Golf Report

Pro Shops

We will be hosting a Beat-the-Pros on Thursday, December 8 at Willowcreek Golf Course. This event is held in conjunction with other RCSC events throughout the year to raise funds for the RCSC Management Team annual chosen charity. This year the chosen charity is the Sun City Foundation. The Sun City Foundation supports RCSC members who have outlived their resources through assistance with RCSC annual property assessments and transportation. Through the foundation RCSC members are able to continue using the facilities and remain active and social. The format will be a two person scramble.

Through August, total revenue has exceeded budget by \$102,882 and prior year by \$272,210. For the year 93.4% of rounds played of been played by residents and their guests. Total merchandise through August is \$7,500 ahead of budget and \$8,243 ahead of prior year. We thank everyone for their support. Please remember, though we do not carry a regular inventory of golf clubs, we can special order equipment from any supplier. In most cases we can match the price offered at big box retailers on current year items.

Snack Shops

Through August, snack shop revenue is running \$13,243 ahead of budget. The shops that reopened on October 22 are scheduled to close at 3pm, but are given the discretion to remain open as long as demand dictates. We have recently added Pabst Blue Ribbon and Miller High Life to our beer selection.

Courses

Overseeding has progressed largely as expected, with temperatures favorable for germination, although a little too high to put the bermuda into dormancy. Riverview experienced technical issues with various controllers on the course related to firmware located within the controllers. These issues hampered the ability to water areas on several holes and resulted in operating controllers manually.

The South course recently underwent a minor tee box renovation on the 10th and 17th holes. The tee boxes throughout the course have been revamped and the course reopened with a new tee system following overseeding. The tee boxes will closely resemble the setup on all courses, with yellow (tee it forward), red, white, blue and black (championship) teeing options. Yardages and ratings from the previous teeing system have not changed significantly; however, the new system does eliminate the combo tee system, which was a source of confusion.

Gary Brawley, our golf course architect, was present during the recent Willowcreek/ Willowbrook green committee meeting. Gary presented the design of each green to those in attendance and was available to answer any questions or concerns. It is important to note that the design concept for the green renovation on Willowcreek has always been different than North and Riverview. The concept has never been to reimagine the design concept of the current greens. The purpose of this design is to soften the greens that are currently too severe and to change the soil profile to the USGA design. The design of the greenside bunkers will not be changed, with the exception of hole number 5. The bunker that currently guards the front right of the green will be removed, at the request of the committee.

Grounds and Lawn Bowling

Watering on Lawn Bowl greens has been reduced, though it is important to note that the warm October temperatures have not allowed the bermuda grass to enter dormancy. Though watering is significantly reduced in the winter, the bermuda grass still needs water throughout the winter. We have asked the club presidents to encourage their respective clubs to regularly move mat locations throughout the winter, to avoid unnecessary wear in any one area.

Register now for upcoming sessions of the "Get Golf Ready" program.

A Moment with President Schroeder -**Your Input is Always Important**

Now that the general election is behind us, it is time to focus a little closer to home and once again come together as a community.

Each December, RCSC Members have the opportunity to elect three new Directors to the Board. This year, due to a resignation, we'll be voting for up to four candidates. The fourth candidate with the least amount of votes (provided it is at least 100) will complete the two-years remaining for the position temporarily filled by Director Ron Jesse.

While RCSC Board of Directors Candidates might not be the big politicians with large campaign coffers like those running for national or state offices, all are RCSC Members who believe in Sun City AZ and that they have something to contribute to the process.

The Elections Committee continues to do a great job getting qualified candidates so that we have been fortunate for the last few years to have true and honest elections (more candidates than vacancies to fill is becoming the norm which is fantastic).

I hope that you have taken the time to review the candidate biographies and literature and have attended one of the Candidate Forums which you can also view online via the YouTube link from the www.sunaz.com website. Perhaps you have already cast your ballot through the safe and secured RCSC Web Portal and are now just waiting for the results.

We must remember that those elected will be at the table helping to make the decisions that will affect you and me for years to come. Let them know what you think. If not now, then make it a point to start attending the monthly Board/Member Exchanges (held normally on the second Monday of each month at 9am in the Lakeview Center Social Hall) and express your concerns.

Many changes are happening in Sun City AZ – some for the good and some which many folks don't care for. Some changes are out of our control and others that are required. After my

time on the Board, I can honestly say there's a lot more to it than I realized.

And that's a good thing. Every new Board Director goes through a learning process as they come up to speed with all of the rules, regulations, requirements and restrictions. The processes and yes, even the politics, that must be addressed in order to make sound decisions, worthy of saying "I made the best possible choice given the information that was provided." It is really the best any of us can do.

