

Oakmont Recreation Center Offers Fitness Center Upgrades

Oakmont Recreation Center, Sun City's first recreation center, opened on January 1, 1960. In the heart of Sun City, this iconic center is located at 10725 W. Oakmont Dr. In 2016, the center received a facelift to include an overall updated look while keeping its original charm. Fast-forward to late 2024, Oakmont received another upgrade to the Fitness Center spaces, which includes the Cardio room, Free Weight room, and Strength Training room. Each space received new equipment, a fresh coat of paint, new lighting, and new rubberized flooring. The former equipment was outdated, non-functional, and no repair parts were available according to Center Leader, Pat Garrett. The new Fitness Center now offers a comfortable, friendly atmosphere for members to exercise and focus on their fitness goals. A specific list of new equipment and additions include:

- (2) TVs
- (18) Cardio machines: (5) Life Fitness treadmills, (2) Life Fitness ellipticals, (3) Life Fitness recumbent bikes, (4) Nu Step recumbent bikes, (1) Sci Fit total body exerciser, (2) RowERG Concept rowing machines, (1) Life Fitness upright exercise bike
- Adjustable strength training machines
- Cable machine and functional trainers
- Smith rack and plates
- Benches, dumbbells, and fixed barbells
- Kettlebells
- Mobility, stability, and band training accessories (stability balls, medicine balls, power bands, core mats, foam rollers)

One member stated that the new space is "very nice." The refresh is in direct alignment with RCSC's mission to provide our members with a wide range of high-quality amenities, recreational opportunities, and social activities to enhance the members' sense of well-being and purpose. All members are invited to visit Oakmont and to try out the new Fitness Center. Members will need key fob to access the recreation center front gate and the doors to the Fitness Center space. The north-west door is ADA-accessible.

Bell Lapidary Club

Lapidary is the art of revealing and enhancing the natural beauty of stones and minerals. You are invited to come and experience the process of cutting, shaping, and polishing rock. Bell Lapidary Club members make beautiful jewelry cabochons for pendants, earrings, belt buckles, rings, and bolo ties; as well as other rock art items such as book ends, spheres, faceted gems, and more.

Examples of our members' creations are on display and available for purchase in the Club's store, which is open to everyone. We welcome RCSC Card Holders to join us and make your own amazing works from stone. Lapidary is fun and we enjoy sharing and learning together with our fellow members. Our shop is very well equipped, and we will train you in how to practice your new skills. Membership dues are \$20 annually and the training fee is \$35.

The shop is open from 8:00 am to 3:00 pm, Monday through Saturday (periodically, we will be closed on Wednesday afternoons for training). We are also open Monday and Wednesday nights from 5:30 to 8:30 pm. Summer hours and schedule may vary, as needed. Please do drop in for a shop tour and to visit our store. Call 623-977-1803 for additional information.

Sun City Swim Club

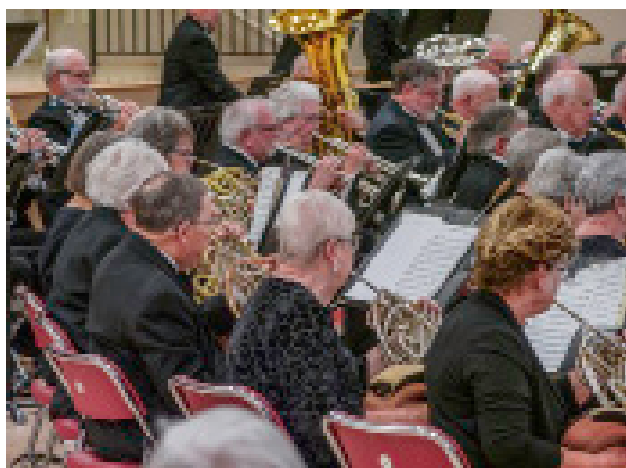

Sun City Swim Club is hosting the Chris-Mac Invitational Fun Sun Relay Swim Meet on Saturday, April 5, 2025, at the Bell Center Pool. This event honors our dear friend and swimmer Christa McLaren-Morris. This is an annual event with swimmers from Sun City West, Grand, Festival, Trilogy and Sun City Swim Clubs. The event is at the Bell Center Pool, from 7:30 a.m. to 1:00 p.m. with check-in starting at 7:00 a.m. Visit the Sun City Swim Club website for more information at: <https://suncity-swim.com>.

Sun City Concert Band

The Sun City Concert Band was organized in 1979 by Clancy Wolf and initially had a nucleus of 20 members who also played in Clancy's polka band. Today, the concert band is comprised of approximately 80 members, with various backgrounds. Members must possess the requisite talent to play their instruments and enjoy the preparation of good music performed at concerts for the enjoyment of the community. The band plays a wide variety of music but focuses on traditional concert band literature. The band is directed by Ken Jaeger and Associate Director, Charles Musgrave. The band rehearses weekly on Tuesday mornings at the Fairway Recreation Center from 9:00 -11:00 am from September through April. We perform four concerts each year: Fall, Christmas, Sousa, and Spring.

The Concert Band will perform its spring concert, "Into the Joy of Spring," on Saturday, April 26th at 2:00 pm at Sundial Auditorium, 14801 N 103rd Ave, Sun City. The concert will feature trumpet soloist Dan Reed. Admission is free, with donations accepted at the end of the concert. For additional information, contact Jane Higgs at 623-910-6355 or visit www.sccb.org.

Knitters Club of Fairway Center

Do you like to knit and crochet? Knitters Club of Fairway Center gather every Friday morning from 8:30 am to 12:30 pm at Fairway Recreation Center to promote fellowship, enjoyment, and encouragement of knitting and crocheting for charity. In addition to the weekly meetings, this group also plans and gathers at many events throughout the year for a variety of festive activities.

