-loving Sun Citians. Why not wander up to the stage and try out the grand pianos before or after the performance? During the (winter) season, an impressive array of snacks is available. The club's annual concert, "An Evening to Remember," occurs in February.

The Piano Club Studio is on the second level of the Sundial Recreation Center. Inside are two grand pianos, an acoustic console piano, and several electric keyboards just waiting to be played. Would you like to learn how to play? Group and private lessons are available for a fee.

The club also hosts various piano-related functions in our studio. Our stage fright group aims to help pianists of all skill levels work toward performing on a big stage. Finally, the club's donated library features all genres of music, along with lesson books and solos for all levels of students.

Dues are waived for 2025. Come join us!

BENEFITS OF MASSAGE

Massage therapy provides numerous physical and mental benefits, promoting overall well-being. It helps reduce stress by lowering cortisol levels while boosting serotonin and dopamine, leading to improved mood, relaxation, and better sleep.

Physically, massage enhances blood circulation, allowing oxygen and nutrients to reach muscles more efficiently, reducing soreness and tension. It also stimulates the lymphatic system, aiding in detoxification and boosting immunity. Massage is effective in pain relief, helping with conditions like back pain, arthritis, and migraines by reducing inflammation and improving mobility.

Additionally, it increases flexibility and range of motion by loosening tight muscles and connective tissues. Beyond physical benefits, massage supports mental health by reducing anxiety and lowering blood pressure. Techniques like Swedish or deep tissue massage cater to relaxation or muscle recovery needs.

Regular massages contribute to a healthier lifestyle, relieving stress, easing pain, and enhancing overall body and mind function.

Exciting News for 2025: Recreation Radio is Here!

We're thrilled to announce the launch of Recreation Radio, your brand-new 24/7 commercial-free radio station! Now you can enjoy the greatest hits of the '50s, '60s, '70s, and '80s curated especially for our community.

Why Recreation Radio?

For years, our recreation centers have relied on music and entertainment broadcasted by another station. While convenient, it came with challenges; inconsistent reception, station format changes, objections to commercials and conflicting tastes in music, and lack of RCSC specific information.

It has been our vision to create a station that serves as the "Voice of RCSC," delivering music and messages tailored to our community's unique preferences. Thanks to the support of senior management and the upgrades made by our IT department, this vision is becoming a reality.

Where to Hear It

Recreation Radio is currently playing in various locations at the Sundial Center. Our goal is to expand to all centers using our business network infrastructure, and we're hopeful the rollout will be completed soon.

We're also streaming Recreation Radio online via Live365.com, (once there, type in Recreation Radio in the search bar and that will take you to the next page where you will click on the RCSC logo) now you can listen from anywhere!

Get Involved!

This station was built for YOU, and we'd love your input to make it even better. Send us your suggestions, critiques, and comments at recradio@suncityaz.org. Plans for the radio station will include Club announcements for big events; Opportunities for club reps to record short messages endorsing their activities; and Positive member reviews to be shared on air!

Let's build something amazing together your soundtrack, your community, your Recreation Radio!