There are many who say that Sun City AZ is the greatest active adult retirement community in the country and I happen to agree. Your opinion and feedback in this process is still important. But there is not room literally for everyone at the table. We have to work within the parameters and with processes as they exist today.

Talk to the candidates running for the Board. What do they think is working and what would they like to see changed. If you agree, then at least you know there are two people with similar ideas.

The value and values in Sun City AZ make me proud to call this home. I've stood up and made a difference. Now it is nearing the time for me to step aside. Perhaps next year you'll wish to do the same.

For now, it is time to vote.

Management Updates

Financial Report:

We have completed our third quarter with every division in a positive variance position from budget. Gross Income, Wages, Payroll Taxes & Benefits, Repairs & Maintenance and General Operating Expenses all ended September 30, 2016 well within budget. Utilities, however, ended the quarter \$101,069 over budget year-to-date at quarter end. Utility costs are controlled primarily by weather and with a hotter than normal spring and fall we have been unable to operate within our budgeted utility expenses. In the golf division annual golf pass income increased \$40k from prior year, as did Cardholder Green Fees by \$47k. The Public Daily Green Fees increased by \$77k because all courses were open which created more tee times open for public play this year than last. Managing this \$20M operation requires one to balance the needs and wants of the RCSC Cardholders, the RCSC personnel and the corporation. I feel like we do a very good job at keeping all of those in balance.

Bowling:

Signups for the annual New Year's Eve Party at Lakeview Lanes will begin at 9am on November 1, 2016. The party starts at 8pm with a potluck, bowling and prize drawings, the night will end with a champagne toast to ring in the new year. Everyone is welcome to the event even if you are not a bowler, stop by Lakeview Lanes or Bell Lanes to reserve your spot as availability is limited.

On October 15, 2016 Bell Lanes hosted the Sun City Bowling Hall of Fame tournament which was the most successful yet with 81 entries. The Sun City Bowling Hall of Fame committee will be announcing inductees very soon and will follow with an induction dinner.

Cardholder Services:

Payments on past due assessments in September decreased some from last month and were 3% below the monthly average for the year. Overall accounts receivables decreased by 1.3% in September. August assessments went 30 days past due at an increased 5.8% rate while July assessments went 60 days past due at a 3.3% rate. The shift in receivables from current into the past due category continued in September. Payments from our third party collections firm were down again in September with year to date payments totaling \$168,023.

Payments made by Cardholders through the online RCSC Web Portal in September totaled \$70,404. Year to date web portal payments total \$744,062. During this time over 2,800 property owners have used the web portal to make payments.

In September property transfer related balances decreased by just under 3% and lender owned related balances decreased by 30%. Outstanding balances related to property transfers now represent approximately 56% of all receivables due and 55% of past due balances.

Trustee sale notices on Sun City properties increased to 44 properties at the end of September. The number of properties owned by lending institutions decreased this month to 16 properties.

Preservation and Improvement Fees collected in September were \$577,000, which is \$276,000 over the amount budgeted. Year to date PIF fees are \$6,199,100 which is \$2,121,600, or 52%, over budget for the year.

Human Resources:

Recently we completed and submitted wage data that is required by the Occupational Employment Statistics Unit of the Arizona Office of Economic Opportunity. Required was current salaries for every employee by RCSC work location. The information is incorporated in various labor markets and is available anonymously to employers. In addition, the information may be expanded in the future for compliance with the Equal Pay for Equal Work Act.

This year Arizona minimum wage will not be known until after the election on November 8. Current minimum wage is \$8.05 per hour and based on the cost of living index would increase to \$8.15 per hour in 2017. However, Proposition 206 on the November ballot would establish a new state minimum wage of \$10.00 per hour if it passes. If Proposition 206 does not pass, minimum wage may go to the \$8.15 per hour. At \$8.15 per hour approximately 64 RCSC employees will be affected directly. The \$10.00 per hour change will have a much greater impact obviously.

The audit of RCSC's Employees 401(k) plan for calendar year 2015 has been successfully completed and the results have been filed with the Department of Labor along with the IRS Form 5500. This is the first filing we have completed through Fidelity's online web station.

We have completed and submitted a participation review questionnaire required by Blue Cross/Blue Shield. When received, BC/BS uses the information to possibly provide rate relief. Our participation rate is 98% which is an excellent rating.

Member Services:

On November 6 we will have a tribute to the Andrew Sisters as we honor our veterans. This will be a show to remember as we thank our veterans of the past, present and future, as well as their families, for all they have sacrificed for us and our great country!