Most recently, club members were invited to a "tea party," hosted by member Mary Ann Hoss, and Club President, Gail Wuepper. Attendees delighted in wonderful food, a large selection of teas and other beverages, and most importantly, a fun atmosphere enjoying each other's friendship. If guests didn't have a pretty hat to wear, no worries, because the gracious hosts had a wide selection of hats available so all could join in the fun and play "dress up."

If this sounds like fun to you, please come and enjoy the morning with us on Fridays. There are often knitting and crocheting themes for the month, based upon community need. A vast selection of yarn and patterns are available for the charitable donations we create. In addition to helping others, club members work on their own projects that inspire new ideas for others.

Recreation Centers of Sun City Chartered Clubs

Concerts. Crafts. Swimming. Sports. Whatever your fancy, Sun City AZ has more than 125 chartered clubs available together with a constant stream of events and activities to fill your day with options to stay active, creative and entertained. Sun City AZ Living – it’s a great life!

The Clubs Office oversees and administers Recreation Centers of Sun City (RCSC) club activities. The office, open 8:30am – 4pm Monday – Friday, is located at our original center, Oakmont Recreation Center at 10725 W. Oakmont Drive.

Water Conservation

Water Saving Tips in the Yard

If you're looking to do a little work around the yard, look no further than the Epcor Water demonstration garden right here in Sun City AZ (15626 N. Del Webb Blvd.) for ideas that will inspire and help you conserve water, too.

You'll find that drought-tolerant plants are the easiest to maintain and flourish in our desert environment. You can minimize pruning by selecting plants, shrubs and trees that require less water and fit with your landscaping. Group plants together based upon their different watering needs and let them grow naturally instead of pruning into balls or other shapes.

Pay special attention to these simple tips when tending to your yard and garden:

- Use drought-resistant plants and grasses like Bermuda instead of Kentucky Bluegrass, and avoid overseeding in the winter.
- Adjust the irrigation timer quarterly and turn the irrigation system off when it's windy or raining.
- Water in the early morning or late evening to avoid evaporation. Know how much water your plants need – many plants die from overwatering.
- Water for a longer period of time, but less often. This lets the water sink into the ground and pulls the plant roots away from the hot surface.
- Don't water cacti.
- Use a broom, not a hose, to sweep sidewalks, patios and driveways.
- Mulching reduces evaporation, lowers soil temperatures and helps to control weeds. With better soil drainage, water gets to the plant roots where it's needed.

In Arizona, up to 70% of residential water usage is outdoors. By replacing high water-use plants and turf with low water-use plants, you can not only save money but thousands of gallons of water a month.

For more information, contact the Epcor Water conservation team at conservation@epcor.com or visit epcor.com online for additional gardening strategies.

BENEFITS OF MASSAGE

Massage therapy provides numerous physical and mental benefits, promoting overall well-being. It helps reduce stress by lowering cortisol levels while boosting serotonin and dopamine, leading to improved mood, relaxation, and better sleep.

Physically, massage enhances blood circulation, allowing oxygen and nutrients to reach muscles more efficiently, reducing soreness and tension. It also stimulates the lymphatic system, aiding in detoxification and boosting immunity. Massage is effective in pain relief, helping with conditions like back pain, arthritis, and migraines by reducing inflammation and improving mobility.

Additionally, it increases flexibility and range of motion by loosening tight muscles and connective tissues. Beyond physical benefits, massage supports mental health by reducing anxiety and lowering blood pressure. Techniques like Swedish or deep tissue massage cater to relaxation or muscle recovery needs.

Regular massages contribute to a healthier lifestyle, relieving stress, easing pain, and enhancing overall body and mind function.

Exciting News for 2025: Recreation Radio is Here!

We're thrilled to announce the launch of Recreation Radio, your brand-new 24/7 commercial-free radio station! Now you can enjoy the greatest hits of the '50s, '60s, '70s, and '80s curated especially for our community.

Why Recreation Radio?

For years, our recreation centers have relied on music and entertainment broadcasted by another station. While convenient, it came with challenges; inconsistent reception, station format changes, objections to commercials and conflicting tastes in music, and lack of RCSC specific information.

It has been our vision to create a station that serves as the "Voice of RCSC," delivering music and messages tailored to our community's unique preferences. Thanks to the support of senior management and the upgrades made by our IT department, this vision is becoming a reality.

Where to Hear It

Recreation Radio is currently playing in various locations at the Sundial Center. Our goal is to expand to all centers using our business network infrastructure, and we're hopeful the rollout will be completed soon.

We're also streaming Recreation Radio online via Live365.com, (once there, type in Recreation Radio in the search bar and that will take you to the next page where you will click on the RCSC logo) now you can listen from anywhere!

Get Involved!

This station was built for YOU, and we'd love your input to make it even better. Send us your suggestions, critiques, and comments at recradio@suncityaz.org. Plans for the radio station will include Club announcements for big events; Opportunities for club reps to record short messages endorsing their activities; and Positive member reviews to be shared on air!

Let's build something amazing together your soundtrack, your community, your Recreation Radio!

Celebrate National Library Week April 6-12, 2025

What draws people to the library? Everything! From books and digital resources to job assistance and creative programming, libraries are essential to thriving communities.

National Library Week, April 6-12, 2025, is a time to celebrate the many ways libraries bring people together, spark imagination, and support lifelong learning.

At the Fairway Branch and Sun City Branch at Bell, we invite the community to join the celebration! Whether you're a longtime patron or haven't visited in a while, now is the perfect time to explore all the library has to offer. Our libraries provide free Wi-Fi, digital collections, informational programs, book clubs, seed libraries, and much more, ensuring that everyone has access to resources that educate, inspire, and connect.
