BOARD MEETING AGENDA
Thursday, March 27, 2025
Sundial Auditorium, 9:00 am.

3. **Director Rough** – I move, based on a recommendation from the Long Range Planning Committee, to proceed with obtaining contractor bids to construct a maintenance facility on the now existing site of the Riverview Golf Course maintenance facility, similar to the maintenance facility now existing at the South Golf Course, including an approximately 6,200 square foot steel building, containing four (4) rolling bay doors, climate controlled restrooms, break area/meeting room and superintendent’s office. The remainder of the facility will not be climate controlled. The facility will also include an outdoor storage yard/facility enclosed by a masonry wall. The outdoor storage yard/facility will be large enough to store sand, fertilizer, seed, herbicide, other required chemicals needed to maintain a golf course, and a permanent shade structure enclosed by a fence for large mower tractors.

4. **Director Kise** – I move on behalf of the Golf Advisory Committee (GAC) that Disc Golf not be incorporated into RCSC golf courses.