Centers Operations

- Congratulations to Cory Hedges at Lakeview for his recent 5-year anniversary and to Kurt Beck at Oakmont for his 10-year anniversary with the RCSC. Both make great contributions to the successful operation of their respective centers.
- New umbrellas were recently installed at the pickleball gathering area at Mountain View.
- Now that fall has arrived, pool heaters and the thermal solar systems have been turned on. Even though it is hot during the day, the night time temperatures are dipping down into the 60's and 70's which necessitates heating the pools. Pool thermal blankets at all centers (except Sundial) coupled with thermal solar heating systems at Marinette, Bell, Oakmont and Mountain View significantly reduce the RCSC's energy costs for heating swimming pool water.

Holiday Music Revisited

One of the more delightful aspects of December is holiday music. It surrounds you, wherever you go. With the season seeming to stretch longer each year, we grow tired of it by the end of December, only to be re-inspired when it starts again next year. Just for fun, take a look at some of the famous Christmas music from the perspective of the Friends of the Sun City Libraries.

"Joy to the World" is what a good book does for your spirit!

"I Wonder as I Wander" - Don't you have this feeling as you go through the library? So many books, so little time.

"It's the Most Wonderful Time of the Year" when you browse in either of our Sun City Libraries or the Friends Bookstore, Books Around the Corner.

"Silent Night" describes the Libraries and Bookstore after hours. Bell Library is open from 9am to 5pm Monday through Saturday; Fairway Library is open 9am to 5pm Monday through Friday and 9am to 1pm Saturdays; and Books Around the Corner is open 10am to 4pm Monday through Saturday. At night they are silent.

"Let It Snow" on Monday, December 26. The Libraries and Bookstore will be closed.

"O Come All Ye Faithful" is a great theme song for Books Around the Corner. The Friends have many faithful patrons who either donate to, or shop in, our Bookstore.

"Deck the Hall," that is, walk the hall to Books Around the Corner. After all, it's just around the corner at the end of the hall in the Bell Library.

"Santa Claus is Coming to Town" and he's making a list and checking it twice. He's no different from Library and Bookstore patrons who have their list and, at our age, check it twice, sometimes three times. Nothing is wrong with that, when you find that sought-for treasure.

"It's Beginning to Look a Lot Like Christmas" at the Bookstore. Christmas Bazaar items are for sale December 5-24, and half price after Christmas.

"You're All I Want for Christmas" - If that want is something from the library, and you can't get out, call 602-651-2014. Request a Book Buddy to deliver materials to you while homebound. Your Buddy would love to be your Santa.

"Do You Hear What I Hear?" - Come to the Friends Board meeting on Thursday, December 8 at 9:30am in the Bell Library. Then you can hear what we hear.

"We Three Kings" have been added to the Friends Board of Directors. Cathy Weyers, Timothy Geiger, and Jessica Potter Slider are not exactly kings; but are they are that important to us. Thank you for volunteering and welcome to the kingdom!

"Go Tell It on the Mountain," the Maricopa County Library District and the Friends have a joint booth at Sun City's Farmers Market on the first Thursday of the month. The next opportunity will be December 1 to come to the Bell parking lot to say hello.

"Home for the Holidays" is what you should make your Sun City Libraries for December programs. To get program information, go to the MCLD website, <http://www.mclldaz.org/>. Click on Events along the top of the page. From the list of branches, select either Fairway or Sun City Branch to open the calendar showing programs.

"We Wish You the Merriest" is what the Friends want for all Sun City residents!

Water Conservation

Did You Know These Interesting Water Facts?

That leaving a garden hose running unchecked while you finish scrubbing the car wastes at least six gallons of water per minute? It does depend on the length and diameter of the hose as well as water pressure, but still, what a horrible waste to see it running down the street! If you use a nozzle, you can save, save, save.

Not only does steaming vegetables conserve more of their nutrients, but also uses less water than boiling them? The water left over from steamed vegetables has nutrients in it, so save that for making soup stock or gravy. If that seems unappealing, at least let it cool off and try giving it to your pet. If they won't drink it, pour it on your favorite plant.

Technology has given us a device that will turn your shower water to a trickle after it has reached a comfortable temperature for bathing and you're not ready to get in yet? This means you can finish your shave, drink your coffee or brush your teeth and your hot shower water is waiting without blasting streams of wasted water down the drain. Basically, the unit is a "standalone thermostatic shut-off valve" and its function is to save the hot water that's wasted during the shower warm-up process. Visit <http://thinkevolve.com/> for more information. Amazing!

That compared to a standard washer built only 20 years ago, a new Energy Star certified clothes washer uses about 70% less energy and 75% less water? Perhaps it's time to replace that old washer? Compare that new washer at approximately 10-13 gallons per load (depending on the make of machine) to the "old-school" model that uses 29-45 gallons (or more!) per load.

That drying your clothes on a rack or clothesline actually saves water? That's because it saves the copious amounts of water it takes to manufacture the electricity required to run the dryer. If it's time to get a new clothes dryer, find one with a moisture sensor. This can help cut energy use up to 15% and the dryer will never run longer than it has to. If the model or make that is most appealing to you is not made with a moisture sensor, see if it's available with a temperature sensor. This can still cut energy use up to 10%. If you use softener sheets, be sure to clean those sensors once in a while. The softener sheets can cause a build-up on the sensors, making them less efficient. And it's worth mentioning that any dryer is much more efficient if you clean the lint trap after every load.

Recycling one pound of paper – approximately the same amount found in a typical daily newspaper – can save about 3.5 gallons of water? Nice! Recycling paper uses 50% less water and saves 60% of the energy needed to manufacture paper from new materials.

The energy saved from recycling one glass bottle can run a 100-watt light bulb for four hours or a compact fluorescent bulb for 20 hours? It also causes 50% less water pollution (and 20% less air pollution) than manufacturing a new bottle from raw materials. A modern glass bottle would take 4,000 years or more to decompose; even longer if it's in a landfill. Interesting fact: glass (and aluminum) can be recycled an infinite number of times.

If you didn't know it before now, now you do! Don't forget - we're all in this together.

Every Drop Counts!
Do your part to help conserve!

Sun City Gives Back Fairway Knitters Prepare for Cooler Temps

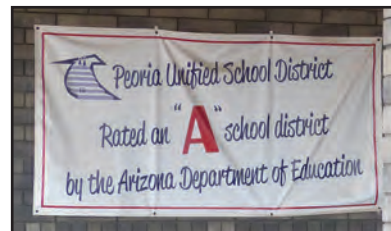

Back in September it seemed unlikely that cooler weather would ever arrive in the West Valley. But sure as snowbirds return to Sun City, winter is Arizona (such as it is) never fails to return as well.

In preparation for this change in seasons, the Fairway Knitters Club generously donated earlier this fall over 200 hand-knit and crocheted hats and scarves to the Peoria Public School District. With a value of over \$2,000, these gifts will go to teens whose families are struggling financially.

2016 is the fourth year now that the Fairway Knitters have given these items, with their donations increasing each year – from 35 in the first year, 100 in the second and now over 200!

Giving comfort that helps to warm the soul as well as the person – for both the giver and the receiver.

Thank you, Knitters! Another great example of Sun City Gives Back.

Attention: RCSC Chartered Clubs

Showcase the good deeds and charitable work your club does for local, state, national and global organizations/causes in SunViews! "Sun City Gives Back" highlights a different club each month. Let us know what your club is doing so we can let others know!

Artistic Weavers & Fiber Artists

2017 is just around the corner. Why not make one of your New Year's Resolutions be "Make new friends while you learn a new craft?"

If you're curious about loom weaving, the Artistic Weavers and Fiber Artists Club is a great place to start. Our Beginners' Weaving Course is scheduled for January, followed by Beginners Too, a program for mentoring new weavers as they continue their adventures in weaving. Navajo style, Inkle Loom and Swedish weaving, as well as specific weaving structure workshops and classes, are also scheduled for 2017.

The club offers lessons on coiling and weaving baskets, knitting and crocheting and you can sign up for individualized spinning instruction with continuing guidance from the club's "Twisted Sisters."

But our club is about more than just learning... it's about having fun on field trips, watching DVDs, listening to guest speakers, sharing knowledge and good food while enjoying the support and kindness of friends. Classes are relaxed, members are welcoming and laughter and fun are always a part of our club.

Located at Oakmont Recreation Center, the AWFA Club is open Monday through Friday, 9:00am to 3:00pm. General meetings are held on the fourth Friday of each month; annual dues are \$12 and membership is open to all RCSC Cardholders. Please stop by to learn more about our club. We'd love to have you join us!

Artists by the Lake

Artists by the Lake art club is gearing up for the Fall Season. The club meets monthly on the first Tuesday of each month in Social Hall 1 or in Art Room at Lakeview Center. In addition to the business meeting each month, there is a different art related program or demonstration. Classes are always held in the Art Room (upper level at Lakeview Center) and are available in watercolor, acrylics, oils, pastels, drawing techniques and media, and collage. There will also be a "Paint Nite Party" scheduled for any level painter to enjoy. Another unique class is being offered to members where techniques and skills are practiced to encourage and develop creativity.

Above: Specialty workshop on Paper Making for Artists, led by Daniel Townsend

Specialty workshops are held throughout the year. At the present time, some club members are working on doing a large wall mural for a local community counseling center. Artists by the Lake participates annually in the November Arts and Crafts Festival held on the weekend after Thanksgiving at the Sundial Center. New members are welcomed at any time during the year. Club membership is open to all RCSC cardholders. There is always an Orientation available to introduce members to the art room and club procedures. Artists by the Lake club promotes fun, friendship, comradery, as well as a variety of opportunities in the fields of fine art.

For more information about Artists by the Lake art club and classes, please call Janene at 623-810-9112.

500 Club of Sun City

The card game "500" has been played since the early 1900s and is a trick-taking game similar to Euchre with some ideas from Bridge. If this sounds like an enjoyable way to spend an evening, why not join us to play "500" at Fairway Recreation Center on Monday nights at 6:15pm (play starts at 6:30pm) for a friendly game.

If your game is a little rusty or you are new to the game of "500," Famous George will give you a private lesson the first Monday of the month.

Membership is open to all RCSC Cardholders and dues are only \$3 a year plus 50 cents per night to play.

For more information, please contact either Erma at 623-974-5561 or Ruth at 623-875-0311.

Handi-Capables

Please come and join the Handi-Capables. The goal of Handi-Capables is to provide a club specifically for those with physical limitations (chronic or temporary), offering the benefits of both social and fitness programs to enhance life, abilities and enjoyment.

The club meets Tuesday and Thursday at Sundial therapy pool for exercise. Two classes meet at noon, a sit down and a stand up class. For those who need assistance entering the pool, our staff is available with a power lift, ramps and water wheel chairs. A more active class meets at 1 pm.

Our social meetings are held at 12:30 pm on the first Monday of the month in the Arizona Room at Fairway. Past programs have included potlucks, bingo and live entertainment. Refreshments are served at every meeting.

Membership at only \$15 per year is open to all RCSC Cardholders, especially those with physical limitations as well as their spouse, partner, friend or care-giver. Join us whether or not you need our services. Individuals wishing to volunteer are always welcome.

For additional information, please contact President Mary Vore at 623-933-6515.

Gourmet Social Club

The Gourmet Social Club of Sun City meets the second and fourth Sunday each month at the Oakmont Recreation Center from 4:30 to 7:30pm.

At each meeting we have new and delicious meals, including appetizers, tasty meat and pasta dishes, zesty salads and mouth-watering homemade desserts. Once a month we choose a theme meal to promote variety in our meals. All entrees are prepared by our talented members. The scrumptious recipes we sample during our meetings are definitely available to take home.

After the meal we play Bingo, which includes Black-out Bingo (prizes are awarded for this game). We have a monthly Door Prize, which is also awarded.

Membership is open to all RCSC cardholders. Escorted guests are always welcome. For more information on how to tantalize your taste buds, please contact Audrey Rohan (920-716-2862) or Imogene Ida (612-481-6785).

Jewelry @ Oakmont

WELL... We changed our club name to Jewelry @ Oakmont.

Why? You might ask. The club members agreed that the new name better reflects what we are about as a club. There is also the fact that the new name has less letters than the old name and it looks much better on our brochures and business cards.

This summer we got a facelift. The outside of our building has been updated with fresh paint, stone trim, outside lighting, a wheelchair ramp and new doors and windows.

From October 1 through April 15, club hours will be Monday through Friday from 8am until 1pm and Saturday from 8am until noon. The Saturday morning hours have been quite popular this summer.

Why don't you come join us for the Snowbird Season of a lifetime? We have fun and are always learning to express our creative talents in new ways.

Anyone interested in visiting our store, joining the club and/or taking classes can visit the club during our open hours. The club is located in the Oakmont Recreation Center across from Fry's Grocery at 107th and Oakmont Drive. Jewelry @ Oakmont is open to all RCSC Cardholders.

Sun City Duplicate Bridge

Sun City Duplicate Bridge (SCDB) is the only bridge club in Sun City sanctioned by the American Contract Bridge League (ACBL). We offer three games a week for only \$2 per player. Annual dues for RCSC Cardholders are \$5. You cannot earn ACBL master points for less anywhere in the West Valley. We also provide pre dealt hands and postgame hand records.

The Club holds many special games throughout the year as well as ice cream socials, pizza parties and our annual Christmas Party. We're also the only ACBL club in the West Valley to provide free snacks at all of our games.

SCDBC is a good citizen as well. In June, the club donated \$1,100 to Alzheimer's research through the ACBL's Longest Day promotion. It has been proved that playing bridge is an excellent way to keep the mind sharp.

If you are timid about playing duplicate, don't be. Our players are very friendly. We will even try to find you a partner if you don't have one. Our Club Manager, Paul Weader, will begin a series of beginners' lessons on Mondays in Lakeview Social Hall 2 on January 9. For more information, you may contact Paul at 928-240-0341 or pweader@hotmail.com, or stop by our table at "Discover Sun City AZ" in January to sign up.

Our games are Mondays, Thursdays, and Fridays throughout the year at Lakeview Recreation Center, Social Halls #1 & 2. Game time is 1:00pm. Please arrive between 12:15 and 12:45pm. Join us!

Sun City Pickleball ARIZONA

A new website and new logo are making the Sun City Pickleball Club more visible and member-friendly as we look to 2017. The club, chartered in 2003, now boasts more than 800 members, an increase of nearly 500 since 2013. Twenty-seven courts are available between the Marinette Recreation Center (12 outdoor, 8 indoor) and Mountain View Recreation Center (7 outdoor). Social aspects, on and off the court, draw Sun City residents to the club, along with competitive levels of play --- camaraderie and skilled athletic exercise.

Massachusetts native Dave Sinclair and wife, Jane, moved to Sun City in 2011 and became club members. In December, Dave completes two years as club president, after previously serving as treasurer. He and Jane love their choice of becoming pickleball players. "This is a community of friends who make it so enjoyable to come here and play," said Dave Sinclair, 69, who had played tennis and squash. "And you can be as competitive as you choose, but no matter who you're playing with, there's such good sportsmanship. When someone hits a good shot, they hear about it. That doesn't happen in many sports, but it does in pickleball here. It's a wonderful place to be."

The club held a logo contest over the summer and the new look was revealed in October. And member, Bill Booth, led a revision of the club web site which now provides easy access to court availability updates, tournament entry information, a membership roster, club news, photo albums and game improvement links at suncitypickleballclub.org. Contact information and member registration information can be found on the website.

Conservation & Sportmen's Club of Sun City

We are an active club participating in outdoor sportsmen's activities. We meet monthly and discuss current and upcoming fishing, hunting, shooting, and club social activities. We invite speakers to most monthly meetings. Subjects include archery, antelope, fishing, firearms, and AZ Game and Fish topics.

We plan six to eight trout fishing day trips that run from December through March to lakes in the Prescott and Cottonwood areas. Members also fish Lake Pleasant, Verde River, the Rim and Urban Lakes.

In February, we conduct a local fishing derby on our own private Viewpoint Lake. We conduct weekly group trap and skeet shoots at Ben Avery Shooting Facility. Another group participates in rifle and pistol shooting at the same facility. Sporting Clay shoots are scheduled

monthly as well. Hunting activities include both big game and small game for those who are interested.

Our club is family orientated with both men and women actively participating. We hold monthly meetings on the third Thursday of every month September through May from 9-11AM at the Lakeview Recreation Center.

We schedule monthly social dinners year-round as well as club picnics and potlucks including a fish fry event in March and a wild game dinner in October. Club membership and participation is open to all RCSC Cardholders. A family membership fee is \$15.00 per calendar year. Our meetings are held at 9am on the third Thursday, September through May at Lakeview Center.

Sun City Clay Club

The Sun City Clay Club has been located on the upper level of Lakeview Recreation Center since 1979. Membership is open to all RCSC Cardholders. It is not necessary for prospective members to have any knowledge or experience with clay, only a desire to learn and have fun.

New members are required to take a beginning class and complete a Club Orientation. Dues are \$20 yearly. When beginning classes have been completed, members are encouraged to partake in ongoing workshops and explore all areas of clay creativity. Classes are offered in hand-building, wheel, sculpture, glazing and mosaic. A class will run four to six weeks and workshops are one day events. Class teachers are all club members and are always willing to answer questions and encourage new members with their projects. New class offerings have begun and will continue throughout the year.

Our club participates in the Fall Arts and Crafts Festival and members sell many of their pottery pieces. We also make and donate over 200 bowls to the "Empty Bowls" project which is part of a grassroots movement begun 26 years ago to help end hunger. The club organizes and hosts the annual Juried Clay Show in which all RCSC Cardholders are eligible to enter. The show will be on Sunday, February 26, 2017 and the special category is "Home Sweet Home." Visit our website "suncityclayclub.com" or call 623-933-0899 for more information.

Fun Water Volleyball Club

Whether you are a brand new resident or a native sun-tanned Arizonan, Sun City Fun Water Volleyball Club beats the heat, keeps you active and is the place to be for wet and wild fun! At each one of the 2-hour sessions, meeting four times weekly, you will be immersed in the fast-paced, energetic and friendly game of Water Volleyball.

Played in the approximately waist-deep buoyant salt water of the heated pool at the Oakmont Recreation Center, players work on their serving skills and reaction times. Plenty of laughter is the order of the day. The colorful ball is lightweight; there are two courts for enjoyment and the weather is (usually) picture perfect. Sound like a vacation postcard? It is!

There is no limit to the number of times a person or team can hit the ball during a point. Simply keep the ball from hitting the water or going out-of-bounds and you will soon be scoring points like an Olympian.

The Fun Water Volleyball Club plays Monday and Wednesday from noon to 2pm and Friday and Sunday from 2 to 4pm. Make sure to arrive at least 15 minutes before the scheduled starting time as there is a maximum number of players allowed in the pool. Grab your swimsuit and towel and see you there. For more information, please call 623-377-5091.

Grandmothers and Friends

If you like to do crafts and socialize with some very nice, friendly women, we would invite you to come and visit us. You do not have to be crafty to join, we can always find something enjoyable for you to do.

Our workshops are held on Monday mornings from 9:00 to 11:00 a.m. at the Oakmont Recreation Center located at 10725 Oakmont Drive. Our social events are held on the second Monday of each month at noon. Our agenda includes potlucks, teas, pizza parties, fashion shows, interesting speakers, ice cream socials and more.

We not only make crafts for the "Arts and Crafts Festival" held the two days after Thanksgiving at the Sun Dial auditorium, but we also make favors etc. for care centers and other charitable projects. Another of our projects is using donated, recycled greeting cards which we make into beautiful works of art and appreciate receiving and thank each of you who have donated these throughout the year.

You do not need to be a Grandmother to join us; please note "and Friends." All you need is to be and RCSC recreation cardholder in good standing.

If you would like more information on our club you can contact Shirley Kaepernick at 623-876-2016.

Tips from Get Fit for Life -

The Importance of Posture

"Good posture is necessary to keep the body aligned correctly. As we age, shoulders slump and the head moves forward. This phenomenon takes a serious toll on the spine, shoulders, hips, and knees", states Jane Fortier, fitness professional for Get Fit for Life.

"Poor posture can lead to a cascade of structural flaws, resulting in back and joint pain, reduced flexibility, and compromised muscles. When the body is poorly aligned, joints function incorrectly, causing some muscles to work harder than others. Overworked muscles become tense, while others weaken. These muscular imbalances slowly evolve into poorer posture."

The cycle of poor posture can be broken, with consistent attention to the following fitness objectives:

- **Strengthen Core** – which includes abdominals, lower back, obliques, and hips. If any core muscles are weak, other muscles have to compensate, resulting in loss of motion, balance and stability.
- **Fix Rounded Shoulders** – which results from sitting at a desk or computer, texting and smartphone usage, driving in a car with bucket seats, watching TV from a Lazy Boy recliner, reading for extended periods of time, cooking at the counter or stove, working at the sink, etc. In these forward positions, the muscles in the chest, shoulders and hips shorten, as the muscles in the upper and middle back weaken.
- **Neutralize Tilted Hips** – a condition that develops from sitting too much or spending hours in activities where the legs are bent. An anterior pelvic tilt in the hip area indicates weak hamstrings, gluts and abs, and tight hip flexors and thighs.
- **Retract a Forward Head** – this head alignment develops after hours, days and years of working at a desk, driving a car or truck, watching TV, sitting at a computer, and more recently, using a tablet or smartphone. These activities tighten the front and side neck muscles, while weakening the deep, rear muscles of the neck. Muscles in the front of the neck must be strong enough to hold the head so that the ears are directly over the shoulders.

Designing a workout that includes all of the exercises needed to improve posture might seem a little overwhelming. A Get Fit for Life personal trainer can create an exercise program that addresses posture, or any issue that concern an active aging adult. To find out more about working with a fitness professional, in any of the Sun City AZ Fitness Centers, call 623-696-6820 or visit Get Fit for Life, Sun City AZ on Facebook. Gift Certificates are available for the holiday season, or any special occasion.

LaTouch Wellness Massage Therapy Shares...

The Gift of Touch

Did you have a stressful day, or do you have an ailment that just won't go away?

Massage Therapy could be the solution. Massage offers a silent language that makes one feel physically at ease. It contributes to our healing on many levels, physically, mentally and emotionally creating total healing. A gentle touch from someone you trust can be reassuring, comforting and relaxing. Studies show that individuals who receive a nurturing, loving touch on a regular basis are healthier and happier and cope better with social situations than those who do not.

The human skin is the largest organ in the body and has many sensitive nerve ends. Massage is the best means of offering healing touch therapy to people of all ages. Touch stimulates receptors sites located on the skin. They, in turn, communicate to the brain resulting in the release of endorphins, a stress-reducing hormone that helps induce relaxation and improve mental focus.

Three Ways Therapeutic Touch Therapy May Benefit You:

1. **Improved Resistance to Diseases:** A gentle massage can cause an increase in the white blood cells used in defense against diseases. It ensures better body protection at all times. Increased blood flow credited with improved immunity, is achieved through therapeutic touch.
2. **Reduced Stress Levels:** Certain stress-related hormones, such as cortisol, can have negative effects on the body. Massage lowers our stress levels, inducing relaxation and decreasing these hormones.
3. **Better Sleep:** Is insomnia a problem for you? Massage therapy can help to improve your sleep patterns. Thus reducing fatigue and contributing to a better quality of life.

Touch is essential for the physical and mental well-being of a person. This is a gift of great importance. Offer it to yourself or to your loved one this holiday season.

LaTouch Wellness Massage Therapy is located within the Fairway Recreation Center. We offer Swedish Massage, Deep Tissue Massage, LaStone Massage, Sports Massage, Aroma Therapy, Reflexology Techniques, Reiki Energy Healing or A LaTouch Wellness Synergy Session. Many of these services can be combined into your one hour, 1-1/2 hour or 2-hour therapeutic session. Please contact Laura at (623) 201-0378 to schedule your appointment today! Visit our website at www.LaTouchWellness.com for additional information.

Welcome to Sunshine Service

People, meeting needs of people is what Sunshine Service is all about. Sunshine Service lends medical and children's equipment to residents of Sun City and we have been doing so for over 54 years. We are a charitable non-profit Arizona corporation and are funded by voluntary contributions and memorial gifts.

While the equipment is available for the use of all residents or visitors staying with residents, the equipment must not be taken out of Sun City on a permanent basis. As a matter of control, equipment is loaned only to Sun City residents.

Records show that as the population of Sun City grew, so did use of our medical equipment. Savings for Sun City residents have been calculated periodically; in 2015, it was estimated that residents saved over two million dollars in cost of equipment for that year alone.

Sunshine Service, Inc has received local, state and national recognition. Awards received include the George Washington Honor Medal for services to the sick and handicapped from the Freedoms Foundation of Valley Forge in Pennsylvania.

INDEPENDENT NEWS MEDIA

Celebrating & Connecting the Community

A UNIQUE COMMUNITY SERVICE NEWSPAPER

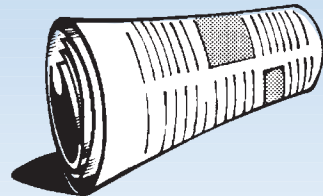

OUR MISSION

Our mission is to bring good journalism to the communities we serve. We try to provide citizens with the knowledge they need to participate fully in the community. This includes covering meaningful issues and trends, publicizing community activities and showing people how they can get involved.

OUR GOAL

We want to provide each of our communities with the best newspaper the market can support. Each newspaper strives to be among the best of its size and type in the nation.

OUR STANDARDS

As a community institution, we strive to use good journalism to bring out the best in the community and its people. As a business, we are committed to achieving success on the high road, maintaining high ethical standards and seeking win-win relationships. As an employer, we encourage our people to develop their full potential.

OPEN DOOR POLICY

With many newspapers, it's hard to get something published in the paper. We essentially follow a policy of "if you get it to us and it's legitimate community news, we'll get it in." In fact, involving the community in routine news-gathering allows our editors to spend more time covering critical local issues and facilitating the community's discussion of those issues.

OPINIONS PAGE

Our opinion pages belong to the community. Everybody's views are welcomed. The editors do not push their own views on the community; instead they encourage the community's discussion of issues and seek out a broad range of opinions. To return to the values of the American Revolution, the newspapers offer a public forum in which citizens can express their opinions anonymously (edited to keep the discussions as open as possible, within the bounds of fair play). There are also letters to the editor and guest commentaries from experts on various topics.
